providing for the election of Senators

The democrats and populists in the Senate, under the leadership of Senator Gorman, by a vote of 31 to 30 re-W. Wilt, deceased, settled first and fused on Thursday to seat Dupont, republican, from Delaware. This action throws the election of Senator back to the next legislature of the state, which the democrats hope to control. A republican was entitled to the seat, as the last legislature Doud, deceased, returned inventory was strongry toplateks and Dupont left enough doubt as to the legal election of the latter, on which to base an excuse for a display of partisanship on the question of giving him the seat.

The fugitives from Asia and Africa on account of the outbreak of cholera, are certain, or almost certain, to make for the seaports of the Mediterranean, and more especially Marseilles, or to take ship at the German ports where cheap transportation to the United States is guaranteed. This means an addition to the tide of undesirable immigration which is already threatening the country and more especially the great cities. In addition to the normal diseases of mind, body and habit that these offscourings of humanity bring we must needs have an epidemic with them to scourge our centers of population.

The A. P. A. convention held in Washington has reported on the re-Many a man has attempted to tell publican candidates for the presitry his hand being a Western editor, from other parties as soon as they Mrs. Lovina Shriner, is visiting Mr. brothers.
