## 4TH GRADE VISITS

### Westminster School Children Came To Taneytown

Thirty-seven 4th grade boys and girls of the Westminster Elementary School, under the supervision of their teacher, Mrs. Evan Bowers, and Miss Patricia Outerbridge of Western Maryland College, enjoyed a bus trip and visited Willow Farms Dairy, Baumgardner's Bakery, Miss Ellen Jordan's 4th grade class of the Taneytown School and Cambridge Rubber Company Plant on Tuesday, May 10, '49.

The first stop was made at the Willow Farm Dairy where the pupils were greeted by Mr. Warner, who then conducted a tour through his modern plant showing each step in the process from the time the milk is received from the farmers until it is bottled and ready for delivery. Before leaving the plant each child was given a bottle of milk.

The next stop was Baumgardner's Bakery. There Mr. Baumgardner greeted the boys and girls and introduced Mr. Norris Sell who indicated the steps in baking bread and pastries. Delicious cup cakes were served to the students.

At the Taneytown School the class was greeted by a boy and girl from the 4th grade. They were conducted to the auditorium where they enjoyed a delightful puppet show of Hansel and Gretel. The puppets, stage properties and scenery had been made by Miss Jordan's class.

Later they had lunch in the cafeteria. The tables were very attractive. Each child was given a party favor and refreshments.

At the Cambridge Rubber Plant Mr. George Smith had arranged the tour through the plant. The pupils were fascinated by the immense building and the idea that finished products could be made in one plant. The guides gave very interesting lectures in each department.

The children were impressed by the willingness on the part of the Managers of the different business concerns to explain the different processes involved in their business and the friendliness shown toward them and their purpose.

## ANNUAL BIRTHDAY PARTY OF THE W.M.S.

### Women of Trinity Lutheran Present a Full Program

Congratulations were in order for everyone at the annual Birthday Party of the Women's Missionary Society of Trinity Lutheran Church, on Wednesday evening.

The affair was in observance of the birthday anniversaries of all the members though fanciful it may seem.

Unique in many respects, the most unusual is, that the participants receive no presents; instead each contributes a cent or more for each of her years, for the continuing expansion of missionary work throughout this and other lands.

The party setting is always most charming. Encircling the room are arranged 12 tables of various sizes according to the number of members included. This year February table (as one would guess) outnumbered all the rest with 17.

In addition to the birthday cake with candles and flowers original and interesting schemes of decoration were carried out at each table, the work being done by a committee of two for each. Comparing tables is most exhilarating and it would be difficult to determine which were the most attractive.

January under Mrs. John Hoagland and Mrs. Merle Baumgardner, displayed a winter scene of snow and sleighing and snow ball flowers. February under Mrs. Franklin Fair and Miss Edith Hess featured romantic St. Valentine's Day with cupid, hearts, etc.

March under Mrs. Francis T. Elliot and Mrs. T. C. LeGore were reminded of St. Patrick's Day and carried out the green, with the "wishing well" and the "Blarney Stone" in evidence.

April and June under Mrs. Herbert Winter, Mrs. Flora Leister, Mrs. Edgar Phillips and Miss Ada Englar joined tables and decorated in a lovely color scheme of pink, white and green using flowers in profusion.

July naturally struck a patriotic note and used the national colors in abundance. Mrs. Luther Zimmerman and Mrs. Mervin Conover were in charge of July.

August table under supervision of Mrs. Luther Luckenbaugh and Mrs. Harry Dougherty presented real summertime.

September table under Mrs. Mary Wilt and Mrs. Doty Robb brought out the beginning fall and school days in their table decorations.

October table under Mrs. W. O. Ibach and Mrs. David Hess featured Halloween in orange and black with grotesque cutouts of black cats, etc. and fruits.

November table emphasized Thanksgiving Day, with Pilgrims and turkey motifs and other suggestions of the season. Mrs. George Lookingbill and Mrs. Norris Sell had charge.

December in charge of Mrs. Cora Dutta and Mrs. A. D. Alexander suggested Christmas with shimmering Christmas trees predominating the scene. Being the final table, the lights were lowered to candle glow and "Silent Night" was played softly upon the sound system.

The regular appointed lesson for the evening was "The Years of Our Thankfulness", of which Mrs. W. O. Ibach gave a resume, assisted by Mrs. M. S. Ohler. Miss Clara Devilbiss served as pianist of the evening and opened the meeting with quiet music, after which the group joined in singing the "Anniversary Hymn". Sentimental prayers were led by Mrs. Earl Myers.

