A special feature of the clean sweep" campaign to complete the Taneytown Swimming Pool Fund goal of \$60,000 by May 1 is the distribution of special cannister banks to places of business in Taneytown and immediate vicinity. The cannisters are yellow with black lettering proclaim-ing "Suport Taneytown's Pool Fund." The Executive Committee hopes that patrons of the establishments in which the cannisters are placed will contrib-ute their change to help boost the pool fund before the May 1 deadline. Larry Heltebridle and Edward Sauble are in charge of cannister preparation and placement. Cooperating business establishments will be rec ognized through publicity release. The 47 banks will be available for donations until the first week in May.

Ground will be officially broken Monday, April 5 for the Taneytown Community Swimming Pool during informal ceremonies. The brief pro-gram will begin at 10:00 A. M. in the new addition to Taneytown's Memorial Park at the pool site. The Mayor and City Council and the project's Executive Committee have invited the public to attend the fifteen-minute program.

Serving as Master of Ceremonies, Wayne Baumgardner will recognize the united community effort that made the construction start possible. Ray-mond Perry, Mayor of Taneytown, will turn over the first spadeful of dirt to signal the start of excavation by the Ira C. Rigger Construction Co., pool contractor.

Following remarks by Mayor Perry, Baumgardner will acknowledge the groups that played vital roles in the project. Neal Powell will represent the City Council, of which he is president; Harry Dougherty, Sr., chairman of the Taneytown Park Board, will represent that group, Dean Brown and Mrs. Wayne Baum-gardner, presidents of the Taneytown Junior Chamber of Commerce and the Taneytown Jaycettes respectively will represent these two organizations which serve as co-sponsors of the project. Plans for the bathhouse were pre-pared by the Ira C. Rigger Co., gen-eral contractors for the swimming pool, with slight revisions by the Executive Committee. In February, when the Pool Fund goal seemed remote, the Committee has decided to build a much smaller bathhouse and had asked all local contractors and plum-bers to submit bids on that structure. Now that the Pool Fund has risen to \$48,854 in pledges and donations,

the Committee asked bidders on the smaller facility to re-bid on the present larger one. All submitted revised bids except Duble and Smith, Taneytown contractors.

The other bid submitted for con-struction of the bathhouse was made by the Perry Building Company, Tan-eytown, for \$7,380 not including the plumbing. Geo. L. Harner, plumbing contractor, submitted a separate bid on the plumbing for \$3,268. No elec-trical work was included in any of the bids per the Committee's specifica-tions. Donald Wantz, Taneytown electrical contractor, had previously been accepted by the Committee to do the electrical work and install the necessary electrical fixtures in rec-ognition of his pledge to donate a major part of the service.

Water and sewerage will be pro-vided by the Mayor and City Council of Taneytown to the pool and bathhouse site. Construction on the bathhouse will begin as soon as the necessary permits are obtained. The completed swimming pool and bathhouse will hopefully be opened to the public May 29, 1965.

The Rigger Company will set the stakes this Saturday in the new ad-dition to Memorial Park marking the pool site. Ground-breaking ceremon-ies will be held April 5 (Monday) at 10:00 A. M.

Construction will follow closely by the Committe's planning, design and construction sub-committee. Cecil Lewelling is chairman, with Donald Smith, John Williams and Mrs. Wayne Baumgardner serving as members.

"Dirty Work At The **Crossroads''** Opens Tonight

The curtain will ring up tonight (Thursday) at 7:30 P. M. on the Gay-Nineties Musical Melodrama, "Dirty Work At The Crossroads," or "Tempt-ed, Tried, and True," in the High School auditorium in Taneytown. The production, sponsored by the Jaycees, wil be repeated on Friday and Satur-day evenings at the same hour, 7:30.

George Crouse, ticket chairman, announced that more than 350 general admisison seats will be available each evening and may be purchased at the door. Wayne Hively, reserved seat chairman, reports that some good re-served seats are still available at the First National Bank. All proceeds will go to the Community Swimming Pool which is being constructed in the town's Memorial Park.

Director Neal Powell seemed pleas-ed with the dress rehearsal Tuesday evening. He noted that the many weeks of hard work are beginning to pay off and the patrons can look forward to another excellent performance by these veterans. Theresa Eshbach is serving as pianist and di-rector of the 17-member chorus.

The production will take patrons back three-quarters of a century to the Gay-Nineties, America's most popular show business era. The audi-ence will be encouraged to hiss or boo the villain, cheer the hero, and applaud the heroine. "Dirty Work" brings all of the hilarious fun, ex-citement and suspense of the old-time melodrama, told in laughable style and livened with music and coming songs. The climax of the evening will be the inevitable "Railroad scene," for which melodramas are famous, with the hero tied to the tracks and the train approaching at break-neck speed. Is the stalwart hero lost forever? Will the vile vil-lain get the Lovely Nellie? Does fate intervene? popular show business era. The audiintervene?

