HIGH SCHOOL HIGHLIGHTS

Teams Continue Winning Streak
By defeating Robert Moton 52-42 and Sykesville 56-35, the boys' varsity basketball team tightened its hold on second place in the county league.

The junior varsity likewise defeated Robert Moton 47-46 and Sykesville 49-31 and rates second in league standing.

The local boys meet Elmer Wolfe at Union Bridge on Friday, February 1, and play host to North Carroll in a home game on Tuesday, Feb. 5.

The girls basketball team defeated Sykesville 49-43 Wednesday, January 23, at Sykesville.

Kenneth Reifsnider to Play at Annapolis
Kenneth Reifsnider was selected as one of the three representatives from Carroll County to play in the All-State Band at the high school in Annapolis, Md., Feb. 7-9.

At an audition held recently in Westminster, students were chosen on the basis of their performance.

Walter Beeler from Ithaca College, New York, will be the guest conductor at Annapolis. Rehearsals will be held every day from 9 a. m. to 5 p. m. with three concerts given by the musicians during the three-day period.

While in Annapolis, students will stay in private homes.

To discuss juvenile delinquency was the purpose of a trip to Judge Bovan's office in Westminster, Wednesday, Jan. 30, by a representative group from the senior POD classes. Those who interviewed the judge were Norma Bloom, Edith Baumgardner, Doris Moffitt, Connie Arvin, Anna Marie Reaver, Donald Unger, Lamar Hiltelbrick, Jack Mooney, and George Abrecht. The group was accompanied by Mrs. Urith Shipley.

James Foster, director of Maryland Historical Society, will speak on "History is Big Business" at a professional faculty meeting on Monday, Feb. 4. This will be a joint meeting of high and elementary faculties.

PTA To Meet
The high school PTA will meet in the auditorium, Monday, Feb. 11 at 8 o'clock, instead of Tuesday, February 12, as scheduled previously. After a brief period of music directed by Ralph Minnick, band and orchestra instructor, the program will be centered around the place of the commercial course in the school curriculum. This is the second of the series, "Know Your School" which is the PTA program theme for the year. Commercial classes are taught by Mrs. Homer Myers and John Rebert.

PINE CREEK WESTMINSTER YOUTH FELLOWSHIP
January 21 the meeting was called to order by President Carl Weant. The minutes were read and stood as read. There were 10 members present and two more joined. Walter Plank led the devotion. Refreshments were served and enjoyed by all.

KIWANIS NEWS
The Kiwanis Club of Taneytown met Wednesday evening at Taneytown with President Edward Howarth, presiding. The invocation was offered by Howell Royer. Group singing led by Raymond Wright with Mrs. George Harner as pianist.

Guests present were S. M. Jenness, Supt. of Carroll County Schools and Wayne Baumgardner, student at Gettysburg College.

The program was presented by the ninth grade students of Mrs. Estella Yingling of the Taneytown High School. Their topic was "Government", each student told a part of government, using fannel boards and charts.

Plans are being made for the annual Oyster and Shrimp Feed to be held in Crouse's Motor Sales Garage, Feb. 20 beginning at 6 p. m.

Darrell Nelson will present the program next week. It will be Boy Scout night.

HARNEY 4-H CLUB NEWS
The Harney 4-H Club held its first monthly meeting of 1957 on Tuesday, Jan. 22, at the home of Albert, Earl and Eugene Angell. The meeting was called to order by the president, Merle Weant. The 4-H Pledge was repeated, followed by the roll-call. The minutes were read and approved after which the treasurers report was given.

The old business was as follows: Clyde Weant gave a brief review of the March of Dimes Square Dance. The tractor maintenance meeting was discussed, after which the new business was started. The club will hold a square dance at the Taneytown High School on February 9, from 8:30 to 11:30 p. m. Since this was the first meeting, keeping records on all projects was discussed and encouraged. The meeting was then adjourned and refreshments were enjoyed by all.

MEETING OF BASEBALL FANS
Last Sunday afternoon a few people interested in baseball for this year met in the Firemen's building. The following officers were elected: Harry Clingan, president; George Crouse, Sr., vice-president; and Leonard Wantz, Sr., sec'y-treasurer.

Plans were discussed for the securing of a manager for the club that will represent Taneytown.

A meeting will be held Sunday, March 3 and all young men interested in and can play baseball will be given an opportunity to sign a contract for the 1957 season. This will be the last meeting before the opening game.

TRINITY PLANS FOR MISSION

Will Participate in Lutheran Evangelism

Trinity Lutheran Church is making extensive preparations for the Lutheran Evangelism Mission which will be held in Carroll County, February 24 through March 1st. This will be a part of the great two-year program sponsored by the United Lutheran Church in America. During these two years similar programs will be conducted in more than 430 U. L. C. A. churches involving more than two and one-quarter million Lutherans and joined by many additional Lutheran congregations.

The Lutheran Church is the "Mother Church of the Reformation", virtually all later reform movements stemming directly or indirectly from the work of Martin Luther and his Co-laborers. Today, Lutherans are by a wide margin the largest Protestant communion in the world, with estimates of their number between 65 and 85 million. The tens of millions living in communist slavery behind the Iron Curtain makes an accurate figure impossible.

Lutherans in North America total more than 7 million, being the third largest protestant denomination. Americans and Canadians of Lutheran descent constituted by far the largest protestant contribution to the New World. Because of early difficulties in training English-speaking clergy many Lutheran families, culture, and theology poured into other English speaking protestant denominations. It is estimated that if all the Lutherans who came to America had become active Lutherans there would be nearly 6 times the present membership. Carroll County, where this effort will center for the next month has over 8,000 baptized Lutherans, nearly 20% of the population.

Although the percentage of church people in America has increased, it is alarming to note that the number of people outside of Christ's church has also increased. However, the Lutheran Evangelism Mission is NOT a membership drive. It has been proven many times in the past fifteen months that the mission can be of tremendous value in strengthening the spiritual life and Christian convictions of a congregation and community as a whole.

To make the local mission fully effective, many months of work have already been put in by the Area Committee and Sub-committees, in addition to the work already done by Trinity's leaders. The director of the Mission for Carroll County will be the Rev. Dr. Francis B. Myers, Silver Springs, who has been called by the U. L. C. A. to head the L. E. M. in this region. Chairman of the Central Committee is Rev. Richard Shanbrook, Manchester; the secretary is Mrs. John Ward, Manchester; and the treasurer for the area is Mr. Wm. Flohr, Westminster. Chairman of the various Area Sub-committees are as follows: Prayer, Rev. Stanley B. Jennings, Taneytown; Lay Visits, Rev. Harold Stout, Upperco; Publicity, Mrs. Emory Minnich, Union Bridge; Hospitality, Mr. Sterling Brown, Hampstead; Music, Mr. Harris Frock, Westminster; Telephone, Mr. Richard Bollinger, Westminster; Finance, Mr. Sherman Flanagan, Westminster; Area Rallies, Rev. Dixon Yaste, Union Bridge; Mission to Pastors, Dr. Frederick Seibel, Silver Run.

MEETING OF ROD & GUN CLUB
A very interesting program was enjoyed by the members of the Taneytown Rod & Gun Club, Inc., following their regular monthly business meeting last Friday evening at their Club House.

The program was in charge of Jennings V. Frock who presented Guy R. Gearhart, Regional Game Warden and K. Grady Caple, Jr., resident District Game Warden. Mr. Gearhart gave a very interesting talk concerning game and the necessity for sportsmen to respect Game Laws as well as each other. He then very graciously showed two very fine movies entitled "Marsh Gold" and "Our Heritage", which make us realize the importance of conservation of our game as well as our soil. Think of our children as well as our fellow-man.

The newly installed officers for 1957 are Charles R. Anders, President; Robert W. Smith, Vice-President; S. E. Remsburg, Secretary; William B. Hopkins, Treasurer. 3 year Directors Ralph Copenhaver, Carl Angell, Samuel Harner and Robert Overholtzer, James C. Myers elected to fill the unexpired term of Merle Baumgardner.

MEETING OF THE CARROLL CO. ASSOCIATION FOR RETARDED CHILDREN
Dr. Robert E. Cook, Chief Pediatrician at the Johns Hopkins Hospital will be the guest speaker at the February meeting of the Carroll County Association for Retarded Children to be held Tuesday evening, Feb. 5, at 8 p. m., in the Davis Library Classroom.

Dr. Cook will speak on the topic, "Recent Progress in the Understanding of the Causes of Mental Deficiency."

Eighteen members of the Carroll County Association for Retarded Children toured the Rosewood State Training School and the Searchlight Training Center on Wednesday, Jan. 23.

The Searchlight Training Center is the new school operated by the Maryland Society for Retarded Children in Baltimore City.

TWELVE YEAR PROGRAM

Progress Report to Legislature by State Roads Com.

Maryland's 12-year Program of highway rehabilitation, now in its 4th year of actual construction, should be extended to fifteen years to match the period of the new \$33 billion Federal Highway Act, under recommendations made to the Legislature by the State Roads Commission.

