All communications for this department must be signed by the author; not for publication, but as an evidence that the items contributed are legitimate and correct. Items based on mere rumor, or such as are likely to give offense, are not wanted.

This column is not for use in advertising any money-making program, fair, supper, party or sale. It is intended for news, personals, and such matters as may be of community interest.

Mr. A. L. Fralin, of Miami, Florida spent the week-end with his brother-in-law and sister, Dr. and Mrs. R. S. McVaugh.

Quartermaster Robert Shreeve, of Cleveland, Ohio, spent Wednesday evening with his grandmother, Mrs. Grace Shreeve.

Mrs. Goulda Pickett, of Rockville, spent several days with her sisters, Miss Angie Keefer and Mrs. Charles Wantz and Mr. Wantz.

Miss Alice Cashman, left on Tuesday, with friends on a tour to the West Coast. They will go by the Southern route and return by the Northern route.

Mr. and Mrs. Earle Shreeve and children, John, David and Earl, Jr., of Cleveland, Ohio, spent the week-end with his grandmother, Mrs. Grace Shreeve.

Mrs. B. D. Jester, of Wilmington, Del. and Mrs. Frank Trusheim, of Richmond, Va., returned to their homes, Wednesday, after a week's stay with Mr. and Mrs. T. M. Jester and family.

Week-end visitors of Rev. and Mrs. A. W. Garvin were: Mrs. D. F. Snyder, Mrs. Rae Goetz, Rebecca Goetz, and Mr. Leiter Snyder, of Hagerstown, Md.; Mr. and Mrs. Herman Smith, of York, Pa.

G. H. Enfield will arrive in Taneytown, June 5 or 6, and expects to leave the middle of the following week for the Pacific Coast, where he will spend the summer with his son and daughter-in-law, Mr. and Mrs. Clifton W. Enfield, of Salem, Oregon.

Cecelia LaRue Fair, daughter of Mr. and Mrs. Wilbur Z. Fair graduated from the school of nursing at a ceremony held Thursday afternoon, May 19, 1949, at 3 o'clock, in Frederick. Miss Fair was a member of the class of ten ladies who graduated.

The Year Book "The Spotlight" was finished this week and is now on offer for sale. This is one of the best (if not the best) Year Book published by the Senior Class of Taneytown High School. The book was dedicated to Mrs. MacDonad and she, with the Seniors, are to be congratulated on this fine publication.

Mr. and Mrs. Doty Robb, daughter, Mary Jo, entertained the following guests at dinner Sunday, May 15, Rev. and Mrs. Glenn L. Stahl, daughter Cheryl Lane; Mr. and Mrs. A. D. Alexander, Mr. and Mrs. Clyde L. Hesson and Mrs. D. J. Hesson. Mrs. Nan Duttera, of Westminster, called at the same home in the afternoon.

Excavation has been completed for the lake on the Taneytown Rod and Gun Club grounds. When the lake is filled about 3 acres will be covered with water and the water will be stocked with fish. A pier has also been erected to accommodate about 35 fishermen. The Club has planted about 3500 white pine and spruce trees.

CARD OF THANKS

I wish to thank my friends and neighbors for the flowers, cards, fruit basket, and other gifts I received while I was sick at the Hospital and at home, and also all the neighbors for their many acts of kindness which my husband and I both appreciated very much.

ALUMNI NEWS

Equipment Donated to the School

The regular meeting of the Alumni Association was held on Monday evening May 16 in the High School with 17 members present.

The committee which investigated the purchasing of a combination radio and record player for the Elementary School gave their report. It was decided to buy the machine that they saw at Reindollar Bros. A report was also given on the purchasing of a film strip machine for the High School. It was decided to get a machine from the Folkemer Photo Service in Baltimore. This machine is for single and double-frame filmstrips and for 2 inch by 2 inch slides. The committee expect to be able to place both of these very important and instructive pieces of equipment in the school within the next few weeks.

The award cups which are to be given to the best-all-around boy and the best-all-around girl at the graduation exercises have been purchased and were on display.

The coming banquet which is to be held on Saturday evening, June 11, was then discussed and reports of committees were received. The banquet will be prepared by Taney Inn and the Junior girls will act as waitresses. The speaker of the evening will be Rev. Nevin Smith and there will be several musical numbers by various members of the Association. The dance committee reported that Art Taylor's Orchestra had been secured for the dance. The decorating committee was advised to secure the aid of the Senior class in the decorating of the auditorium. The Senior class will be guests of the Association at the banquet.

It was decided to continue the meeting of the Association on the 3rd Monday evening of each month, throughout the summer. The June and July meetings will be held in the school building and the August meeting will be a supper meeting at Big Pipe Creek Park.

SENIORS TOUR NEW YORK

It all seemed like an incredible dream as we pulled away on the buses Friday, May 13, 1949 with New York City as our destination. The group was composed of 42 Seniors of T. H. S. and the chaperones—Mr. and Mrs. Homer Myers, Miss Helen Bankard, Mr. George N. Shower and Miss Catherine Hurst.

Our route covered Lancaster, Philadelphia, Trenton, Jersey City and Newark. Because of the explosion in the Holland Tunnel that morning, we had to go through the Lincoln Tunnel. We arrived at the George Washington Hotel around 4 o'clock.

After dining that evening we divided into two groups. Several boys went to a prize fight with Mr. Shower. The rest of us went to Radio City to the NBC building to survey the radio program "Band of America." Immediately coming from the broadcast we walked over to the famous Roxy Theatre—the opulent interior dazzling us. Dick Haymes, in person, captivated the whole audience, not to mention the pompous stage show.

Saturday morning we were up bright and early to go sightseeing. We view Wall Street, Empire State Building, Chinatown, Brooklyn Bridge, East River Bridge, Waldorf-Astoria Hotel, Woolworth building, Broadway, Fifth Avenue, and Ellis Island. We crossed on a boat to Bedloe Island, where we climbed to the Statue of Liberty's head—an experience never to be forgotten.

