DRIVE FOR FUNDS

Canvass for Gettysburg Hospital to be Made Here

Volunteers are being sought in the Taneytown area to aid in the drive for funds for the Annie M. Warner Hospital. Samuel E. Breth, area chairman, stated the campaign in that area will be held May 10-20 as a part of the drive to raise \$250,000 for a much-needed addition to the hospital.

"In 1954, 18 per cent of the patients treated at the Warner Hospital came from nearby areas of Carroll and Frederick Counties", Mr. Breth said. "Therefore, we in this section have a moral obligation to support the hospital that so ably serves our needs." Breth, manager of the Taneytown office of the Potomac Edison Company, is a director of the hospital.

Four committees have been appointed to aid in the drive in the area. Solicitation: Mrs. Robert Clingan, Jr. and Mrs. Felix Westine, co-chairmen; special activities: Mrs. R. S. McVaugh, chairman; church groups: Mrs. Margaret Teeter, chairman; Industry and Special Gifts: F. W. Westine, chairman. Glenna Dinterman, daughter of Mrs. Daisy Dinterman, Keysville, has been assisting with the clerical work for the drive.

The campaign was planned last November and formally inaugurated in February. The directors plan to construct a \$250,000 addition at the hospital. The present facilities have been "overcrowded" and are more or less "obsolete".

Eventual plans are to remove all patients from the present building by constructing larger and better equipped wards and private rooms in the new annex. The present structure is to be used for an enlarged dispensary, and increased surgical, laboratory, and X-ray facilities.

A number of Gettysburg organizations have contributed to the drive, one of the more recent being the "Buy A Brick" campaign of the Lions Club. The Rotary Club and Hospital Auxiliary are holding a rummage sale in Gettysburg Friday and Saturday, the proceeds of which will go to the hospital.

OUTDOOR CONCERT

The Mount Saint Mary's College Glee Club, the Rev. David W. Shaum, director, will present an outdoor concert Sunday, May 1, at 3 o'clock, on the college campus. The recital is a part of Parents' Day program, held annually for the families of the student body and for parents of prospective students. The Rt. Rev. Msgr. John L. Sheridan, president of Mount Saint Mary's, will extend official greetings.

The glee club will be heard in familiar chanteys, spirituals and several popular compositions. James Coyne, baritone, and William Beal, tenor, will present solo numbers. Guest soloist for the concert will be Nyla Wright, soprano. Miss Wright is well known in Baltimore musical circles for her opera, musical concert, radio and television appearances. The young diva will be heard in several selections among which is the aria, Vissi d'arte, from Puccini's Tosca. The glee club and guest soloist will combine in Rodgers and Hammerstein's "If I Loved You, from Carousell", "People Will Say We're in Love from "Oklahoma", and Jerome Kern's "Smoke Gets in Your Eyes. The public is cordially invited. There is no admission fee.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)

With all my heart, I wish you every morning a smile that shall last 'till the next day's dawning.

I wish you health—life's greatest wealth! I wish you always near so that I may help to cheer.

Each last day and in some way—help to bring you happiness!

The late rain has made the entire country sides beautifully green. Mother Nature is at her height and the newly worked and plowed grounds of browns add all to the beauty. The Crocus was late coming up and also the Jonquils and the Narcissus. Like that song, "I Believe!" And I know you and you and you, too!

Now, I know, Folks, just exactly the way Herb Shriver feels when he talks about the people back in his home state of Indiana! That is truly the way I felt about them—the folks—the dear Hearts and Gentle people—'round the town' when I spent the day last week right there.

The only difference between Herb Shriver and this Columnist is that he talks about them and I write about them! Eh? Well, frankly I must admit that I am truly homesick for Carroll County. (And did you ever notice how many people who have moved away move back again? As I was driving over and through Hampstead I as well as my daughter said, "I just imagine we are driving home!" The beautiful rolling country in Carroll County just seems to get into your spine!

First entering the office of "The Carroll Record"—it was nice to be able to say, (just as Herb Shriver) "Lo!" As I walked up the street leaving the office, I saw a number of strangers however, we did bid the time of the day. Then I entered the Butcher Boys store and had a little chat and shaking hands. The flowers for Easter were most beautiful in front of their store, I wanted to cover so much territory in so little time.

I went into a number of stores and on the corner found Ed—gone—all the

GRASS ROOTS OPINION

HAMPTON, N. H., UNION: "We firmly believe that teaching, like all professions, should be rewarded on a merit basis—a principle which has its very roots in the American way of life . . . To pay all teachers of a given number of years experience the same wages is not only against all truly American principles of incentive, but also tends to nurture mediocrity in the teaching profession."

