This column is not for use in advertising any money-making program, fair, supper, party or sale. It is intended for news, personal, and such matters as may be of community interest.

All communications for this department must be signed by the author; not for publication, but as an evidence that the items contributed are legitimate and correct. Items based on mere rumor, or such as are likely to give offense, are not wanted.

Mrs. J. Leo Flanigan, near Gibson Island, is visiting over the week-end at the home of Mr. and Mrs. A. H. Carpenter.

Mrs. Mary Baker entered the Hanover General Hospital last Thursday for observation. She returned home on Wednesday.

Misses Amelia and Elizabeth Annan left today (Thursday) to visit Mr. and Mrs. J. B. Mowbray-Clarke and daughter, Hester, in Bethesda.

Mr. and Mrs. Monroe Clary, of Lisbon, and Miss Ella Clary, of Mt. Airy spent Sunday afternoon with Mrs. Vallie Fouche and son, William.

Mrs. Harold Mehrling will spend from Friday until Sunday in Baltimore with Mrs. Lott Disney. Mr. Mehrling will come for her on Sunday.

The Fire Company was called on Saturday afternoon to the home of Carroll Wilson. The fire was in the summer house and little damage was done.

On Sunday evening Rev. Andreas baptised William Roger Parrish, son of Mr. and Mrs. Maurice Parrish, in the church. The parents were the sponsors.

Mr. and Mrs. Ralph Hess entertained to dinner Sunday: Doctor and Mrs. Allen Kelley, of East Berlin, Pa.; Mrs. Edward Harner and Mr. and Mrs. Roy Phillips.

Miss Agnes C. Arnold had the misfortune to fall in her home on Saturday afternoon. She was taken in the ambulance on Sunday to the Mercy Hospital, Baltimore, for X-rays.

Walter Hahn, George Hahn and Roy Angell, Taneytown, and Elmer Hahn, Baltimore, left Saturday, Oct. 31st. for Freeport, Maine, to deer hunt. They returned Sunday evening, Nov. 8th with a doe which was shot by Walter Hahn.

Merle Baumgardner, Norman Hess, Norman Sauble, Edw. E. Stuller, Harry Dougherty and Charles Cluts, from the First National Bank, attended the dinner meeting of Group 2 of the Maryland Bankers Association, last Wednesday, in Westminster.

Mr. and Mrs. Hubert Null, Taneytown, and Mrs. Paul Angell, Sykesville, returned home Sunday from a week's trip which included a visit with Mr. and Mrs. G. R. Welling, at Upper Sandusky, Ohio, and Mr. and Mrs. George M. Null, at Nachusa, Ill.

The many local friends of the Rev. Dr. Nevin Smith, of Hanover, will be sorry to learn that he is in a serious condition at the hospital in the city of his residence following an operation. His innumerable friends, far and wide, wish him a speedy recovery.

Mr. and Mrs. Wm. Teeter and family, Twin Lakes Park, Gettysburg, entertained to dinner Sunday her parents, Mr. and Mrs. Harold Mehrling, Taneytown, and Mrs. Richard Mehrling and son, Sterling, Kensington, in honor of Mr. Harold Mehrling's birthday.

Members of the Taneytown High School Alumni Association are urged to attend the regular monthly meeting to be held in the high school on Monday, Nov. 16, 1953 at 8 p. m. Final plans will be made for the Thanksgiving Dance to be held Nov. 26, 1953. All members please attend.

The Missionary Societies of Piney Creek and Taneytown Presbyterian churches met with the Emmitsburg society on Wednesday evening, at 7:30. The guest speaker was the Rev. Frederick Tinley, a missionary on furlough from Tabasco, Mexico. Rev. Tinley gave an interesting talk about his work in Mexico and showed slides.

Merwyn C. Fuss addressed the Allegheny Conference of Brotherhoods at St. Paul's Lutheran Church, Altoona, Pa., Wednesday evening. On Saturday Mr. Fuss will speak to the Brotherhoods who are convening in their Biennial Convention in St. John's Lutheran Church in Lewistown, Pa. These brotherhoods are from about 100 churches in the Central Pennsylvania Synod.

Mr. and Mrs. Albert Wilhide and family had as guests to dinner and supper Sunday the Rev. and Mrs. Glenn L. Stahl and Cheryl Lane and Barry, and Mr. Eugene Gardner, the student assistant. Other guests to supper were Mr. and Mrs. Carroll Shoemaker. Callers were Mr. and Mrs. Scott Crabbs and daughter, of Union Bridge, and Mr. and Mrs. John Sharrah and family, of Cashtown, Pa.

Last Thursday Vincent Arnold met with an unfortunate accident which caused a broken leg and many bruises on his body. He was driving a tractor which was pulling a drill when his foot slipped from the clutch causing him to fall between the tractor and drill. The drill was pulled on his leg pinning him in that helpless position until he was found by his wife about 2 1/2 hours later. The tractor struck a shed which stopped it. Mrs. Arnold backed the tractor enough to get her husband free. He was taken to the Annie Warner Hospital, Gettysburg, Pa., where his leg was put in a cast, after which he returned home.

## ANNUAL BANQUET

### Chamber of Commerce Will Dine Thursday Evening

The twenty-fifth annual Banquet of the Taneytown Chamber of Commerce will be held in the Taneytown High School auditorium, Thursday evening, November 19th. The ladies of Baust Reformed church will serve the dinner.

A full program is planned for the silver anniversary event. Mr. Charles E. Webster, prominent businessman, of Harrisburg, Pa., will deliver the address.

"The Sentimentalists" a quartette from York, Penna., will furnish the music.

Persons are urged to join the Chamber of Commerce, not only for the privilege of enjoying this annual event but to show their interest in and helping to plan for the future of Taneytown.

## ELEMENTARY SCHOOL NEWS

Receipts from the school Food Sale held last Friday totaled \$170.00. Thanks to all who contributed in any way and helped with the sale. Money received will be used for the benefit of our children through the purchase of workbooks, supplementary reading materials, and various teaching devices.

Mrs. Thurston Putman, Chairman of the PTA membership committee reports that membership now totals 301. This is the highest number in the school's history and parents interest in the school is appreciated. Contacting so many parents represents a great amount of time and effort on the part of the membership committee and each member is to be congratulated. The original PTA budget included \$120.00 for the purchase of workbooks. Many of these have been received and are greatly appreciated by both pupils and teachers. PTA meets Tuesday November 17, at 8 o'clock. Mrs. Edw. Howarth is in charge of the program which will include numbers by the High School chorus and a library program relative to Book Week.

School visitation as part of American Education Week was well received with many parents present in all class rooms. In evidence was the number of fathers who came alone or with mothers. This is a fine spirit and as it should be. It is hoped that the number of fathers present will increase with each succeeding year.

Of interest to pupils this year is the cafeteria bulletin board arranged each month by Miss Ellen Jordan. The bulletin board begins the month as a panorama to which something is added each day. "What's new on the board?" is a frequently asked question as children enter the cafeteria.