Then we continued to Grant's Tomb grazed upon Central Park, Riverside Drive, Park Avenue, and went on to Bronx Zoo, where we observed all the animals, reptiles, etc., including the only live duck-bill platypus in the United States.

Saturday night we visited Radio City Music Hall, which was very luxurious. The movie being shown was "The Stratton Story"; however, the Rockettes on the stupendous stage had each and everyone glued to his seat.

We ended the night (or shall we say morning) by walking up Broadway to Times Square. The brilliant, elaborate lights filled our eyes with amazement.

Sunday morning a group of students went to St. Patrick's Cathedral, while the others went to the First Presbyterian Church on Fifth Avenue. The latter group caught the subway after church to Grand Central Station and then returned to the hotel.

Regretfully, we took our last glance at New York City, as we passed through the Holland Tunnel to return home.

A SENIOR.

KIWANIS NEWS

Mr. Walter Trout, of York, Penna., gave a Chalk Talk at the meeting of the Taneytown Kiwanis Club, Wednesday evening. The committee presenting Mr. Trout was Thomas Albright and George W. Crouse.

Ladies Night was observed with a number of members' wives and mothers present. A potted geranium was presented to each lady present with the compliments of the committee in charge of the evening's program.

Next week's meeting will be a Charter Night with members of the Westminster Club as guests. Michael Smith will be the guest speaker.

Maryland farmers grew more than 60000 acres of Ladino Clover in 1948.

MEMORIAL DAY OBSERVANCE

Taneytown, Harney and Westminster are Planning Programs

The usual procedure on the Memorial Day observance is being departed from somewhat this year in that Hesson-Snyder Post No. 120, The American Legion, has shouldered the responsibility of arranging the program alone. This privilege was requested from the Chamber of Commerce for two reasons. The first being that Memorial Day has been set aside for the purpose of honoring our war dead; it seems in order then that the Veteran's organization in any community should be the one to carry out the planning and organization of the Memorial Day program. Secondly, it was felt that the other organizations might like to let someone else do the job this year, even though they have done a magnificent job in the past. However, the other organizations are being called upon to take an active part in the program, because the honored dead whom we particularly remember on this day are the sons, husbands, sweethearts, and friends of everyone in the community.

The parade will form on the Harney road at Sauble's at 1 P. M. It will move out at 1:30 P. M. The route of march will be as follows: progress to Lutheran cemetery, thence to Reform cemetery, from there to the Catholic cemetery, (a brief ceremony will be conducted in each cemetery), and then to the Monument for a brief ceremony, after which the parade will move on to Broad Street where it will disband.

Immediately after the parade formation is disbanded, the final ceremony of the day will take place on the spacious lawn of the Legion Home. An appropriate program has been arranged with Col. Timothy H. Murphy of the Second Army as the featured speaker of the day. Col. Murphy has served in both World Wars as a chemical officer. The colonel's civilian work in the chemistry field has gained recognition for him in the United States, Mexico, Central America, Cuba and Peru. He attended Denver University, Columbia University, N. Y. and the University of Toulouse, France. He has been awarded the Army Commendation Ribbon for Meritorious Service. It will most certainly be worth your while to listen to the forceful message that Col. Murphy will bring to you on Memorial Day.

All civic organizations in Taneytown are cordially invited to take part in the parade.

MEMORIAL SERVICES IN WESTMINSTER.

Final plans have been completed by the sponsoring organization, Carroll Post No. 31, The American Legion, for the memorial parade and services to be held Monday morning, May 30th.

All units planning to participate are requested to assemble at Belle Grove Square promptly at 9 o'clock where the parade will form. Captain John Magin, Marshal, will assign the units to their proper positions.

The parade will proceed to the Westminster cemetery where services will be held with J. Albert Mitten, Past Commander of Carroll Post No. 31, presiding. Following the exercises at the cemetery the units will proceed to the City Hall where there will be a dedication of a bronze plaque in honor of those who fought and died for their country. The plaque will be presented to the Carroll County Chapter American Gold Star Mothers. The plaque is a gift from the City of Westminster and will be placed in the flower garden.

In case of inclement weather the program will be held in the auditorium of the Westminster High School. Full details will appear in the papers next week. It is hoped that the public will take full recognition of Memorial Day by attending these services and displaying the Flag of our Country.

MEMORIAL DAY PARADE AND SERVICES AT HARNEY

Memorial day parade and services will be held at Harney on Saturday evening, May 28 at 6:30 o'clock. Prior to the parade there will be a dedication of the colors of the Monocacy Valley Memorial Post 6918 Veterans of Foreign Wars of the United States at which there will be present a number of other veterans organizations from nearby communities. Also several musical organizations which will also take part in the parade. Prominent speakers will be present at both events. All veterans are cordially invited to join with the local Post in the exercises. Children and civilian groups will form at the school house. Assembly of veterans groups will be at the Lutheran Parish Hall. Following the services a festival will be held by the Lutheran Sunday School on the church lawn. Complete details will be given next week.

The Department of Interior has announced the opening of 50 individual farm units for homestead settlement on the Bureau of Reclamation's River-ton Project in Central Wyoming.

Now is the time to set tomato, eggplant, pepper and sweet potato plants in your garden.

You can cut your grass a little shorter during the active growing periods of spring and early summer than during hot, dry weather.

THE DIAL SYSTEM

Change in Service will be Inaugurated May 25

Culminating months of preparation and work, Taneytown's new dial telephone system will be placed in service at 12:30 P. M., May 25 by the C. & P. Telephone Company of Baltimore City.

William B. Hopkins, local manager for C. & P., involving construction of new office, building and the installation of dial equipment, outside cable and wire and new instruments will require an expenditure of more than \$92,000. He said the modern dial systems offers modern improvements over the old magneto system which has been in service over a number of years.