Come out and find out.

KIWANIS NEWS

The Invocation was offered by Mr. Roy A. Knouse. Mr. Paul M. More-lock reported his committee, 'Inter-Club Relations'. Mr. Carel Frock submitted a progress report on "Flow-ers for Churches"—mission. Pres-ident Edmund J. Nusbaum announced that the April 7th meeting, in charge of Mr. Ned Musser will be postponed due to Inter-Club participation. The meeting was then turned over to the reading of a semi-scientific paper on the subject of "WATER" by E. L. Bowen.

Our attention was called to the importance of Water: (a) As a mod-erator of Climates and Temperatures; (b) Water in the air shields us from the intense radiation of the Sun by day and blankets us against the chill of outer space at night; and, (c) Of all the substances that are necessary to life, Water is by far the most im-portant. The Paper closed with the following statement: "So long as men inhabit the EARTH, their success and happiness will, in large measure, depend upon how wisely and how well they control and use WATER." We hope there may be may be more 'PAPERS' presented to our Kiwanis Club in the near future. The Geology

Club in the near future. The Geology of the Red Lands, Carroll County History, and of course constructive suggestions for civic improvement, would be very interesting subjects. The April 7, 1965 meeting will be a 'ROUND TABLE', in lieu of plan-ned meeting as stated shove ned meeting, as stated above.

"He Went The Last Mile For Me" (by M. M. Bates)

Praise ye the Lord, oh my soul! oh Praise his Holy Name! through sunshine and through shadow

His love is just the same. Dark was the day when they led him to the Cross of Calvary Wounded, despised, forsaken, He went the last mile for me.

Roughly they bore Him to the Cross, "Imposter," they cried, "is he." How he staggered underneath the weight did this man of Galilee.

He bore the cross a world to save that sinners might be free He staggered, fell and arose again When He went the last mile for me.

Oh, Praise the Lord, our Lord on

high, let United Nations sing; Praise Him for his mighty works our Saviour, Lord and King. For His mercy and love live eternally until His face we see; Not as the face on that fatal day

When He went the last mile for me.

We cannot fathom his mighty love

or pay the debt we owe; We only know that He died for us because He loved us so. He heard not the cry, Barabbas,

He gave ne're a word or plea; but was led as a lamb to the slaughter When He went the last mile for me.

There is sunshine in the shadow, there is sunshine in the rain; There is sunshine when in sorrow, there is sunshine when in pain; There is sunshine when we're bur-

dened, there is sunshine when we smile; There is sunshine, heavenly sunshine there is sunshine all the while!"

A laugh is just like sunshine, it fireshens all the day; It tips the peaks of life with light, and drives the clouds away; The soul grows glad that hear it, and feels it's courage strong! A laugh is just like sunshine for cheering folks, along.

The House passed and sent to the Senate the bill that would require licensing of gun dealers and registra-tion of firearms purchases. The measure would be the first step on the State level toward firearms regula-tion. Its provisions apply only to small arms, standard-size rifles and shotguns would not be covered. The bill explicitly recognizes the consti-tutional right of citizens to bear arms. Its wording is designed to resolve the persistent conflict between sportsmen and law-enforcement agencies over gun-control legislation. Hunting enthusiasts and target shooters often argue that strict weapons laws hinder only the law-abiding citizens. But police officials generally want some control over the now wide-open system that allows nearly anyone to buy a virtually untraceable gun. The bill that passed would re-

Observations on the World of Sports

YOGI BERRA is picking the Yan-ees to lose the Pennant this year and it's only coincidental that he no long-

er is managing them. Yogi now is a full-time coach with the New York Mets but may do some part-time playing if an emergency develops. It almost certainly will.

Looking back over his shoulder at the Yankees, for whom he played for almost two decades and managed for one y e a r, Yogi said they will be beaten this year by the Chicago White

Just as important, of course, will e Romano's ability to handle the be Romano's abilit White Sox pitchers

Romano and Cleveland manager Birdie Tebbetts did not get along last year and one of the many sore points between them was what Teb-betts insisted was Romano's inability to handle pitchers.

Tebbetts is a former catcher him-self and may have been guilty of looking over Romano's shoulder. Lo-pez also is an ex-catcher but he generally lets his receivers work things

The CHICAGO WHITE SOX train-ing camp in Sarasota, Florida, at times takes on the look of a school for ballet dancers. Three members of the club are taking special exercises to strengthen their back muscles, and some of the stretching and twist-ing is very similar to the warm-ups hallet dancers on through

The similarity ends there, because the trio of back stretchers is made up of Bill Skowron, Jim Hicks and Pete Ward, three very unlikely can-didates for the ballet.

