## Anniversary Observed Tuesday Night

The Taneytown Lions Club celeaurant in Littlestown, Pa. Approximately 135 Lions, ladies and guests were in attendance at this special occasion.

Some of the following distinguished guests present were: District Governor of 22W, Lion William Heagy, Westminster, Md.; Interna-tional Councilor, Massey Roe, Hag-erstown, Md.; Past District Governr, Alvey Rrenn; President of Caror, Alvey Rrenn; President of Carlisle's Lions Club, Charles S. Fry, Carlisle, Pa.; District Governor of 14C Penna, C. Barnes; Deputy District Governor of 14C, Penna, J. H. Kaufman; President of Glade Valley, Lawrence Dorsey, Walkersville, Md. The following Lions Clubs were represented. Westminster, Union Bridge, Glade Valley, Littlestown, Washington, Pa., Parnell, Greencastle, Frederick, Hagerstown and Carlisle.

Greetings were extended to all present by Lion President Harry Dougherty, who in turn introduced as toastmaster for the evening, Lion Massey Roe from Hagerstown. After recognition of the guests present the toastmaster introduced as guest speaker for the evening Dr. Simpson

P. Dougherty, pastor of the United Brethren Church, Carlisle, Penna.

The theme of Dr. Dougherty's very inspiring tlk was, we as individuals should not major in minors but rather major in majors. It was very forceably pointed out that our inheritance of life, liberty and the pursuit of happiness can not be maintained nor can it be passed on to coming generations if we as individually property on historical happiness. viduals persist on bickering about the very unimportant things in life, but rather that we work together in solving the major problems that confront us today so that those who follow us will be able to enjoy the opportunities and privileges that we

ing meeting of the Taneytown High School PTA in the school auditorium Tuesday evening, Sept. 11, 1951. A goodly number of parents, teachers, and pupils had a fine time in an hour of square dancing.
In a short business meeting, Mrs.

Evelyn Peterson PTA president previewed some of the associations ac-tivities which are planned for the year. It was announced that the October meeting will be a joint affair with the Elementary PTA to be held at the Elementary School, October 16, 1951.

The Key Club held their first meeting of the school year on Tuesday, Sept. 11, 1951. Mr. Charles L. Stonesifer was the luncheon guest, who presented a plan for the selling of National Kids Day pins.

The Board members were chosen from the 10th, 11th and 12th grades, the boys holding office are as follows: Donald Lawyer, Colin MacLachan and James Fream. The first project the boys will un-

dertake will be the remodeling of the Boys' Health Room.

The total enrollment of the high school is now 301, there is a possibility that this number will be increased

when all the late entrants are regis-Mr. Allenberg, the Agricultural teacher arrived this week and classes have started for the boys interested in this course.

#### National Kids' Day

Next Saturday, Sept. 22 National Kids' Day will be observed. This movement was started years ago in the interest of youth, with the realization that the future of America depends on those who are youngsters today. By giving them the advantages

they so need we are insuring a strong healthy America for the years ahead. Let us help the kids by doing our part in emphasizing the importance of youth's problems and accomplishments to the community.

All next week every person in Taneytown will be given a chance to express their interest in the youth of today by purchasing a National Kids' Day button. The Key Club of the Taneytown High school will have charge of the sale and distribution of these buttons. Help them and the youth of today by purchasing one of these buttons.

Every cent derived from the sale of these buttons (except the cost of button) will be used for the youth of

HONORED

At Trinity Lutheran church on Sunday morning, Mrs. George L. Harner, organist was honored for having completed 25 years of service to the choir and church. According to the minutes of Trinity, a letter was read before the council on Sunday, Aug. 29, 1926, in which Mrs. C. E. Roop (now deceased) tendered her resignation as church organist, effective one week later, Sept. 5th. By council action Mrs. Harner was invited to play the organ for the two succeeding Sundays. At a special meeting the council by unanimous ballot elected Mrs. Harner to the position of regular organist. Her splendid record of service has continued in unbroken fashion through the intervening years. The altar flowers on Sunday morning were presented as a token of appreciation by members of the choir, and in addition a large

rehearsal on Friday evening. The affair with which Miss Eleanor Kiser, choir member, was greatly accredited, was a surprise to Mrs. Harner. A program of original character had been planned, Andrew Alexander, master of ceremonies, including a barbershop quartet in costume composed of Franklin Fair, Kenneth Shorb, Andrew Alexander and Robert Harner, duet toast song by Misses Mary Louise and Dorothy Alexander, and singing by the entire group accompanied by the ukelele. The pastor, the Rev. Glenn L. Stahl spoke. Refreshments were served. Kenneth Clem, local photographer, took pictures of the group following