The business meeting was conducted by the president, Mrs. E. E. Baumgardner. Mrs. Baumgardner presided over an interesting program of entertainment, as follows—from each table in succession.

January presented Mrs. Carl Baumgardner, a guest of Littlestown, Pa., in two humorous readings, "Romeo and Juliet" and "Imaginary Illness."

February conducted a brief quiz involving Washington and Lincoln with Mrs. Margaret Nulton as mediator.

March table conducted a reading on the origin of "Mothers Day."

April and June gave a piano duet by Mrs. Carroll Valentine and Miss Helen Phillips.

May featured "Mothers' Day" and offered Phyllis Smith in a reading and Lorraine Sauble a vocal Solo. This table presented a corsage to Mrs. David Mehrling the oldest mother present.

July was represented by Mrs. John Teuter in a poem "Out to Old Aunt Mary's."

August table had little Jean Luckenbaugh play a piano solo.

September favored the group with a piano duet by Mrs. Doty Robb and Mary Jo Robb.

October was given over to Mrs. Ibach who recited two readings "The Land of Beginning" again and encore.

November presented Misses Charlotte Lookingbill and Lareina Bankard in a flute duet, and a reading by Mrs. Percy Putman.

December presented Andrew Alexander in a trumpet solo—"March of the Wooden Soldiers."

Following the program refreshments were in order, each table serving self, assisted by a committee under Mrs. Norman Reindollar and Mrs. Mary Wilt.

The "Birthday Fund" amounted to \$62.01—January being the highest contributing table.

## AROUND THE TOWN

With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health—life's greatest wealth!  
I wish you always near so that I may help to cheer  
Each future day and in some way—help to bring you happiness!

The cute young couple who lived on love in their Trailer that bitter winter are farming on their own down Frizzellburg way! Best wishes!

Went out to visit the Betholine Station where Brother-in-laws are in the biz! The building sure has an hp and coming air like all Western gas stations. The architecture is a long affair and has grand possibilities with all that breadth of ground. It is simply Super-Duper and if you have some idle cash laying around and want it to be working for you—well—there is a real opportunity for a grand eating place plus the curb service! Better investigate by all means! It would pay for itself in no time!

While in the big city last week was on a city bus that went through those Colored housing projects and I was amazed at the appearance and the number of them. Just think what this war has done for the Colored Race and as it should be!

Now and then a letter arrives stating just this, "They know that I had a very happy childhood!" Yes, Folks you are right and some day when I am in the mood will write about it and then the young folks will make comparisons and perhaps smile plenty!

Saw a big new car bearing a New York License with the entire front of the car smashed in beyond describing standing on the pavement at 2922 Reisterstown Rd. I went to investigate and just that morning the accident happened—a few hours previously. The driver had gone to sleep at the wheel! He was so tired as he left New York at 4 A. M. and wanted to get to Miami the same day. A school is opposite on the corner and if it had been the hour of nine instead of seven—perhaps there would have been more lives taken. He smashed into the parked cars that had been there all night!

Those "Cat's Eyes" along the center of the road are simply "out of this world" and it is a shame to have them installed on all the roads for they will be wonderful on Foggy nights. Now, that's something for the State Roads to think about! It would decrease accidents immediately that would be amazing.

A number of times I have written about our excellent MD's "Around The Town" and to that we can add our fine dentist that is simply "Tops" in all his endeavors. He surely can hold a candle to the biggest dentist in the city and then some!

Did you know there is a method now that in changing a tire, it all is done by machinery and not touched with the hands? This means no banging of those hammers on the wheel removing paint and what not! The Martin J. Barry Co., in Baltimore can boast of this process. That surely will please the public especially those that care even about the wheels of their cars! Eh?

The Pharmacy "Around The Town" is sure some lucky to have in their employ a competent clerk as behind the soda fountain!

There is the cutest "Bride" of seven months "Around The Town"—very attractive Blonde with dark eyes. Rather unusual and the coloring of that famous artist Jean Francois Millet! I never knew anyone by the name of Felix which I have always admired and I was most pleased when the young husband said shaking hands with me, "Just call me Felix!"

Now, here's a laugh—in America, we say, "Believe it or not!" but in RUSSIA, they say "BELIEVE IT OR ELSE!"

While there is Peace, Power and Plenty here in America, don't worry and don't discuss it but sing while you work! Will be seeing you next week, Folks. Have a grand week-end and always remember there will be a Miracle with Right Thoughts!

