Taneytown Cards Win Midget League Playoffs over Union Bridge Braves

Although the final playoffs in the Frederick-Carroll Midget League went to three games, the Cards, managed by Charles D. Baker with the assistance of Thomas Smith, triumphed over their opponents, the Union Bridge Braves, in a highly contested game on August 9. They had already taken two out of two from New Windsor in the semifinals and during the regular season lost only one game.

Sponsored by the Lions Club, with Stanley W. King as director in league affairs, the team consisted of W. Brillhart, P. Gartrell, J. Brown, D. Bollinger, R. Koons, T. Baumgardner, G. Sanner, C. Bankert, T. Smith, R. Wanz, M. Heffner, R. Brown, H. Shorb, T. Eckenrode, H. Alexander, D. Bollinger, B. Fleagle, W. Baker, W. Weik, G. Warner, and D. Shorb. Besides the coaches, several parents were helpful with transportation assistance in seeing that the boys got to the games played on foreign diamonds, among them Messrs. G. Delmar Baumgardner, Robert Koons, Harvey W. Shorb, and George Warner.

The boys themselves were instrumental in helping their sponsor defray the season's expenses by carrying out the sale, with their brother Cubs (Myron R. Tracey, manager), of tins of mints, which they had little difficulty disposing of to interested townspeople.

Last Saturday a league picnic was held in Taneytown Memorial Park for members of all teams, New Windsor, Taneytown, Union Bridge, and Woodboro. A pick-up All-Star game of names selected from a hat was the principal feature of the afternoon program, concluded with the picnic lunch itself.

Saturday, September 3, members of both Cards and Cubs will be guests of the Baltimore Orioles Baseball Club when bus transportation will be provided by the Taneytown Lions Club so that the Midget Leaguers may see the Orioles collide with the New York Yankees.

Another Lions Club project to provide funds for this and other community benefits is now in progress. It is the Community Birthdays Calendar, advertised elsewhere in public print, which was inaugurated last year and went over very well indeed. Lions are divided into two teams for securing anniversary listings of individual patrons and for selling the calendars themselves--under the captaincies of Lewis Baer and John Hottinger. The campaign is to conclude September 1 and is under the general chairmanship of Singleton E. Rensburg, whose appointment was one of the first acts of incoming Lions President Glenn O. Reeve Delmar E. Riffle serves as chairman to secure advertising.

The Lions Club is grateful to parents and friends who backed their Midget League teams for the 1960 season, and particularly to the respective managers, Charles D. Baker of the championship Cards, and Myron R. Tracey of the Taneytown Cubs.

Meeting of Garden Club

At the meeting of the Silver Fancy Garden Club held August 18th at the home of Mrs. Thomas Frailey, Emmitsburg, Mrs. A. A. Koswick urged all members to plan to make an arrangement to be entered in the District 5 Flower Show to be held in September at Westminster. Mrs. A. Eyster is to make an arrangement to represent the Club.

It was announced that Mrs. E. L. Annan has been elected to serve as treasurer for the coming year.

After the business meeting, Daffodil slides from the American Daffodil Society, Philadelphia, were shown by Mrs. Frank Butler, Program Chairman.

The September meeting will be held at the home of Mrs. Margaret Wehler, Littlestown, Pennsylvania.

Hospital Sheets Prepared for Heming

The operating room jade green sheets for the Carroll County General Hospital are now ready for heming. Miss Mabel Albert, Mrs. J. W. Newton and Mrs. K. Ray Hollinger have spent numerous hours tearing and preparing the sheeting for the hospital auxiliary members and their friends to hem.

Thread for this sewing has been donated by Mr. Nathan Block, Westminster Coat Company and 50 spools by Union Bridge Clothing Co., Joseph and Dominick Caporale.

There are various size operating room sheets which the individuals or groups may be interested in sewing. Material and thread is available at hospital headquarters.

Western Folks Visit in the East

Mr. and Mrs. Raymond Eyer of Reno, Nevada left August 1, flew to San Francisco and there boarded a TWA jet airliner to Friendship Airport.

During their stay of three weeks they visited Raymond's mother, Mrs. Maggie Eyer of Taneytown and Mrs. Eyer's mother, Mrs. Elsie Pickett of Woodbine. They also enjoyed a three day stay in Ocean City, Md.

A farewell dinner was given by Mrs. Eyer's mother, on Saturday evening for the immediate family and friends. They returned to their home on Sunday August 21st, by jet which took only 4 1/2 hours.

The truth seems to elude the grasp of mankind despite the long and historic pursuit.

SCHOOL OPENS TUES., SEPT. 6

First Grade Assignments; Other Regulations

Taneytown Elementary School will open on Tuesday, Sept. 6, with an enrollment of approximately 440 pupils. Families who have moved to the Taneytown School District are asked to register children of school age any time by phone or at the school office on Monday or Tuesday, August 29 or 30, between the hours of 9 and 12 a. m. Terra Rubra Girls 4-H Club Meets

The Terra Rubra Girls Club held its monthly meeting on August 11, 1960 at the Church Hall in Middleburg. Ruth and Mary Jane, assisted by their mother, Mrs. Smith, served as hostesses. The meeting was called to order by the President, Jane Withde, Yvonne Green led the group in the repeating of the 4-H pledge. Roll call was answered by 12 members, 4 visitors, 1 parent and a leader. Old business was mainly family night. The Campfire talk led us into new business. Plans are being made to present a skit. The people to take part in this are Marion Priest, chairman and story teller; Lois Priest, Mary Jane Smith, Libb Repp and two volunteer boys from Limestone boy 4-H Club. Also this month the Club elected new officers. They are as follows: President, Mary Lou Sappington; Vice-President, Yvonne Green, Secretary; Lois Priest, Treasurer, Debbie Sappington. Donna Six and Libby Repp are song and game leaders. Donna is also the historian. Delicious refreshments of cup cakes, candy and punch were enjoyed. Also there was one pink cup cake. A prize was given to the person who received that cup cake. The retiring song leader, Mary Lou, had the group sing quite a number of songs. Also some games were enjoyed.

