## RECREATION IS IMPORTANT

A civic club of Mt. Prospect, Ill. thinks so too. They recently paid off a \$16,000 mortgage on a 16 acre tract of land which was presented to the town for a community park. All members participated in raising the necessary funds through the club's annual 5 day fall festival and carnival. Reaction of the public in response to the publicity, given through local papers and placards displaying the club's emblem was enthusiastic. After three years the club reports, "We are tired but happy."

## KIWANIANS MEET

### Two Delegates Named for International Convention

The Kiwanis Club of Taneytown convened as usual on last Wednesday evening at Taney Inn. President Lewis Crumpacker was again in his station after having been absent for the last two meetings. The program of the evening was in charge of the Support of Churches Committee of which Raymond Wright is chairman.

After the usual group singing which was led by Wallace Reindollar, Music Committee Chairman, and accompanied by our faithful pianist, Mrs. Estella Yingling, Kiwanian Wright introduced the speaker for the evening who was the Rev. Mr. Samuel A. Harley, Pastor of the Union Bridge Church of the Brethren. Mr. Harley's address centered about the topic of church attendance. He spoke quite convincingly in regard to the need of Kiwanians who are quite naturally leaders in community affairs accepting the privilege of regular attendance at their several places of worship. He stressed the importance of each member taking seriously the challenge of the church and adopting the principles for which the church stands as their guidance and pattern in everyday life.

At the conclusion of the meeting the regular monthly board meeting was held at which time it was decided to continue the established practice of promoting the three hour period of devotion on Good Friday afternoon plus Easter Sunrise Service which is regularly held on Easter Sunday morning. The Support of Churches Committee will have charge of promoting these activities. Plans are also being made to publicize the Club and its activities over the facilities of radio station WHVR. Kiwanian Elwood Baumgardner has been appointed as chairman of the "On to Miami Committee" in connection with the 35th annual convention of Kiwanis International.

George Harner and Elwood Baumgardner have been selected as official delegates of the club to attend this convention. All other members are being urged to attend if conveniently possible. An extensive program has been planned for this Convention.

Eight prominent leaders in business, government, education and religion have accepted invitations to address the convention to be held on May 7 to 11, at Miami, Florida. This announcement was made by Lewis E. Crumpacker, president of the Kiwanis Club of Taneytown, who said that advance indications pointed to an attendance of at least 10,000 from all sections of the United States, Canada, Alaska, Hawaii and the Yukon Territory.

Latest in the galaxy of nationally known figures to join the Kiwanis convention program are Paul G. Hoffman, administrator of the Economic Cooperation Administration, and Rep. Walter H. Judd, Minneapolis, former Chinese medical missionary and recognized as one of the outstanding speakers in the Congress.

Others who will highlight the five-day meeting include Secretary of Defense Louis Johnson; General Carlos P. Romulo, president of the General Assembly of the United Nations; Jas. M. (Jimmie) Fidler, Hollywood radio commentator; the Rev. Marshall R. Reed, bishop of the Methodist Church in the Detroit area; John Fisher, Toronto, widely known Canadian newspaperman, and J. Hugh Jackson, dean of the graduate school of business at Stanford University, Stanford, California, and president of Kiwanis International.

Many other unusual features are being planned for the delegates, representing 3,100 clubs and 200,000 members, Mr. Crumpacker said. Their wives, he added, also will be guests at a colorful program of entertainment events, beginning Monday, May 8, and continuing through Thursday May 11.

The public probably will be invited to the Orange Bowl Wednesday evening, May 10, to see the "Main Feature Entertainment," a tradition of each Kiwanis convention. This year's outdoor pageant will take the form of a tropical fiesta with a cast that will number several hundred.

Next week's meeting will be in charge of the Attendance and Membership committee with Capt. Jere Schaefer in charge of the program which will be centered about the St. Patrick Day theme.

## "GOLDEN RULE" CLASS MEETS

The "Golden Rule" Sunday School Class of Grace Reformed Church, met Tuesday evening, March 7, at the home of Mrs. Jacob Stambaugh.