#### SEPTEMBER TWELFTH

It was on September twelfth that the British fleet sailed up the Chesapeake Bay and Patapsco river to bombard Ft. McHenry.

By a happy coincidence Francis Scott Key, a lawyer, not a poet, on board a British vessel witnessed the bombardment of Ft. McHenry thru the night and at early dawn saw the flag still proudly flying when he wrote that immortal song "The Star Spangled Banner" which all true Americans sing lustily the first verse while not one in a hundred knows the second and succeeding verses.

Marylanders have a right to feel proud of that song and its author. W. J. H.

#### YOUR FUTURE

The Associated Press recently carried a very interesting little story, based on information provided by Commerce Clearing House, an organization that is concerned with tax and business law.

According to the story, "If you are a 29-year-old average male, you can look forward to paying a minimum of \$34,700 in taxes by the time you are 65". This average 29-yearold earns \$4300 a year, and has a mortgaged home and two children. Of that \$34,700 tax bill almost half \_\$15,684\_will go for Federal income taxes. The rest will be levied In the form of real property taxes, social security, gasoline, state income, various excise and "luxury" taxes and so down the long list.

The \$34,700 figure, remember, is a minimum. No one can forecast the future with accuracy. If government goes on with the prodigal waste that has characterized it for a generation The ultimate tax bill for the 29-yearold average man and everyone else will be for higher. On top of that, more government-induced inflation will sharply reduce that purchasing power of what little money we have left after the tax collector gets through.

It is commonly argued that wars and the threat of more wars make these tremendous taxes inevitable. That's an easy alibi for the professional bureaucrats, but it won't hold water. The most thorough studies indicate that Federal spending for just the single current fiscal year could be cut by as much as \$10,000,-000,000 without affecting the de-Tense program in any way. Government is now the greatest squanderer of our money and resources and la-Bor-and you pay for it whether you're 29, 59 or 99.—Industrial News Review.

He said, 'There is no greater lie than that in June, 1950, American capitalism was in such a position that it wanted the Korean war. The war

was - undertaken because it 'backed the one positive thing that came out of the World War-the United Nations. I believe we have got to see it through."

CLAFLIN, KANSAS, CLARION: New Zealand and Australia have sold some of the government-owned businesses to private individuals or companies and are getting out of business as fast as possible. Every attempt at socialism in government has resulted in less production, lower

wages and higher taxes and prices'. So, too, when personal incentive and responsibility are removed from a people, that people suffers a moral col-

ATHENS, TEXAS, DAILY RE-VIEW: "An individual..knows to avoid fire-after having been burned. But the American government after dabbling time and again into economic controls and regulations of industry is coming back for more. And the next generation will be called upon for the salve."

BRIGHTON-PITTSFORD, N. Y. POST: "The British are finding that no one is holding the bag for them in their socialized state; that increased wages are simply increased taxes which they have to pay themselves to step up their wages.. Strikes in socialized states are strikes against themselves, which is why unions must disappear finally under full totalitarian rule.'

WILMINGTON, CALIF., PRESS-JOURNAL: "A change in government should do England a lot of good. The Laborities have failed in their Utopian schemes. It would take the Conservatives a long time to unsnarl some of the mess the Labor party has created. But to stop the march toward complete collectivization would be helpful, to reverse it would be still better."

#### Children Remember

Children remember more about motion pictures than adults, and for a longer length of time, according to tests reported by Childcraft books. Action is remembered best, especially when it is connected with types of activity that are familiar to the child. All children tend to accept as true everything seen in the movies, unless it is clearly shown to be false.