PAMPA, TEX., DAILY NEWS: "We oppose every brand of socialism, whether it chooses to call itself Communism, Fascism, Fabian Socialism, or New Dealism. We oppose socialism in factories, schools, churches and in the market place. We do not believe there is any such animal as 'good political socialism', either on a local, national or international scale. We do not believe in initiating force for any reason, even though the cause is a 'good' one."

INTERNATIONAL FALLS, MINN., DAILY JOURNAL: "It takes about \$12,000 invested in buildings, equipment and tools to make just one job in the average U. S. manufacturing industry. In some cases the investment is much greater. That money comes, basically, from the savings of people who have invested in the hope of profits from which dividends are paid."

ODESSA, TEX., AMERICAN: "We favor human liberty, the right of a man to be independent and self-determining; controlling himself by his own moral, ethical and spiritual compulsions, and not by mass regimentation, however benignly it might be administered."

OHLER'S CHEVROLET SALES

TANEYTOWN, MD

**CURRENT EVENTS
FIFTY YEARS AGO**

Last Sunday delighted the hearts of the ladies, as it gave them the first opportunity of the season to show themselves in the new feathers. The churches were crowded—because of Easter services—and driving and promenading were generously indulged in. On the whole, it was an out-of-door day for both young and old.

Among the visitors to Taneytown, over Easter, were Mr. and Mrs. O. M. Crouse, of Westminster; Miss Vallie Garner, Somerville, N. J.; Miss Bertie Long, Baltimore; Jack Crapster, M. A. C.; Eugene Reindollar, Nazareth Mil. School; Misses Josephine and Mary Reindollar, Irving College; Clarence Ott, Rocky Ridge; Artie B. Angell, Hagerstown; Miss Ida L. Sherman, Spring Grove; Wm. B. Crapster, Washington, D. C.; Miss Hester Fair, York; Robert A. Elliot, Wago Junction, NCR; Miss Nellie Fringer and friends, of W. M. College.

The trained dog and horse show advertised on this page, is said to be an excellent one, and as it has been quite a while since a show of this kind has been here, it will no doubt be well patronized.

The Reformed and Lutheran churches, admitted to membership about ninety persons, on Easter, by confirmation and otherwise.

"The Pilot Publishing Co.", has been incorporated, in Union Bridge, which will take over the plant of the Pilot and continue the general printing and publishing business. The officers of the Company are John N. Weaver, President; E. A. C. Buckley, Vice-President, and J. Ross Galt, Sec-Manager, who, with Edward O. Cash, John C. Buckley, Louis E. Stouffer and Geo. O. Brillhart, constitute the Board of Directors for the first year. It is proposed to considerably improve the present facilities of the office.

Harney—The following persons were in Hanover, this week, for horses: Dr. M. S. Pearre, M. B. Snider, J. V. Eckenrode, W. L. Shoemaker and Samuel Snider. Three of them brought back fine horses.—Samuel Slagle and wife, of New Midway, is visiting relatives here.

Notice to Contractors:
The Board of Education of Carroll County will have available on April 27, 1955, plans and specifications for an addition to the Uniontown School including a general purpose room with kitchen and modifications to the heating plant. Location of the school is in Uniontown on the road between Westminster and Union Bridge.

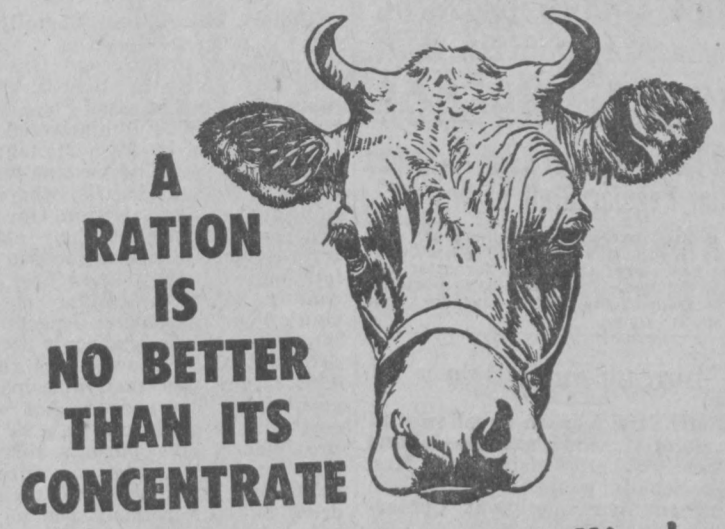

Drawings and specifications will be divided into general contract, plumbing and heating contract, and electrical contract.

Plans may be secured on and after the date mentioned. Bids on the project will be opened on Friday, May 13, at 11 a. m.

