F. B. L. A. NEWS

Wednesday, Sept. 11, 1962, the F. B. L. A. of Taneytown High School held their first meeting of the '62-'63 school year. Sponsors for the F.B.L.A. Club are Mrs. Catherine Myers and Mr. Wayne Grubb. New members from the Junior Class were introduced into the club at this first meeting. Mrs. Myers led the members in the singing of the F. B. L. A. song. The following students were elected as officers of the club during the '62-'63 school year: President—Paula Brauning, Vice-President—Vickie Cutsail, Secretary—Doris Welty, Treasurer—Bonnie Brown, Reporter—Frances Flohr, Photographers—Donna Eckard, Carolyn Surbey, John Baker.

The members decided at this time to pay fifteen cents a month for dues. A discussion was held concerning methods for raising funds this year. Suggested ideas for making money were selling candy, jewelry, or dishes, sponsoring a dance, bake sale, or play. For their first project the members decided to hold a dance. Committees were chosen to plan for the dance, however, no specific date was set. At this time our meeting was adjourned. The F. B. L. A. will hold its next meeting October 9, 1962.

United Church Women Mission Study

The Committee on World Missions of the United Church Women of Carroll County announces the first school of Missions, to be held at Grace Lutheran Church, Carroll St., Westminster, on Thursday, October 4, 1962. Carroll County National Bank AND Manchester Bank to Merge

A proposal to merge Carroll County National Bank of Westminster and Manchester Bank has been approved by directors of the two institutions according to a joint announcement made today by Mr. Norman B. Boyle, President of Carroll County National Bank and Mr. LeRoy D. Wentz, President of Manchester Bank. Also included in the merger plan is The Carroll Trust Company, a newly formed trust company, wholly owned by Manchester Bank, whose inclusion in the merger will enable the resulting bank to carry on the trust business now conducted by Carroll County National Bank. The proposal which has received the preliminary approval of the Bank Commissioner of Maryland will now be submitted for approval to the Federal Deposit Insurance Company and to the stockholders of the bank at meetings scheduled to be held on Tuesday, October 16, 1962.

NEW NAME

The merged bank, which will be known as Carroll County Bank & Trust Company, will be a member of the Federal Deposit Insurance Corporation; thus, approval of that body in addition to stockholders' approval is required, before the merger becomes effective. The resulting institution will operate as a state bank under the charter of Manchester Bank, which dates back to 1899. Based on the June 30, 1962, statements of the two banks, it is estimated that the deposits of the combined institution will be approximately \$28,600,000 and total resources will exceed \$31,700,000.

Under the terms of the proposal, shareholders of Carroll County National Bank will receive one share of the resulting bank for each share now held. Stockholders of Manchester Bank will receive one and one-third shares of stock in the resulting bank for each share of Manchester held.

The main office of Carroll County Bank & Trust Company will be the present main office of Carroll County National Bank at 39-41 West Main Street, Westminster, Maryland. The present office of Manchester Bank will become the Manchester Bank Office of the resulting bank. The branch offices of Carroll County National Bank at 193 East Main Street and The Westminster Shopping Center will become branch offices of the resulting bank.

MANAGEMENT

Mr. John H. Cunningham will become Honorary Chairman of the Board of the resultant bank. Mr. Norman B. Boyle will become Chairman of the Board. Mr. LeRoy D. Wentz and Dr. Lewis K. Woodward will become Vice Chairmen of the Board, and Mr. Clifton W. Warner will be President. Mr. Theo. F. Brown and Mr. LeRoy D. Wentz will be Chairmen of the Executive Committee at Westminster and Manchester respectively, and Mr. William B. Yingling will be Secretary and Treasurer. All other active officers and employees of both banks will continue to serve the merged institution in their present positions. All the directors of the merging banks have agreed to continue as directors or advisory members of the Board of the resultant bank.

In making the announcement, Mr. Wentz stated that the proposal to merge is the result of several years study and consideration by the managements of the two banks. The directors of both institutions feel that the merger will be in the best interest of the communities served as the greater resources of the merged institution will enable it to make larger loans as well as to extend and expand its banking and trust services throughout the growing service area. Mr. Boyle said that the movement of new families and new business into this region requires expanded banking services which the resulting bank will be better able to supply.

Plans Progressing for District II Meeting

The Taneytown Jaycees' plans are progressing rapidly for the District II meeting to be held on September 29, 1962. Taneytown will host this meeting at the Toney Inn. Richard McJilton, President of the Maryland Jaycees, will speak at the luncheon. A full days activities have been planned from 9:30 A. M. to 3:00 P. M. The entire group will participate in discussion on Community Development, Leadership Training, Personnel Development, Teenage Activities, Profit Making, and Public Relations. Other Jaycee chapters participating are Freedom, Reisterstown, Westminster, and North Carroll.

LOCAL YOUTHS WILL ATTEND MASSANUTTEN

Two Carroll County youths were among more than 300 students who reported yesterday at the start of the 62nd Academic Year of the Massanutten Military Academy, located in the heart of the Shenandoah Valley at Woodstock, Virginia.

Col. Robert J. Benchoff, Headmaster, announced that Cadets Wayne L. Graham, son of Mr. and Mrs. J. Norman Graham, Uniontown, and James H. Stonesifer, son of Mr. and Mrs. Ralph W. Stonesifer, Keymar, have enrolled in the General Academic Course which provides an intensive and personalized program in preparation for college admission.

MEETING OF MAYOR AND CITY COUNCIL Street and Sewer Improvements Planned

The Mayor and City Council held their regularly scheduled monthly meeting on Wednesday evening, September 12, 1962, at 8 p. m. with all members present. Due to Labor Day being the first Monday of September the meeting was held at a later date.

Officer Boone reported 78 Parking Violations and 7 State Summons. The Town Clerk reported a balance of \$33,009.41 in the General Account and \$4,323.52 in the Parking Meter Fund. In addition to the balance reported in the General Account \$12,000 was placed in a Savings Account—this amount represents money budgeted in last year's budget, but not spent.

Contrary to the report as published by the Taney Annex Association, the Mayor and City Council wish to report to the citizens of Taneytown that work is being done relative to annexation of that area. We wish to point out, however, that technical assistance was asked for in regards to this matter and it is through working with this agency that the report which has been talked about by Taney Annex Association has been held up to some degree in its final form. We also wish to point out that an undertaking such as this which will cost quite a large sum of money must be well planned and not undertaken until all avenues have been explored.

A sewer extension is being placed across Baltimore Street to the Railroad station. It has been decided to place a base in the street on George Street extended in front of the homes located in that area to help eliminate the erosion which is taking place. It is hoped that a permanent street can be placed there in next year's street program.

