FEESERSBURG

A new campaign has been launched this week called "Crusade for Freedom". The idea behind the nation-wide crusade is simple and direct. It is an effort to pierce the Iron Curtain with a new voice. Former Ambassador Joseph C. Grew called this crusade a "mobilization of American citizens to defeat vicious propaganda", an example which was the recent peace petition put out by that many innocent persons signed it in good faith. The freedom scrolls will be forwarded to Berlin, where a new freedom bell will be dedicated on United Nations October 24. Enshrined in the base of the bell will be the names of all who sign the Freedom scroll. The Francis Scott Key Grange under the leadership of the National Grange is one of the sponsors of this petition. If any of the readers are interested in signing one of these scrolls, contact any Grange member. No doubt there will be other organizations in the community behind this campaign too. Among some of the signers are such names as Dwight D. Eisenhower, Douglas Fairbanks, Harry Emerson Fosdick, Oveta, Culp, Hobby, Cordell Hull, Millard E. Tydings, Billy Rose, Jackie Robinson, Drew Pearson and many other prominent names. Our President, Harry S. Truman says: "I hope that all Americans will join in dedicating themselves to this critical struggle for men's minds

The Elmer Wolfe P.T.A. held its first meeting of the school year Monday evening with the auditorium filled with parents and friends. The pro gram, under the leadership of Mrs. Edward Williar, brought out part of the musical talent of the school, and especially the school orchestra under the direction of Mrs. Bill gave the audience some good music. Mr. Phillip Royer, who just recently returned from a month's tour of Europe and having attended most of the summer musical festivals in the different countries; told the audience of his experiences and pleasure in being able to hear such beautiful music, under almost perfect settings, especially in Bavaria. He also brought back with him the impression that the Marshall Plan has built up for America a feeling of friendship and good-will. It has often been said that music is the universal language. May-be it is not too much to hope for that in the future music plus a world-wide Marshall Plan may produce among all nations that feeling of good-will and friendship which is so necessary pefore a lasting peace can be achiev-

The annual membership drive for P. T. A. members is on now and the chairman, Carroll Wilhide hopes that the parents will respond one hundred year per family. The Elmer Wolfe P. T. A. has been built up to a very fine organization, with its influence felt throughout the county. If you don't think so, take a look at the new addition to the school. The P.-T.-A. helped to put it there. So keep the P.-T.-A. strong by becoming a member—not only a paying member but the kind that attends the meetings and takes part in the discussions.

The cost of food to the housewife continues to rise and one of my pet peeves is the cost of a loaf of bread. Maybe its because the farmer today s getting less for his wheat than in 1947 and the miller is getting less, too. In other words the baker and retailer now gets 74 cents out of each dollar spent for bread compared with 61 cents in 1947. The miller gets only cents compared to 5 in 1947; the farmer 17 cents compared with 23 cents in 1947 and all others only 8 cents compared with 11 cents. In other words the average retail price of a loaf of bread rose from 13 cents in 1947 to 17 cents today, while the cost of ingredients went down from 5.1 cents a loaf to 4.2. The baker and retailer gets an average of 12.8 cents a loaf today compared to 7.9 cents in 1947. What can the housewife do about it? For one thing, she can eliminate waste of bread in the home by using every scrap; she can bake rolls and quick breads, thus cutting down the amount of bread bought or she can do like Grandma-bake her own. Miss Beryl Erb of Uniontown and

Mrs. Urith Shipley of Taneytown were visitors of the Earl Wilhides on Tuesday. The Union Bridge Planning Group held its monthly meeting at the home of Arnold Weeks on Tuesday evening. Most of the members were present to hear an interesting talk and demonstration by a representative from the Co-operative stores, who told the group how their foods were labeled and what the label means. For instance, a blue label means highest quality, a red label good quality but not as fancy as blue labeled goods

The Brotherhood chorus sang several numbers, Mr. Harris Frock sang a solo, "The Sacred Place of Prayer", with Mr. William Flohr at the organ. The guest speaker of the evening was the honorable Theodore McKeldin, a staunch christian and Bible teacher of the Methodist church and former Mayor of Baltimore city. He chose for his topic, Moses and his people. The impressive theme of old hymns was carried out through his message to a large audience. Mr. David Starner led in responsive reading, Mr. — Berkholder read the 46th Psalm, and prayer was by Mr. Frank Boone, Rev. Donald Warrenfeltz received the offering and pronounced the benediction. Mr. Mc-Keldin is a marvelous speaker with a wonderful memory. He doesn't have to read notes nor wait for words for they just come tumbling out. PERHAPS you've noticed that there seem to be a lot of these brawny beauties running around on America's highways - and it isn't just that boldly gleaming forefront that spreads this impression.

It isn't just the fact that folks who own a Buick get such a bang out of it that they do a lot of driving.