Contractor will be required to complete work so as to be ready for occupancy by September 1, 1955.

A deposit of \$25.00 will be required for each set of plans and specifications.

The Board rejects the right to reject any or all bids and to waive any technicality related to building as deemed necessary. 4-21-55

A RATION IS NO BETTER THAN ITS CONCENTRATE

Purina Concentrates are Micro-Mixed

Top dairymen insist on a ration that keeps cows milking their best month after month without sacrificing condition. This means the milking ration must not only produce milk, but keep cows in condition as well.

Purina Cow Chow Concentrate, custom-mixed with your grain, will do just that. For high producing herds, we'd recommend coarse-ground grain mixed in rough proportions of 3 pounds grain to 1 pound of Micro-Mixed Purina Cow Chow Concentrate. Let us help you get more milk from your grain with this fine milking ration.

Mr. and Mrs. Vernon Schaffer with their children Linda and David and Mrs. LaRue Schaffer visited with Mrs. Vernon Schaffer's sister Mrs. Elijah Jenkins and her family, at Centerville, Va., on Saturday.

Those who called at the home of Mr. and Mrs. Vernon Schaffer and family, at Keysville, on Sunday evening were Mr. and Mrs. David Arnold, Westminster, Mr. and Mrs. Malcolm Frock and family, of Uniontown and Mrs. LaRue Schaffer, Taneytown. Eileen Kiser, daughter of Mr. and Mrs. Glenn Kiser, of near Detour, entertained the Junior Christian Endeavor of Keysville Church at her home on Sunday evening. The High school group met at the home of Myron and Richard Wilhide.

Mr. and Mrs. Francis Fry and children, Sandy, Janice, Lois and Mike were Sunday dinner and supper guests of her mother Mrs. Maurice Wilhide, in Detour. Others who visited with Mrs. Wilhide during the day were Mr. and Mrs. Clyde Wilhide, Becky, Neal, Audrey and Danny, Mrs. Lewis Yoder, Mrs. Carroll Wilhide and Jane and Beth and Marion Priest.

Mr. and Mrs. Laverne Keilholtz, of near Keysville are receiving congratulations upon the birth of a son on April 24th. The Keilholtzs have two other children Shirley and Richard. Miss Mabel Sharrer is helping out at the Keilholtz home since the baby has arrived.

Eleanor Clabaugh, daughter of Mr. and Mrs. Arthur Clabaugh in Detour, visited over the week-end with her friend, Darlene in the Thurston Smith home near Rocky Ridge.

A number of children from this section received the polio shots at school last Friday.

Plans for the annual Bible School to be held at Keysville are being worked on by the teachers and leaders. Anyone desiring to aid in this work, either with transportation or teaching or helping to teach please contact Mrs. C. E. Priest, Union Bridge 4975.

Mr. and Mrs. John Loose, of near Detour are receiving congratulations upon the birth of twin daughters at the Gettysburg Hospital last Friday, April 22. Mrs. Loose is the former Miss Harriet Trout, daughter of Mr. and Mrs. Harry Trout.

Mr. and Mrs. C. E. Priest and their family are now occupying their new basement home located on the Forest and Stream Club road near Detour.

Mr. and Mrs. Carroll Wilhide and Beth, spent Friday evening visiting with Mr. and Mrs. Frank Zimmerman, near Detour.

The Keysville-Detour Homemakers Club was entertained at the home of Mrs. Harold Thomas on Hollow Rock farm last Thursday, April 21st. Mrs. Earle Wilhide gave a talk on health which concerned the medicine which you have in your medicine closet. Mrs. C. E. Priest, vice-president, took charge of the meeting. She gave a report of a very important meeting which she had attended. A committee has been appointed to fix the window display in the Taneytown 5 and 10 Cent Store to celebrate Homemakers week. Everyone watch for this display which will be there from Monday, May 2nd until the 7th. There is some talk of the Club attending one of the churches in a body too. Definite plans for the church attendance has not been made.

Each Homemaker and her whole family is urged to keep May 5th open. On the evening of this day the Homemakers Council will hold a meeting at the Elementary school in Westminster for men, women and children. A number of local families will appear on the program. The speaker will have a topic which will be of interest to the men as well as the women. Refreshments will be served. Remember May 5th.