Mrs. Stambaugh who is the Vice-President had charge of the program. The class reacted enthusiastically to the many facts and schemes for accumulating some money to go toward something beneficial in our church.

After the business session, discussions and games, the hostess served delicious refreshments. The class will meet with Mrs. Simpson April 4 and we are hoping more of the members will make a large effort to be present to enjoy an evening of business, pleasure and fellowship together.

## LADIES OF THE LODGE HOLDS MEETING

The Pythian Sisters held their regular meeting Feb. 27 with the most excellent chief Janette Wilson presiding.

It was decided to hold a white elephant party at their next meeting that will be held March 13 at which time each member is urged to be present and bring a 25c wrapped gift.

## NEW STREET LIGHTS FOR TANEYTOWN

### Modern System is Now Being Installed

The Potomac Edison Co., construction crew have started the big job of modernizing Taneytown's street lighting system. The Main Streets will have 4000 or 6000 Lumen lamps enclosed in the latest type of diffusing glass fixtures, which will put the light on the sidewalk and on the street where it will do the most good. The old fixtures now in service use only 1000 or 2500 Lumen lamps and they are suspended over the street where they are buffeted by the wind and are a constant source of trouble. Not only is the main street to receive the benefit of more light from modern type fixtures, but all of the lights on the side streets and even those in the alleys are to be stepped up in size, and a new type of reflector and bulb installed which will put the light on the ground where it should be. The entire construction job will take some time to carry thru to completion, and in the meantime we will possibly have some of the old fixtures with small lamps, operating side by side with the new fixtures equipped with the larger lamps, and the comparison will be noted. When the job is finished the town will be proud, and the Town Fathers should be congratulated in making this progressive step.

## One Great Hour of Sharing

Highlighting final preparations by the churches of Carroll County for the One Great Hour of Sharing on Sunday March 12, the Consistory of St. Mary's Reformed Church, Silver Run, has set a goal of \$1,000 for the offering then to be made by congregation for world relief. The entire membership of many churches are being informed of the observance by letter this week, with special offering envelopes enclosed.

To symbolize the light which the One Great Hour of Sharing will bring to countless multitudes whose lives have been darkened by suffering, the cross on top of the Westminster Theological Seminary will be lighted for several hours on Saturday evening.

Among many expressions of support this past week-end was the following from Rev. Charles Price of Silver Run, President of the Carroll County Ministerial Association: "The Ministerial Association is glad to promote unambiguously the One Great Hour of Sharing and the broadcasts preparing for it. The members of the association believe that this work is most worthy of their whole-hearted support, and that most of the county's Protestant churches will cooperate in gathering on March 12 an offering for the needy people of the earth, fulfilling the Master's command that we do unto others as we would have them do unto us."

Rev. Eugene Woodward, president of the Westminster Ministerium, said yesterday, "The Protestant churches of Westminster are cooperating in the One Great Hour of Sharing, Mar. 12. The hunger, homelessness, and human misery abounding in the world today demand the prayers and the offerings of all Christian people." Observed Rev. Harold Z. Bomberger, pastor of the Westminster Church of the Brethren: "One Great Hour of Sharing offers one great opportunity for Christians to practice their Christianity."

Nineteen denominations, representing about 25,000 members, will cooperate in next Sunday's offering. The proceeds will benefit thousands of DPs, refugees, and those needing moral and spiritual aid in Europe and Asia. One of the four broadcasts over major networks dramatizing the need remains to be presented, as follows: Saturday March 11, 6:30-7 p. m. CBS (WCAO, 600k; WTOP, 150k): A round-up story of the Christian challenge to be presented on Sunday, March 12.

## MEETING TO BE HELD BY BASEBALL COMMITTEE OF THE TANEYTOWN RECREATION ASS'N

## "AROUND THE TOWN"

"Around The Town" will change its name to This and That (Your Chatty Column) due to the fact that its contents covers more than "Around The Town" and is exactly the title which many of the readers have suggested to Your Observer. In a future "This and That" watch "For the Love of Mike!"

