INDIAN STUDY

Lutheran Women Presented Program Wednesday Eve.

On Wednesday, July 8, the Trinity Mission Circle of Trinity Lutheran church entertained the Women's Missionary Society of that church for the July meeting of the two groups. The ladies met on the parsonage lawn where lovely basket arrangements of flowers adorned tables bedecked in snow white tablecloths. With the playing of the recording, "This is My Father's World", the meeting was formally opened by Mrs. Dorothy Stahl. Miss Mary Louise Alexander led the group in the singing of the fitting hymn, "Day is Dying in the West". Mrs. Doty Robb and Mrs. Andrew Alexander led the devotional portion of the meeting with scriptures, responsive reading and prayer. The president of the Trinity Mission Circle, Mrs. Alma Bair, extended greetings to the many members and guests present. Two trumpet duets by the Simmons brothers were enjoyed by the group. The topic for the evening's study was "Who Cares About the Indians?" A most interesting and attractive exhibit of Indian curios was arranged by the leaders who collected a large number of articles typical of Indian life from several of the ladies who had traveled through the Indian regions of our country. The exhibit consisted of jewelry, moccasins, purses, beaded boxes, paintings, woven baskets, rugs and Indian dolls. Mrs. Jean Chenoweth presented in interesting fashion the historical background and traditions of the American Indian. At this moment of the program, the ladies moved indoors because of approaching rain. Miss Dorothy Alexander then sang "Indian Love Call" before the presentation of the second part of the topic. Mrs. Naomi Baumgardner outlined the "Problems of the Indian" to the group. The whole problem of the American Indian was brought to a personal level by Mrs. Stahl who raised the question of "What Can I Do for the Indian?" Mrs. Martin Zimmerman told what the United Lutheran Church of America is doing for the Indian at Rocky Boy Mission, in Montana. It is interesting to note that two of the purses on display were made by Indians on the Rocky Mountain Mission Reservation. The closing hymn, "In Christ There is No East or West" followed by the Missionary Benediction ended the study of the topic. Announcements were made by the President of Women's Society, Miss Mary Reindollar concerning the August picnic of the group and announcements were also made by Mrs. Alma Bair. A high point of the evening was Mrs. Nadine Riffle's presentation of certificates to Mrs. Stahl, on behalf of Trinity Mission Circle, making Cheryl Lane and Barry Glenn Stahl life members of the Missionary Society of the United Lutheran Church. Photographs of the Stahl children will appear in the August issue of "Lutheran Women's Work". Delicious refreshments of punch, ice cream, cake, and potato chips were served to the eighty members and guests present.

LOCAL FIRMS JOIN TOMATO COUNCIL, INC.

A new organization of tomato canners has been formed under the name of Tomato Council, Inc., with headquarters in Easton, Md., for the purpose of stimulating production and sale of canned tomatoes. Among the charter member canning companies of Tomato Council, Inc. are E. J. Nusbbaum of Taneytown and H. A. Perego, of Woodbine. Mr. Nusbbaum and Mr. Perego represent their companies to the Council.

At present Tomato Council, Inc., is composed of 46 canner members from the state of Delaware, Maryland, New Jersey, Pennsylvania, and Virginia. Together they represent about one-tenth of the entire tomato pack in the United States. Eventually, it is expected that tomato canners from all areas will join the group.

The new organization is already planning several promotional events for canned tomatoes and will make available promotional materials for members to use in their own markets. The Fall promotion will be tied in with the Macaroni Institute and National Macaroni Week.

An official symbol and slogan have been chosen by the Council. The slogan is: "Canned Tomatoes—All Ways Delicious, Red, Ripe and Ready-to-Eat".

Mr. Harvey J. Jarboe, Harrison & Jarboe, Sherwood, Md., has been elected president of the group, John W. Rue, Easton, Md., is secretary and Calvin L. Skinner, Easton, is Manager.

KIWANIS NEWS

The County Commissioners of Carroll County, Walter V. Bennett, Emory Berwager and James E. Shilling were guests of the Taneytown Kiwanis Club at its regular meeting at Taney Inn Wednesday evening.

Harry Mohney, who had charge of the evening's program, introduced the guests. Mr. Bennett addressed the club and spoke on the finances of the county. The Commissioners also assured the club that the "humpback" bridge at Keymar will be rebuilt soon—that the asking for bids for the new bridge will be advertised shortly.

Plans for the Annual Crab and Shrimp feed to be held Wednesday, July 29, at the Taneytown Memorial Park, are about complete.

Lewis Crumpacker will be in charge of the meeting next Wednesday evening.

Avoid prolonged storage of mixed poultry feeds in hot weather. Vitamin A and E content may be greatly reduced by the heat.

TANEYTOWN VACATION CHURCH SCHOOL

One Hundred Pupils Enrolled Average Attendance Eighty

The Taneytown Vacation Church School closed a two-week summer session in the Elementary School on Friday, July 3, with one hundred pupils enrolled and an average daily attendance of eighty. Eight religious groups were represented in addition to several with no designated religious group or church affiliation.

The atmosphere of the school and the classroom prevailed with emphasis upon the learning process marking a trend away from crafts and "busy work".

Teachers in the school were: Mrs. Arthur Garvin, Mrs. Charles Stone-sifer, Mrs. Kenneth Shorb, Mrs. Kenneth Koutz, Miss Elizabeth Annan, Mrs. Harry Mohney and Miss Caroline Shriner. Teacher assistants were: Roberta Garvin, Vonnice Lambert, Oneida Myers, Jean Luckenbaugh, Nancy Baker, Ann Stiel and Lois Brown. Though not on this year's staff the Rev. Arthur Garvin gave special service in securing all visual aids and projecting the movies used in the weekly assemblies.

Parents, too, were an integral part of the school's operation. They were understanding when we could not accept children below the elementary grade level. They supplied transportation for many out-of-town children, and in abundance, added to the joy of the children in supplying a portion of the refreshments given on the closing day of the school.