FEESERSBURG
(A Voice From Carroll)

The First and Second Graders of the Elmer Wolfe School received their first shot of Anti-Polio Vaccine last week. It was administered by Dr. Legg, assisted by Miss Manahan and Mrs. Matthews. The vaccine was given to 95 boys and girls, who seemed in no fear of the injection. One reason may have been that their attention for the most part was focused on the lollipop that they knew was forthcoming after the minor operation. One of the reassuring aspects of the inoculation was that only two children out of 95 showed any reaction. This is far less than anticipated by authorities. The second shot of vaccine will be given on May 20th. Approximately five parents refused to sign the slip giving the authorities permission to inoculate their children, but the refusal was no doubt based on misunderstanding rather than reluctance or fear of the serum. Some newspapers have played upon parent's fear and concern in writing about the scarcity of the anti-polio vaccine. Right now there is enough for all first and second grade children in the United States. It is natural for all parents to want their children to receive this protection against polio, but since there just isn't enough right now for everyone, only the age group most susceptible to polio will receive the shots. Which is the only fair method of distributing it. A little patience and a little faith in the goodness of men will help end the ugly rumors that have spread regarding the distribution of the polio vaccine.

For the second time in a month our small community has been emotionally shocked. This time over the tragic and premature death of Paul Cheeks, son of Mr. and Mrs. W. M. Cheeks, who was killed in an automobile accident Saturday. Sorrow is a path that must be traveled alone. Friends may hold out their hands in sympathy and though one sees their willingness to share your burden, one knows that grief is a personal thing and must be borne alone. Men travel many lonely paths but as Emerson once wrote, the loneliest path of all is the one men walk following the death of a loved one. Only time erases the footprints made upon this road. Tears nor words or friends and flowers can do it—only time.

Not since the late FDR addressed them as "fellow emigrants" have the Daughters of the American Revolution been so upset until last week when Ike and Mamie failed to show up for one of their meetings. Since no DAR ever reads this column I feel pretty safe in saying that the President and his lady showed excellent taste. After reading that the Daughters had passed a resolution condemning the United Nations, we are convinced that Norman Rockwell was right in his painting when he portrayed the DAR as frustrated, underfed and self-centered women. If the group has had one constructive thought in the last fifty years the public has not been informed of it. We often wonder what the American Revolutionist would do if they could return and see their offspring. Probably declare they are illegitimate—born while they were off fighting the revolution.

Right on schedule the barn swallows returned April 22, but it was a sad home-coming. Since they left last fall the barn has been remodeled. The large oaken beams where they anchored their nests, have been sheathed in pine and there isn't a toe-hold any place. If they hang around very long we will have to do what Mrs. Scott Clemson did when she built her new dairy barn. She put up special boards for the swallows. Our birds have been coming back for the last 20 years and no doubt before that. We have looked forward to them each year for it was interesting and friendly to have them around. Some years there were ten nests around the barn with four and five little swallows leaning out over the edges waiting for their dinner. The cats will miss them too for the parent swallows had them for a good thing. They would skim across their heads and dive bomb to within an inch of their noses, but I never saw a cat get one of them. We are wondering what the inspector from the Baltimore Health Department will say if he returns and finds ten swallow nests perched around the dairy barn. If he is a bird lover he won't say anything, but if he isn't, he will say "Either the birds go or the cows". Personally I prefer the birds.

This has been a cold, rainy Monday, but just right to plant some Willow trees that a very kind reader of this column sent me yesterday. We shall anxiously wait to see if our green thumb is working and the willows growing. It took us six years to persuade the boss to allow willows on the farm. We hope to convince him how beautiful they are.

Mrs. Palmer moved from her small farm on the Hape Mill road to Baltimore last week. A family from Baltimore bought her place and took possession this week.

Ben King and Millard Roelke suffered identical injuries while doing two different types of work. Mr. King fell in the dairy barn and injured his back and hip while Mr. Roelke fell in the woods while cutting down timber and is now walking with a cane.

Claude Bohn has set some kind of a record as sharp-shooter for one day recently while shooting at groundhogs he split the wire on the electric fence in two. He also shot one woodchuck.

The Tuberculosis Association of Carroll County held its annual dinner Monday evening at Hoffman's Inn, Westminster. The annual report was presented by the secretary and officers for the coming year were elected. Each district of the county is represented on the Board. There were 37 members and guests present. Taneytown was represented by Mr. and Mrs. E. W. Dunbar and Mr. and Mrs. Charles Stimesfer; Union Bridge by Mr. and Mrs. Otto and Middleburg by Mr. and Mrs. Millard Roelke.

There are two things you must not miss. One is the movie entitled "A Man Called Peter" and the other is the book by Ann Lindbergh called "A Gift from the Sea". Both represent nourishment for the soul. Too much of what we see and hear is superficial and has no lasting substance, but this movie and book one carries

with them for a long time. They gently remind us that though we spend most of our time collecting things and people, one-half of us secretly yearn for the simple, spiritual life that our fore-fathers knew.—Ruth Roelke.

