COOKING SCHOOL

Proceeds From Sale of Tickets to P.T.A.

The cooking school held in the Taneytown High School auditorium on Monday night was one of the most successful events of this kind ever attempted in this area.

The electric cooking demonstration was given by Mrs. Catharine Mutchner, Home Service Advisor for the Potomac Edison Company, and was sponsored by the Taneytown, Emmitsburg, St. Anthony's, New Windsor and Union Bridge PTA groups.

Over 400 people attended, and the proceeds from the sale of tickets went to the sponsoring groups to be used in the PTA work of their schools.

Mr. S. E. Breth, District Manager for the Potomac Edison Company, gave a short welcoming address to the audience.

The popular television show, "Dragnet", was used as the theme. With a background of Dragnet music, Lt. Joe Monday, played by Singleton E. Remsburg, introduced Mrs. Mutchner, and she presented the "facts" about electric cooking, the use of the modern automatic washer and dryer, and the importance of adequate wiring in our homes.

The show was concluded by seven high school girls—Norma Bloom, Jean Luckenbaugh, Nancy Keefe, Doris Stonifer, Doris Moffitt, Gwynne Myers and Edith Baumgardner—appearing on the stage bearing letters that spelled out the word, SUCCESS.

All the foods prepared during the demonstration were given away, and valuable electrical prizes were awarded. A Westinghouse roaster was won by Mrs. Charles Arnold, Taneytown; Miss Elenora Kiser, of Taneytown was the winner of the Sunbeam fry pan; a reading lamp went to Mrs. Violet Coshon of Union Bridge. The food prizes were awarded to: Miss LaRue Devilliss, Mrs. Percy Putman, Mrs. Wilbur Reifsnider, Mrs. Hazel F. Lippincott, Mrs. Mary T. Clingan, and Mr. David L. Devilliss.

Mrs. Mutchner was assisted during the demonstration by Mrs. Robert Ingram and William Pheabus. The public address system was furnished by Mr. Paul Sell, of Taneytown.

CONNER'S REPORT FROM NEW ORLEANS

Archie Everett Conner was the speaker at the November meeting of the Presbyterian Brotherhood of Taneytown. Mr. Conner attended the Presbyterian Men's Convention which was held in New Orleans, La., Oct. 15-17. He joined the Virginia delegation in Washington, D. C. and made the trip to Louisiana and back by aeroplane.

This was the greatest gathering in the history of the US (Southern) Presbyterian Church. 8000 men attended the convention. The topic was: "In God We Trust". Key-note speaker was Governor Theodore Roosevelt McKeldin, an outstanding Christian layman in Modern America.

Presbyterian laymen are champions for Protestant unity and co-operation in the United States. Here are the speakers: "Faith in the Home" by Lutheran Dr. Everett Mitchell, of Chicago, Ill.; "Faith in the Bible" by Presbyterian Dr. James McCord, of Dallas, Tex.; "Faith in Ourselves" by Methodist Dr. George W. Crane, of Chicago, Ill.; "Faith in Freedom" by Congregationalist Dr. Elfan Rees, of Wales, England; "Faith in Our Country" by Quaker Dr. Elton Trueblood, of Washington, D. C.; "Faith in Christ" by Baptist Billy Graham, evangelist, Montreat, N. C.; "Faith in the Future" by Presbyterian Dr. Louis H. Evans of New York City, formerly of Hollywood.

Panel discussion by Presbyterian Governors: Langley of Washington, White of Mississippi, Kennon of Louisiana; Driscoll formerly of New Jersey, and Cherry, of Arkansas was another highlight of the meeting. Into this Southern metropolis men came to manifest their faith in Christ. This convention was a mass-testimony of what Christ means to American laymen. Christ holds the future in His hand. These men will speak for none else but Jesus Christ the Savior of the world. Archie Conner's report was most interesting and inspiring.

Mr. Chester Neal entertained the Brotherhood in his home.

GLEANERS FINAL MEETING

The Trinity Gleaners Sunday School Class of Trinity Lutheran church held its last and final meeting at the home of Mrs. Hassleah Parks, on October 27, 1954. Devotions opened with all singing "God Will Take Care of You". Mrs. Hilda Hopkins read the fourth chapter of Ephesians. Mrs. Lydia Hess offered prayer.

Mrs. Hilda Hopkins, president presided over the business. The minutes were read and approved. All funds held by the treasurer, Mrs. Linda Shirk, was donated to the building fund of the church. The members of this class have been united with other classes due to the changes made by the executive board of the Sunday school before moving into the new building. Mrs. Lydia Hess has enriched and blessed our lives with her faithful teaching for fifteen years. The memory of Mrs. Mary Eyer, one of our departed classmates, was noted. Nine members and one visitor was present.

Games were enjoyed and the hostess served delicious refreshments. The meeting adjourned.

WORK PROGRESSING ON SANITARY SEWER

Additional Water For Town Provided

At the regular meeting of the Mayor and City Council, Monday evening, a payment of \$7,295.33 was made to W. F. Wilson & Sons, Inc., for work done on part A of the Sanitary Sewer contract. Another payment of \$10,307.70 was made to the same firm for work done on part B of the Sewer project.

Work on the Sanitary Sewer is progressing very satisfactory considering the handicaps of inclement weather and the rocky condition of the spots of excavation. Work also has begun on the treatment plant for the Sewer System.

What appeared to be the work of a "fire bug" after discovery of two places that had the marks of an extinguished fire, was solved by City Officer Koontz. A juvenile was apprehended and taken before Judge Boylan, Westminster, who sentenced the boy to one year in a Boy's Training School. It is also believed that the boy had a knowledge of the several entries into homes in Taneytown, too.

A one-year lease was signed between the Mayor & City Council and Mr. Merwyn C. Fuss for the use of the water from the well of Mr. Fuss' property (The Old Creamery) for the use of the town. It was necessary to order a special pump in order to utilize this water for the City's supply. The pump arrived this week and was installed. It is now pumping water into the standpipe and it is the hope of the City Council that this will supply the additional water needed for the town's consumption.

Before closing the meeting the City Council studied a proposed planning code that is badly needed in Taneytown. This code is extremely necessary to insure properly installed connections from homes to the Sanitary Sewer and it is the hopes of the City Council that this code will be ready for publication in the very near future.

THANKS

The Children's Hospital School in Baltimore sent "thanks" to the Carroll County Chapter, American Red Cross, for the lovely scrapbooks sent them recently. They sent their appreciation for our thoughtfulness and assured us each patient in various wards enjoyed them.

More "thanks" has come to the local chapter of the Red Cross from three families who recently were assisted with blood donors. The hospitalized patients needed blood due to surgery. Through the list of names kept on file in the headquarters office, the Red Cross was able to replace the blood by sending donors direct to the hospital.

16 ENROLL IN HOLY NAME

Last Thursday at 7:30 p. m., St. Joseph's Catholic Church was the scene of Holy Name enrollment ceremonies at which time 16 candidates were received into the society. Rev. Fr. Charles Walker conducted the ceremonies with Rev. Fr. William Newman assisting.

After the pledging, the men retired to the HNS Clubroom for a business meeting, under the direction of Edmund Morrison, president. Refreshments were served following the closing of business.

TRIP TO FLORIDA DESCRIBED

Reported by Rev. Owen in Second Installment

Many people have spoken about the travelogue on Florida previously. In part it is a report on what we did with the vacation accorded us thru the generosity of the Presbyterian churches of Cohocton and Atlanta. Key West, which we visited, is America's most southern city. Located 160 miles south of Miami out in the sea between the Atlantic Ocean and Gulf of Mexico, it is the southernmost end of the many thousand Keys. You perhaps wonder why these little islands are called Keys. The name comes from a corruption of the old Spanish word Cayo meaning reef. These Keys are small coral islands. The coral in the area are still busy building new islands. The highway leaps from key to key by means of bridges and viaducts.

Some told us that the highway was long and monotonous. Others said that it became so tiresome that they turned back. We did not find it so. To us it was very interesting. One bridge was 7 miles long. Others were 2 miles or less. One was so high above the water that my wife did not want to cross it. In most places the water was shallow. Telephone poles were sticking up out of the water along the way. In many places the water was shallow enough for the wading birds. In other places the water was much deeper. Usually, however, you could see the bottom. At one such place the lift bridge held up the traffic. We saw all kinds of fish below; sometimes a shark or porpoise or sail fish. Many people were fishing from the bridges. You don't have to have a license to fish in saltwater.