Particularly those who have worked closely with this project are deeply conscious of a debt to all who made possible the use of the public school. That certainly would include the school authorities on a local and county level, the sense of responsibility on the part of all those who used it and to Mrs. LaView Fitz and her son, Robert who aided in the daily care of school property.

YOUTH RALLY IN PINEY CREEK

The Emmitsburg-Taneytown and Baltimore-Hampton Young People will be guests of the Piney Creek Presbyterian Fellowship, on July 12th, Sunday afternoon and evening. Program: Basket picnic in the church yard. Games conducted by Eugene Stambaugh and Bob Peterson of Piney Creek. Musical entertainment by a combined group of Emmitsburg and Piney Creek boys and girls. Group singing led by Mr. George Pera, of Pittsburgh, Pa., now senior student of Princeton Seminary and leader of the Baltimore-Hampton Youth Fellowship. Supper served in the social hall. Vesper Service in the church with solo, quartette, and chorus singing, National Missions report by the girls, Foreign Missions report by the boys, Miss Betty Jane Stambaugh organist, and the Reverend John David Tate of Baltimore, speaker.

MORNING DEVOTIONS RADIO SCHEDULE

Next week the following ministers will have charge of the morning devotions over WHV, 1280 on the dial from 8:30 to 8:45 a. m. Monday, Rev. Mr. Arthur Garvin, Minister to the Messiah Evangelical United Brethren Church; Tuesday, Rev. Mr. Morgan Andreas, Minister to the Grace Evangelical and Reformed Church; Wednesday, Rev. Mr. Glenn L. Stahl, Minister to the Trinity Evangelical Lutheran Church; Thursday, Rev. Mr. Gordon Galambos, Minister to the First Presbyterian Church; and Friday, Rev. Mr. Dixon Yaste, Minister to the Lutheran Church at Keysville.

GOLDEN RULE CLASS MEETS

The Golden Rule Class of Grace E. & R. Church met on Tuesday evening at 8 p. m., at the home of Mrs. Blanche Miller. The meeting opened by singing "Now the Day is Over" and "Yield not to Temptation". Mrs. Miller read the Scripture from St. Matthew 11:3-6. Mrs. Mohney led in prayer. The devotional period ended by singing "I Need Thee Every Hour".

The business meeting followed which was in charge of Mrs. Harry Mohney. Minutes of previous meeting were read and approved; Roll-call by the financial secretary revealed eight members and two visitors present. Dues collected totaled \$31.00; \$1.00 was collected as birthday money. The president asked each member to make a piece of fancy work for Firemen's Carnival next year. Bake sale netted a total of \$44.40. The Treasurer gave her report which is encouraging. Picnic for members and friends of class will be held August 4, at 5 p. m. at Memorial Park. Program will be in charge of Mrs. Mohney. Games were played and prizes won by Mrs. Wm. Simpson and Ruth Shoemaker. An auction of packages was held and \$7.30 was made. The hostess served delicious refreshments.

GUILD PICNIC

The annual picnic of Grace Reformed Guild was held on Thursday evening, July 2, at 6:30 o'clock at Taneytown Recreation Park. Due to the inclement weather the attendance was not so large as expected. The tables were laid with all that goes to make a bounteous and delicious picnic supper. After the supper a social hour was enjoyed by the adults while the children found great enjoyment on the various types of playground equipment available at the park. As darkness approached all parted having spent a very enjoyable evening.

MOISTURE CONTENT Simple Method for Testing Wheat

There is a simple way to test moisture content of grain to find if it is ready to harvest. University of Maryland extension grain marketing specialist John E. Mahoney says it gives a fairly accurate guide to farmers who don't find it convenient to have the grain tested at the elevator.

A lot of "tough" grain—wheat that contains above 13 per cent moisture—has been arriving at Baltimore terminal elevators, a result of harvesting when moisture content is too high. Most elevators will not take this "wet" grain for storage without first drying it, charging the farmer for drying costs.

A simple test for moisture content may save grain farmers trouble and money.

All you need is a small bottle and ammonium chloride, which can be bought at most drug stores.

Mix a small amount of grain with a little ammonium chloride in the bottle and shake.

If the salt runs free after about 50 shakes, the moisture content of the grain is under 14 per cent.

If the chemical becomes sticky, the grain is over 14 per cent.

If the grain contains more than 16 per cent moisture, the ammonium chloride will turn to liquid.

Wheat with a moisture content below 12 or 13 per cent can be stored safely without drying. Between 13 and 15 per cent, it can be stored with care and drying.

PLANS TO BE MADE FOR S. S. ANNUAL MEETING

Members of the Board of Directors for Southern States Cooperative and of the Taneytown, Md. Farm Home Advisory Committee, their wives and husbands, and some of the staff of the local cooperative will meet Monday, July 20, 1953, at 7 p. m. DST in Taney-Inn, Taneytown, to make plans for their local 1953 Southern States annual membership meeting to be held in late summer. They will also nominate persons to fill vacancies occurring this year on the local Board and Farm Home Advisory Committee. Elections will take place at the membership meeting.

Members of the Board of Directors are: Fred Waybright, Chairman, Allen Bollinger, Luther Angell, and Otis Shoemaker, all of Taneytown; H. Earl Basehoar, of Littlestown, Pa., and A. C. Leatherman, Gettysburg, Pa.

Members of the Farm Home Advisory Committee are: Mrs. E. P. Shriver, chairman, Mrs. Clyde Frock, sec., Mrs. Marlin Six, Mrs. Allen Bollinger and Mrs. David Hess, all of Taneytown, and Mrs. John Mering, Gettysburg, Pa.

Charles A. Miller, manager of the local agency, will also attend the session.

SURPRISE RECEPTION FOR PASTOR

A surprise reception was held on Saturday evening at the parsonage of the Holiness Christian Church in Keymar to welcome the return of the pastor, Rev. Paul E. Freeman, who begins his tenth year of service at this parsonage. At least one hundred and twenty-five members and friends gathered to show their appreciation for Rev. and Mrs. Freeman and their family. The Young People's Society presented Mrs. Freeman with a gift of bed linen and Rev. Freeman received a Bulova wrist watch from the adult members and friends of the church. Refreshments were served and all enjoyed a good time of fellowship.