At the time of the cut over to new service, 675 telephones will be working as compared with 393 telephones on V J Day, and 40 telephones in 1905. Hopkins stated that all customers in the Taneytown area who have been waiting for new or changed service will be taken care of within a week after the cutover.

Hopkins said a telephone directory for Taneytown customers is being mailed prior to the change over, since all of the existing telephone numbers will be changed. On party line service as explained in the dialing instructions of the directory, arrangements have been made so that any other party on the line may be dialed without the assistance of the operator. On rural lines no more than 8 parties will be on any one line.

On calls to other telephone offices, Taneytown subscribers will dial zero to reach the Westminster operator who will establish connections. Starting May 23 The Birnie Trust Company will receive payments on bills during regular banking hours. All business transactions will be handled through the Westminster office where the records will be located. Hopkins pointed out that the Westminster business office may be reached by dialing the operator and that there is no charge for such calls.

Following the cutover of the new office, Mayor Rohrbaugh, of Taneytown will make the first call through the new equipment. On June 1-2 Taneytown customers and their friends are cordially invited by Hopkins to attend an open house between the hours 7-9 P. M. to see the equipment in the office.

LEGION POST HONORS OLD-TIMERS

At a meeting of Hesson-Snyder Post No. 120, The American Legion, the veterans of World War I were guests of honor. Refreshments were served and prizes were awarded to the following: The oldest veteran present, Mr. Jake Myers, the youngest member, Mr. Fern Hitchcock, the member traveling the farthest to attend the meeting, Rev. Love from Baltimore; Mr. James Salley was awarded a prize for telling the funniest story. Members of both wars enjoyed the program.

A report on Junior baseball was made by Comrade Lookingbill. The first League game will be played June 1st at Hagerstown at 8:15. This Saturday, May 21 the team will play an exhibition game with the Thurmont Juniors on the High School diamond at 2 P. M.

A report was made on the preparation for the coming Memorial Day parade which promises to be a huge success.

Comrade Hitchcock distributed poppies which will go on sale. The money to go to the Child Welfare Fund. The meeting was adjourned by Commander Neal Powell at 9:15.

CONCERT IS A SUCCESS

The concert which was presented by the Brotherhood Male Chorus of Trinity Lutheran Church last Thursday night in the High School Auditorium was a real success. A very large and most appreciative audience heard the chorus of over 22 men and under the direction of Mr. R. Henry Ackley, rendered a fine program of varied sacred and secular numbers.

After the introduction of the chorus and their director by Rev. Glenn L. Stahl, the chorus opened the program with a group of five sacred numbers: All Hail the Power of Jesus' Name, Jubilate Amen! Dies Irae; That Beautiful Land, and Guide Me O Thou Great Jehovah. Mr. Henry Reindollar, baritone soloist, then sang two numbers, O! Man River and Captain Mac, after which he obliged by singing The Gypsy Love Song as an encore. The chorus then sang two old English songs: Drink To Me Only With Thine Eyes, and John Peel; Elizabeth Machab, soprano soloist, then gave a group of solos: Carmena, Songs My Mother Taught Me, a Kiss in the Dark, and Let My Song Fill Your Heart. She was accompanied at the piano by Miss Georgetta Kinschner. The chorus then sang three sea chanteys: Eight Bells, Old Man Noah and Away To Rio. For the last group of selections the chorus sang four very popular numbers: Smoke Gets In Your Eyes, Joshua Fit de Battle, Sylvia and Thanks Be To God. They then gave an encore Rise Up, O Men of God. Mr. Harry Reindollar accompanied at the piano.

The chorus has expressed their appreciation and would like to take this opportunity to thank the Brotherhood members, committees, and other persons who helped make the concert a success; and also to express their gratitude and deepest appreciation to their many patrons and friends for their encouragement, loyal support and many compliments.

LIONS MEET AT DON'S B. R. RESTAURANT

Firearms Specialist was the Speaker

In the subdued atmosphere of Don's Blue Ridge Restaurant the first May meeting of the Taneytown Lions Club was called to order by Merle S. Ohler, President, on Tuesday, May 10th. After a sumptuous repast with broiled chicken as entree, Secretary Murray Baumgardner reported \$10.94 as profit, on chief cheerleaders performance and the nominating committee (Chas. R. Arnold, J. Hoke Ommert, and Curtis G. Bowers) proposed the following as nominees for the year 1949-50. For president, Robert E. Thomas; for vice-presidents, Robert W. Feesser, Harry B. Dougherty and Don Webb; for secretary, Singleton Remsburg; for treasurer, James Fiscus; for lion tamer, Kenneth Shorb; for directors, Charles Eckard and L. J. Dunlop.

A highly technical, yet interesting address by Philip Sharp, Emmitsburg concluded the evening's program. Mr. Sharp warmed to his subject by a few introductory remarks on his early life and the accidental manner in which he launched his writing career from his birth in Maine, through part-time newspaper and magazine work, to the preparation of his volumes of guns. Refusing to classify himself as an "expert," nevertheless his technical discussion of the methods of measuring the velocity of a bullet was absorbing to any researcher who might have heard as well as fascinating to any one of the more than thirty million ordinary hunters who were issued licenses during 1948 in the United States. There is no possible way to measure velocity in itself—you measure an element of time in which it takes a bullet to cover a certain distance, say one hundred feet. The bullet's passage is then translated into average velocity, at approximately the midway point known as the instrumental velocity.

To get muzzle velocity (calculated only), a certain figure is added to the average. For his work he uses a Potter electronic counter, employing photoelectric screens at ten feet from the muzzle (to avoid gun blast) and at the hundred foot mark, each carrying their own light source. The passage of the bullet through these open screens sends back an electrical impulse by the use of a photoelectric cell which will be magnified to an 80-volt charge which can then be recorded on the adjoining chronograph. The reading is done with a panel of numbered lights, with the decimal and four places thereafter understood. The system is ten times as sensitive as the older Boulenger method, using rods dropped by the breaking of electrical circuits by means of electromagnets based upon Newton's gravitational law.