The next meeting will be held at the home of Donna Six on September 8, 1960. The retiring officers are President, Jane Withde, Vice-president, Joyce Myerly, Secretary, Georgia Asburg. The Treasurer was re-elected.

Meeting of Accountants

Taneytown members of York Chapter, National Association of Accountants, are expected to participate in the annual Quadrangular Golf Tournament, to be held at Out Door Country Club, York, on August 26. York Chapter will act as host to the members of Lancaster, Harrisburg and Reading chapters.

Major trophies to be awarded are the Molly Screw Anchor trophy, for the chapter carding the five lowest gross scores, the Thompson Products, Inc. trophy for the chapter turning in the five lowest net scores (allowing), and the L. L. Flemming Friend ship trophy, to be awarded to the chapter represented by the low medalist. All trophies are retained for one year, but can be retired by any chapter recording a third win. Individual winners will receive a smaller trophy for permanent possession. Tee-off time for the golf event is scheduled between 10:00 A. M. and 2:00 P. M. A dinner and social hour will follow the tournament.

WITH OUR ARMED FORCES

FORT CAMPBELL, KY. (AHTNC)- Army PFC Roger C. Yarger, son of Mrs. Mary E. Yarger, Route 5, Westminster, Md., is scheduled to participate with other personnel from the 101st Airborne Division in Exercise Bright Star at Fort Bragg, N. C., Aug. 13-28.

A massive airborne assault involving 30,000 troops is scheduled as one phase of the Strategic Army Corps (STRAC) exercise. This single-day mass air drop will surpass in numbers any similar drop made during World War II or the Korean War.

STRAC's XVIII Airborne Corps, the 82d and 101st Airborne Divisions and selected support units will participate in the maneuver. STRAC constantly maintains an immediate readiness force for airborne deployment to any area in the world.

Yarger, a construction specialist in Company B of the 101st 326th Engineer Battalion at Fort Campbell, Ky., is assigned the role of a U. S. Army expeditionary force member in an assault on a simulated aggressor force.

The 21-year-old soldier entered the Army in April 1958 and received basic combat training at Fort Leonard Wood, Mo.

He attended Westminster High School and was employed by Niner Construction Company before entering the Army.

You can go a long way in the world if you make it your business to mind your own business.

Artists Invited to Submit Designs for 1962 Christmas Seal

Artists in the Maryland area are invited to submit designs for the 1962 Christmas Seal which will be used in the nationwide tuberculosis control campaign that year.

Charles L. Stonesifer, President of the Carroll County Tuberculosis Association explained the competition is open to amateur as well as professional artists. A \$500 award will be given to the artist whose design is chosen. However, the prestige value to the artist is invaluable. The recognition given within the field can be of immense importance.

Mr. Stonesifer explained that Christmas Seal designs are selected two years in advance by a national committee of tuberculosis workers. What we want is a Christmas Seal which conveys the spirit of our nationwide TB control work through which we are attempting to wipe out a tragic disease.

Design specifications may be obtained from the Carroll County Tuberculosis Association at The Medical Center, Westminster, Md. The telephone number is Tilden 8-7272. Designs are to be submitted to the Christmas Seal Sale Division, National Tuberculosis Association, 1790 Broadway, New York 19, New York by October 1.

Any artist interested in seeing Christmas Seal Designs of previous years should contact the Carroll County Tuberculosis Association.

OFFICERS INSTALLED AT LEGION HOME

Pictures of Groups Shown on Page 2 of this Issue

The new Post Home of Hesson-Snyder Post #120, 17 Broad Street, was the scene Thursday night, August 18th, of very impressive installation ceremonies as the Legion and Auxiliary banded together for this purpose.

Mrs. Marie Ott won top spot in the Auxiliary and assumed the office of President after appropriate installation ceremonies conducted by Mrs. Catherine Tressler, Vice President, Western Maryland District. The other auxiliary officers installed were: Catherine Myers, Vice President; Marie Smith, Secretary; Maye Baker, Treasurer; Regina Foreman, Chaplain, and Emma Stitly, Color Bearer.

After the Ladies finished, Robert Forsythe, County Commander, from Sykesville Post, then conducted the installation of the newly elected Legion officers, directing each in the duties, obligations and privileges of their respective offices, whereupon Commander Russell Long assumed the position of the chair. After the customary "unaccustomed as I am to public speaking" bit, he then graciously thanked those, including especially the Ladies (his wife was in the crowd) who have helped get the NEW HOME in condition for this auspicious occasion and called upon all, yes, even challenged them, to make the new home a success and a go. (The other Legion officers installed at this time were: Paul Rodkey, 1st Vice Cmdr; Richard M. Rohrbach, 2nd Vice Cmdr; Atty. Donald M. Smith, Adjutant; Robert Wantz, Chaplain; James D. Fiscus, Finance Officer; Kenneth A. Bair, Service Officer; Clarence Harner, Sergeant At Arms; James C. Myers, Sr., Historian; Robert Boone, Sr., Color Bearer; Samuel E. Harner, Jr., Jr. Color Bearer; Clifford Ott and Charles E. Conover, Executive Committee.

