National Child Safety Week, September 8-15

Schools will again open in Taneytown on September 8, 1965. "Along with other communities across the nation Taneytown will observe NATIONAL CHILD SAFETY WEEK, SEPTEMBER 8-15. An observance of educational safety for all age children and the general public," Chief James M. Boone, Sr. commented.

"We are on the threshold of another school year and it is appropriate that the public attention be called to the importance of protecting and conserving the youth of our nation. Parents, teachers, public officials, in fact all adults, have a responsibility to instruct our children in sound safety practices in traffic, on the playground, in the classroom and at home."

"For many it will be their first experience in going to school and returning to their homes. They are nations most precious resource and it is our responsibility as parents to properly instruct them to stay on the sidewalk, to cross streets only on the proper crosswalks, to obey the signals of Police Officers, Safety Patrols and traffic lights."

"The attention of Mr. and Mrs. Motorist must be alerted that during a carefree Summer many children, in the excitement of renewing old friendships, will do the unexpected even though instructed and cautioned at home. We, as drivers, must remain alert and be extra cautious of children walking or riding to our public, parochial or private schools."

HOME-ROOM ASSIGNMENTS FOR TANEYTOWN ELEMENTARY AND FRANCIS SCOTT KEY SCHOOLS

SCHOOL TO OPEN SEPTEMBER 8

Registration of New Pupils September 3 and 4

The Taneytown Elementary School, with other schools in Carroll County, will open its doors to approximately 500 children on Wednesday, September 8.

Registration of pupils new to the school will be held on Friday and Saturday, September 3 and 4, 9:00 A. M.—3:00 P. M. and 9:00—12:00. Parents who find these hours inconvenient may register their children by phoning the principal at the school or at his home.

Classes will begin at 9:00 A. M., ten minutes earlier than last year, while dismissal will remain the same—3:25. Although classes are starting earlier, bus schedules will remain the same. Therefore, children need not be at bus stops earlier than heretofore.

First grade pupils will be dismissed at 2:00 P. M., September 8-24. Parents may call for them at that time. Those whose parents do not call will be kept at school until regular dismissal time. Parents of first graders are asked to pin a tag on each child indicating his name and bus number or if he "walks."

The school cafeteria and store will be open on the first day of school. Cost of the school lunch will be 25¢ as in past years with the first day's menu including Bar-B-Q sandwich, peanut butter cracker, buttered green beans, watermelon, and ½ pint of milk.

A very successful kindergarten program was held at the school for 8 weeks during the Summer months. The children enjoyed a rich program of activities, including many field trips, and throughout the entire 8 weeks seemed greatly enthused. The teacher was Mrs. Diane Perry assisted by Miss Nancy Wargny and Mrs. Beatrice Sauble.

Class lists appear below and, for the most part, children will remain with their groups. Some changes have been made, however, to reduce the number of groups in a particular class or to place children at a more appropriate instructional level. Transfers were given considerable thought and were based upon recommendations of the regular term and kindergarten staffs.

Parents concerned with a child's progress or with a problem relating to school life are encouraged to talk with members of the school staff in an effort to overcome the difficulty. For the coming year children are assigned to the following classes:

Record Breaking Space Flight

America's Gemini 5 astronauts, L. Gordon Cooper, Jr. and Charles Conrad, Jr., successfully ended man's longest venture into space as they returned Sunday after a record-breaking 8-day flight, landing safely in the Atlantic Ocean, 346 miles Southwest of Bermuda.

The two astronauts brought the spacecraft out of orbit on its one hundred and twentieth revolution around the earth, one orbit earlier than had been planned. Gemini 5 thus missed being aloft a full eight days by one hour and five minutes. The Gemini was launched at 10:00 A. M., August 21 from Cape Kennedy, Fla., and splashed down in the Atlantic at 8:55 Sunday. Neither showed any ill effects from the successful conclusion of the 3,300,000-mile mission.

The Jayettes are in charge of decorations for the Miss Maryland Ball.