Pupils of Mrs. Frances Crawford's room are planning a field trip to Baltimore on Wednesday, Nov. 18. The group intends to visit Friendship Airport, the Baltimore and Ohio Miniature R. R. Exhibit and Museum, Federal Hill, and the Planetarium of the Maryland Academy of Science.

## TANEYTOWN F.F.A. MEETS

The November meeting of the Taneytown F.F.A. was held Thursday evening, November 5, at the home of Donald Lawyer near Mayberry, with Theron Myers and Donald Lawyer in charge.

The meeting was called to order by the president, Donald Lawyer. Following the report by the secretary, Ray Slaybaugh, the group discussed the possibility of conducting a rat control campaign, Father-Son Banquet, and the County Public Speaking Contest.

The group decided to have their Father-Son banquet on January 20 with slides of the club members projects as the main feature of the program. The county public speaking contest will be held in the Taneytown High School auditorium on February 4, at 8 p. m., with the Elmer Wolfe and Mt. Airy Chapters invited to attend.

Following the business meeting refreshments and television were enjoyed by all.

The December meeting will be in charge of Melvin Bowling and John Dudderar.

## THE GIRL SCOUT NEWS

The first meeting of the Taneytown Girl Scouts met on Tuesday evening at the Legion Home with seven members and two guests present, Mrs. Ruby Lord and Mrs. George Marshall, Jr.

Mrs. Sterling Fowler Troop leader conducted the meeting. Mrs. Lord gave a short talk on "Scouting".

The Girl Scout "Promise" was learned and the laws were discussed. Each member was given one Tenderfoot Requirement to work on for a period of four weeks.

The meeting was closed with the singing of "America" and the silent hand shake. Refreshments were served. Respectfully submitted, BECKY DILLER.

## SERVICE CLUBS DINE

A delicious roast turkey dinner was enjoyed by the Taneytown Lions and Kiwanis Clubs Wednesday evening in the Grace E. & R. Church Parish Hall. The dinner was served by the ladies of the church.

Dr. Lowell Ensor, president of the Western Maryland College furnished the program in the form of beautiful slide pictures of his recent trip to Europe.

## ENGAGEMENT ANNOUNCED

Mr. and Mrs. Ralph P. Weibright, Detour, announce the engagement of their daughter, Imogene Irene, to the Rev. Dixon A. Yaste, son of Mr. and Mrs. Dixon A. Yaste, Sr., of Baltimore.

## TANEYTOWN HIGH SCHOOL NEWS

### The Journalism Class Reports Activities

Teachers and patrons of T. H. S. are preparing to serve the annual P. T. A. supper in the High School cafeteria on Nov. 14, beginning at 3:30 p. m. The menu will consist of turkey and oysters plus all the "fixins" of a feast, served family style. Because of the comfort and convenience of the cafeteria, guests seldom need to wait, and never in discomfort. A food sale will be held in addition to the supper. Mrs. Denton Wantz is supper chairman.

Dr. Hubert N. Aleya, of Princeton, New Jersey will talk on the topic: "Atomic Energy: Weapon for Peace" in the Westminster High School auditorium on Monday evening, Nov. 16, at 8 p. m. The program, recently featured in Life Magazine, will be sponsored by the Carroll County Teachers' Association. Tickets may be obtained from any Carroll County high school.

A number of parents took the opportunity to visit the school during American Education Week. On Tuesday, Nov. 10, visitors' day, an assembly was given at 2:15 p. m. for the benefit of the visitors and student body.

The assembly was opened by the singing of America by the audience, followed by Scripture reading by Suzanne Lawyer, the Lord's Prayer, and the Flag Salute.

A play, "We Hold These Truths" was the main attraction of the assembly. It consisted of three acts: "Life", "Liberty" and "The Pursuit of Happiness". The following people participated in the play: Speakers of the Prologue, Mary Alice Rue, Roberta Garvin, and Oneida Myers; Chorus, students of 9A, Joey Manning, David Bair; Grampa Manning, Merritt Copenhaver; Tommy Manning; Wayne Baumgardner; Mrs. Manning, Marsha Reifsnnyder; Barbara Manning, Arlene Reifsnnyder; John Dudderar; Miss Benson, Sylvia Kootz; Jimmy Hunter, Frank Henshaw; a friend, Sandra Walker; a grocer, Crawford Banks; a soldier, Donald Lawyer; a sailor, Ray Slaybaugh.

The assembly was produced by a joint committee, Mrs. Virginia Sanders, Miss Helen Bankard, Mrs. A. K. MacDonald, Mr. David Flora, and Mr. Bart Norman. Mrs. Wallace Yingling was in charge of the music.

On November 11, at 9 a. m., an interesting Antrim program was presented to the school. Mr. W. Emerson Scott, eminent traveler and writer, gave a talk and showed a full length colored movie on his trip "To the Arctic by Canoe". This movie showed "The Midnight Sun, Dog Sleds, Whale Hunt, Forest Fires, Reindeer Round-up, Indian Dances, the Mighty Mackenzie River, the Roaring Rapids and Ice Floes in Lake Superior".

National F. H. A. Week was celebrated by the T.H.S. chapter by attendance at the Lutheran church on Sunday morning, Nov. 7.

Patricia Flickinger was selected as a candidate for regional secretary for the meeting to be held at Middletown, Md., Nov. 21.

Snow delayed the dance, "Harvest Moon Hoedown", which was scheduled to be held Friday, Nov. 6, by the J.R. Class. The dance is now scheduled to be held on Nov. 20. Music will be furnished by the ever-popular Swingers.

Six parents were present at the regular Key Club meeting Tuesday as guests of the club. After the luncheon, the program chairman, Wayne Baumgardner, introduced the speaker for the day, Mr. Ernest Dunbar. Mr. Dunbar provided a very interesting meeting by showing some slide pictures which he took while on a recent trip to Mexico.

## KEYSVILLE MISSIONARY MEETING

The regular meeting of the Keysville Evangelical Lutheran Missionary Society began its meeting Tuesday evening by singing, "Where Cross the Crowded Ways of Life". Due to the absence of the leaders Mrs. Clyde Wilhide read the scripture lesson from Isaiah and offered prayer. The theme for the meeting was Spanish speaking Lutherans in North America. The members became more familiar with conditions in Puerto Rico as to population and industry also the influence of the Puerto Rican migration in New York City and the churches response to the needs of the Spanish speaking Lutherans.

Those taking part in the discussion were Kathryn Stine, Mary Devilliss, Anna Stonesifer, Mildred Stine, Ellen Kiser, Hazel Cluts and Ruth Wilhide. Mrs. Gregg Kiser ably reported on the recent convention in Baltimore, and Mrs. Mary Devilliss had charge of the quarterly Thank-offering service. A quartet composed of Mrs. Arthur Clabaugh, Mrs. Charles Trout, Mrs. Vernon Schaffer and Mrs. Carroll Dougherty sang "Take Time to be Holy" and "More Love to Thee." May we hear from them more often.

The topic folder for 1953-54 was distributed by Mrs. Roy Baumgardner. The regular business meeting was conducted by Mrs. Clyde Wilhide. The hostesses for the evening were Mrs. Vernon Schaffer, Mrs. Arthur Clabaugh and Mrs. Carroll Dougherty who served sandwiches, potato chips, pickles and coffee. Watch the paper next week for the announcement concerning the public Thank-offering meeting. A fine program is in store—don't miss it.