Commander Long then called upon Department 1st Vice Commander Wilbur L. Van Sant, Jr., for some remarks. Van Sant encouraged those present to swell the ranks of the American Legion by making a special effort to add to our membership rolls. Our Commander then recognized Stanley W. King, recently elevated to the Maryland District. After a few appropriate remarks, King called upon our Department Chaplain, Rev. Valentine Weissert, who expressed his interest in small towns, the American Legion in those towns, and the tremendous influence such communities can have in furthering, and inculcating an awareness of those intangibles to which we, the American Legion, dedicate ourselves in our preamble, namely Freedom, Justice and Democracy. King then called on National Executive Committeeman, David L. Brigham who also carried in his remarks the theme relating to the importance of the intangible, though life-giving, aims of the American Legion. (These are matters about which we, as individuals, cannot do very much, but if we ponder them in our hearts and minds, eventually they will become apparent in our actions and associations. Therefore, it is extremely important that just such men as Comrade Weissert and Comrade Brigham call them to mind occasionally.)

Before concluding the meeting, Commander Long appointed the following to the Carroll County Council: DELEGATES: Robert Wantz; Donald M. Smith; Russell Long. ALTERNATES: Paul Rodkey; Kenneth Bair; Fred Shank. And to the Western Maryland District Council he appointed: DELEGATES: Robert Wantz; Francis Lookingbill; Clarence Harner; Donald M. Smith; and Russell Long. ALTERNATES: Harry Baker; Paul Rodkey; Kenneth Bair; Fred Shank and James Fiscus.

After the closing ceremonies a delicious, beautifully arranged buffet was served by the Ladies Auxiliary.

"SPICE 'N' EVERYTHING NICE"

With all my heart, I wish you every morning. A smile that shall last until the next day's dawning. I wish you health--life's greatest wealth; I wish you always near so that I may help to cheer. Each future day and in some way--help to bring you happiness!

The newly cut grass lends a delightful aroma with the windows and doors wide open. The Gardenia plant now has quite a few buds on and I await with much anticipation the first sight of one of those pure white flowers with the special fragrance!

In a few more weeks schools will be opened to the many pupils all over the world and this year there will be two million more students in these United States attending from the Kindergarten to College! All the stores have wonderful displays of all kinds of wearing apparel. In the May Company, there was music and as I glanced around the girls were modeling the lovely clothes and the girls and the clothes were beautiful.

Western Union has advanced their prices which has already gone into effect. A 15 word telegram has been increased to 5 cents and a day letter of 50 words will be 10 cents increase. Money orders will cost five cents more for amounts under \$100.00. If you are coming to town for the day, the price of 80 cents parking at the Lexington Market garage is still in effect and don't forget the grand and reasonably priced meal cooked by that Southern cook, "Georgiana" and the Dutch Grill on Eutaw Street just below Lexington St. across from Schreiber's Market. No one can compare with Georgiana's Crab Soup! Ummmmmm good!

Letters----- Dear Observer:- I am to be married in the very near future and my family want me to select an all over lace dress for my wedding gown and I detest those cheap lacey looking affairs. I do so want a taffeta. Don't you agree that I should be the one to select my dress?

Signed--Future Bride

Dear Future Bride:- I agree with you 100% and also each bride should have the choice of her wedding gown. Last Saturday, Your Observer was invited to a lovely wedding and the bride wore a Taffeta gown with a spray of white roses here and there in the skirt. It was one of the most beautiful I have ever seen and you know I have attended quite a few weddings. Your Obs.

Dear Observer:- I am just fourteen years of age and I always run over to my girl friend's house to read your Column which I have done for the last two years and now she told me she is going to give me the subscription for much I appreciate all you say about the Jewish people. My precious Dad is a Jewish man and my mother is a Catholic. There are five children and I am the oldest. My Dad is just the sweetest guy in the world! He is so considerate, kind, thoughtful and good and loves my Mother so much that everything she does, he thinks is perfect yet she demanded he get married by a Priest and also he has permitted her to have us all Christianized Catholic! He is also a wonderful provider and my mother loves him so much yet I have never seen my Mother sacrifice one tiny thing for him. Why is that, Observer? I have made up my mind that I will never marry until I find a Jewish man just like my Beloved Dad. Signed--Just 14

Dear Just 14--I wish that I could write all you have written to me right here for it was the sweetest letter I have received in all the years of writing this Column. Everyone who loves always sacrifices to give to the one they love. Your Dad must be a wonderful man. I do not wonder when you say that you want to have a husband just like him. I wish I could let my readers know just who you are. I do hope that you are showing your Dad the love and affection of which you have written to me and which you have for him. Thank you for all the sweet words in your letter. Your Obs.

The reply to a letter signed P. B.-- Never discuss Politics or Religion as I fear you would get into a quarrel and it would not be wise. Everyone to their own opinions about anything in life and you must learn and respect it as the years go on and that way you will be much happier. Your Obs.

A very beautiful letter arrived to add to my famous collection from Governor Cecil Underwood of W. Virginia.

