The Methodist Parsons.

- Now the Methodists have yoted On a plan to do away With the ancient regulation That has fixed the parson's stay. All restrictions they've abolished. There's no limit now to reach,
- And there's joy among the brethren Who have heard the call to preach. Many years have they been shuffled Here and there, and everywhere, In the city, in the country,
- Suffering by the wear and tear. They have oft found pleasant places. And have formed affections strong, Then have sadly heard the edict Telling them to move along.
- But the parsons and the people Will no more be forced to part By a rule that had beginning With the early church's start. They can meet and work together Just as long as they desire. With no fear of regulations
- Making pastorates expire. Yet there comes a disadvantage That some pastors may deplore They can't turn the barrel over And preach sermons used before. For removal of the limit
- itas brought up conditions new. And they'll have to do more thinking, For old sermons will not do. And there's still another feature, One that laymen will regret. If they weary of their preacher, And a new one want to get. For if in their pews they're sulking

Or at home, dissatisfie

They'll be sorry that the limit

By the church was set asiae. -Ex Dear Aunt Polly.

This is Memorial Day, and while it is fresh in my mind, I will try to tell you how Memorial Day was spent

Yesterday we had exercises at our our country and asked the boys in zette.-Ed. RECORD. and assume the duties of government when it was their turn to come upon the stage of action? He also said, "I the stage of action? He also said, "I that was his irresistible invision of the stage of action? That was his irresistible invision." was a greater demand, than there is today, for a certain class of young men, and that class is the class of honest young men. As you go from this place, carry with you the recollection of these exercises. Let them strengthen the bonds of affection between you, and may you be brought to the plate tween you, and may you be brought to the plate tween you, and may you be brought to tailou. Is it worth the journey? Yes, many times worth it. It is inspiring to find a man with such faith as Mr. When its tops cover the ground, she turned, and, looking down on her foe, scream to find a man with such faith as Mr. Watson has. It is inspiring to find a man who sees, as he does, so clearly the frightened hen returned to her nest as rapidly as she had come.—The sweet potato will outyield the common white, or Irish, potato, and, as the plant is not of the solanum family, it is exempt from attacks of the potato will outyield the common white, or Irish, potato, and, as the plant is not of the solanum family, it is exempt from attacks of the potato will outyield the common white, or Irish, potato, and, as the plant is not of the solanum family, it is exempt from attacks of the potato will outyield the common white, or Irish, potato, and, as the plant is not of the solanum family, it is exempt from attacks of the potato will glue upon the market are deit: "Hello there! shoo!"

Sunday, June 24th., at 10 o'clock. A very interesting program will be prepared and we feel assured that all those who attend will be well pleased; at least those who attend will be well pleased; at least those who attend will be well pleased; at least those who attend will be well pleased; at least those who attend will be well pleased; at least those who attend will be well pleased; at least those who attended the propagation of the prop

Not a Walk-over.

In an article admonishing the Republicans of the dangers of overconfidence the Philadelphia Ledger intimates that the Oregon election may indirectly help the Democrats. It says "The result of the Oregon election, indicating as it does that the Pacific slope is favorable to McKinley, and cheering as that may be to all Republicans, is likely to be a lesson well conned and understood by the Democratic party. Had Oregon been carried for the Fusion ticket, the Kansas City Convention would have been certain to adopt a radical Populistic.