Many more examples of his laudation could be cited, but suffice it to mention a few questions often puzzling the laymen: Great velocity has no ordinary advantages for the every day hunter, but it does provide greater range. Remember a bullet fired from the muzzle of any gun and a similar bullet dropped from the same position will reach the earth, when spent, at precisely the same instant. Guns made today have infinitely greater reserves of safety and refinement than those made in 1940, and so on back. There are no better guns made than those in this country. Brass is preferable to steel in cartridge cases. Semi-automatics may not be used in Pennsylvania. Zeiss built the sight for the famous German round-the-corner gun, intended for use in hand-to-hand dealing with tanks. The sight was really a prismatic periscope and the regular bullet skidded around the bent barrel with practically hunting accuracy. Buffalo Bill and others were credited with tremendous feats of marksmanship which are literally figments of the imagination or else, if founded on fact, have been so magnified in successive retelling as to be the most distorted of propaganda and no doubt those gunmen were happy to hear such tales enhance their reputations.

FUN FOR ALL IN "LAFF IT OFF"

Have you ever wondered about the fascinating personalities behind the headlines of your newspaper? I would like to see Walter Winchell, Headline Hopper, Dorothy Dix and other famous newspaper folk—both real and fictional, come to life become your eyes? Would you like to join in the fun and win prizes playing the contest game "Rhyme For Riches" as you sit in the audience? All this and more can be seen and enjoyed by you in the coming production of "Laff It Off" which will be under the auspices of Hesson-Snyder Post No. 120, The American Legion, to be staged in the High School Auditorium, June 23 and 24th.

Gene Austry, acting as master of ceremonies, gives the keynote of friendliness, in the scene which shows an old time frontier days celebration in progress, Judy Canova, Rochester and Pappy Chissinger, down to old high spots of comedy to a production which is outstanding for its music, color and post moving groups of dancers who interpret the folk and square dance of bygone days. All personalities will be portrayed by local citizens. Be sure to watch for the advance sale of tickets.

Recommended tomato varieties for Maryland are Rutgers, Marglobe, Jubilee and Pan America.

AROUND THE TOWN

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Last week a letter arrived from a very intelligent and highly educated lady from Westminster who is the wife of a farmer explaining to me her reasons for opposing Daylight Saving Time. She surely has enlightened Your Observer in many respects and when you do not have your own family doing the chores it is very much different for it was to the following I spoke who was in favor of Daylight Saving Time. (Those who have sons to help them) not outside help. Hope this explains the reasons.

There is a lovely young girl 'around our town' (single) a decided brunette and rather tall and very good looking with a sweet disposition. She is always so beautifully groomed to every detail. Taneytown young men should not let the big city guy come in and steal her.

One of the big features of "My Mother's Day" and which touched me deeply was a lovely card from a young Jewish fellow who is a very close friend of my oldest son. On the card was "To My Other Mother."

There is a little 'shorty' with a big name out in a certain garage near the town who recently lubricated "Lincoln" and it made me wonder if the boss knows how very thorough this young man is in his work. There was a little fancy gadget on the top of the fender which had been loose for many months and no one seemed to be able to tighten it but this young man. That sort of thing makes the customer want to go back to that certain business. Just the little things that account after all in life.

First time I have missed "The Flower Mart" at the monument in the big city for many years. (Due to the weather). Understand it was a gala affair more so than in any other year.

For jealous ladies, I urge all to see "A Letter To Three Wives."

Little Gretel, the German bride, tells me that I will have a little bundle of love in my arms next November. Surprising how that all made her feel happy and love America that she is willing to remain right here!

There is a charming young girl behind the Soda Fountain each evening at the Bowling Centre! What an appropriate place for her to be "A Sweet Shop!"

Do you ever attend any "Rummage" sales? Recently, I happened to see a sign in a store window and went in and browsed around. It all fascinated me as I stood there and watched the crowd purchasing various items mainly clothing which were hung on a rack as in any dress shop. I do not know just where those people came from but the expressions on their faces were happy ones as they walked out with their desired purchase of clothes. So you see, folks there are many right over here who are in real want as to clothing just as there are "Over There" Used ornaments and what not were displayed on the tables and a framed hand painted spray of colorful Pansies held my interest. The initials were ARG in the right hand corner. I picked it up and all it needed was a new glass which was broken. I asked the lady about it in charge and she said that it was very old and being the glass was broken she would let it go for a quarter! I hurried with my purchase to "around the town" where they installed the glass in the lovely beaded frame and it now graces the wall in the dining room.

A salesman (elderly retired Principal) called at "Loves Retreat" with that wonderful book called "New Century Book of Facts." He had been in Taneytown all week and I was amazed when he showed me all the sales he made right "Around The Town" which was very evident that we all like to learn even if we do not attend school any longer.

Here's something that never will be, "Television in Motor Cars." If it was so this is what it would be, Judge "You are guilty of causing the death of so and so. What have you to say?" The offender, "Guilty, your Honor as I was looking at a very interesting programme on the television and did not realize I was so near the pedestrian." Gavel—Bang—"Case dismissed."

TOMORROW'S OPPORTUNITY

If we might have a second chance
To live the days once more
And rectify mistakes we've made
To even up the score
If we might have a second chance
To use the knowledge gained
Perhaps, we might become at last
As fine as God ordained
But though we can't retrace our steps
However stands the score,
Tomorrow brings another chance
For us to try once more.
Just keep on thinking just like that
"For us to try once more". So long folks. Will be seeing you next week. Have a grand week end.

Your OBSERVER.