Now, a number of Baltimoreans are trying to bring back the charm of Charles Street (and that should be a must) by opening a Courtyard which I visited yesterday to write about it in this Column on Charles Street right above Lexington Street a few doors above the drug store. As I walked in where the iron gate was open, there was a certain feeling of bringing back the days of long, long ago when our great, great grandparents were living! A Mr. Roberts who is the Vice-President of the Charles Street Association also owner of the Triangle Sporting Goods Store with the owner of the Arthur Murray Studio buildings are this all open to the public which may be called, "Charles Center Garden!" Of course, it needs to be scrubbed as to the pavement which is very dirty and I mean scrubbed and the benches should be painted a light color instead of that drab green (and they are old

GRASS ROOTS OPINIONS

ALMA, MICH., RECORD: "Most of us can remember the initial birth of the March of Dimes crusade. We can remember the dimes and dollars contributed voluntarily by citizens from all walks of life. This was how polio was beaten. There were no extensive government bureaus, no red tape and no health benefit taxes. Is socialized medicine the only answer to our problems as some would have us believe? Are all those who oppose this government intervention really as impersonal and cold hearted as some would picture them? For the answer we have but to remember polio, millions of dimes and dollars given out of desire and the latest headline, 'Polio End Predicted!'"

JASPER, TENN., JOURNAL: "Capital punishment is when the government taxes you to get capital in order to go into business in competition with you, and then taxes the profits on your business in order to pay its losses."

LAMBERTVILLE, N. J., BEACON: "Some smooth tongued politicians are giving us the full treatment these days. After all, this is an election year."

"We are told that the government will take care of us at the cradle, help us with our marriage, take care of our money, give us homes to live in through FHA, care for us in our old age through Social Security and then see that we are buried."

"All this sounds wonderful, but we often wonder who takes care of government while all this is going on?"

FERNDALE, CALIF., ENTERPRISE: "Norman Thomas, Socialist leader on a California" trip. One of the great challenges of our times is to see how we can diminish bureaucracy rather than increase it."

INTERNATIONAL FALLS, MINN., JOURNAL: "The King of Thailand... was born in Cambridge, Mass., and is concerned that Americans achieve that pursuit of happiness for which they founded this nation. 'Happiness is the goal of every human being,' the King observed, 'so if you go so fast you don't have time to be happy.' Keeping up with the high standard of living leaves few of us time for anything else."

WEST POINT, MISS., TIMES-LEADER: "The American political tradition has always conceived of 'the people' as individuals, each endowed with supreme and equal worth by God. This revolutionary idea that each person has certain rights derived from an Authority higher than any government was proclaimed in the Declaration of Independence and written into the Constitution. On it, Americans founded a nation in which government was to be the servant of the people, rather than their master."

"Only in recent years has the idea emerged that government is in a better position to bestow certain 'civil rights' than the Authority from which all such rights must stem."

BURLINGAME, KAN., ENTERPRISE-CHRONICLE: "If one looks at the government 'service' it is easy to see duplications by government whereby the public is taxed—or the money borrowed in your name and mine just as surely as though we signed the note."

SHELBY, MONT., PROMOTER: "Strictly speaking, the nation's schools are not in a quantitative quandry. During this year's Senate investigations, it was brought out that of the 42,000 school districts in America, only 230 districts had reached their bonded limit. In other words, only one half of one

per cent of the school districts in the country have used their available resources to the fullest.

"Let's take a long look at this gift offered to us by our politicians from our own taxes before we turn over control of our schools to unwieldy, unsympathetic, unconcerned federal bureaucracy. What the federal gov-

ernment supports, the federal government controls."

WEST BEND, WIS., NEWS: "During the summer drowning is a greater threat to children than polio, pneumonia, heart disease, tuberculosis and influenza combined. Approximately 7,000 people in the United States die each year by drowning."

"SPICE 'N' EVERYTHING NICE"

(Continued from first page)

There is to be added a fountain and perhaps some statuary and this is being financed by Mr. Roberts. How nice it will be to sit and rest for awhile especially after all the remodeling takes place. This garden has been unused for many years. I know that business will pick up in all the stores when that is completed.

There is no more charming street in any city in these United States than North Charles. It will be gray with all the colorful added potted Geraniums which are being placed by each store.

Be sure to see this precious spot when you are next in town. Have a grand week end, folks. And as to the Teen-agers and all school children make this year the banner year of your school up to date. Until next week D. V.

32nd Annual Hess-Bushey Reunion

The 32nd annual Hess-Bushey reunion was held at the Carroll County Agricultural Center with approximately 100 persons in attendance.

Mr. Norman Baumgardner gave the invocation after which all engaged in a picnic lunch.

At 2 p. m. President Charles Null called the business meeting to order. The group joined in singing "America the Beautiful". Minutes of the last reunion were read by Mrs. Huber J. Null and were approved as read. The Treasurer's report was submitted and approved. Mrs. Claude Slagle, the historian, reported 6 births, 3 graduations and 5 deaths in the past year. The report of the nominating committee was read by Mrs. Anna Angell.

The 1961 officers are as follows: President, Daniel Naill; Vice-Pres., Clarence Waybright; Treasurer, James Fair; Secretary, Mrs. D. Leonard Reifsnider; Historian, Mrs. Claude Slagle.

The meeting adjourned with the singing of "Blest Be the Tie that Binds."