Rev. Freeman has served as the Assistant Presiding Elder and a member of the District Advisory Board of the Holiness Christian Conference for several years, having been re-elected at the 60th annual conference held at Stryker, Penna., two weeks ago. He was also appointed Treasurer of the Home Missions Department and a member of the Committee on Trial and Education.

The Ministry of Rev. Freeman has been blessed of the Lord and the church at Keymar has progressed under his untiring efforts and leadership. He is deeply appreciated as a faithful pastor and friend.

\$1,415,000 ASKED FOR SCHOOLS IN CARROLL COUNTY

The Carroll County School Board has proposed a \$1,415,000 school building program to ease congestion of the existing school plant. Included in the program, which was presented to the County Commissioners on June 8, is a new high school for the Hampstead-Manchester area at an estimated cost of \$525,000; a new school in the Eldersburg section, \$175,000; improvements and additions to the Mt. Airy school, \$300,000; improvements at the Uniontown school, \$65,000, and \$100,000 to complete the remodeling of the school at Sykesville. The program will be financed by borrowing from the State school construction fund.

ELECTED COLOR BEARER

Mrs. Grace Rodgers, a delegate to the Maryland State Firemen's Auxiliary, was elected Color Bearer at the convention held at Ocean City last week.

Mrs. Rodgers, along with the other officers was installed Thursday evening, after which she had charge of retiring our country's flag.

She expects to attend the State Fall and Spring Conference held in Baltimore and also the convention at Ocean City next year.

MEETING OF THE BOARD OF EDUCATION

Resignation of Elementary School Principal Accepted

The regular meeting of the Board of Education was held on July 9, 1953 with all members present. President, Paul M. Niswander, presided at the meeting and introduced Mr. DeVries R. Hering, of Sykesville, whose appointment to the Board of Education was recently made by the Governor. Mr. Hering replaces Thomas F. Arrington of Sykesville, deceased.

The Board approved the minutes of the June meeting and gave approval to the bills as listed.

The Board accepted with regret the resignations of the following teachers: Marilee Sackett, Westminster Elementary School; Eva D. Ehlers, Music Instructor; Dominic Cuzenza, Instrumental Music Teacher; Martha Oeschle, Charles Carroll Elementary School; Edith Irwin, Manchester Elementary School; Eleanor Kendall, Westminster High School; Edward Wilcox, Westminster High School; and Stanley Stahl, Principal Taneytown Elementary School.

The Board also approved the appointment of the following new teachers for assignment to teaching positions in the county: Rebecca Galyon, Erwin, Tennessee; Bartholomew Ferrara, New York City; Elma Lu, Hess, Chicago, Illinois; Nancy Heiber, Westminster, Md.; William C. Kelly, Baltimore, Md.; Dennis Abe, Wilmington, Delaware; George Hugg, Baltimore; Carolyn Friend, Accident, Md.; Dianne Carey, Solomons, Md.; and Nancy Richardson, Westminster, Maryland.

The Board approved a number of miscellaneous adjustments in personnel in various of the county school and discussed problems connected with the placement of teachers for 1953-54. In this connection, it was explained that continued difficulty is incurred in securing efficient and qualified teachers to fill the vacancies in the county teaching staff. A large number of teachers will leave the Carroll County service by reason of marriage, other positions, changes of residence, and a number of other reasons. The Board directed that the Superintendent continue his efforts to secure trained personnel for the county classrooms.

The Board considered several items related to the maintenance and operation of buildings, and approved a number of proposals connected with repairs and changes. The Board also considered a number of questions connected with the planning of new schools, especially the proposed new elementary school at Freedom District, and the new high school center for Hampstead-Manchester. It was reported that negotiations were complete for the purchase of land for the Freedom District building, as well as the Hampstead-Manchester building. It was directed that continued study be given to the planning of preliminary work on these buildings and that steps be immediately taken to conclude the purchase of land at both locations.

The Board approved the purchase of chlorinating equipment for the Union Bridge School and miscellaneous other purchases of equipment. Also approved by the Board was a list of school custodians to be responsible for the maintenance and care of the county school buildings.

The Board also approved copies of the Annual Attendance Report including statistics for attendance during the 1952-53 school year. This report noted that the Carroll County Schools were open 183 days during 1952-53, and that a total of 8,815 different children were enrolled. Of this number, 6,077 were transported on school busses. The report also showed an average percentage of attendance of 93.4 for the county during the past year. The total graduating class of 326 pupils were reported to have finished the high school course.

The Board adjourned at 12:30 in a final for the purpose of approving a August teacher list and make important decisions regarding the progress in the building program.

FREE CHEST X-RAY

A meeting of the Mass Chest X-Ray Survey committee for Carroll County was held in the office of the Carroll County Tuberculosis Association. Those present were Dr. Neil Gordon, Carroll County Health Officer; Samuel M. Jenness, superintendent of Carroll County Schools; Miss Maude Manahan, Supervisor of Nurses, and Mrs. Kathryn Diffendal, executive secretary of the local association.

The Maryland State Department of Health Mobile Chest X-Ray Unit is scheduled to visit Carroll county twenty days, beginning October 9th. A tentative schedule was submitted by the secretary and approved by the committee. It is the desire of the association that all Carroll countians take advantage of having a free chest x-ray during this period.

Through the cooperation of your Carroll County Health Department, chest x-rays are available each Tuesday from 9 a. m. to 10 a. m. at the Carroll County War Memorial Center. In cooperation with the local Health Department, your Tuberculosis association also provides a clinician who makes regular monthly visits to the Center. These services are available to all people of the County. Further information may be secured through your Carroll County Tuberculosis located in the Medical Center.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning. A smile that shall last until the next day's dawning. I wish you health—life's greatest wealth! I wish you always near so that I may help to cheer.

Each future day and in some way—help to bring you happiness!

A Summer rain has just fallen, cooling off the atmosphere and causing all that is green appear even a more beautiful green after the terrific heat of the entire day. Rain gives to "Still Life", beauty that excels just watering the garden with a hose!