#### Home Ownership

More homes were owned by their occupants in 1950 than ever before in history, says the National Association of Home Builders. Owners totaled 19.5 million, or against 17.1 million units occupied by renters. This is an increase of 71 per cent in the last 10 years. Renter-occupied units increased by only 5 per cent in the same period.

Garages in Apartment Underground garages double as fenced-in play areas in a new garden type apartment project Roofs are covered with asphalt paving and playground equipment has been ordered for early installation. One of the areas is 140 by 326 feet; the other is 70 by 272 feet.

#### No-Flint Lighter

Flint-less cigar lighters use a thin wire of platinum, which, when exposed to the flammable vapors of the fluid, acts as a catalyst and speeds the reaction between these vapors and the air. It becomes heated to the ignition temperature and the vapors burst into flame.

#### PLAY PRESENTED

"Just an Old Fashioned Evening" was enjoyed by many who attended the first showing of the play last Thursday evening at the Dublin High School in Harford County which was written by Mrs. Irene De Leon Love. There were thirteen characters in the play and the story was of a couple who after twenty-five years of married life, celebrating their Silver Wedding anniversary had remained very much in love. There were nine daughters all named after Flowers which the fond parents called, "Their Flower Garden". An Old fashioned Grandmother took a leading character and was excellent. The attire was all of the 1950 period and there were 23 old songs which delighted the audience. The place was in Philadelphia on Rittenhouse Square in June of 1850. Mrs. Love took the part of the wife and the Mother of the "Flowers". All characters were of the church group and the furniture which was antique and for the living room scene was borrowed from the members. The stage setting was

most attractive. As "Home Sweet Home" was being played and sung in the Grand Finale and the curtains were slowly drawing to a close, Mrs. Love was much surprised for another curtain call when flowers were presented to her and a speech followed by one of the cast thanking her for all her

CHARLES O. CLEMSON Charles Orland Clemson, wellknown attorney and prominent citizen of Westminster, passed away on Saturday morning, Sept. 8, 1951, at his home there at the age of 76 years. He had been in ill health for some time and suffered a heart attack several days ago which hastened his death.

Among the folks from Harney who ttended the York Fair, Thursday, vere Mr. and Mrs. Phillip Mummert.

Mr. Clemson was born July 10th, 1875, in Frederick county, near Clemson ville, a son of Mary Elizabeth Clemson, and of the late Nicholas Hamilton Clemson. Mr. Clemson's ancestral family first settled in Languaghn Pack had as Saturday county. Page short 1856 1869 caster county, Pa., about 1656-1682. He attended public and private schools of Frederick county. He en-tered Millersville State Normal School and in due time enrolled in Western Maryland College, and graduated in 1898 with the degree of A. B. and three years later the A. M. degree was conferred upon him. He taught two years in the public schools of Frederick county, one year in the male high school at Frederick, and for three years was a member of the faculty of the Western Mary-

land College Preparatory school.

He read law with the late Chief
Judge William H. Thomas, Westminster, and was admitted to the Car roll county bar August 29, 1902. He was a member of the Carroll County Bar Association, the Maryland State Bar Association, the American Bar Association and the Commercial Law League. He was counsel to the Car-roll county Board of Education for about 20 years and served during the expansive high school building program. He was appointed auditor for the Circuit Court of Carroll county by the late Judge Thomas and was serving in that post at the time of his death. His political allegiance was with the Democratic party. He served as county chairman, about 1936, of the Civil Works Administration. He never held political office but was never too busy to give his aid in the furtherance of any movement for the development of the community at

large.

He was president of the alumni association of Western Maryland College in 1920 and visitor to the board of trustees in 1919, 1920 and 1921. He served as attorney for the board for a number of years. Mr. Clemson was a member of both the Maryland and the Carroll County Historical Societies. In his younger days he was an active member of the Westminster Fire Department and at the time of his death was an honorary member. He was a member of St. Paul's Reformed church, Westminster.

#### IN MEMORIAM In Memory of my husband and father, HOWARD E. NULL who passed away Sept. 17, 1949

Two years have passed since that sad day The one we loved was called away God took him home, it was his will But in our hearts he liveth still.

