4-H CLUB WEEK

History of the Piney Creek Group

The first meeting of the Piney Creek 4-H Club was held at the Piney Creek Church of the Brethren in the first part of September. At this meeting parents, Mr. Allenburg, who is Asst. County Agent; Donald Bollinger, who is local leader and future club members were told about the opportunities of 4-H and what it offers. It was decided to hold the next meeting on Sept. 24, at Gunther's home for the purpose of electing officers and naming the club. Since most of the members live in the Piney Creek region, we named it Piney Creek 4-H. The election of officers resulted as follows: President, Donald Gunther; Vice-President, Romanus Haines; Secretary, Sandra Koons; Treasurer, David Gunther; Club Reporter, Mildred Bowling; Asst. Club Reporter, Lindora Forney. It was decided to hold the meeting on the fourth Wednesday of each month at the homes of the members. The by-laws and the slogan "Learn to do by Doing" were also agreed upon at this meeting.

The October meeting was held at Rinehart's with the topic of dues to discuss. Since the club was just organized and there were financial difficulties, we decided to make dues ten cents per month. A demonstration was given by Donald and David Gunther on how to keep and the importance of keeping record books. This point is also stressed at each meeting because it is important to keep records if in the future you want to try for a trip to Chicago. Members are also encouraged to keep their records up to date and bring their books along to each meeting for the local leader to check and also give any help that might be needed.

At the November meeting which was held at Forney's we made out the program for the coming year. The meeting is at the home of a member whenever it is suitable for their demonstration, which each member is required to have.

The next two meetings in January and February were held at Gunther's and Rinehart's. At the January meeting Mr. Allenburg explained the chicken of tomorrow contest and also the tractor maintenance contest and tried to encourage many to take part in them. A demonstration on how to make a rope halter was given by Donald Gunther and one on how to make a calf blanket was given by David Gunther. At the February meeting the main topic was the fitting and showing of a dairy animal. Two representatives from the McMillen Feed Company also gave many pointers which I am sure will help the members.

We now have a total of thirteen members and we hope that in the near future we can encourage more to join. Since this is National 4-H week we hope this article will encourage more to join 4-H's no matter where it may be. The members are: Donald, David and Douglas Gunther, Edward and Sandra Koons, Harwood Tydings, Lindora and Veronica Forney, Melvin and Mildred Bowling, Romanus Haines and Barbara and John Rinehart.

OBSERVANCE OF 4-H CLUB WEEK BY LOCAL 4-H CLUB

The Taneytown Agri. 4-H Club was formed in 1940. The club was then called Taneytown Boys 4-H Club. It was started with 5 boys. In 1943 a girl then joined and it was then called Taneytown Agri. 4-H Club. The club now has an enrollment of 23 members. When the club was started to raise money they chanced off a turkey before Christmas, and collecting dues at their monthly meetings.

In 1950 we held a bake sale, skating party and sponsored a public square dance in our community to raise money to purchase a camera and projector, a project we have been working on for the past two years. We purchased the camera prior to the spring fat hog show and since that time we have taken a number of pictures which included pictures of each members projects and club tours.

Yearly our club attends rural youth Sunday. The club attends a church in the community, and places flowers in the altar vase. We also help put on a 4-H vesper service which is held yearly in one of the community churches. In 1948 older members helped start some new members in our club, since they did not have a project a "pig ring" was formed in the club. There were five purebred sow pigs which were given to these new members.

Since 1948, the club has won high awards and also individual awards. In 1949 two club members were awarded a trip to Chicago. The club also in 1949 won a mallet for county achievement. In 1950 won a state of Md. achievement trophy and also the county achievement award. 1951 and 52 also the county achievement award.

1946, 1947, 1948 and 1949 three of our club members made up the county livestock judging team for judging at the State Fair.

Our Club assisted the county extension agents in preparing for our county 4-H fair. There were about ten of the club members that exhibited at the county fair when it was first started, again 1952 there were 18 who exhibited their projects.

Last year the club took part in a community Farm Bureau program, when our club put on a little skit to entertain the group.

GRACE CHURCH BROTHERHOOD DINE

Father-Son Night Held Monday Evening

On Monday evening at 7 o'clock 78 grandfathers, fathers and sons composed of 45 men of the congregation with 15 small sons and 18 guests met for the Churchmen's Brotherhood annual Father and Son Banquet in Grace Evangelical and Reformed church social room which was beautifully decorated with the St. Patrick's Day theme.

Following the invocation and the grace offered by the minister, Rev. Morgan Andreas, all those present ate heartily of the banquet meal which had been prepared by the Women's Guild and which was served "home style" by the Hustler's Class. The deliciously tasty meal consisted of tomato juice, baked ham, creamed-parsley potatoes, string beans, cole slaw, apple sauce, rolls, celery, rose-bud radishes, cake and ice cream.

There was a brief period of fellowship during which time the group sang a number of get-together social (Continued on eighth page)

KEYSVILLE MISSIONERS MEET

The Keysville Evan. Lutheran Missionary Society opened its regular meeting on Tuesday evening by singing "Christ for the World." The scripture lesson, Psalm 67 and Matthew 13:1-9 was read by Mrs. Luther Keeney, and prayer was offered by Mrs. Charles Trout, leader for the evening.

A cornet solo, "The Bells of St. Mary's" was ably rendered by little Eddie Simmons, followed by an instrumental duet, "The Two Little Stars" by Bobby and Eddie Simmons accompanied at the piano by their mother, Mrs. Robert Simmons.