The water was flowing rapidly toward the Atlantic side to help make up the Gulf Stream. On some of the keys were little towns. Sometimes (Continued on Eighth Page)

PINEY CREEK GRANGE NEWS

The regular monthly meeting of Piney Creek Grange No. 422 was held on Tuesday, November 2, 1954, at 8 p. m. in the Grange Hall, at Harney.

The Grange will have a stand at Six's sale on Saturday, November 20, 1954.

There is a drive on right now for new members and it will be concluded with a dinner served by the losing team some time in the Spring.

Home Economic and Community Service Committees were appointed. The Home Economic Committee is headed by Mrs. Dorothy with Mrs. Evelyn Peterson and Mrs. Mervin Feeser as her assistants. The community service committee is headed by Mr. Bernard Arnold.

In the near future we want to carry out the practice of visiting other granges.

The meeting was adjourned and delicious refreshments were enjoyed by all.

The next monthly meeting will be held on Tuesday, December 7, 1954, at 8 p. m., in the Grange Hall at Harney.

There was also a meeting held on Tuesday, October 19, 1954 at the Grange Hall in Harney. The purpose of this meeting was to install new officers. The officers were installed by Mr. Lester Stem and Lawrence Meunier.

The zoning law which was voted upon in the past election was discussed by Mr. and Mrs. Stem and any other interested members. George L. and Esther C. Harner, of Taneytown, has been elected to membership in the American Aberdeen-Angus Breeders' Association at Chicago, announces Secretary Frank Richards.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column) With all my heart, I wish you every morning a smile that shall last until the next day's dawning. I wish you health—life's greatest wealth! I wish you always near so that I may help to cheer you.

Each future day and in some way—help to bring you happiness! Before leaving Hampshire we saw the Mountain which is called, "Lover's Leap" at Mt. Savage. These Mountains get that name from the story which they say is true from the couple who were very much in love but were not permitted to marry so hand in hand they climbed this mountain and when they reached the top they jumped to their death!

We soon came to Keyser, W. Va. a nice little town where I had been several times in the last fifteen years. Somehow there is nothing of that State which appeals to Your Observer (only my husband's relatives!) We were headed for Mt. Storm where we were going to spend the night in beautiful new Motels which were built just two months ago. As we were driving the other side of Keyser saw a great big Lion (statue of course) and there it was, Folks "THE LION'S CLUB" at the edge of the town. Mt. Storm is about fifteen miles from Keyser on the very top of the Mountain which is 2840 feet above sea level. The view along brought back wonderful, "Cinerama". Finally, we arrived at the Motel and it was most swanky with a television in each room plus every feature as if not being modern. Yet, believe it or not—no phone even to the Restaurant adjoining! We had a delightful dinner in the big restaurant and talking to the owner discovered he was from Ohio stating he liked the people of West Virginia due to their hospitality which exceeds those further south. You know that (Continued on Second Page)

LADIES AID MEET AT HARNEY

The monthly meeting of the Ladies Aid of Harney Lutheran Church at Harney met on Tuesday, Nov. 2, at 7:30 with the president, Mrs. Wilbur Reifsnider presiding. The meeting opened with the singing of "The Old Rugged Cross" and "I'm Praying for You", with the Bible reading by Mrs. Nevin Ridinger followed with prayer led by Mrs. John Harner, Jr. with the reading of the minutes of the last meeting by the secretary Mrs. Lake Ridinger followed by roll-call.

The reports from the various committees "The ball club banquet", "The Father and Son banquet" held for all the men of the church and their sons by the supper chair man for the year, Mrs. Lake Ridinger.

Mrs. Wesley Mummert, chairman for the food sale held in Taneytown on the 23th of October which was very much a success and wish to thank everyone who made the success possible. The president thanked all the committees for their splendid cooperation for the month of Oct. It was quite a busy month and expect November to be just about as busy.

It was decided to give the profit from the annual turkey supper for the driveway that is to be put in the cemetery in the near future. The date of the turkey supper is set for the 20th of November. We start serving this supper at 12 noon and continuing to serve in the evening. We hope our many friends of the past will try and be with us this year and make our supper a big success.

It was also decided to give the cake table to the Primary Department for them to sell any kind of fancy work or cakes and candi; anything that might be donated for them to buy hymnals for their Sunday school. Here again we ask your cooperation.

The floor covering committee decided to lay the floor covering away until the January meeting and at that time hope to make a decision.

The next meeting will be in the form of a Xmas party to be held Dec. 5th at 7:30 o'clock at the parish hall. Program committee, Mrs. John Harner, Jr., Mrs. Stewart Dom, and Mrs. Marie Waganam. Decorating committee, Mrs. Geo. Marshall and Mrs. James Hall. Refreshments, Mrs. Chester Moose, chairman.

There will be a banquet on the 9th of November.

The meeting was then turned over to the program committee and a very fine program was presented. The Simmons Brothers rendered three instrumental numbers accompanied by the mother at the piano and was very fine playing and was enjoyed immensely by the ladies; a reading by Mrs. Wilbur Reifsnider "Just Passing By", a recitation by Connie Mummert and one by Lamar Waganam; solo by Donna Weikert accompanied by her mother, Mrs. Ralph Weikert; solo by Linda Weikert accompanied by her mother. The meeting was then closed with the singing of "Abide With Me". The benediction was read in unison and the meeting was adjourned until the first Tuesday of Dec.

CHRISTMAS SEAL SALES

Members of the Civinet Club of Westminster have volunteered their services to help the Christmas Seal Sale of the Carroll County Tuberculosis Association. Rev. Joel Cook, chairman of the campaign announced recently. Over 12,000 letters will be prepared for mailing before the Christmas Seal Sale opens November 22.

A Speakers Bureau has been formed and Rev. Cook, assisted by co-chairman Preston G. Coffman and Rev. Frederick Seibel, president of the Carroll County Tuberculosis Association are now preparing talks to be given before local club and school groups.

Final arrangements for scheduling the Mobile Chest X-Ray Unit have been approved by the X-ray committee. The unit will visit industries and communities in Carroll County from December 9 through 23.

DESK DEBRIS

People who come in and look at the accumulated junk on almost any editor's desk are horrified. They ask him three questions: 1. Where in the world did all that stuff come from? 2. How do you ever find what you are looking for? 3. Why don't you clean off your desk?

There are answers to all three questions. The answer to No. 1 is that an editor can't for the life of him figure out where it all came from. He doesn't remember, for instance, ever seeing that report of the annual stockholders meeting of the Handy Diaper Corporation for 1947. He didn't know it was there until he dug down in the mess in search of something else. Similarly, he doesn't know how that broken fountain pen, that copy of Mein Kampf, that Czechoslovakian newspaper or that piece of a cuff link got there. He suspects they just materialized.

As to how he finds what he's looking for, he can't explain how he does it. Especially he can't explain it to anyone who is the essence of neatness and method. But he can find what he wants all right. If it's there, he can put his hand right on it. Maybe it just proves that the Lord looks after editors.

And why doesn't he clean off his desk? Don't even suggest it. If he started to he'd probably suffer a stroke from mere frustration. He doesn't clean it off because he can't figure out what he wants to save and what he'd like to throw away. He's got a gnawing fear that if he threw something away because he hasn't had any occasion to use it for the past eight years, he'd be sure to want it tomorrow. And wouldn't that be a fine kettle of fish.

We knew an editor once who cleaned off his desk top. He was a pretty good editor, too—up to that time. After that something happened to him. The last we heard of him he was peddling can openers, door-to-door.—The Caroline (Ridgely, Md.) Sun.

GRASS ROOTS OPINION

STURGEON BAY, WIS., ADVOCATE: "For good or bad, and it will take time to decide, the budget was substantially cut. The administration had an attitude of economy, something which was forgotten in the plush war and post-war years. It's gratifying to know that there are public officials making a real effort to cut our tax bills."

COATESVILLE, PA., RECORD: "Here is a letter from a newspaperman. He says: 'I do not know whether or not such a thing as a "veterans' vote." In fact I doubt it. Although a World War I trooper, I have never voted for or as a "veteran." And I know that my son, a tail gunner on a B-26 on several fronts in World War II, never voted as a "veteran." Time will tell who are Americans and who are more interested in getting something exclusively for themselves as individuals or members of some select group."