Back of all this is another fact. It's a fact that contains a broad hint to anyone who'd like to know what's what in motorcar buys. 1950 Buicks are breaking all past popularity records, as registered in sales.

So we suggest that you do some personal investigating.

Find out, for example, how mas-

terful you feel, with Fireball power purring away the miles, at a polite touch of your toe on the gas treadle.

Find out how the jolts and jars seem to disappear, when you have big soft coil springs on all four wheels, and fat low-pressure tires on wide Safety-Ride rims.

Then there's Dynaflow Drive,* which Buick owners vote the biggest automotive hit that has come along in years.

With all this, there's room, and comfort, and road-hugging heft combined with a light and willing response to your hand on the *Standard on ROADMASTER, optional at extra

wheel-and prices that start down with the sixes.

Seems like almost everyone wants to own one of these Buicks - and most people can. How about you? Isn't it a smart idea to see your Buick dealer now and get your name on his list?

Only BUICK has Dynaflowand with it goes: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taperthrough fenders • TRAFFIC-HANDY SIZE, less overall length for easier parking and garaging, short turning radius . Giving Yourself

Lesson for October 8, 1950

"WHEN a girl throws herself away on a man, she generally takes pretty careful aim."

That may be so; but more than a few persons throw themselves clean away without taking aim at all.

They amble through they do not they have no personal fiveyear plans, . not even five - week They stumble from one day to the next, they live from hand to mouth. They care Dr. Foreman

for nobody and few Dr. Foreman care for them. They may be found on Skid Row, living from one handout to another, or they may be found in the Silver Spoon Club, with plenty of money but no idea how to spend it and hardly enough energy to waste it.

A Man Gives Himself

MOST people, however, do give themselves to something. Every man who amounts to something, gives himself in one way or another. There was a college student once who practiced nineteen hours a day on the piccolo, it was Naturally he couldn't stay in college at that rate, so they got rid of him. But he landed, as you might expect, in one of America's finest orchestras.

If you want to succeed in music, give yourself to music. If you want to succeed in a law course, give yourself to your books. Men usually give themselves to what they think is of greatest value. Some give themselves; that is to say, they devote themselves to their own comfort and happiness.

That is cheap and selfish, of course, but there is a kind of transferred selfishness which is almost as common; giving oneself to one's family to the exclusion of everything and every one else. A good man will love his family, a good mother her children; but there is a kind of ingrown family affection and mother-love which is blind to community needs.

Down the River

THERE are bad ways of giving oneself. A prophet once said of King Ahab, he sold himself to do evil. That is still done. Some give themselves up to liquor and gamb-

There have been quite selfless and tireless advocates of atheism, and communism, and all varieties. Men have worn themselves thin in the service of Hitler and of other tyrants.

If the energy and persistence, for example, which is spent in trying to prevent the humane use of unwanted animals in medical research, were spent in intelligent support of preventive medicine, how much better the world would

Say Yes to Christ

So the question is not so much, Shall I give my life? The question is, To what? To whom? For three months these Bible studies consider "Growth in Christian Living." All growth starts at some point; and Christian growth starts at the point where the Christian gives himself to Christ and his cause.

Consider what "commitment to Christ" means. It is not sentimental devotion to his memory, it is not singing songs about him or to him. (Not that such songs are wrong!) It is not following a historical char-acter, though Jesus was and is a real person. It is saying "Yes" to Jesus Christ. It is giving one's highest devotion, one's first loyalty, to the Son of God.

It is devotion to the living Christ, ever-present; to the One whose reign is destined to be over all. It is devotion to Christ's cause; to his Kingdom, his control, his way of life. It means growing into his mind; it means becoming more and more like him, wanting to be like him, till at last Paul's words come true again: "For me, to live is Christ."

You Get More than You Give

TT IS a mistake to think that if one gives his life to Christ, then he cannot give his life to anything else. The astonishing truth is, when a person first gives himself to Christ, he finds that Christ gives back far more. Christians can be, and are, devoted scholars and business men and mothers and doctors and farmers. The more truly one is committed to Christ, the better he is likely to be at his job, whatever

Christopher Columbus

...sold a seemingly impossible idea to a queen, braved 4000 miles of unknown seas, weathered storms and hardships, overcame the doubts of his crew, and finally discovered America. All we have to do is look down at the ground we're standing on and there it is. It's a great land where freedom reigns, and on October 12 we pay tribute to the man who made it possible for us to be here.

't Just Come In

Can you imagine Christopher Columbus hanging around the wharves of Genoa "waiting for his ship to come in"?

No. He was not that kind of man. He had courage and persistence to match his imagination. He had a big idea, but he was a long time "selling it" to Ferdinand and Isabella.

Then, on the voyage his men wanted to turn back. He forced them to sail on. The ships of Columbus were brought into port by the sheer force of a dauntless spirit.

Always remember this fact when you are tempted to be discouraged in your own financial undertakings.