Mrs. Trout introduced the topic, "Meet Our Staff in Liberia" and Mrs. Keeney gave us a geographical description of the seven Mission fields we were to visit. Then Mrs. Trout took us on an imaginary trip to meet our staff and to call our attention to the slow progress being made in these different mission fields, and also gave us some insight into some of the experiences one has in traveling in a strange land. One of the highlights of the trip was the visit with Dr. and Mrs. Sandler, Norma Bloomquist, and Helen Lawson at the Muhlenberg field. Mrs. Trout's description was so realistic that we all felt that we had actually visited our workers in far off Liberia.

Eddie Simmons played another cornet solo, "The Lord's Command", and then we were favored with another trumpet and cornet duet of a series of hymns by Bobby and Eddie Simmons, accompanied by their mother. We all enjoyed having the Simmons family with us and hope that they will bring their talent to one of our meetings soon again. The meeting closed with the hymn, "O Zion Haste".

The vice president, Mrs. Carroll Dougherty, conducted the usual business meeting. Mrs. Mary Devilliss reminded us of the Mission Study Class on March 21st from 10 a. m. to 3 p. m. It was decided to hold a covered dish social with our meeting for April.

KIWANIS NEWS

The Kiwanis Club of Taneytown met Wednesday evening at Taney Inn with President Norman Graham presiding. Prayer was offered by Rev. M. S. Reifsnider. Group singing led by David Smith with Mrs. Wallace Yingling as piano accompanist was enjoyed by all present.

Mr. Levitt, of Baltimore was the guest of Robert Smith.

Following the dinner those present entered into committee planning for the year 1953.

Next Wednesday evening the club will journey to Hagerstown and join in an Inter-Club Divisional meeting. The festivities will be held in the Alexander Hotel beginning at 6:30 p. m. The members of Taneytown Club will be unable to attend this meeting as they have a round table conference at Taney Inn.

Elwood Baumgardner read two invitations from the Westminster and Annapolis Clubs to attend their charter night on March 24. This also happens to be the night of the Lions Club Feed in Taneytown.

Harry Mohney reported the success of the recent drive for money and clothing for the sufferers in the flood disaster in The Netherlands.

FRIENDSHIP CLASS MEETS

The "Friendship Class" of Grace E. and R. church met at the home of Mrs. Lloyd Lambert, March 10. 7 members and one visitor present. The meeting opened by singing "I Love to Tell the Story". Scripture was read by Mrs. Beall. Mrs. Carel Frock led in prayer.

The business meeting was in charge of the president. Minutes of past meeting were read and approved. We held a food sale on March 7, which was very successful. We decided to hold our meeting every two months in place of every month. The next meeting will be held at the home of Mrs. Beall, May 12th. The meeting was then adjourned. Then a social period was enjoyed by all. Refreshments were served by the hostess.

BLOOD QUOTA

Union Bridge is Third in Carroll County in Giving

The visit of the Defense Bloodmobile at the Union Bridge Firemen's Social Hall on March 9 was a complete success, producing 173 pints of blood from 192 persons who came as donors; a comfortable margin over the hoped for quota of 150 pints. This record has been surpassed only twice in the county—once with 175 pints at Western Maryland College and once with 179 pints at Westminster.

There were several interesting points about the visit: though many donors came from neighboring communities, the majority were persons either living or employed in Union Bridge itself; a higher percentage than usual of the women working all day as volunteers, and I mean working, went through as donors, and there was greater support than ever before from the colored members of the town, who turned out in gratifying force as donors. This all adds up to a picture of what happens when a community works as a whole for a project, not only the volunteers interested in its success, but also the business, shops and plants, all of which, without exception, allowed donors time off. One business, Yingling Brothers Slaughter House, turned out one hundred per cent, all employees except those on the road. The bloodmobile has always met with cooperation and interest throughout Carroll County, but we feel Union Bridge is a shining example!

Our greatest thanks go to Mrs. Louis Crumpacker who not only had the responsibility of making all arrangements, but who also worked indefatigably in securing donors; and was a donor herself. We wish to thank the Union Bridge Volunteer Fire Company for the very generous use of their hall, the mayor, Dr. Legg for his interest and cooperation, and the many men and women who assisted Mrs. Crumpacker so ably.

FIREMEN'S AUXILIARY MEETS

The regular monthly meeting of the Firemen's Auxiliary met last evening in the fire hall. The president, Mrs. Ethel Garber presided. America was sung and scripture was read by the Chaplain, followed by prayer. There was roll-call, and the minutes of the last meeting were read by the secretary, Mrs. Riffe. It was voted to donate \$5.00 to the Red Cross. It was brought to the Auxiliary's attention for the need of sides on the hospital bed, and was voted to get them.

Reports were given by the Ways and Means committee and Sunshine committee.

The money in the birthday jar was put in the Sunshine Fund which will be used to buy fruit, flowers and cards for the shut-ins.

Mrs. Ruth Baumgardner was appointed chairman for the county convention. Mrs. Louise Riffe, Mrs. Ruth Anna Kiser and Mrs. Thelma Frock were also named. The convention will be held here this year.

Mrs. Grace Rodgers was nominated for color bearer for the State Convention to be held at Ocean City in June.

An executive meeting will be held in Westminster on Wednesday evening, April 15, three members to attend.

Delegates for the County and State Convention were nominated: Mrs. Ethel Garber, Mrs. Grace Rodgers, Mrs. Percy Putman, Mrs. Maude Shildt, Mrs. Carrie Austin, Mrs. Besie Dougherty, Mrs. LaRaine Dupel, Mrs. Edith Derr, Miss Emma Reifsnider and Mrs. Mary Baker.