FRIDAY (MAY 20, 1949)

TANEYTOWN'S PARK

On Wednesday, May 4th, a group of Taneytown citizens were invited to meet with the Board of Directors of The Taneytown Recreation. This meeting was for the purpose of a better understanding of the Association's plans for the proposed Recreation Park. The Officers and Directors of the Recreation Association opened their books to us and we found their records to be complete. Mr. Dunbar, who acted as chairman of this meeting, commended the Association for fine records they are keeping of their affairs. The officers of the Association explained to us how they propose to build a Recreation Park that can be enjoyed by young and old alike. We were surprised at the extent of their plans. We found that they plan to improve 11 of the 15 acres, already purchased and paid for, into a parking area and a Recreation Park that cannot be equaled in this State, and only 4 acres of this 15 acre plot will be taken up by the Baseball and Football Park. After having some of the problems, which have come up so far, laid out before us, we can understand that it is not just the baseball fans who will profit by a new Park in Taneytown, but the whole community will profit. This proposed park will be a credit to our community, a place where our children can play under supervision and a place where complete recreational facilities will be available to everyone.

Since meeting with the officials and Directors of The Recreation Association and learning of the extent of their plans for a complete Recreation Park, it can be understood why it will take the combined effort and financial support of everyone in our community to complete this project.

NO TWO TREES ARE JUST ALIKE

Yet, by general characteristics we know them to be elms, oaks, maples or pines... and so with Nature's hardest memorial substance, Rainbow Granites, each basically the same material, marvelously compounded million of years ago by tremendous heat and pressure.

There is a likeness to all granite quarried from the same deposit and yet, there is often an interesting change in texture design. These granites are especially appropriate for monuments in the interpretation of characteristics made beautiful in the crucible of life.

FRIZELLBURG

The Missionary Society of Baust Lutheran Church held its regular monthly meeting on Wednesday evening, May 11, at the home of Mrs. Edgar Strevig, Silver Run, with Mrs. Glenn Haines as the leader. A special program was given celebrating the 60th birthday of Thank-offering. The topic for the lesson was "The Years of Our Thankfulness."

The meeting opened by singing "Christ For the World We Sing." The Scripture lesson was read from Ps. 48:9-10; 79:13; 92:1, and Prayer, by the leader: Reading, "Mission Society" by Mrs. Mora Gilbert; Reading, "A Cluster of American Beauties," Ruth Starnes; a short Thankoffering play was given by Mrs. Charlotte Shorb, Mrs. Edward Haifley, Mrs. Delmar Warhime, Mrs. Helen Zimmerman, Mrs. Pauline Strevig and Mrs. Edith Masters; Reading, "My Thank-offering box is a Symbol"; A short Skit, "Thankoffering Boxes" was presented conducted by Mrs. Vernon Zimmerman; two piano solos were given by Mary Louise Strevig, "In Church" and "Distant Bells." The Thankoffering boxes were gathered while Mrs. Martin Koons played "Now Thank We all Our God," softly on the piano followed by prayer. Since Mothers' Day was but a few days past a part of the program was dedicated to "Mother" as follows: Poem, "Somebody's Mother" by Mrs. Edgar Strevig; Solo, "Mother Maecree," Mrs. Charlotte Shorb; Poem, "I Love My Mother," Marlene Zimmerman; Poem "Four-leaf Clover," Mary Louise Strevig; Poem, "My Mother," Margaret Myers; Reading, "Five Grains of Corn," Mrs. Edna Warehime. The president, Mrs. Delmar Warehime conducted the business meeting. Interesting reports were given from the 58th meeting of the Women's Missionary Conference which was held in Middletown, April 28, and from the Maryland Congress held in Baltimore April 30th. The meeting closed with all singing the anniversary hymn and the Lord's prayer by little Tamara Shorb. The hostesses served refreshments to 25 members and friends. The June meeting will be held at the Lutheran Deaconess Mother House, Baltimore, June 8, with Sister Hanson as the leader.

Services in Baust Reformed Church on Sunday, May 22: Sunday School, 9:30; Worship, 10:30. During the Worship Service last Sunday the children of Mr. and Mrs. Ralph Morelock were baptized, they were Carol Monroe Morelock and William Jeremiah Morelock. Rev. Miles Reifsnnyder, pastor.

Buddy Sullivan is home from camp on a furlough.

Mr. William Warner is doing quite a lot of repairing to his apartment house.

Mrs. Emerson Brown, Miss Lamore Sullivan and Miss Lillian Mason, spent Thursday evening in Baltimore.

Mrs. Glenn Haines is pleased to report that she collected \$47.76 for the cancer fund in the vicinity of Frizellburg and Pleasant Valley. She wishes to thank all those who contributed to this most worthy cause. And Doris deserves a lot of credit, giving of her time to collect this nice amount. We hope in a few years that cancer will be gone forever.

FEESERSBURG

Memorial Day being not too far distant, it seems appropriate once again to write about Abraham Lincoln and the famous Gettysburg address. For some reason one always associates Memorial Day with the famous speech but Abraham Lincoln spoke the cherished words on Nov. 19, 1863, in the cemetery at Gettysburg. There exists today five copies of that address. It was not written on the train on the way to Gettysburg, nor on the back of an envelope as so commonly believed. The first copy was written entirely or nearly so, in the White House. The second copy was prepared in the home of David Wills, where Lincoln was lodged in the Pennsylvania town. These copies are now in the Library of Congress. For a New York Fair, of the Sanitary Commission (the Red Cross of those days) a third copy was made for the purchase of which a few years ago the school children of Illinois raised \$60,000 and gave it to their State. The fifth copy sold at auction the other day in New York for \$54,000. The buyer was a Cuban and although it had been hoped it would remain in some institution in the United States, the buyer knows well its value and significance. So long as men cherish the ideals of freedom this message will be cherished and its writer revered as one of the little group of history's greatest men.

Mr. and Mrs. Clarence Myers and two children of Baltimore, spent the week-end with the Russell Bohns.