PEN-MAR LEAGUE SET FOR PLAYOFF

Taneytown's first-half champions and Fairfield, second-half titlist, were winners as the Pen-Mar League brought its regular schedule to a close last Sunday afternoon.

Fairfield turned back Emmitsburg 7-5, while Taneytown took on Blue Ridge Summit and handed the Summitters a 1-4 reversal.

Memorial Park, Taneytown, will be the site of the opening game on Sunday, August 28 at 2 p. m., in the best-of-five series set up to determine the 1960 champion.

The final second-half standing follows:

Table with 2 columns: Team, W. L. Fairfield 8 1, Taneytown 5 4, Blue Ridge 3 6, Emmitsburg 2 7. x—Second-half champions

ROBERT F. CARR Route No. 3 Sykesville, Maryland Complainant

MARGARET WINTERS CARR 401 Cottage Avenue Elizabethton, Tennessee Respondent

9684 EQUITY In the Circuit Court for Carroll Co.

ORDER OF PUBLICATION

THE object of this suit is to procure a divorce a Vinculo, by the complainant, Robert F. Carr, from the respondent, Margaret Winters Carr.

THE BILL recited the marriage of said parties on September 14, 1949 at Towson, Maryland. That the Complainant has been a resident of Carroll County and the State of Maryland for more than one year immediately prior to the filing of this Bill of Complaint and that the Respondent is a non-resident of the State of Maryland, her last address being 401 Cottage Avenue, Elizabethton, Tennessee. That three children have been born as a result of this marriage, viz, Bobby, age 9; Richard, age 6; Debbie, age 4. That at various times, the length and period unknown, the Respondent has contacted divers other men for adulterous purposes and has committed same, and the Complainant has never condoned these acts and that on or about May 28, 1960, the Respondent without just cause or reason did also abandon and desert the Complainant and that the above were the deliberate and final acts of the Respondent. That ever since the said marriage the Complainant has always conducted himself as a faithful, affectionate and dutiful husband towards the Respondent and a loving father toward the children. That the Complainant has lived separate and apart from the Respondent ever since and that reconciliation between the parties is without hope of reasonable expectation thereof. IT is thereupon, this 24th day of Aug. 1960, by the Circuit Court for Carroll County.

ORDERED that the Complainant, Robert F. Carr, by causing a copy of this Order to be inserted in some weekly newspaper printed and published in Carroll County, once a week for four successive weeks before the 26th day of Sept. 1960 to give notice to the absent non-resident Respondent, Margaret Winters Carr, of the object and substance of this Bill of Complaint and warning her to be and appear in this Honorable Court in person or by Solicitor on or before the 12th day of Oct. 1960, next and file a plea, answer or other defense within 15 days thereafter, showing cause, if any, why a decree ought not be passed as prayed.

G. BUCHER JOHN, Clerk of the Circuit Court for Carroll County.

COMMUNITY LOCALS

(Continued from first page)

Mr. and Mrs. J. Robert Waddell, and sons, Jerry, Jay, and Jody, Fairground Ave. vacated a week in Ocean City, Md.

Mr. and Mrs. Roland Harver and daughter, Sandra and Mr. and Mrs. Charles Van Fossen were recent guests of Mr. and Mrs. Edgar Hockensmith.

Mr. and Mrs. Vernon Leach, daughter Carol and son, Stevie, of Baltimore, spent Saturday with Mrs. Leach's mother, Mrs. Roy Carbaugh. Mr. Leach returned home—Mrs. Leach and her children stayed for several days' visit before going back to Baltimore.

Fifty-five men left this (Thursday) morning by two busses for their annual summer outing. The trip will be highlighted by a tour of the Aberdeen Proving Ground. Another feature of the trip will be an evening at a famous Baltimore Restaurant—then to a ball game at Baltimore's Municipal Stadium. Twenty more men from Taneytown will join the group in the evening. The trip was planned by the Taneytown Chamber of Commerce.

Prepared by American Foundation for Animal Health

A cattle problem which is only ten years old in this country, but is spreading fast, may cause losses on many of our farms again this fall and winter.

The problem is rhinotracheitis, sometimes known as "red nose." Today it has spread to two-thirds of the states, and is still advancing.

First warning of the disease in dairy cattle may be a sudden halt in milk flow. Symptoms in beef cattle include drooling, nasal discharge, and sometimes a cough. Later, the sick animals have difficulty in breathing and lose weight rapidly.

Future plans and goals of Hampstead Youth for Christ will be the subject when the Hampstead director, Earl W. Schultz, Jr., speaks at the annual "Sponsors' Night" next Saturday, August 27, 8 p. m., in the Greenmount Church, one mile north of Hampstead on Route 30.

Sunday Church School for all. Sun. 10:30 a. m. The Lord's Day Worship; Nursery for infants and preschool children. Tuesday at 8 p. m. the Consistory meets. Thursday at 8 p. m. the Women's Guild meets with the program presented by the Missionary Education Committee, Mrs. Elvin Study and Mrs. Anna Mary Sell, co-chairman. The Churchmen's Brotherhood meets at the Pumping Station Park.

Farmers should watch for signs of a new cattle disease, "Rhinotracheitis," now spread to two-thirds of all states.

Although the disease is spreading rapidly, there is a comforting side to the picture, too. Rhinotracheitis can be prevented by vaccination. If done properly, vaccination has proven quite effective.