VIEW FROM MY KITCHEN WINDOW

The sands of time have just about sifted through the hour-glass of Summer as a new season subtly makes itself known. Already some of the trees are beginning to don their Fall shades of red and yellow. Goldenrod sparkles everywhere and tasseled corn rustles pleasantly in the breeze. Now the milkweed pods are swelling and fragrant grapes are ripening. Soon our gay Summer birds will assemble for their long migratory flights, and other birds will arrive on the scene. So time flows steadily onward, as the seasons come and go in perfect order; according to the Divine Will of the Creator.

As I think about time, in general, it seems to me that it is surely our most precious, albeit elusive, possession. Or do we really own it? It slips through our fingers like quicksilver and once gone, can never be recalled. We, therefore, cannot afford to waste one single minute. But, on the other hand, neither should we "keep our noses to the grindstone" so closely that there is no time to enjoy the good and beautiful things in life.

Speaking for myself, when the pressure mounts and I feel fatigued, I settle down with a good book, or to a session at my faithful old piano. I cannot understand people who declare they simply have no time for books and music. Reading nourishes the mind and intellect, just as the proper food nourishes the body, and this old world would be a dreary place, indeed, without the joyful, universal language of music.

Goethe, the famous German poet, summed up the whole matter very aptly when he said, "A man should hear a little music, read a little poetry and see a fine picture every day of his life in order that worldly cares may not obliterate the sense of the beautiful which God has planted in the human soul." To this, I heartily agree!

"SPICE 'N' EVERYTHING NICE" (Your Chatty Column)

With all my heart, I wish you every morning
A smile that shall last until the next day's dawn
I wish you health—life's greatest wealth;
I wish you always near so that I may help
to cheer
Each future day and in some way—help to bring you happiness!

A letter to my Three Sons:—

My Precious Sons:— It is just 4:00 A. M.—the dawn almost breaking of the 24th of August 1965—You can't sleep thinking of the 24th of August 1965—your Wedding Day! Just 32 years ago—and so much has happened during those years!

You recall when the Wedding Date was set for August 25—your Mother's Wedding Anniversary when the Groom changed it by setting it up one day!

The night before the 24th, you remember so distinctly and which was a special prayer as you were on your knees beside your bed saying, "Oh, God please make me a good Mother and Guide me and Teach me to Revere these three little fellows!"

You had no fear of being the Minister's Wife only the thought of having the three little Motherless boys for your very own!

Only two months previously as you were sitting at your desk at twilight writing letters, a small voice said in your left ear so slowly, "You are going to be the Mother of three little boys and when the time comes, don't refuse!" Those very words were repeated twice again and you sat there startled! You answered aloud, "Who?" The voice replied, "Wait and see but don't refuse!" That night, there were a number of friends calling and you remember telling them of the instance. Nothing surprised them for you had been having premonitions and that same small voice since you were a tiny girl!

You recall at first, you hesitated as to the marriage when suddenly the eldest child, Francis said so pleadingly, "Won't you marry my Father so you can be my Mother?" That sort of clenched things and you melted and held this child so close to your heart as a big lump came into your throat and you could not speak!

Previously you said to the Minister, "Oh, let us wait for about six months, I'll take a trip away and if we still care, then we will marry!" Without a moment's hesitation, the Minister took you in his arms and said holding you so tightly, "Do you think that I believe that God Sent you to me — to take you out of my life again? You or no one else ever could make me believe that! I just could not do the Ministry Justice without you beside me at all times! I could not go on!"

You are writing this in parts and just this very moment, the clock in the living room is chiming the exact hour of four which was the hour of the ceremony in the First Methodist Church of Germantown, Phila. You were so terribly nervous that you cannot remember to this day answering, "Yes," to the traditional wedding question when Dr. Thomas officiated. (He is now a Dean of a College).

As you both turned to walk down the aisle from the Altar on those red carpeted marble steps, your wedding heel caught and broke off your shoe and you keeled forward when you felt strong arms grab you—those of two Ministers. The Minister who just married and the Minister who officiated at the ceremony! You were taken into the Study which was a lovely room beside the Altar and there you were seated with the heel of your slipper in your hand!

