Tired Feeling

Read The Record.

Mrs. Rebecca L. Rinehart has resigned as matron of the Frederick school for the deaf, on account of ill

dent McKinley; it is needless to say that all were disappointed. Mr. S. D. Reck lost a fine horse on Tuesday night. Drof J. W. Slagenhaupt is busily Mrs. John R. Flohr. She was a faith-ful member of the German Baptist church for about 66 years. Reuben Wilhide has added to his engaged picking his crop of straw-berries; he certainly has some of the John Kiser, a summer kitchen, enterfinest that we have ever seen. ed from the front porch, which is quite an improvement. We would like to know what street Bark Hill. in Keysville your correspondent lives Corn is looking fairly good; wheat on, as the road he was inquiring of short in straw but heads nicely filling; grass rather thin and short; there-fore, a light yield of hay; vegetables of the season in a flourishing condi-tion. Was used to be a several days before his writing. Wake up, brother, and go out and see what is going on out of town.

The Population Fib.

The Population Fib. The war of the revolution and of Small towns, in the matter of increase in population, each having the ambi-tion to grow eity-wards and drop the mere village status, which, somehow or other, is regarded with a feeling of inferiority connected with country hay-seedism and general no-account-ness. Probably no other white lie is quite so common as the one given in Quite so common as the one given in The war of the revolution and of 1812 firmly established our nation on a sure footing, and the glorious deeds of the men of 1776 carried the gov-ernment successfully through the war with Mexico, with its brilliant achievements, which greatly aided in preserving the Union in the civil hay-seedism and general no-account-ness. Probably no other white lie is quite so common as the one given in The war of the revolution and of 1812 firmly established our nation on small towns, in the matter of increase in population, each having the ambi-tion to grow city-wards and drop the mere village status, which, somehow inferiority connected with country and loyalty of the North and West to quite so common as the one given in serve the Union.

quite so common as the one given in reply given to the question—"What is the population of your town?" No patriotic citizen will hesitate to add a hundred or two to the exact number, ments, but with our own flesh and blood, our own boasted American when it is necessary to give his town people, who helped achieve our inde a respectable standing, and the census enumerator is taken but little account of, presumably because a "boom" set in "just after" the census was taken.

ed everything else.

It is a misfortune that "town boom- ever followed a flag, were bearing ing" does not extend to a further and more substantial degree than this mere "word of mouth" effort; then, there would not be so much necessity for stretching figures. The trouble is, people too often express what ought to save the nation, and this history, the brightest in the annals of the nations of the earth, as well as the sactions of the earth as t are content to rest on this sham for a rifices required to establish and preproper performance of duty to their home town. Saying so, does not in-

crease population, or build industries dreds of thousands of brave young and houses—business enterprise, cash and "get there" does the work much more surely.

the flag of freedom to an oppressed people in Cuba and Porto Rico as wel Taneytown, as we have said before, as to relieve those in the distant isles will not show the increase that many of our citizens are pleased to talk force measures had to be adopted to about. It has "shined up" to the in the field and save the old flag, but modern fashions a little more closely, no such action was found necessary but it has not spread out. Had the in 1898 and '99, thanks to the loyal extension of the corporate limits been made five years ago, instead of a few months ago, our standing at this census would have been different; many men had been required, volunbut, as it is, we cannot expect much teers would have promptly responde in the way of increase over ten years ago-certainly,less than one hundred. It was with feelings of the most However, we are on the road, and if our people accept the opportunities presented them, there is no reason why this should not be the second why this could not be the second town in the county in population, ten front at the call of their country. The heroism and loye of the flag shown in the Spanish-American war, as well as years hence, as it now is in business.

ty Times its Price. histories of nations show the use of ensigns of some kind, though the most ancient standards were proba-bly symbols borne on a pole. We find standards frequently mentioned in the Bible, especially in connection with the march of the Isrealites from Egypt to Canaan. Each nation now has its distinctive flag, suggestive of some special mean-ing; that of 4reat Britain the "Union Jack" having been the one first used in this country by the early colonists from the mother country. With some changes from time to time, this em-blem continued to be used until the blem continued to be used until the keyolutionary War, during which till finally in January, 1776, Washing-ton began to use an American flag called the "great Union." This flag had the 13 stripes alternate red and white as now used but instead of