## LEADERSHIP TRAINING Held By Presbyterians in Frederick

November 5th dawned bright and invigoratingly cold. We left for Frederick early in the morning and the drive below the range of the beautiful Blue Ridge mountains never appeared more picturesque. The sun made patterns in blue and gold over the hills and valleys. The sky overhead was glorious with its deep blues and red-gold colors of the rainbow, reflected more brightly by snow-capped mountains farther west. The Swiss Alps couldn't be prettier than our own beautiful Blue Ridge.

We reached Frederick in good time and were cordially welcomed by the President of the Baltimore Presbytery, Mrs. Alice P. Wheeler and Dr. Esther Shaw, of the Frederick Presbyterian Church. After assembly and devotions Mrs. Wheeler, ably assisted by several leaders from Baltimore churches, gave an outline of our present activities and our tentative schedule for 1954 in the Mission field—at home and abroad.

At noon we enjoyed a box lunch and the fellowship of teachers and other students present. The ladies of Frederick Presbyterian church served delicious hot coffee.

In the afternoon Mrs. Suthern, (retired minister's wife) who had just returned from a world tour, talked on conditions around the world and what influences our missionaries have on other peoples in far-away lands. It is heart warming to think that one of our Christian educators can go forth into a war-torn country, (or remote part of our America) filled with illiterate and undernourished souls, and help them spiritually and physically. May God in His infinite wisdom help us all to be ever mindful of our fellow workers, and to become better missionaries at home and abroad.

Later we were assigned to class rooms for special courses which lasted for 55 minutes. The classes were over all too soon, but home duties were calling and school adjourned with a closing hymn and prayer. Goodbyes were said with the hope of meeting our friends again in the not too distant future.

Those attending Institute Training were the Misses Annan, Miss Anna Galt, Mrs. Charles Stambaugh and Mrs. James Lord, Jr.

Rev. Fred Tinley, missionary to Mexico, will show slides at the Presbyterian church in Emmitsburg, on Wednesday evening. The public is cordially invited.

## WOMEN'S GUILD

The regular meeting of the Women's Guild of Grace E. & R. Church was held Thursday evening in the Sunday School room. The meeting was in charge of the Thankoffering committee, Mrs. Romaine Motter, chairman. Mrs. George Motter was the pianist.

The topic for the evening was: "The Bible Speaks to us Today—About Personal Religious Living." The leader read the Prayer to Worship and led the group in prayer. She then read a meditation on the topic and explained the purpose of the program.

Mr. Neal Powell, portraying the part of the Pilgrim, related times in his life when stress and worry, sickness and pain were about to overcome him while the Voice, portrayed by Mrs. Neal Powell, quoted from the scriptures verses which were uplifting and had a powerful influence in the Pilgrim's life. Everyone was keenly aware of the rich blessing of the Bible and the vast power it gives us and the many new doors which it opens for us.

All joined in singing the hymn, "Break Thou the Bread of Life" after which some of the members quoted their favorite Scripture verses. Mrs. Motter read the concluding meditation and the offering was received and consecrated. The group sang the hymn, "Take My Life and Let it Be." All joined in praying the Lord's Prayer.

Allen Baumgardner rendered a violin solo, "Song of the Yearning" by Tolhurst and was accompanied by Mrs. George Motter. A vocal solo, "Through the Years" by Heyman was sung by Mrs. George Motter and accompanied by Mrs. Romaine Motter.

The business meeting was in charge of the president, Mrs. G. Emerson Rue, who welcomed everyone in attendance. It was decided to again hold a White Gift Service which is to be held on the first Sunday night in December. Our Thankoffering service will be held November 22 in connection with the regular morning worship with Dr. L. C. T. Miller as the speaker.

No further business, the meeting adjourned with a brief social period to meet in December with the Christmas committee in charge, Mrs. Ralph Stonesifer, chairman.

## COURSE IN HOME CARE

A course in Home Care of the Sick is being given to 9 homemakers at the new Carroll County Medical Center near Westminster. Members of the class are all from Ladies Auxiliary to the Westminster Fire Dept. The course will be 14 hours in length and at its conclusion each person in the group will be certified. The last class will be completely "Civil Defense instruction". The instructor is Mrs. John Wisner, of Manchester. This course endeavors to teach all easier and more efficient methods of Care of the Sick in the home. It is important that all homemakers avail themselves of this instruction. Another class can be organized either individually or through club members at the Red Cross headquarters. Please phone West. 212 if you are interested. Mrs. George Eppler is chairman of the nursing services.

## PLANS MARCH OF DIMES CAMPAIGN

### Workers' Dinner Held at Hoffman's Inn

Miss Catherine Gaule, Maryland director of the National Foundation for Infantile Paralysis, told the county workers last week that the 1954 March of Dimes campaign will be the greatest campaign ever conducted. Miss Gaule was the speaker for the annual workers' dinner that was held at Hoffman's Inn. The nation has been asked to raise \$76 million dollars half of that amount will be devoted to the new vaccine discovery and 19 million dollars towards the gamma globulin distribution already effective. Work with the new vaccine begins in December in designated parts of the country.

Carroll County has been asked to raise \$21,000, its share toward the new vaccine discovery. Last year the campaign realized \$15,536. Every community in every district will be asked to participate in the 1954 campaign so that no one person will be overlooked. Everywhere the response is great in volunteer services, each worker enthusiastic in the prospective of having this vaccine as soon as possible, and to be put into action. Every state in a designated area, will be a part of the new experience. Along every line laboratory research will be expanded to continue this great work, now certainly the hope of the nation.

A film presenting Helen Hayes, who heads the women's activities over the country, was of tremendous value in the educational program. This new film has been purchased by the chapter and is available to all organization and district workers and will be at the Carroll County Chapter Headquarters at 67 West Green Street, Westminster. Mrs. Helen lost her daughter, her only child last year as a polio victim and she will travel over the nation in the coming campaign as a volunteer worker.

Mrs. Gladys M. Wimert, chairman of the Carroll County Chapter, will serve as campaign director for 1954 and she will be assisted by C. Rogers Hall, Sykesville, an attorney of Westminster. Mr. Hall was sworn in November 4 as the new Trial Magistrate for Carroll Co., appointed by Governor Theodore R. McKeldin, and he succeeds the late J. Francis Reese. Miss Gaule will orient Mr. Hall in his new volunteer work. At the same time Dr. R. P. Klinger, Jr., will receive his instructions as director of the Westminster district. In making the secretary and treasurer's report, Mrs. Kathryn Diffendal, reported six new polio cases during the year and 25 rehabilitation cases taken care of and over \$8500 spent during the year, which was more than the campaign provided for last year. Less than \$1000. is in the treasury to continue financial aid to polio patients and those who continue to need help, until the campaign funds come in. One month's hospital bill at Kernan's Hospital is \$256. One case in the county required more than \$2000. the past year. The operating expenses for the local chapter was given at \$209. for the year. Mrs. Elizabeth Griffin, county treasurer, submitted her report through Mrs. Diffendal.