Actually, these exercises are done in strict seriousness, because the fate of the White Sox this year is at stake — especially in the case of Ward. If he has truly shaken off the back trouble which plagued him at the start of last season. His bat could be the key to a White Sox pen-nant. He missed the first five weeks of the season last year because of a back ailment. The White Sox didn't know exactly how much they missed him until he returned. He wound up hitting 23 home runs and driving in 94 runs.

The power-hitting third baseman figures that if he had played from the start he would have been good for 30 homers and at least 100 runs batted in. Those are the goals he has set for himself this season.

5. Salesmen paid by commissions. 6. People over 62 who do not work more than 25 hours a week. Ward has been working hard at staying healthy. He spent many Win-ter hours in a gym, and he got an early start at Spring training, ar-riving several days before the reg-ulars were due. In fact, he has lost about 10 ths since he proceed to 7. Plants processing rears, teget tables, poultry or seafood.
Employers engaged in interstate commerce in the State now must pay
\$1.25 an hour by Federal law.
Penalties for violation of the State's commentional safety laws also will be about 10 lbs. since he reported to camp, and now tips the scales at about occupational safety laws also will be increased if the House agrees with

more than his physical condition. He feels life is going to be easier on Chicago's left-handed batters such as he. Ward points out that Skowron, John Romano, Ron Hansen, Danny Cater and Dave Nicholson all swing from the right side He foels that from the right side. He feels that, because of this, the White Sox will see more right-handed pitchers this season, and that suits him fine. He says nothing makes him feel more like playing than seeing a right-

Edgar M Palmer of Finksburg has volunteered to act as chairman of the Carroll County Unit of the American Cancer Society Crusade during the month of April.

Mr. Palmer was a farmer for the past 22 years, is a member of the Farm Bureau and has been interested in civic affairs.

The American Cancer Society' Crusade is unique among health agencies. It attempts to bring to every household in the county a life-saving message of hope. Stress is placed on learning the Seven Danger Signals of Cancer, the need for yeary health examinations and obtaining contributions. These contributions make possible the three-fold program of SERVICE, EDUCATION and RE-SEARCH.

BASKETBALL PROGRAM

The boys in the Youth Basketball Winter by the Jaycees and the high school varsity gave two fine exhib-ition games in the high school gymn on Friday night.

The younger group ranging in age fram 11-13 played a spectacular game with a final score in the Globe Trot-ters of 48 and the Celties 44. Those who missed this game really missed

a terrific exhibition of basketball. The older group age 14-17 played a fine game against the varsity of T.H.S. Their final score being: youth 44, varsity 68. This game showed excellent sportsmenship and proved to be very interesting as well.

These games were sponsored by the High School P.-T.A. as a benefit for the Community Pool Fund. All proceeds going to this effort. The parents of these young men are very grateful to the Jaycees for this pro gram they have made possible for the youth of the community.

CARD OF THANKS

I wish to thank all my neighbors, friends and relatives who remem-bered me with cards, fruit, flowers and visits during my stay in the Annie Warner Hospital and since my return home. Pick the Right Pup

Z Be sure your new puppy is in good condition. Accept no underfed pup or one whose eyes or nose are running. Check his teeth and gums. Teeth should be clean and white. His gums should be pink, Look in his ears and see if they are free from any signs of infec-tion or inflammation. Feel his body-see if he seems firm and solid. Stand him up where you check his stance and see if his limbs are straight and not twisted or deformed in any way. See if he tends to favor any limb. Of equal importance with the physical condition of the pup is his personality, say experts at the Purina Dog Care Center. Don't buy that cute little fellow over in the corner, who seems to be shy of his litter mates A normal, healthy dog is aggressive and wants to make friends with you and the whole world.

was that the leaders of the Jews did not like Jesus, in fact hated him. So Pilate, to save his own career, sentenced Jesus to be crucified, without any real charge or conviction.

What is prejudice?

that man.

The word "prejudice" comes from two Latin words meaning to judge beforehand. That is, having an opinion without considering the facts that should support the opinion-or refuse it as the case may be.

Don't we all?

It's easy to laugh at other people's prejudices; much harder to get rid of our own-or even to see our own. This is particularly true when many of the people we see and know and talk with every day have the same prejudices we also have. We are prejudiced whenever we say, or think, "All Negroes (or all white men, or all women, or all Frenchmen) are like that!" we show prejudice when we judge a man by the color of his skin, before we know a single fact about him; or when we accuse a man of being a money-grabber only because of the shape of his nose; or of being a dangerous man or an inferior type all because he has some name like Mc-Donald or U Thant or Kaminsky and we think or say, "All Scotchmen (or Orienta's, or Poles or what not) are alike." "We are guilty of prejudice whenever we condemn any person unheard and unknown Prejudice drove in the nails that killed Jesus: prejudice kills people today.