Whatever you do, folks, don't miss the glamorous Movie of The Coronation of Her Majesty Queen Elizabeth I of England. How wonderful it was to sit in the luxurious rocking upholstered seat and view it all in the Air-Conditioned Theatre on 25th Street at Charles! It all appeared as a great Fairy-Tale and who does not love a Fairy-tale regardless of age?

It is all in Technicolor and the Pomp and Ceremony is beyond describing! It would take the entire column to go into the detail. There was the grand husband who will give her much aid throughout Her Majesty's Ruling of all the English possessions. His Royal Highness The Duke of Edinburgh stepped back most gracefully as it was "HIS QUEEN FOR THAT DAY AND THE QUEEN OF THE PEOPLE"! Their two children were shown many times—Their Royal Highnesses The Duke of Cornwall and the Princess Anne. And after all, folks just to think if it was not for the Uncle—The Duke of Windsor—there would have been on Queen Elizabeth II!

Did you know that just a couple of years ago that 35,000 privately owned planes were built and sold in this past year only 2,000 were owned by private owners? What a drop! This summer, Your Observer expects to be shown Harford County from the air. More about that one in a later column.

At last, Your Observer was given the opportunity of interviewing that nice Wrestler, Antonio Rocca from down Argentine way.

Well, folks if all the Wrestlers were the type as "TONY" (which he told me to call him) Wrestling truly would be enjoyed much more.

The public loves that man! We had a half hour's chat and each time, I questioned him about his life and his profession, he quickly would switch to his charming young wife who was born and reared in Canada and his eight months' old baby daughter, Janine.

He is only about 25 years of age but appears much older and is quite handsome in fact. T.V. does nothing for him as to flattering him.

He is about the most sincere and honorable Wrestler on the Mat today and all of his holds are of the highest order. Keep on watching every hold and you will be convinced there is no dirty work with him.

Now, here's a laugh, which I know you will enjoy. I was seated very close to the Mat and during intermission dozens swarmed around me asking me if I was not Rocca's Mother! So you see there is something about any blood of the Latin Race. In fact Tony told me that his sister could pass for me any time and any where and my youngest brother is the very image of Tony!

The Coliseum is also air-conditioned which makes it so much more enjoyable. T.V. may let you in on it but truly, folks it is being right there that counts! Get up a party and go down one night and be convinced. Don't bother eating dinner for you can get eats right there between intermission and any kind of soft drink.

Had the pleasure of meeting the Promoter of Wrestling who is a very kind and noble person understanding Humanity thoroughly. I expect Rocca and his little family to visit me for the day during the summer.

Now, in Harford county as in Carroll County, a tremendous roller skating rink has just been completed a few miles north of Belair. That one will go over big and more so in the winter.

A surprise invitation to the wedding of that good looking out Chicago way arrived in the mail—the sister of that nice young Realtor 'around the town' A lucky Groom if you ask me as his Bride is best with both good common sense, and good looks. Truly a rare combination! My very best wishes and much happiness!

So long, folks. Have a grand week end! Be careful when you drive and when you are ready for that vacation go the B. and O. way for that clean, smooth ride for relaxation! Until next week D.V. I am,

Faithfully,
YOUR OBSERVER.

LETTER FROM CALIFORNIA

Strawberry market in full swing out here, 2 boxes for 49 cents, big ones too. They plant by the acre. Portland, Tacoma and Seattle are great markets. Then too the great number of visitors eat many. Spent one full day, on tour in Salt Lake City, and at Salt Lake, some 5 or 7 dozen busses start out at one time, each has a guide. The capital of Utah, I think is the prettiest Capitol building, in the U. S. A. We were at mines of copper, silver, gold, etc. Riches untold!

The homes of 19 mother-in-lawed out Norman Brigham Young were pointed out to us. Pipe organs we have heard, are only a noise, compared with the music of theirs, in their Tabernacle. Have had the courtesy of the traveling passenger agent, to travel with us, many places. R. R. facilities good, 3,000 miles from the Atlantic to the Pacific. Wm. E. Roop, Cor. ECONOMIC HIGHLIGHTS

With few exceptions, everyone within the executive and legislative branches of the government believes that taxes on both individuals, and businesses must be cut. The sole difference of opinion is over the question of when and how.

The Administration has taken the position that, desirable and essential as tax reduction is, it must wait until the budget is brought under control and is in or near a balance. Until relatively recently, it seemed that in all probability this position would prevail. That is not the case now. The Eisenhower tax program is in very real difficulties on the Congressional shoals.

There are two reasons for this. For one, public demand for early tax reduction is extremely strong—apparently the Congressional mail has been loaded with it. For another, Chairman Daniel A. Reed of the House Ways and Means Committee stands solidly for immediate tax cuts and all the efforts of Administration representatives to change his views have availed nothing. By virtue of this chairmanship, Mr. Reed is one of the most powerful men in the government when it comes to tax policy. The committee must originate all changes and renewals of our tax laws, and the chairman's authority is enormous.

Matters came to a head over the so-called excess-profits tax. This tax is about as unpopular as they come. President Eisenhower has denounced it. So has Senator Taft. So have practically all other authorities in and out of government. Almost all agree that the tax is a killer of initiative and enterprise, and that it is especially evil in that it is most burdensome to the smaller corporations and is an implacable obstacle to normal growth. Yet the Administration made extension of the tax for another six months one of the musts in its fiscal program. Two arguments can be used to justify that position. The first is that no source of government revenue should be abandoned just now—though this is a debatable argument in the case of the excess-profits tax, for the reason that many believe its abandonment would stimulate business expansion and activity to the point where the new revenue gained through income taxes would more than offset the losses. The second is that, for political reasons, it would be dangerous to materially reduce or eliminate a tax which is borne entirely by business unless taxes on individuals were also lightened at the same time. And the Administration cannot afford to overlook political matters in view of the fact that the entire House must stand for election next year.

On the other side, and still dealing with politics, there are leading Republicans, Representative Reed among them who are convinced that if taxes are not cut all along the line, even before anything resembling a balanced budget is in sight, the GOP will take a bad beating in the off-year elections.