The county was well represented at the dinner meeting, presided over by the chairman, Mrs. Wimert. John Wooden assured his full cooperation through the public schools of Carroll county. Mrs. Helen Reese outlined some of her work as head of women's activities, as did Mrs. Mabel Reese who will handle the Mother's March on January 27. Mrs. Mary Lee Matthews told of the assistance given through the Carroll County Health Department and its nurses in all polio cases.

New workers in the campaign this year will be Stewart Young, who heads the youth activities working through the 4-H clubs. The county 4-H clubs will hold the kick-off for the campaign in the form of a square dance on Saturday night, January 2, in the gymnasium of the Westminster High school. A representative of each club will bring their contribution to the March of Dimes to this dance and they are asked to have the check or cash in an envelope clearly marked with the name of the club and the amount so that each district will receive credit for the amount.

With the showing of the new Helen Hayes sound movie, Eugene Ensor, will be in charge of showing the film, when and where requested, at night meeting if no machine is available. His wife will assist him.

John Donofrio, working with the Westminster-Civitan Club in the March of Dimes Ball and popularity contest, and the battle of the milk bottles, outlined these projects and offered similar help to any district who might be interested in this type of campaign promotional.

The workers were given their materials. The new coin collectors are in the shape of test tubes, keeping before the public constantly what this campaign can accomplish towards the vaccine. All materials may be displayed beginning December 27 and collected not later than February 6. All activities are centered on January for the full month.

## JUROR REPLACEMENTS

There were three juror replacements to serve on the November term of the Circuit Court for Carroll County. They were: Taneytown District, Robert W. Feesser; Freedom District, Richard Burton and Hampstead District, William J. Matthews.

## "SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)  
With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health—life's greatest wealth!  
I wish you always near so that I may help to cheer  
Each future day and in some way—help to bring you happiness!

What a surprise to everyone as they arose and looked out of the window last Friday morning to see Old Man Winter had pulled a fast one overnight with the pure white stuff! The wise farmers already had erected the snow fences which only goes to show as with this Colunist, "NEVER PUT OFF ANYTHING FOR TOMORROW WHICH CAN BE DONE TODAY!"

And thinking of winter, Ladies those "RED FLANNELS" are again the thing for the entire family and in the most beautiful shade of red! The very next dress you purchase ask to see the fabric of CEANESE AGTATE WITH RAYON. It is Wrinkle resistant, cleans more easily and dries more quickly plus holding its shape, resistant from Moths and Mildew! Nice?

The "Cake Contest" at Sears brought exactly 400 ladies with their favorite recipe for the Betty Crocker cake Mix and the lady who won top honors with a lovely up to the minute gas range for the first prize placed nuts and raisins in the mixture plus a "Mocha" icing!

Christmas is in the stores with all kinds of imported gifts for Milady and it is toys, toys, TOYS just everywhere! Whatever you do when you send out Greeting cards this year, folks be sure you write your name instead of the engraving and printing. When you have the latter done it real—

## TO THE EDITOR OF THE CARROLL RECORD

A dangerous situation confronts every Carroll County farmer and resident who lives on a county road each time we have a light snow and high winds! Snow drifts these roads closed completely isolating the residents from all outside help for periods of 12 hours to two days or more. A serious illness, no doctors, no ambulances. A fire, no fire fighting equipment. A prowler, no police protection. So much for the menace to life and property.

The dairy farmer cannot get his milk to market. His children cannot get to school and there is no mail deliveries.

When the writer complained to those in authority that the county road on which his farm was located (Hoods Mill Road near Sams Creek Road at Day) was closed by drifts, the complaints were met with complacency. The road would be open as soon as possible—maybe Sunday or Monday. When asked if they thought the county was coping with this dangerous situation in the best interests of the community, the writer was told "yes". This in spite of the fact that the County has no emergency plan to cope with such situations. It was admitted by one authority that the first plows out in the county got out at 9:00 p. m. Friday yet it had been snowing since morning and the snow had started drifting in the middle of the afternoon.

The County needs a plan of action for such emergencies. It needs snow fences at known danger spots. And it needs the help of your paper in bringing about a solution to a dangerous situation that confronts all residents of Carroll County.

Sincerely,  
EARL C. BLANKENSHIP, MD.  
Route No. 1, Woodbine, Md.

## PINEY CREEK BROTHERHOOD

The Brotherhood of the Piney Creek Presbyterian Church met last Monday night in the social hall of the church. Mr. Roland Harver presided. Rising votes of thanks were given to Mr. Norville P. Shoemaker for his excellent service in providing provisions for the annual oyster social of the Piney Creek Church; and also to Mr. Norman R. Hess for the electric steamer he so kindly donated. The brotherhood was entertained by Mr. George W. Crouse who showed moving pictures from his trips in Florida and Cuba.

Annual Farm Bureau Meeting  
The Carroll County Farm Bureau annual meeting will be held in Westminster High school Dec. 5. Suppers will be served members by the Associated women. Plans are being made for an interesting program. Directors will be selected to replace out going officers: Horace Brauning, Luther Hoffman, Randall Spoerlein, Earl Wilhide, Roby Farver. Also elections for President and Vice-president. At the same time the Associated Women will hold their elections for new officers for the ensuing year.

This is a popular meeting and with the largest membership in the history of the county, 1,001 farm families, a large attendance is anticipated.

## HOMEMAKERS NEWS

The Keysville-Detour Homemakers Club will meet at the home of Mrs. Edward Coshun at Redland on Thursday afternoon at 1:30, Nov. 19. The meeting is being held in the afternoon because a health officer will be present to speak on "Health in the Home". The Home Management Chairman, Miss Vallie Shorb and Mrs. Charles Dougherty, have had charge of arranging this meeting. Please note the change of time from evening to afternoon.

Rev. G. H. Enfield spent Tuesday and Wednesday in Pittsburgh with his son, the Hon. Clifton W. Enfield, who was representing the State of Oregon in an official capacity, at the Convention of the National Association of Highway Officials.

#### HORSEPOWER ON THE FARM

The National Grange Monthly recently ran an article in which it discussed some of the tremendous changes that have taken place on the farm in a span of years.

In 1920, it said, each farm worker had about 5.2 horsepower at his command. In 1950 he had 33 horsepower, and he has more today. Agriculture has become the largest user of power in the country. To quote the magazine directly, "The American farmer can afford a tractor to cultivate his land, machines to do various kinds of work, a truck to haul his produce to market, and an automobile for the family. He can send his son to high school and college, and have other advantages that tillers of the soil never before have known anywhere."

We all know how the machine utterly transformed manufacturing industry. The machine's transformation of the arts of agriculture is no less thorough. And, just as the machines that industry uses today are infinitely superior to those of the past, modern farm machines are so much better than their predecessors as to almost defy comparison. And their capabilities are not confined to making possible greater and more efficient production of food and fiber at a lower cost. The machine is the farmer's most effective ally in improving and conserving irreplaceable soil. Today's farming is a business. The machine has made it that.—Industrial News Review.

