Some of defi loved, to find the very landscape propose to raise the limit even as high changed. Things that once looked as 18 knots, knowing that the Depart-

changed. Things that once looked large and fresh to young eyes, now look somewhat smaller, and, with ourselves, have older grown. Houses in which we once lived, rooms in which were spent many happy days! The old school house where we girls even played ball! We found memory very quick to recall most trivial events. With friends, and their "adoption tried," we "grappled them to our souls with hooks of steel," and rested over the first day.

Monday we visited an octogenarian of the plagues of Pharoah. 'Proud flesh,' the cause of this trouble, is not alone subject to irritation, but the whole biped and quadruped population has to be tortured by hordes of mosquitoes and on those of the Department, and it is expected that the result will be that some of the bidders will avail themselves of both privileges. One of the features of the designs that is likely to give rise to criticism is the provision for a full equipment of torpedo tubes, both above and under water.

worn—homespun—testriying to thirlife in months of winter, when the Great Harvester was preparing the ground for "the tender blade, the stalk, the ear and the full corn at length." She sits now in a world of her own—eyes with a lime but with mind as clear and lime but with mind as clear quite dim, but with mind as clear, and gleaning, she sang the songs of Zion in the prayer meetings held in the old barns. She is waiting, ripe for the Harvest, for the garners in the ing house still continue. breath of fragrance. Ever our minds would travel on.

"To Gettysburg," was the word. Get-tysburg! Thy interest does not wane though we have a Marille on the word of th though we have a Manila and a San-tiago. It is our Waterloo. So on we The dust on the pike is a went over the old familiar hills of "Lazy" and "Tiffany," by the late home of one of our progenitors, who to us has ever been the personator of Yinger were married on Thursday, feeling swept over our souls as we recalled the kneeling figure in the home where prayer rose "like a fountain," night and morning, for "our children's children. Through the towns of Taneytown

and Harney—each place having a share in our hearts; by two quiet. "Acres of God," now by peach orchards where the blush of the fruit peeped out with the tint of the fa-mous peach-blow vase of our city; on Mrs. E. L. Shriner, renewed its repuscenery, the lichen-covered bowlers teeming with vegetation, seemed greater monuments to us than the modern artistic sculpturing. The work of Ages!
