TANEYTOWN, MARYLAND, SATURDAY, JUNE 1, 1901.

FIRE IN TANEYTOWN.

Stock of the People's Bargain House, and Eckenrode's Store-room, Damaged,

The citizens of the town were startled by the cry of fire, about 2 o'clock Wednesday morning, which very fortunately had been seen in the store-room of the Eckenrode building at the public square, by Dr. Chas. W. Weaver, as he was returning from a professional call in the country. This

shop, at the Cross-roads, where he was stopped, but seeming excited and vicious, he was tethered to the fence, and left remain until next morning, and left remain until next morning,

fense of an undivided country.

where after appropriate services, the graves of the heroic dead were strewn ance. with flowers. At the close of this part of the exercises, the procession and people returned to the school-house, and with T. D. Thomson, chairman which leaves Westminster at 4.30 p. of the Committee of Arrangements, m., was about a mile above Wake presiding, the balance of the program field, and running at full speed, it was carried out. This part of the exstruct a young man, named Eichorn, Samuel Wolf, Ger. participants evidently were in full sympathy with the spirit of the occasion, as we do not think we ever had, in the prayers, singing and addresses, a more patriotic observance of the 25 feet away into the bushes. The Samuel Harman,

lent; the various Orders, both patri-otic and benevolent, made a very ternal injury, but it is not known at Vachael V. Sellman. creditable showing. The Fire Com- this time how much he was hurt. pany, under the command of its gal lant captain, Harry L. Baumgardner, deserves special mention; their neat ground of the great beyond; but the cause for which they fought, and for other changes were made. common country-

President Capote cast the de ense of an undivided country.

After some delay, the procession amendment was not unconditional, or tormed at the school-house, and head- solely as passed by Congress, but it ed by the Taneytown Band, of 22 was approved in the sense explained pieces, with Messrs Franklin Bower- by President McKinley and Secretary sox and Stanley Reaver as marshals, Root in Washington recently. That marched to the several cemeteries, understanding the convention incor-

ercises was well arranged, and the who lives in the neighborhood. He publican, farmer, 74. train ran back and picked him up, can, retired farmer, 72 The music by the band was excel- and he was left off at Wakefield.

The Baltimore and Ohio Railroad appearance, alignment and step were certainly worthy of great praise. The der the control of the Pennsylvania boys of '61 lined up with feeble steps and gradually thinning ranks, and soon the last bugle call will be answered. Taps will be sounded, and they will join their comrades who have gone before, on the camping ground of the great beyond the resignation of John R. Cowen as president was accepted and L. F. Lore, 4th. vice-president of the great have allowed to which some of them sealed their lives state of Maryland not only took pride in death, still lives to bless our coun- in the B. & O. in its earlier years, but try. Happily we now know no North, aided it substantially, and for a long no South; we are all citizens of one time owned some of its stocks and bonds. Citizens of Maryland also were always prominent in its management. The P. R. R. has been so successful in the management of its own road that it will probably succeed with this, especially as it has already been crat, mechanic, 73. Is hanging breathless on thy fate!"

Longfellow.

this, especially as it has been put in first-rate condition by its present manager, Mr. John K. Cowen.

Death of Wm. R. Zollickoffer.

cerned in helping to extinguish the fire in my store-room, on last Wednesday morning, I sincerely return my (Thursday) afternoon about 2 o'clock, Mr. Wm. R. Zollickoffer died at his thanks—particularly to the Fire Company for their prompt response and was well-known and universally bepany for their prompt response and efficient work done in so short a time. In the chemical fire extinguisher is a most excellent machine.

Most respectfully yours,

was well-known and universally be loved and respected, a man of large charity and strict integrity. He was without enemies, an earnest active useful member of the Methodist useful member of the Methodist of the Methodist and a consistent was without enemies, an earnest active useful member of the Methodist of the Me Protestant church, and a consistent church church, and a consistent church, and a consistent church, and a consistent church church, and a consistent church ch democrat, and always did his duty as a citizen, at the primaries and on election day. He will be very much missed by the church, and the community as well as by his family.

NEWCOMER—NULL.—On May 30th.
1901, at the bride's home, by Rey. A.
Bateman, Mr. Samuel J. Newcomer to Miss Bertie V. Null, both of Taneytown district. Preaching in the U. B. church at Harney, Sunday, June 2nd., at 10.00 a. m. Taneytown, 2.30 p. m. All are welcome.

prepared by the Editor before his de. care of.' parture to Des Moines.

Should be held Responsible.

It is a more than probable conclusion that the miscarriage of justice in our lynchings, and other forms of illegal crime, which means decrease of public safety and lack of respect for what is generally termed, "law-abiding citizenship." On the whole, it is a quesfession who prostitute their calling worth remembering: should be called to account for their legalized trickery and debauchery of

That there can be such a thing as official, the effect of which is to nullify a case or action entirely, so far as the parties interested are concerned; and that at the same time the attorney or official making the error-intentionally or otherwise—cannot be stant menace to the proper distribution of justice.

The law holds individuals responsible for their ignorance of law—they are not excused because of it-and yet, those whom we invest with certain prerogatives for the purpose of conducting our public affairs, and others who presumably act as attorneys having knowledge of law, are practically given full license to bungle important private matters, make a monthly act and a planthing of the system of \$670,528.84 applicable to the payment of interest and to investyet, those whom we invest with cer-

Cool Summer Houses.

Our houses in this country, unless July and August is a menace to the borax. every draught, and with roofs not on a line without further protection isolated from the heat of the sun.

Tin and slate roofs. which are taking the place of the old fashioned shingled roofs, make a house in sumof the sleeping rooms of a house that town, Md. they shall be built under such an attic rather than next to a roof, espe cially when the roof is a slate or tin

the comparatively cold plaster walls and furniture. The most familiar illustration of this deposit is the ice water pitcher. The warmer the at-mosphere in which the ice water pitcher stands the heavier the deposit on the outside. The hotter the air outside the cellar the heavier will be the deposit of water drops on the cellar walls inside, if the windows are left open to let in the hot air. Keep the windows of the house closed in midday during hot weather, as you do the windows of the cellar, and open them only at morning and at night, if you wish to keep the house cool and free from dampness. The summer air at night and in the evening and early morning is usually about the same temperature as that of a well built house which has been proply shut up during the day.

To Protect Clothing from Moths.

The season is approaching when the work of packing away winter clothes must be done, and in doing it care must be taken in order to avoid the inroads of the moth. It is now are more liable to injury from moths

RIGHT UP TO DATE.

(Benson's Plaster Is Pain's Master.)

These are days of records and of the beat-

ing of records. Benson's Porous Plaster, for

quickness of action and thoroughness of

cure, has no records to beat except its own.

Benson's Plaster, always the best, always the leader, is to-day better than ever. It

sticks to the skin but never sticks in its

tracks. It marches on.

The people not only want to be cured

only want to be cured but cured quickly—and Benson's Plaster does it. Coughs, colds, lumbago, asthma, bronchitis, liver and kidney complaints, and other ills approachable by an external remedy, yield to Benson's as ice does to heat.

Neither Belladonna, Strengthening or Consistent plasters are to be compared with

Capsicum plasters are to be compared with Benson's. People who have once tested

the merits of Benson's Plaster have no use

More than 5,000 physicians and druggists (and a thousand times as many non-professional persons) have called Benson's

Plasters one of the few (!) home remedies

Fifty-five highest awards have been made

sure to get the genuine.