The legislation setting up the program in 1953 directed that a progress report be made by the end of this month. The Roads Commission has complied, giving a county-by-county breakdown of achievements and costs, and has made a number of recommendations.

Among these are:

An increase from \$3 million to \$4 million in the transfer from construction funds to maintenance, to keep in good repair and safe condition the old roads being rebuilt and the many miles of new roads.

Since such transfer of funds means a depletion of \$43 million from construction funds over the life of the program the Roads Commission recommends that an increase in motor vehicle registration fees "should no longer be postponed since the restoration of the construction fund is of vital importance."

The creation of \$10 million "revolving fund" over the next five years to be used exclusively for advanced acquisition of rights-of-way. The report added that "judiciously administered, it will save the State millions of dollars."

Effective roadside control measures. The report states that such statutes "are essential for the preservation of our huge monetary investment and to increase the safety factor."

The Commission reported that the schedule of road improvement set 4 years ago has not been maintained and that the cost was running above estimates.

It estimates that 72 per cent of the first four years' mileage set in 1953 will be reached and that in doing so 117 per cent of the initial cost estimates will actually be expended or committed over the first four-year phase of the program.

While it was said "make" a number of reasons for this condition was listed. Chief among these were increased costs. The report cites an increase in construction costs in the first two and one half years of the program of 24 percent, in engineering costs of 20%, and in right-of-way costs of 61%, resulting in an over-all increase of 27%. These costs are still rising.

Also the Roads Commission points out that during the first year of the program many needed low-cost projects were undertaken, whereas in the past two years "more expensive projects, many requiring very substantial right-of-way acquisitions and complicated plans, slowed down performance and increased costs far beyond the 1952 estimates."

It was pointed out that the 1952 estimates had to be made without the benefit of surveys and plans. Thus certain unforeseen circumstances arose, such as rock and soil conditions and underground drainage problems. Another factor contributing to increased costs was the construction of more costly highways due to urbanization of rural areas, increased traffic volume and unanticipated pattern changes.

Except for the receipt of additional Federal money, the report added, "Maryland could not begin to finish her twelve year program without a complete revamping of her financing plans."

Transmitted to the members of the General Assembly along with the report was a pictorial booklet "On Our Way" published by the Roads Commission showing the progress of the 12-year program to date.

JAMES FAIR ATTENDED MEETING OF LUTHERAN BROTHERHOOD INSURANCE CONFERENCE
James Fair, representative of Lutheran Brotherhood in the Taneytown area attended a regional training conference of the fraternal life insurance society in Philadelphia, January 28 and 29. A total of 80 agents in six states and the District of Columbia were included.

Harold C. Hoel, superintendent of agencies, and other staff members from the Minneapolis, Minn. headquarters addressed the agents on the society's insurance and benevolence programs, underwriting practices, and the social security provisions.

According to President Carl F. Granrud, Minneapolis, Lutheran Brotherhood has approximately \$730 million of life insurance in force. Its benevolence program last year included 138 scholarships in Lutheran colleges and seminars and grants to 1444 local branches in Lutheran congregations for youth work and other church-related activities. Currently the society is aiding in the financing of approximately 600 Lutheran church projects in the United States and Canada.

MRS. BAIR TO LEAVE ELEMENTARY SCHOOL
Mrs. Gwen Bair, fourth grade teacher in the Taneytown Elementary School, will terminate her duties at the school on Thursday of this week due to maternity. She will be replaced by Mrs. Irene Murphy who, for several years, was a teacher of grades four and six in the Westminster Elementary School.

SCHOOLS ANNUAL MID-WINTER CONFERENCE

Held in Westminster H. S. Last Friday

Carroll County schools were closed on Friday in order for the teachers to attend the annual mid-winter conference at Westminster High School. Superintendent of Schools Samuel M. Jenness presided.

Under the direction of Philip S. Royer, Supervisor of Music, the singing of Maryland, My Maryland opened the program. The invocation was given by the Reverend Glenn C. Zug, pastor of the Westminster Church of the Brethren. A musical interlude consisted of a bass solo by James Young, teacher of music at the North Carroll High School; a number by a clarinet quartet from New Windsor High School consisting of Gerald Myers.

WESTERN MD. DISTRICT LEGION AUXILIARY SPONSORS MAGAZINE CAMPAIGN

A magazine campaign was opened in Carroll County on Monday, Jan. 28, sponsored by the following Legion units: Taneytown Hesson-Snyder Unit #120; Westminster Carroll Unit #31; Mt. Airy, Gold Star Unit #191; Sykesville, Sykesville Memorial Unit #223; Union Bridge, William R. Reddick Unit #257, and Hampstead, Hampstead Unit #200.

Mrs. Mildred Haller, Western Md. District Vice-President states that the commission derived from these magazines will purchase household equipment for home use throughout the county.

The Auxiliary feels that the equipment fulfills a vital need and renders valuable community service and will be most grateful to all residents for their patronage and cooperation in this campaign.

Representatives of the Cowles Publishing Company, Inc., will call on residents of this community. Each one will bear letters of introduction and identification which have been signed by Western Md. Dist. Vice-Pres., Mildred Haller; Western Md. Dist. Sec., Mrs. Beth Johnson, and Hesson-Snyder Unit Pres., Mrs. Mabel Shaum. All residents are urged to request the representative to show these letters of introduction to eliminate the possibility of misrepresentation by an unauthorized person and to establish the validity of the campaign. The crew manager for this district is Dave Lawver. The crew is Gary Light, Alden Pageant and Crawford Withenow.

Mrs. Haller also emphasizes that no donations will be accepted. Only magazine subscriptions can help the Auxiliary to secure the equipment.

The American Legion Auxiliary again wishes to thank you for your patronage and cooperation in this campaign.

TANEYTOWN ELEMENTARY P.T.A. EXECUTIVE COMMITTEE MEETS
The Executive Committee of the Taneytown Elementary P.T.A. met in the school on Thursday evening, January 24, 1957, with President Frank Dunham in charge of the meeting. Many items of business concerning the Association were discussed and the program for the rest of the school year was arranged and approved.

The meeting opened with invocation and the reading of the minutes by the secretary, Mr. Glenn Bollinger. Mrs. Clyde Wilhide gave the treasurer's report. The program for the February meeting of the P.T.A. will be presented by the school, with the theme being based on Maryland Day.

On Tuesday, March 19, the annual Covered Dish Social will be held in the school auditorium for all parents, teachers and students. As is the custom, meat, bread, and cake will be furnished by the P.T.A. An offering will be taken that evening to help defray the cost of these items. Committees for the affair will be named in the near future.

The April meeting of the P.T.A. will be held on Tuesday, the 23rd, instead of the third Tuesday of the month as is customary. The parent study group will be in charge of that particular program.

The tentative date for the annual bake sale, to be held in the Firemen's building, is the first Friday in May.

After further discussion on subjects introduced by the president, the meeting was adjourned.

MEETING OF THE TANEYTOWN JAYCEES
There were about 20 members and 4 guests present at the January meeting of the Taneytown Jr. Chamber of Commerce held at the American Legion, Monday evening at 7:30 p. m. Edward Sauble, President presided over the meeting. There was considerable discussion of ways to start the new year with an improved agenda. A motion was passed to rearrange the committees for the year in order to promote new interest in forthcoming projects. These committees are as follows:

Publicity: Marlin L. Ritts, chairman; Tommy Phillips, James Fair, Glenn Lookingbill, James Fream.

Special Activities: John S. Harner, chairman; Wm. Copenhaver, Russell Walker, Eugene Vaughn, Herbert Bowers, Keith Brown and John Myers.

Profit Making: Harry Dougherty, Jr., chairman; Robert Boone, Earl Lookingbill, Guy Morrison, Edward Sauble and Kenneth Hull.

Program: Glenn Bollinger, chairman; George Fream, Delbert Koon, Jr., Clarence Harner, Ray Copenhaver, Arthur Garvin and Martin Smith.

"SPICE 'N' EVERYTHING NICE"

(Your Chatty Column)
With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth
I wish you always near so that I may help
to cheer
Each future day and in some way—help to bring you happiness!

It was surely thrilling, thrills and thrills standing right there in Washington grazing upon the parade of Inauguration! It was before the T.V. last time right in my living room but thought I would like to be right there along the curb! (Especially for this Column). The parade started exactly at 1:30 and I was amazed at the throng which all Baltimore papers had stated the crowd would not be as great as last inauguration. How mistaken they were! The crowd appeared greater and there were many Movie Projectors in view by the mob. I took quite a few big shots, all the Misses and of course dear President leading the parade. He looked the picture of health as he raised his high silk hat most gracefully. His charming wife was smiles all the time and both seemed to be ideally happy.

Never, never have I seen finer marching by our Americans. The Maryland "Float of Peace" made a tremendous hit and there was much applause.