You gaze down now as you write at the Gray Suede Certificate booklet which in heavy gold English print reads, "Your Certificate of Marriage" across the front. You sit writing to take it in your hands and then you see the white envelope which contains your wedding lace handkerchief. You unfold it and smile as you think of the number of weddings since that date of your marriage which the brides carried it for something old! The wedding dinner was served in a hotel on Chestnut Street and then as you both said, "Goodbye" to the family, you were on the Pike driving toward Atlantic City for a week's honeymoon. It was about 8:00 P. M. and you realized your Minister was driving very fast and as you gazed at the Speedometer, it read S E V E N T Y ! Those days F I F T Y was the limit! "Do you realize how fast you are driving? And look what is behind you?" One of those men in uniform on a motorcycle slowed down.

MEETING OF THE WEST CARROLL REPUBLICAN CLUB

The August meeting of the West Carroll Republican Club met at the Union Bridge Community Center with many members and several guests present. Among the guests were States Attorney Brian T. McIntyre, Alvie Spencer and Mr. Buck Taylor. The voter registration drive was discussed and suggestions were made to make this a successful campaign.

Mr. and Mrs. Raymond Wright took the group on a very delightful tour of points in Oregon, Idaho, Arizona and New Mexico. The colored slides were truly lovely. They shared experiences of Monument Canyon and the Navaho Indians and Aztec ruins with those present.

After the program, a social hour was enjoyed by all. The next regular meeting will be held on Tuesday, September 7th, at the Union Bridge Center with our special guest, Delegate Jacob Yingling, Carroll County representative to the Maryland House of Delegates.

"GRASSROOTS OPINIONS"

WEYAUWEGA, WISC., CHRONICLE, "It is difficult to challenge any program, in principle at least, which purports to guarantee medical care for our older citizens, regardless of ability to pay. This is a laudable motive, certain to be popular, and therefore 'good politics.' But, it should be remembered that this, too, has a price which must be paid. . . . The notion of social planners that this nation's economy knows no limits; that the cost of such programs can be effortlessly absorbed by ever-expanding production is foolish and dangerous. If our economy had such capabilities, prices would be at the levels they were 25 years ago."

WATERVILLE, WASH., EMPIRE-PRESS: "In our education process we should teach the relationship between economic and political freedom. It is also a matter of interdependence too. You can't substitute government fiat for the free action of the market system without dire consequences."

ANGOLA, IND., STEUBEN REPUBLICAN: "Recreation periods are important if you want to lead a healthful and productive life, says the American Medical Association, but activities should be approached intelligently. To get the most out of exercising and to avoid disabling injuries, the AMA recommends learning your capabilities and limitations, practicing healthful living habits faithfully, and understanding the risks involved when participating in an activity."

FROSTBURG, MD., CITIZEN: "Did you ever stop to think how wonderful it is that you were born into a country where the greatest single problem is overweight?"

BENTON, MO., DEMOCRAT: "Years ago the moon was an inspiration to poets and lovers. A few years from now it will be just another airport."

KEYSVILLE-DETOUR

Greetings to you:

Know that all of you will be happy to hear that that fine lady, Mrs. Wm. (Emma) Ritter of Taneytown—now a patient at the Brookfield Manor Nursing Home in Middleburg—has been out visiting. Mrs. Ritter was taken by her son and daughter-in-law, Mr. and Mrs. Luther Ritter of Littlestown, to the home of her daughter and son-in-law, Mr. and Mrs. Lloyd Wilhide of Keysville for the afternoon of the 22nd. Mr. and Mrs. Chas. Ritter (another son) of Littlestown and Mr. and Mrs. John Harner, Steven and Brenda (grandchildren) of Taneytown were visitors with her also. On the 29th Mrs. Ritter was taken by Luther and his wife to visit with her other daughter and son-in-law, Mr. and Mrs. Herman Baile of New Windsor and be dinner guests. These are the first visits Mrs. Ritter has made since she entered the home last August after the fall that broke her hip. She is able to get around with assistance but cannot "go it alone."

Speaking of falls, heard that Mrs. Samuel Weybright of Detour had a fall on Sunday and was taken by ambulance to the hospital. Sorry that I have not been able to get more details for this writing on Tuesday afternoon. Know everyone joins me in wishing her a good recovery.

Surely sorry to learn also, that Monroe Rheinhart of Taneytown suffered a heart attack about three weeks ago and is a patient in Annie Warner Hospital. He is making progress slowly and may be able to come home next week.