The Budget for the year 1962-63 will be published in the near future. The next meeting of the Mayor and City Council will be held on October 1, 1962, at 7 p. m.

REPORT OF REGULAR MEETING OF FIRE CO. AUXILIARY

The Ladies Auxiliary of the Taneytown Fire Company held their regular meeting last Thursday evening in their building on the Carnival Grounds with 17 members and 4 guests present. Prayer was offered by Mollie Crouse, minutes read by Louise Riffle and business read by Bessie Dougherty.

Delegates from Taneytown who will attend the Carroll County Executive Board's dinner meeting on October 15th at 6:30 p. m. at Winters Lunch are: Grace Putnam, Hazel Lambert, Virginia Fink, Louise Riffle, Kaye Mohney, Madeline and Emma Reifsnider. The nominating committee is as follows: Hazel Lambert, Mollie Crouse, Helen McNair, and Mrs. Percy Putnam. Refreshment committee is Helen McNair, Ethel Garber and Emily Steunour.

The program consisted of musical selections by Judy, Susan, Virginia and Eddie Null, and a poem "Autumn in the Country" read by Mollie Crouse. The meeting was closed by repeating the Lord's Prayer in unison, following which refreshments were served.

The next meeting of the Auxiliary will be held in the Taneytown Firemen's Building on October 11th at 8:00 p. m.

Drive for Funds for Carroll County Retarded Children

The people of the Taneytown area are demonstrating their full support of the fund-raising drive for retarded children in Carroll County by their generous donations. Service clubs are responding as well as businesses and individuals. It is hoped that all groups will realize the urgency of "giving help to those who are in desperate need of the right kind of help" and contribute to the drive. Service clubs who have yet to contribute may do so by contacting Mrs. William B. Marks, 45 Westmoreland, Westminster, or TI 8-4064. Businesses may contact Mrs. Fred Alban, Jr., 32 Westmoreland, Westminster, or TI 8-3278.

The Carroll County Association for Retarded Children has many projects to support which are made possible by your support. A class for severely retarded children who are not eligible for public school classes is maintained at Baile Hall Day Center, near New Windsor, Md. A trained nurse and an assistant are with these children at all times.

Each Summer, a two-week day camp is held for approximately 50 retarded children. In addition, periodic recreational programs are held for retarded children and adults. The organization provides an annual scholarship for teacher training in special education. Five vehicles—buses and station wagons—are operated to transport the children to and from school. The Board of Education pays the transportation cost for the children attending the public school classes.

The CCARC is looking ahead to future projects that will help the retarded child and adult lead as normal a life as possible. This work can be carried out only with your help. Continue to support the CCARC with your gifts.

Activities Building Committee to Meet

The Activities Building Committee of Taneytown will meet Thursday evening, October 4, for the purpose of official organization, election of Directors and Officers, and further planning. Representatives of every civic, fraternal, and service organization in Taneytown and community are urged to attend.

The A. B. C., as it has been referred to, will be a community-wide organization made up of representatives of all groups and organizations and will have as its purpose the planning and erection of an activities building for the community. Glen Reeve, temporary chairman, announces that no meetings have been held for some time awaiting additional information, progress reports, and the outcome of the Jaycee Community Survey.

Letter To The Editor

Dear Editor:

I wonder how many citizens have taken an inventory of themselves in regards to what they have helped to contribute to community life. One of the main "beefs" which I have heard kicked around in this town for the past ten years has been, "What is here for the youth?" Without a doubt this is one of the most serious problems facing our community. In trying to answer this question one finds there is no public library—yet even towns around us, smaller than our own, have one; there is no public swimming pool or even a theater.

I think it is about time that some of the "town fathers" stop thinking about lining their own pockets and contribute something to the real wealth of the community. Some of these people rarely ever miss a Sunday of church. If you don't believe me—go take a look. They may be seen setting in their usual pew. I wonder where their minds are? Do these people attend church because they feel that their social position demands it? It seems as though some of these people have money for new cars, expensive homes, trips, dinners, etc., but when it comes to doing something worthwhile they just can't afford it. Now let's face it, is this not the sad, cold truth?

One of the late ministers of this town told me he was amazed that the organizations which are made up of supposedly intelligent people never band together to suggest and complete such worthy projects as previously mentioned. Did the people just attend the organizational meetings all these years for the wonderful dinner and entertainment they received? It appears this way! Will someone please list the projects these people suggested and carried out through the years?

Incidentally, the writer of this letter realizes only too well that anybody can complain, but will you, Mr. Citizen, try to do something about it. I am beginning to think that many of us are like jellyfishes. For those who do not know these little animals that live in the sea and do not have a backbone. Thanks to a few broad-minded citizens there are a couple of worthwhile projects which have been promoted.

Perhaps some of the good solid citizens of Taneytown feel that the above is too radical. However, it is the sincere expression of this writer. If I have made an error, perhaps someone would be kind enough to write a letter to the Editor explaining just where it occurred.

(The above letter was given to us with the request that the writer's name be withheld.—Ed.)

LOCAL LUTHERANS HARVEST HOME

The congregation of Trinity Evangelical Lutheran Church, Taneytown, will celebrate its annual and traditional Harvest Home In-Gathering at The Service this coming Sunday morning, Sept. 23. All contributions, money and foodstuffs, are forwarded to The National Lutheran Home for the Aged, Washington, D. C. Dr. Carl R. Simon, Assistant Pastor-Superintendent of the Home, addressing Trinity Congregation last Sunday, emphasized the great need to replenish the dwindling supplies. He indicated that there are at present 258 guests at the Home.

All who would care to contribute foodstuffs are asked to bring them to the church this coming Saturday, September 22.

CHRISTMAS SEALS ARRIVE

Eager hands of Mr. Preston G. Coffman, co-chairman of the 1962 Christmas Seal Campaign, was ready to help at the headquarters of the Carroll County TB Association as 35,000 sheets of the 1962 Christmas Seals were delivered to Mrs. Paul H. Smith, Christmas Seal Chairman, this afternoon.

Funds contributed for the Seals, which will be mailed to all Carroll County residents on November 13, are used by the Association in its drive to defeat TB.

"Christmas Seals on holiday mail do make it feel like Christmas, and the big job of getting the traditional Christmas Seal mailing ready is done entirely by volunteers," Mrs. Smith said.

"The assistance given by these generous friends of the Association saves hundreds of dollars and thousands of hours of staff time. These precious commodities are then put where they do the most good—into activities that aim to wipe out TB. This week the Association has sent out a special Call for Volunteers, appealing to individuals and organizations to contribute time to the Christmas Seal Campaign."