I took along a little collapsible stool as I realized getting there rather late it would mean that I would not be able to look over the crowd and there I stood gazing upon it all. Even the drops of rain now and then did not discourage the crowd as they stood there as though glued to the pavement.

A very poor, old colored man was selling high baskets and suddenly in the midst of a sale, the officer approached him and reprimanded him and then, Your Observer went forward and had a talk with the police officer. He stopped the sale of the baskets and I saw tears in the eyes of the old Darkie. How could any officer do that of all days?

We started back before the end of the parade to avoid the mad rush. After enjoying a nice dinner at "Johnson's" on the Highway, we continued on to the Auto Show.

One could not say that any make car was more handsome than the other because this year there is plenty of O. O. P. H. The biggest change which I observed in all were longer lower lines with all the Pastel shades of the exterior. Of course, there were cars of yesterday all in a row from 1903. Then, the Experimental cars all roped off were amazing with a look into the future and the price—well—that's the secret! All cars this year seem to be a little higher in price.

I wanted to sit in the Pontiac Club de Mar (their experimental idea) and to do that I asked the Executive who was from the factory and he said, "I don't think you can twist yourself to get into it but you may if you think you can!" I knew that I could and there was the crowd gazing and smiling. It is practically almost on the floor but it is the most sporty affair I have ever seen.

The finest Wagon is truly the Mercury and then the Dodge.

The Plymouth now has a special feature in their wagon with the one seat for the children turned viewing the back.

Gasoline companies were represented to the fullest and the Esso company pinned a beautiful yellow carnation on the dress shoulder of every lady.

The booth, too making a big hit was the one representing to "Keep America Beautiful" by not being a "Litter Bug." Stickers were presented to those desiring them for their car. "Keep America Beautiful". Also a little bag —was presented to each one. In a few years all signs along the highways will be torn down or removed.

All in all, the 40th Auto Show was most interesting and chucked full of glamour!

Whatever you do, folks don't miss "The Ten Commandments at the New Theatre on Lexington Street in Baltimore. It is truly a masterpiece and every one should see it regardless of Faith or Denomination for it has been written from Scripture and you will truly love the character of Moses!" The one who portrays this character is Charlton Heston from Michigan who is 32 years of age and married to an actress and it was their son who played the part of the infant Moses at three months of age.

The air was absolutely electric when the voice of God "in this picture" was heard. It is the most impressive Movie and story that will linger with you on and on.

So long, folks. Go to church and love everyone there and everywhere and you will find life just one sweet song! See you next week D.V. I am, Faithfully,
YOUR OBSERVER.

CHAMBER OF COMMERCE OFFICERS INSTALLED

Officers elected to serve for the year 1957 for the Taneytown Chamber of Commerce were officially installed by Mr. Andrew Mason, principal of the high school, at the Chamber's regular meeting on Monday night. The new officers are Merwyn C. Fuss, President; Merle Ohler, First Vice-President; Carroll Wantz, Second Vice-President; Robert Feeser, secretary; Charles Arnold, Treasurer.

Mr. Arch Carpenter of the roads improvement and Mr. Sam Breth of the industrial committee gave lengthy reports of the activity of their committees since our last meeting. Both of these committees along with others deserve a tremendous amount of credit for the interest, time and work they have been doing for the betterment of our community.

Vice-president Ohler showed a film of the Taneytown Little Leaguers in action. He also showed a film of his recent trip to Florida.

PREFERENCE FOR NEWSPAPERS

Writing in Editor & Publisher, Philip N. Schuyler says: "A new coast-to-coast check of representative automobile dealers shows a continued preference for newspaper advertising. A vast majority of 344 dealers questioned... declared they put this local form of advertising ahead of all other media."

An editorial in the same issue of the same magazine refutes the claim that TV is dominant among young people. It cites a factual survey in which 39 per cent of 18 and 19 year olds questioned said newspapers are "hardest to do without," whereas only 18 per cent said the same thing about television.

Newspapers aren't only here to stay—they're still the leaders of all media.—Industrial News Review.

SAFETY AT THE PLATE

At a meeting of the august Highway Research Board in Washington recently, Earl Larimer, former Safety Director of Minnesota and presently the safety counsellor of a leading insurance company, reported results of the experiences of several states with reflective license plates. The plates, which reflect automobile headlights, can be seen from 2,000 feet away at night, Larimer said. They protect automobiles and help prevent nighttime accidents. He reported that: "Three times the number of deaths per 100 million vehicle miles driven occur after dark."

Probably the most interesting suggestion by Larimer was that reflective license plates are the only way to put on all cars in the shortest possible time a safety device that will reduce accidents after dark. All states issue license plates, and making the plates reflective would soon make all cars safer at night.

Maine, Delaware, Minnesota, South Dakota, Louisiana and Wyoming issue reflective plates now, and there seem to be good reasons why legislators now meeting should provide for the adoption of such safety plates by their states.—U. S. Press Association.

CONGRESSMAN SAYS SECOND CLASS POSTAGE IMPORTANT HELP TO EDUCATION IN AMERICA

"Next to the public school system itself," writes Rep. Usher L. Burdick of North Dakota in the January Reader's Digest, "second-class postage is the finest thing Congress ever did for the education of the American public. As one who believes that democracy cannot work without knowledgeable citizens, I should like to express my hope that this service will long continue unimpaired."

Mr. Burdick recalls that he learned his ABC's in the Sioux country of North Dakota from a magazine called Farm, Home and Fireside. It carried exciting stories, described new farming methods and provided tentatizing

glimpses of the world beyond the horizon.

"We could get a Farm, Home and Fireside subscription for 25 cents because in 1879, the year I was born, Congress cut down postage for magazines and newspapers so more people could afford to buy them. Congress figured that the more the people read and learned, the better government by the people would work.

"And they were right. I finally went to college and got housebroken to books; but for me as for most Americans, newspapers and magazines remain essential teachers. Many of these publications, so essential to the maintenance and growth of our freedom, simply could not exist without low second-class postage rates."

LAKEHURST, N. J. (FHTNC)—Philip T. Neudecker, airman, USN, son of Mr. and Mrs. Guy J. Neudecker, of 148 Pennsylvania Ave., Westminster, Md., is attending the Parachute Rigger Survivalman School at the Naval Air Technical Training Unit, Lakehurst, N. J.

Students are trained to maintain safety and survival equipment used by Navy and Marine aviators.

One of the requisites for graduation from the school is to make a free fall parachute jump using a parachute personally packed by the student.

WHY PEOPLE GROW OLD

(Part 2)

Every moment of your life is a moment of rebirth— That is why God sent you here to earth! It is here He teaches and trains mortal man To be like Him; and, to follow His plan.

The last body you build must be perfect in every way; For, in it, you shall spend the endless day God sends you back to earth to learn of His plan; And, to make of you a perfect man.

You have had many bodies, the savants all say; But, on the road to perfection, you are only half way; So, search the scriptures; and, you shall know How God intends all His children shall go.

The days of the years of our pilgrimage grow longer to-day Because man has changed his mind (Don't think the old way) So, when he leaves to know who he is, experts say; "He shall live on-forever in the endless day."

That is why the God of heaven sends us all here— (To me, His reason for doing so is quite clear); He sends us here to learn how we all must be Before we can go from Time to Eternity.

Our God is too good and too merciful, some say, To permit a weakling to enter the endless day; So, He teaches and trains us all here below; And, the secrets of Life we all shall know.

If I only could live Life over? many persons say— (How often we hear it said in the present day); The truth is you can, if you start right now; And, this poem is written, to tell you how.

Health and full vigor need not end at 40, as they say, (Men of that age shall be babies some day?) Even at 100, they shall only be in their prime Because years shall not be measured by flight of Time.

In the year 2000, (44 years hence) some writers say, Babies born will have 200 years to stay; And, instead of being wrinkled, crippled and grey They shall all be active, and young, and gay.

Even now, it is not years that take people away; It is our way of living, many oldsters say? Then, too, the way people think has much to do In keeping them active, and young, and new.

Living cells taken from dead bodies, they say, Properly fed, live on and on from day to day; Not only that— they grow, experts now say; And continue to live after one has passed away.

Single cell animals never die a natural death; They live on and on until crushed out of breath, So, scientists are now asking each other why Multi cellular animals, like man, really need to die?

Old age and death are not stages of existence, they say; That is the consensus of great doctors to-day; Man shall always have a body, biologists say, Because God intends it shall be that way.

The body we see goes to dust, they say; But, the man who lived in it goes on his way; That is why we make so many trips to earth, they say— We must have a body which shall not decay.

400 years ago Ponce de Leon sought the Fountain of Youth When, it was right within himself, had he known the beauty And, that is a secret we all shall know When we learn to know God and the right way to go.

Ponce de Leon sought the Fountain of Youth Because up till then man did not know the truth, For, no matter when you came this way, You are never over 11 months old, experts say.

Your physical body renews itself from day to day, Even the millions of cells are renewed that way; Your bones, too, are renewed, scientists say, And take on new life from day to day.