COMPETITION

Competition is the greatest builder in America, it is the thing that makes us do things better. Insurance is very competitive, I know I must give better service, have better prices, sound companies, fast fair claim service, and I must be able to analyze your personal needs in order to give you proper protection.

I do not expect everyone to read an insurance policy and be able to interpret all the clauses as they are intended to be, but I am sure any one can see the difference between the following prices:

75 CENTS, 60 CENTS, 40 CENTS 2 CENTS PER \$100

What prices are you paying? Any company will pay whatever the policy covers, according to the terms and conditions of the policy if the company is financially able; is your company financially strong?

WILL YOU BE PROPERLY PROTECTED IF YOU NEED INSURANCE?

I now write for The Travelers Group, whose companies wrote more insurance, Ranking first in 1953 and first in 1954, than any other company or company group in the Nation, collecting premiums in 1954 of 588½ million dollars excluding their life insurance premiums.

If you want the best protection for your premium dollars, you owe it to yourself to have me go over your needs and compare my companies and my prices with what you now have.

"SPICE 'N' EVERYTHING NICE" (Continued from first page)

way to Michigan with his Mother and family! And also "Carrie"! I immediately went into the nice "Gift Shop" and met the relatives of the Butcher Boy. Such nice people, folks and knowing just how to conduct the lovely business for which that couple seem to be so fitted.

The store is made larger and the nice part every gift for sale can be seen immediately without moving two or three others. (And that is just as it should be). The smart little wife just knows how to do everything as she was formally engaged in that "Hutzler business" a few years ago and can make beautiful draperies in fact there were many pairs in the making right then. She has wonderful taste and will please the customer by securing the article which the customer desires if she does not have it in stock. Browsing around in such a grand atmosphere really gives one original ideas not alone for gifts but for your own home. Original suggestions are offered and I know that will please you for it means bringing many ideas right to the country and as it should be. That is the reason, folks that city people do not mind any more moving to the country (and I think all of you know it by now).

Faithfully, YOUR OBSERVER.

GIRL SCOUT DAY CAMP

A day camp for girl scouts of Carroll District will be held at Camp Charl-Mar, located in the Knights of Pythias recreation area near Stone Chapel. The camp will be open from July 5 to July 14. Registration can be made between May 31 and June 17

for the 8 day period by filling out an application card obtainable from scout leaders. Cost is \$2.25, covering milk and program materials. Hours for each day will be from 9:30 a. m. to 3 p. m. Transportation will be arranged as needed.

Day camping is sponsored by the Baltimore Area Girl Scout Council, Inc., for all scouts and provides a complete outdoor program and fun for all ages. Girls are grouped in troop size units according to age and are supervised by trained directors and staff. A person trained in first aid is always on duty.

Camping with over-night facilities is available at Camp Deer Creek in Harford County, at Camp Shadowbrook in Cecil County and at Camp Whipperwill in Anne Arundel County. Details concerning these camps may be obtained from troop leaders.

KI-WIVES ORGANIZE

The organizational meeting of the Ki-Wives was held Monday evening, 6 p. m. at Taney Inn with 21 present. The National anthem was sung, pledge of the flag repeated, and the invocation offered by Rev. THE FORD FAIRLANE SUNLINER

Only Ford in its field offers the split-second "Go" of Trigger-Torque power... the smart years-ahead beauty of Thunderbird styling... the all-round smoothness of Angle-Poised ride... Speed-Trigger Fordomatic that gives you 3 automatic forward speeds. Ford also leads its field in the little things that count big, such as: baked-on enamel finishes... first-time fabrics in any car... 18mm. spark plugs (that resist fouling up to 3 times longer)... a frame with 5 cross members (not 4 or 2)... and the most windshield area in its price range. It's because Ford is continually "first with the most" that it has led its field in resale value for 3 years running. And all of these extra values have won for Ford more new friends than any other car. Take your Test Drive today!

home, sweet home

It's mighty pleasant around the hen house now—because the boss uses Germex for all sanitary chores. He used to believe smelly disinfectants were the only ones that did the job. Now, he knows that Germex not only kills germs (helping reduce disease burden) but also banishes odors. Germex even sanitizes poultry drinking water. Pleasant to use—economical, too. It's not only "home, sweet home," but home, safer home with a bottle of Germex to aid you.

Faith and Action

Lesson for May 1, 1955

THE church is not the state and the state is not the church. When either one tries to be the other, or to run the other, there is trouble. Church and state are separate; that is a deep-rooted American principle. But that does not mean that a wall should be run up between the state and religion. That does not mean that the state can afford to be indifferent to religion. You are not I and I am not you; but that does not mean there ought to be a stone wall standing high between us. It does not mean that either of us should be indifferent to the other. The church can help the state, and vice versa.