"SPICE 'N' EVERYTHING NICE"

With all my heart, I wish you every morning
A smile that shall last until the next day's
dawning.
I wish you health—life's greatest wealth;
I wish you always near so that I may help
to cheer
Each future day and in some way—help to
bring you happiness!

Many asked me what I did on my vacation and the reply was, "I remained at home doing just what I wanted to do!" But did I? You feel as though you could just take a few days rest in bed without even eating any food. That does not seem to be possible as the phone beside the bed starts ringing! As you pick up the receiver, you are astounded at the voice you have not heard for just 25 years! A cousin who had lived in Annapolis all her life and then after her marriage to the Dr. who was formally on the President's yacht, "The Mayflower," moved out to California. Memories flash before you as you listen. You jump out of bed as the guests will arrive in an hour! You think what joy it will be meeting again. There is so much to say and you hope you won't forget one thing! Then after the parting, you wonder how many years it will mean—if ever that you will see the precious ones again!

One evening, you attend the "Red Barn" where Dick conducts the Auction and as you enter he calls out, "Good evening!" You are seated on a big Divan just listening to the sales when you feel a little girl cuddling close beside you and looking down, you see the sweetest face you ever saw. You smile and she already has the smile upon her open countenance and she says, "I am an adopted little girl!" You are startled and astounded at the intelligence of this five year old child. You quickly glance around for "the adopted Mother!" The little girl points her out to you and somehow you say to yourself, "My—I wish I could adopt you!"

Then, another day, a sweet letter arrives from a lady from the Lutheran Home in Washington, formally from Taneytown, explaining about the three tomato plants which did not thrive in your back yard. The years roll back and you think of the very cars, expensive homes, trips, dinners, etc., but when it comes to doing something worthwhile they just can't afford it. Now let's face it, is this not the sad, cold truth?

One of the late ministers of this town told me he was amazed that the organizations which are made up of supposedly intelligent people never band together to suggest and complete such worthy projects as previously mentioned. Did the people just attend the organizational meetings all these years for the wonderful dinner and entertainment they received? It appears this way! (The above letter was given to us with the request that the writer's name be withheld.—Ed.)

Then, another day, you take the old car which was painted in the Spring, as there were a few blisters and just as the guarantee stated that it would be repainted on those parts and you are glad that anyone guarantee was sincere and that at the Earl Scheib Co. on Reisterstown Rd. and all for the price of \$29.95. Now and then they have specials of certain colors for the little price of \$19.75 running for a week and those jobs appear like brand new, too.

Sitting out in the evening on the patio gazing upward makes one think you are on a ship in a deck chair with the Heavens for the canopy and you imagine you really are on a vacation! You desire to eat Sea Food in preference to other foods and you open cans of the various varieties of "DOXEE" products and you imagine you are down at "HACKNEYS" in Atlantic City! You say, "Ummmm Good!" You try the different recipes from the book of that very own Company and you say, "Even if you do not like Sea Food, you and you will after you taste, "DOXEE!"

You look out and hear a mower running and it is the nice new neighbor cutting your lawn. You say to yourself, "People are wonderful!"

You sail down the Chesapeake for the day to Oxford, Md., with a number of friends and returning have that big Harvest Moon blinking down at you all the way. You say, "Life is beautiful!" as you sail along in the peace and quietness and you think, "Oh, if this big, grand glorious world was just like this filled with tranquility." Now, you know the vacation week has ended and you give a great sigh of contentment!

You say almost out loud, "What kind of a Column will you write your Readers?" And this is it!

Have a grand week-end, folks, be seeing you next week D.V.
I am,
Your Faithful,
OBSERVER.

ONE-WAY BALLOON

After defense, interest on the national debt is the largest single item in the federal budget. It runs to \$9 billion a year—10 per cent of the whole.

Yet what might be termed the "new thinkers" in government circles are practically unanimous in pooch-pooching the debt's importance. They support this minimization by a species of legerdemain. That is, they take the gross national product (which is the total value of all the goods and services we produce) for some period and show that the debt is smaller as a percentage of this than it used to be.

Henry J. Taylor, one-time Ambassador to Switzerland and long a writer on national and international affairs, does a good job of revealing the joker in this argument in one of his recent newspaper columns. He writes: "This dodge is a rationalization employed by all political spenders who ride the coat tails of British economist John Maynard Keynes.....There is a catch, however, which all the pseudo-intellectual yackety-yack does not seem able to explain..... When the gross national product goes down, the debt does not go down. The idea is tied entirely to a one-way balloon. And in a decline you're stuck (and sunk) with the debt, and the interest on the debt, and the interest on the interest on the debt; all of which the citizens have to pay, no matter what."

It's going to take a lot more than a trick statistical comparison to write off a \$300 billion debt and the \$9 billion a year it costs us to service it.

Ford's pace-setting Fairlane sedan series has been expanded to a complete line of hardtops, station wagons and sporty sedans for 1963. The five new models added to the line include two rakish new hardtops and three new family fun station wagons. The 1963 Fairlane incorporates many new engineering features, highlighted by elimination of the 1,000-mile inspection. Included in the service-saving items are 6,000-mile oil change and minor lube intervals, 36,000-mile major chassis lubrication and long-life self-adjusting brakes.

All nine Fairlane hardtops, station wagons and sedans will be introduced in dealer showrooms on Friday, September 28.

At our request, the Pilgram family of Frederick recently kept a two-week telephone diary of their local phone calls. Then they estimated the total time, money and mileage saved by these calls.

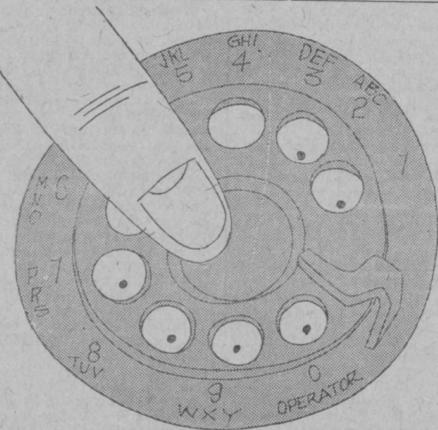

The revealing results showed the phone had saved them 16 hours, \$26.70 in expenses and 283 miles of travel. Their record also indicated four good reasons for these savings. Mrs. Pilgram, her husband, and their daughters, Barbara and Penny.

There were calls that conveniently saved trips to the drugstore and the appliance store. Other calls that gave information quickly about Civil Defense and jury duty. Calls like these prompted Peg Pilgram to say, "At our house, the telephone's almost as much a necessity as food and clothing."

What would a telephone diary in your home show? You'd probably find, just like the Pilgrams, that your telephone gives you a great deal for its low monthly cost.

