stream for supply. Since our last writing we have had two deaths in our midst, viz; Mr. D. N. Burgoon and Mr. Walter Stouffer, the latter whose condition was reported some time ago as having somewhat improved. His many friends had some slight hopes at that time of his recovery, but shortly after that he began to lose ground, and gradually grew worse until Thursday evening, 14th. inst., when death relieved him after a long siege of suffering. His remains were interred Saturday afternoon in the cemetery connected with the Presbyterian church, of which he was a member, and were followed to the grave by a large concourse of bereaved relatives and friends; Rev. Dr. Frazer and Dr. Purnell officiating. The pall bearers were Messrs Edward Ecker, Harry Stouffer, Thos. Slingluff and L. H.