The Mystery tune on Stop the Music could be—"Are You a Buffalo?"

Faithfully,  
Your  
OBSERVER.

### CORN PLANTING TIME

The first job I ever did for pay was planting corn, and I got 10c for my days work and thought myself rich when I took the money home. My pay, I was then eight years old, was to me a fortune. We planted corn in those days from the 7th to the 10th of May. Farmers now raise bigger and better crops. Then the ten barrels (100 bushels) was considered a big crop. Now in many places, by careful selection of seed the crop reaches as much as 150 bushel per acre. It is my belief that if farmers would pick out for seed those stalks that bare two good ears of corn that the crop could be greatly increased.

But farming now is your business, tho I spent the first 20 years of my life on the farm, and worked, as the old derky said "from can to can't" from daylight to dark. The farmer is the most useful of our citizens, for without him we would not be very well fed, or clothed.

## A PENNY-- for your thoughts

Here's the answer to a housewife's wishes—  
One penny will wash six loads of dishes!

A bigger bargain you couldn't seek—  
A penny tells time for about a week!

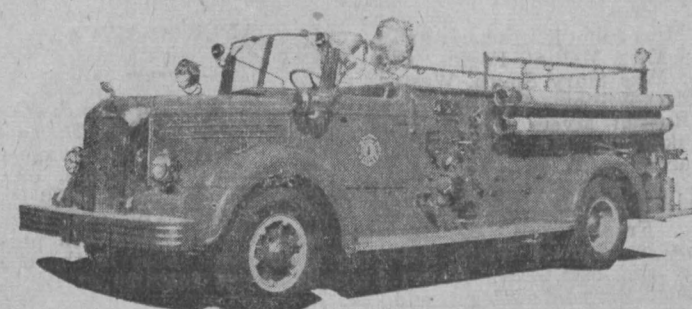

Four pennies a year for Father's shaving!  
Can you imagine a greater saving?

Yes, even the lowly penny can buy you a lot of convenience and service—when you spend it for electricity. For there's plenty of penny wisdom in living the electric way—easily, comfortably, healthfully. Though electricity is just about the smallest item in your family budget, what else does so much—for so little?

### PEBBLES ON LIFE'S SHORES

The modern style of whispering is muttering. Very noticeable!

Security is not secure in a world where society is confused.

The man who is always right is usually ninety percent wrong.

Why argue as to who is boss in the home! Simply listen as to who gives orders.

We have so many small fries because the "largest" always get away.

Seeing the number of spinsters, the modern girls are taking no chances.

It is no secret who is doing the thinking today. Else, why are girls better than boys in mathematics!

The hand that rocks the cradle rocks the world. However, this was not true of the earth's recent tremor in the Great Northwest.

We can learn many lessons from nature. That they may not see so much, the eyes of the potato are covered.

There are those who assume that you have no authority unless it is of their particular brand-ecclesiastical, political, et cetera.

The religious who sees nothing good in another person's religion has little worth offering in his own.

## FEESERSBURG

The Home and Garden tour of Carroll County proved to be an outstanding success, Monday, when visitors from far and near took advantage of the fine weather and the generosity of the owners of the homes that were opened for the tour and visited the different places by bus and private cars. No accurate account is known yet of the number of visitors but it must have been close to 600. Of special interest in this area were "Bowling Brook" home of Mr. and Mrs. Robert J. Walden and McKinstry's Mills and the home now owned by Thomas Zumburn and his sisters, Miss Mildred and Miss Dorothy Zumburn. The azalea at Bowling Brook were at the peak of their bloom and a beautiful picture against the background of green shrubbery and pines. The interior of the house drew many comments on its gracious informality and the blending of priceless antiques with modern furniture, in such a manner as to make it a home of rare charm and good taste. Of special interest in the McKinstry Mills section was the fact that William H. Rinehart, the famous sculptor, was born here. Nearby is Marble Knoll, the farm from which the sculptor obtained his marble. Not only were the homes a delight to the visitors but the beautiful country side of Carroll County added very much to their enjoyment also.

Mrs. Mary Belle Koons Shirk, wife of John J. Shirk, of Taneytown, died at her home Monday morning after an illness of three days. She was daughter of Albert and Elizabeth Angell Koons and was 74 years of age. Surviving are her husband and three children. She was a life-long member of Mt. Union Church and a resident of Taneytown for the past 20 years. Funeral services were held Wednesday at the C. O. Fuss & Son Funeral Home, and were in charge of the Rev. Charles Owen and the Rev. Andrew Theisz. Burial was made in Mt. Union cemetery.