These points of course, are speculations. What is not a speculation is that President Eisenhower's present tax program, for all of his vast standing and the affection and respect in which he is held by millions, is a far cry from a popular one. The advocates of immediate tax reduction may be wrong or they may be right—strong arguments can be marshalled on either side. But it is evident that they reflect a widespread and growing public feeling that the tax burden is becoming insupportable.—E. Hofer.

Many men do not allow their principles to take root, but pull them up every now and then as children do the flowers they have planted, to see if they are growing.—Longfellow.

On all these points
of comparison... *Chevrolet's*
farther ahead
than ever!

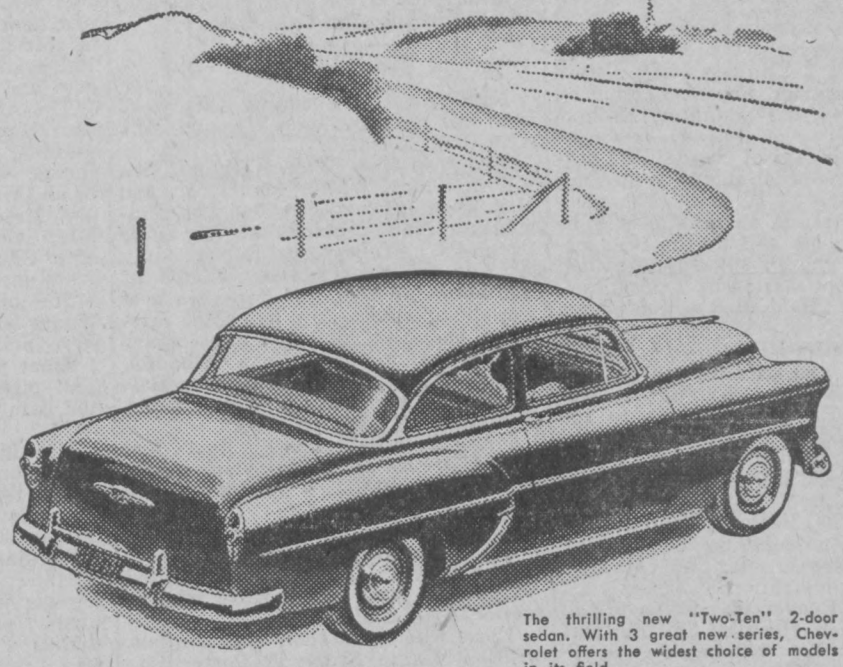

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrift-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range... and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—as in every single post-war year—more are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

The thrilling new "Two-Ten" 2-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

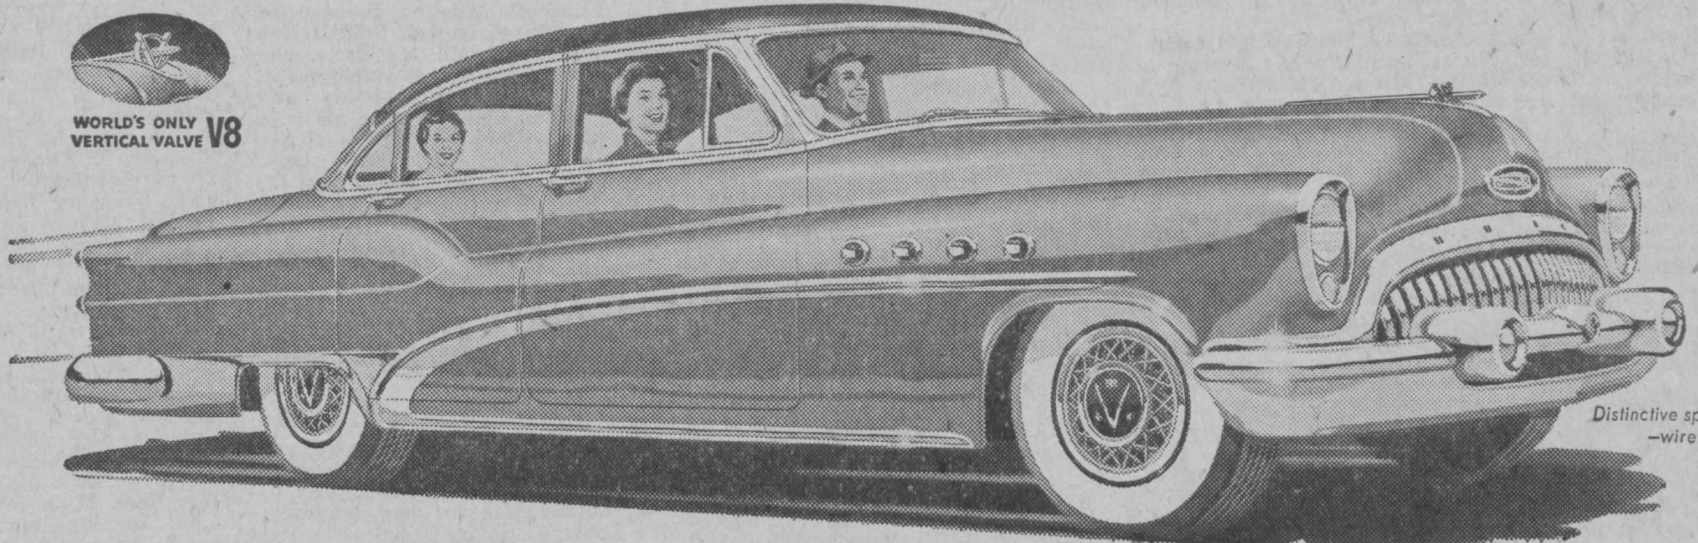

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Ever try the lap of Luxury?

WORLD'S ONLY VERTICAL VALVE V8

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

Distinctive sports-car touch—wire wheel covers, as illustrated optional at extra cost.