#### GRASS ROOTS OPINION

CLIFTON FORGE, VA., DAILY REVIEW: "As publishers of a daily newspaper, press freedom is not a right which is ours, alone. We are simply trustees of that right on behalf of the people. And we shall be ever mindful of that trust."

OLYMPIA, WASH, DAILY OLYMPIAN: "We Americans will continue to invite curtailment of our individual liberties and encourage excessive and destructive tax rates until we regain enough common sense to get government out of all business, restrict its functions, terminate many of the services it now is provided, and compel it to surrender controls which are vitiating our economy."

BOSTON, MASS., COMMERCIAL BULLETIN "Government has its obligations to agriculture—but on sound economic principles for the national welfare."

HOLBROOK, ARIZONA, TRIBUNE-NEWS: "Most things are being over-produced in America, and some genuine study and research should be devoted to developing wider outlets, greater consumption, or new markets, and these can come by full employment, thrift and a national economy as free from regulations as possible."

RED CLOUD, NEB., COMMERCIAL ADVERTISER: "Except for rent, the market was virtually free by the time spring building got well underway. Federal rent controls lingered until the end of July, then were ended in all but a few critical defense areas. With this new elbow room, and the assurance of Congress that controls would not arbitrarily be reimposed, builders surged ahead to set new records."

#### FROM ENVELOPES TO ELECTRICITY

For many years the government has made a business of printing return addresses on stamped envelopes. It knocks thousands upon thousands of local printing establishments and country newspapers out of hundreds of thousands and probably millions of dollars worth of business annually. This deprives government of taxes which would be paid on the business

were it carried on by private citizens.

There is nothing the local printer can do about it unless he can get the law changed. This is also a good example of how once government is established in business, its hold can seldom be broken.

While printing return addresses on envelopes might be called a matter of small concern in the field of business, it is the principle involved that should interest everyone. From printing envelopes government has gone into many lines of business, most outstanding of which has been a 20-year crusade to create a federal electric power monopoly. Already some 20 per cent of the nation's power production is included in such a program. A large part of it is wholly tax-exempt. Some of it contributes comparatively small amounts to help with local taxes—it escapes all federal taxes.

From printing envelopes to half billion and billion dollar tax-exempt federal projects is quite a step, but the private citizens out of business is the same. It is only another step for the government to sell groceries, automobiles, or to print newspapers "at cost", etc. It is all in the socialistic picture as it gains headway.—Industrial News Review.

### THE SALT OF THE EARTH

Special Series for Delaware, Maryland, New Jersey

#### Sweet Potatoes Justify Care

One of America's finest contributions to good eating, the sweet potato, appears to be moving into a new cycle of popularity. Per capita consumption is gaining. The national as well as the Tri-State area crop is greater than in the previous two years, though still under the 1942-51 average. The national production of canned sweet potatoes hit a record 4,167,055 actual cases in 1952.

Latest government forecast is of continued strong demand in 1954 and further increase in consumption if supplies permit.

#### Tri-State Big Source

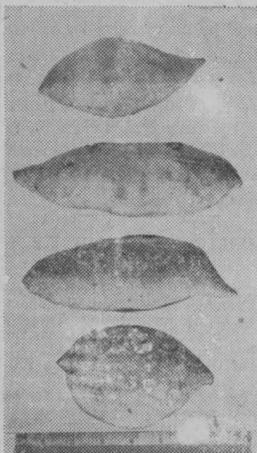

Tri-State growers have quite a stake in this. Delaware, Maryland, New Jersey and Virginia form the third largest growing area in the nation, with the total area crop expected to be about 15 per cent over 1952 or around six million bushels this year. New Jersey's 15,000 acres may yield a 21 per cent increase; Maryland expects about a 15 per cent increase. The national crop will be up about 21 per cent.

Although many growers have realized a good, steady demand from processors for their sweet potatoes, with virtually an assured market for the No. 2 size, the importance of the processed product in the area may come as something of a surprise. The pack of canned sweet potatoes was pioneered in the area and today more than half of the country's total stocks comes from here. The average has ranged about 1,250,000 cases annually. Including Virginia production, the total went from over a million and a half cases in 1951 to more than two million last year.

It pays, then, to follow good harvesting practices such as clipping vines just before digging; making sure digger does not cut or bruise, which starts decay; avoiding shaking vines to get potatoes; sorting promptly; getting the crop in before killing frost, according to Dr. Charles H. Nissley at Rutgers University. He recommends that growers save their own seed if possible but adds that before potatoes are pulled the stems should be split to make sure they are white inside. If brown, stem rot (or wilt) is indicated and no potatoes should be saved from these.

#### Crop Research Growing

Much of sweet potato research lately has included varieties for

New high-yield and crack-resistant Sunnyside variety.

processing, which requires good quality, fine appearance and color and desired texture. The Jersey Orange and Maryland Golden varieties, standards of quality for processing, are constantly watched and improved. Causes of cracking have received close study.

And just this year two new varieties were introduced for Maryland which according to Dr. Francis C. Stark, are excellent for processing. One, Oklahoma No. 46, has resistance to root-knot for areas particularly troubled with this pest. The other, Sunnyside, is superior as a processed product. Canned in sirup—most popular style—it has very bright color and pleasing appearance. Yields have been high; both are very resistant to cracking, Dr. Stark adds.

Rutgers has included these in its variety trials, finding both justifying wider trial, on a larger scale.

The fifty-eighth Congress was opened in extra session Nov. 9th., when a speaker and officers of the House of Representatives were elected.

The November term of the Circuit Court for Carroll County began Monday, with Associate Judge Thomas on the bench.

On Nov. 4th., 1903, in Uniontown Mr. Edwin C. Koons was married to Miss Annie K. Gilbert by Elder W. P. Englar.

The School Commissioners for Carroll County held a regular meeting in their office at the Court House with all members present on Monday 9th. The Board discussed the propriety and practicability of putting the "Rand, McNally Maps" in all county schools, taking a certain number of schools per year until all the schools are supplied.

Taneytown indulged in two political demonstrations this week. On Tuesday night several hundred of the untried Republicans went up "Salt River," accompanied by band and drum corps; and on Thursday night the Democrats celebrated the result in a torch light parade, with three bands and drum corps.

Last week 2250 hedge plants were set around the Lutheran Cemetery and 39 Norway maple and Ginkgo trees planted on the inside of the hedge, and on both sides of the main drive. This old burial place of the Lutheran congregation has been greatly improved during the past two years.

**SALE OF CHRISTMAS SEALS  
BEGINS NOV. 16th**

Tuberculosis costs the American people every year more than \$350,000,000, most of it in tax dollars, Mr. Preston G. Coffman, chairman of the

1953 Christmas Seal sale said today. He announced that the annual Seal sale to raise funds to support the tuberculosis prevention and control work of the Carroll County Tuberculosis Association will open Nov. 16th.

"Can the people of this community afford to pay the price for a disease which can be prevented and can be cured?" Coffman asked. "Christmas Seal dollars spent now for prevention of tuberculosis are an investment in human life, the most precious of our natural resources. They also mean tax dollars saved in the future."