Mr. and Mrs. Cleon Wolfe entertained the following visitors the past week: Mr. and Mrs. Stanley Gilbert and Mr. and Mrs. Laverne Gilbert, of Bethel Heights, near Westminster, Md. and Mrs. Edgar Wolfe, Reading, Pa.; Mr. and Mrs. Roy Waltz, near Uniontown; Mrs. Irene Arthur and her son, Stanley Arthur, of Sharon, Pa., and Miss Emma Wolfe, of Union Bridge.

Mrs. David Miller entertained a group of friends and neighbors to a quilting party, Thursday. It was an all-day affair and a delicious chicken dinner was served to the guests at noon and after one quilt had been finished and it was time to go home, the hostess served ice cream and cake.

The wren is one of the few bird families in which the plumage of the male and female are alike. The plans for the May Day Fete at the Elmer Wolfe School had to be changed abruptly when rain forced it to be held in the auditorium instead of on the lawn. There was an unusually large crowd of spectators and the school was filled to overflowing. The three queens looked very beautiful as did the entire court. In fact, everyone had done their utmost to make it a successful affair. The entertainment for the queens, made up of musical and dance talent was well planned and greatly enjoyed. Mrs. Arintha Marsh planned and directed the Fete and deserves a bouquet (which she received) for her untiring effort in making the P. T. A. programs so interesting and worthwhile.

Mr. and Mrs. Merle Wilhite were guests of Millard Roelke, Sunday.

Russell Bohn injured his hand last week when his car caught on fire and he attempted to put it out with his bare hand.

On Wednesday the pre-school children were registered at the Elmer Wolfe School. Each child's history was taken followed by a physical check-up by the school doctor and nurse. Those who needed diphtheria toxoid were given it. Mrs. John Green was in charge of the registration and was assisted by Mrs. Truman Myers, Mrs. Millard Roelke, Mrs. Paul Reese and Mrs. Charles Messler.

Mr. and Mrs. Leonard Fink have just had the exterior of their house shingled and it makes a very attractive appearance.

Promised to write a signal to my Mother's Day dream and as most of my female readers may have guessed it didn't really come true. I was awakened unusually early by the ringing of the telephone. After answering it I looked out the window and after seeing what a beautiful day it was going to be I decided it would be foolish indeed to send it in bed. To the disgust of my family (who had really planned to treat me as I dreamed last week) breakfast was an hour earlier than usual. The rest of their plans were changed too, for friends dropped in and before one knew it the day was over. A very pleasant day at that for what more could one ask at Mother's Day, then a home and family to cherish and friends to make life interesting?

Wedding bells will ring in our community soon when two of our lovely young girls will become brides. Are you wondering who? You will know when the time comes.

Mr. William Main was taken to the University of Maryland Hospital last week for observation and treatment.

## MARRIED

## RITTASE — INGRAM

The Presbyterian Church was the scene of a pretty wedding Sunday afternoon, May 1, 1949, when Miss Mildred Ingram, daughter of Mr. and Mrs. George W. Ingram, Taneytown, and Mr. William H. Rittase, son of Mr. and Mrs. LaVerne Rittase, Taneytown, were united in marriage. The double ring ceremony was performed by Rev. Charles S. Owen, pastor of the bride, before an altar decorated with ferns, and purple and white lilies.

The bride who was given in marriage by her father, wore a gown of white slipper satin fashioned with a sweetheart neckline, long sleeves buttoned at the wrist and ending in points over the hand, tight-fitting bodice and apron effect front with low flounce tapering to a full sweeping train. Her fingertip veil of illusion fell from a coronet of seeded pearl and orange blossoms. She carried a white Bible topped with two orchids with Stephanotis on streamers. Her only jewelry was a double strand of pearls, a gift from the groom.

The maid of honor, Miss Minnie C. Ingram, sister of the bride, wore a gown of blue taffeta fashioned with an off the shoulder effect neckline, tight bodice and full skirt. She carried a round type bouquet of yellow roses, carnations and snap dragons with blue and yellow ribbons. The bridesmaids, Misses Doris A. and Georgia A. Ingram, sisters of the bride, wore gowns of pink taffeta fashioned like the maid of honors gown and carried round type bouquets of pink roses, carnations and snapdragons with pink ribbon. They all wore as their only jewelry, a single strand of pearls, a gift of the bride. The bride's gown and her attendants' gowns were made by their mother.