Week-end travelers were Mr. and Mrs. Edward Coshun near Detour and Mr. and Mrs. Clyde Wilhide of the Keysville Road. They toured the Corning Glass Co. and visited Niagara Falls and Canada. They left home on Saturday morning and returned on Monday evening. On the return trip they came through Indiana, Penna., and toured through Cora's Nurseries (owned) by the in-laws of Fred Wilhide. They missed Fred, however, for it was his first day at school: teaching manual training.

We Fleharty's had a fine Penna. visit from Sunday through Wednesday last week when we were with my dad and step-mother and step-brother, Mr. and Mrs. Elmer Wolfgang and Steve Henshaw of Ginter. On Monday evening we also called on one of my old school friends and her husband, Mr. and Mrs. S. E. Lloyd of Houtzdale. Surely is amazing how much smaller the old hometown seems the older I become. Any of you ever feel that way about yours?

Sunday visitors with Mr. and Mrs. Carlton Catlin and Mrs. Gertrude Warner of Detour were Mrs. Grace N. Renneburg and Mrs. Charles F. Stein, Jr. of Roland Park, Baltimore. Have you noticed the grading behind their house? They are having the hill partially removed and graded. It surely will make a big difference in the appearance.

Mr. and Mrs. Lloyd Wilhide of Keysville have been recent travelers also. They visited in New York from Tuesday through Thursday (24-26). They went to the Fair but they also toured some other points of interest such as Radio City Music Hall, Rockefeller Center and the United Nations Building.

Callers this past week with Mr. and Mrs. Charles Cluts of River Dale Farm, near Keysville, were: Mr. and Mrs. Charles Harner of Emmitsburg; Mrs. Paul Harner of Washington; Walter Garrett and Mr. and Mrs. Gordon Garrett of Manchester and Mr. and Mrs. Alvin Aiken of Mechanicsburg, Penna.

The Keysville Lutheran Church Women had the food stand at the sale on Saturday of Mrs. Byron Stull at Bridgeport. All donations and sales were much appreciated. Another sale on Saturday was at Clear Spring and the home of Mrs. Nannie Haugh. Mr. and Mrs. Lloyd Wilhide and Mrs. Richard Wilhide were among those who attended. Susan visited with grandparents, Mr. and Mrs. Daniel Seibert, nearby. On their return home, Mariann Seibert came along for a short visit with her sister and family, Richard, Cassie and Susan Wilhide.

The Monocacy CYP went to Westminster on Friday evening for a bowling party.

Terry Coshun, son of Mr. and Mrs. Edward Coshun, near Detour, and member of Taneytown Boys' 4-H Club, has been spending most of his Summer with his aunt and uncle, Mr. and Mrs. Frank Fogle of Union Bridge. Now they are making the rounds of the Fairs. Terry won a First at the Howard County Fair with his heifer, Lottie and a third at Montgomery County Fair. Now it is off to Timonium.

Speaking of Fairs, we Fleharty's visited Montgomery County Fair in Gaithersburg last Saturday and enjoyed the exhibits. On the return trip, we called in Washington Grove on Mr. and Mrs. Henry Walther and brought back with us Bill's mother, Mrs. Ralph Fleharty, who had been visiting with them for about 10 days.

The week-end of August 21 and 22 Paul, Timmy and Mariann Seibert of Clear Spring, were visitors with their sister and family, Mr. and Mrs. Richard Wilhide and Susan. On Sunday they were dinner guests along with Mr. and Mrs. Carroll Wilhide, Jane and Beth and Mr. and Mrs. Myron Wilhide, Denise and Renee of Mr. and Mrs. Lee Rinehart, Nancy and John in Mt. Union.

On Wednesday afternoon the newly organized Girl's 4-H Club held a Cookie Workshop at the home of Kathy Plympton in Middleburg.

Mr. and Mrs. Leonard Reifsnider of Keymar are vacationing in the new England States this week.

Mrs. William Weishaar and Randy of Forest and Stream Club Road and Mr. and Mrs. Larry Weishaar and Loretta of Taneytown visited on Sunday with Mrs. Mary Plaine and Charles Myers of Mt. Wolf, Pa. Mrs. Richard Wilhide and Susan visited on the 25th with her aunt, Mrs. Joseph Soyke, in Washington, while Richard attended an Artificial Breeders Association meeting at the Stanton Hotel.