In all cases, the vaccinating should be done by a veterinarian. No treatment should be started until the veterinarian has checked the sick animals. The important reason for this is that rhinotracheitis resembles several other diseases, such as shipping fever, virus diarrhea, mucosal disease and calf diphtheria. Because the disease is still so new, the chances for confusion are great without an expert opinion.

Rhinotracheitis is spread by direct contact between animals. For this reason, it can be brought onto the farm by replacement animals which can spread it when they mingle with the home herd.

Rhinotracheitis in this country will probably get worse before it gets better. It is still spreading, and is causing heavy losses. But alertness and prompt action are good safeguards if cattle owners will use them. As with all disease problems, a knowledge of the disease, what it looks like and what to do about it are our best defenses.

For That First Shave — Easy Does It!!

Almost any job tackled for the first time seems more complicated than it really is, including, if you're a teenager, your first shave. Stop wondering about it. It's easy. All you have to do is wash your face with warm water and while it's still wet apply shaving cream (the foamy-type in cans is convenient). Then shave away with light, diagonal strokes. Don't press, just take it easy and let the blade do the work, especially if you've got one of those new, super-blades in your razor. Speaking of razors, Dad will be glad to let you borrow his for that first shave, but then go out and buy one for yourself. The best-known kind including a dispenser, the new super-fast blades now costs well under a dollar.

Governor J. Millard Tawes has proclaimed April 30, 1960, "SAFETY PATROL DAY" in Maryland. Present at the signing of the proclamation in the Governor's office were, left to right: Rt. Rev. Msgr. Leo J. McCormick, Superintendent of Catholic Education; William Anthony, State Supervisor of Safety Education; Lt. Hugh I. Kavanagh, Jr., Maryland State Police and Paul E. Burke, Executive Director of the Maryland Traffic Safety Commission.

Governor Tawes in proclaiming April 30, "Safety Patrol Day" in Maryland prepared the following safety hints for parents:

- 1. Select the safest, most protected route and go over it with the child, explaining hazards and reasons for crossing where you do.
2. Choose intersections protected by policemen, safety patrol boys or girls, stop and go signals.
3. Teach the child to cross an unprotected street with great care, and
4. Explain the danger of running into the street.
The Baltimore Oriole Baseball Club in cooperation with the Maryland Traffic Safety Commission, the Baltimore Safety Council and the Automobile Club of Maryland will have as their guests 25,000 Safety Patrol boys and girls from Baltimore and the Counties of Maryland on April 30th when they play the "New York Yankees".

Lemon Chips 'Add Zest To Cookies

Bake up a batch of Lemon Chip Hermits and surprise the family with an old-fashioned cookie made in a new-fashioned way with lemon chips. Serve them with a fresh fruit compote and a big, tall glass of milk.

- Lemon Chip Hermits
2 cups sifted cake flour 1/2 cup firmly packed brown sugar
2 teaspoons double-acting 1/4 cup milk
baking powder 1/2 cup butter or other shortening
1/4 teaspoon salt 2 eggs, well beaten
1 teaspoon cinnamon 1 cup raisins
1/2 teaspoon nutmeg 1/2 cup broken nuts
1/2 cup granulated sugar 1 cup (6 ounces) lemon chips
Combine sifted flour, baking powder, salt, spices, and granulated sugar, and sift together three times. Mix brown sugar and milk. Cream shortening, add sifted dry ingredients, brown sugar mixture, and eggs and stir until all flour is dampened; then beat vigorously 1 minute. Add raisins, nuts, and lemon chips and mix well. Drop from tablespoon on greased baking sheet and bake in moderate oven (350°F.) 12 to 15 minutes, or until done. Makes about 4 dozen hermits.

Note: To keep hermits moist, store where there is circulation of air; not in air-tight container.

Armed Alliances

Lesson for August 28, 1960

WE ALL LIVE inside many circles. The smallest of these is the one your belt goes around. It is just the circle around the immediate you, which you can never escape because you live inside it. It goes where you go. Then there is the larger circle passing around your family. You can run away from that, but you would wish you hadn't. Beyond are larger circles, big enough to take in the neighborhood, the school, the church, the county, the nation . . . and so, finally, the great circle around the world, the circle of the sky, under which are all the nations of the world.

Dr. Foreman

The Circle of Religion

Where, in that arrangement, is the Circle of Religion? It is not the same thing as the circle of the church, for there can be religion outside of church; otherwise we would be irreligious people every time we walked out of the church building. The fact is, religion—the Christian religion in particular—is concerned with all those circles and all the people inside them, and all that makes their lives good or bad, joyous or sorrowful. Any religion that can be fenced in is a mighty poor sort. Christianity is concerned with everything human. Therefore Christianity cannot, without shame, turn its face away and mutter "None of my business" when anything is going on that affects human lives.

One circle in particular is often thought to be "out of bounds" for religion; that is to say, the preacher should never mention it in a sermon, and the people need not look to the Bible for any light on the subject. This is the circle of International Affairs. This is the circle that takes in diplomacy, and treat-

ies, and war and peace. If we stand by the Bible we must try to think what God's will is in such matters. For the prophets of old preached on the foreign policy of their nations, and made no apologies.