WILLIAMSBURG, VA., GAZETTE: "America is a vast continent, peopled by many millions and young in years as nations go. Today, it has become the greatest exponent of the machine age and the richest nation in the world. Not the least evidence of our growing maturity and stability, however, is that we are learning and realizing the values of our historic heritage."

"He who commits adultery has no sense; He who does it destroys himself". —Proverbs 6:32 (RSV).

"SPICE 'N' EVERYTHING NICE"

(Continued from first page)

saying, Folks as to that song, "Don't Hem Me In!" That is the way this Columnist always feels when it comes to being between, "them thar mountains!" I have never had any desire to reside in Mountainous country. From "Loves Retreat" I use to love those Blue Ridge Mountains in the distance but that is all! That night as comfortable as the new beds were we could not sleep due to those huge trucks which travel only at night continuously hearing the driver changing from high gear and then that awful grind!

We arose very early and started to Morgantown, West Virginia. The rain came down all through the nights very heavily and I knew that this was the beginning of "Hazel"! Along the roads and in little towns I noticed so many houses made with stone which I learned was for the reason that they get the stones from the Mountains.

The first relative we visited had two Parakeets and there I learned that they really talked as I heard them!

The second relative we visited resides twenty-five miles from Morgantown where we remained Friday night. The Cheek River started to overflow and there was much announcing on T.V. about the dangers of "Hazel" along the Eastern Coast having done so much damage already. We heard a knock at the door while we were eating supper. A little girl came in who was the niece asking her Uncle to drive her home! He just reached home in time as the water was over that bridge and he had to make it back in another direction entirely. We started back for the return trip early the next morning. What sights we did see! That awful Potomac during the night flooded the little town and we saw many standing, awaiting aid along the highways evacuating their homes in water! Along the Mountains there are many little waiting stations for school children which were blown over.

We drove to another Sister whose house we could see from the distance but in front of that home the Cheat River had over flowed and was very high and racing fiercely as though it was angry. We drove around the small bridge to try to go to this sister. We parked the car and walked along the edge of the mountain with this awful river one side of us. There was an old unused train track and there we were, Folks, walking those track ties which were hardly visible. We did not get far as my Minister who was leading the way in the densely covered place turned around and said, "We will go Back"! I looked up at the sight and there was the mud and water racing down the mountain side right in front of us!

I tripped on the way back to the car on the rail and down I went toward that awful River. My Minister and Nancy grabbing my hands and holding on to me trying to pull me up! Such an experience—never will I forget it—that awful trip to the State of West Virginia which I think is the poorest State in these United States. When the Coal Miner is not working everything stops! We did not get to see that sister at all! We came back to Cumberland and remained in the Elliot Motel about fifteen miles outside of Cumberland. (Where we had remained just fifteen years ago!)

So long, Folks. Be thankful that "Hazel" did not do any more damage than already done! On the return trip, we stopped for the church service at 11 a. m. of the Middleburg charge, Old St. Johns Church and spent the hour with those dear hearts and gentle people and met the fine young minister (although it was Laymen's Day and a Layman took his place in the pulpit.) We had the pleasure also of meeting the sweet young wife of the minister and his two cute children.

As I look out the window now and then from where I am typing this column, the field and Parsonage lawn is covered with the gold leaves as they keep falling from the trees. Yes, it is a gold carpet! This past week was the Nation-wide celebration of the three hundredth anniversary of the first Jewish settlement in this country. The honors of course go to New York but there are many cities who have dug up much wonderful History pertaining to the first Hebrews in any city or little town. Jews are wonderful in so many ways which would be too numerous to mention. They have a certain something besides which the average Gentile does not possess. Many business places become a success because there is a Jew in back of it all! I have often heard that no poor Jew is supported by the Public Welfare. They really take care of their own! What a Proud Spirit and as it should be God Bless all Jews this world over! What would America be without the Hebrew Race? Have you and you ever thought of that?

The recent Fiesta of and for the Havre de Grace Hospital held in the Recreation room in Aberdeen was quite a success. It was a lovely sight with The Country Store, Woman in The Kitchen Gifts, The Belcamp Variety Booth, the Boy and Girl Scout Booths, The Lovely Flowers for sale and the "White Elephant Table." It is a grand way to make money for any hospital. What was left that same night late, they sold at auction. Oh, yes, I must not forget the little aged M. D.'s wife who read the cards for Milady!

Here's a cute one which has been going on for many years. The Letter Carrier in Bel Air has a companion every day on his long mile route. Just a dog walking beside him and now and then looking up in his face with the tail wagging and everything! Nothing like a dog in any walk of life! Eh?

Ladies, the long "Torso" seems to be slowly creeping in which I have observed in the shops. They are beginning in this manner. Long waisted affairs with plain hips and then fully pleated below of a very wide skirt. Don't forget to purchase one of those nice atomizers for your favorite "PARFUM". It is more economical doing it this way and when you add it to your furs, it is glamorous! Dresses appear much more expensive than last year regardless of the style, material or quality. For this, the Buyer agreed solely with me. (Whom I interviewed

the other day). And here is for the Bride as to the many requests. I made the special trips to the "BRIDES" Gown Shop on Eastern Avenue to compare them with the Department store. On Eastern Avenue, "Judy" was really tops as to price and value. Wedding gowns which she brought out to me were lovely and the prices range from \$39.95 and up. The one that was \$59.95 was equal to a hundred dollar model that I inspected in a Department store. You will like "Judy", too. Somehow her name seems to fit her. If you are contemplating purchasing a Bridal Gown by all means see her first. When I introduced myself upon entering, this is what she said, "Now, this is strange! Yesterday, I was in Frederick and a lady was reading your column which was handed to me to read!"

Mrs. Housewife, now that nice "Oval Pail" is on the market especially grand for sponge mops. The pail holds 12 quarts and they do not spill. It fits securely on steps and sills and it is galvanized throughout plus rust resistant which you will like. You can carry it so easily by your side without bumping as the average bucket.

Apples are plentiful now and it is nice to serve an apple salad, cutting the apples in very small cubes, add raisins (Monarches are best) plus nuts and serve on crisp lettuce leaves. Never use a cheap Mayonnaise, ask for "Hellman's" Ummm good! Keep a "dime" bank in your purse, Mrs. Housewife. Every dime you have just stick it in the little bank which is so easy to carry. In no time at all you will have collected and saved \$5.00.

This past week saw Judy Garland in "A STAR IS BORN"! She has convinced this Columnist that she not alone is a dancer but a real actress. It is a three hour picture with James Mason as the leading male role. The story is about a young girl in love with a Hollywood Star! This picture took 2½ years to make and the cost was \$6,000,000!

Also saw "BRIGADOON" with one of my favorites, Gene Kelly and lovely and fascinating Cyd Charisse. There is no Star as lovely, beautiful, fascinating and graceful as Cyd Charisse. She is superb in every movement of grace! The story is quite unusual almost a Fairy tale for these days but I know you will enjoy that one!

Here's one for the Freezer. Peel and core apples and cut into slices for pie. Apples turn brown quickly so slice into a solution of 3 tablespoons of salt into one gallon water. Do not allow them to remain more than one minute. Rinse in cold water and allow to drain on absorbent paper toweling. After draining pack in the usual bags and boxes! You will always have the apples ready for that pie in a jiffy.

So long, Folks until next week D. V. Enjoy the lovely weather by driving slowly at all times. I am,

Faithfully,

LOCAL CHILDREN'S PICTURES TAKEN FREE FOR

Publication in THE CARROLL RECORD

AND ENTRY IN CONTEST

NO AGE LIMIT—NO OBLIGATION

On Saturday, November 11 is the big day for the picture taking of your youngsters. The Carroll Record is having pictures taken of all children who are brought by their parents or other guardian to the Fire House between 1 p. m. and 8 p. m. free of charge. The Allen Studios, nationally known for excellent children's portraits, will take the pictures. The Carroll Record wants a picture of your child to print in its forthcoming feature, "Citizens of Tomorrow", a series of photographic studies of local children. The more we get the better the feature will be, so the cooperation of the mothers and fathers is urged.