April 4th is the date set for the bake sale. Mrs. Percy Putman, Chm., Mrs. Robert Cingman, Mrs. Elizabeth Hawk, Mrs. Dorothy Eckenrode, Mrs. Ethel Harman, Mrs. Carrie Austin, Mrs. Mae Perry, Mrs. Nellie Lambert, Mrs. David Smith and Mrs. Albert Smith.

The social committee for April is Mrs. Ruth Anna Kiser, Mrs. Elizabeth Hawk, Mrs. Hope Kidd, Mrs. Elwood Baumgardner, Mrs. Edith Derr, Mrs. Wilbert Hess and Mrs. Carrie Bankard.

Happy birthday was sung to several members who had birthdays. Also the Auxiliary presented Mrs. Percy Putman a lovely gift as a remembrance of her 40th wedding anniversary.

The meeting closed with the Lord's Prayer. A big party was held after the meeting, and refreshments were served by the committee.

The ship is conducting intensive training in anti-submarine warfare, anti-aircraft and shore bombardment gunnery, and seamanship before returning to her home port of Norfolk, Va., the end of the month.

BOND ISSUE BILL FOR TANEYTOWN

Presented to Legislature by Senator Hoff

A Bill has been introduced in the Senate providing authority in the Mayor and Council of Taneytown to issue \$500,000.00 in bonds to provide funds for the construction of a sewage system in Taneytown.

The Bill provides for a referendum. This matter was submitted to the voters of Taneytown two years ago and was defeated. It is being reintroduced this session at the request of the Town authorities.

Trash in Highways

Members of the Legislature are all agreed that something should be done to preserve the appearance of our highways and to prevent them from becoming dumping grounds for beer bottles, oil cans, newspapers, and other forms of trash and litter. The members do not agree upon the method of accomplishing this desirable end.

One group has introduced a bill to outlaw the sale of beer in the so-called "non-returnable" bottles. These bottles do cause a serious condition in addition to the hazard of punctured tires they endanger the livestock of those owning roadside farms. This bill, however, is only a partial solution to this growing problem.

Another Bill has been introduced to increase the penalties for throwing trash on the highways. The present law provides for a \$5 to \$50 fine or a 30 to 90 day jail sentence for "throwing or depositing any trash, junk or other refuse upon any public highway." The weakness of this law is in its difficulty to catch the persons violating this law.

Several years ago the Legislature made it a misdemeanor to load trucks so carelessly that the contents can spill or fall in the highways. This law has had only limited effect.

What is the solution to this problem?

Driving Instruction in Schools

W. W. Meyers, a Delegate from Baltimore City, has introduced a Bill requiring every high school student to take a 30-hour course in the operation of motor vehicles. There is no doubt that this Bill has considerable merit, particularly in view of the fact that drivers between the ages of 16 and 25 have, by far, highest accident rate.

Some of our public schools for years have conducted classes in driving instruction and it is reported that the results have been beneficial.

Franklin District Movies

A Bill is being prepared that will submit to the voters of Franklin District the question of whether Sunday Movies will be permitted in the District.

An outdoor movie theater is to be constructed near Taylorsville and the Bill is being introduced at the request of the operators of the theater.

The special election in Franklin District will be held on the second Monday in June of this year. The theater operators have agreed to reimburse the county for the expense of conducting the election.

CHORUS BANQUET

The Trinity Lutheran Brotherhood Male Chorus of Taneytown held their annual fried chicken banquet at the Lutheran Parish Hall in Harney, Md., on Monday evening of this week. The meal was very ably served by the Ladies' Aid Society of St. Paul's Lutheran Church, of Harney, and they are to be highly praised for the very tasty fried chicken prepared with all its trimmings.

After the meal we were led in group singing by our director, Mr. R. Henry Ackley, of Hanover, Pa. The president of the chorus and toastmaster of the evening, James Fair, then had charge for the remainder of the evening and presented quite a fine program arranged by Harry Dougherty, Wilbert Hess and Gregg Kiser, members of the program committee. Mrs. Betty Miller, choir director of Trinity Lutheran Church, rendered several fine solos and Mrs. Marie Wagner gave a humorous reading.

After the meal, President of the Henry Reindollar, President of the Trinity Lutheran Brotherhood, made several remarks. James Fair left us in the "know" about some of the happenings of the chorus members which proved rather embarrassing and also interesting. The dinner arrangements were in charge of Mr. David Hess. After a very enjoyable evening everyone departed looking forward to the banquet next year.

The officers of the Trinity Lutheran Brotherhood Male Chorus for the year 1953 are: President, James Fair; Vice-President, Herbert Bowers; Secretary and Treasurer, George Naylor, Jr., and Librarian, Elwood Harner.

KEYSVILLE LUTHERAN C. E. SOCIETY TO SPONSOR PARISH CHOR

The Uniontown Lutheran Parish choir will sing at Keysville Lutheran church, Palm Sunday evening, March 29, at 7:30 p. m., under direction of Mrs. Blaine Broadwater, of Union Bridge. Mrs. Gerald Lightner, organist. This choir of 45 voices comes highly recommended.

Speaker, Pastor Dixon A. Yaste, Union Bridge, and leader, Mrs. Carroll Dougherty, Detour, will discuss the C. E. topic, "A Crucified Savior". The president, Mrs. Roy B. Kiser extends a cordial invitation to the public to attend this service of inspiration for Adults and Youth.