## MITE SOCIETY HOLDS MEETING

The Mite Society of Trinity Lutheran Church held its regular monthly meeting and mid-winter social Tuesday evening with a very good attendance of members and friends.

The program committee consisting of Mrs. George Sauble, Mrs. Merle Ohler, Mrs. Norman Reindollar and Mrs. A. G. Riffe had planned very enjoyable entertainment. A piano solo "Concerto" by Grieg, was played by Miss Hazel Hess; Miss Lorraine Sauble sang "Just a Wearyin' for You" accompanied by Miss Hazel Hess; six ladies of the Women's Guild of the Reformed Church, Emmitsburg, and Mrs. Carrie Beall, Taneytown, ably gave the play "Waiting for the Male." Mrs. E. P. Welker, their pastor's wife coached the play and was also one of the characters.

Mr. Merle Ohler showed pictures of their recent trip to the Pacific Coast; pictures of the "Ice Capades" and "Follies" at Hershey, Pa., and pictures which were taken the evening of the 50th wedding anniversary celebration for Mr. and Mrs. M. Ross Fair, also of some of their friends. Refreshments of cake, ice cream and potato chips were served.

Mr. Robert L. Leese, the Branch Manager, stated that some of the topics discussed at this meeting were improvements of various roads throughout the county, state inspection stations and the coming AAA School Safety Patrol Parade. It is anticipated that nearly 400 students from Carroll County will participate in the Safety Parade held in Washington, D. C. Local civic and P. T. A. organizations sponsored transportation last year for the patrol members.

Colonel Harry Spraker from the Baltimore Office was the guest speaker.

## THE RED CROSS DRIVE OPENS

### A Worthy Cause That Should Be Supported by Everyone

Along the street, in show windows over the radio, you are suddenly being reminded that the Red Cross is raising the money it needs to carry out its many services to all who need its help. Last year Taneytown made a wonderful record by raising well over the amount which had been set for its quota under the able direction of Mr. Neal Powell.

This year the National Red Cross after careful consideration has set the sum of \$67,000,000 as the amount it needs. Carroll County is asking Taneytown to raise \$650.00 as our share of this total. We have done it before. Let's do it again.

When the Red Cross solicitor comes to your door he or she will come armed with membership cards, buttons and window stickers for you to display proudly. Welcome the solicitor generously and give your dollar (or more) for membership in this great organization knowing it will be well spent. Did you know that for every paid staff worker in the Red Cross there are 100 who give their services? And your money will make it possible for the Red Cross to give help in disaster, help to Veterans, help for the Armed Forces, help in promoting health (national blood program, first aid and accident prevention, water safety, nursing service). Ask your solicitor for details. Give to Your Red Cross.

## FIRE COMPANY NEWS

Beginning last Friday the Taneytown Fire Company responded to five fire calls. The first call on Friday was from Toms Creek road to extinguish a field fire. Shortly afterwards a call was answered to extinguish a field fire at Maurice Flickinger's.

On Monday a call was received from the Rodkey farm where a field fire was burning. On Tuesday a chimney fire near Marker's Mill was extinguished.

On Thursday morning the firemen responded to a call at the James Glacken home where a residence was on fire. Despite their efforts the home was completely destroyed by the flames.

Ambulance calls were: Mr. Andrew Bittle to the Gettysburg Hospital; Mrs. David Reifsnider to a convalescent home near Union Mills; Raymond Thuma to the Union Memorial Hospital, Baltimore.

Due to the many field fires at this time of the year, farmers are warned against cleaning fence rows, etc. by burning.

The next meeting of the Fire Company will be held Monday evening, "Movies" will be shown by the State Forester. These pictures will be furnished by U. of M., College Park, Md.

