THE ROAD COMMISSION.

The Governor Names the Men to Make Roads of the State Good.

Governor Crothers, on Monday, named the following Road Commissioners to carry out the provisions of the new road law: John M. Tucker, of Cecil county, who will be president of the board; Samuel M. Shoemaker, of Baltimore county; Frank Hutton, of Prince Georges county; President Renssen, of Johns Hopkins University, and Dr. Wm. Ballock Clark, of the State Geological Survey.

Mr. John M. Tucker, who will be the president of the Road Commission, is Governor Crothers' closest personal and political friend. He is a farmer and insurance agent at Elkton. He was first appointed state fire marshal, which position he declined to become road commissioner. He will be Governor's personal representative on the board.

Mr. Samuel M. Shoemaker, of Baltimore county, is the father of the good roads movement in Maryland. He was the author of the law which bears his name and which appropriates \$250,000 per annum for the State Road Board. He spent in conjunction with appropriations by the State for the purpose of the road law, which was passed in 1904, it has been under attack by every general assembly since its passage. Mr. Shoemaker is now a resident of Baltimore, and is a son of the late Samuel M. Shoemaker, who was prominently identified with the Adams Express Company.

Mr. Shoemaker was a student at Princeton University, and did not complete the full course because of ill health. He is a farmer and dairyman in Baltimore county, in whose affairs he has been long and actively engaged. He is a member of the county School Board. He is a Democrat, but is not active in politics. His appointment was strongly urged by Congressmen Sell, Talbot and Senator Biddison, of Baltimore county.

Mr. Frank Hutton is a farmer and resides in Montgomery county. He has had wide experience in road-building. He is a Democrat.

The salaries of Messrs. Tucker, Shoemaker and Hutton will be \$2,500 each per year. As the bonds for the Commission of the roads will run for seven years, it is said the commissioners' term may be for the same period. This was not accepted as a fact. It is said the law does not specify the term of the commissioners, but that the State Constitution, will be for two years.

The commissioners will have several desirable berths to dispose of, including county, secretary and several clerkships. It is understood that Mr. Carlisle D. Benson, former speaker of the House and author of the Good Roads Law, has an excellent chance of being named as counsel.

Mr. John B. Mattingly, of Howard county, may be secretary. Senator Gorman called upon the Governor yesterday and urged the appointment of Mattingly as one of the commissioners, but the Governor has made his selections.

Mr. Mattingly may be selected as secretary of the commission, at the invitation of the Governor, which resulted in the construction of the boulevard between Baltimore and Washington, a work which was completed last year. The Secretary to the board will receive \$1,500 per annum.

The commission held its first meeting on Thursday morning at the residence of Mr. John M. Tucker at Thurmont. The private secretary of the commission, Mr. Clarence Bowerman, was elected temporary secretary of the commission. Arrangements were then made for the meeting of the board on the morning of next week at the rooms of the Geological Survey. On the day following the Governor, with the members of the commission, will be on the way, will make a trip over the new Washington-Baltimore boulevard and the Annapolis-Crofters road.

While the question of chief engineer was not discussed at the meeting, a strong sentiment is in favor of Mr. Crothers for the place has already developed, and his friends are urging him as the logical man for the position. State Senator W. C. Schaeffer, of Carroll county, called upon the Governor to urge the appointment for chief engineer of the road law, Mr. Charles H. Roads Engineer for Carroll county. This matter will probably not be taken up by the commission for several weeks.

Frederick, Md., April 29.—Miss Maudie Beard, daughter of Rev. M. L. Beard, was married at 2 o'clock this morning in the Lutheran church at Thurmont. The ceremony was performed by Rev. J. P. Bowers, of Baltimore, an uncle of the bride. The bride is Miss Maudie Beard, played the wedding music, was given away by her brother, Paul Beard.

His Haidee Beard, a sister of the bride, was maid of honor; Mrs. F. Russell Young, another sister, matron of honor. The bridesmaids were Miss Eleanor Beard, sister of the bride; Miss Minnie Cookerly and Elizabeth Gallaher, of Baltimore; Miss Nancy Nance and Helen Beard, of Williamsport; Mrs. Mildred and Oneida Derr, of Middletown, were flower girls. Mr. F. Russell Young, brother-in-law of the bride, was best man, and the ushers were Thomas G. Mumford and M. H. Haupt, of Middleburg; Lester Beard of Thurmont, and William Beard of Williamsport.

A reception at the Lutheran parsonage followed the ceremony, and later in the afternoon the couple left for their trip. They will be at home after June 1 in the Lutheran parsonage at Littleton, Pa. The groom is a son of Mr. and Mrs. Wm. Mumford, of Middletown, Md. He graduated from the Lutheran Theological Seminary at Gettysburg, Pa., last year. The bride formerly resided at Middletown, where her father served as pastor for a number of years before accepting the pastorate at Thurmont.

For the Record.—On April 19, Nathan G. Engel, died at the home of his brother, Frank Engel, on North River, Johnson Co., Missouri, aged about sixty years. He was the youngest son of the late Daniel and Anna Engel, a New Windsor, and a brother of Mrs. Hiram Engel. He is survived by seven children and one brother and one sister. He was a successful farmer and he sold his home in Missouri, and went to Texas. In January his wife was taken with pneumonia and died after a week's illness. He was taken to Centerville for interment, and he was just able to make the journey, but since he has been in bed, he has been cared for by his brother's family until the death of his wife.

Both were lovely characters and will be greatly missed, not only in the home but in the community, and the Presbyterian church of Centerville where they had long been members.

