his personal property on Saturday

well on his premises in town.

Gamber.

Moving seems to be the order of the day. Mr. J. W. Sellers moves into the Frizzell property recently vacated by R. C. Gamber, who occupies Miss Lida Wilson's house; Mr. H. L. Shipley takes the house vacated by Mr. Sellers, and Mr. Wm. Gibson, we

understand, is to occupy the house vacated by Mr. Shipley. The ladies' have the gardening fever, and "yarbs" and "gyarden seed" seem to be in demand.

Bankert's Mill.

Charles Walter, youngest child of Charles and Mary E. Lemmon, died on the 29th. ult. He was confined to his bed for but a few days, with a complication of diseases, which baffled the combined skill of Drs. Seiss and Shreeve, All that medical skill

could devise was done to relieve suffering, but not until death ensued, was there any relief. Walter was a bright

and intelligent little boy, 2 years, 10 months and 2 days old. His remains were taken to Baust church on Tuesday afternoon, and interred in the Mrs. Morrison. adjoining cemetery. Owing to the disease of which he died, it was advised not to hold any service in the Sunday evening with friends in the church. Rev. Geo. Baughman was country. present and spoke some encouraging words to the friends of the deceased, suffering with lagrippe for several at the grave. We extend our heartfelt weeks, is now able to be out again, sympathy to the bereaved parents, in this their sad bereavement. May they | Saylor are on the sick list; though we be conscious of the fact that their do not think them seriously ill. darling Walter is snugly ensconced in the bosom of Him who once said, and hand, or, as the Pennsylvanians say, is still saying, "Suffer the little child- "flitting." Many will leave their old ren to come unto me, and forbid homes for new ones, each one expectthem not, for of such is the Kingdom | ing to be bettered by the change. of Heaven."

Our farmers are very busy, and are getting ready for their Spring crops, some few are sowing oats, and others, are hauling out their manure preparatory for another corn crop. The growing grain in this locality is looking excellent. Some changes have been made in residences by the different tenants, but by this time all are snugly domiciled for at least another twelve months.

Union Bridge.

Moving time has come, and quite a number of changes are being made this week.

The Senior Order United American sale, to Mr. John T. Dutterer for list sales of goods and chattels and Mechanics will hold an ice cream and \$2000. Mr. Cover is moving to Hanstrawberry festival on the evenings over. of May 27th., 28th. and 29th., in the

Town Hall. Rev. R. L. Patterson will begin a to be up and about in the house goods and chattels and settled first series of meetings on Sunday night again. Mr. Little is also moving to and final account. next; visiting ministers will be present every night next week. The meetings will continue two weeks. Holy 6th., instead of the first. communion will be observed on Sunday morning, April 11, at 10.30 o'clock. blacksmith, has made all necessary Mr. John Clark, who has been confined to his home for the past ten

days with the grippe, is slowly improving. Furney & Morningstar have sold

their bakery to Messrs Nelson & Demmitt, of Taneytown, who will take

She opened it slippery in wet and frosty weather, has and found it to be a poem from her hus- say"been designed by Mr. E. P. North, wa- band, Dr. Helmuth, to Sorosis. It ran

as follows: Who stole my wife by day and night And sent her home in sorry plight, A most dilapidated sight? Sorosis!

Who bade me all alone to stay And eat my luncheon from a tray In the saloon across the way?

Who taught my pious lips to swear When I put on my underwear And found a button was not there?

Your president bought gowns so fine In which on "social days" to shine For your enchantment, not for mine, Sorosis!

But now she's left the honored chair Perhaps I shall the better fare. What comes to you I do not care,

No more the victim I shall be. My wife at last returns to me. For once I've got you "up a tree," Sorosis!

Three years have passed, and, thank the Lord, Another term you can't afford.

Behold my triumph doubly scored, Sorosis!

Glass Garments.

Glass seems to be the coming fabric for dresses, and even undergarments. In Venice an enterprising manufacturer is turning out a textile from the threads the excruciating pangs of rheumatism, of spun glass of which dresses, bonnets when they can be so easily cured by and curtains are made. The woman who adopts this novel fabric will be quite independent of the cleaner and the laundress, as the garments of this matism is evidenced by Mr. G. F. Schra- and water.