## FAMILY OF SEVEN LOSES HOME BY FIRE

Fire destroyed the home and possessions of Mr. and Mrs. James Glacken early Thursday morning. The house is owned by Harry Trostle and was formerly known as the William Kittase farm.

Flames were discovered between 3 and 4 o'clock A. M. and the high winds fanned the blaze until the dwelling was burned to the foundation. The Taneytown Fire Company responded to the fire call but were unable to save the home of the family of seven persons. The cause of fire was undetermined.

The Red Cross is assisting the family in their need for food, clothing and shelter. At present the parents and five children are staying with relatives, Mr. and Mrs. Garland Bollinger, near Taneytown.

## ATTENDED LIONS MEETING

Mr. and Mrs. Hoke Ommert, attended the 27th anniversary Charter Night of the Hagerstown Lions Club held in Hotel Alexander, Hagerstown, Thursday evening, March 9. The guest of honor Melvin Jones who founded Lionism in Chicago 33 years ago, gave the following pertinent facts about the growth and activities of this service club: 800 new clubs were organized each year for the last three years. There are 209 district governors in 27 countries; 27,307 new members in the last month.

A Lions City is being built 27 miles South of Chicago where 400 acres were purchased at a cost of \$500,000. The land is paid for.

The speaker of the evening announced that he just came from Atlantic City, N. J., where the manager of the Shelbourne Hotel presented him with a check for \$1000. to be used in building Lions City. The Hagerstown Club gave \$500. and the Mt. Airy Club gave \$100. for this project.

## THIS and THAT (Your Chatty Column)

With all my heart, I wish you every morning. A smile that shall last until the next day's dawning. I wish you health—life's greatest wealth! I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

Your Observer was convinced that springtime was in the air (regardless of the bitter day) as I entered the Post Office, hearing the chirping of the little "spring peeps." It was such a welcome sound in that atmosphere.

A friend from the city writes that she has sold her home and all she wants is a big kitchen with a rocking chair. A gentleman remarked to that one, "Ump—she must expect to spend the rest of her life in the kitchen." See what I mean, ladies? Then, they talk about women are hard to understand. So even with that modern kitchen of yours, you better start thinking this minute. Eh?

Now, the taxi companies in the big cities are going to supply whistles for their waiting riders as many a 'cabbie' misses his fare by the motioning of a hand. Clever idea if you ask me.

A lady who was reared on a farm in Carroll County asked Your Observer if it is true that most city people think they are smarter than the country cousins. My answer to that one was, "No, most emphatically no, as all city people realize it has always been the man behind a plow who has gone places and done things in life with an executive position in some field or other." As for Your Observer, I have learned more in three years from country people than ten years of my life in the city. Country people have taught me plenty, "God Bless them." The only time I ever thought a country person was slow was the son of a farmer in Pennsylvania who liked Your Observer and I liked him but he did not pop the question and I surely was not going to do it for him. Nuff sed. So, you see, folks, I almost came to being that farmer's wife.

Here's to that Historical House in Westminster. For a very long time, the top of that old lamp-post on the corner has been ready to topple over and yet nothing is done about it. Before it crashes to the ground, do save it. It means much to that home and to the quaint atmosphere. (Westminster Times, please copy.)

A number of people have asked me in fact it was almost a statement not exactly interrogatively that in these mad rush of days, we find very few gentlemen. Your Observer cannot agree on that one for I know many real gentlemen right 'around the town' and as for Baltimore, the real Baltimorean is most gallant and that with a capital G. (All papers in Maryland please copy.) That should bring in a response. The real Baltimorean is the real gentleman even to the days when southern hospitality was known, for I have found it right in Baltimore. And to think I was born in the City of Brotherly Love.

That reminds me, folks, have you ever noticed how many men who are little men in and 'around the town' are really big men?

That cute little wife who has the 'picture book' apartment taking a post graduate course from Taneytown High School where she graduated a few years ago and is now studying stenography and secretarial work. Betcha she will go over big in any office position.