There is not a cell, not a bone, in your body to-day That is more than 11 months old, they all say; Why then should you feel age, or, be less spry Than the haughty youngsters who pass you by?

The answer is that you need not, I find For, youth is controlled by your sub-conscious mind; That mind is the real you, the Scriptures say; So, it tries to make you perfect in every way.

But, why does it do so? The answer is plain! For, here God intends you shall always remain; So, man must be perfect—Don't you see? For, within a body, he shall spend eternity.

Your conscious mind is busy with surroundings to-day, That is why the sub-conscious is in charge, they say; For, he is building a home—(a body) in which to stay; And, in which to live in the endless day.

They tell us, when we throw away the model of youth We start to grow old because we don't know the truth; So, always listen to God; and, do things His way, And you shall build a body free from decay.

It is because of the model man holds, they say, That so many invalids around we see to-day; Then study God's plan; for it tells you what to do; And, how to make an old fellow feel new.

What is the model before your mind's eye to-day? Is it one of Age and decrepitude as they say? That is the model we see every place we go Because the way of Life man does not yet know.

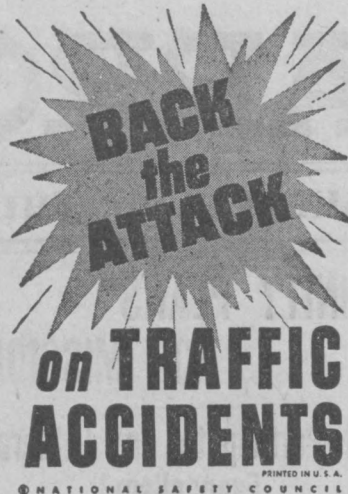

So, before your mind's eye hold a model youth! That, my friends, is a cardinal teaching of truth; It is also a part of God's great plan To make of you a wise and a perfect man.

I repeat, every moment on earth is a moment of rebirth— That is why God keeps sending us back to earth? God's mental pictures are perfect, the Scriptures say; So, you too, must learn to see and do things His way.

The last body you build must be perfect in every way; For, in it, you shall spend the endless day; God sends you here to make of you a perfect man And to learn the secrets of His great plan.

That is why God gives us physical birth?— All of his children are trained here on Earth? Who but He could have conceived such a plan That would make a god among gods of every man?

EMPLOYERS WITH FOUR OR MORE EMPLOYEES MUST FILE RETURNS

Employers who had four or more workers on their payrolls for at least 20 weeks in 1956 can obtain a Federal tax deduction if they pay their Maryland Unemployment Insurance tax by the end of January.

Robert B. Kimble, Chairman of the Employment Security Board, today advised these employers that the prompt payment of their Maryland U. I. tax for 1956 will enable them to claim deductions up to 90 per cent of the amount due under the Federal Unemployment Tax Act. The tax for the fourth quarter of 1956 is due beginning today.

Employers who make their Maryland U. I. contributions after January, however, are not entitled to full deductions.

The Federal Tax is three per cent of an employer's payroll up to \$3,000 per worker per year. But the Federal Act provides that 90 per cent of this tax (2.7 per cent of the taxable payroll) can be offset if amounts due under the Maryland Law are paid before January 31.

The deduction is not automatic, but must be claimed on Federal Form 940. Employers who have not yet received this form should request a copy from the nearest office of the District Director of Internal Revenue.

Persons with requests for information regarding the payment of the Maryland tax should contact the Department of Employment Security by phone or in writing. Persons contacting the Department in Baltimore should refer to Department 499. In the counties, contacts should be made with the Local Offices.

Employers having four or more employees for 20 weeks or more were first required to file and pay a tax to the Federal Government under the Federal Unemployment Tax Act on January 1, 1956. Prior to 1956, the provisions of the Act applied only to employers with eight or more employees for at least 20 weeks.

While the Federal Law levies the tax only on firms with four or more employees, the Maryland Law levies the tax on firms with one or more employees. The taxable payroll in both cases, however, is limited to the first \$3,000 of each employee's wages.

Mr. and Mrs. Earl Welty and son Ronnie, visited Sunday evening at the home of Mr. and Mrs. Clyde Welty and Mrs. Laura Welty in Mayberry. Mrs. Margaret Masters and Mrs. Cora Freeze, of Frizzellburg were Sunday supper guests with Mrs. Effie Fream. They also called at the home of Mr. and Mrs. Howard Kump. Mr. Guy Sterner and two grandchildren of Gettysburg, visited Wednesday with Mr. and Mrs. Luther Fox. Mr. and Mrs. Robert Moran, Baltimore, are receiving congratulations on the birth of a daughter born Sunday at the Mercy Hospital in Baltimore. Mrs. Moran was a former resident of Harney and is the daughter of Mr. and Mrs. David Michael also of Baltimore.

FEESERSBURG (A Voice From Carroll)

Mr. and Mrs. David Reaver and granddaughter of Westminster called at the same place in the afternoon. Mr. Murray Fuss, who celebrated his 75th birthday Sunday was surprised on Saturday evening with a party and many useful gifts. Refreshments were served to the following guests: Mr. and Mrs. Erman Chipley, Mr. and Mrs. Robert Strickhouser, Mr. and Mrs. Wesley Mummert, and daughter Connie Lee, Mr. and Mrs. Elwood Strickhouser and sons Kenny and Jerry and Mr. and Mrs. Russell Wantz, Jr.

The letter written by Mr. Carroll Rinehart before he died and published last week by various papers throughout the county contains one message that cannot be emphasized too often. It is this: "There is a great need that every man, woman and child live their best daily." If each person responded to this ideal, the confusion, frustrations and misunderstandings of man would disappear. If each person could or would master his own life there would be no need to attempt to master his neighbors. There are many, many persons who do try to live their best daily and succeed at it. Mr. Rinehart was one of these. For some years he knew that his life was hanging by a slender thread, but he continued to use his strength and talent for others. Just six weeks ago he guided the annual Christmas seal drive here in Carroll County with a successful conclusion. His last message to the people of Carroll takes on deep significance when it is learned that he drove himself to the last ounce of strength for the public welfare. The ideals he wrote about in his letter are the ideals he lived by. He loved Carroll county and its people and he shared with them his knowledge, his strength and his kindness. He was a public servant in the truest sense of the word but more important he was a servant to christian ideals. Not content with lip service only, he patterned his daily living constructively around the principle of the "brotherhood of man." In leaving the place he loved so much he surely must have been sustained in his bold journey with the knowledge that he had "lived his best daily."

The Carroll County Christian Endeavor Union held its annual banquet Jan. 24, at Harney, Md. The Ladies Aid Society from St. Paul's Lutheran church served the supper, Rev. Dixon A. Yaste was toastmaster and Rev. R. Richard Summer, pastor of Christ Lutheran Church, Hagerstown was the speaker. The banquet committee was composed of Mrs. Claude Bohn, Mrs. C. C. Priest, Miss Mabel Albert and Roger Boone. The publicity was under the guidance of Mrs. Roy B. Kiser and M. R. Albert. About one hundred attended the banquet. Last week Baltimore County for the first time in fifty years was brought partially under the control of the Republican party. They captured four seats out of seven in the newly elected council. This is enough to control it. The Republicans, according to the wise boys were given no chance at all before the votes were counted—after the votes were counted the boys were searching for an answer. It isn't necessary to hire an expert to figure out the cause. The Democrats are still trying to win elections with the same old tired and ossified candidates picked by the central committee that have run the election for the past thirty years. Unless the members of the central committee can be pried from their roosts that they have hatched on for far too long the Republicans will control the entire State. And it may not be a bad idea at that. Once the Democrats were noted for their vitality, fresh ideas and young faces. Now the Republicans have stolen their thunder. In many ways the Democrats in Maryland are no longer a party—just an exclusive club of self-seeking central committee members.

The American Medical Association have finally had to face the truth concerning the Salk vaccine against polio. The truth is the people have failed to avail themselves of the protection against the disease of the polio vaccine. The doctors profess to not know the reasons for the public's apathy, but they do know and are just reluctant to admit them. The main reason why parents have failed to respond to the vaccine was the bad publicity it was given when it was first released. When some of the vaccine contained live virus and caused the death of some children parents became scared and figured that their children, may just as well take the risk of contracting polio as to be injected with faulty vaccine. Unfortunately this scare hasn't worn off yet. Another reason that the vaccine isn't popular is the belief of many that the government should have made available at cost the vaccine to all citizens. They reason that the public donates millions of dollars for the research of the vaccine and the public should have been given the medications at a reasonable fee. This may not be sound reasoning but nevertheless its the way many people are thinking. It is going to take much prodding and even a law to get some people to make use of the Salk vaccine. There are hundreds of persons so frightened at the sight of a hypodermic needle that they would rather die than face one. The doctors will have to make a very strong appeal to overcome the fear and reluctance of one half of the nations parents to submit to the anti-polio serum. It is too bad the bringing of the introduction of the polio vaccine by the Federal government has brought about such a widespread mistrust and apathy on the part of parents. For the vaccine now is safe and if all persons under 40 years of age would take the shots it wouldn't be too long before polio would be a disease of the past.