THIS 'N' THAT (Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Although the month of March is a changeable one as to weather, Spring must be just around the corner as "Caruso" is singing as though his little throat would burst! (as I type this column).

As to the country in any county there is a sort of feeling that Spring is really very close and especially did it seem just that way driving toward Carroll county viewing the beautiful scenery of hills and pastures. It was as though I had been away on a trip and I was really going home! It was nice to see the folks around the town again. So many changes have been made in such a short time.

What a wise Dr. to move his office (Continued from 4th Page)

PRESENTS SENIOR RECITAL

Miss Marian Martin formerly of Taneytown, presented her Senior Recital in piano at Levine Hall, Tuesday evening, before an audience of over 200 including friends from Taneytown and Westminster. Miss Martin played from memory fourteen selections including Beethoven's "Waldstein or Sonata Op. 57", "Polonaise in C Minor" by Chopin, and "Prelude and Fugue in C Minor" by Bach.

During her four years at Western Md. College, Marian who is majoring in both Piano and Public School music, has served as Pianist for the College Symphony Orchestra, accompanist for the Girls Glee Club, Organist for the Sunday School and is also a member of the College choir.

Although Miss Martin plans to enter the teaching field after graduation, the evening of her Recital also marked the announcement of her engagement to John Howard Maryland College, and son of Mr. and Mrs. Howard M. Hall, of Philadelphia. The wedding has been planned for June 1st.

GRACE C. E. MEETS

The Christian Endeavor Society of Grace Reformed church met Sunday evening with Miss Hilda Reaver as leader. The meeting was opened with a piano solo by Allen Baumgardner, followed by the group singing the Day is Dying in the West; vocal solo by Dennie Baumgardner accompanied by his mother, Mrs. Murray Baumgardner at the piano; Miss Helen Bankard read the scripture followed by in union of the Lord's Prayer and hymn, Holy, Holy, Holy, Lord God Almighty; Roland Reaver gave the summary of the scripture lesson; Mrs. Leonard Reifsnider and son, David played an instrumental duet, Holy City, Miss Margaret Shreeve, Mr. and Mrs. Harry Mohney, Mrs. Murray Baumgardner; Rev. Andreas and Edward Reid discussed the topic, "Know God Better" through worship, "My Jesus I Love Thee" and "Open My Eyes" were the closing hymns. Dennie Baumgardner lifted the offering. These meetings seem to grow better. The public is invited to the meetings as well as all members of the church.

HISTORICAL SOCIETY MEETS

Members of the Historical Society met at the home of the Misses Amelia and Elizabeth Annan, Monday, March 9th. The various committee chairmen reported on the progress being made for the Carroll county meeting to be held in Taneytown, June 25, in the High School auditorium. It promises to be a most interesting and very unique evening.

All kinds of old boxes will be on exhibition. Will you help make this a success by sharing some of those beautiful and unusual old boxes you have stored away for keepsakes? You may contact Miss Beulah Englar, the chairman of exhibitions.

The meeting was climaxed by a surprise birthday celebration for Lloyd Wilhide. All of the members were happy to partake of the refreshments furnished by Mrs. Lloyd Wilhide. Mrs. John Harner, Jr., assisted by the Misses Annan, and Mrs. Elwood Baumgardner did an excellent job of serving. We are most grateful to Mrs. Wilhide for her unselfishness of having us share the occasion with them.

GRASS ROOTS OPINION

LONG PRAIRIE, MINN., LEADER: "Federal aid to schools is bad for two reasons in particular: 1. Federal aid to schools would mean eventual Federal control of education. 2. Federal aid is not necessary. There is not a state in the union that is not better able to support its schools than is the federal government to take on the new burden. The total debt of all the 48 states is less than \$24,000,000,000. The debt of the federal government is now in excess of \$265,000,000,000."

KNOXVILLE, IOWA, EXPRESS: "When the unions become political parties instead of organizations for the worker's welfare then the benefits that could be gained turn into loss of work for the laborer and loss of production for the nation as a whole."

WATERBORO, S. C., PRESS and STANDARD: "Too many of the elected representatives of the people have forgotten one true fact—the power to tax is the power to destroy."

VIRGINIA, MINN., MESABI DAILY NEWS: "The mills of the gods may grind slowly, but the output of government press agents flows as a torrent."

Say Goodbye to Washday BENDS

Poor old-fashioned housewife! Up and Down. Up and Down. 17,000 times a year. Bending, lifting, pinning wet, heavy clothes on clothes lines each washday.

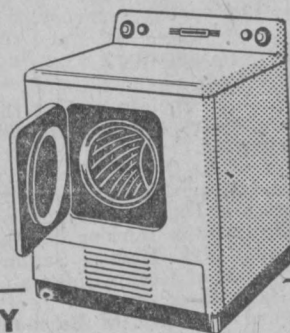

And those cries of "Oh, My Achin' Back" are so unnecessary now that modern electric dryers have banished Washday Bends forever.

Mrs. 1953 merely whisks clothes from washer to dryer, then sits back and takes it easy. In no time at all, clothes are just-right damp for ironing or fluffly dry for putting away.

If you're singing the Achin' Back Blues, you'll change your tune to "Happy Washdays Are Here Again" when an electric dryer is doing the work right inside your home.

And don't forget—"Stormy Weather" is just a song and not a worry to those who have an electric dryer. Rain or wind, sleet or snow, clothes are dried sunshine fresh with an electric dryer.

Get rid of Washday Bends—see the modern electric dryers now at your nearest electrical appliance store.