Kenneth Rittase, brother of the groom, was the bestman. The ushers were Marlin Rittase, brother of the groom, and Robert Freyshauser, of Westminster, Md. They all wore white carnation boutonnieres.

Mrs. Estella Yingling, former teacher of the bride and groom, gave a piano recital preceding the ceremony, including "The Green Cathedral" by Hahn; "The Sweetest Story Ever Told," by Stultz; and "I Love You Truly," by Bond. The traditional wedding marches from Lohengrin and "Midsummer's Night's Dream," were used for the processional and recessional.

Lewis Erb, soloist, a friend of the young couple sang, "Because," by O'Hardlot, and "The Lord's Prayer" by Melotte.

The mother of the bride and the groom's mother, both wore gray with black accessories and corsages of stephanotis and pink sweetheart roses.

The reception held at the home of the bride immediately following the ceremony was largely attended by relatives and friends. The young couple received many lovely and useful gifts. Following the reception the young couple left on a honeymoon to a secret destination. Upon their return they will live in their newly furnished apartment on East Baltimore St., Taneytown, Md.

The bride chose as her going away outfit a suit of kelly green gabardine with cocoa brown accessories and an orchid corsage.

The bride is a graduate of Taneytown High School in the class of 1945 and of Frederick Memorial Hospital School of Nursing in 1948. The groom is a graduate of the Taneytown High School in the class of 1945 and is now employed at the American Oil Company in Westminster, Md.

MD. CLAIMS RECORD OF ADMITTING GRANDMOTHER TO PRACTICE BEFORE BAR

Particular attention has been attracted recently in several States to the fact that mothers of children of 21 years or age and under have been admitted to the practice of law by the Appellate Courts of the respective States.

Here in Maryland on April 16th, 1946, the record of the other States were far exceeded with the admission to the Bar by the Court of Appeals of Maryland of Mrs. Mary Gray Clemson of Westminster.

Not only was Mrs. Clemson then the mother of three adult children, but was also a grandmother. Her two daughters, and her son, together with her husband, Charles O. Clemson, and numerous members of her own family, attended the ceremony which was held in the Court of Appeals Building at Annapolis.

Mary Gray, as she is well known to the members of the Maryland State Bar Association had been prior to her marriage, the secretary and law clerk for her distinguished father, the late John B. Gray, of Prince Frederick, Calvert County, Md. Her brother, Judge John B. Gray, Jr., is a member of the Bench of the Seventh Judicial Circuit, consisting of Calvert, St. Mary's, Charles and Prince George's Counties, and is Chief Judge of that Circuit. (Reprinted from The Daily Record, Baltimore, Md., April 28, 1949).

Now is a good time to take an inventory of spring and summer clothes for the whole family. The needed alterations can be made and plans drawn for adding to present wardrobe.

## U. S. SAVINGS BOND OPPORTUNITY DRIVE

(Continued from First Page)  
000 in Series "E" Bonds, its share of the Maryland quota of \$12,700,000, Mr. Keefer said.

With Treasury Secretary Snyder at the Independence ceremony will be Governor Dever, of Massachusetts, Governor Warren of California and Governor Smith, of Missouri.

Following this ceremony, by airlift again, the covered wagons will be flown to 30 cities across the nation, said Mr. Keefer, to begin regional tours. Two of the wagons will visit Maryland.

The wagons, mounted on a special truck and trailer unit donated by the International Harvester and the Fruehauf Trailer Companies, will visit eight Maryland cities from June 11 through June 28th.

One unit will come from Washington, D. C., and will tour Hagerstown, Frederick, Baltimore, Annapolis, Cambridge, Salisbury and Easton. The second unit entering Maryland from Romney, West Virginia, will visit Cumberland for two days. Other details will be available in a few days, said Mr. Keefer.

These are the same ancient wagons with bowed canvas tops so often seen in western movies and they also have been used recently in settlement anniversaries in the West. Luminous signs that can be read at night, urging the people to open opportunity's door by buying Savings Bonds are painted on their sides. The driver of the red, white and blue decorated truck-trailer carrying the wagon will be in frontier costume, with high heeled boots, breeches, denim shirt and kerchief and flat, black hat.