Farming continues to be the most hazardous occupation in the U. S. According to the National Safety Council, 40 farm residents are killed each day, and one farmer is injured every half minute. A million dollars still ain't hay, but we're beginning to think that not too much time will pass before it is. Congress is in session and so is the Maryland Assembly to pass new laws. There is one new law that I would like to sponsor and see placed on the books. I have never believed in capital punishment but I would like to make it punishable by death for any-

one to start malicious gossip against an innocent person with the premeditated aim of ruining that person's character and good name. For taking one's character away from a person is even worse than taking his life. A malicious gossip is as dangerous to a community as a murderer and much harder to cope with. Rarely is a character assassin caught, but justice be for him sooner or later and he must live with himself to the bitter end of his days. There is no such thing as harmless gossip for the most trivial untruth can cause sorrow and anxiety. Don't add to the world's woes by peddling untruths. There are too many worthwhile things to talk about. Gossip is a sign of an empty head and a small soul.—Ruth Roelke.

March 1—World Day of Prayer I am always sorry when I make mistakes in writing this column. The following type of mistake particularly distresses me. Several weeks ago I had printed that Arlene Ahn was one of the local girls who had recently become engaged and that she expected to become Mrs. Miller. Arlene is engaged to Robert Bowers and not to Mr. Miller. Mrs. Maurice Wilhide was a guest at the home of her daughter, Mrs. Charles Minnick, and Mr. Minnick one day last week. Congratulations to Mr. and Mrs. Charles Trout of near Taneytown upon the birth of a son Jan. 23rd at the Gettysburg Hospital, Mr. and Mrs. Trout (nee Kiser) have two other boys, Bobbie and Dean. I have heard the newest boy will be called Dale Myron.

Mr. and Mrs. Edward Coshun, Libbie, Jimmie and Terry, Betty Shibley and Mary Helen Shibley, Mr. and Mrs. Gilbert Stine, Nancy and Roxanne were Friday evening supper guests at the home of Mr. and Mrs. Robert Stine, near Keysville. Mr. and Mrs. Harry Erich and family, of Hanover, Pa., were visitors at the home of her sister, Mrs. C. E. Priest and family, on Saturday. Mrs. Vernon Schaefer, Keysville, was one of the victims of the virus; I understand she was quite ill. Her brother Paul was on the sick list for a while too. A new address and letters to various people in the neighborhood tell us that Charles Young, son of Mr. and Mrs. John Young, Keysville, arrived safely at his new place of training at Tillamook, Oregon. Charles, I understand, is to be among those being trained to refuel planes while they are in flight.

Edward Coshun and his poster committee, Keysville Lutheran Evangelism Mission, have met and are planning to have posters ready for display soon. The rest of the committee are Joan Kiser, Maria Steffen, Irene Ausherman and Mary Helen Shibley. This is part of the publicity committee. Miss Betty Shibley is helping as secretary to the Publicity Committee.

A birthday party which was a complete surprise for Frank Fogle on his 40th birthday on Sunday the 27th was held at the home of his sister, Mrs. Edward Coshun at Redland. Those who were present at the birthday dinner were Mr. and Mrs. Oden Fogle, Harry Fogle, Frankie Saunders, Mr. and Mrs. Frank Fogle and Barbara; Mr. and Mrs. Otis Earnst all of near Union Bridge; Mr. and Mrs. Howard Smith, Denny and Sandy Sue; Mr. and Mrs. Bob Walters and Bobbie; of Frederick; Mr. and Mrs. Richard Fogle and family, of Sykesville; Mr. and Mrs. Carroll Lee of Annapolis.

Mr. and Mrs. Fred Wilhide and Douglas left his parents, (Mr. and Mrs. Lloyd Wilhide near Keysville) home on Jan. 23rd and arrived safely at the home of her parents, Mr. and Mrs. Anthony Caroni, of Indiana, Pa. Fred, at the present time is working with his father-in-law in the Nursery business.

Mrs. S. R. Weybright, of Detour, delighted her friends and her family by getting out of the hospital much quicker than was expected. Her daughter, Victoria Shoemaker was able to come home and be the nurse, this was responsible for Mrs. Weybright's early departure from York Hospital. Mrs. Weybright came home on Saturday, Jan. 26 and is getting along very well although she is still quite weak.

The Keysville-Detour Homemakers Club was entertained at the home of Mrs. Edward Coshun on Jan. 17th. There were 10 members present. Mrs. Noss gave the group the Amana Food Service Plan which is in effect at the Hahn's Locker Plant at Westminster. A donation of \$10 was given to the March of Dimes. Mrs. Harold Thomas, President, conducted the business. Mrs. Clarence Jackson, who was to have given the demonstration on dress designs, was not able to be present, so she will give the demonstration at the next meeting. Mrs. Harold Thomas and Mrs. Alice Hoff will give another demonstration, Better Lighting at the next meeting. Mrs. Mark Baumgardner will entertain the Club at its February meeting on the 21st. Mrs. Coshun served refreshments of pizza pie, vegetable salad, cup cakes and coffee. P. S. Mrs. Thomas is urging that anyone interested in attending the lamp shade school at the Agricultural Center in March, possibly the 17th, please call the Home Demonstration office in Westminster for reservations. The correct date will be told you then. The Union Bridge Girls 4-H Club

met at the home of Irene Ausherman near Detour on Jan. 21. In the absence of the President and Vice-President, Miss Joan Kiser, secretary, was in charge of the meeting. Following the roll-call and the pledge each member gave an account of the activity or progress she had made on her project. Quite an impressive list was the result of this survey. Irene Ausherman gave a demonstration on making pressed cookies. The recipe was one which she had in her cooking project papers. Mrs. Bowman, leader, is planning to present the two demonstrations, Table Setting and good posture, at the Feb. meeting. The February meeting is to be held at the home of Jane Wilhide on the 18th. Irene served refreshments of homemade ice cream, cake and cocoa. Sewing classes have been held on Saturdays at various times and places. Mrs. Roger Rook is now a leader of this 4-H Club too in addition to Mrs. Paul Bowman and Mrs. Carroll Wilhide.

FRIZELLBURG

Mrs. Russell Cramer, Westminster, was given a complete surprise baby shower on Thursday evening at the home of Mrs. Robert Bosley, Sr. Hostesses were Mrs. Bosley, Mrs. Hoyle Culberson and Mrs. Royer Coleman. Mrs. Cramer received dainty and useful gifts. Mr. and Mrs. Harry K. Myers are enjoying the Florida sunshine. It's a sure sign of spring when children swamp you with garden seeds. Mr. and Mrs. Edward Geiman and family who had been living in Saginaw, Michigan, are spending several weeks at the home of their parents, Mr. and Mrs. Otto Myers. The Geimans are planning to move to Westminster in February. A number of neighbors and friends met at the home of Mr. and Mrs. Harry Cashman, Friday evening, to help Mrs. Cashman with her Friendship quilt. This little get-together was in honor of the 53rd wedding anniversary of Mr. and Mrs. Cashman. The board members of the Taneytown Key Club met at the home of Richard Null, Sunday afternoon, Jan. 27, for a monthly board meeting. A stray or lost pigeon has been roosting on a small bird box on the front porch at the home of Mr. and Mrs. Walter Senft. He came there about three weeks ago. When the snow covered the ground and in zero weather, Mrs. Senft saw that he had plenty to eat. He went away over the week end but came back to his favorite roosting place. He is a beautiful bird and wears a band on his leg. Someone has lost a pet or a prize-winning pigeon.

Mrs. Scott Sullivan spent Tuesday with her sister, Mazie Sullivan. Sunday school this Sunday morning at the Church of God at 10 o'clock. Mr. Howard Carr, superintendent. The elder Mrs. Elkins is ill at this writing. The Elkins were originally from Kentucky. Mr. and Mrs. Harold Myers and daughter Tamara are expected home from a two weeks vacation in Florida. Georgia Croft, Westminster, spent Friday with Janie Culberson. Janie was a Sunday dinner guest of Mr. and Mrs. Robert Bosley, Sr. The Homemakers' quilt is progressing nicely, but we need your help, nice to get it finished before the blue birds return in the spring.