We'd like to spoil you a bit. We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels. What we have in mind is more than just a sampling of the spacious roominess here—and of the cushions that cradle you in opulent and enveloping softness. It's the magnificent luxury of ROADMASTER travel that we'd like you to know... The soul-satisfying feel of bossing almost limitless power from the V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflo—and the sheer comfort of its new quiet and infinite smoothness... The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery—making you barely aware of motion, of road irregularities, of stopping and starting... And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWER STEERING. A car with the velvety control of

still finer braking—plus the added convenience of Power Brakes,* if you wish. Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon? *Optional at extra cost.

WITH OUR ARMED FORCES Roby E. Beall, Jr., whose wife, Grace, lives on Route 1, Westminster, Md., was recently promoted to private first class while serving in France with the U. S. Army, Europe Communications Zone.

Private First Class Beall, whose parents live in Pennsylvania, W. Va., arrived overseas last August from Fort Lee, Va., and is now assigned to the 7804th Augmentation Detachment. A graduate of Pennsylvania High school, he entered the Army in January 1952.

The Communication Zone is responsible for the transportation of men and supplies from French ports to U. S. forces stationed in Germany. Zone headquarters is in Orleans, France, and there is a base section located at La Rochelle.

"LEARN TO SWIM" PROGRAM

60 students enrolled in Red Cross "learn to swim" program at Eastview. The program continues for 10 days ending July 17, with a formal graduation exercise at 10:30 a. m.

The primary purpose of the Red Cross Water Safety Service, which was established in 1914 as a companion service with First Aid, is to reduce drownings by teaching people to skills that will contribute to their own safety and that of others. In addition the program offers meaningful outlets for skills taught and thereby adds to the health, fun, and recreational values of aquatic activity.

Mrs. Leslie Hamill, registrar, is vitally interested in the water safety program and is in charge of enrollment of participants. Four qualified Red Cross water safety instructors. They are: Pat Senseney, Jane Shaffer, Gillman Wil-liar and Bill Richards.

The following names are children who enrolled the first day at Eastview: Bill Murphy, Neal Smith, Sue Miller, Donald Rhoten, Marilyn Filler, Donald Lentzner, Judy Tipton, Thomas Tipton, David McNamee, Mary Wood, Ray Caple, Betty Hoffman, Norma Allen, Dorothy Walk, Anita Forwood, Georgia Shipley, Sandra Shipley, Howard Shipley, Doris Miller, John Haifley, John Walk, Wilma Arnold, Paula Brauning, Guy Watson, Richard Watson, Janet Zentgraf, Patricia Graham, Howard Gosnell, Donald Gosnell, David Keeney, Bob Thompson, Lamar Armacost, Dorothy Gosnell, Becky Vosburg, Sharon Knox, Leola Cook, Carolyn Cook, William Allen, Bob Grimes, Charles Wood, Pat Caple, Betty Osborn, Dickie DeMoss, Tommy DeMoss, Jerry DeMoss, Ralph Smith, Rusty Yingling, John Barnes, David Keek, Douglas Miller, Elwood Graham, Aaron Green, Joan Zantgraf, Mary Kimmelshue, Rebecca Cooper, Bill Waton, Bill Murphy.

WITH OUR ARMED FORCES Pvt. Donald E. Haines, son of Mr. and Mrs. Theodore A. Haines, Route 7, Westminster, Md., recently arrived in Korea for duty with the 2d Infantry Division.

Haines, who entered the Army in November 1952, attended Charles Carroll High School and was employed as a plumber by the Wantz Brothers, Incorporation, Taneytown, Md. The 2d "Indianhead" Infantry Division is most noted for the capture of "Heartbreak Ridge" in October 1951 and for dislodging the Reds from "Old Baldy" last summer.

POLIO ASSISTANCE ASSURED FOR MARYLAND Financial assistance for Carroll County polio patients and their families was assured last week by Paul M. Wimer, chairman of the Carroll County Chapter of the National Foundation for Infantile Paralysis.

"If and when our funds should be exhausted by an epidemic, which we do not expect, the National Foundation will forward to us as much as is needed here to care for county polio patients

"The money thus forwarded would be from funds contributed to the March of Dimes in other localities, just as we in Carroll County contribute to the National Foundation so that aid may be sent elsewhere if needed.

"Our address in Carroll County is 67 W. Main St., Westminster, Md. Our telephone number is Westminster 352. "Any family in which polio strikes should not hesitate to contact us immediately. We will help in every way possible to obtain the best medical care for the patient and to see to it that the bills are paid in cases where the family is temporarily or permanently unable to meet the medical costs," Mr. Wimer declared.

WTRR READY FOR OPERATION Carroll County's only radio voice will begin broadcasting at noon next Tuesday, July 14. The technical operations of the new station was checked through by an FCC inspector engineer last Friday. The station was on the air during the morning for approximately two hours and many listeners reported an excellent signal from as far as away as 35 miles.

The station's building is not completely finished on the inside, however this will not interfere with the station's operations and plans are virtually complete for a special dedicatory broadcast at 7 p. m. on the opening day. Regular commercial operations will begin the following morning at 6 o'clock. Your radio can be tuned to 1470 and promptly at noon you will hear the opening broadcast of WTRR next Tuesday, July 14th.

FORMAL OPENING OF PATIENTS' CANTENEN The Women's Auxiliary of the Springfield State Hospital plans a formal opening of the Patients' Canteen on July 16, 1953 from 2 p. m. to 4 p. m. The Canteen is located in the Nurses' Home on the Hospital grounds. Harmonizing colors of red and green have been utilized in the decorating, with gay drapes and touches of black on the tables and chairs. It is planned to have the Canteen open Monday through Friday and will provide a place for patients to bring relatives and friends who come to visit them. The Canteen will be staffed by volunteers drawn from Baltimore City and the seven counties from which the hospital receives patients. Mrs. Seymour Ruff, Sr., of Randalltown is the President of the Auxiliary. Mrs. Olin Grimes of Finksburg is Chairman of Canteen, with Mrs. Earl Blankenship of Woodbine as Assistant, and Mrs. Jay Jefferson Miller of Pikesville is Chairman of Volunteers. All profits realized from the Canteen will be used for patient welfare in projects not otherwise provided.

