Our idea is to give you what you want at the least possible cost. The items you read about in our advertisement are only hints of the many other good things to be found here. Anybody will sell for half after the season is over. We aim at the beginning of the season to give you many things less than the regular prices.

Sale of Comfortables.

We bought from a large manufacturer, during the past week, the balance of his stock of fine bed comfortables. They are filled with pure white cotton, which is knotted to prevent it from slipping, and are covered with fine Satine and Silkoline. The prices have been \$2.75, \$3.00 and \$3.50.

The shoes are all made of good solid leather in every shape and style; all sizes are represented in the lot—some of them have been taken from our regular stock, and such shoes cannot be duplicated at less than \$2.50—some stores ask \$3.00. The price here to-day is only

Birthday Surprise Party.

(For the Record.)

The evening of Nov. 18th., was the occasion of a delightful birthday surprise party, given to Mr. Arthur Keefer, by his parents, at their home near Berrett. The evening was devoted to various and amusing games, and at an appropriate hour, the guests were invited to the dining room, where refreshments were served, which all enjoyed, after which they again engaged in the pleasures of the evening, until the wee sma hours approached. Then wishing Arthur many happy returns of the pleasant event, all departed to their homes, well pleased with the evening they had spent.