CONTEST AN ADDED FEATURE

To add to the interest and fun in this exciting event, the Studios will award \$250.00 in CASH prizes . . . \$125.00 to the cutest girl; \$125.00 to the cutest boy. Each child photographed in this community will automatically be entered in the contest. The contest covers the Eastern States only. Beauty alone does not count—the Studio judges will base their selections upon the personality and charm as portrayed in the pictures. Every child and family group is eligible.

It often seems to parents that children are little one minute and are grown up the next, so fast does a child's growing stage pass. Here is a splendid opportunity to catch a likeness of your child or children at the present stage for the pleasure you will get out of it in future years and for the pleasure you will enjoy in seeing it in print. You will want to clip it from this, your home town newspaper, and preserve it for the youngster when he or she grows up.

There is absolutely no charge or obligation for taking the pictures. Parents don't even have to be a subscriber to The Carroll Record nor even a reader. You do not have to purchase pictures either, though you may obtain additional prints by arranging direct with the Studio representative if you want them. That is entirely up to you!

"Oh, Jim, let me drive it!"

Sally is just as thrilled with the new car as Jim is. She likes its looks; he likes its get-up-and-go. And speaking of improvements, did you know that today more than 75,000 telephones are in use in the rural areas of Maryland we serve? More farm families than ever before enjoy telephone service, and your telephone company is working hard to make it even more valuable and useful.

Farm hand—1954 model

Tommy is a big help around the farm. He feeds the pigs and chickens, gives the dog his breakfast and runs errands for Mom. On a farm, co-operation is the key word. Party-line telephone service is good because of it, too. When you share-and-share-alike, and when you hang up carefully after every call, it gives you and others on your line more value—more for your telephone dollar.

Rev. C. E. B. Castle, the new pastor of the Taneytown United Brethren charge, arrived here with his family, last Saturday. We extend them a cordial welcome and trust their stay with us may be both pleasant and beneficial to all concerned.

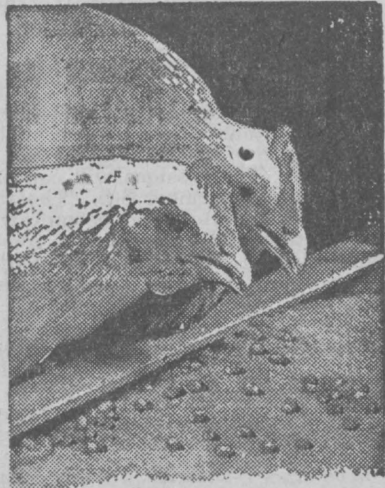

Mrs. Lorena Thomson, who has been visiting her mother, Mrs. M. H. Reindollar, returned to her home in Baltimore this week.

Next Tuesday, the 8th, is Election Day. Do not put off voting but come early.

Wolfe-Newcomer—St. Paul's Lutheran Church, Harney, Md., was the scene of a wedding on Thursday, October 27th. The contracting parties were Dr. Wolfe, a very prominent physician of Arendtsville, Pa., and Miss Douglass Newcomer, second daughter of Mr. and Mrs. Jacob Newcomer, of Harney. The bride was dressed in white silk chiffon, trimmed with Irish point lace, while the groom wore the conventional black. Miss Carrie Stine, York, Pa., was maid of honor; Miss Phoebe Newcomer, sister of the bride, acted as bridesmaid, and were attired in Persian lawn. Dr. Herman, of Middleburg, Pa., was bestman, while Mr. Trostle, of Arendtsville, Pa., and Mr. Norman Hess of Harney, acted as ushers. Rev. W. G. Minnick offered a short prayer after which, Rev. L. A. Bush, brother-in-law of the bride, performed the marriage ceremony, and Rev. Koser pronounced the benediction.

**What's new with Chevrolet?
everything!**

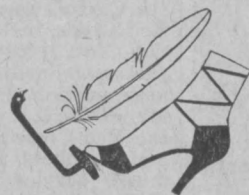

Wonderful new Glide-Ride Front Suspension

New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

Even Air Conditioning, if you wish

Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

Easier steering, stopping, clutching

The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

Tubeless tires as standard equipment

On all models! Proved tubeless tires give you greater protection against a blowout... deflate more slowly when punctured.

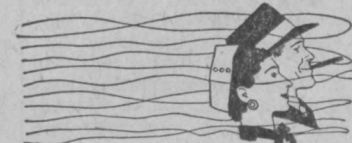

... and Chevrolet's got that long, low "let's go" look

It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Great new V8—two new 6's

New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

A ventilating system that really works

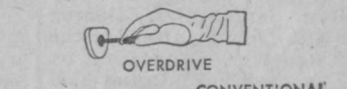

Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

And look what you see from the driver's seat
Chevrolet's new Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view. And you can see all four fenders from the driver's seat!

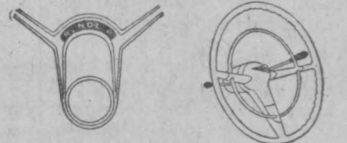

New Outrigger Rear Springs

Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions drive-line shocks through the rear springs!

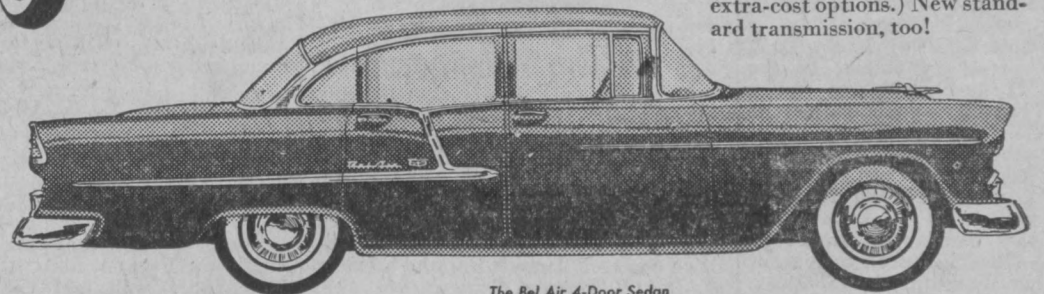

POWERGLIDE CONVENTIONAL DRIVE

Three drives, including Overdrive

There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

The Bel Air 4-Door Sedan

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas... and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The *Motoramic* Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!

Come in and meet the *motoramic* Chevrolet

REPRESENTATIVES OF CHURCHES MEET

The Rev. C. Lewis Robson, New Windsor was named president of the Carroll county Council of Churches at the second annual dinner meeting on Friday night in the social hall of the Westminster Methodist Church. The meeting was attended by 181 persons, representing seven denominations and 31 different churches in the county.

Other officers elected were: The Rev. John H. Eberly, vice-pres.; Mrs. R. H. Bollinger, general secretary; Mrs. Gladys Wimert, public relations secretary; Mrs. William Royer, assistant; Murray Baumgardner, treasurer; Mr. Harry R. Waters, chairman of Christian education; the Rev. Douglas Chandler, chairman of social actions; John E. Myers, Jr., chairman of Community relations; Mr. Paul R. Niswander, chairman of Stewardship and the Rev. A. Joseph Caricofe, chairman of evangelism.

A resolution from the Maryland-Delaware Council of Churches was read, approved concerning approval of integration in the schools. A vote taken on this showed a majority in favor of integration in the Carroll County schools. Dr. Harry H. McConnell, field secretary to the National Council of Churches, Department of Evangelism spoke on personal evangelism.

The council approved the promoting of a county-wide religious and evangelistic program to begin in January.

Installation of officers was conducted by the Rev. Willis R. Ford, executive secretary of the Md.-Delaware Council of Churches. Group singing was led by Professor J. Edward Moyer, who also provided special music, accompanied at the piano by Mrs. Moyer. The closing prayer was offered by the Rev. Jos. Lee.

Funeral services will be held Friday at 11 a. m. at the Kimmell funeral home, Harrisburg.

CHARLES R. HOCKENSMITH

Charles Robert Hockensmith, 83, Taneytown R. D., died Tuesday, Nov. 2, 1954, at 3 a. m. in the Annie M. Warner Hospital, Gettysburg, following an illness of a year. Born in Frederick County, he was a son of the late Josephus and Mary Bollinger Hockensmith. He was a farmer and lived in the Taneytown area the past 60 years. His wife, Minnie Boyd Hockensmith, died seven years ago.

