Mr. and Mrs. Harry M. Mohney are spending a month in St. Petersburg, Florida.

Mr. David Sneak is a surgical patient at St. Agnes Hospital, Room 227, 2nd Floor, Baltimore.

Rev. and Mrs. William Hendricks, moved last Saturday to their new home and field of labor, near Coatesville, Penna.

Mrs. Allene Gonder will enter Annie Warner Hospital, Gettysburg, Monday and will undergo surgery on Tuesday.

Gale Crabbs spent a 12-day semester break with her parents, Mr. and Mrs. Elwood Crabbs. She returned to Salisbury State College on Monday, February 7th.

A 3/C Richard Glass left Tuesday for Kessler Air Force Base, Biloxi, Miss., following a two weeks leave with his folks, Mr. and Mrs. Charles Glass and family.

Group No. 5 of L.C.W., Mrs. Wilbur Naylor, group leader, will meet February 16 at 7:30 P.M. at the home of Mrs. Stanley Jennings. In case of bad road conditions the meeting will be held at the church.

Rev. and Mrs. William Hendricks were dinner guests last Thursday evening at the home of Mr. and Mrs. Kenneth Nusbbaum. Rev. and Mrs. Hendricks and Mr. and Mrs. Nusbbaum spent an evening recently at the home of Mr. and Mrs. Elmer Fuss near Emmitsburg.

Miss Peggy Fleagle, Sheppard and Enoch Pratt Hospital of Towson; Mr. Ned Foutz of Westminster; SP 4 George Thomas Albaugh of Oklahoma; Mr. Harman Albaugh of Glen Burnie and Mr. Philip Fleagle of Mayberry called on Mr. and Mrs. Edgar K. Fleagle.

The regular monthly meeting of the Parent-Teachers Association of the Taneytown Elementary School will be held on Tuesday evening, February 15 at 7:30 P.M. Appointments with the parent-teachers will be set up through appointment slips sent home with the students. There will be no business meeting.

I, Mrs. William Airing, received a letter from Joyce Lee telling me that John C. Smith of Reva, South Dakota, returned from the hospital on January 31st. He had a cataract removed from his right eye. He has the patch on his eyes but is as happy as ever. He received many cards from Maryland and he would like me to tell the folks he is home and is looking forward to taking care of his chickens again. Mr. and Mrs. Darrell Lee are the people who work for him.

MILTON HERSHEY GLEE CLUB COMING TO CARROLL COUNTY

Plans have been completed to bring the popular Milton Hershey Glee Club to Carroll County it is announced by Harriett Merritt, Chairman, Mrs. Dolly Snyder, Steven Lerda and Victor Makovitch of the Carroll County Teachers Association, which is sponsoring the local performance to be presented in the Westminster Senior High Auditorium on Monday, Feb. 14, at 8:00 P.M.

The entire proceeds will go for the benefit of the Carroll County Scholarship Fund. Tickets may be secured from your local Carroll County schools.

With a stage versatility suggesting a Broadway production more than the usual concept of a "chorus," the Milton Hershey Glee Club, under the direction of Virgil L. Alexander, presents a refreshingly different style of entertainment that has won it a reputation as one of the east's most popular performing groups.

Scoring the traditional use of rised, the Glee Club's presentation is indeed unusual. Each song is individually staged, and a program may include an intricate marching imitation of a drum and bugle corps, a soft-shoe routine, a stylized presentation of a hymn, or hilarious parody interpretation of novelty songs. Completely at ease and obviously enjoying themselves, the young singers establish unusual audience rapport, and no one who has heard—and seen—these boys perform will ever forget them.

Their maturity of tone and superb musical achievement has earned consistent critical praise. Often compared favorably to college groups, the singers are high school boys, ranging in age from 15 to 18, and hail from Milton Hershey School in Hershey, Pa., a private school for orphan boys founded by the late Milton S. Hershey.

With a memorized repertoire of over forty songs, the Glee Club sings for a great variety of occasions and, consequently, has no set program, but prepares each presentation for its particular audience, often changing or improvising on the spot as the mood of the occasion may dictate.

The Glee Club makes about fifty appearances each school year, which range from church concerts to national conventions. Each year's schedule includes several extended tours through Pennsylvania and nearby states. Demand for the group is such that bookings are usually made a year or more in advance.

