No Tramp Legislation.

The Maryland legislature has been so busy with more important measures...

Maryland's Geological Exhibit at Charleston.

The Maryland exhibit in the Mines Building at Charleston is pronounced by discriminating visitors to be the finest in the South...

The exhibit embraces a comprehensive series of leading raw and manufactured products that come from the mines, quarries, and pits throughout the state...

A Corporation Legislature. The Annapolis correspondent of the Baltimore County Union says the present legislature has been more than usual, swayed by corporations.

Afraid of the Pennsylvania. The fear, generally expressed, that the Pennsylvania Railroad may, by some hook or crook, gain control of the Western Maryland, is an illustration of the distrust felt by the general public toward giant corporations.

Danger of Colds and LaGrippe. The greatest danger from colds and la-grippe is their resulting in pneumonia. If reasonable care is used, however, and Chamberlain's Cough Remedy taken, all danger will be avoided.

After Seventy-five Years. A visit to the old home is one of the most delightful experiences of old age. In New England more and more have been made each year of the feeling for the old homestead, and it is only natural that the "old home" paper, The Youth's Companion, should participate in this renewal of "old home" acquaintances.

TANEYTOWN LOCAL COLUMN.

Current Items of Local News, of Special Interest to Home Readers.

Freckles are in season. Style same as last year.

Miss Ida Royer, who has been on an extended visit to Altoona, Pa., has returned to her home in this place.

John McKellip, our well known druggist, has been confined to bed for two weeks with an attack of grip.

Mrs. Josiah Snider, who spent a portion of the winter in York, Pa., has returned to Taneytown for the summer.

It is reported that C. B. Schwartz intends to remodel the old brick hotel property, and that when this is done it will be occupied by Stan. C. Smith.

The Maryland Class of the Reformed Church will meet in Grace Reformed church, this place, beginning April 30th. Full information of the event will be given later.

Dr. William Reinhold, of Westminster, and daughter, Mrs. Endora Crossfield, of Berkeley Springs, W. Va., also his niece, Miss Helen, are visiting Mrs. Margaret Reinhold.

At times, during this week, Baltimore St., has been almost blocked with teams. Movings, especially, things up when they pass through hours when travel and business is heaviest.

Thomas W. Reinhold, of Carrollton, Ohio, formerly of this district, is here on a visit. Like most people who have been away for a number of years he notices the general improvement of this place.

Communion services will be held in the Lutheran church on Sunday morning; at night, a special Easter program will be rendered, and on Monday, the regular annual election of officers will be held.

Rev. and Mrs. A. B. Mower left on Friday to attend the funeral of Mrs. Mattie Lease, who died of consumption, on Wednesday. Interment will be made at Biggs' Chapel this Saturday morning.

Charles G. Baumgardner and William Cline, left Monday evening for the West, where Mr. Cline has accepted a position on a farm, at Paton, Iowa, and Mr. Baumgardner will stop off at Chicago, Ill.

Communion services will be held in the Reformed church, this place, on Sunday morning, April 30th. Preparatory services to-day (Saturday) at 2 p. m., at which time the sermon will be preached by Rev. F. S. Lindaman, of Littlestown, Pa.

Rev. H. Max Lentz, of Shepherdstown, W. Va., in the last issue of his Lutheran Banner, announced the suspension of that excellent little publication, because of lack of proper support. Especially considering its low price—just 5c a year—it was deserving of a much better fate.

A special Easter service, with a selected musical program, will be rendered by the Lutheran C. E. Society, on Sunday evening, to which all are invited. The society has several objects on hand which it desires to close up previous to the County Convention, and for this reason a sylvan collection is desired.

The Twentieth Century Literary Club, of York Springs, Pa., gave a banquet and program, recently, in honor of Miss Lella, Bessie, Margaret and Ruth Elliott who will soon leave that place. The affair was both elaborate and enjoyable, and was a great surprise to the young ladies. About forty were present.

If Taneytown had a "Town Improvement Society" composed of ladies—as such societies frequently are—we feel sure that among other efforts in the direction of beautifying our streets; the removal of unsightly trees which now obstruct the free use of our pavements, would be one of the objects to receive attention.

It seems evident that the Postoffice Department does not contemplate making any extension of the Rural Delivery service in the neighborhood of Bridgeport. This being the case, the proper thing to do is to make Bridgeport a postal station. Mrs. Correll, the former postmaster, continues to receive mail matter for a considerable number of families, practically performing the functions of postmaster, as a matter of accommodation—without pay. This is not right. If it is impracticable to arrange the routes to serve the people of this section, Bridgeport should be designated a U. S. Postal Station with a reasonable compensation—\$25.00 a year would no doubt be satisfactory.