Surviving are three children, John B. Hockensmith, Taneytown R. D.; Mrs. Howard C. Roop, New Windsor, and C. Edgar Hockensmith, Taneytown R. D.; four grandchildren, five great-grandchildren, one sister, Mrs. William Six, Walkersville, and three brothers, William and John, Taneytown, and Russell Hockensmith, York, Pa.

Funeral services will be held today (Thursday) at 1:30 p. m. at the C. O. Fuss and Son funeral home, Taneytown. The Rev. Glenn L. Stahl will officiate. Burial will be in the Lutheran church cemetery, Taneytown.

JOHN C. GLACKEN

John Cornelius Glacken, 63, died Friday morning, Oct. 29, 1954, at his home in Bruceville, Md. He was a son of the late Michael and Sarah Glacken.

Surviving are his wife, Anna Mary Hoffman Glacken, and three children, Mrs. Ethel Holt and Carol Glacken, Baltimore, and Kenneth Glacken, Union Bridge; two grandchildren and two brothers, Charles Glacken, Emmitsburg, and James Glacken, Union Bridge; two sisters, Mrs. Anna Bishop, Mechanicsburg, and Mrs. John Forry, whose address is unknown.

Funeral services were conducted Monday at 10:30 a. m. at the C. O. Fuss and Son funeral home, Taneytown. The Rev. Paul E. Freeman, pastor of the Holiness Christian Church, Keymar, officiated. Burial was in Fairfield Union cemetery.

FOX—In Loving Memory of our dear mother, MARY, who passed away suddenly, November 4, 1918

God gave us a wonderful mother— A mother who never grew old; He gave her a smile of sunshine— And molded her heart of pure gold, He made her as nearly an angel As anyone ever could be, God made a wonderful mother— And gave that dear mother to us.

Loving daughter, MURTY and son-in-law, VICTOR WINDESHEIM and daughter-in-law, MRS. EARCY FOX.

SCHOOL NEWS

An assembly was held Thursday, October 28, to acquaint the student body of THS with the students running for election to the offices of the Student Council.

Campaign managers, Paul Roop and Sylvia Koontz, introduced Robert Royer and Marsha Reifsnnyder who were running for the presidency. Each of these candidates in turn presented his platform and introduced the students who were on his ballot.

Registration took place on Friday and the formal election was held on Monday, November 1.

Everyone participated in the election which was conducted like a state or national election. The officers elected were the following: President, Robert Royer; vice-president, Glenn Copenhaver; Secretary, Oneida Myers; Treasurer, Arlene Naylor.

In observance of Key Club Week, the Key Club of THS presented an interesting program on Friday, Oct. 29. The program began with Bible reading, the flag salute, and the singing of America. Projects were outlined for the coming year by Glenn Copenhaver, Robert Royer, Jack Mooney, Robert Fuss, James Wolf, Wayne Baumgardner, Paul Roop, Glenn Copenhaver, and Frank Henshaw, coached by Mrs. Shipley, presented an educational play, "The Coach Scores". Membership cards were presented by Mr. George N. Shower, a former principal of THS. Mr. Shower also installed the newly elected officers, Wayne Baumgardner, Larry Feeser, Glenn Copenhaver, Frank Henshaw and Jack Mooney.

The Key Club will sponsor a dance on November 12 in the high school auditorium. Bob Kersey, a former instrumental teacher of the High school and his orchestra will furnish the music. The dance will begin at 8:30 p. m. and adjourn at 11:30 p. m.

THS enjoyed the first Antrim program of the year at 10:45 Monday morning, Nov. 1. Terry Golden entertained the students with a variety of American and English folksongs. Eight Sophomores, Joyce Putman, Doris Stonifer, Connie Arvin, Louise Frazier, LaMar Hilterbrick, Gerard Meunier, James Rinehart and Clyde Weant were asked to participate in the program by giving an exhibition square dance.

School census will be taken throughout the county Nov. 1 to Nov. 12. To enable teachers to complete the census by enrolling pre-school children and those over 16 but not in school, schools will be closed at noon Friday, Nov. 5 and Monday, Nov. 8th. Lunch will not be served in the cafeteria on these days.

Representatives from Taneytown participated in the Carroll County Girls' Fall Play Day held on October 20, at Westminster High school. First place was taken by Westminster in the Archery tournament, followed by Taneytown, then Hampstead. Lois Fair, Marsha Reifsnnyder, Nancy Baker, and Lois Brown, of Taneytown, rated high among the winners.

At the time of this writing, the Taney Tigers are in third place in the Carroll County Soccer League, having won three games, lost two, tied one, with one more game to play. The last game of the season will be played at Westminster on Thursday afternoon, Nov. 4.

A movie entitled "Skippy and the Three R's" will be the main feature at the PTA meeting of the Taneytown Jr.-Sr. High School on November 9. The High school orchestra under the direction of Mr. Jodi will play a number of selections. After the business meeting, refreshments will be served. All parents are urged to be present.

Nov 7-13 is American Education Week, which will be observed in schools all over the nation. Special stress is placed on school visitation during this week. Taneytown High cordially invites its patrons to visit on November 10, which has been set aside as Visitor's Day.

THE RED CROSS

The regular quarterly meeting of the Carroll County Chapter, American Red Cross, met at headquarters Monday, Nov. 1, at 8 p. m. Mr. Irvin Hahn, chairman, presided. During the business session, it was announced that Mr. Robert J. Wilde would head up the Red Cross annual drive for funds and members in March, 1955. Committee service chairmen reported for their respective groups. The budget committee reported on needs for next year's work and the quota for the county will be announced later.

"Ah ain't got no money to pay mah note now", pleaded Sam, "but I'm gwine pay soon Ah Kin." "Yo, been sayin' dat fer months", retorted the colored lawyer. "But it don't get me money. Yer gwine pay dat money here and NOW; that's what yer gwine do Efen you don't yo' know what I'm gwine do? Ah's gwine BURN yer old note, then whar'll you be at?" "Yas yo' will! Yas yo' will"; Sam shouted. "Yas yo' burn dat note o' mine" and Ah'll pop a low-suit outo' you!"

NEW TELEPHONE DIRECTORY

The new 1954 telephone directory for Carroll County is being delivered this week, according to an announcement by P. M. Morelock, local manager for the Chesapeake and Potomac Telephone Company.

According to Morelock, 13,500 copies of the directory were printed. The familiar cover showing the spirit of communication has been replaced with a new design showing long distance rates.

Referring to the continued expansion in the county's telephone system, Morelock said, "Telephones in Maryland have now exceeded 834,000 and growth is still going ahead at a rapid pace."

The number of telephones served by the new Carroll County directory has increased over 650 in the past year, it was said. How this increases the value of the service to each customer was explained by citing growth figures for the Taneytown exchange where the number of telephones has more than doubled since 1946. "This means," Morelock said, "that each customer has twice as many telephones in his exchange which he may call or receive calls from."

Morelock emphasized that since there have been so many changes in telephone listings since the last issue of the directory, it would be wise for customers to verify all numbers before calling and recommend that personal telephone number lists be checked against the new directory. Personal telephone number booklets, the Blue Book, are available at the company's business office without charge. Calling by number helps to get faster service, he said.

Foreman, all of Taneytown, is serving aboard the heavy cruiser USS Des Moines, which recently assumed duties as flagship for the U. S. Mediterranean Sixth Fleet. The ship will visit several ports-off call in the Mediterranean from the rock of Gibraltar to Beirut, Lebanon. Called "the best sea duty in the Navy", a Mediterranean cruise with the Sixth Fleet offers an opportunity to train the officers and men of our ships in independent operations and to familiarize them not only with the waters in which they serve but also with the customs and traditions of the people of the countries which they visit.