Dr. Foreman

Executive's Religion

Most American churches, including those denominations (both large and small) sponsor this column, believe that the state ought not to help the church by direct "establishment" of any church by public law. No Presbyterian, Methodist or Baptist, for instance, and still less a Quaker or a Pentecostal Christian, wants his own church given government support, by money grants or any other way. Nevertheless, Christians of every label rejoice when a President or other leader professes his faith openly. We all feel, quite rightly, that we shall be better off when our leaders in state and society are genuinely religious men and women. There is an interesting and instructive illustration of this in the Bible. In the course of the history of Judah we come on the administration of a king named Jehoshaphat. He was a good king and he left his country far better than he found it. Now we hear very little about this king's beliefs. He was no more nor less orthodox than kings before or after him. He was not a better king because he could pass a better examination in theology. He was better because he put his beliefs into action. A creed that can't get light and air and exercise turns sour, and it sours those who hold it.

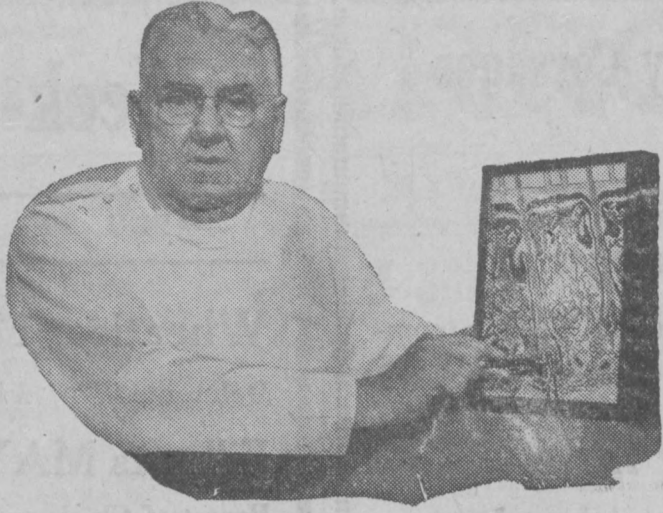

Beginning on the Ground Floor

Now many acts of a high executive may not seem to be religious or to have anything to do with religion, and yet they may affect religion strongly. For example, there was Jehoshaphat, a king whose first recorded act was one for the public defense. He fortified his border garrisons and he developed a well-organized and well-equipped army. Religion cannot be upheld on the points of bayonets, that is all true; but the fact remains that in the time of Jehoshaphat there was real danger from invasion, and a successful invasion meant that the true religion would have to go underground. Korean Christians know this today perhaps better than anybody. What South Korean Christians wants the U. N. forces to go home? So, even so seemingly non-religious a business as reorganizing an army for greater effectiveness, may have notable religious effects too.

Getting the Message to the People

Before Billy Graham visited Denmark, it was said, the preachers in that country, who were men of high education, preached so far over the heads of the people that churches had dismally small congregations. It is the people's business to rise to our level, said the preachers, not for us to sink to theirs. Then Billy Graham came along and showed what would happen if preachers really got down where the people are. Since that time, it is reported, the ministers have taken the hint and the churches are getting more people interested. You can put religion in a beautiful ivory tower, or gothic cathedral for that matter, and people may admire it but that's all. Religion has got to be put within reach of the people. King Jehoshaphat did this by putting his "teaching priests" on the road, taking the Law of God to the people, the Law which had so much to say about everyday living. In our country, on the contrary, though the one place where you can reach all the people is in the public schools and state colleges, the law generally permits any subject at all to be taught—except the Bible, which cannot even be legally read aloud!

OUR PLEDGE

We Guarantee: If you are not responding satisfactorily to treatments at the end of 30 days, all money paid on treatments will be graciously refunded. The trained Merrill Consultant will tell you the rules of hair and scalp hygiene. You can now learn about dandruff, falling hair, excessive dryness or oiliness. Come in and see the Merrill Consultant as soon as possible. You'll be glad you did.

ASK AT THE DESK

 conducting the clinic

It's the TRUTH You Want

Come in and learn the Truth about your Hair and Scalp Disorders

A personal demonstration in Emmitsburg, will be held by the Merrill Hair and Scalp Consultant. He will explain the 18 common scalp disorders that cause most men and women to lose hair. We will demonstrate the proper methods of hair and scalp hygiene that have been proven successful for thousands of Americans from coast to coast. He will give you, FREE, a complete hair and scalp examination and tell you his opinion why you are losing your hair.