Services this Sunday at Emmanuel Baust Lutheran church will be worship at 9:30, church school following at 10:30. Rev. Donald Warrenfeltz, pastor. Kenneth Lambert, superintendent. You are welcome. Visitors in the home of Mr. and Mrs. Norman Myers on Sunday were Mr. and Mrs. Howard Koons, Mr. and Mrs. Sterling Matthias, Mr. and Mrs. Donald Myers and family, all of Westminster. Mr. and Mrs. Gary Koons and Mrs. Helen Erb were visitors in the same home on Saturday evening. The Friendship Carriers' Class of Emmanuel Baust Lutheran church met Sunday evening, Jan. 20, at the home of Marlene Zimmerman, Silver Run. The meeting was called to order at 8 o'clock and the roll was called by the secretary, Marlene. The opening song was "Living For Jesus." Donald Null read the Scripture which was recorded in Luke 16:19-31. Richard Null led the class in lesson study with the topic being "Heaven and Hell." The lesson explained about Heaven and Hell and what happens to a man at the time of death. Jane Null read a poem entitled "The Masterpiece." To conclude the program the class sang "Tell Me The Story of Jesus," and "In The Garden." The business meeting was conducted by the president, Richard Null. The treasurer, Donald Null, gave an annual report and collected dues. It was decided that the class will next meet at the home of Patsy Lambert, Taneytown, on Sunday evening, Feb. 17. The meeting was adjourned by the class praying the Lord's Prayer. Delicious refreshments were served and a social hour followed.

I want to say thank you, and you, and you for the gifts and lovely cards you remembered to send for my birthday anniversary, which was today (Tuesday). Nice to be remembered by friends on your birthday, although the years go so fast. When I was a little girl it was so long between birthdays, and even longer to wait for Christmas. But time changes things. Now birthdays and Christmas seem but a few passing months. Is that a sign of old age? Oh, no! for I am 21 now. Mrs. Robert Rinehart, near Littlestown, spent Wednesday with Mrs. Emerson Brown. Regular church services next Sunday at Baust E & R parish house, church school at 9:30. Youth Service at 10:30. "A Family Mission Festival" in the form of a covered dish dinner will be held Sunday, Feb. 10, in the parish house. Meat will be furnished. This dinner is sponsored by the Women's Guild. The Aid Society Valentine Party will be held Feb. 5 at 8 o'clock in the parish house. The consistory will meet at the same time in the parsonage. Last Wednesday, members of the Women's Guild met at the home of Mrs. Herman Arminson for their "Sewing Deeds of Kindness" project. 22 garments were completed. Those

present were Miss Bessie Yingling, Mrs. M. S. Reifsnnyder, Mrs. Charles Humbert, Mrs. Oliver Brown, Mrs. Overholzer, Mrs. Allen Morelock and Mrs. Ardel Stonieser. Mrs. Emma Kodkey of Uniontown has been on the sick list the past week. Her daughters, Mrs. Denton Wantz and Mrs. Allen Morelock have been caring for her. Mrs. Rodkey is much improved at this writing. We hope that she will soon be well enough to be out, and among her friends again. Mr. and Mrs. Vernon Black visited at the home of Mr. and Mrs. John Hyle on Monday evening. The years have taught me many things: The longer that I live, I find it easier to bear Harsh words, if I forgive. I've learned misunderstandings can, Like those proverbial hills, Grow into mountains, huge and high. That love and friendship kills. I've learned that unkind acts and deeds Are dreadful to endure, But to retaliate in kind Is worse—and not a cure. One problem I have thought about, It troubles me so yet Why it's so easy to forgive, But so hard to forget! —Anna M. Carroll

FAIRVIEW

A house warming party was given on Saturday night for Mr. and Mrs. Robert Frock and sons by Mrs. Frock's brother and sister-in-law, Mr. and Mrs. Elmer Baumgardner and family. SCHOOLS ANNUAL MID-WINTER CONFERENCE

(Continued from first page)

Joseph Myers, Katherine Roach, and Christine LeFevre, Mrs. Everette, solo by Miss Betty Sturdivant, teacher of music at Taneytown High School.

The keynote address, "The Child and the Culture" was delivered by Dr. Leon Eisenberg, Children's Psychiatric Service, Harriet Lane Home for Children, the Johns Hopkins Hospital, Baltimore.

After a recess, during which refreshments were served by the Carroll County Teachers Association, there was a panel discussion of "Social Forces Contributing to the Development of our Youth." Representing various viewpoints on this topic were the following panel members: Mr. Andrew W. Mason, principal of the Taneytown High School, who acted as moderator; Miss Sylvia Ford, president of the Westminster High School Student Council; Mr. George Crawford, State Supervisor of Curriculum; Mrs. William E. Culwell, president of the Carroll County Parent-Teacher Council; Mr. Elbert Fletcher, superintendent of the Maryland Training School for Boys; Rev. Paul Heim, president of the Westminster Ministers; Mrs. Dorothy S. Russell, Psychiatric Social Worker, Carroll County Health Center; Mr. Loren Simpson, counselor of North Carroll High School; and Mr. Clifton W. Warner, member, Board of Education of Carroll County.

During the afternoon session the teachers divided into twenty interest groups with Mr. Franklin Gilds, principal of Westminster Elementary School as chairman and Mr. E. M. Nuss, Education Staff, Westminster Maryland College, as consultant; "Parent-Teacher Conferences" with Mrs. Katherine Borchers, Freedom School, as chairman and Miss Dorothy Shires, State Supervisor of Pupil Personnel, as consultant.

"Recreational Reading" was considered by three groups with the following as chairmen: Miss Margaret Murray, Westminster; Mrs. Frances Crawford, Taneytown School; and Miss Sarah Williams, Winfield School. Consultants were: Miss Helen Clark, State Director of Library Extension; Miss Alice Robinson, Montgomery County Supervisor of Library Services; and Mrs. Helen Shroyer, Librarian, Davis Library.

"Training in Citizenship" was the topic of two groups with Mrs. Elizabeth Perego, Manchester School, as chairman, and Mrs. Grace Dorsey, State Supervisor of Elementary Schools, as consultant of one and Miss Kathryn Anders, Westminster Elementary, as chairman, and Mrs. Gladys Hopkins, State Supervisor of Curriculum, as consultant of the other.

Senior high school English teachers met in two sessions with Mr. Chester Elder and Miss Mary Wenger as chairmen, and Mr. George Herring and Mrs. Virginia Sanders as recorders. Mrs. Margaret M. Bailer, High School Supervisor, was consultant. Senior high school social studies teachers had Miss Frances Miller and Mrs. Anne Utz as chairmen, and Mr. David Daley and Mr. Doyle Wildasin as recorders, and Dr. James Pyke, Westminster Theological Seminary, as consultant. Dr. Pyke spoke on "Southeast Asia".

The planning committee consisted of the supervisory staff of the Carroll County Board of Education: Mrs. Margaret Bailer, Miss Ruth E. DeVore, Miss Maye Grimes, Miss Evelyn Maus, Charles E. Reck, Philip S. Royer, Mrs. Josephine West, John F. Wooden, Jr., with Gerald E. Richter as chairman.

ANNUAL COVERED DISH SUPPER

A very enjoyable affair was held in the assembly room of the Adult Dept. of Trinity Lutheran Church School on Monday evening. This was the Bible Class annual covered dish supper. Members and guests began gathering early for this event which is always so much enjoyed. Class President, Merwyn C. Fuss called upon Rev. Stanley B. Jennings, Pastor of Trinity, to offer the invocation after which the members were seated at the tables which had been so attractively arranged and had been stacked with delicious food that had been prepared by the excellent cooks of the class in their homes and brought for the supper. Some of the members determined to sample each of the appetizing dishes placed before them and found it a difficult proposition. Waiting on the tables were the following members of the Young Women's Bible Class: Mrs. Claude Gusbaum, Mrs. William Hopkins, Mrs. Hoke Ommert, Mrs.

Kenneth Hawk, Mrs. Kenneth Shorb, Miss Emma Reifsnider, Mrs. Everette Hess, Mrs. Sterling Fritz, Mrs. Luther Luckenbaugh, Mrs. Walter Hahn and Mrs. Earl Myers.

Following this sumptuous meal a program had been arranged by members of the committee which was composed of Mrs. Norman Sauble, chm.; Mrs. Hubert Null, Mrs. Merwyn C. Fuss, Mr. Wilbert Hess, Mr. Percy Bollinger and Mr. Carroll Hahn.

The committee planned a program which was guaranteed to provide both amusement and entertainment. President Fuss started this part of the proceedings with a word of welcome to members and guests followed by words of commendation to the members of the class for their fine interest and regular attendance. He complimented Pastor Jennings the class teacher, for the interesting and helpful presentations of the lesson each week. Wilbur Hess was called upon to lead group singing with Miss Hazel Hess at the piano, this was entered into wholeheartedly by the entire assembly. The next number on the program was the Kitchen Orchestra, which rendered a number of selections to the delight of the audience - in the orchestra were the following artists, Mrs. Paul Shorb, Mrs. Albert Wilhide, Mrs. Leroy Reifsnider, Mrs. Charles Rohrbaugh, Mrs. Harry Crouse Mrs. Wilbert Hess, Mrs. John Vaughn, Mrs. Hubert Null, Miss Hazel Hess was the director and Miss Edith Hess accompanied at the piano.

The Fearless Quartet was next called upon and responded by presenting two well received selections. The quartet was composed of tenors Wallace Reindollar and Loy Hess, bass Wilbert Hess and Daniel Naill, Miss Hazel Hess accompanied.

A piano duet of exceptional quality was presented by Mrs. Wallace Yingling and Miss Hazel Hess. Pastor Jennings was called upon for some remarks and he responded in his usual fine manner with a very pleasing message.