In 1935 only 11% of farms in the United States had electricity. Today almost 75% enjoy the blessings of electric current, but running water is a different story. In 1935 12% of the farm homes had running water. Today, it is doubtful if 30% of the farm homes enjoy this modern convenience. For several months there has been a heated argument going on in a popular farm magazine as to just why farmers are slow in installing conveniences that make for better living. One side says its because they lack the money while the other side says its because they lack the desire to live better. Personally, I am

inclined to believe its a little bit of both. A farmer will readily spend money for machinery and purebred stock because he knows that will make far better farming but when it comes to modern conveniences for the house he just doesn't see where they are necessary. For instance, running water is almost a necessity, but still less than 30% of farm homes have it. Why? No one seems to be sure of the answer. Only the farmers know and they are keeping it to themselves.

Only a miracle kept a neighbor of ours from being seriously hurt when his car turned over in our garden. Going down a hill he applied the brakes and in some way they locked, causing the car to roll over several times. But both he and the car were able to leave the garden under their own power.

The U. S. electric utility industry reported that its first quarter profits had broken all records. With earnings in from nearly all major companies, net profits were estimated at 202 million dollars, thanks partially to higher rates and lower fuel costs.

The famed Hitchcock chairs, sold from door to door by Yankee peddlers more than 100 years ago, were back in production. Two enterprising furniture makers, using the rebuilt original plant, were turning out rush sealed Hitchcock crown backs, turtle backs, button backs and plain slot backs, for sale throughout the U. S. The price \$39.95.

Since there are only 5 acres of trees for every person in the United States, it is highly important to care for those trees well.

There is a very smart bird on our farm and he happens to be a pheasant. He found our early cabbage plants and picked off every leaf. Next he located our special hybrid sweet corn and as soon as it was above the ground ate every hill, knowing he is perfectly safe until fall comes all will be forgiven.

Miss Edna Buffington, spent the week-end in Baltimore, visiting relatives.

A snob is a person who wants to know only the people who don't want to know him.

Guests of the Frank Martins Sunday were Mr. and Mrs. Ross Vincent, of Baltimore.

A sense of humor is what makes you laugh at something that would make you mad if it happened to you.

GET-TOGETHER AT PINEY CREEK

As the sun went down and the shades of evening began to gather on Tuesday evening the grove at Piney Creek Presbyterian Church became the meeting place for a happy group of young and old. The occasion a "Pot-luck Supper." The social hall was gay with flowers. The tables set for 72 were not sufficient to accommodate all the company and scarcely large enough to provide space for the abundance of food of every variety.

After the delicious meal was disposed of a group of men entertained with songs. Miss Susanne Shower accompanying. Miss Shower also played a very charming piano solo. The high spot of the program was the informal description given by Mrs. James Lord, Jr., of some of the wonderful places she visited, and interesting personal experiences of her recent trip abroad. Mrs. Lord's description of the food she was served while visiting some acquaintances in Holland, "a repetition of bread, cheese and tea" was quite a contrast to our Pot-luck Supper and tea.

KEYSVILLE

The Keysville Missionary Society celebrated their first anniversary on Tuesday, May 10th, at the church Members, their families and special guests numbered about 70 persons.

At 7:30 everyone partook of a meal. The menu was tomato juice, ham, beef loaf, sweet potatoes, string beans, peas, potato salad, celery, birthday cake, mints and coffee. The tables and basement were beautifully decorated in orchid and green crepe paper and with ivy on the tables. The small May poles were at the tables.

The two 3-tier birthday cakes were made and decorated by Mrs. Gilbert Stine and Mrs. Robert Stine. They had white foundation icing with green and orchid decorations on them. The cakes were on plates which turned and played happy birthday. Mrs. Lloyd Wilhide was chairman of the table decorating committee.

After the meal, Mrs. Wm. Baumgardner and Mrs. Ralph Shoemaker presented the topic of the evening "The Years of Our Thankfulness."

The Koop family gave a number of musical selections during the program.

Mrs. Gregg Kiser read a letter of greeting from Mrs. Richard Miller.

Mrs. Lloyd Wilhide called everyone's attention to a beautiful cake which was a gift of the Bond Baker. Mrs. Wilhide presented the cake to Mrs. Robert Stine to take to Mrs. Charles Cluts, a very very faithful member, who was unable to be present on account of her broken arm.

Mrs. Carrol Wilhide acted as toastmistress and introduced the following guests: Mrs. Ibach and Mrs. Nulton from Taneytown; Mrs. Wm. Unger, Mr. and Mrs. Leverage Keilholtz, newly married couple, and Rev. Theisz, visiting minister. Our life members, Mrs. Calvin Valentine, Mrs. W. E. Ritter and Mrs. Maurice Wilhide were asked to rise and receive applause. Rev. Richard H. Miller is our only "in memoriam" member. Rev. Poffenberger our pastor spoke a few words also.

The speaker of the evening was Mrs. Andrew Theisz of Uniontown. She is the newly elected president of the Middle Conference W. M. S. Pres. Theisz gave an interesting address which included information about several missionaries from China and India. She also passed around pictures, chop sticks, Indian tooth picks, a glass hat and some Indian lace.

A thankoffering was taken. Rev. Theisz received the offering with a prayer.

Our Anniversary hymn was sung by the group, and the meeting was closed with the Missionary Benediction.

The Keysville Lutheran Missionary Society was organized on May 11, '48. The following are the charter members: Mrs. Carroll Wilhide, Pres; Mrs. Charles Devilliss, vice-president; Mrs. Edward Coshun, Sec.; Mrs. Harry Clabaugh, Treas.; Mrs. Guy Warren, Mrs. Richard Miller, Mrs. Virgie Ohler, Mrs. Lloyd Wilhide, Mrs. Calvin Valentine, Mrs. Gregg Kiser, Mrs. Roy Baumgardner, Mrs. Carroll Kiser, Mrs. Charles Cluts, Mrs. Jas. Coshun, Mrs. Maurice Wilhide, Mrs. Floyd Wiley, Mrs. Vernon Schaffer, Mrs. J. Miles Neidig, Miss Vallie Shorb, Miss Mae Clabaugh, Mrs. John Harner.