HOMEMAKERS CLUB MET The Keysville-Detour Homemakers Club held their October meeting at the home of Mrs. Byron Stull at Bridgeport, on Wednesday the 20th. A good number of members and four visitors, Mrs. Frank Zimmerman, Henrietta Koonz, Mrs. William Nail and Nancy Stine were present. The Club voted to give fifty dollars to the agriculture committee. Also five dollars was given to the Community Chest. The Agriculture committee is trying to get money to complete the 4-H fair grounds in Westminster. Next month each member is to bring a package worth 50 cents, which they will sell to another member for 50 cents, the money going into the treasury to strengthen it due to the giving of the fifty dollars to the Agriculture committee. Mrs. Robert Stine, president, appointed the following to the nominating committee, Miss Vallie Shorb, Mrs. Harold Thomas and Mrs. James Coshun. Mrs. Arthur Clabaugh, with a little assistance from Mrs. Carroll Wilhide presented the talk, Take a Walk Around Yourself. Delicious refreshments were served by Mrs. Stull. The next meeting will be held at the home of Mrs. Arthur Clabaugh in Detour on November the 18th when the Home Furnishing chairman, Mrs. Earl Wilhide and Mrs. Russell Stonesifer, will be in charge. C. E. NEWS The regular C. E. County Cabinet meeting was held in Taneytown EUB church, Monday evening, Nov. 1. Five members attending. Sorry, so many absentees, as there is much work to be done, and so few to do it. On Nov. 21 the Keysville Lutheran High School Age Group is planning an afternoon and evening meeting at the church for county-wide H. S. Age Group. Some of the State and County officers will be present. (More about this later). The play put on by the Mt. Union Endeavorer's was a decided success, with a capacity crowd. RESULTS OF COMMUNITY CHEST DRIVE With not quite two weeks to go, the Carroll County Community Chest Headquarters announced on Monday, that 48.5 per cent of the goal of \$37,000 has been reached. It is believed that additional funds have been collected which have not yet been turned into headquarters at the First National Bank building. T. K. Harrison, who is in charge of the Community Chest Headquarters, requests that all solicitors turn their money in as soon as possible, so that a more complete report can be made. On Friday evening, November 5, the semi-final check-up meeting will be held at Legion Square, Westminster, and all chairmen and sub-chairmen are invited to attend. Reservations should be made with Mr. Harrison. The dinner will be a "Dutch-Treat" affair. It was announced that the only committee which has exceeded its quota is men's organizations, of which C. Rogers Hall, is chairman. This committee had a quota of \$1,000, and to date all of the organizations have not yet been heard from. The Westminster Riding Club is planning a dance for the benefit of the Red Feather Drive on the closing day of the appeal, Thursday night, November 11, beginning at nine o'clock. The orchestra and the waiters are donating their services for the event, and the public is urged to support this affair. CHESTERTOWN RAISES FUNDS FOR INDUSTRIAL PLANT Citizens of Chestertown, Kent Co., have raised more than \$40,000 to build a new industrial building on the 25-acre site of the Kent Manufacturing Company, which was demolished by an explosion last July. J. B. Whitworth, Chairman of the Industrial Committee of the Chestertown Businessmen's Association, advises that local banks will probably match the funds raised, so that it will be possible to construct a new plant valued at \$80,000 to \$100,000. Two industrial prospects are already being considered for the plant. CIVIL SERVICE EXAMINATION The Civil Service Commission has announced an examination for the Junior Professional Assistant register. This register includes the position of claims representative trainee in district offices of the Social Security Administration, according to Franklin M. Barnes, manager of the district office at 3107 Greenmount Ave., Baltimore. Entrance salary of this position is \$3410.00 annum. After one year, if progress is satisfactory, promotion will be made to \$4205.00. Ask your postmaster for a copy of the announcement and for an application form. You may file for this examination at any time until further notice from the Civil Service Commission. WITH OUR ARMED FORCES Mr. and Mrs. A. J. Chen, of Union Mr and Mrs. A. J. Chen, of Union Bridge, Md., is presented the Army Commendation Ribbon with Metal Pendant for meritorious services as Navy Platoon Leader of the Honor Guard Company at the Far East and United Nations Commands headquarters at Tokyo, Japan. Army Col. Robert Philpott, Headquarters Commandant, makes the presentation. Capt. Chen's platoon forms a part of the tri-service company charged with the security of the top military command headquarters. In addition to their guard duties the company participates in military review ceremonies held for visiting dignitaries. Under Capt. Chen's direction the Navy-Marine Platoon has won several awards as the best platoon of the highly polished guard unit. Capt. Chen is a graduate of Westminster Maryland College. Individuality is the aim of political liberty. —James Fenimore Cooper

'The happy grace of gentleness'

IN the modern world with its rush and turmoil there seems to be little time to spare for the graces of Spirit, which make daily living pleasant. Yet never was the compound quality which the Bible describes as grace more needed than it is today. One of the lovely elements of grace is gentleness.

God is Love, and divine Love includes and imparts the quality of gentleness. The Bible contains many passages which indicate God's tender care for His children. One of these is the following from Isaiah (40:11): "He shall feed his flock like a shepherd; he shall gather the lambs with his arm, and carry them in his bosom, and shall gently lead those that are with young."

In "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science, a reference has been made to the graces that bless daily living. On page 592 Mrs. Eddy gives this definition: "OIL, consecration; charity; gentleness; prayer; heavenly inspiration." All these are constituents of the oil that calms the restless spirit, soothes the troubled mind, and comfortingly anoints the head that is bowed with care.

Although Christ Jesus was fearless in his stern rebuke of sin and hypocrisy, how tender he was toward the sick, the repentant sinner, and the sorrowful! Even when he chided Martha for her preoccupation with worldly cares, his words were gentle and compassionate. His pure spiritual consciousness discerned that this practical, good-hearted woman honestly desired to do her best for his comfort, and therefore he gently lifted her thought to the contemplation of the spiritual truths which alone can satisfy and comfort.

Jesus loved little children, and on one occasion, when his disciples were rebuking those who had brought their little ones to receive the Master's blessing, he said tenderly (Matthew 19:14), "Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven." Gentleness always speaks with Christ-like compassion. It has loving consideration for others, and is never

harsh or abrupt; it includes neither self-will nor self-assertion. Gentleness and tact go hand in hand. Sometimes people pride themselves on being outspoken, whereas they are merely exhibiting brusque bad manners. The gentle thought always seeks to give a word of appreciation where it can be given and to substitute silence for criticism where nothing helpful can be said. Gentleness is poised and serene, and the individual who is habitually gentle does not get agitated and rush around, but is found to be calm, orderly, and unburied in his ways.

Gentleness is needed in all walks of life, but nowhere more than in the care of the sick. The patient and compassionate ministrations of one who is striving to reflect true Christliness through living according to the pattern given us by Christ Jesus as Christian Science teaches us to do can do much to lift thought above the unhappy material sense of existence to the truth of being and the demonstration that, divine Love is tenderly caring for each and all.

How softly the dawn steals across the darkened earth, suffusing the sky with a rosy glow before the sun's bright beams are fully seen. How gently the flowers unfold; how tenderly the dew falls upon the parched ground. So does the gentle benediction of the Christ fall upon each heart that is hungry and thirsting for the bread of Truth and the water of Life.

Mrs. Eddy writes (Science and Health, p. 485), "Emerge gently from matter into Spirit." We cannot take the kingdom of heaven by force; we can only emerge gently from the mortal dream of life in matter, and through patience, humility, consecration, and inspired prayer rise to the realization of the allness and omnipresence of God, divine Love, who is forever pouring forth upon us abundant spiritual blessings to meet the human need. In the words of a well-known hymn (Christian Science Hymnal, No. 243):

O sweet and tender as the dawn,
With mighty power to heal and bless,
Is God's dear gift to all His own:
The happy grace of gentleness.

Autumn Special: "Cheez-It Ham Pie"

A sure sign of autumn that's universally known to every homemaker is the return of hearty cool-weather appetites to all the family. Here's a recipe for a nourishing meal-in-itself dish, specially developed for welcoming the new season. Its delicious blending of two old-time flavor favorites—cheese and ham—will delight small-fry and grown-ups alike. Called Cheez-It Ham Pie, this tasty new main dish is made with a crumb crust of inch-square cheese crackers, and a filling of ground cooked ham seasoned with minced onion and green pepper, horseradish and mustard. Prepare it this easy way:

- | | |
|--|----------------------------------|
| 1/4 cup melted butter | 1 teaspoon salt |
| 1 1/2 cups crushed Cheez-It Cracker crumbs | 2 tablespoons grated horseradish |
| 1 lb. ground ready-to-eat lean ham | 1/2 cup minced onion |
| 1 cup milk | 1/4 cup minced green pepper |
| 2 eggs, slightly beaten | 1/2 teaspoon prepared mustard |

Combine melted butter and 1 1/2 cups crushed cracker crumbs. Press crumb mixture firmly into bottom and around sides of 9-inch pie pan. Bake crust 10 minutes at 350° F. (moderate oven). Meanwhile, combine ground ham, milk, beaten eggs, salt, horseradish, onion, green pepper and mustard. Blend well. Pour into baked Cheez-It crust. Sprinkle with remaining crumbs and bake at 350° F. for 40 to 50 minutes, or until knife inserted in center comes out clean. Cut into wedges to serve. Makes 6 generous servings.
Note: To make crumbs for pie crust, roll Cheez-It Crackers on waxed paper with rolling pin.