A few Saturdays ago, Your Observer drove up to Emmitsburg. What a breath of wide open country long before entering that old, little town. It was a heavenly sight with the mountains soaring above and in front all the way. We do not have to go way out west where 'men are men and women eat shredded wheat' to see it all for we have it all around us and don't realize it.

Parked "Lincoln" right outside of that 'stove store' which was the very first store Your Observer visited almost four years ago. It was a Colored school house and then is was bought by the Grandfather of the

## PRESBYTERIANS VOTE TO HELP REFORMED CHURCH

At a meeting of the Presbyterian congregation of Emmitsburg, last Sunday night after the evening service, a vote was passed by unanimous action to make a contribution toward the rebuilding of the Evangelical Reformed Church recently destroyed by fire. The week before, on the Sunday the church burned, the Presbyterian Session attempted to come to the rescue of our distressed brethren by the instrument of sympathy and the offer of hospitality. Now a further helping hand has been extended. By vote of the congregation, each member will be given the opportunity of making a special contribution to a fund which will then be sent to the stricken church to help restore what has been lost. Mrs. J. L. Nester, Church Treasurer, has been designated to receive these contributions.

At the above meeting also it was voted to have the wiring of the church inspected, and to increase the insurance from \$30,000 to \$60,000.

At a meeting of the Presbyterian Session in Taneytown last Sunday a motion was also passed to take up an offering to help the Emmitsburg church to restore what has been lost. Similar action was taken also by the Trinity Lutheran Church of Taneytown. And it is anticipated that the other churches of the community will do likewise.

**THE WEATHER**

Mark Twain once said "Everybody talks about the weather but nobody seems to do anything about it." That is the condition in which we now find ourselves in this good land of ours. Most old people are apt to think that the summers are not so hot nor the winters so cold as they used to be back in our childhood days.

Certainly the weather is not as cold here now as it was back in our childhood days. Along the streets here in Baltimore with eastern exposure we now find blossom bushes now in full bloom. That has not happened in many years.

Seventy odd years ago I remember that the men on our farm went to the harvest fields wearing overcoats. That has not happened lately. Why? No one can tell.

Certainly the snows have not been so deep in recent years as they were when I was a young man teaching in Southern Carroll County. Then I recall the roads were drifted so full that teams could not be driven on them for several days. But these drifts were nothing compared to what I experienced when I lived in northern Minnesota. Then the snow fell until it attained a depth of three feet or more on the level and when the rain fell and froze on top of it a crust so thick and strong was formed that a horse and rider could pass over it without breaking thru.

No the weather is not as severe as it was in the good old days.

**"NEVER TAKE THIS ROAD"**

Harold E. Stassen recently returned from England, where he made an intensive study of Britain's health program—a program which is similar in many particulars to the compulsory government health insurance scheme proposed for this country. Mr. Stassen's findings have been summed up in a series of articles in Reader's Digest.

According to Mr. Stassen, Britain's version of socialized medicine has been characterized by a lower quality of care, for more people, at a higher cost. Preventive medicine is being grossly neglected. Doctors' time and energies are largely consumed by malingerers and hypochondriacs.

Worst of all, to quote Mr. Stassen directly, "During the first year of the operation of the British National Health Service, the death rate in Britain went up rather sharply! In infant mortality, the death rate has shown an improvement, and this has been hailed by those administering the program. The fact is, however, that the slight improvement in infant mortality... has not been as great an improvement proportionately as that which occurred in the United States and throughout the Western World.

"It does seem that the additional tombstones in the British cemeteries—72,125 more than in the year before the National Health program went into effect—are grim signposts on which we can read: "Never take this road".

He unfolded the story of his life on the tablets of the human heart. He has made the touch of nature akin to all the world. He preached the gospel of Christianity among the hills and dales of Ireland. THIS AND THAT

(Continued from First Page)  
present generation who still operates the same kind of business. Substantial people! Nothing finer! The owner now serves bottled gas and has his plant not far from "around the town" Who in the world is more welcome in any household on a bitter day than your oil man?