Talent Scouts was the next entertaining feature with Mrs. Charles Hahn substituting for Mr. Godfrey. Miss Grace Hahn presented the artists appearing on the program Mrs. Harry Crouse made two appearances as different artists and received much applause on each occasion. Mr. Harry Crouse appeared as the third artist on the program and was well received.

The group was inspired as well as challenged by the fine address of Rev. Nevin E. Smith, Pastor of Emmanuel's E. & R. Church, Hanover. All departed to their homes recording this event as one of the most enjoyable the class has ever held.

Officers of the class are, Merwyn C. Fuss, Pres.; Clyde L. Hesson, Vice-Pres.; Sec. of Women, Mrs. Margaret Nulton; Sec. of Men, Mr. Walter Sentz; Treasurer, Mr. Harry Crouse; Teacher, Rev. Stanley B. Jennings.

CHRISTIAN ENDEAVOR BANQUET

The Carroll County Christian Endeavor Union banquet was held at Harney in the Lutheran Parish House Hall, Thursday evening, Jan. 24 at 7 p. m. with approximately 75 persons attending. The meal was delicious consisting of roast chicken, dressing, gravy, mashed potatoes, sweet potatoes, noodles, peas, cold slaw, cranberry sauce, celery, pickles, rolls, butter, coffee, fruit and cake, served by the Ladies' Aid Society of St. Paul's Lutheran Church.

The affair marked the 76th birthday of Christian Endeavor, which is an ecumenical movement, for Christ and the church, reaching to all parts of the world. Theme: "Consider Your Call."

The song leader Mr. Frank P. Bohn, a former County President, led in several inspiring hymns, with Mrs. Theima Lightner, pianist. The toastmaster Rev. Dixon A. Yaste kept the group informed as to speakers, announcements, introductions, interspersed with jokes, which were well received.

Roger L. Boone, County C. E. Union President extended greetings, and asked that the offering be listed at this time to be sent to International C. E. as our birthday banquet offering. Charles O. Heyward, Md. and Washington, D. C. executive Secretary of C. E. asked that a wall pledge be in every meeting room, and invited new commitments to the C. E. Pledge.

The citizenship contest was presented by Miss Lois Shanholz, Linwood, Maryland's 1956 winner. Miss Shanholz has again entered the contest for 1957, which carries a \$200 award to the winner, a free trip to the 44th International C. E. Convention in Portland, Oregon, July 8-13. Good luck Lois! There are several other Md. entrants.

Misses Reba and Rachael Sies, of Westminster sang two duets entitled "Face to Face" and "One Day" accompanied by Mrs. Lightner.

Mobilization was presented by Mrs. Roy B. Kiser, Taneytown stressing the urgent need for membership subscriptions of \$10 to International C. E. Society, 1221 E. Broad St. Columbus 16, Ohio, reminding all subscribers that during January and February the subscriptions are doubled by several generous friends of Christian Endeavor, which means \$20 for C. E. instead of just \$10 sent in. Mobilize-to-day!

There were 6 Pastors present at the banquet, also our former County President, Mr. Merritt Copenhaver, 10 Alumnus, Junior, Intermediate, Senior Society members, Keysville Lutheran 15; Evan, United Brethren, Taneytown, 14; Mt. Union Lutheran 8; First Church of God, Westminster, 7; Church of the Brethren, Linwood 7; Evan Reformed, Taneytown 7; Keysville Reformed 1.

The speaker, Rev. R. Richard Sumner, Christ Lutheran, Hagerstown, gave an inspiring message on "Youth Work." What does a christian possess? Some possess better qualities than others, but do not use them, others do not possess the qualities, while the remaining Christians just don't give time to the already possessed qualities. We need youth workers, everyone is needed, as there is a unique possibility in every person. Having been a guard at a reformatory for male alcoholics for 4 years, Rev. Sumner, learned the powerful lesson, "A Christian cannot give in." Teach forgiveness, humility, side by side, as Christians loves and suffers for other people. When a problem child goes wrong, your suffering is the love for that child. Christian youth workers depend on prayer. If you become disappointed, you may change, as the needs of individuals are different. Clubs attract, but are discouraging. We must be truthful in Christianity to youth. Prayer may seem like talking to the air, ridiculous to some, like trying to talk to himself. Some have made God a life preserver, only calling on Him when their drowning or in trouble. There are no atheists in fox holes. A man can learn to walk with Jesus. Jesus said, "You will stand to strengthen character". God has used you. Prayer is the great mystery, the heart of religious life. Rev. Sumner spoke of holding an all night "Prayer Vigil" recently for youth. He was wondering if some of the youth could pray 15 minutes, but when it was over, being so impressive, the youth asked if the Prayer Vigil next year, couldn't last longer. See how you can be surprised. Jesus prayed! So why shouldn't we. What does He think of prayer? A divine

worker, a strong body, but Jesus prayed. Do you pray? We hear the answer, "Once in awhile", referring to the book, "Smoke on the Mountain." On the Ten Commandments. Do not take the name of God in vain. Thou shalt take the name of the Lord thy power. People used to worship too many Gods. Now we take the name of the Lord with power. So send out our love and faith, for power to teach us to pray.

Pastor Arthur W. Garvin pronounced the Benediction. Banquet committee: Mrs. Claude P. Bohn, Mrs. C. C. Priest, Miss Mabel Albert, Roger Boone. Publicity: Mrs. Roy B. Kiser and Miss Mabel Albert.

SCOUT PAPER DRIVE AND OTHER ACTIVITIES IN TANEYTOWN

Paper collection time has rolled around again. The regular drive for rags, magazines, newspapers, and iron made on the first Saturday every alternate month will begin at 8 a. m. on Saturday, Feb. 2 on behalf of Troop 348, Boy Scouts of America, Taneytown, under American Legion sponsorship. Again the considerable assistance of the Cambridge Rubber Company will bring greater returns to the troop's coffers, and the usual generous cooperation of people in Taneytown and vicinity who donate their scrap items will be appreciated.

Explorer and Boy Scouts who can assist with the paper collection are requested to report by 8 a. m. Saturday; a large ingathering is looked for.

Senator Flanagan Reports

WANTED: "One painless tax. Apply to 21 democratic Senators, State House, Annapolis, Maryland. Suggestion will be treated confidentially because we want it to appear original". I don't mean to be joking about a serious matter, but they are hunting for a tax that will hurt as little as possible. You see there are two parties represented in the legislature. In the Senate there are 21 democrats and 8 republicans. The Governor who happens to be a republican recommended the tobacco tax to balance the budget, which is another way saying that estimated income next year will be 7 million dollars below expenses if commitment remain at their present level. Very little is said about reducing expenses. However, the finance committee will begin hearings this week in the hope that some trimming can be done. Department heads appear and defend their requirements. The 363 million dollar budget is so high and complicated that only a few experts could pare it down intelligently. Governor McKeldin would balance the thing by taxing the smoker. The plan would collect about 17 million and after meeting the requirements of the budget, the balance would be returned to the counties for teachers' salaries. The only difficulty is that over half of the population is already paying this tax on the local plane so they would not be interested in this arrangement. They would be compelled to raise the salaries from some other source. Carroll County is in this class.

Some of the boys would add another cent on sales and others prefer increasing the income tax. Both are unpopular with the voter, so they may come back to the smoker. He is hopeless. I mean helpless. However, this would not meet the request of the Board of Education. They have asked for \$400 this year and another \$400 next, meaning the first would cost \$11,000,000 and the year thereafter

THIRD 'MISS CARROLL COUNTY' PAGEANT PLANNED

Chairman Donofrio announces; Decision made after receiving satisfactory assurance from 'Miss America' head.

Following the "Miss Maryland" Pageant in Baltimore last year, the Westminster Lions Club filed formal protests with the state pageant and the national "Miss America" Pageant in Atlantic City, over the manner in which the "Miss Maryland" Pageant was conducted.

In reply to these protests, Miss Lenora Slaughter, Executive Director of the "Miss America" Pageant expressed herself as follows regarding the criticism:

July 10, 1956, "I can assure you, however, that at a later date I will go very thoroughly into the matter with the sincere intentions of correcting any mistakes which have been made and in assisting to plan the finest Pageant imaginable in the State of Maryland for Maryland Girls."

December 17, 1956, "after the Pageant this year, I had a long meeting with Mr. Oliver Davies on ways and means of improving the "Miss Maryland" Pageant. I am confident we are going to have a more satisfactory contest this next year." "I do hope that at the end of this coming year, all of us will be happier with the "Miss Maryland" Pageant."

A further proof of Miss Slaughter's interest and concern that the Maryland Pageant be a success, she has appointed Miss BeBe Shopp to assist with the planning of the "Miss Maryland" Pageant for 1957 and to serve as Mistress of Ceremonies. Miss Shopp is the former "Miss America" of 1948, the New England Director of the "Miss America" Pageant and has charge of assisting all contest directors in the New England States. Certainly Miss Shopp is well qualified to do this particular job for the Maryland Pageant.