THE BIBLE SPEAKS

International Uniform Sunday School Lessons
BY DR. KENNETH J. FOREMAN

Scripture: Proverbs 14: 15-15; 16: 20; 23:29-35; 25: Devotional Reading: I Corinthians 9:23-27.

First Conquest

Lesson for November 7, 1954

MR. ALLAN TROUT writes: "I started on the journey of life with the full intention to conquer the whole world . . . But 32 years of retrospection have taught me, if anything, that the only world I ever had a chance to conquer was that speck of it within my own carcass."

Dr. Foreman

Mr. Trout may be exaggerating a bit, but he is exaggerating in the direction of the truth. The sad fact is that he is not alone, by any means. Millions of young people today do not know this simple fact: that it is no use to hope to conquer the world if you do not first conquer yourself. This is a truth not discovered first in the 20th century; ten centuries before Christ there were wise men who knew it.

Self-Control Is Not Self-Repression

Many persons do not like even the notion of self-control because the word sounds harsh, negative, joyless and austere. The word conjures up a grim-faced Puritan who feels that anything pleasant must be sinful. (The real Puritans were a pretty jolly lot, as a matter of fact.) But self-control, about which the Proverbs (and the rest of the Bible too) speak, is not mere no-saying to yourself. There is, to be sure, a NO! in self-control. But when you drive a car, you steer it because you are going somewhere. You say NO to the ditch, NO to the bridge abutment, NO to the passing trucks, for a reason. You want to keep going. Steering is more than not going off the pavement; it is keeping moving in the direction of where you want to go. There may be a dozen wrong directions the car might take, if you removed your hands from the wheel. What you are doing is to keep on in the one right direction. Human self-control is that sort of thing. You have more than one self, you have many. Some of them are good, some bad. The question simply is: Which one of your selves is going to take the wheel?

Weak Spots

The Proverbs point out some of the places in human make-up where character is the most likely to be weak. One of the commonly mentioned break-down spots is the tongue. Talking is so easy, and talking without thinking is fatally easy. As James says, it is easier to tame wild animals than to tame the tongue; indeed, no one has ever quite done it. And what trouble can be caused by one hasty, thoughtless or mean sentence! It takes time to do a mean thing, it calls for a little planning. One has time to think it over, to decide not to do it. But saying a mean thing takes no time at all, it just slips out in a flash, there is no time to think . . . and the friendship is broken, the good day is spoiled. Another weak spot where it is hard to get control of ourselves is the emotions. The book of Proverbs mentions especially and often the emotion of anger. The angry heart and mind are back of the angry word. Before the insult that leads to the fight, there is the simmering bitter mind that thinks of the angry word. And anger leads to fights and brawls and even murder.

Why Make It Harder?

If there were no such thing as "hard liquor" or any kind of alcoholic beverages, if everybody stayed cold sober all the time, people would have a hard enough time getting control of themselves. The tongue of a preacher is hard to tame, just as much as the tongue of a truck-driver. The temper of a lady may show itself differently from the temper of a sergeant in the marines, but it's as hard to control and can do quite as much harm. But the whole problem of self-control is made more difficult by the use of liquor. The Proverbs know this, and say it. Now if you were a general, you would not dope your army with some serum that would make them stupid and sick. You would want them at their top form for every attack. So if you are interested in controlling yourself, you are being idiotic, you are working against yourself, if you make it harder by liquor-drinking. If it is easy to say the wrong thing when sober, it is twice as easy to slip up when the mind is clouded by alcohol.

TRIP TO FLORIDA DESCRIBED

Mr. and Mrs. Norman B. Harman, 220 "M" Street, Littlestown, Pa., has just returned from a 2 week trip to Miami, Florida, on their 35th wedding anniversary. They describe their journey as follows:

"We visited the Chesterfield cigarette factory in Durham, N. C., and saw them making cigarettes. We visited St. Augustine, Fla., and in that city we took a tour of St. Augustine. We visited the oldest house, oldest school house, and the Wishing Well, Mission of Nombre De Dios and Shrine of our Lady of La Leche, and the old Fort. Then we visited Deland, Fla. In Deland we spent the night with Mrs. De-huey and Mrs. Ada Feeser, formerly of Littlestown. Then we visited Fort Lauderdale, Fla., and then in Miami, Fla., we took an Island Queen sightseeing cruise on Biscayne Bay. We also took a Dixie sightseeing tour by bus, visited Millionaires Row, Miami Stadium, Coconut Grove, Parrot Jungle, Hialeah race track. We visited the Seminole Indians with their colorful costumes, still living in their straw covered huts, also Fairchild's Tropical Gardens and many points of interest. From Miami we visited Boh Singing Tower, The Great Molepiece, The Lord's Last Supper, Court of Flags, and also visited Spook Hill.

Next we visited Silver Spring, Fla., and took a cruise in a glass bottomed boat, viewing the great springs of fish. Then a cruise down the jungle, feeding the monkeys and alligators. Visited lots of orange groves. Visited the Snow Crop Freezing factory. We saw them picking cotton in Georgia. We visited a tobacco auction in S. C."

POLITICAL RELICS

In the political files of the Historical Society of Carroll County will be found campaign ribbons used by candidates in the 19th century. The earliest Andrew Jackson, Henry Clay; Pres., T. It's Smart To Eat Breakfast

Off to a good start with a better breakfast—for a better morning, better work, and better grades.

This was shown in recent scientific tests conducted at a distinguished medical school of a leading mid-west university, when 25 healthy boys 12 to 14 years of age were critically observed for a period of 28 weeks. From this study, it is of interest to all mothers and meal-planners to learn that:

1. Maximum work rate and maximum work output were significantly less in the late morning hours when breakfast was omitted.
2. It was the consensus of the school authorities that the omission of breakfast exerted a significant detrimental effect both on the attitude and scholastic attainment of the boys who followed this practice during the time they were in school.
3. The subjects showed no significant change in body weight whether they ate no breakfast or a basic cereal breakfast so long as their total caloric intake per day was not changed.

The conclusions drawn from the study of these boys not only confirmed many of the findings which applied to young women and young old men, but demonstrated that, for the most part, the good breakfast habit is a sound nutritional principle that applies to teen-agers and the young and old alike.

The quickest, easiest, and least expensive of all breakfasts is the cereal breakfast, which is as effective nutritionally as other breakfasts. Using the nationally accepted basic breakfast pattern of fruit, cereal, milk, bread and butter, 1/4 to 1/2 of the day's total food requirements is provided.

When the Frost Is on the Pumpkin

FOR A UNIQUE FLAVORFUL GINGER PUMPKIN CAKE use a downy textured cake flour, with a combination of spice and rich pumpkin. Then as a special decorative treat try your hand at frosted pumpkins made from the same luscious frosting base that covers the entire cake.

GINGER PUMPKIN CAKE

- | | |
|---|---------------------------------|
| 2 1/4 cups sifted cake flour | 1/4 teaspoon ginger |
| 3/2 cup granulated sugar | 1/2 cup butter or margarine |
| 3 teaspoons double-acting baking powder | 1 cup firmly packed brown sugar |
| 1/4 teaspoon soda | 3/4 cup canned pumpkin |
| 1/2 teaspoon salt | 1/2 cup buttermilk |
| 1 teaspoon cinnamon | 1 egg |
| | 2 egg yolks |

1. Into sifter, measure sifted flour, sugar, baking powder, soda, salt, and spices.

2. Into mixing bowl, place butter; stir just to soften. Add sifted dry ingredients, brown sugar, pumpkin, and 1/4 cup of the buttermilk. Mix until flour is dampened. Then beat 2 minutes at a low speed of electric mixer, or 300 vigorous strokes by hand.