The nice recent bride 'around the town' who has nursed for Uncle Sam and still doing just that is another of those substantial plus sensible brides. Makes me think of that song which is sweeping the country, "I Love Those Dear, Kind and Gentle People who comes from my home town!" Lucky man—that Groom!

Best Wishes!  
There is a gentleman reaching 80 summers who is an excellent marksman around any town!

Met a very nice Priest formally from 'around the town' who has a church in Baltimore and upon shaking hands he said, "I never miss your column!" That was a surprise and Your Observer just loves surprises in any form!

That sweet only daughter is getting 'Better 'N Better every day who recently was under the knife in the big city and is located at her apartment with that grand lover husband by her side! What a striking resemblance of this daughter to Moira (Shearer—the Star in the foreign production of "The Red Shoe." That name of Donatelli meaning, "Gift from God!"

That reminds me if you have not seen that marvelous picture, you have missed much. Adjectives could not describe it!

The recent Kentucky party at the Shoreham Hotel in Washington for the Veep and his 'Mrs.'—for the latter they sang, "Schubert's Serenade" and "My Old Kentucky Home" but for the Veep it was rather light hearted and gay such as—"My Hero" from "The Chocolate Soldier", a Viennese Waltz and "Let My Song Fill Your Heart!"

Now, here's to all with TV sets! On each Friday night, George Putman, former husband of the late Amelia Earhart has a show at 8:30 called "Headline Clues". If he happens to call you, the answer to that mystery picture is Glenn L. Martin and Mary Pickford. If you say those two names you will positively win \$2,000 in merchandise. So, here's hoping he calls you!

Don't forget that Easter corsage for your best girl or the flowers you desire that will mean much for those you love from our nice Florist "Around the Town!" Keep boosting your town and watch it grow!

Don't grow old, Folks just be like that Veep—take a real interest in life and watch life take a real interest in you! Will be seeing you next week. Have a grand week end. So long.

Faithfully,  
YOUR OBSERVER.

**4-H CLUB NEWS**

To observe National 4-H Week, March 4 to 12. The Taneytown Agriculture 4-H Club members are going to tell you a few interesting points about how our club got started in 1943. The club was organized by three families meeting at a home and discussed activities which 4-H members would be interested in. At that time 6 members decided to form a 4-H Club in this community.

At the 4-H meetings they discussed the proper care of their projects and also were taught the method of keeping a record book. In the meetings, we have demonstrations, movies, discussion and recreation.

In our club we have the following officers as now: President, Elizabeth Flickinger; Vice-President, Elizabeth Angell; Secretary, Dianne Thomas; Treasurer, Calvin Amoss; Club Reporter, Marian Miller; Corresponding Secretary, Lester Bollinger.

We wish to patrise everyone who patronized our bake sale and also for the use of the Firemen's Building. We wish that each and everyone of you will attend our 4-H Square Dance which is being held March 25, at the Taneytown High School, from 8:30 to 11:00 o'clock.

Our next meeting will be held at our club house at the home of Mary Null March 27, at 8 P. M. We welcome new members at our meetings.

with the added income!

Everybody wants wartime excise taxes repealed. The only reason it hasn't been done is that Uncle Sam needs the money they bring in. But Congress can replace this excise income simply by requiring tax-exempt commercial enterprises—such as Co-operatives, Foundations and Trusts—to pay federal income taxes on their huge profits. This will produce more than ONE BILLION DOLLARS in brand new revenue which can be used to REPEAL WARTIME EXCISE TAXES. Tell your Congressman you want him to TAX THE UNTAXED FIRST AND USE THE NEW INCOME TO REPEAL WARTIME EXCISE TAXES—NOW!

**Church Leadership**  
Lesson for March 12, 1950.

"WHAT'S in a name?" Different churches have many different names for the persons who hold office in them. But whatever quarrels the churches have had, few of them are about these names. The thing is more important than the name. All of us agree that churches do need organization.