FEESBURG

All of us use pencils, but how many know what is "lead" in pencils. In modern crayons and pencils, the lead is natural graphite mixed with clay to give it the desired degree of hardness. Graphite is one of the softest of minerals and alone would not be of much use. Pencil cores are made by mixing graphite and clay together, pressing the mixture into strings under tremendous pressure, and then straightening, drying and burning them under a high temperature. Graphite resists union with other minerals even at high temperatures and has many industrial uses.

BVS stands for Brethren Volunteer Service and is an organization sponsored by the Brethren church. BVS is made up of the younger group of their Brethren who give one year of their lives in the service of others. They are given \$7.50 a month in money plus room and board. After undergoing two months' training at New Windsor, Md., they are sent to different parts of the U. S. for service work. The BVS provides nursing work, recreation and social service to the community they serve. There are between 20 and 25 BVS operations going on constantly in the U. S., Greece, Germany and Puerto Rico.

The Union Bridge Brethren Church is represented by one BVS volunteer at the Pahokee Housing camp in Florida. She is Miss Virginia Kubit, age 19, the daughter of Mr. and Mrs. Ralph Gordon, of Blue Ridge Summit, Pa.

One can think of no finer way to teach young people the responsibility to others or to instill in their minds the fact that each individual is responsible for his brother than in this one year of volunteer service to the church and to a community. The Brethrens offer projects include a student exchange with countries abroad, the internationally known heifer program, resettlement and material aid.

It is this writer's opinion that churches should take a more realistic approach to man's social and economic problems than they have so far been doing. Just as it is true that man needs more than material things, it is also true that he needs more at times from the church than philosophy.

Spring came to Merry Knoll last week when Jake and Jenny came back from their winter home in the South. Jake and Jenny are the two doves that have made their home and raised many families during the past five years in a pine tree on the lawn. This is really Jenny the second for last year the first Jenny was killed by Thomas, the Persian cat. That was a sad time around the farm. We loved both Jenny and Thomas and we didn't know what to do with Thomas after he had murdered Jenny. Jake solved the problem for everyone. He mourned two days for Jenny as did we all. But the third day when we looked for him he had taken another wife. On the following day he and Jenny the second were busy with their nest and starting life over again. We forgave Thomas, as there wasn't anything else to do.

Farmers of Maryland should feel a glow of pride well up in their breast when they read that twenty-one of the State's 23 counties rank among the top 100 in the Nation in one or more categories of farm production. Counties on the Eastern shore were cited for tobacco, central counties for sweet corn and western counties for orchard crops and dairy products.

A flower show is a refreshing sight any time but doubly so at this time of year when the outside is still bleak and cold. The one held in Washington last week was an inspiring sight to behold and was also something different to talk about. One grows so weary at times of hearing about "critical days" and "unbalanced budgets" that it is a relief to one's mind to be able to talk about something so lovely and so simple as a rose.

Miss Margaret Roelke is spending a week with her brothers Millard and Paul at Mt. Union.

The only difference between women drivers and men drivers is that women get blamed for it.

Reading the classified ad section of any newspaper can be both entertaining and educational. Take for instance the "lost and found column." There are plenty of lost but only an occasional found. This could prove one of two things. People are dishonest or too busy to return things they find. The ad section also tells you that men no longer like farm work, that apartments and houses are not as scarce as they use to be; that anyone that can peck at a typewriter with one finger can pick up a job as a secretary and that anyone with selling ability can make money. There are so many people willing to loan you money, sell you a milk coat for the price of skunk or deliver to your door any make of car from a Ford to a Packard for a small down payment. Yes, the ad section is a dreamer's paradise until you answer some of them and learn the facts of life.

A woman's advice isn't worth very much but he that refuses to accept it is a fool. Anon.

LETTER FROM A MAN IN THE SERVICE

Camp Gordon
March 10, 1953
Tuesday 1:30 p. m.

Dear Mr. Stonesifer:

I wish to thank you very much for sending me The Carroll Record. I certainly do appreciate reading the hometown news. Thank you very much.

At the present time I am in the hospital here at Gordon. The doctor told me there is nothing too serious wrong with me. I came in here after I completed my first week of Basic Training. I have been in here for 43 days.

The weather has been very warm down here, especially over the weekend, temperature was about 75 degrees. Today the sun is covered by cloudiness and it is somewhat cooler.

I certainly wish I was back in Taneytown right now. I would not trade Taneytown for all of Georgia. But it isn't bad being here in the hospital.

Tell The Carroll Record employees I said hello, and I send my regards.

Yours truly,

Richard Koontz
P. S. Thanks again for sending The Carroll Record. I certainly do appreciate it. The mail service is very good from Taneytown to Gordon. It only takes 3 days for the paper to arrive here at the hospital.

Hope to hear from you.

Yours truly,

HARNEY 4-H ACTIVITIES

In observance of National 4-H Club week this year the Harney 4-H Club held a regular 4-H meeting, March 10, in the Harney Theatre for which there were parents and friends present.

The president, Albert Angell presided by telling what the purpose of the meeting was for. Then the business meeting was opened by repeating the 4-H pledge followed by the roll-call which was to name a bird. The readings of the last meeting were read and approved. The old business was to start a new pig ring going and to start a new pig ring sponsored by the club. Jack McGlaughlin and Robert Rock led the group in a discussion on "Fire Hazards on the Farm." The business meeting was then adjourned. A skit was put on by a few of the club members. Refreshments were served to all.

CARL WEANT, Club Reporter.

THIS 'N' THAT

(Continued from First Page)

On Frederick St. The exterior appeared up to the minute and I was sorry that I did not have more time so as I could have entered. (Next time).