3. Add egg, yolks, and remaining 1/4 cup buttermilk. Beat 1 minute longer in mixer, or 150 strokes by hand.

BAKING. Pour batter into two round 8-inch layer pans, which have been lined on the bottoms with paper. Bake in moderate oven (350° F.) about 30 minutes. Frost cake with seven-minute frosting, reserving some frosting to make pumpkins.

TQ MAKE PUMPKINS, trim off 1/4-inch from tops of 2 marshmallows. Press cut sides of marshmallows together. Stick toothpick through marshmallows to hold them in place.

Tint reserved frosting bright orange with red and orange coloring; spread on marshmallows. Then with top of a demitasse spoon, make indentations to resemble a pumpkin. Place on cake. Use half of a long green gumdrop for the stem. Use half a marshmallow for each pumpkin on side of cake. (ANS Features)

LITTLE THINGS about the Stars

TELEVISION - RADIO - HOLLYWOOD

By GEORGE LILLEY

NEW YORK — Two newcomers to the hectic pace of the TV serials find themselves in the lead roles of NBC-TV's five-a-week daytime, "The Golden Windows."

Leila Martin

Leila Martin, a petite lass of 21, landed the part of the heroine, "Juliet Goodwin," because of her trio of talents . . . acting ability, singing voice and youthful good looks. Herb Patterson was chosen to provide the brawn and brains required for the part of "Tom Anderson," the romantic interest in "Julie's" day-to-day dilemma.

Herb Patterson

As the story now stands, "Julie" is contemplating marriage to one man, while she's in love with another (that's "Tom") — besides which she'd just as soon have a career. In real-life actress Martin happily resolved all such problems by becoming the bride of Leonard Green, theatrical agent, some six months ago.

MEET "DEAR PHOEBE"

Newest among TV's major situation comedies is "Dear Phoebe," a September 10 starter, Friday nights via NBC-TV.

Marcia Henderson

Here we find an ex-college teacher, "Bill Hastings" — Peter Lawford — who "makes" the staff of the Los Angeles "Daily Blade" as editor of an advice-to-the-lovelorn column, under the pen-name of "Phoebe Goodheart." On the same paper is "Mickey Riley," pert-and-pretty sports writer. The two are strongly attracted to each other, but city-room rivalry and petty jealousy consistently throw their romance off the track — a sprightly, well played story-line.

Joe Corey

Blonde Marcia Henderson is "Mickey Riley." Charles Lane plays "Bill Hastings," flint-hearted managing editor, while Joe Corey is "Phoebe," a quite unusual copy boy.

KEY WEST AS SEEN BY PASTOR OWEN

(Continued from first page)
 you saw fruit groves or fishing camps with the ad. that you could go deep sea fishing for \$5. One key had a Theatre of the Sea much like the one at Marineland.
 Now and then you could see an attractive home on some lonely key in the distance. One said that it was an ideal place for a hermit to imprison himself in the privacy of his own solitude. One wonders how such a remarkable over-seas highway came to be built.

The story goes back to our neighboring town of Canandaigua, N. Y. The primary credit belongs to Henry M. Flagler, native of this town. He became associated with John D. Rockefeller in the oil business and later used his great wealth to develop the State of Florida. The palatial hotels which he built in such cities as St. Augustine, Palm Beach, and Miami, are still landmarks in the state. One of his most brilliant engineering achievements was the building of the over-seas railroad from Florida to Key West. This was completed in 1812. It cost him \$15,000,000. But this means he established rail service between the U. S. and Cuba, the trains being taken by ferry from Key West to Havana, a distance of 90 miles. This helped to make Key West a modern city and to bring wealth to Florida.

In 1935 a hurricane destroyed many of the bridges and viaducts. So the railroad was abandoned. In its place and along the same road bed and bridge foundations the Federal Government built the present highway thru PWA Funds during the depression. Here is one lasting monument to the permanent achievements of PWA. Completed in 1938 it remained a toll road for a while. Recently the toll was abandoned. The business men of Key West want to remove all obstacles in the way of making their city an attractive and inexpensive place to visit and live.

We found Key West a lovely place and much larger than we expected. They claim a population of 30,000. In 1940 it was reported as 12,000. So in recent times the city must have grown very rapidly. The motels were about the most elegant seen anywhere. Many were located on the water front and provided private bathing beaches for their guests. And the cost was no higher than in Florida. There were elegant homes, public buildings, churches and a number of theatres with cinemascop installations. We visited one theatre and saw The Gladiators, sequel to The Robe. Prices in the stores were surprisingly low. Coffee was about half the price here. Bananas were 5c per lb. Many kinds of tropical fruits were in abundance, much of which we had never seen before. For example, in one store I asked for some bananas. The clerk said to get what I wanted. I went to a hanging stem that looked like bananas except they were the largest ones I had ever seen. I could not pull them loose but had to cut them off. When I presented them at the counter the clerk laughed and said "they are not bananas, they are plantains you have to take them home, skin, slice, and fry them before they are good to eat."

Most of the people were speaking a language strange to us. I asked what the language was: Spanish. We were told that about 75 percent of the people were Cubans. They came originally as refugees from the Cuban revolution of 1896 and established a cigar industry which still does a thriving business. The Island City boasts of 25 points of interest to the tourist. These include the Art Gallery, Marine Hospital, U. S. Naval and submarine base, the only green turtle soup cannery in America, the only open air aquarium in the U. S., sponge docks, deep sea fishing docks, air port, Latin America, coffee shops and marine novelty shops. Caution to the men—if you let your wife get into one of these novelty shops don't expect her out until closing time!

The reef on which Key West is founded was visited first by the Spanish explorers. They named it Cayo Hueso meaning Reef of Bones. This name was given from the numerous skeletons of shipwrecked mariners washed ashore. Later the island became a center for the fish and sponge gatherers. Then salvaging companies were formed to recover the rich cargoes of the many sunken ships in the area. Millions in booty were derived each year from this source. Today it is a favorite stopping point for ships, and a strategic point from which the Government guards the northern approaches to the Gulf of Mexico.

The corruption in translating Cayo Hueso into Key West was fortunate. For a place named "The Reef of Bones" could never have become one of America's favorite vacation resorts, just like Jack Benny could never have become such a distinguished humorist under his real name of Benny Kubelsky.

We were sorry to leave Key West but wanted to visit the fabulous National Park in the Florida Everglades which I will tell about next week.

NEWS AS HARNEY 4-H SEES IT

The monthly meeting of the Harney Boys' 4-H was held at the Grain & Supply Company on Oct. 26th. The club thanks the company for the use of the building.

The meeting was called to order by vice-president Albert Angell. The 4-H pledge was then given. The secretary read the minutes of the last meeting. Roll-call for the evening was "name a vegetable."

A report was given on the success of the 4-H square dance. The club voted to put welcome signs up on the boundary of Carroll county. A committee was picked to look after this project. It consists of Carl Weant, Clyde Weant, Jack Mooney, and Albert Angell.

Five officers from the club will meet on Nov. 15, at Charles Null's home to plan next year's 4-H program. A demonstration was given by Eugene Eyer on "preparing vegetables for show". Refreshments were served and the meeting was adjourned. JACK MOONEY, Club Reporter.

FARMERS MEET

The Taneytown Farm Bureau Planning Group met on Friday, Oct. 22, at 8 p. m., at the home of Mr. and Mrs. Paul Brower.

The meeting was opened by the use of several songs, the minutes were read, old and new business taken care of, and the topic "Agricultural Trade Missions" was discussed. The meeting was then adjourned.

Games were played and refreshments were served. The next meeting will be held at the home of Mr. and Mrs. Dickinson.

On Wednesday, Oct. 20, the Planning Group from Taneytown "put on" a 15 minute broadcast over WTRR. The script was composed by Mrs. Dickinson and was entitled "How Farm Bureau Helps to Improve Farm Living". Those taking part were Mrs. Dickinson, Mrs. Overholzer, Mr. Feeser, Mr. and Mrs. Hubert J. Null.

"I'm thinking of using a safe deposit box this year"

"A safe deposit box provides the kind of protection I want: protection against loss, theft, and damage. And just as important, I'll always know where everything is. There'll be no more hunting around blindly while I try to remember where to look. No wonder so many people use safe deposit boxes for their jewelry, papers, and heirlooms! Especially since the cost is only a few pennies a week."

Come in; rent a safe deposit box for your valuables.