During the year Miss Jesse Cronk, Missionary to India made two visits here and Miss Helen Lawson, Liberia made one. Miss Norma Bloomquist, Liberia had visited here previous to our organization.

Four persons who joined the Keysville W. M. S. at the anniversary were introduced. They were Mrs. Mehrle Wilhide, Mrs. Luther Dilley, Mrs. Henry Feezer, and Mrs. George DeBerry.

Word has been received that Mr. Richard Miller, her son, Daniel and her parents, Mr. and Mrs. Cotten, of Volga, S. D. expect to visit Union Bridge Parish, May 27, 28, 29. Keysville Church is planning to hold open house at the church on Friday evening, May 27 for anyone in the community who would like to come and greet Mrs. Miller and her family. No time had been set in the evening but possibly the church will be open at 7:30 P. M. (DST.)

AUXILIARY OF LEGION MEET

The Auxiliary of The Legion Post 120 held their regular meeting on Tuesday evening with a good attendance. Mrs. Katherine Shank in charge. Final donations for the colors were collected from Mr. Jimmie Baumgardner, Blue Ridge Restaurant and The Bowling Alley. The colors are on their way to The Legion Home. They will be used for the first time when two of the members proudly display them in the parade in which they will march on Decoration Day. Those who have contributed to this wonderful cause will be thrilled as they see those flags flying in the breeze!

On June 4, the ladies will serve a dinner at the Legion Home for Mr. Barnsley and his friends. A special meeting is to be held the night before. The Bake Sale of cakes, pies and sweets will be held at the Fireman's building at 3 o'clock, Saturday May 21st.

The kitchen is now completely finished through the endeavors of several members of the Auxiliary. The electric range is to be installed shortly. This coming Sunday a number of the ladies will drive to Williamsport for the special meeting and dinner to which they have been invited.

STOCK CAR AUTO RACES AT FREDERICK

Stock car automobile racing will be introduced here at the Frederick Fair grounds, Decoration Day, May 30, by Sam Nunis Speedways, largest auto racing organization in the United States.

Sam Nunis, president and general manager of the organization which bears his name, said this week that the program here will consist of six events—time trials, four 10-lap heat races and a 30-lap sweepstakes final. He said time trials will begin at 1 P. M., and the first racing event at 2:30 P. M.

The events, which are expected to attract more than 20 drivers and cars will be sanctioned by the American Stock Car Racing Association.

Among the well known drivers expected to compete are Pepper Cunningham, Trenton, N. J.; who won the first postwar 100-mile national championship stock car race at Langhorne, Pa., speedway; Harold Brokhoff, Pittsville, Pa., recent winner of a stock car race at Reading, Pa., and Irvin Blatt, Hamburg, Pa., also a money winner at Reading.

Although several auto racing events were staged here last year, the races Decoration Day will be the first time in history that stock car competition has been presented in this section of Maryland. The Frederick track is generally regarded as one of the finest half mile ovals in the East.

Local racing officials have announced that the track will undergo a thorough reconditioning in advance of the Decoration Day events.

The Lord's Supper

Lesson for May 22, 1949

LET US CLEAR UP some very common misunderstandings of what the Christian religion is. Some (both enemies and friends) think it consists in turning one's back on the world, living in a sort of happy wonderland where the evil of the world is altogether shut out and forgotten. Another notion is that Christianity presents an angry God (or one who can very easily be made angry) laying down the law to mankind. Another is that Christianity is a purely individual affair. And still another is that Christian religion consists of the teachings of Jesus and that is all it is. Every one of these misunderstandings vanishes in the light that shines around the Lord's Supper.

Dr. Foreman

Betrayal

PEOPLE SOMETIMES think that religion shuts men's eyes to the ugly realities of life. Some religions try to do so; but not the religion of Christ. He knew the kind of world this is; he never let his disciples forget it.

On that last night, dark forces were abroad. Jesus' enemies were closing in on him. One of his own circle would betray him. Yet it was in that sort of atmosphere, heavy with betrayal and hatred, that Jesus began this sacrament of faith, hope and love.

The true Christian does not live in a fool's paradise, he does not imagine that everything is lovely in the nicest possible words. The sacrament which is the heart of his worship is itself a reminder of the ugliness of the world which man's sin creates.

Blessing

AND HE BLESSED the bread . . . If Christianity consisted mainly of condemning wickedness and denouncing sinners, then at the center of our worship we would have some symbol of dread and awe, like fire and brimstone, a consuming flame.

But no—at the heart of our worship is a thing as simple, plain and friendly as a loaf of bread, bread on which the blessing of God has been asked. Blessing, not cursing; invitation, not threatening, is at the heart of our religion.

Whenever you see some one whose chief idea of being a "good Christian" is going around proclaiming the meanness of the world, cawing at everybody and everything.

Breaking

AND BROKE IT, and gave . . . Artists have tried in a single picture to express the meaning of Christianity. Some of the pictures are beautiful, but many of them miss an important truth. What shall it be? A picture of a shipwrecked woman clinging to a rock? Of a saint praying in a long solitary vigil? These leave out something vital. For Christianity is a fellowship. No Christian is complete by himself.

At the heart of our religion is a Communion. Few if any Protestant churches allow any one even a minister, to give the Holy Communion to himself, by himself.

The true Christian never finds himself, his true self, alone; only in fellowship. A Christian belongs with other Christians as much as one coal in a bed of coals belongs with all the rest.

Blood

JESUS TEACHINGS are so important, so full of wisdom and of living power, that often some one will say that Jesus was a teacher and only a teacher, and that following his teachings is all that Christianity is. Jesus did not think of it in this way.

True, his teaching is of the utmost importance; but that was not and is not all. As Middleton Murry said years ago, Jesus was the only teacher who has died for his teaching. But he did more than that: he died for those he taught.

The cup at the Holy Communion reminds every one who partakes of it that Christ was not only a teacher, he was a sacrifice.