Two completely new hardtops and three new station wagons have been added to Ford's Fairlane series for 1963. This Fairlane 500 sports coupe with its Thunderbird styled roofline, features a full-length console separating luxury-styled bucket seats, and a color-keyed interior.

Engineering advancements and modern production techniques have eliminated the need for a 1,000-mile inspection, and increased major chassis lubrication intervals to 36,000 miles, with minor lubrication intervals of 6,000 miles. These are only two of the many service-saving items designed into all Ford Division cars except club wagons and buses for 1963.

Fairlane hardtops, station wagons, and sporty sedans will go on display in dealer showrooms on Friday, September 28.

Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN...
TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.

Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

A large number of persons attended the bridal shower which was given to Rebecca Wilhite by Mrs. Myron Wilhite at the Myron Wilhite home Keysville-Detour Rd. on Thursday, Sept. 13th.

This is my last week to write this Keysville-Detour Column for the Pilot and the Carroll Record. I hope someone will take up this task where I have laid it down. I thank everyone who has contributed to the writing of this column by seeing that their news items reached me.

Dear Mr. Stonesifer: I shall write news for the Keysville-Detour column the week of September 17th but after that, I hope you will have gotten some one else to do it.

This has been a labor of love and still is, but due to my time being needed elsewhere I must stop. I do hope you get someone to do this. I am sorry to stop.

Thanks for all your kindnesses. Very sincerely, Edith Y. Wilhite (Any Volunteers? Ed.)

The Earl Myerly family wishes to thank everyone who sent them cards and were so kind at the time of the death of Mrs. Myerly's father.

A VOICE FROM CARROLL

Dr. Clarence D. Long was given a testimonial dinner Monday, September 17, at Blue Crest North, Pikesville by Maryland Democrats. Dr. Long is the party's nominee for the U. S. Congress from Baltimore, Carroll and Hartford counties. Daniel B. Brewster was toastmaster and he introduced a long list of prominent Democrats, including Gov. Tawes, the Honorable George L. Radcliffe, Louis L. Goldstein, Thomas B. Finan and from our own county, Senator E. O. Weant. The guest speaker was Gale W. McGee, senior senator from Wyoming, who proved to be a dynamic spokesman for the principles of the Democratic Party. His main theme was the flexibility of the constitution of the United States. How wise the writers were because they fore saw that the country would change, and so they wrote it so that it would permit new ideas and new methods. The constitution has stood the test of time and proved that man with wisdom can govern himself. Senator McGee pointed out that the Democratic Party has always stood for new ideas and ideals and most of the progressive laws were enacted under Democratic administration.

Carroll Countians attending the dinner were: Mr. and Mrs. George Harner, Clarence Harner, Webster Crapster, Senator E. O. Weant, Charles O. Fisher, William Dulaney, Mrs. William Segafosse, Mrs. Emory Minnick, George Roelke, William Eckenrode, Mrs. Clarence Thomas, Mr. and Mrs. George Phillips, Woodrow Weller, Mrs. Gladys Wimer, Bacher Johns, Mrs. A. Millard Roelke, Francis Crawford, Horace Browning and Raymond Grimes. Jobs and job security is no doubt

the biggest domestic problem that faces the United States. Each person has his own pet theory as to the reason there isn't enough jobs to go around, but the main culprit is automation. Automation is a good thing if it isn't allowed to get out of bounds. But if it is used to depress and degrade man's pride and intellectual capacity then automation could be a monster that will eventually destroy man. The other day we were talking to a high school student on how important it was for him to get all the math that was offered in high school. He answered by saying that the IBM machines would take care of all his math problems. If this is the attitude of his generation then indeed automation is a bad thing. But if we can learn to use the machines intelligently then we can make the work-week shorter and give people more time to do the things they really like to do. More time can be given to art, culture and hobbies, but first we must learn how to use time to our advantage and not deteriorate into a vegetable or a mess of human pulp. This is really a time of change for all of us. It is an age that calls for realistic thinking by all. It is no time to look backward and believe that things will return to what they once were. No one is going to abandon labor-saving machines just to make jobs. But we can use the machines wisely and by joint planning use them for the improvement of man instead of destroying him.

The late Aga Khan III, leader of the Ismail Moslem sect, was partial to the pleasures of the table. When a visitor asked him how he reconciled his appetite for worldly enjoyment with his status as a religious leader, the Aga replied: "I do not think the Lord meant the good things of this world to be enjoyed only by sinners."

September 17 is Constitution Day and should really be a national holiday. Time will one day make it so for eventually every adult American will come to know how great a document the Constitution of the United States is and how wise and just were the men who wrote it. Every decade or so a major crisis arises and men attempt to change or destroy it, but common sense prevails. For men of good common sense and decency wrote it, and for this reason the Constitution will endure as long as men believe in these two human traits.

Today the only safe way to reach the other side of a highway is to cross with a deer.

We wonder why more people in Carroll County don't attend the Silver Moon Ball sponsored by the Women's Auxiliary of Carroll County General Hospital? Its a very nice affair and all the profit is used for the local hospital. Maybe the term "Ball" scares people away as it suggests formality, and the average American shies away from anything formal these days. Casual living is the pass word for today. It may be wise to discard the "Ball" for a barbecue or square dance. Something that will bring the young people out and something they can really afford. The majority of Carroll countians are interested and proud of their hospital and will respond to an event which really interests them. But dressing up and attending a dance is no longer a popular attraction. The Auxiliary will have to come up with a better idea to get public support.

An elderly farmer was making hay one Sunday when his pastor drove by on the way to church. The minister stopped and gave the old man a lecture. "Brother, don't you know that the Lord made the earth in six days and then rested on the seventh? The farmer replied: 'Yes, I know all about that, but He got done and I didn't'."

THE BERLIN WALL: STATISTICS

The Wall is 66 miles long; 27 miles of it is concrete; it uses 6,210 miles of barbed wire; it crosses and blocks off 137 streets. More than 12,300 people have made it to freedom since the Wall went up—among them, 1,000 uniformed East German guards. Add to the escape total 51,056 East Germans who happened to be in West Germany when the Wall went up and chose to stay on the free side.

BARTLETT-MICHEA

Miss Marion Mischea, daughter of Mr. and Mrs. Louis R. Mischea, Taneytown, and Wade Sloane Bartlett, son of Mr. and Mrs. John T. Bartlett, Upper Montclair, New Jersey, were married at Trinity Lutheran Church, Taneytown, Saturday, September 8, at 2 p. m. The Rev. Howard Miller performed the double-ring ceremony in a setting of ferns, candelabra and white gladioli and carnations. Miss Hazel Hess was organist. Given in marriage by her father, the bride wore a gown of white nylon taffeta with overlay of nylon chiffon. The bouffant skirt, which ended in a chapel train, was adorned with front and back center panels of leaf motif embroidery on alencon lace. The fitted bodice was embroidered with small leaf motifs. It was styled with a square neckline edged with embroidery on lace and long sleeves tapering to points over the hands. Her only jewelry was a pair of pearl earrings, the gift of the bridegroom. Her headpiece was a mantilla of alencon lace with scalloped re-embroidered edging. She carried a cascade bouquet of white rosebuds and ivy.