ANSWERS YOUR QUESTIONS

Q. What is the best treatment for cecal coccidiosis?

A. There are many satisfactory treatments -- one of the best controls is Dr. Salsbury's Sulquin. Use it in liquid or soluble powder, in drinking water or mash. It's quick and easy, and it controls both cecal and intestinal coccidiosis. Another good control for cecal "coxy" is Dr. Salsbury's Ren-O-Sal. Protect your profit with Sulquin or Ren-O-Sal.

Ford's America's best buy.

any way you look at it!

With 41 "Worth More" features it's worth more when you buy it... worth more when you sell it!

Fifty Years Forward on the American Road

Every day, hundreds of folks experience a special kind of thrill for the very first time. They're taking '53 Fords out for that important airing we call a Test Drive.

What's so special about that first ride in a Ford? Well, you get a hint the moment you slip behind the wheel, sink down on the foam rubber seat and look through Ford's one-piece windshield, curved just enough to flatter the car's looks, yet wide enough to let you see the whole countryside.

But the special thrill is the "kick" you get as you gently nudge the accelerator and feel the engine take hold. You're moving now, yet you barely feel any motion. You're moving faster, yet you have to listen to hear the engine. It's just about at this point that folks discover how much they like the '53 Ford.

Your choice of V-8 or Six:
Only Ford in its field offers you both a V-8 and Six... a choice of Fordomatic, Overdrive or Conventional. And no matter which Ford engine you choose, you get the gas-savings of Ford's Automatic Power Pilot... high-compression GO on "regular."

Front-end road shock reduced up to 80%!
Ford's new spring and shock absorber action makes even roughest roads carpet smooth. Wide front tread helps take tilt out of turns. Ford offers America's newest power steering, too. And for less money than any other in Ford's field.

See it... Value Check it... Test Drive it!

THE BIBLE SPEAKS

International Uniform Sunday School Lessons

BY DR. KENNETH J. FOREMAN

Scripture: Romans 6:1-14:12
Devotional Reading: Psalm 62:5-12.

Christian's Code
Lesson for July 12, 1953

THE Christian is not "under law," as Paul says, but "under grace." This does not mean that a Christian can live as he pleases, any old way good or bad. There is a code of behavior for Christians. Only the Christian's code is not like a city's laws or the rules of a game. The nearest thing we have to a code is certain great principles of behavior, the foundation-lines for our house of life. One of the most familiar chapters of the whole Bible is Romans 12, where Paul sets down in pretty plain words what kind of behavior may be expected of a Christian. The passage is so familiar, in fact, that it can too easily be read with the eyes only and not with the mind. So this column will depart from its usual method, and simply present, for the most part, some of the important sentences or phrases from this classic chapter, first in the old King James translation and then in various other more recent ones in English. They will be numbered as follows:

Dr. Foreman

- 1 King James translation (1611 A. D.)
- 2 Revised Standard Version (1946)
- 3 Moffatt's translation (1922)
- 4 American Translation (1923)
- 5 Weymouth's (1930)
- 6 Phillips's (1947) ("Letters to Young Churches")

(Where a number does not appear, it is because that version is not notably different from some of the others.) These translations will perhaps suggest to the thoughtful reader that there is more in Scripture than any one translation can fully bring out.

1. Present your bodies a living sacrifice . . . your reasonable service. 2.—your spiritual worship. 4.—your rational worship. 6.—an act of intelligent worship. (verse 1)

1. Be not conformed to this world. 4. You must not adopt the customs of this world. 6. Don't let the world around you squeeze you into its own mould. (verse 2)

1. Let love be without dissimulation. 2. Let love be genuine. 3. Let your love be a real thing. 5. Let your love be sincere. 6. Let us have no imitation Christian love. (verse 9)

1. Abhor that which is evil; cleave to that which is good. 2. Hate what is evil; hold fast to what is good. 3.—with a loathing for evil and a bent for what is good. 4. You must hate what is wrong, and hold to what is right. 5. Regard evil with horror; cling to the right. 6. Let us have a genuine break with evil and a real devotion to good. (verse 9)

1. Be kindly affectioned one to another with brotherly love; in honor preferring one another. 2. Love one another with brotherly affection; outdo one another in showing honor. 3. Put affection into your love for the brotherhood . . . 5. Let your love of the brethren be true mutual affection. 6. Let us have real warm affection for one another as between brothers, and a willingness to let the other man have the credit. (verse 10)

1. Not slothful in business; fervent in spirit . . . 2. Never flag in zeal, be aglow with the Spirit. 3. Never let your zeal flag; maintain the spiritual glow . . . 4. Not wanting in devotion, but on fire with the Spirit. 6. Let us not allow slackness to spoil our work and let us keep the fires of the spirit burning. (verse 11)

1. Rejoicing in hope, patient in tribulation; continuing instant in prayer. 2.—be constant in prayer. 3. Let your hope be a joy to you; be steadfast in trouble, attend to prayer. 4. Be happy in your hope . . . 5.—full of joyful hope, patient under affliction, persistent in prayer. 6. Base your happiness on your hope in Christ. When trials come endure them patiently; steadfastly maintain the habit of prayer. (verse 12)

1. Dearly beloved, avenge not yourselves, but rather give place unto wrath. 2. Beloved, never avenge yourselves, but leave it to the wrath of God. 4. Do not take your revenge, dear friends, but leave room for God's anger. 6. Never take vengeance into your own hands, my dear friends; stand back and let God punish if he will. (verse 19)

You can see that the "code of the Christian" simply is the way Jesus lived!

Down the Line with Johnny Bell

"Certainly makes things easier!"

That's what one customer says about courtesy on the party line. She's perfectly right, of course. People respond to courtesy and consideration. And on the party line, you know what that means. Better service for everyone. So remember to space out your calls so that others may use the line in the intervals . . . keep them reasonably brief . . . surrender the line to others in case of emergency . . . and hang up properly when you're finished calling. Before long everybody on the line gets the idea—and returns courtesy for courtesy.