Sunday afternoon and supper guests of the Wm. Fleharty family were her sister, Carol Wolfgang and friends, Wm. Burr and his mother, all of Washington. In the evening, callers were Mr. and Mrs. J. N. Hobbs, Jr. and family of Mt. Pleasant.

Mr. and Mrs. John Holt and son of Fairfield were Sunday afternoon callers at the home of Mr. and Mrs. Richard Wilhide and Susan. Later in the afternoon Mrs. Carroll Wilhide and Beth, Mrs. Richard Wilhide and Susan, Mariann Seibert, John Rinehart, Lois and Mike Fry and Sandy Reynolds as well as Patsy and Kathy Kantros and Linda Paddy drove to Cunningham Falls for a short outing.

It was a busy week at the Carroll Wilhide home with the cousins visiting and the three foster daughters of the Ed Coshuns' staying with them over the week-end. On Tuesday (31st), Mrs. Wilhide and Beth returned Lois and Mike Fry to their parents, Mr. and Mrs. Francis Fry in Baltimore to get ready to return to school. They also called in White Hall on their way home on Mr. and Mrs. Walter Gill and children, Mrs. Emory Yoder and Miss Elizabeth Yoder.

Just one more week from this writing until school opens! Sure most mothers are glad to see it coming but the boys and girls seem to look upon it with mixed emotions. (As usual!)

—Dharly Fleharty

"FOLLOW THE RUGGED TRAIL" JOIN THE BOY SCOUTS OF AMERICA

If you are not a Boy Scout and are 11 years or older, why not come to some of the meetings of Union Bridge Troop, No. 330, on Tuesday evenings at 7:00 P. M. at the V.F.W. Post on the 2nd floor. You might decide you like to "Follow the Rugged Trail."

Nineteen boys and two leaders spent the week at Broadcreek Scout Camp, August 14-21. Eleven of the boys received Second Class Badges at camp and all of them completed some requirements toward the next rank. All of them would like to go to camp again.

At the meeting on August 31, the boys made a rope bridge from rope and logs, with the recently acquired (at camp) knowledge at lashings.

The next meeting on September 7 will be the beginning of first-aid classes to be carried through the month. In October, reading and following maps by the use of a compass will be featured, as well as a 15-mile hike with an overnight camp. Scouts — Notice: return of meeting nights to Tuesdays.

"Be A MAN"

(Continued from last week)

In your judgment of men, have you always been fair,

Have you learned to forgive in the face of despair; Have you fought against greed, or succumbed to it's lust; Have you learned what it means to protect and to trust? Oh, it's easy to preach and it's easy to tell of the other chap's faults—but our own faults, oh, well!

We are cowards at times, and the truth you will find, is a thing

we dislike, for it's rather unkind. But the past, let it rest, give a thought for today, And tomorrow as well, for the time's growing gray; Do the things that you should, do the best that you can, Crown your life with your deeds—be a red-blooded man! —Author Unknown.

Pony Leaguers Capture Championship

The local Pony Leaguers, sponsored by the Kiwanis Club, captured the 1965 North Carroll Pony League Championship by completing the season with a remarkable record of 14 wins and only one loss. Certainly a record such as this could be attained only by the 100% efforts from the players, the coaches, and the sponsors.

As champions of the 1965 season, each member of the team and the coaches will receive individual patches proclaiming them "champs." These patches can be worn on their uniforms, jackets, sweaters, etc. The Kiwanis Club will receive a plaque for sponsoring the team.

Anyone who played a part whatsoever in bringing the championship to Taneytown can be sure that once again honor and prestige have been attained for our community. This honor and prestige was attained by hard work, co-operation, and sportsmanship by everyone involved.

TIGERS TAKE TWO; TIE FOR SECOND

Donohue Takes Bendersville; Pfoutz Humbles Owls

The Taneytown Tigers had a big week-end as they defeated Bendersville on Saturday in a make-up game 8-5, behind Donohue and Bollinger and on Sunday in Memorial Park's finale against New Oxford 7-4, behind Scooter Pfoutz.