Miss Lenore Weber, New York City, was maid of honor. She was attired in a turquoise satin sheath with matching chiffon overskirt and head-dress with a short veil. She carried a bouquet of bronze and yellow chrysanthemums on satin rings. Noel S. Bartlett, Cleveland, Ohio, brother of the groom, was best man. Ushers were Louis R. Mischea 3rd, Taneytown, brother of the bride; Glen S. Bartlett, Los Aldos Hills, California, brother of the groom; and Henry C. Edmonds, Fairfield, Conn.

Following the ceremony a reception was held at the Taney Inn, Taneytown, attended by about 85 guests. Then the couple left on a tour of the Pocono Mountains enroute to their new home in New Jersey. The bride's travel attire was a camel brown knit suit trimmed in black, with black accessories and a fur-trimmed hat. She wore a corsage of variegated gold and yellow carnations. The couple will reside at Apartment 2-L, 306 Grafton Ave., Newark, New Jersey.

The bride is a graduate of Taneytown High School and of Marietta College, Marietta, Ohio. She is a member of Alpha Sigma Tau Sorority. She is employed at Boston Insurance Co., East Orange, N. J. The bridegroom also graduated from Marietta College. He is a member of Alpha Pi Delta fraternity and of Phi Beta Kappa. He is employed at Bell Telephone Laboratories, Computer Division, at Whippany, N. J. He is also a post graduate student at New York University, studying for his Masters Degree.

LAMBERT — MICHAELS

The marriage of Miss Rita Ann Michaels, daughter of Mr. and Mrs. Herbert E. Michaels, 12 Whyte St., Union Bridge, to Robert Emory Lambert, son of Mr. and Mrs. Thomas Lambert, Rt. 1, Westminster, took place Friday evening, Sept. 14, 1962, at 7:00 P. M. in the chapel of Trinity Lutheran Church, Taneytown, Md. The double-ring ceremony was performed by the Rev. Howard W. Miller, the groom's Pastor. The chapel was decorated with purple and white asters and yellow pom-poms. Miss Hazel Hess was organist. The bride wore a white sheath dress of silk and taffeta featuring yellow-flowered embroidery at the neckline and a tiny bow at the waistline. Her circular veil fell from a lace-effect crown. She carried a bouquet of yellow pom-poms and intermingling feverfew at top of a Bible, gift of the groom. Miss Linda Miller, Baltimore, friend of the bride, was maid of honor. She wore a street-length dress of green taffeta and carried a bouquet of feverfew sparsed with yellow pom-poms. Larry Dull, Westminster, friend of the groom, was best man.

Following the ceremony a reception was held in the church social room, after which the couple left for an undisclosed wedding trip. They will reside at 117 West Main Street, Westminster.

The bride is a 1959 graduate of Elmer A. Wolfe High School and attended Western Maryland College. She was employed this Summer by Lehigh Portland Cement Co., Union Bridge. The bridegroom is a 1960 graduate of Westminster Senior High School and attended National Industrial Electronic Research, Hagerstown. He is employed by Rowan Controller Co., Westminster.

HOFFMAN-REAVER

The marriage of Miss Doris Ruth Reaver, daughter of Mrs. Carrie V. Reaver, Taneytown, and the late Charles B. Reaver, to William Hubert Hoffman, son of Mrs. Ethel Hoffman, 459 West South Street, Frederick, and the late Hubert Hoffman, took place on Saturday, September 8, at 2:00 p. m., at the Evangelical Lutheran Church, Frederick, Md., in a double-ring ceremony, conducted by the Rev. Charles Trunk, Jr. The bride was attired in a white imported cotton street-length dress, featuring a scoop-neckline with shirred bodice, ending in a full skirt of tiny unpressed

Fatalities Continue at an Alarming Rate

There was no let-up in the slaughter on the highways of Maryland last week, according to the weekly report issued by the Maryland State Police for the week ending midnight, September 16.

Five drivers, five passengers, and four pedestrians, for a total of fourteen fatalities, raised the total for the year to 399. This is 101 more than for the same period last year.

Alcohol was a contributing factor in five deaths; speed in eight; and "driver error" in eleven.

"In four of these accidents, in which six persons were killed," said Colonel Carey Jarman, Superintendent of the Maryland State Police, "we note that the single car involved ran off the road and struck a fixed object. In all of these four accidents alcohol and/or speed were involved."

"The persons who were killed in these avoidable crashes," he continued, "will not profit from their experience; but for those of us who are still alive, it should be a lesson to be taken seriously."

Governor Tawes has ordered an immediate crackdown on every speeder and every reckless or drunken driver on the highways of Maryland, and "this," said Colonel Jarman, "is exactly what we intend to do."

Carroll County Association for Retarded Children, Inc.

Mr. Joseph H. Hahn, Jr., Chairman of the Retarded Children's Fund-Raising Drive for Carroll County, was introduced by Dr. Joseph R. Baller, program chairman, as the guest speaker at the general meeting of the Carroll County Association for Retarded Children held Tuesday evening, September 4th.

Mr. Hahn emphasized the purpose of the drive to give help to those who are in desperate need of the right kind of help. He stated that the Westminster area, under the leadership of the Junior Woman's Club, was completely organized and that materials had been distributed. The rural district chairmen have also placed all materials in the hands of the workers; thus, the drive is ready to open.

Mr. Hahn announced that letters will be sent home with all school children, not for the purpose of solicitation, but to notify the parents of the drive and its goal. The means of publicity for the next few weeks were outlined. Acknowledgment of appreciation was given to all those who are working with Mr. Hahn in the drive. The speaker closed with a call for support from all people in the county to help the drive reach its goal.

Mr. Charles Peltz, president of the CCARC, announced that a bake sale, sponsored by the Westminster Jaycettes, will be held on Friday, Sept. 14, at the Firestone Building in honor of the fund-raising drive. All proceeds will be given to the club chairmen of the drive, Mrs. Wm. B. Marks. After several general announcements had been made, Mr. Peltz wished Mr. Hahn all success in the campaign and expressed gratitude to him from the association for all the fine work that has been done in organizing the fund-raising drive.

Kiwanis News

'Twas a balmy summer evening, And a goodly crowd was there. That well nigh filled Tom's Beaneary On the corner of the square.