July is a good month to—

Re-read the Declaration of Independence, and wonder at the wisdom of the founding fathers who wrote it. . . Control Japanese beetles with DDT powder on flowers and shrubs. . . Give animals in short pastures some extra hay or silage. . . Cut and burn raspberry canes when harvest is over. . . See your county agent for his latest recommendations on fly control. . . Make full use of ladino pastures for growing pigs and sows. . . Keep livestock and poultry happy and producing with plenty of clean water and cool shade. . . Sit back and hope for enough rain to keep the corn growing.

FABULOUS JAMBOREE OF BOY SCOUTS

To Be Held in California July 23

A temporary community of 50,000 scouts and scouters will camp on 3,000 acres of ground using 30,000 tents located on the Irvine Ranch, near the Newport Harbor area, about forty miles southeast of Los Angeles, California. The official opening day will be July 17, 1953 and closing on July 23, 1953. A city larger than Tucson, Arizona; Fort Lauderdale, Florida; Ann Arbor, Michigan; Biloxi, Mississippi; Butte, Montana; Hoboken, New Jersey; Cheyenne, Wyoming—just to name a few examples—will spring up almost overnight and disappear just as quickly. Less than one-half of the counties of the United States exceed the population of the Jamboree.

There will be 164 doctors in residence—154 additional doctors will assist in the medical examinations; 12 ambulances on duty; 4 complete fire companies; 36 miles of telephone and electrical lines and 18 million gallons of water required. The group will use 90 freight car loads of food and supplies plus 10 freight car loads of charcoal to do the cooking. From all parts of the country trains will bring scouts and leaders to the jamboree. They will need 175 baggage cars to carry 2,750 tons of baggage.

The group will eat 1,224 steers; drink 600,000 quarts of milk; eat 34,694 pounds of butter; eat 175,000 loaves of bread; consume 1,495 cases of pineapple; and 50,000 chicken legs and thighs. The 480,000 pancakes which will be eaten at the jamboree would make a stack more than 11,373 feet high. It would require the iron deck of Uncle Sam's largest battleship to fry at one time the more than 500,000 eggs that will be eaten.

To be ready for supper on July 23, the cutting and boxing of steak for that one meal was started April 29, almost three months ahead of time.

The group will use 8 million paper plates and cups. 84 special trains and 95 buses will transport the group. The parking lot will accommodate 16,000 cars and the traffic will be handled by 100 officers from the local and state police. The swimming beach on the Pacific Ocean is one mile long and will handle approximately 25,000 boys each day.

Mr. Albert Albrecht, Westminster, scoutmaster of the Grace Lutheran Church's troop has been selected by the scout council to serve as scoutmaster of one of the jamboree troops. Three troops of 105 scouts and leaders will leave Friday, July 10, 1953 from the B & O R. R. station in Baltimore for the jamboree. They will tour the U. S. going by the southern route and returning by the northern route. Scouts who are going from Carroll County are: C. Todd Brown and Gerald M. Loper from the Sykesville Rotary Club's troop; Linden R. Albright from the Calvary Methodist Church's troop, Mt. Airy; and Siegfried Weisberger, Jr., from the St. Paul's Methodist Church's troop, New Windsor.

INTERNATIONAL CONVENTION OF JEHOVAH'S WITNESSES

Taneytown will be represented by a delegation of 19 at the International Convention of Jehovah's Witnesses, Yankee Stadium, New York City. Mr. Allen Peel, presiding minister here and head of the delegation, announced recently that the group will travel by car to join more than 125,000 other witnesses of Jehovah in their 8-day convention opening July 19.

Mr. Peel pointed out that Jehovah's witnesses are coming from every state in the Union and nearly 100 countries to participate in the largest religious convention ever to be held in America. Charter planes carrying delegates from Africa, Europe and Latin America will soon converge on New York. Large delegations from Australia, New Zealand, South Africa, and the Orient are already on the high seas. Some 18,000 Canadians are expected.

"It is significant in this materialistic age," Mr. Peel said, "that people will spend millions of dollars for the privilege of assembling together to worship Jehovah God. It will be a feast for the mind on spiritual food. True faith in God is not declining. Jehovah's witnesses annually report a world-wide increase of about 20 percent in the number preaching. We expect thousands more will be baptized at the convention."

SENATE CLOAKROOM

by J. Glenn Beall
United States Senator from Maryland

Your government has just ended another year of spending more money than it took in—the deficit was a whopping nine billion dollars. During twenty of the last twenty-three years the national government's expenditures have exceeded revenues. Beginning in 1931 when the deficit was just a half billion the debt has increased year by year, until the total deficit adds up to over 250 billion dollars.

The Eisenhower Administration is doing everything it can to get the Federal budget back in line—and it is not an easy job.

The problem of ending the annual deficits is one to which no one has a clear and simple solution. The taxpayers are paying more taxes than ever before, but government spending has increased just as rapidly and the gap between what is paid in and what is paid out continued to widen.

For the fiscal year which began last week the Administration estimates that we will have a deficit—this time only a little over five billion—and they have set their sights for a balanced budget in 1955.

The three things which contribute most to the Treasury's use of red ink are defense spending, foreign aid, and farm price supports—three places where it is extremely difficult to stop Federal spending.

The Senate action to end the Mutual Security program on June 30, 1955, would help some in making ends meet, and the five billion dollars appropriated for next year could be just the difference between a balanced and an unbalanced budget.

The Administration is faced with the problem of either balancing the budget or requesting Congress to increase the legal limit of the Federal debt—now set at 275 billion dollars.

That is a request which the economy minded Administration would be most hesitant to make—and a request that I am confident Congress would be very reluctant to grant.

One way the Administration might avoid using red ink at the end of each year is to revise its bookkeeping system. The present system is to include all government expenditures—capital and current—together. No business and no State governments that I know of, operates this way. Included along with current expenditures are such things as buildings constructed, public improvements, loans, etc.—items that in a business would be considered capital improvements, not to be wholly charged to one fiscal year.

Revisions of the accounting system can put the budget in a more favorable light, but the only way to balance it is to spend no more than is received in taxes. To that end the Administration is committed and perhaps by the 1955 fiscal year the Treasury can start using black ink again.