The world may change from year to year And friends from day to day, But never will the one we loved, From memory pass away.

We often sit and think of you, And speak of how you died, To think you could not say goodbye, Before you closed your eyes.

Past his suffering, past his pain, Cease to weep for tears in vain; He who suffered is at rest, Gone to heaven with the blest. HIS wife FLORENCE NULL and DAUGHTERS.

## THIS 'N' THAT

(Continued from First Page) without a dog? One can actually see

them think! If you have a double chin or one that is in the making, Ladies-whatever you do-discard sleeping with that pillow under your head! What is so amazing in September

is that beginning date of the school

day. It is all Maryland and yet there are so many different starting days to school throughout the State! Met a dear little aged lady who has a husband and one grown daughter who actually look after this lit-tle Mother at all times for her very comfort. Yet that little aged lady confided in me by stating that she is just "a lonely old soul!" Do you realy know what she meant. Folks? She

was hungry for love— just some one to tell her that he or she loved her. What is more lonely than an aged person? They are truly the ones we should love and express our love now and then for that makes them feel that they are living and truly wanted

wherever they may be. The one year, that Your Observer had "The House of Love" for Convalescents was one of the happiest years in my life time just doing for those dear aged people! Those patients named my home and it was registered just like that. Sometimes when you hear any individual say, "Oh—he, or she is cranky old man or woman"? There is a reason in back of it allperhaps there was nothing to make that aged man or woman happy—that you were not considerate of their feelings and!-oh-how they do have feelings-more than any one else in the world! The very next time you have such a thought about an aged man or woman just ask yourself if you have aided in any way to make them any different. God bless all of you dear people who have a few years upon your shoulders. I wish that I could take all of you in my arms at one time

end. Take that little elderly man or and Mrs. Wm. K. Flickinger, Jean and woman along with you. They desire to

# Purina's New Complete Ration Plans help get MORE EGGS from MODERN HENS

Most modern hens are bred to lay lots of eggs—200 to 250 a year. Yet many, many hens are not laying even near their bred-in capacity because of poor ration.

Many poultrymen are getting more of these eggs with the help of one of these feeding plans.

- 1. Purina Layena Checker-Etts-fed in open hoppers at all times.
- 2. When pullets are coming into production or in cases of unsatisfactory production or poor body condition, top feed new Purina Poultry Booster Checkers in place of Layena Checkers.

#### Churches Unite

Lesson for September 16, 1951

MORE THAN 200 different de-nominations of the Christian church exist in the United States alone. Several of these claim to be the one and only "true" church, but even those that do not make

has freedom and room for so many varieties of Christian faith. Has the Bible anything to say about this?

The Mother of All Churches

You will not find such words as "denomination" in the New Testament. Such words as Episcopalian, Lutheran, Baptist (referring to a church), Presbyterian, Mennonite, Roman Catholic, or other modern tags, are not to be found in the Scriptures. Scriptures.

All the same, our lesson passages give us some important suggestions. Luke tells how horrified the disciples were at discovering some one not of their own organization, doing good work in Jesus' name. They would have stopped him; but Jesus said, "He that is not against us is for us."

That is a good way to think about other Christian churches. The story in Acts 11 tells how churches in the earliest times helped one another in various ways. II Cor. 9 shows how the good example of one church can be a challenge to others to do still better.

As that Jerusalem meeting handed down a decision affecting many congregations and persons, so now the findings and decisions of great bodies of churches have a weight and an importance far beyond what might be said by single congregations. That council was the mother of all councils as the New Testament church was the mother of all churches.

#### All Christians Are Brothers

IN HIS first letter to that problemchurch of Corinth, their first pastor Paul urges the different parties in the church to remember bove all that they are Christ's people rather than any one's else. The name of Christ is far more important than any of our denominational labels.