The covered wagon has been chosen as symbol for the Opportunity Drive, Mr. Keefer explained, first, because this year marks the 100th anniversary of the gold rush and in this manner the Treasury is commemorating it; and second, because the covered wagon played a big role in transporting those seeking opportunity, across the plains of the new land; and third, because Savings Bonds offer Americans today an opportunity to better their fortunes, and find security for themselves and generations to come.

The opening of the opportunity drive on May 16 will also be heralded by a Hollywood radio show featuring 20 radio and motion picture stars and seven nationally known orchestras, Mr. Keefer said. Bing Crosby, Dorothy Lamour, Jo Stafford, Roy Rogers, Nelson Eddy and Edgar Bergen are among those who are lending their support to this one-hour four-network public service broadcast. Orchestras used will include Fred Waring, Phil Harris, Lew Bring and Robert Armstrong. The program is to be broadcast from 10:30 P. M. to 11:30 P. M., EDTST.

A primary purpose of this Drive in pushing the sale of "E" Bonds, which can only be bought by individuals, is to spread ownership of the national debt, said Mr. Keefer. The widest possible distribution of our national debt is the responsibility of all of us.

By continued investment in Savings Bonds we aid in distributing the debt as widely as possible among individuals rather than having it remain concentrated in the hands of large holders, thus securing a better balanced ownership and a less volatile debt, Mr. Keefer explained.

Mr. Keefer also pointed out that billions of dollars of interest are diverted into millions of American homes by shifting a big portion of the national debt, without increasing the total, to individual bondholders.

More important as a purpose in this Drive, said Mr. Keefer, is the encouragement of personal thrift. Thrift is not only good for the individual but is even more important for his community's wellbeing, because his stored up purchasing power in times of emergency will help keep the country's economic life on an even keel.

For most of us, said Mr. Keefer, money must be saved before we get a chance to spend it. These are the various ways of accomplishing this:

1. The Payroll Savings Plan where you work.

2. The Bond-a-Month Plan at your bank for professional and other self-employed people.

3. Banks, Post Offices and other issuing agents for those who invest at irregular periods.

Mr. Keefer gave credit to the many patriotic volunteer workers who are helping him to reach Carroll County's quota in this Drive, stating that without their help and the help of everyone, the Drive could not succeed.

Mr. Charles E. Reck, Manchester, Chairman, County School Bond program. Mr. Charles L. Stonesifer, of Taneytown, Chairman, County Publicity Bond Program. Mr. Elmer P. Pfoutz, of Westminster, Chairman, County Rural Bond program. Mr. Elmer W. Pittinger, of Union Bridge, Chairman, Clubs and Organizations Bond program.

## MARYLAND MUSINGS

Leaves of house plants should be kept free from dust. Wipe them gently with a soft, slightly dampened cloth.

The peel of an orange, like the pulp and juice, contains vitamin C. Add slivers or gratings of peel to sauces, spreads, and desserts to give orange flavor and some extra Vitamin C. Candied orange peel is a not-to-be forgotten old-time favorite confection.

June 20 to 24 are the dates for the FFA convention and judging contests at the University of Maryland.

Tomato growers wanting to get the latest information on production practices should ask their county agent to put their name on a list to receive TIP sheets.

Plans are underway to make the Monocacy River watershed a model demonstration area for the control of stream pollution caused by siltation and industrial wastes.

Parents with children in 4-H Clubs should encourage them to do good project work. It is the backbone of the 4-H Club program and will yield high returns in personal satisfaction.

## SHORT STORY

### Dancing Shoes

By CHARLES DORIAN

WHILE a vast throng of theatre-goers passed through the exits of the Orpheum, the beautiful blonde attraction left quietly by the stage door on the arm of her most ardent admirer, the owner of the theatre and string of others.

At the curb stood Max Berber's limousine, and just ahead of it, a taxi. Four maudlin "collegians", having a sing-song, obstructed the entrance to Berber's car, but made way while the lady stepped in. Then suddenly three of them gave Berber the bum's rush, while the fourth clambered in beside Paula Pauleen, tap dancer extraordinary.

Max spluttered and fumed while the three kidded him. A letter was pressed into his clenching fist and his car keys were frisked from him. The taxi jumped forward, and in a moment was followed by the limousine carrying the dancer and four members of the notorious Scarlet Gang in evening clothes and top hats, still simulating drunken collegians, singing to drown out the cries of the distressed dancer.

In the Holland Tunnel the sing-song ceased and one of the gang said to the girl:

"This is something new in kid-naps, sister. We're all jolly good fellows, members of a theatrical troupe (to the general public). But don't get us wrong. We'd rub you out as quick as any Broadway mug if you failed for a minute to join the spirit of our little game. Your big boy has just read our demands in a note left with him."