Some people would have us go back to the New Testament for our pattern of organization. We cannot quite do this, for one important reason. Where in the New Testament would you dig in? Would you take the letters to Timothy and Titus as your guide? There you find bishops (overseers, superintendents) mentioned, also elders and deacons, but you do not find their duties laid down.

Go back into the story of Acts and you will find a place where elders are first mentioned in the Christian church (11:30); go still farther back and you come to the first election of deacons (Acts 6).

In your first Utopian Church, will you model it after the three-officer plan, or two, or one, or (going back before Acts 6) none at all? (Apostles, of course, are not now available.)

Scholars in most churches today are pretty well agreed that what we have in the New Testament is not a rigid pattern of organization, but rather certain principles on which any successful church must be built. Let us see what some of these are.

**The Job and the Man**  
ALL CHURCHES are agreed on one point: A church must have leadership. What is everybody's business is nobody's business. Some one must draw up plans, think ahead. No organization in the world is self-starting and self-operating, not even the church of Christ. The early church knew this. But they elected officers only as the need for them arose. In Jerusalem there was not a deacon in the place until that emergency came up in the matter of relief.

In St. Paul's first missionary church (Acts 13, 14) he did not get the elders first, and then find churches for them. On the contrary, he founded the churches first and then appointed elders for them.

It would be a good idea for a church today to take stock of its officers once in a while. Are they necessary? For example, do you elect a deacon to "take the place" of one who has moved away, or do you elect a deacon to do a job that can't otherwise be done?

**Sweetness No Substitute For Skill**  
NOT ALL CHRISTIANS are qualified to hold office in the church, and very few, if any, would be equally good in any office. A Sunday school superintendent, for example, might make a poor showing at a prayer-meeting talk. A man who can conduct a successful financial campaign and keep the church up to a high level of generosity the year round, may not be just the man to plan the educational program. A lovely, sweet lady might turn out to be a stupid Madam Chairman.

Paul knew all this and in fact insisted on it. Each separate kind of job in the church calls for distinct qualifications.

Just being a good Christian was never enough to insure a man's (or a woman's) being a good officer.

**Personality**  
AFTER ALL, however, personal character means more than technical skill. A man may have such flaws in his character that his influence does more harm than good, so that even if he is an accomplished musician you still would not want him as "Minister of Music," or even as choir-leader.

A man whose own home is always at sixes and sevens (as Paul pointed out) is a poor candidate for any executive post in the church. A man who can't keep from quarreling in everyday life is no man to entrust with responsibility in the church.

A man of good character can, and will want to, learn the skills his job calls for; but a man of sleazy character just does not care. Be careful of the sort of man you elect to office, in church or out; for the rank and file are not going to rise above their leaders.

**The Song the Sirens Sing**

REMEMBER the story of the Sirens? They sang of their beautiful, trouble-free paradise. But passing ships that ventured too near soon found themselves on the rocks.

Sirens aren't lost in legend—some are still around, still singing a beautiful song: "Unload your troubles and responsibilities on the government's shoulders. Give the government control of this industry—and that service—and your worries are over."

Your liberties are over, too, for that's how a socialistic form of government takes over a nation.

Don't think it can't happen to America. Because right here, right now, there are people who say: "Let the govern-

ment control the doctors, the railroads, the newspapers, the electric light and power companies. Government control is good for the people!"

It's strange, but true, that many people who say such things—like most Americans—don't really want a socialistic government. But the effect is the same. When a government controls enough industries and services, a socialistic nation is the result whether people want it or not!

Each time government gains a new control, you lose another freedom. And Americans have more rights and freedoms to guard—or lose—than any other nation on earth. Remember that, when you hear the Siren song, *Your freedom is at stake!*

 SUNDAY..MARCH 12, 1950

Over 100,000 congregations throughout the Nation are using this poster. It is being used by 19 denominational bodies, with nearly 25,000,000 members to create interest in the "One Great Hour of Sharing" program for world relief and inter-church aid in Asia and Europe.