In his letter to the Philippians Paul says an even more striking thing. 'I know that some are preaching Christ out of jealousy, to annoy me . . . but what does it mat-ter? The fact remains that Christ is being preached, whether sincerely or not, and that fact makes me

In America today we are be-ginning to catch the New Testament spirit. Taking the situation as a whole, there is more gettogether-ness than fly-apart-ness among the churches. Cooperation is taking many forms. Locally in communities, or in state - wide interdenominational associations, or on a national scale, churches are doing together what separate churches or denominations would find difficult or impossible.

Besides recent large mergers of denominations such as the union of Methodists north and south, the Evangelical United Brethren, the Evangelical and Reformed, and Congregational - Christian, there are many other groupings of like-minded churches, pooling their resources for evangelism, education, missionary work and many other purposes.

#### Message to the People

THE largest and most impressive get-togethers are the National Council of Churches of Christ in America which includes every large American denomination but two; and the great World Council of Churches with member-churches in every Christian land.

These words from the first message of the National Council to the people of America ring out the spirit of unity growing today: "This council has been constituted by 29 churches for the glory of God and the well-being of humanity. It manifests our oneness in Jesus Christ as divine Lord and Savior; his is the mandate we obey and his the power on which we rely. Our hope is in him. In him we see the solution of the world's ills. The Council itself is a demonstration of his power to unite his followers in joyous co-operation."

HE KNOWS THE IMPORTANCE OF PROPER SUPPORT FOR YOUR SPINE!

If you were to take Englander's history-making, X-ray photo (the first lifesize, one-shot X-ray of a living person ever made on a mattress and foundation) to him, he would note with approval that the spine is in natural position . . . properly, healthfully supported by the unique combination of the Englander mattress of Goodyear's Airfoam with Englander's special Red-Line Foundation. He would tell you as a leading Orthopedic Specialist told us, that "A study of this X-ray film indicates that with this combination of mattress & springs, a person can lie comfortably and without distortion of the head and neck, shoulders, torso, pelvis and extremities and completely supported at every point. It proves that he can be comfortable without tension or distortation."

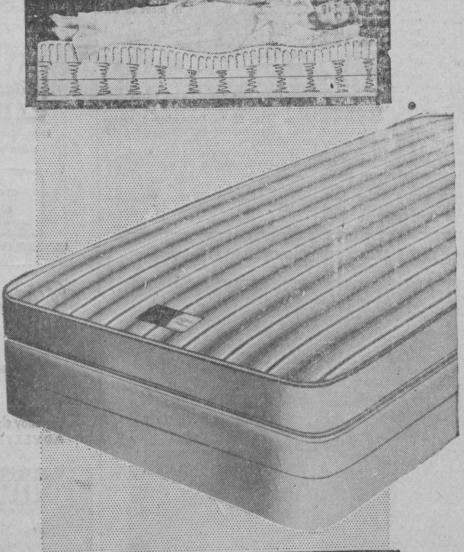

# When it comes to your ... you always health consult your doctor.

And that's precisely why Englander went to medical experts to prove its claims for its Airfoam Mattress and Red-Line Foundation. They worked for more than a year with leading orthopedic authorities and roentgenologists (X-ray experts) to perfect this X-ray evidence . . . so that they can now offer you positive proof that this ensemble provides the luxurious comfort and healthful support they've been telling you about.

# See Englander's X-ray Evidence

HETE NOW! The very first life-size, one-shot X-rays of a living human on a mattress or foundation. Here now, to help you make a scientific selection of sleep equipment. The X-rays show how the Airfoam Mattress conforms to your body contours, giving the blissful, buoyant comfort it's famed for ... while your spine is in its natural position as your doctor would recommend, firmly supported by the wonderful Red-Line foundation.

ONLY THE AIRFOAM MATTRESS and RED. LINE FOUNDATION give you this combination of luxurious comfort and healthful support, as evidenced by the cross-section diagram above. Come in now and see this Englander Airfoam ensemble. When you press down on it with your hand, you'll see and feel it mold itself to the pressure of your fingers, responding with a buoyant "uplift." Then check the X-rays. There, you'll see how the Englander Red - Line Foundation provides firm, healthful support. Its springs are joined only in the center by a flexible steel band. The upper half conforms to the contours of your body . . . the lower half gives firm, restful support.