And amid dins of cheerful chatter and friendly greetings were mingled the faculty of the Taneytown Elementary and High Schools with their host, the Kiwanis Club.

The genius of Sam as assistant Master of Ceremonies created much amusement as he pinned the name of a state on the lapel of a Kiwanian and the name of the State Capital on some member of the faculty. The state with the state capital matching became dinner partners, so, with some reluctance, we report that some Kiwanians have evidently forgotten the fifth-grade lessons in geography for many mental problems developed as they tried to find the proper name of the capital of the state pinned on their coat lapel. Such questions as "What is the capital of South Dakota, what is the capital of Arkansas, of Ohio, of Arizona, etc." Question after question, however, we are glad to report that the Kiwanian who had "Maryland" on his coat lapel, seemed to have very little trouble.

The program, arranged by Kiwanian Oliver Leakins, was opened by a delicious dinner prepared by Tom and his staff followed by group singing of the "Old Familiar" songs with "School Days" followed by "In the Evening by the Moonlight" and other selections that recalled the by-gone days, followed by a "Happy Birthday" tribute to a top-notch Kiwanian, Howell Royer, whose real age is a secret, but measured by his Club activity and cheerful service could not be more than 29.

The faculty of the Elementary School was introduced by the Principal, Mr. Wargny, and the faculty of the High School by the Principal, Kiwanian Ned Musser, and after our dinner time association with numerous members of the group to whom is entrusted the mental, moral, and ethical development of Taneytown youth, we know the citizenry may speak with pride and rest in the assurance that the children and youth of these schools will receive the very best in educational guidance in the term of 1962-63 from this staff of teachers.

Mr. and Mrs. Raymond K. Wright of Union Bridge, Md., exhibited slide pictures on their projector of a recent tour of the West in which we were given views of the Fair at Seattle and its many interesting features which were described by Mrs. Wright. The Space Needle, the monorial car, the many beautiful and odd buildings, Mt. Rainier with its snow-covered heights, scenes from Montana, from Idaho, Yellowstone National Park, Old Faithful and the Spasm Geysers, Wyoming scenery, the beautiful Capital at Olympia, Washington, the Capital at Salem, Oregon, with flower beds and designs so outstanding, then to Utah, Bryce Canyon, Grand Canyon with its indescribable wonders and awe-inspiring scenery, the Monument Valley of Arizona, with the monuments carved by Mother Nature and the life of Navajo Indians, their home life, their Hogans, burial grounds, shepherd life, and the rugged desert-like location in which they have lived for ages and the ingenious customs they maintain in order to live in a land that seems to forbid the white man's presence.

May we thank Mr. and Mrs. Wright for closing a perfect evening with such a display of the grandeur of the Far West and Southwest with so many close-up views of the great, the magnificent works of Mother Nature that every American should see in order to correctly appreciate the greatness, the diversity, and the splendor of our country.

FLIVVER WITH THE ARMED FORCES

BOLLING AFB, Washington, D. C. - Technical Sergeant Robert M. Kennard of Elkton, Md., has graduated from the United States Air Force Senior Noncommissioned Officer Academy here.

The sergeant received advanced training in leadership and management. The course included study in military justice, Air Force history, human relations, world affairs and related subjects.

Sergeant Kennard, a base fuels supply supervisor, is returning to his permanent unit at Andrews AFB, Md. The sergeant, a graduate of Chesapeake City (Md.) High School, is the son of Mrs. Elizabeth M. Kennard of Elkton. He and his wife, the former Doris L. Webbert of Westminster, Md., have six children.

Joseph R. Staley has been appointed Manager of Stores for the Potomac Edison System, effective Sept. 1, according to an announcement by R. S. Lashley, PE's Director of General Services.

Staley will succeed Clyde G. Wright, a veteran of nearly 44 years of service with PE, who retired on that date. Wright had headed the utility company's stores organization since 1922.

Staley had been serving as Assistant Manager of Stores since July of this year. A graduate of Gettysburg College, he has been with Potomac Edison since 1947. His assignments with the electric company have included commercial representative at Martinsburg; Local Manager at Charles Town; and more recently, assignment to a special management rotation training program.

PYTHIAN SISTERS CONVENTION

Mrs. Howard S. Baker and Mrs. Augustus Crabbs have returned after attending the Grand Temple of Md. Pythian Sister Convention held in Baltimore with headquarters at the Southern Hotel. At the banquet held on Friday evening, guest speaker was the Governor of Md., Millard Tawes. Mrs. Eloise Stafford of Lonaconing, Grand Chief of Md., presided at all sessions of the Grand Temple.

Dr. Aaron Barad of Baltimore, Grand Chancellor of Md. Knights of Pythias, presided at the Grand Lodge Convention held at the same place. Mrs. Baker attended as Past Grand Chief, and Mrs. Crabbs as Grand Temple Representative.

CARD OF THANKS

We wish to express our sincere thanks to our many friends for their visits, prayers and floral tributes and many other acts of kindness shown during the illness and death of our mother.

It has been deeply appreciated. THE HYMILLER FAMILY

MARSCHALK SPEAKS TO REPUBLICANS

The Carroll County Republican Club heard a speech by John D. Marschalk, Director of Education for Baltimore County and organized and is teaching Precinct Organization School for the County, at its meeting Tuesday evening at Republican Headquarters, 116 E. Main St., Westminster, Maryland.

Marschalk was introduced by J. Frank Getty, who dispensed with club business so that all available time could be given to the speaker, who gave a very enlightening talk on the aims and targets of the Republican Party.

The next meeting will be the Small, Miller, Steers, and Symington Dinner, to be held October 15th at the Carroll County Ag. Center. The speaker will be the Hon. Bob Wilson, Chairman, Congressional National Committee.

An Announcement to Horse Owners Everywhere!

We have a new revolutionary product for your horses at our store. We are talking about Purina's new All-in-One Horse Chow Checkers.

Purina Research has done it again—no extra hay feeding is necessary because the hay is built right into All-in-One Horse Chow Checkers. This product eliminates the muss, fuss and strain of extra hay feeding.

If hay is no problem, then ask for Purina Omolene, long-time favorite of horsemen the country over. But if you want to eliminate the hay feeding chore you want Purina All-in-One Horse Chow Checkers . . . available now at our store with the Checkerboard sign.

Providing fun for the whole family, and individuality for Mom and Dad, the top offering in Ford's 1963 station wagon line, the Country Squire, will have optional bucket seats. A nine-passenger car, the Squire has the only forward-facing third seat in the low-priced car field, and one of the widest tailgate openings in the industry—more than 50 inches.