With these satisfactory assurances that the "Miss Maryland" Pageant will again be in keeping with the "Miss America" standards (as it had in previous years), the Westminster Lions Club is planning to conduct the third "Miss Carroll County" Pageant, the winner of which automatically becomes an entrant in the "Miss Maryland" pageant, the winner of which, in turn, goes to Atlantic City.

The people of Carroll County know the high standards with which the "Miss Carroll County" Pageant has been conducted in the past and this year's pageant will be even more colorful and worthwhile to the contestants. This pageant is conducted

as a public service, to provide an opportunity for the young women of Carroll County who possess talent and natural beauty.

The Westminster Lions Club therefore takes this opportunity to extend an open invitation to any young woman, who meets the below-listed requirements, to fill out and return the application blank shown elsewhere on this page. All the applicants will be interviewed and only ten (10) girls will be selected to take part in the "Miss Carroll County" Pageant.

Applicants must meet the following requirements:

1. Entrant must be resident of Carroll County for at least the past six months. This rule is only waived for contestants whose residence is out of the County but who is a college or university student in Carroll County at the time the contest is held. She must not have competed in more than one official preliminary contest this year.

2. Entrant must be single and never have been married, divorced or had marriage annulled.

3. Entrant must be a high school graduate by September first of this year.

4. Entrant's age on September first shall not be less than eighteen nor more than twenty-eight years.

5. Entrant must be of good character and possess poise, personality, intelligence, charm and beauty of face and figure.

6. Entrant must possess and display in a three minute routine her talent. This talent may be singing, dancing, playing a musical instrument, dramatic reading, art display, dress designing, etc., or she may give a three minute talk on the career she wishes to pursue.

7. Entrant may be either amateur or professional.

8. Mail applications to Mr. P. Donofrio, Chairman "Miss Carroll County" Pageant, Westminster Lions Club, Westminster, Md.

It is the hope of the "Miss Carroll County" Pageant Committee that your young women throughout the county will avail themselves of this wonderful opportunity for a once-in-a-lifetime experience.

This is the only official "Miss Carroll County" Pageant which is authorized under the "Miss America" Pageant franchise and the only one that offers the opportunity to go to Atlantic City and compete for the coveted "Miss America" title, with all the fame and fortune that attends it.

THE BIBLE SPEAKS

Going Concern

Lesson for February 3, 1957

A "GOING concern" is one that prospers, does business and keeps growing. If the Christian church is not a going concern, maybe the reason is that it is not a going concern. That remark needs explaining; it is not meant as nonsense.

Concern?

The Quakers have a good word: Concern, which has a deeper meaning than "firm" or business. It means warm, deep, even self-sacrificing interest in some one or some group or cause. Lincoln had a concern

Dr. Foreman for the Union; St. Paul had a concern for Gentiles; mothers have a concern for their children. Now the church, if it is the true Body of Christ, ought to share his concerns. We know what it was that concerned him—people, the "multitudes," the masses as we now speak of them. The church ought to have—and to be—a living concern for all sorts and conditions of men.

A church without the human, humane concern which Jesus had, is not what Christ intended.

Going?

Furthermore, the church, so far as it is Christian, ought to be a going concern, not only a sitting one—not only a praying one either. Plenty of churches are (so to speak) sitting concerns. The preacher preaches about "lost" people but nobody gets out to hunt for them—perhaps the preacher doesn't look very hard himself. The members talk to one another about the dreadful state of the world, but they do nothing about it. Missions. What's that? The fact that their denomination is actually going into the ends of the earth, and begs them for help, does not get through to their

minds. (Maybe the preacher's fault again?) They have a concern for the sad state of the world, but it's not a going concern, only a talking concern, a tut-tutting concern,—nothing alive. So the church dwindles and dies, it's not a going concern any longer because it isn't a going concern,—it has no real concern, and it never goes anywhere.

No Mission, No Church

The first Christian church was the twelve apostles. It was a 100% going concern. Jesus did not plan for any of them to remain behind. The directions he gave them are not now followed by any missionary society that has much success; circumstances alter Christian strategy. But all the same, suppose those twelve men had preferred not to go when Jesus sent them? He chose them for two purposes, we read: to be with him and to be sent out. There are always Christians who enjoy worship better than service. Ten people will be out for church, to one who will come out for volunteer service, of any sort. But there came a time when Jesus had to say (in effect) to his closest friends: You have been with me enough. You have heard all you need to learn—for now. Go out now and change people, change the world, in my name! If they had refused, if Jesus could have found no one willing to go, there never would have been a Christian church. And if the church ceases to be missionary today it will become a fossil, a relic, a curiosity, without life or usefulness.

"I Wouldn't Be Here if . . ."

Not everybody can become a foreign missionary. (Indeed the Twelve were sent out first to a region smaller than Vermont; their home country.) But there are various ways in which the church can go out, and send out. There is a man who has found his life's chief work and interest in developing the moral and spiritual atmosphere of the schools in his state. He said not long ago to a group of religious workers: "I wouldn't be here if my church didn't feed me." What he is doing is outside the church; he works through public agencies of the State. But his inspiration comes from the church. And his church would not have inspired him and "fed" him if in turn it had not been inspired and fed by the Living Bread. Where the church as an organization cannot go, its members, stirred and supported by the Spirit of God, must go, into life everywhere, in the name of Jesus.

Let's see the decisive factors in the '57 Inner Ford

Labels: New Deep-Offset Rear Axle, New Super-Strong Body, New Comfort-Contoured Seats, New Even-Kee I Rear Suspension, New Double-Wall Cowl, New Wide-Contoured Frame, New Giant-Grip Brakes, New Swept-Back Ball-Joint Suspension, New Electronically Balanced V-8 Engines.

They show you why the new kind of Ford is worth more when you buy it, worth more when you sell it!

The secret of Ford's nationwide success is this: it's a new kind of Ford . . . new from the wheels up . . . more than a last year's model with a few "face lift" changes. In a Ford the chassis, engine and body are individually engineered into one spacious, rock-solid unit. That's why, when you examine the new Inner Ford, you find a car that's new . . . clear through!

If you're a careful car-buyer with whom features count, count the new features of the '57 Ford. Then drive it! There's only one conclusion: the loveliest, liveliest car in the low-price field is the completely new Ford. For the decisive facts, see your Ford Dealer.

SENATOR FLANAGAN REPORTS

(Continued from fifth page)

\$22,000,000. Bills were introduced last week to put this in the budget, but since they did not provide the money they were withdrawn. If it must be, I favor the tobacco tax plus another \$7 million raised by reducing the sales tax exemption from 50c to 14c. This would do the trick and spread the cost among the entire population who enjoy the benefits.

The automobile with all its blessings is a headache to the lawmaker. Besides keeping us low in cash the car has turned out to be a very dangerous instrument for everyone and particularly for the irresponsible driver. Consequently, many measures are being introduced in an honest attempt to reduce the tragic death rate due to accidents. We have bills for compulsory insurance, annual inspection of cars, periodic examinations of drivers, reflectorized license plates, driver training courses and additional police. I doubt if much will be done about any of them, except driver-training courses in and out of school and more police. A well considered educational campaign seems to me to be the answer. As long as the carmaker turns out high-powered monsters to be driven on super highways and a little liquor thrown in for good measure there will be trouble. Its a miracle that we do as well as we do. Each time we enter the highway our life is in jeopardy because of the very nature of things.

The local members of the House introduced a resolution expressing their deep regret in the passing of a former member, Carroll Rinehart. Carroll was an outstanding and valuable citizen who will be missed by all of us.

Last November, you voted to change the method of compensating the Judges of the Orphans Court. We have agreed to make their salary \$1200 a year.

Orchids to the PTA Council for their interest in teacher training via scholarship. A fine idea. Perhaps other organizations could follow suit. Incidentally, beginning this year the State is offering five Carroll County high school graduates \$500 for four years if they promise to teach in the State. They may attend a private Maryland college of their choice.

CARD OF THANKS

I wish to thank all my friends for the fruit, flowers, and cards sent to me during my recent illness. I certainly did appreciate everything.

Sincerely,
MARGARET G. SHREEVE

DETOUR BANK ELECTS

At the recent regular annual meeting of the stockholders of The Detour Bank, the following directors were elected: Edgar G. Emrich, Earl H. Hoffman, Ernest F. Keilholz, David B. Reifsnider, Robert R. Saylor, William J. Stonesifer and John Wood.

The Board has now held its organization meeting and elected Mr. Wood as president, Mr. Emrich as vice-president, Mrs. Mary Ellen Catlin as cashier and secretary, and Miss Nancy E. Munshour as bookkeeper and teller. Mr. Wood also serves as Counsel for this Bank.

Brownie Troop 588 went on an inspection tour of the fire house. Mr. George Kiser conducted the tour and showed us the engines and equipment. The troop also contributed \$3 to the March of Dimes.