Down the Line
with Johnny Bell

He works a full day—and all through the night

Today, people are using their telephones more than ever . . . for shopping and selling, running errands, keeping in touch with friends and neighbors and a host of other things.

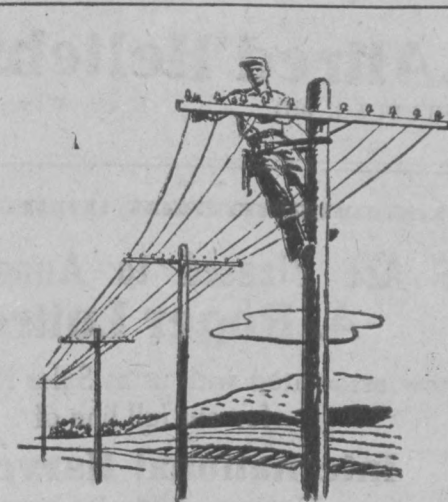

Whatever the need, whatever the time of day or night, the telephone is on the job—ready to take you where you want to go. This "service around the clock" is one of the real values of your home telephone.

All it takes is a little teamwork

Youngsters practice teamwork when they "take turns" at the pump. So do grown-ups when they share a telephone party line.

Sharing a party line means allowing an interval between calls so that others have a chance to use the line . . . giving up the line quickly when someone needs it in an emergency . . . answering the telephone as promptly as you can. Party-line service is good service when everybody on the line remembers "the other fellow." All it takes is a little teamwork.

High man on a telephone pole

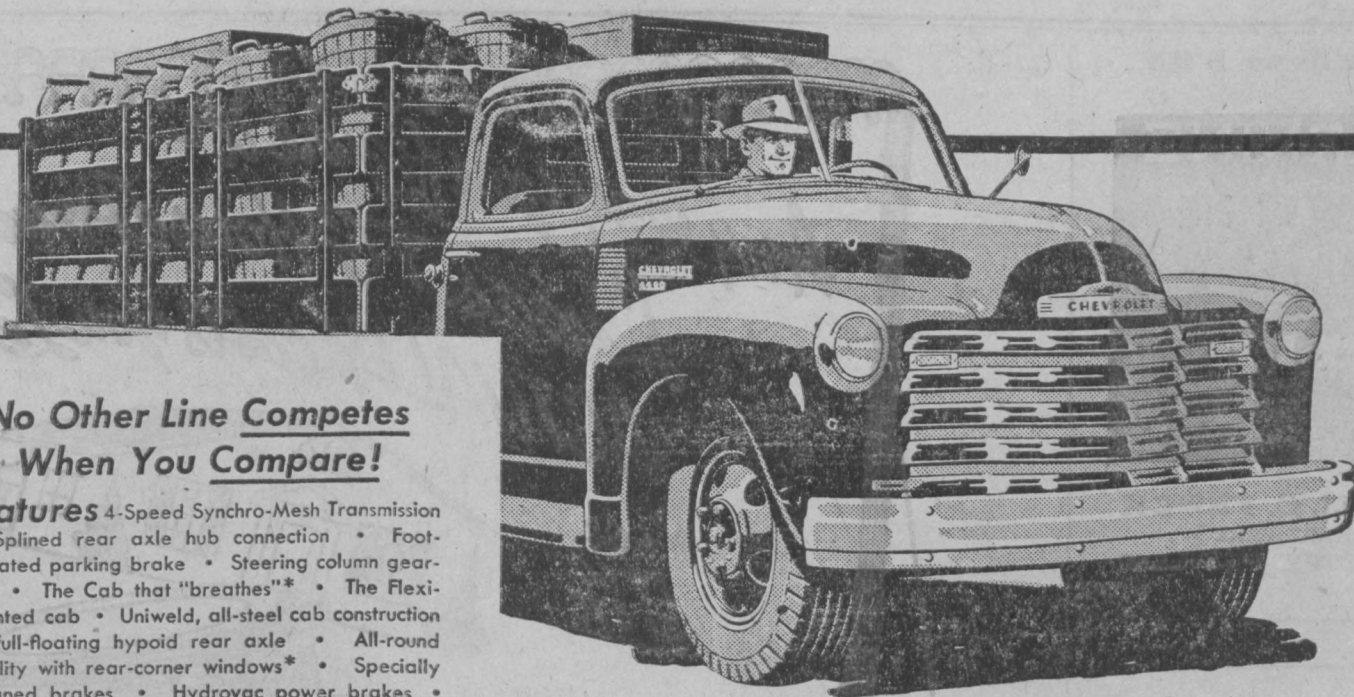

This is the telephone lineman—rugged, skillful, well-trained. In good weather and bad, he carries on the vital job of maintaining the lines that carry our telephone calls. He repairs trouble when it occurs and tries to prevent it before it happens.

The lineman is truly an important member of every hometown telephone team. The Chesapeake & Potomac Telephone Company of Baltimore City.

Quality It takes the best to build a Chevrolet truck—the finest materials and craftsmanship! That's why there's super strength and durability in every feature of body, cab, engine and chassis.

Performance Chevrolet trucks are star performers with prime power—plus economy! You get low-cost operation, low-cost upkeep with Chevrolet's famous Valve-in-Head engines, the world's most economical for their size!

Prices Pick-ups . . . stakes . . . panels . . . power-packed heavy-duty models—Chevrolet builds them all! And Chevrolet's all-star line of trucks sell at the LOWEST LIST PRICES IN THE ENTIRE TRUCK FIELD!

You can put plenty of confidence in Chevrolet Advance-Design trucks. It's a fact that they deliver the goods. It's a fact, too, that Chevrolet trucks have an exclusive combination of features . . . that they're built big and rugged to take the tough going. And it's a fact, too, that Chevrolet trucks have 3-WAY THRIFT . . . that they have triple economy in low-cost operation, low-cost upkeep and lowest list prices! And when you add up these advantages you can see why more people use Chevrolet trucks than any other make! The fact is, they're a great American value!