All the stores should give their property the 'new look' both inside and out. As for "Doc"—well it could not be any nicer in the big city!

On Washington's birthday down on Howard Street there was a big sign in a window which read "Just a George Washington Birthday Event"—believe it or not, folks there were fur coats—yes—everyone in the window for \$25.00 apiece. The two owners of Harp's were placing the coats in the window and Your Observer smiled and motioned to bring out one of the coats (to which I pointed in the store window) so as I could examine it and write about that sale in this column.

What a glamorous affair it was and just the thing for the summer evenings along the Boardwalk. That sale was truly a legitimate one. Of course, it was Rabbit but the wealthy woman could have done wonders with it! And I think you know just what I mean.

The Rivoli theatre of years ago is now being torn down. I recall when that was built when first I visited that old Baltimore town. It was a first class movie house with the finest of pictures and more expensive to enter than the other movie houses.

It is wonderful the array of Costume jewelry these days and no two pieces alike. Be sure of your selection to go with your Easter finery.

It's in the bag! Down in the May Company there were cards tied in a plastic bag for 98 cents—50 of them!

Word comes from Temple City, California that the 9th Annual Festival Camelia Parade was viewed by 50,000 on Feb. 14 and it was the most glamorous affair with its symphony of floral floats which lasted two hours.

Those awful Maternity Shirts for men of which I wrote in a previous column surely must have come from the Chinese apparel! Eh? Their exclusive style all down through the ages!

Isn't too late, Ladies to have your old fur coat made into a glamorous cape. Mr. Sidney Winkler on Saratoga Street right near Park Ave. knows just how if you ask me. He was formerly the buyer for Hosiery Kohn and Co.

Whatever you do, go down and see the exact replica of the Coach and horses and the Footmen in Stewart's window plus the Crown and all made of sugar by the Confectioner on the Queen Mary! (For the June Coronation).

Now, comes a new one for the "TEENAGER" and a real laugh—"DOG COLLARS" are to be worn on one of the socks to be up to the minute! What next?

Ladies, several days a week omit the Nail-Polish and then you can take care of your nails much better. It sort of gives them a much needed rest from being dressed up all the time.

Well, there were many laughs about our former President being a lover of good music and playing the piano. Now, comes the knowledge to the public of our President having talent for painting. Will that be a funny story eventually, too?

Now, is this a funny story for a laugh! A group of women stated that since the Eisenhower's have been in the White House that no drinks are being served and with only one exception which were served by a mistake of a maid who had served the former Presidents and the many guests! Your Observer said, "I am from Missouri!" What say you?

Last week, I attended a grand Opening and Reception of The General Plumbing Supply Company at 1829 Edison Highway. It is a most glamorous show room with all their latest products. Everything for the home but the furniture! The up-to-date bath tub has a seat of the same material of porcelain with your desired color for those who enjoy bathing their feet! The entire room with the huge show windows were filled with all kinds of beautiful flowers from the many friends. A grand catered buffet luncheon was served to the guests. The location means just this; that the Plumber can park behind the building with the greatest of ease. The HUMANITY'S BENEFACTOR.

I read and I pass it on to you about your plumber—"When a grateful poster searches the dimming past to learn who has best served humanity or who more than great statesman or mighty emperor advanced the cause of civilization; let it fail not to remember what it owes him whose toil of head and hand forever banished pestilence from the land, and who with munificent liberality bestowed on high low the benevolent product of this creative skill—THE PLUMBER!" See you next week D.V. So long. Have a grand week-end and as we drive through the country and pass the beautiful old farm house, we can realize that it was the plumber who made it modern in every degree bringing that part of the city to the country!

Faithfully,
YOUR OBSERVER.

ANNUAL LICENSE PLATE RUSH IS DUE, AAA OFFICIAL CAUTIONS

The big rush is on here and elsewhere in the nation as most of America's 62,000,000 motorists attempt to get under imminent deadlines for license plate renewals, the Automobile Club of Maryland said here recently.

Locally, according to Mr. Robert L. Leese, manager of the Automobile Club of Maryland, car owners have until March 31st to secure their new tags. Mr. Leese added his club already has handled 842 requests for members, with requests expected to continue flooding in until the last minute.

As usual, Mr. Leese commented, "many motorists will put off applying for their plates until almost the zero hour, and it makes it a little hard on both our club personnel and employees of the Department of Motor Vehicles."

"With this in mind," he added, "we urge Maryland's motorists to take care of renewing their license plates as early as possible, to assure having them by the 1952 plates' expiration date."

Many producers using Beacon's Broiler Feeding Pro-
grams tell us their birds average from 3 pounds and over
at 10 weeks. They also report a pound of meat on less
than 3 pounds of feed is not at all unusual... in fact,
some say they get as low as 2.6 lbs.!