In those far-off days, and now, the average man old enough to pay taxes and be drafted in war, put a good deal of stock in foreign alliances. Line up with a large number of nations, arm them yourself if they are not armed, be sure your gang of nations is bigger and stronger than any other gang of nations between the Nile and the Euphrates River, and you can stop worrying about your country's future; you've got it made. So they thought (and it sounds familiar in these cold-and-hot war and near-war days) but it was not so. The true prophets did not urge more and better alliances. Indeed most alliances would prove to be actually dangerous. Isaiah pointed out that alliances of armed nations are often short-lived, they shift like sand, allies of one generation may become enemies of the next, one nation drags down others in its fall. To put it another way: Security is not finally in force. Security is not in more force. Real security is not in decisions of the high command, not in the schemes of chiefs of staff.

What General Trudeau Says

Don't think the lines you have just read are clear out of touch with reality! The following is a statement by General Trudeau, at the time he was placed in charge of the U. S. Army's Missile Development Program:

"Despite the extreme importance of exploring Space to its furthestmost limits, and of sending up satellites that can begin to do our exploring, even more important is this 20th Century's challenge to believing men and women—a challenge for us to launch our prayers, which can and do go higher and farther than satellite or rocket or space ship can ever reach, namely to the waiting heart of our Creator, if we ever expect to solve these problems about the peace of our world, which man clearly does not seem able to accomplish on his own."

In other words, this devout Christian military leader, with know-how enough to be placed in charge of a vitally important national military project, knows the most important thing of all: TRUST IN GOD!

WOMAN'S WORLD

Fresh Vegetables Make Good Dips For Snack or Meal

RAW vegetables are a treat in themselves, but they're especially good when served with dips as a snack or an appetizer for the meal. Smart homemakers keep the carrot, celery or green pepper sticks refrigerated along with a jar or two of dipping "stuff" so the family can get their own snack.

This is the way to get the full-est vitamin count from vegetables, and at the same time savor the vegetable at its best.

Most dips are simple but appetizing combinations of cream cheese and flavorings. Try some

Fresh vegetables are wonderful "stuff for dipping" either as a snack or as a pre-dinner appetizer with glasses of tomato juice. Celery, carrots and cauliflower are used here with pretzels around a bowl of chili-cheese dip.

of these and maybe you can concoct an "original" of your own, too:

- Chili-Cheese Dip**
(Makes 2 cups)
- 8 ounces cream cheese, softened
 - 1 1/2 ounce package dehydrated onion soup mix
 - 1/2 cup milk
 - 1/2 cup chili sauce
- Combine all ingredients, blending well. Chill. Serve with carrot sticks, cauliflower, celery sticks or pretzels, as desired.
- Cheddar Cream Dip**
(Makes about 2 cups)
- 1 cup soured cream
 - 1 cup grated cheddar cheese
 - 1/2 cup catsup
 - 1 teaspoon worcestershire sauce
- Combine all ingredients, mixing well. Serve with fresh vegetable sticks or assorted crackers and chips.
- Egg-Anchovy Dip**
(Makes about 1 cup)
- 1/4 cup mayonnaise
 - 1 teaspoon lemon juice
 - 10 anchovies
 - 3 eggs, hard-cooked and peeled
 - 3 tablespoons grated cheese
 - 1 teaspoon curry powder
- Mix lemon juice with anchovies. Mash eggs and anchovies to a fine paste. Add cheese and curry, then blend in mayonnaise.

Organize Kitchen For Efficiency

Your kitchen cabinets may not have been built recently, but there are all sorts of helpers available that can be used or installed easily to give you more space, more organization.

If you have a reasonable amount of cabinet space and still can't find things easily, chances are that it's not properly stored. Check over some of the aids available and see what efficiency you can bring to the kitchen.

First, there are the dishes. Easy to get to and to put away? No? What about a handy rubber rack which will take care of three different sizes of plates and the cups as well? They take much less space than stacking the dishes in cupboards and prevent chipped dinnerware simply because they're organized.

Try Some Racks

If you can't reach serving platters or pot lids easily without jumbling through everything you've got, wooden racks to give you vertical storage on the pieces are just the thing. Your handy man can build them, if necessary, from odd pieces of wood to fit right into drawers or cabinets. They save time and temper.

Metal racks can be slipped into lower cabinets to take care of lids, too. These will take advantage of the up and down space in cabinets and give you a filing system. This safe file system can also be used on shelves for casseroles, pie and cake pans, especially if they're made of wood. You should have these made so the wooden partitions can be moved into different slots to fit the different size pans.

Shelves to Fit

Deep cabinets call for other tricks to yield more space. Hanging shelves can be installed on several to hold the smaller packages.

Step-up shelves can be used to accommodate both the tall and short items, be they packages or glasses.

On the inside of the cabinet doors you can attach shelves to hold spices and flavorings or other small items. In some cases you might utilize swinging racks on the doors for these items.

BOARD OF EDUCATION

The office of the Board of Education of Carroll County announces plans for the opening of the 1960-61 school year. Meetings prior to the school opening are being planned with regular conferences of principals scheduled for Monday, Aug. 29. Special meetings for teachers new to the county will be held on Wednesday, Aug. 31, and a regular meeting of entire teaching staff will be held on Thursday, Sept. 1.

The speaker for the general meeting of teachers will be Mr. Ray O. Mertes, Director of School and College Services for United Airlines. His topic will be Horizons Unlimited. The meeting for new teachers on Wednesday has been arranged to help orient all those new to the county and to give information regarding administrative and school practices throughout the county schools.

Announcement is made that, in accordance with established regulations, no pupils will be admitted to the first grade unless they have reached the age of six years on or before January 1, 1961. It is further noted that necessary transfers of pupils to achieve better classroom conditions and educational service has been approved by the Board of Education and the privilege of transfer will be exercised as becomes necessary.