He explained that funds contributed by Carroll County residents through their purchase of Christmas Seals are not used for the treatment of TB patients or for relief to their families. "The total of Christmas Seal contributions in the United States last year would not be enough to pay for weeks of treatment for all known TB patients. We believe that the most economical way of spending Christmas Seal money is on prevention of the disease."

"Every one of the deaths from TB in this community and every case now on the rolls of the health department represents a human tragedy to a wide circle of people as well as a serious financial loss to the community as a whole. The TB association hopes, with the proceeds of the 1953 Christmas Seal Sale, to expand its efforts to fight the spread of this disease," Coffman said.

Last year, Carroll County citizens contributed approximately \$5500.00 to support the Association's work. Coffman said that at least \$7,000.00 will be needed to carry on a moderately expanded program for 1954. "But I confidently believe that through generous purchases of Christmas Seals during the campaign, from Nov. 16 through December, the people of this area will give the green light for a much more intensive effort aimed toward wiping out a disease which threatens all of us."

Now, Mrs. Housewife here is that famous Chicken, Chinese Sub-Gum Soup which your entire family will relish. You may double the quantity, 6 cups of chicken broth, 1 can La Choy mixed Chinese Vegetables (drained well and contents finely chopped) 3 eggs beaten, La Choy Sauce and pepper to taste. METHOD—Add La Choy Vegetables to boiling broth and cook only five minutes. Then pour beaten eggs into broth, stirring slowly until the eggs form small "flowers." Season to taste with La Choy sauce and a little pepper. Mmmmm . . . mmmmm—good!

A reader of this column has requested information as to the birth date in Astrology as to the girl he loves. Sir, that sign which is between the 20th of Nov. and the 20th of Dec. is truly a very beautiful one and make grand wives. They are thrifty and most intelligent, plus beauty all throughout life. They many times are not affectionate as they are very deep and do not show their emotions consequently people may think they are cold and distant but they are all depth.

"CLEFSMEN" TO PLAY FOR DANCE

The Taneytown High School Alumni Association has announced that "The Cleftsmen" will furnish the music for their sixth annual Thanksgiving Dance. The dance will be held in the High School auditorium on Thanksgiving night, November 26, from 9 until 12.

The contract with "The Cleftsmen" was finally signed, after considering several good orchestras and hearing many comments on them all. This will be the first that the 6-man band has appeared in Taneytown, but they are widely known and have an enthusiastic following throughout South Central Pennsylvania. The Alumni are proud to bring this group to Taneytown to play for what has traditionally become the dance of the season here.

Committees report that, weather permitting, this year's dance should be one of the biggest and best yet. Reports and final plans will be made at Monday evening's meeting. A special meeting of the decorating committee will be held immediately following the business meeting. That committee comprises of Miss Caroline Shriver, Chairman; Mr. and Mrs. Robert Waddell, Leo Sanders, Mrs. Betty Naylor, Donald Carl and Miss Joan Baumgardner.

WITH THE 1ST INFANTRY DIVISION IN GERMANY

Robert W. Stouffer, 19, son of Mr. and Mrs. George H. Stouffer, Union Bridge, Md., was recently promoted to sergeant while serving with the 1st Infantry Division in Germany.

The only American division to remain in Europe since World War II, the 1st Infantry is receiving intensive training as part of the NATO defense force.

Sergeant Stouffer, a tank commander with the division's Tank Company, entered the Army in Sept. 1950 and arrived overseas in Jan. 1951. He attended Elmer A. Wolfe High School in Union Bridge.

Price support for the 1954 crop of wheat has been set at \$2.00 per bushel for a national average.

Beef is plentiful and relatively inexpensive. Eat more of it.

The margin between the selling price of live cattle and retail beef prices is greater than it was several years ago but has widened but very little during the past 18 months, during the time of sharp declines in cattle prices, according to the U. S. Department of Agriculture.

More than 97 per cent of Maryland farms are electrified.

Serve baked apples with topping of cream cheese softened with cream and beaten until fluffy.

Light colored honeys are usually the mildest in flavor.

Because of its natural flavor and color, honey is at its best uncooked.

Extracted and comb honey keep best in covered containers in a dry place at room temperature (70 to 80 degrees).

For hot desserts, try honey hard sauce—cream honey with one-half as much butter until well blended.

Sweeten whipped cream with honey for a good topping on plain or fruit ice cream or gelatine desserts.

The investment for each farm worker is estimated at \$20,000 compared to \$15,000 for each factory worker.

Some New Jersey sweet potato growers have been so successful with their storage that losses have been kept to 5 to 10 per cent.

Egg consumption per person is now one-third greater than it was before World War II.

Corn picker accidents are usually the result of haste and carelessness.

Sunday around noon Willie Lee Bowers, 39, of Fredericksburg, Va., a member of a Washington motor cycle club was killed near Crouse's Mill. The driver of the car with which he collided was Miss Virginia Eyer, 18, of LeGore. She was coming up a hill and around a curve on Crouse's Mill road when she saw the motorcycle coming toward her, the sergeant said. Miss Eyer pulled as far off the road as she could and landed in a snow bank. But the cyclist, coming down the center of the road, apparently did not see her car in time. The motorcycle hit the front left side of the car and Bowers was thrown through the air. He was pronounced dead at the scene.—Baltimore Sun.

The Mission Circle and the Women's Missionary Society of Trinity Lutheran church had a joint meeting on Wednesday evening with a good attendance of both societies. The devotions were by the Circle leaders, Mrs. Herbert Bowers and Mrs. Kenneth Smith. Miss Mary Alice Rue played a piano solo. Mrs. Marie Wagerman gave a monologue. The leaders from the Women's Society were Mrs. Franklin Fair and Mrs. C. C. Hess. The topic "Spanish Speaking People in America" was presented by Mrs. Fair, Mrs. Hess, Mrs. Herbert Bowers, Miss Belva Koons, Mrs. Elvin Bair, Mrs. William Hopkins, Mrs. A. D. Alexander, Mrs. Mervin Conover and Mrs. Ernest Dunbar. Mrs. Gregg Kiser gave an interesting and detailed report of the recent Synodical Convention in Baltimore. It was voted not to bring a gift at the Christmas party but instead give a gift of money. This will be used to purchase something for the new church.

SALE OF CHRISTMAS SEALS

The red Double-barred Cross, the registered trademark of the National Tuberculosis Association, begins its 52nd year today as the international symbol of the war against tuberculosis, according to Preston G. Coffman county Christmas Seal Sale chairman. "Whatever the design of the Christmas Seal", Coffman said, "The red Double-barred Cross appears on it each year, assuring those who buy Seals that their contributions will be used effectively in fighting tuberculosis."

County residents will get a close look at the 1953 Christmas Seal on November 16, the opening day of the Seal Sale which will continue through December. The sale of Christmas Seals by mail is the chief means of financial support for the tuberculosis prevention and control program of the Carroll County Tuberculosis Association. The red Double-barred Cross appears at the right in this year's Christmas Seal design, which features the joyful face of a child singing Christmas carols. This symbol is the registered trademark of the NTA with which the Carroll County Tuberculosis Association is affiliated.

"The red Double-barred Cross," said Mr. Coffman, "is the guarantee to all of us that the war against tuberculosis will be carried on with increasing vigor. Each one of us who buys and uses Christmas Seals helps to make our community and our country a safer, healthier, happier place in which to live."