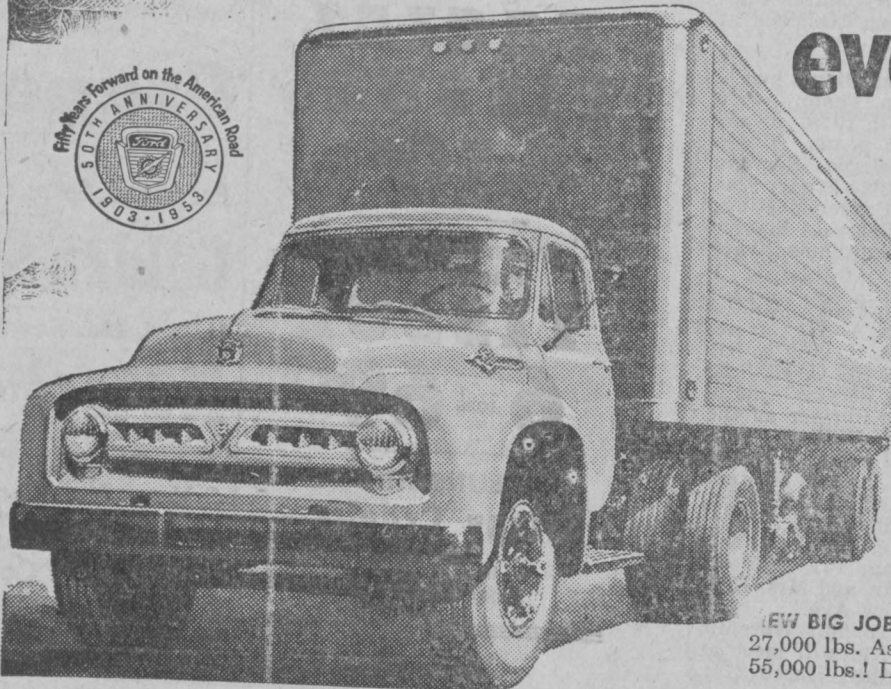

Let us prove that you, too, can get similar economical
results. Next time you're in town, stop in and we'll talk
it over.

Accountable to God

Lesson for March 15, 1953

WE all know that "responsible" is a good word, even if we might have a hard time saying exactly what it means. A person feels responsible when he knows that it's up to him to make good, and knows that some one will have the right to ask him: What about it? Somebody knows about this job I am doing, somebody cares, so I will have to give him an account of what I have done. I shall have to satisfy him that I have done my best. If I fail, he will lay me out for it. If I succeed, he will praise me and see that I get my reward.

The Irresponsible

People shift into grades, just as peas or potatoes do, only not on the basis of size. People can be graded according to their sense of responsibility. At the bottom of the human heap are the irresponsible. This doesn't include babies and idiots, who can't help it. The irresponsible who really cause trouble in the world are the people who ought to be responsible, but aren't. They can't be depended on to do any job well, or at all. They never hold any job long. They have no pride in their work, no self-respect. They never carry their end of the log, they neither work nor worry, and they are no good.

Some distance above the irresponsible type are those who will give an accounting only to themselves. They don't like supervision, they don't like to ask if what they are doing satisfies anybody but themselves. They don't want their work or their lives inspected. If they suit themselves that is all they ask. Such persons make good artists, but they are too often undependable and antisocial, because they just don't care what other people think. It is a childish attitude, after all. We all go through this stage; but if we don't pass beyond it we really cannot call ourselves grown up.

"Is He Well Liked?"

On a higher level are those whose "boss" is popular opinion. Willy, in "The Death of a Salesman," keeps asking the same two questions about everybody. "Is he liked?" and "Is he well liked?" Willy would feel the world caving in on him if he could not say "yes" to both questions about himself. One thing that makes "Death of a Salesman" one of the most moving tragedies of our time, is that Willy finds out, too late, that a man can be well liked and still a failure. Popular opinion makes a poor boss.

Above Willy's level are those who feel accountable, not to everybody and anybody, but to the "best people." If they can satisfy a small but select group they are quite contented. If such a person is an artist, he will crave a good word from perhaps just one discriminating critic. If he is a legislator, he will receive special gifts from special people and he will vote to please those people. These persons may have high standards (it depends on the kind of people they try to please) but they do not often serve the public well, just because they really don't care for the public nor for what people may think.

To God Alone

There is, after all, one final Judge. There is One whom all men are responsible, to whom we must give an account of ourselves. At the very top grade of humanity are those whose heart's deep prayer is to be pleasing to God. This is the highest form that responsibility can take.

Now this need not be in conflict with accountability to man. Only a stupid hired man would say to the farmer: "I don't care whether you like the way I handle the tractor. I'm working to please God, not you." A person who will not do his best on his job is not likely to please the Lord. Nevertheless, in the long run, it is God's voice we shall all have to hear, and his verdict is what will count. And as Jesus so vividly prophesied, the thing God wants most to inquire about is how we treated our fellow-men.

Humanity is everybody's business. No matter how well we may please our various bosses in this world, or how well we do our particular jobs, we shall not be a success, after all, if we have failed in God's eyes.

Dr. Foreman

REGULAR MEETING OF BOARD OF EDUCATION

Reports Work Begun at Sykesville School

The regular meeting of the Carroll County Board of Education was held on March 3, 1953 with President Clyde L. Hesson, presiding. The Board considered the minutes of the February meeting and the bills which were submitted for approval and after consideration were approved.

The Board was advised that building operations had been started at the Sykesville location and that progress on this project depended on good weather and on the availability of labor and materials. It is hoped that much of the foundation work can be accomplished during the Spring months so that masonry and other construction can go on rapidly during good weather. It is further hoped that the interior changes in the existing school building can be accomplished during the summer of 1953.

The Board considered further the progress that had been made in affording publicity to the school building program and other problems connected with the administration of schools in 1953-54. It was noted that the newspapers in the county had given much needed publicity to the news releases of the Carroll County Board of Education, and an expression of appreciation to the editors was indicated.