Good Advice. The most miserable beings in the world are those suffering from Dyspepsia and Liver Complaint. More than seventy-five per cent. of the people in the United States are afflicted with these two diseases and their effects: such as Sour Stomach, Sick Headache, Habitual Costiveness, Pale and Lead-colored Face, Heart-burn, Water-brash, Gnawing and Burning Pains at the Pit of the Stomach, Yellow Skin, Coated Tongue and Inextinguishable Taste in the Mouth, Coming up of Food after Eating, Loss of Sleep, etc. Go to your Druggist, R. S. McKinney, Taneytown, Md., and get a bottle of AUGUST FLOWER for 75 cents. Two doses will relieve you. Try it. Get Green's Prize Almanac.

Accomplice of Czolgosz. Baraboo, Wis., March 25.—Sheriff Stackman to-day gave out the details of the confession made by J. Steinman, a convicted burglar, that he was implicated in the McKinley assassination.

The Sheriff said that Steinman, whom he took to Waupan, Saturday, to serve a year's sentence for burglary, was one of the worst-looking criminals he ever had to deal with.

While on the train bound for Waupan, Steinman pointed to his red necktie and said to the Sheriff that it stood for blood. He then declared that he was the accomplice of Czolgosz, the assassin of President McKinley, and that he had bound the hands of the murderer of the president in his preparation for the deed. Steinman further said he was near Czolgosz when the latter fired the shot and was responsible for the revolver loaded with poisoned bullets to do the work had Czolgosz failed.

Steinman's home is New Jersey, but for over a year he had been living in Philadelphia. He came West about six months ago.

Sans Creek.—A few days ago, Mr. Jacob Kiler, while at Dennings, on his way home from the moving of Mr. Jacob Rigger's, was unfortunately thrown from his dayton wagon break falling a bone in his shoulder. The cause of the accident was a limb lying in the road, which caught in one of the front wheels, breaking every spoke, consequently Kiler fell from his seat to the ground. A greater accident might have occurred, as Mr. Kiler's daughter and grand-child were in the wagon with him. The wound was caught by Mr. Abbey Stem who saw the occurrence, thus preventing a run off or wreck.

A short time ago, Mr. Daniel Kiler was taken to the John Hopkin's Hospital for treatment, but has returned to his home with no prospect of improvement in his health.

Recently, the personal property and real estate of the late Thomas G. Keller was sold. The home place, forty-six acres, brought \$40.00, and the other forty acres of unimproved land brought \$13.25 per acre. Mr. Joseph Stem became the purchaser of both tracts.

Get a number of persons in our section are now living at their new homes, removed to this spring.

Mr. Joshua Young, has been afflicted over one year with a concatenation of diseases. His doctor has decided to take him to the Maryland University Hospital for treatment.

The evening was spent in games and conversation and at one point in the dining room door was thrown open, where a table was found heavily laden with all the delicacies of the season. Those present were Mr. and Mrs. Thomas Angel, Mr. and Mrs. Lawrence Hahn, Miss Anna Eyer, Edna Fogle, Sallie Knott, Edna Ailing, Rosa Eyer, Olga Zentz, Mattie Bowers, Meesa Stoyard, Hattie Finkle, John Roy Fogle, Chas. Delphoy, Charles and Frank Eyer, John Bowman, James and Mabel Stonestor, John Bowman, Darius Mort, John Bowers, and others. An Earnest Response. A few years ago, at a negro camp-meeting held down South, the colored preacher said: "belubbed bredren, dat de debble is a big hog, an' one ob dese days he'll cum along an' root you all out."

An old negro in one of the anxious pews, hearing this, raised himself from the straw, and, clapping his hands, exclaimed in the agony of his tears: "Ring him; ring him!"

How to Cure the Grip. Remain quietly at home and take Chamberlain's Cough Remedy as directed, and a quick recovery is sure to follow. That remedy counteracts any tendency of the grip to result in pneumonia which is really the only serious danger. Among the tens of thousands who have used it for the grip, not one has ever been troubled with the work had Czolgosz failed.

Steinman's home is New Jersey, but for over a year he had been living in Philadelphia. He came West about six months ago.

WORTH \$300,000.00.

The President of a certain big Oil Company is said to be worth \$300,000,000. A tidy bit of money and no mistake. And yet he isn't happy. In an address to a Bible class he spoke of trials and troubles of the rich and the loads they have to carry. "I tell you, my idea about the plaster makes me want to laugh, but it does. All the same I have seen plenty of people laugh after putting Benson's Plaster on their backs, or on their chests, or on any other spot where there was weight, heaviness, weakness or pain. It may be the sharp stabs of neuralgia, the aches and twinges of rheumatism; it may be colds in muscles or bones; it may be those kidney or lamboleg thrushes that make you yell as at a dog bite; or it may be a strain or cramp, anything that wants quick relief and comforting. Don't bother with salves, liniments, lozenges, etc., or with any of the stupid and useless old style plaster. Clap on a Benson's. It relieves at once and cures quickly. It stops the pain and makes you laugh for the very ease and good feeling of it. But watch out against imitations and adulterations. It may be you will prefer postage on any number ordered in the United States on receipt of 25c. each.
