#### Gettysburg Telephone Meeting.

Those interested in the telephone line in the county met on Friday last in the Arbitration Room of the Court House. Comparatively few places reported, but those that did gave good accounts. Littlestown was represented by Dr. Gettier and Mr. Kump, and they reported 34 in Littlestown and three at Two Taverns. York Springs sent G. W. Hartzell and G. P. Emmert. They have twelve down and hope for several more when the lines are definitely settled. Gettysburg announced 50, but since then twenty or more have been added, and at least seventy-five will be secured here. Abbottstown will take three and many other places are yet to be definitely

# As a **Doctor Does.**

The one great fault with all Liver Pills is that they act suddenly and sharply instead of quietly and continuously. They produce a violent relief and then leave you weakened, with an empty stomach and no appetite for food. This is not what a doctor does.

Every physician prescribes a powerful remedy for a disordered liver, but he then orders also a strengthening tonic, which acts as a purifier, restoring the appetite, toning up the system, and making you feel like a new creature.

This is exactly what is done by Ramon's Tonic Liver Pills and Ramon's Tonic Pellets. Two boxes, two separate medicines, and both at the cost of one. A three weeks' treatment for 25c. Ask your druggist about it. Atall dealers, or mail, for 25c., 5 boxes \$1.00. BROWN MFG. CO., New York.