SOCIAL SECURITY TAX RATE WILL BE RAISED

The social security tax rate for persons whose work counts toward old-age and survivors insurance is scheduled to increase on the first of January 1954, manager of the Baltimore (North) social security field office, reminded employees, employers, and self-employed people today. This scheduled increase in tax contribution is in accordance with the 1950 amendments to the social security law, and was enacted by Congress in anticipation of future obligations of the program. Employees in jobs covered by the law will have 2 percent instead of the present 1 1/2 percent deducted from their pay beginning with the first of January up to earnings of \$3600 a year; their employers will contribute an equal amount.

The new rates will apply to all taxable wages paid after December 31, 1953, regardless of when earned. The social security tax for the self-employed is scheduled to increase from the present 2 1/2 percent to 3 percent, for the period commencing January 1, 1954. Since the self-employed whose work is covered by the law pay their tax just once yearly at the time of filing their Federal income tax return, they will pay the present 2 1/2 percent social security tax on their 1953 income that counts toward social security. This will be due not later than March 15, 1954. Their first payments at the increased rate of 3 percent will be due March 15, 1955, for the calendar year 1954.

In the meantime the Internal Revenue Service reports that employers will be furnished late this year with income tax withholding tables and Federal Insurance Contributions Act (social security taxes) tables reflecting rates applicable next year. The next scheduled increase, six years from now, in 1960, will be to 2 1/2 percent each for employer and employee, and to 3 1/2 percent for the self-employed.

THINGS TO DO AND NOT TO DO

We beseech you, brethren, to respect them that labor among you and are over you in the Lord and admonish you, and to esteem them very highly in love because of their work. Be at peace among yourselves.

And we exhort you, brethren, admonish the idle, encourage the faint-hearted, help the weak, be patient with them all.

See that none of you repays evil for evil, but always seek to do good to one another and to all.

Rejoice always, pray constantly, give thanks in all circumstances; for this is the will of God in Christ Jesus for you. Do not quench the Spirit, do not despise prophesying, but test everything; hold fast what is good, abstain from every form of evil.—I Thessalonians 5:12-22 (Revised Standard Version).

"Atomic Energy: Weapon for Peace" will be the topic of a demonstration talk to be given by Dr. Hubert N. Alvey, Princeton, N. J. in the auditorium of the Westminster High School on Monday evening, November 16, at 8 p. m. The program, recently featured in Life Magazine, is sponsored by the Carroll County Teachers' Association. Tickets may be obtained at any school.

TV'S EXTRAVAGANZA

THE FRED WARING SHOW takes over its fifth season on CBS-TV this fall (Sept. 27, 9:00-9:30 P.M., EST.). Waring, master showman (at top left) made his first phonograph record 30 years ago in September. Today it takes 60 talented people before the camera and an equal number behind the scenes to produce one of the TV-GE-Waring extravaganzas. The success of Waring's show hinges on the fact that each singer and musician must be an all around talented star plus having eye-appeal. Bernadine Read, (lower left), glee club member, "majors" in singing, Daisy Bernier (top right) is song stylist-commedienne-et. al, and at lower right is Joe Marine, whose forte is ballad soloist. ### THE BIBLE SPEAKS

International Uniform Sunday School Lessons

Scriptures: Leviticus 25:18-22; Deuteronomy 8:11-18; Psalm 24:1; Malachi 3:7-10; Matthew 25:14-30; Luke 12:13-34; 21:1-4; I Corinthians 16:2.  
Devotional Reading: II Corinthians 8:1-9.

### Stewards Of God

Lesson for November 15, 1953

IF THERE is anything the Bible teaches clearly, it is that man does not own this earth. It is given him, not permanently, not to do with as he pleases, not to waste, not to use selfishly; but given him, to each generation, to use for the service of man and to the glory of God. Man is expected to contribute something of his own toil and thinking; expected to put something in as well as take something out. Human nature being what it is, we tend to take credit to ourselves for all we possess. However, when a man honestly recognizes how much of what he has comes to him as a gift from God, he can see that his life is a partnership with God, and that God as an investor in the human enterprise has the rights of a senior partner and owner of most of the stock. To act as if we ourselves were the lords of creation is plain dishonesty.

Dr. Foreman that God as an investor in the human enterprise has the rights of a senior partner and owner of most of the stock. To act as if we ourselves were the lords of creation is plain dishonesty.

### The Church, God's Special Agent

Let it be said again, though it has been said before: The church is the one community on earth which is devoted solely to carrying out the purposes of God. The church is God's channel of action; the church is the body of Christ through which our Lord lives and works. The church is the one organization devoted to the "ideal world"—the kingdom of heaven—which aims at bringing about that world through the most fundamental of all methods, transforming life from within. The church is the one organization on the planet whose aims actually go beyond time, for its intention is to prepare men not only for usefulness here under the sun but for eternal life.

Now you would think that church members would realize this and act accordingly. But most of them do not. (Query: Is a "church member" who neither knows nor cares what the church is doing, a real member at all?) Look at these facts: Out of the total income of church families throughout the U. S. A., only 1.1 per cent is being given to churches and their work. Only 1.83 per cent of taxable income is deducted for gifts. Only about 45 per cent—less than half—of the present membership give anything of record for local church support; and only about 30 per cent give anything to the outreaching benevolent activities of the church. You might not be surprised that non-Christians are selfish; but when more than two-thirds of the enrolled church members don't put in one red cent for the unselfish purposes for which the church exists, something is rotten in Christendom.

### Four Points In The Christian Program

Let us come to some more brass tacks. There is no argument among the leaders of all Christian churches that there are four major emphases in the program of the church. 1. Evangelism—winning new Christians. (If you don't believe in that, you are voting for Christianity's sickness and death.) 2. Christian education—training better Christians, learning how to serve as Christians in every walk of life. (If you don't believe in that, you are voting for an infantile kind of Christianity, blind to the problems of life today.) 3. Missions—spreading Christianity into new territories. (Don't forget that if it had not been for missionaries, your own race would never have heard the gospel.) 4. Stewardship—the active recognition of God as giver of life and life's possibilities, of God as senior partner in our lives, of the fact that what we have, we hold in trust for him.

Now it must be clear to any one who will take the time to think it over, that if point four is left out, the other three will just collapse.

### What Is Your Church Doing?

At the grass-roots of this whole problem is the local church. What is yours doing to improve this situation of neglect? Does the minister preach on stewardship? Is stewardship studied in the church school? Do the adult study classes ever look into this matter seriously? Are new members "briefed" about being stewards of God? Do the young people's programs ever go into this?

### Let's Think

by G. H. ENFIELD

As you sweeten your disposition at the same time you sweeten the dispositions of others.

A growing certainty tends to eliminate groping in darkness.

A gift that isn't worth acknowledging isn't worth keeping.

There are many who go hunting for "ring-necks", and some of these hunters are shot down by "roughnecks".

In some communities employment seems so scarce that there are people bent on attending to your business.

More people are deceiving themselves than are being deceived by others.