"I'll—I'll pay you," chatted the little dancer. "Please—my contract. I must dance every night."

THE CAR sped along for thirty miles and turned into a narrow road. License plates were switched and another fifty miles sped by. They stopped at a railroad village and parked the car on a side street. They changed their toppers for peak caps and entered the railroad station.

"Oh, you're the troupe from the opary house," grinned the operator. "Thought there was two girls in the party."

"One of us is a female impersonator, haw! haw!" laughed the spokesman. The operator laughed too, and began stamping the tickets. "Train's not due for thirty minutes yet," he apologized.

"O.K. brother, we'll put on a little show while we're waiting." He strode over to Paula. "Smile, sister, SMILE," he hissed, and out loud, "Come on, Sally Rand, give the gentleman your best imitation of a fan dance."

Paula was ready to faint but entered into the game by dancing a

whirling tap number that had the operator's eyes popping. Some singing followed and a bottle was passed around.

"Now, another dance," ordered the master of ceremonies.

"Just a slow one," pleaded Paula, "I'm very tired."

"Oh, all right," yawned the fellow. She made a long slow stride straight to the operator and whispered "Listen!" Then she performed a painfully punctuated dance with more body undulations than footwork.

The bottle passed around again and the operator went to his key, took an order, sent one, and in a few minutes the train was in. They boarded it.

Sargo was a small city. A taxi was ready waiting for them and whisked them out into the country where they got out in front of a big house.

Every shadow exuded a police officer. Eight of them had pinioned the four "collegians" before the door opened, and two more seized the servant.

Paula promptly fainted. Two officers carried her to safety.

"This house has been under suspicion for a long time," said an officer to Paula. "When that operator's message mentioned 'Sargo' we posted a squad at the house. Here's the car now which followed their taxi from the depot."

Oh, yes, Paula's dad had been a station agent and had taught her to tap dance the Morse code.

## Judgment Day

Lesson for May 15, 1949

**F**ORTY DIFFERENT Christian denominations sponsor this column, although it goes without saying that not all of the millions of Christians in those denominations would agree point for point with everything that is said here. Now if the reader could interview one leading Bible expert from each of these 40 denominations, and ask each one the same question: "In your personal opinion, exactly what is the meaning of Mark 13?" you might not get 40 different answers, but you certainly would get more than one.

Dr. Foreman

There is no chapter in the Bible that has been the subject of more arguments than this one, and no arguments have ever been more useless than these.

Leaving extreme views aside, let us try to discover some meanings which all 40 denominations would find in this chapter, some truths on which all reasonable Christians can agree.

### A Certain Fact

**I**N JESUS' view one thing is certain: God's judgment on this world and on all persons in it. Christian churches have different ideas about what happens after death. We have different ideas about how the judgment is to be carried out, or where it will be held, or when. But that every man will have to give account of himself before God is something Christians believe.

Your true unbeliever is not the person who goes around saying there is no God. A more subtle and dangerous form of unbelief is in the person who takes the Christian creed upon his lips but lives as if the creed were a lie.

He repeats the Apostles' Creed: "From thence he shall come to judge the quick and the dead." If those words are sincerely spoken, the believer will honestly try to please God above all others. But the unbeliever, whatever his words may say, shows that he does not believe by the fact that he tries to please, first of all, either himself or his family or his neighbors, and not God above all.

### An Uncertain Time

**I**T IS ONLY children who think that if something doesn't happen now, it will never happen. Now and never are not the only times on God's clock. When will the judgment be? The disciples wanted to know, but Jesus did not tell them. He did not claim to know, himself, when it would be (Mark 13:32.) What he did say was, Watch! There is a sense in which God's judgments are going on all the time. The end of your world will come in your own lifetime, whoever you are; for there is not much difference between the world folds up and leaves you or whether you fold up and leave the world.

Death is the end of the world for every one who dies. Further, whenever a person suffers by and because of his own wrong-doing, here in this life and on this earth, God is judging him by the eternal moral laws which are the very warp and filling of the fabric of life.

There is also a sense in which God judges societies and nations. We have recently seen how terrible a judgment Germany drew down on its head. The nation that takes the sword shall perish by the sword. The nation that sets out to enslave others by force will come under the same death-sentence that cut down Assyria and Rome and Japan and Germany. But not all God's judgments are on this earth. "God does not settle all his accounts in October." There is a final accounting, and no man, in this life or any other, can escape that solemn meeting with God.