The Tigers defeated the Appleknockers for the third time this season on Saturday at the Apple Bowl behind the clutch pitching of Walt Donohue and the extra base hitting of Skinny Bollinger, who lashed out a double and a triple good for three r.b.i.'s. Fred Shank chipped in with a single and a sacrifice fly for two r.b.i.'s and Jimmy Myers banged out two doubles. It was definitely a team victory.

Taneytown broke a 3-yr. jinx with a 7-4 victory over the New Oxford Owls on Sunday at Memorial Park, as "Scooter" Pfoutz made his first start on the mound for the Tigers and he did what no one else on the staff has been able to do. It also meant that Owl ace, John Harner, was the loser after he had beaten the local nine six straight times.

Taneytown managed only 6 hits but they made them count and the New Oxford errors helped immeasurably. The Tigers had to rally for this victory which made it all the sweeter. Taneytown just didn't quit and accept defeat when it seemed that all was lost. Walt Donohue must get some of the credit for his fine relief work in the win.

In the hitting department Ernie Combs drove in two runs with a single.

THE WAY I SEE IT . . .

Observations on the World of Sports —by John Breth

Jim Head has been given fair warning! A "rookie" is out for his job. The regular Tiger backstop was unable to make Saturday's contest with Bendersville so another was chosen for the Taneytown nine. Manager Bob Fogle was forced to press into service a man who had not even caught one inning this year for the Tigers. Maybe you heard of him, his name is Fred Shank. Actually this

Fred Shank

"rookie" catcher was behind the plate before Jim Head was out of rompers.

Fred not only caught a whale of a game, but he handled Tiger hurler, Walt Donohue, as if he had caught him all year long. Walt explained later that Fred knew just what pitch was needed everytime. I didn't wave off two signs all game long, Donohue explained. By the way the Tigers defeated Bendersville in the game by a score of 8-5.

"Young" Fred has not been having his type of year this season. By that we mean that he isn't hitting the ball the way he used to, isn't driving in the runs as before. Many would say that he has had it. Such is not the case, however. The men just haven't been on the bases when Fred gets his hits; often Fred will get the first hit to start a rally. This alone is worth three hits on other occasions. On Saturday, Shank "only" went one for three with a sacrifice fly. But he knocked in 2 runs with those appearances and helped the Tigers to victory. His catching experience payed off well and he moved around like a rookie of 20.

Fred reported to Spring training in the best shape physically he has been in for quite some time. He explained that he dropped 20 lbs. over the winter and his speed has shown that the weight drop has payed off. Fred has beat out some infield hits this summer, something that he hasn't done for a good while.

So to you Fred Shank, the "rookie," our hats are off to you. May you have many more happy years with the Taneytown Tigers.

This is the time of year when a manager of a team that was supposed to be in the fight for the Pennant and turned pacifist looks for whatever bright spots he can find.

Manager Johnny Keane of the very pacifist-minded New York Yankees doesn't have to look far for a bright spot when young MEL STOTTELY-MYER is pitching.

Mel is only 23 years old and it's not impossible that he will win one game for each of those years this season. Not likely but not impossible, either.

Mel will settle for 20 games, which will be a large achievement in his second season in the big leagues.

His record now is 16 and 7, which compares favorably with any in the American League.

Mel appears to be the logical choice to succeed Whitey Ford as chairman of the board on the Yankee staff. That is a title given to Ford by catcher, Elston Howard, in tribute to his polished pitching over the years.

Stottelmyre is not yet the complete smoothie that Ford has been but he's on the way.

Howard nods his approval and says: "Mel is a great competitor and he's getting better as he goes along."

Manager Keane says: "The wonderful thing about Mel is that he never beats himself."

Stottelmyre himself is making no claims to a 20-game season and in true Major League fashion insists he will pitch his games one at a time. But he says that he feels he is improving all the time.

Today's Sport Laugh — Vic Power of the Los Angeles Angels was being kidded about his receding hairline. But he had a quick explanation. Said Power: "That's what happens to ball players who get hit in the head so much—it stops the circulation."