Described as "the most service free standard-size American car ever produced," the 1963 Ford Galaxie features complete re-styling, a new 260-cubic-inch Challenger V-8 engine, 36,000-mile major lubrication intervals and 6,000-mile minor lubrication intervals, and "cushion link" suspension. Through use of improved lubricants, a complete "run-in" of each engine while it is being electronically analyzed, and an engine flush procedure, Ford has been able to eliminate the historic 1,000-mile inspection on all of its 1963 cars, except the three van-type vehicles in the Falcon line.

The 4-door hardtop (bottom), is one of the 14 models in the 1963 Galaxie line that will be introduced in dealer showrooms on Friday, September 28.

Lovely Forever...

The Best for God

Lesson for September 23, 1962

EVERY priest and every minister you see is what he is because he chose to be so. He follows what Roman Catholics call "Vocation" and Protestants call "Call." — that is, he believed it was God's will that he should be a priest or a minister as the case might be, and so he of his own free will followed the Spirit's guidance.

In the old Hebrew days it was different. No man had to decide anything about a call to the ministry, that is to say the priesthood. A man was either born into a family of priests or not. If not, there was no way by which he could become one. On the other hand, if he was born the son of a priest, there was no getting out of it unless he was seriously crippled. The effect of this, naturally, was that many men were priests who had no liking for their work and perhaps very little capacity for it. They would get through their work at the temple as quickly and easily as they could. They were much more interested in the pay than in the service.

God Wants the Best

This was the situation which the prophet Malachi faced. Religion was at a low ebb in Jerusalem and thereabouts. People offered to God the least they could get by with. With the priests' bad example before them, the every-day worshippers grew quite indifferent to the whole business or religion. God got the tag-ends, tag-ends of sacrifices (lambs that were sick anyhow, for example), tag-ends of money, and probably small tag-ends of time. Anything would do for God, it was thought. Malachi tried to break through this piggy indifference. We do not know how successful he was, but we do know what he tried to do. He tried to help God's people recover the conviction that God is real, all-good

and almighty. He is every man's best friend. The Israelites were not only treating God shabbily, they were actually robbing him. If a man wants his friend to have the best, what must we think—what must God think—of men who not only treat God and his laws and his service with contempt, and actually give God the worst instead of the best?

God Gets the Worst

This is not a parable from olden times. It's something we can observe in almost any church. Who gets the best of the church member's money? Not God, not always. The family car, the mortgage payments, clothes and parties to "keep up with the Joneses," one hundred and one things get the best of the family income, and they offer God, through his church, part of what's left after they have provided for everything else.

God gets the worst of time, too. Is time set apart for Bible reading an important part of the day? Is the time spent in Bible reading and prayer combined, as much as is spent in listening to the weather reports on the radio? Is the time set apart for personal religion a time when one is most wide-awake, or most sleepy? As for Sundays, the story is the same. The flimsiest excuses serve to excuse absences from church.

Test of Reality

Here's some one complaining that religion does not seem real, God doesn't seem real. No wonder! The test of the reality of a man's faith is not the nice words he sings about it in church. The test is in what he puts into it. This situation of boredom and lack of interest can't be cured first of all by putting more time and money into the church. That comes later, not first. The best of your talents; the best of your time, the best of your mind and heart for prayer and opening your mind to God's word; if you are willing to give that much, you will find your religion growing real.

There is one more thing that must be said, especially to fathers and mothers, teachers and friends of young people. The boys and girls you love are your most precious possession—you may say. But rightly speaking they are not your possession at all. God lent them to you. Many a boy or girl who has wanted to enter God's service in the church, has been talked or bullied out of it by older people. Don't rob God of his greatly needed helpers!

JAYCEE COMMUNITY SURVEY REPORT

PART 7

This is the seventh of twelve installments of the Community Survey Report prepared by the Taneytown Junior Chamber of Commerce. The Survey was conducted by the Jaycees earlier this year with the report and recommendations adopted in July.

The report is being published as a public service by this newspaper and it is felt many will wish to clip and save for future reference.)

This week we continue our question-by-question analysis and evaluation of the opinions expressed and supply additional related information we were able to gather. This week's portion also includes several recommendations pertaining to this phase. A total of 24 recommendations were adopted by the organization and will be included where appropriate.

QUESTION #15A. HOW WOULD YOU RATE TANEYTOWN'S FACILITIES: FOR CHILDREN?
Over all opinions: Very Good — 5%, Adequate — 22%, Inadequate — 61%, Don't Know or No Answer — 12%

#15B. FOR TEEN - AGERS
Over-all opinions: Very Good — 2%, Adequate — 9%, Inadequate — 80%, Don't Know or No Answer — 9%

#15C. FOR ADULTS?
Over-all opinions: Very Good — 2%, Adequate — 20%, Inadequate — 67%, Don't Know or No Answer — 11%

As readily seen by the over-all opinions, only a minute segment of our people rated recreational facilities as very good with a very large majority rating them as inadequate. Few problems seem to be of greater importance in the public's eye than this one, particularly for teen-agers. It is interesting to note that not one teen-ager who lives within the town rated facilities for teen-agers as very good OR adequate.

As outlined in the factual information below, some very excellent facilities for children, for the various baseball leagues, and for picnics are available in the community. But we do lack much else, particularly for the teenage set. Here, it seems, is the most logical area for future planning and projects.

A detailed summary of present recreational facilities and some of the organized programs being carried on are included below. Several recommendations relating to this problem are also included.

TANEYTOWN MEMORIAL PARK

Taneytown has one of the finest recreation parks in the area, containing 15 acres of land and valued at well over \$30,000, according to the City's balance sheet. Located at the western extreme of the incorporated area, it boasts an excellent baseball diamond complete with grandstand capable of seating 500 persons, dugouts, and concession stand. There are three picnic pavilions, two fireplaces, incinerator, swings, slides, and playground equipment for both the very small and larger children.

One Little League diamond is located in the center of the picnic area and is also used for softball by picknicking groups. A second little league diamond was located nearby on the Firemen's Carnival ground, which adjoins the park.

Memorial Park is the result of the dreams and enthusiasm of a mere handful of men who inspired true community effort. These men organized the "Taneytown Recreation Association, Inc." in 1949 with the following officers and directors: Robert W. Smith, President; Don Webb, Secretary; Roy Carbaugh, Treasurer; and Edward Clingan, Harry Clingan, Fern Hitchcock, John Hoagland, and Norman Sauble, Directors. We would like to list names of other pioneers who gave so much, but would undoubtedly overlook some, so they will have to remain unlisted.

Land was purchased from Mr. Norman Sauble that same year at an extremely reasonable cost to be used expressly for the purpose of a park. Landscaping and lay-out of facilities was done with the assistance of the University of Maryland Extension Service. Grading was done, the ball park developed, and the grandstand erected (except for the roof).