When before has there been so many arrests of law-enforcement officers? What has become of the high moral standards of the past?

## Why more than a million owners this year have chosen the "Worth More" FORD!

They have discovered first hand what the surveys show... Ford, with all its fine-car features, is worth more when you buy it, and worth more when you sell it!

OVER A MILLION OWNERS can't be wrong! Ford is the one fine car in the low-price field. It gives you the "GO," the style, the comfort, and "build" of cars that sell for far more. And, it's only natural that Ford keeps its value better, in resale, than any other car on the American Road. Check the features below for some of the "Worth More" reasons for the swing to Ford.

**Lowest-priced V-8 in America!** And the only V-8 in the low-price field. Ford's high-compression V-8 power plant delivers its "Go" on regular gas!  
**Most Modern Six** of all is Ford's high-compression, low-friction Mileage Maker. With Overdrive, it was the winner in 1953 Mobilgas Economy Run.  
**Smoother Ride**, with front end road shock reduced up to 80%, is another Ford big-car feature . . . and you get it without gas-eating extra weight.  
**Fine-Car Build** means using steel of the same quality and thickness as in costlier cars. Ford is the most completely insulated car in its field.  
**Fordomatic Drive** is the only "automatic" in its field with the "Go" of an automatic intermediate gear plus the smoothness of a torque converter.  
**Finest Power Steering**—that's Ford Master-Guide. Does up to 75% of the steering work yet retains normal steering "feel" on the straightaways.

WOMAN'S WORLD

Serve Fresh Fruits For Luscious Salads With Eye Appeal

THERE'S both health and refreshment in the fresh fruits now available so plentifully, so make it a habit to have a big, appealing salad daily. With cheese, they can make a luncheon that's perfectly delightful; for dinner, they can be used as a salad-dessert to do double duty.

Before the watermelon season is over, serve this colorful combination of stuffed prunes and watermelon. It's a tempting preparation loaded with eye and taste appeal! There's a surprising affinity in the flavors, too, with the rich, meaty prunes and crisp, succulent watermelon:

High Color Prune Salad (Serves 4)

- 16 cooked prunes
- 1/2 cup grated soft American cheese
- 1 3-ounce package cream cheese
- 4 rounds watermelon
- Sliced cantaloupe
- Lemon wedges
- Salad greens

Slit prunes down one side and remove pits. Blend together the American and cream cheese, adding a small quantity of cream or mayonnaise if mixture is too thick.

CRISP AND LUSCIOUS is this salad which features rosy pink watermelon, slices of cantaloupe and prunes stuffed with a combination of cream and American cheese. It's designed to appeal to appetites on the basis of color and food appeal even on the hottest day.

Fill prunes with cheese mixture. Peel watermelon. Cut into rounds about 2 inches thick and 4 inches across. Hollow out centers of watermelon rounds, removing all seeds and leaving the bottom and sides whole. Place 4 stuffed prunes in center of each round and separate with short, thin slices of cantaloupe. Serve with lemon wedges on garnish salad plates.

Here's a lemon dressing which you'll like with fruit salads for proper tartness:

Lemon French Dressing (Makes 1 cup)

- 3/4 cup olive or salad oil
- 1/4 cup fresh lemon juice
- 1/4 teaspoon salt
- 1/4 teaspoon black pepper
- 1 clove garlic, mashed, if desired
- 1/4 teaspoon powdered dry mustard

Stir until well blended. Strain to remove garlic. Refrigerate.

Keep All Medicine Chests Well Stocked

Keeping the home medicine chest in constant readiness may seem like a tall order, but it's really a simple matter if you'll just spend a short time with it. Find out what you have, then check below to see what's needed.

There always comes a time for an emergency, and you'll wish you had a medicine chest in good order. This is true whether your personal concern is a one-room apartment, a rambling ranch house, or a shack where you're vacationing!

Antiseptic, Bandages

One bottle, and it may be small, of antiseptic is essential. It should be dated, on the label, when purchased, as chemical changes do occur and decrease the effectiveness. Discard an old antiseptic, even if not used, and renew.

Bandages provide protection for cuts and scratches by keeping out dirt. You don't need many on hand, but you do need them in sealed, sterile condition.

For small hurts, a good choice is a flesh-colored plastic strip, or patches or tiny circular spots. Larger hurts require a package of sterile gauze pads individually wrapped and a roll of adhesive tape as well as a roller bandage.

Cotton balls are handy because they're sterile and can be used for applying antiseptic, wiping a cut and cleansing the skin around an abrasion.

Stock These Extras

You can clutter your first-aid cabinet, but not with the following items which will more than prove their merit in injuries around the house. In case the chest is small, why not invest in a small box in which these can be stacked or carried in car to the picnic?

Thermometers are often essential, as well as a compact first aid book telling you what to do and how to do it. You might also include the following: an eye cup, ampoules of aromatic spirits of ammonia, boric acid, bicarbonate of soda, rubbing alcohol, a hot water bottle and an ice-pack.

SPECIAL ELECTION

MONDAY, NOVEMBER 30, 1953

12:00 M. to 6:00 P. M.

By Ordinance of The Mayor and City Council of Taneytown, a special election has been ordered to be held on the thirtieth day of November, 1953, for the purpose of submitting to the qualified voters of said Town the question whether the Town shall issue and sell Five Hundred Thousand Dollars (\$500,000.00) of serial maturity bonds, to be known as TANEYTOWN SEWER BONDS, for the purpose of providing funds for the acquisition, construction, design and establishment of a sanitary sewerage system and sewage treatment disposal plant, lands, easements, tanks, devices, pipe and all the mechanical, electrical and chemical equipment and supplies and all other property necessary therefor, and all other expenses incidental thereto, either within or outside the corporate limits of the town of Taneytown.

The polling place shall be The Firemen's Building Taneytown, Maryland. The polls shall open at 12:00 o'clock Noon and shall close at 6:00 o'clock, P. M.

All qualified voters in the town of Taneytown are permitted to vote upon the question of the issuance of said bonds, and if they desire to approve said bond issue, they shall indicate same by inserting an X in the box following the legend on the ballot "For Sewerage System Bond Issue" and if they desire to disapprove said bond issue, they shall indicate same by inserting an X in the box following the legend on the ballot "Against Sewerage System Bond Issue."

Immediately after the closing of the polls, the Judges of Election shall canvass the votes cast, in the presence of such persons as may desire to witness the same without crowding the Judges in the performance of their duties, and shall announce the results and certify the same to the Clerk of Taneytown. Should a majority of the qualified votes be cast "For the Sewerage Bond Issue", the Act authorizing the construction of the sewerage system and the issuance of the bonds, being chapter 281 of the Acts of 1953 of the General Assembly of Maryland shall become effective immediately according to its terms, and the Mayor and City Council of Taneytown shall be thereby authorized to proceed to carry out the terms of said Acts, but if the majority of the qualified votes cast on said question shall be cast "Against Sewerage Bond Issue", then said Act shall not become effective, and shall be wholly null and void.

BY ORDER OF THE MAYOR & CITY COUNCIL OF TANEYTOWN  
 11-12-3t RAYMOND J. PERRY, Mayor.