Growing in Faith

Lesson for Sept. 5, 1965

Background Scripture: Luke 17:5, 6; Philippians 3:12-16, Colossians 1:9-14, 21-23; Devotional Reading: Ephesians 4:11-16.

THE WORD FAITH has various meanings, and each of them is important. It is used in the New Testament often, but it does not always mean the same thing. The foundation meaning is confidence. Having faith in Christ

means having confidence in him. Faith in God is likewise confidence. A man really has faith in God when he relies on his word and his promises and his power and mercy. Faith also (in the book of Hebrews especially) means confidence that what God commands me to do, I can do. Faith in the great 11th chapter of Hebrews is a going, doing, obeying faith. In the letter of James, faith is contrasted with action. But James discounts faith while the writer of Hebrews admires it. This shows that they were talking about different things. The faith low-rated by James is belief about God, not belief in God. Faith about God may make no difference in life; faith in God is a Christian's life-foundation.

Faith does not stand alone

In reading the New Testament, especially the Gospels and the letters of Paul, if the reader will understand that Paul and Jesus usually mean confidence in God when they say "faith", the reader cannot go far wrong. Now Paul is known as the apostle of faith, but Paul would be the last person to suppose that faith is all a person needs to have to be a full-fledged Christian. Paul wrote to the Corinthians a letter with the famous chapter on love; and he winds up that great prose-poem on love by naming faith and hope along with it as the three abiding things of life. But he makes it clear that faith by itself, even if you could move a mountain with it, leaves you no better than you were. He says in so many words that love is greater than faith and hope. So when we think of the place of faith in a Christian life, we must think of faith-with-love, faith-with-hope, and not faith-alone. Probably Paul would say, if asked, that faith without hope and love is just as dead as James says it is.

Blackboard or Garden?

Stranger though he was to the city and church of Colossae, Paul was glad when he heard about the Colossians. The thing he mentions first of all was their faith. (Noticing readers of the Colossians letter will see how he brings love and hope into the picture too!) But there are two kinds of faith. One is like an item on a blackboard. The teacher can write up there a list of sentences with the title "Christian Beliefs." Then the teacher can take pointer in hand and point to each item in turn and get the class to say of each one, "I believe that." That is a kind of faith, but it is not what interested Paul. You note that he soon was speaking of "bearing fruit." That is the kind of faith you hear most about. It is faith with a harvest, faith that walks serenely into the face of danger, faith like a laden fruit tree. Real faith is not an item on a blackboard; it is a garden seed, an orchard tree, pleasing the eye and sustaining life. You may be sure: No fruit, no faith!

Growing in Faith

Paul says one thing here which might be misunderstood. He holds out a beautiful picture of what Christ has done and does for us, — "provided that you continue in the faith." You might think he means staying put, standing firm, not going nor growing. But if you study what he has just been saying about the Christian life, you can see he means something quite vital and vigorous: "Be filled with the knowledge of his will . . . bearing fruit in every good work — increasing in the knowledge of God . . . strengthened with all powers . . . The Christian life is the garden in which these things come to pass.

and yelled, holding out his arm, "Pull over to the side!" A big burly policeman who must not have been long here from Ireland said as he walked over to the window, "In a big hurry, Eh? Let's have it! Do you realize that you were going 70 per?" You took a good look at the Irishman and observed he had a wonderful kind face and the most beautiful blue eyes you ever saw—for there was a red face—white skin and blue eyes! You recall that his eyes were taking a good look at you and the "Corsage" and then you gave a slight smile and that man in uniform returned a bigger smile and said, "Does this happen to be a couple who just got married?" "Well, to the first question," my Minister replied, "My wife just had remarked that I was going 70 and to the second, yes we were just married at four this afternoon and we were heading for a Honeymoon to Atlantic City!"

"Beggah! So it's a Honeymoon! God be with you!" Stepping back two feet you recall this good natured Irishman snapping his heels with a real click and giving the grandest salute of which any General of any Army would have been most proud! As the car sped slowly away from the policeman alighted the motorcycle, your Minister laughed heartily and your reply was, "Hurrah for the Irish!"

Those were memorable days and we had planned to remain one week but four days had gone by and as you cuddled up said, "Let's go back to the boys!"

Your loving Mother,

Irene.
