many cases of early consumption. Even in advanced cases it brings comfort and greatly prolongs life.

PAPER HANDKERCHIEFS.

Valuable Medicinal Properties Are A curious and in some respects a suggestive illustration of what may be termed manufacturing ideas is afforded by the recent introduction into the English market of the paper bandkerchief of Japan. The Irish Textile Journal, which devotes a leading arti-

serting that hand-shaking is the only contact of flesh that takes place tetween ordinary acquaintances and it must by that, be the only means by which many cases of disease could have been spread. The custom, it is said, had its origin, in the desire of savages upon meeting each other, to show that they were without weapons.

About the Girls.

Girls are of a few days and full of mischief, and whosoeyer is deceived thereby is not wise. When the fair young girl cheweth her gum with belis tinkleth she standeth at the Cure guaranteed. Sold by R. S. Mcwindows and wisheth for a beau and Kinney, druggist. when he cometh she doeth up his purse. He wrappeth his buffalo robe about her and huggeth her much and

THE ONE SURE THING.

There are sounds of laughter and singing And sounds that of woe make part, As the earth to its fate goes swinging, But love is lord of the heart, And cloudy or fair the weather Some souls will be drifting together And souls be drifting apart.

Dark evil may lurk in the byways. Still blinking in wrath at the dawn, And the terror leap forth on the highways Of the sword from its scabbard withdrawn, But cloudy or fair the weather Some souls will be drifting together And souls be drifting apart

Though unmoved by the poet's dreaming, Mongh unmoved by the poet s dreaming, Men tarry too long in the mart And grow cold in the pride of their scheming, Yet love is lord of the heart, And cloudy or fair the weather Come could will be delifting together Some souls will be drifting together And some be drifting apart. -W. T. Talbott in Washington Star.

It is proposed in France to establish a court of justice run by women and for women, to which may be carried all those cases concerning which the most learned men know nothing. This will relieve a man judge, for instance, from determining questions as to fit in suits brought by dressmakers against their clients, and it ought to do away also with much expert testimony in such cases.

Miss Florence King of Chicago has been appointed commissioner of deeds for Alaska. She is the first woman to hold office in that territory. Her commission is from the governor, John R. Brady. Miss King will be stationed in Sunrise City, on Cook inlet, one of the southern bays, ten days out from Seattle.

Miss Klumpke, to whom Rosa Bonheur left all her large fortune, has decided to share half of it with the deceased painter's relatives, who were disinherited. All the paintings and othfriction at the turning points. With er valuables left by Rosa Bonheur will consequently be sold, and the pro-

sore throat and constant coughing indicate that the bronchial tubes are suffering from a bad cold, which may develop into pleurisy or inflammation of the lungs. Do not waste health and strength by waiting, but use Dr. John W. Bull's Cough Syrup at once. This wonderful rem-