### The Only Judge

**T**WO THINGS are sure. One is that the only true judge of any man is God. The man himself is partial, his friends are partial, his enemies are prejudiced against him. Further, no one knows all the facts but God. Only God knows what a man's motives are; only God can trace to their final end all the consequences that flow from a man's act.

# LETTER FROM HOUGHTON LAKE MICHIGAN

Editor of The Carroll Record,  
Dear Sir:

After a visit of seven months in Md. and Pa., I returned to Houghton Lake, Mich., where all my friends certainly are giving me a grand welcome home.

I want to thank all my friends in the east for their wonderful hospitality and their loyal entertainment. First by sister and brother-in-law and all in Taneytown for the lovely trip and visit with relatives and friends, also all friends in Keymar, Woodbine, Littlestown, Harney, Walnut Grove, LeGore, Mayberry and Hanover.

Spent lovely Easter with our cousin and family, Mr. and Mrs. Maurice Claiborn and family at Keymar, and I spent a very nice day with my cousin also in Keymar, Mr. and Mrs. John Leakins and family and we, my sister and husband spent a lovely time, and a banquet with Mr. and Mrs. George DeBerry, also of Keymar. In fact each one had a banquet for us. I certainly enjoyed every minute of my time.

My cousin on Easter Monday took me to Baltimore where I again was loyally entertained by all. On April 25 I took the Red Arrow train leaving 6:15 P. M. from Baltimore arriving at 7:55 next A. M. Detroit. My son meeting me at depot staying over night in Detroit on Wednesday 27th driving home to Houghton Lake, Mich. My son staying until Thursday when he left for Detroit. I am now at home and can not imagine where the time has gone. My friends all seem glad to have me home as they come in to welcome me which I appreciate. Weather here about the same as in Maryland, although the peach trees are not in bloom like Md. Every one quite busy preparing for the summer tourists. Getting boats out, etc. Last but not least, I do want to mention the lovely dinner and banquet the 10th of April with Mr. and Mrs. Joseph Tressler and daughter, Jennett, as Mrs. Tressler

did have a very lovely dinner and those present were: Mr. and Mrs. Harvey Tressler, Mr. and Mrs. Geo. L. Harman and the writer. I do thank each and everyone and will have many pleasant thoughts of each one while I am here and hope to see you all again some time.

That also includes my friends at Woodbine as we also had a banquet with them. I trust you can all come out to see me.

Had letter since home from my son Ralph, who is at present in Memphis, Tenn., that he expects to be home by last of June and wants me to sell out and go back east. Again thanking each one for their kind hospitality. I will close, yours truly,

LEALA B. STAHL,  
Houghton Lake, Mich.

## PYTHIANS SISTERS PAST CHIEFS CLUB MEET

Mrs. Ethel Garber was hostess to the Pythian Sisters Past Chiefs Club of Taneytown Temple No. 23 on Tuesday evening, May 3, 1949. The meeting was opened by singing "In The Gardens." Scripture lesson was read by Mrs. Harry Clingan; Lord's Prayer; Minutes of previous meeting was read and approved as read; Roll-call was answered by 14 members naming their favorite spring flower. Also a number of guests were present.

Our next regular meeting will be held on Tuesday evening, June 7 at the home of Mrs. Maggie Eyer. A Happy Birthday to you was sung in honor of the birthday of one of the members and presented her with a beautiful towel.

A motion was made to close the meeting with the Mizpah Benediction after singing, "The Church in the Wildwood." The hostess served refreshments which were enjoyed by all. The group enjoyed singing a number of favorite hymns and after thanking the hostess for her hospitality we returned to our homes and will meet on Tuesday evening, June 7, at the home of Mrs. Maggie Eyer.

Anne Arundel County has two Homemakers' Club Choruses, who take part in community and church events as well as Club programs.

Carrots, spinach, kale, broccoli, squash, and sweet potatoes are rich sources of Vitamin A.

When you buy a new piece of clothing, it's a good idea to ask the retailer whether the articles may be dry cleaned without injury.

Home repairs, international relations, ceramics, foods and nutrition, equipment and painting were some of the subjects studied by Homemakers clubs last year.

Members of Maryland's home demonstration program froze over 1,137,273 pounds of food in 1949. Over 2 million quarts were canned, and about 6,000 families were helped with food preservation problems by home demonstration agents.