The administrative office announces that with some difficulty the total teaching staff of 460 teachers is being or has been recruited. Some schools will be handicapped with a large number of new teachers while other schools will not experience large numbers of changes in the teaching personnel. Arrangements for the opening meetings have been in charge of the entire supervisory staff under the direction of Mr. John F. Wooden, Jr., Supervisor and Director of Instruction.

Transportation routes and route changes are being planned by Supervisor Charles Ecker, assisted by Herbert M. Phillips. It is important to note that transportation is provided as fully as possible but that, in accordance with state regulations, it is not felt possible to have school buses at the driveway of each child. Stops will be arranged and terminal points set up in accordance with the best interests of the total educational system.

The official opening of school for the first day of regular sessions will be on Tuesday, September 6. Teachers will be in the schools on Thursday afternoon, September 1, and all day on Friday, September 2, for the purpose of planning for the opening day. Special announcements will be made by the school principals throughout the county regarding their plans for registration of new pupils or conferences with parents. The Board of Education and the county school administration urge the cooperation of parents and citizens in lending their assistance to achieving an orderly and efficient opening. Motorists are reminded of the school bus stop law and of the need for extreme caution when pupils are on the roads on the first day and during the school year.

The Carroll County school system operates as do many school systems, on a limited financial budget and parents and citizens, and school personnel, are reminded that not all desirable services or expansion of services can be supported. The cooperation of parents and others during past years is greatly appreciated.

The Office of the Board of Education takes this opportunity to issue a news-release relating to school operations in the hope that all possible publicity be given to this release in the press to avoid misunderstanding after the opening of schools.

1. County school principals will continue to be authorized to enforce appropriate regulations relating to pupils dress and appearance. These regulations exist and will be enforced since it is the unanimous opinion of school officials that such regulations are needed and will be of benefit to pupils. Experience has indicated that unusual and extreme appearance or dress interferes with regular conduct of school and it is to the detriment of the educational program. Lack of observance of the regulations will result in disciplinary action and total disregard will result in removal from school. Many schools have regulations of their own with respect to this problem and have given the information to pupils. Organizations of pupils such as student council have been of assistance preparing the standards.

2. "Drape", "ducktail", "beatnik" styles in haircuts as well as "Indian" styles will not be tolerated. b. "Beards", "sideburns", or other unusual departures from normal

facial appearance will not be acceptable. c. Leather boots or hobnail shoes worn in school will be discouraged. Heel plates of metal which are noisy and destructive on school floors will be prohibited. d. Leather jackets worn in the classroom will not be acceptable. e. Clothing which fits with "undue, unnecessary or immodest tightness" will not be acceptable. f. Slacks or "jeans" for boys must be adjusted properly to the waistline and be belted. Boy's shirts must be appropriately buttoned and shirt tails must be confined. g. Clothing for girls will be expected to be appropriate. Teachers and school officials will expect adherence to school standards.

The Board of Education has approved the regulations and adherence to them will be expected.

2. The county school system is charged with the responsibility of enforcement of school attendance laws. Personnel working in this department have the duty of studying causes and enforcing regulations with respect to school attendance. It should be understood that state laws require "Every child residing in any county in the state between seven and sixteen years of age shall attend some day school regularly during the entire period of each year". Every person having under his control a child between seven and sixteen years shall cause such child to attend as required. School principals in Carroll County are instructed to excuse absences having lawful cause as follows:

- a. Death in immediate family.
- b. Illness of child—a statement will be required from physician.
- c. Quarantine.
- d. Court summons.
- e. Physical incapacity.
- f. Mental incapacity.
- g. Weather endangering health and safety.
- h. Work connected with national, state or local emergency.

A provision of the attendance law maintains that it shall not apply "to a child whose mental or physical condition is such to render its instruction inexpedient or impracticable". This is interpreted to mean that the superintendent of schools may exercise his discretion in permitting or requesting the withdrawal of pupils, if in his judgment, after advice from school principal, supervisor, pupil personnel supervisor or visiting teacher, such pupil "can no longer profit by continuance in school".

3. The use of tobacco by school pupils in school buildings or on school grounds is prohibited by state law. Principals are authorized to make appropriate regulations and enforce such regulations as are necessary to carry out the provisions in the law.

4. Principals are authorized to make appropriate disciplinary regulations and to apply these when necessary in order to maintain order and decorum in school buildings and school grounds. The law provides that the principal may inflict corporal punishment when necessary and further provides that suspension from school may be resorted to when necessary in order to maintain appropriate learning. Permanent expulsion from school is a function of the Board of Education.

5. The Board of Education has approved recently a policy statement with regard to the need of adjustment in school population by transfer of pupils as is necessary to reduce overcrowding. Such conditions exist in some parts of the county and steps will be taken to reduce school population by transfer of pupils as may become necessary.

6. The school officials take this opportunity to remind motorists and the general pupils of the SCHOOL BUS STOP LAW, and the necessity for extreme care on the highway on and after September 6th when nearly 11,000 Carroll County school pupils will be on the streets and roads morning and evening.

This being a presidential year, you may expect all kinds of foolish statements from supposedly wise men!

We approve of advertising but this does not mean that we approve of all the advertisements that we read.

The high cost of living is being discussed again in the land of opportunity and it will be talked about for some time.