More than forty years ago, Mr. Engel with several of his brothers and sisters left New Windsor to seek a fortune in Missouri. He became a successful farmer, and he was a few years ago, in company with his eldest son, Rev. M. C. Engel and wife, he visited his native land and was much pleased, and expected to come again, had his health permitted, as he had a large number of relatives in this county.

MARYLAND FOR TAFT.

Republican Convention Elects National Delegates and Electors.

The Republican state convention was held on Thursday, and resulted harmoniously notwithstanding a stormy outlook. The so-called Mudd-Jackson combination was completely smashed, four of the nine Eastern Shore counties refused to deliver their votes to either of the candidates. And this is the suggestion he makes.

Mr. Mudd, it was said, was out to beat Peaire and to prevent the convention from adopting resolutions which would absolutely "instruct" the delegation for Taft. The revolting counties on the Eastern Shore made it plain that they had nothing personal against Mr. Jackson, but they refused to follow Mr. Mudd's program and insisted not only that the delegates be elected, but that Peaire for delegate-at-large to the Chicago convention, and upon instructions for Taft. Mr. Mudd and Mr. Jackson's adherents were to be opposed to both these propositions.

The convention itself was harmonious to the extreme. The fight had been fought and the delegates elected. Mr. Thomas Parran called the meeting to order in Dr. Peaire's hall. In doing so he made a speech which was then recognized by the delegates. Mr. Peaire presented to the convention in earnest and eloquent words the name of Mr. Peaire as the Republican nominee for chairman. He spoke of the recent fight in the Sixth district, of its bitterness and of Mr. Warner's magnanimity after his defeat. He urged the delegates to support Peaire to make the Peaire nomination unanimous. Colonel Peaire declared that he would not accept the nomination unless he was supported by the delegates. Professor Starr, says the Argonaut, was accusing a woman of barbarism. "And she is not only barbarous—she is illogical and inconsistent," he exclaimed.

"I am," the boy replied.

"How can you?" she exclaimed; "think how the mother will grieve over the loss of her eggs."

"Oh, she won't care," said the boy. "She's up there in your hat."

HATS OFF, LADIES!

Pittsburg, April 26.—"If the ladies will kindly remove their abominable hats so that they can sit closely together in the front of the auditorium we will proceed with the institute," said Prof. John Morrow, superintendent of the Allegheny schools yesterday morning to the young women teachers who had assembled for the monthly institute.

Each woman was topped by a piece of hedgehog as big as a cartwheel. They raised their noses disdainfully. They had come as much to show their hats as anything else and the suggestion that they take them off was absurd.

"The institute shall not proceed until the hats are removed," declared Superintendent Morrow. Then began a siege upon the hats. Morrow, who was seated on the platform and the teachers doing the best they could to be comfortable on straight-backed chairs, pushed and pulled at their hats. When the clock started on into the third hour the teachers began to capitulate. One after another the hats were removed, and when all heads were uncovered Professor Morrow opened the session.

Burlington, N. J., April 19.—In an effort to keep them in their congregations local pastors believe that it will be necessary to make a ruling that until the fashion subsides all women shall remove their hats during services. Some of the clergymen say the men are dropping out of their congregations in proportion as the big hats increase in number.

The "regulars," it is said, are still keeping their ranks full, but the prospect of facing the parade of wire mesh, straw, feathers and flowers, over which men can hope to get but an occasional glimpse of the orator, will eventually drive them out, too. Pews which have heretofore seated comfortably six persons, scarcely accommodate four if the occupants are all victims of the proper mode. Ushers in one church have suggested a checking room, where women who wear their big hats to church, can leave them during the services.

Women wearing "Merry Widow" or cartwheel hats will be requested to leave heading at the door if they attend the opening services of the Men's Church in Altoona City on Saturday, May 2, at the Rev. Sydney Goodman has announced. "Women will be welcomed to these services, but they will not be permitted to attend in the front of the sanctuary, masculine worshippers," said the associate pastor. Men will be permitted to smoke and remove their coats if they wish.

Belief from Rheumatic Pains.

"I suffered with rheumatism for over two years," says Mr. Rolland Curry, a patrolman, of Key West, Fla. "Sometimes it settled in my knees and I could not so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in bed, a severe pain came from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by R. S. McKinney, Druggist, Taneytown, Md.

A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will seem to very long until all these "heart" troubles disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by J. McKellip, Druggist, Taneytown, Md.

Revised Catholic Marriage Rules.

Catholic sweethearts must make their engagements in writing since Easter. Catholic marriages, by Protestant clergymen or magistrates will be invalid. Such marriages have always been punishable, but the church considered them as dissolved, not even that under the new Catholic law. The revised betrothal and marriage rules were read from every Catholic pulpit in the world on Easter and became effective. As to engagements the rules say: "Only those are considered valid which have been contracted in writing, signed by both parties and by either the parish priest or the ordinary of the place, or at least by two witnesses." "Private engagements" are referred to as an indictment to sin and causing the deception of inexperienced girls, and afterward giving rise to inextricable dissensions and disputes. "Written engagements are not made absolutely obligatory, but it is specified that only such will be considered valid and produce canonical effects."

"Only those marriages are valid," says the Papal mandate, "which are contracted before the parish priest or by the ordinary of the place, or by a priest designated by either of these, and at least by two witnesses."

The marriage must be by or with the consent of the priest of the parish in which either the bride or the bridegroom or both have lived for at least a month. If neither party has a fixed abode the marriage may not be performed at all except upon permission of the priest's superior. Elaborate provision is made for registration of marriages, and severe ecclesiastical penalties are provided for priests who violate any of the rules. The regulations apply even to Catholics who are under excommunication or have left the Church, but not to those who are not or have never been members of the Church.