The Board considered the report of the superintendent on the results of recent professional meetings both on the school and county level. The Board was advised regarding proposed legislation now under consideration in the Maryland General Assembly, and the effect of the various pieces of legislation was explained. It was reported that the County-wide clothing collection under the auspices of THE SAVE THE CHILDREN FEDERATION had been planned and that present plans called for the actual collection of clothing to be made on the dates, April 8, 9, 10. On these dates county school children will be asked to bring to school discarded items of clothing for children and adults. The clothing will be packed in bags at the schools and will be shipped through county sources to the headquarters of SAVE THE CHILDREN FEDERATION. It is hoped that the response to this appeal will be liberal.

The superintendent reported on the sale of the portable school building formerly located on the Sykesville school grounds, and on the plan for the removal of certain electric lighting poles located on the site of the new building at Sykesville.

The Board was given information regarding changes in the requirements regarding summer school attendance by teachers and the plans for teachers' conferences and teachers' institutes which may be included for 1953-54. Further information was given to the Board regarding the planning of the Spelling Contest under the auspices of the Baltimore Sunpapers. The Board also noted the arrangements of the holding of a State Scholarship examination for various state colleges, these examinations to be given in the Westminster High School on Saturday, March 28. It was directed that these vacant scholarships and the examination opportunities be advertised in the local newspapers.

The Board received and accepted several resignations from the county schools to be effective at the end of the school year. The Board also approved the appointment of Mrs. Anne Johnson to a position at the Robert Moton School to replace Mrs. Helen Cook, resigned.

Communications were read to the Board from several individuals and Parent-Teachers Organizations. The superintendent presented to the Board tentative plans for certain maintenance work to be done in the county schools during the spring and summer months. He was directed to proceed with planning a program of maintenance work which is needed and may be accomplished while schools are closed during the summer. This work will include painting, repair to buildings, and improvements to school grounds where financially possible.

The superintendent was directed to continue in every way to promote understanding on the part of the general public, the parents of children, and all citizens of the critical problems confronting the school administration for the year 1953-54.

songs under the direction of Mr. George Motter, program chairman of the Brotherhood, and who served as toastmaster for the evening. At this time the men introduced themselves and their guests to the group. There were guests present from San Diego, Calif., Union Mills, Uniontown, and the communities in the immediate locality.

Mr. Murray Baumgardner, president of the Brotherhood, made a few remarks of welcome and challenge and encouragement, hoping that the men might be more active in their organization. He expressed the sentiments of the committee planning the affair when he indicated that he was greatly overjoyed at the fine attendance turnout. He then introduced the special guests from the neighborhood brotherhoods. They were Mr. Walter Crapster, Taneytown Presbyterian Church Brotherhood; Mr. Curtis G. Bowers, Taneytown Messiah Evangelical United Brethren Church Brotherhood; Mr. John Harner, Harney St. Paul's Lutheran Church Brotherhood; and Mr. Merwyn Fuss, Taneytown Trinity Evangelical Lutheran Church Brotherhood. Each responded with appropriate remarks and gave a few words of challenge and encouragement.

Mr. Motter gave a preview of the next meetings. On April 13 the theme of the meeting will be "The Bible Speaks to us Today About People in Need" at which time M. Kahler of the County Welfare Board will be present to discuss the subject. On Wednesday, April 15, the Churchmen's Brotherhood will attend the regular meeting of the Trinity Lutheran Brotherhood. On May 11 the theme of the meeting will be "The Bible Speaks to us Today About Moral Standards" when Mr. Sponseller, County District Attorney, will share some of his rich and practical experience. At this time the men expressed their appreciation for the fine meal and the excellent service by the women and the young ladies of the church by giving them a rising vote of thanks and a resounding ovation.

Mr. Vernon Foster, commercial advertising manager of WHVR and a member of Trinity Evangelical and Reformed Church, Hanover, was then introduced as the speaker of the evening. He spoke on the importance of "Leaving Footprints on the Sands of Time." He said that our footprints do not always tell where we are going, but they do show where we have been. He emphasized the need of men wearing "work-shoes" if they would leave their footprints upon the pages of time. Two important factors which he stressed were (a) stick to the job you are doing and (b) accept troubles as elements to press you on to greater jobs. He pointed out the fact that Thomas A. Edison was successful because he profited by his failures which were many and was not discouraged by them to the point where he would throw up his arms in defeat. He also indicated that troubles and failures made Milton S. Hershey, who failed utterly on several occasions, but he firmly believed the philosophy "it's not how often you fall, but getting up one more time than you fall that counts."

In conclusion he strongly urged men to have faith in the practice of the "golden rule of character" in which our forefathers, who made this howling wilderness into the greatest nation on earth, believed. They consisted of the following: honesty is the best policy, do unto others as you would have them do unto you, charity for all and malice toward none, the laborer is worthy of his hire, do not bear false witness against your neighbor, the will of the people is the law of the land, honor your father and your mother, six days you shall work but the Lord's Day is for rest and worship, do not steal, haste makes waste, a penny earned is a penny saved, a fool and his money are soon parted, a stitch in time saves nine, prepare for peace and you are prepared for war, to be forewarned, is to be forearmed, to err is human and to forgive is divine, two wrongs, never make a right, as the twig is bent so is the tree inclined, and as you sow you will reap.

Mr. Ned Rutledge, assistant program director of WHVR, then entertained not only the younger set, but the older generation as well, with his feats of magic in which many of the group were called upon to assist him. His magic stunts consisted of "burning dollars", removing Indian ink spots with "woofle-dust", card tricks and mind-reading, all of which were greatly enjoyed.

The affair came to an end with the singing of "Blest Be the Tie That Binds" after which informal fellowship amongst the group concluded the delightful evening.