HOPELESS CASES INFORMED

First, the Merrill Consultant is quick to tell the hopeless cases that they cannot be helped. Once a man is completely, shiny bald, he cannot be helped. But the hopeless cases are few. Because, if the hair roots are alive (evidenced by the presence of light, colorless fuzz), the Merrill Consultant can perform what sometimes seem to be wonders. In the private examinations, these facts will come to light. The examination is very thorough and highly technical. It requires a full 20 to 30 minutes. And, there is no charge for this examination. After this examination, you will be told the required length of treatment and how much it will cost. After starting

treatment, you make regular reports to the Merrill laboratory. A trichologist will check your progress regularly.

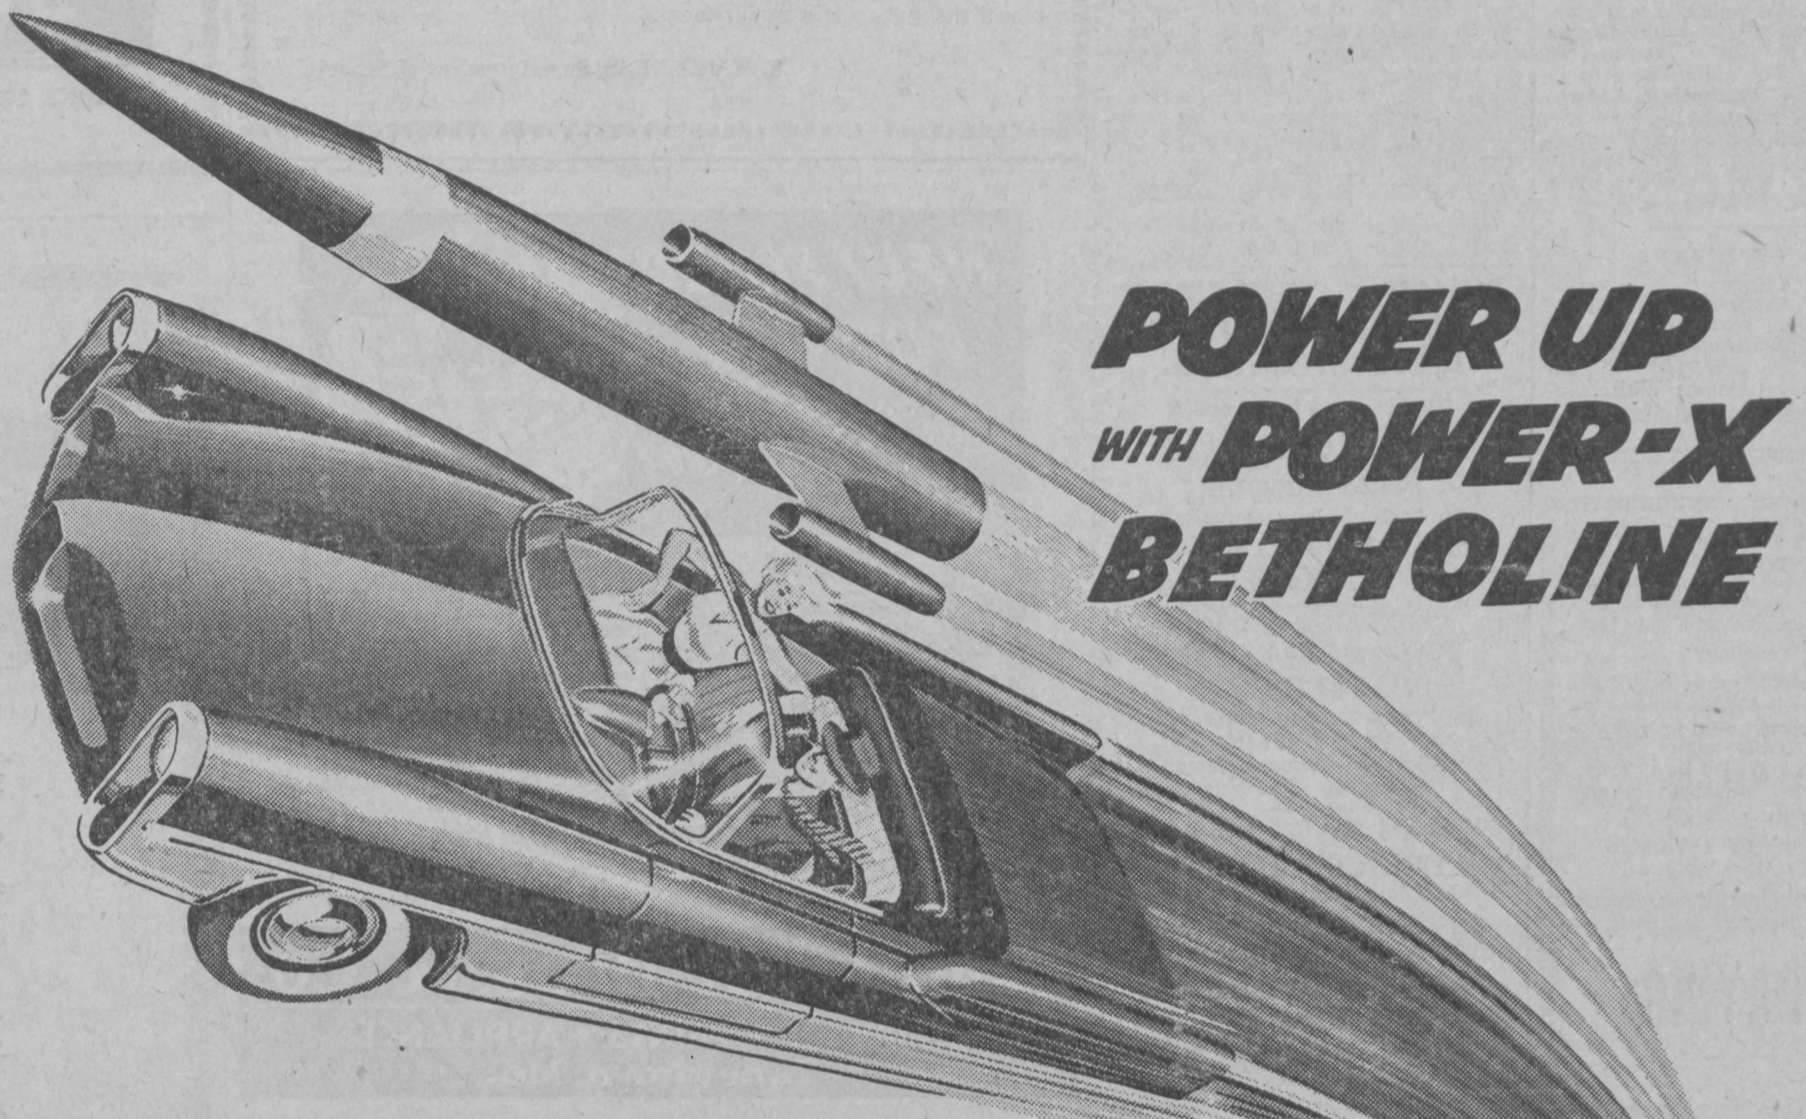

One thing the Merrill Consultant wants every man and woman to know. If a recession appears at the temples or a spot begins to show up on the crown of the head, there is something wrong and it demands immediate attention.

If every man and woman will follow our directions faithfully during treatment, and after finishing treatment, there is no reason why they will not have hair all the rest of their lives. We know our treatments will work and that it all depends on the individual person's faithful observation of the few simple rules.

NO APPOINTMENT NECESSARY

You need not have an appointment to take advantage of this clinic. All examinations are private and you will not be embarrassed or obligated in any way. Both men and women are welcome.

FARM PLANNING GROUP