One small picnic pavilion was erected in 1950. A larger cement block pavilion was constructed a few years later as a joint project of the LIONS and KIWANIS clubs. The LIONS donated the lights which are now a part of the Town lighting system. Two shuffle-board courts were constructed in 1954 by the Park Board and in 1957 a third pavilion was constructed by the LIONS club.

In 1953 the park was deeded over to the city completely debt-free and worth many times the original investment. It is now owned completely by the town, with its operation and improvement under the supervision of a Park Board which contains representatives of the City Council, Ball Club, and Service Clubs. A roof was put on the grandstand by the Town and Public Rest-rooms were added. In 1957, additional land was purchased at the entrance on West Baltimore St. and a Monument built and dedicated to the honor of the men and women of Taneytown who served in all wars. An additional street was also built at this time to increase safety and convenience, and the area landscaped.

The town maintains the park at an average annual cost of approximately \$3,000. (This is the item under Recreation in Appendix D.) Donations are gratefully accepted from all groups using the facilities. These donations are held by the Park Board for replacements and capital improvements. This fund now contains \$6,617, which includes \$4,933 in profits and accrued interest from the Bi-Centennial Celebration, earmarked for a special project in the recreation area found suitable. The Internal Revenue Service has declared contributions, bequests, legacies, devises, or transfers to the Park Board as deductible items of the donors.

Groups from any area may reserve facilities for their use. Sundays are booked full a year in advance from mid-May through September. Trees which were planted some years ago are now beginning to form a shady grove which will make outside picnic area feasible.

TANEYTOWN ROD AND GUN CLUB

The Taneytown Rod and Gun Club purchased 20 acres of undeveloped property on the North-East edge of town in 1949. They now have a beautiful 3-acre pond stocked with fish, an attractive and useful club-house, picnic area, and facilities for target and trap-shooting. The pond also serves as additional fire-protection for the community.

The club-house boasts a large meeting and social room, small kitchen, toilet facilities, etc. Facilities are available to members for private affairs, as well as for functions held by the club.

Another tremendous asset to the community, this development, now probably worth in excess of \$15,000, was largely the result of efforts of a relatively few men of vision.

BIG PIPE CREEK PARK

Located just two miles East of Taneytown on Route 97, is Big Pipe Creek Park. A privately-owned park, it consists of 50 acres along both sides of Big Pipe Creek. Three covered pavilions afford excellent facilities for family reunions, group picnics, etc. An admission is charged which entitles the patron to all facilities: including tables, benches, fireplaces, playground equipment, swimming, ball diamonds, horseshoe courts, etc. Centrally located in the park is a two-story closed building which is available for programs, dancing, picnics, etc.

At the entrance to the Park is the Rainbow Roller Rink, which is open to the public four nights a week and on Sunday afternoons. It is also available for private skating parties. Under the roller rink are eight lanes of duck-pin bowling complete with automatic pin-setters. A growing program of league activity has been promoted since modernization in 1961.

OTHER RECREATIONAL FACILITIES AVAILABLE

Softball diamonds with back-stops are available on the high and Elementary school grounds.

Non-school groups may use school facilities subject to provisions and regulations established by Maryland School Laws and the County Board of Education. Actual costs of operation must be defrayed by the users, but excessive charges which would more than cover these costs are prohibited.

Some of the other more pertinent regulations covering usage of school facilities by non-partisan, non-sectarian, and non-exclusive groups are:

1. Hours of usage must not conflict with those required for school or school-sponsored activities.
2. Must not be used for personal financial gain to any individual or group of individuals.
3. Organizations shall provide adequate supervision to insure that good order is maintained. The use of alcoholic beverages shall be prohibited. Fire regulations shall be strictly adhered to.
4. Organizations shall assume liability for all damage occurring while the facilities are under their supervision.
5. All activities shall be planned and clean-up provided for so that facilities are in readiness for school use prior to the next scheduled session.

ORGANIZED RECREATION

During the Spring and Summer months, baseball seems to occupy the limelight in the community. The LIONS club sponsors two Little League teams with equipment furnished by them. This year 76 boys enrolled in the Little League program. Only 30 are able to participate in league play, (15 on each team). League games are played on Wednesday and Friday evenings in Memorial Park.

A team of boys aged 13 through 15 play in the Babe Ruth League sponsored by the KIWANIS club. They compete in a 5-team league with games on Monday and Thursday evenings. There were 33 boys in this age group who turned out for the initial try-outs, and 25 signed up for the team.

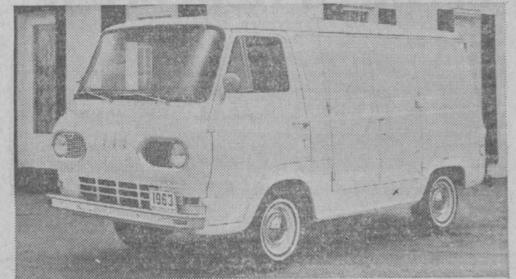

The Taneytown Baseball Club is a non-profit organization of citizens interested in baseball and in promoting the Taneytown Baseball Team of the South-Penn League. Games are played on Sundays, holidays, and some evenings with the other 11 teams in the league from this and the Southern Pa. region. They elect officers each year who select a manager and assist in keeping the grounds and facilities.

RECOMMENDATIONS

The Taneytown Junior Chamber of Commerce recommends that we be constantly on the lookout for ways in which we might improve our very valuable Memorial Park and its usefulness. For example:

1. More trees are sorely needed and possible donations of sapplings from fence-rows, etc. could be sought.
2. Out-door type picnic tables should be purchased or built and placed in the shady grove at the West end of the park.
3. The present Little-League diamond should be kept for Softball and a new Little-League diamond constructed. Certainly there is need for a Softball diamond located centrally in the Park as the present one is, for use of picnicking groups, organizations, etc.

(Next week's installment will give the community's reactions on present Education, a great deal of information and comparative statistics on our educational system in Carroll County, and a recommendation regarding teachers' salaries.)

Key vehicles in Ford's 1963 fleet of light trucks are the new Ford F-100 one-half ton pickup (top) and the Econoline Van (bottom). A feature of the two popular units is a new fully-synchronized three-speed transmission, designed to provide long transmission life and permit the driver to shift into low without gear clash. The F-100 is available in three body styles: Styleside, with integral cab-and-box construction; Styleside, with separate cab-and-box construction; and optional Fireside box with wooden floor.

The Econoline Van—the industry's top-selling economy size truck, which features increased roof support and durability for transporting equipment on roof-top carriers—provides more loadspace than most conventional half-ton panel trucks. Like all Ford conventional trucks, the F-100 and the Econoline have engines equipped with a positive crankcase emission system which reduces exhaust fumes.