The Taneytown Farm Bureau Planning Group met on Friday evening, April 22, at the home of Mr. and Mrs. Ellsworth Feeser. The meeting was opened by the use of several appropriate songs, after which were read the minutes of the last meeting, and the treasurer's report. These were approved as read. The discussion topic was, "Should Children be Allowed on Farm Machinery?"

Our group is of the opinion that the parent must decide at what age the child should be allowed to operate a piece of machinery; that a small child should never be allowed to ride along "just for fun"; that a child should always be within sight of the parents while operating a machine.

The following paragraphs have been copied from "Cities Service Farm Book and Almanac".

Keep Children Off Tractors. Machinery holds a great fascination for children and it is hard for a father to resist the pleading of a child to ride with him on a tractor. Yet riding on a tractor is a highly dangerous pastime for a child.

Figures released by the National Safety Council reveal that tractor casualties among the tot-to-4 year old group are almost as great as those of the highest group of all the 15-to-21 year olds.

Tractors were made for work and there is no place on the machine for a child to ride. In an emergency, when the tractor strikes a bump or a sharp turn is necessary, and the driver needs both hands for the machine, the child may fall off and a tragedy results.

End of quote.

The meeting was adjourned, and games were played, after which delicious refreshments were served. The table was very appropriately decorated for April. An umbrella was placed in the center of the table. It was surrounded by little rain-coated dolls, and vases of violets and other spring flowers. At each plate was placed a small umbrella.

The next and last meeting before our summer vacation will be held on Friday evening, May 27, at the home of Mr. and Mrs. Wm. Amoss.