In 1960, former President Eisenhower invited the Glee Club to sing at the opening session of the White House Conference on Children and Youth, and they shared entertainment billing with Bob Hope at the 1962 Governors' Conference.

Climaxing last year's schedule were appearances at the New York World's Fair, where the Glee Club performed at the Tiparillo Pavilion and the U.S. Pavilion.

FIRST NATIONAL BANK AND THE BIRNIE TRUST COMPANY STOCKHOLDERS APPROVE MERGER

Stockholders of First National Bank and of The Birnie Trust Company, both of Taneytown, approved a merger of the two institutions at special stockholders' meetings held Monday, according to a joint announcement made by Mr. Merwyn C. Fuss, President of The Birnie Trust Company, and Mr. Clyde L. Hesson, President of First National Bank. The merger was approved by more than 84 per cent of the outstanding shares of First National Bank and 90 per cent of the outstanding stock of The Birnie Trust Company.

Officers and directors of both institutions were pleased at the overwhelming vote of confidence given the merger plan. Mr. Merwyn C. Fuss, who will be President of the resulting bank, said, "The results of the meetings supports our belief that the merger is in the best interest of this community and confirms the desire of the shareholders of both banks to form a local institution which will be able to make larger loans and extend and expand its services throughout our growing service area."

The merged bank will be known as Taneytown Bank & Trust Company and will be a member of the Federal Deposit Insurance Corporation. The resulting institution will operate as a state bank under the charter of The Birnie Trust Company which dates back to 1900. Based on December 31, 1965, published statements of the two banks, it is estimated that the deposits of the combined institution will be approximately \$9,900,000 and total resources will exceed \$10,700,000.

The merger has received the preliminary approval of the Bank Commissioner of Maryland and must receive the approval of the Federal Deposit Insurance Corporation before it will become effective. On the effective date, stockholders of both banks will be notified and will receive instructions for the exchange of their present shares for those of the resulting institution.

MAYOR AND CITY COUNCIL MEET

The regular monthly meeting of the Mayor and City Council was held on Monday evening with all members present.

Officer Hahn reported 46 parking violations. Officer Boone reported 3 parking violations, 12 State summons and 3 accident investigations.

The Clerk-Treasurer reported \$23,084.27 in the General Account and \$2,500.71 in the Parking Meter Fund. Interest on Sewer Bonds totaling \$10,000.00 was paid. As a matter of information to the general public, the town's electric bill amounts to approximately \$1,400.00 monthly. Expenditures for January amounted to \$14,729.63.

Purchase of a new police car for Taneytown was awarded to Wantz Chevrolet, the low bidder. Delivery in one month is anticipated.

Two additional fire plugs to have on hand for emergencies were ordered to be purchased.

Approval was given for studies to be made for an additional well and water tower to meet future water needs of the town.

As a result of several pool meetings by Councilmen Naylor and Smith, more recreational facilities will be available for those using the swimming pool and the park this year. Equipment for shuffleboard, horseshoe pitching, softball, basketball and volleyball will be purchased.

Plans have been approved for a combination basketball and tennis court to be built in the area of the swimming pool. Any organization desiring to give financial aid for this project may contact the Mayor or any member of the Council.

Tentative plans for managerial help at the swimming pool for the coming year include a manager and three full-time lifeguards.

Tickets will be printed in the very near future with a public statement announcing the date for season tickets to go on sale at the Town Office. Admission prices and season ticket prices will be announced at that time.

Recreation for the entire family will be featured in Memorial Park this year. It is hoped the entire town will use these facilities.

A letter to the State Senator protesting the injustice of municipalities not sharing in fines resulting from arrests by local officers was discussed. City owned vehicles are used by the arresting officer, trips to trials are made, all at the expense of the municipality. The Senator's answer was that all Delegates in the State Legislature are in agreement with the plan as now in effect.

Plans for enlarging the utility building at the park was discussed. The town is in dire need of additional space to store equipment; also, additional toilet facilities are needed at the park. Plans are to include these in the utility building when it is enlarged.

The public is reminded that all Town meetings are open meetings and the public is invited to attend any meeting.

WITH THE ARMED FORCES

Pvt. E-2 Richard W. Ridinger, son of Mr. and Mrs. Theodore A. Ridinger, R.D. 2, Taneytown, Md., finished basic training at Fort Gordon, Ga., on November 19, 1965. He was then stationed at Headquarters 35th Artillery Brigade, and on Jan. 26, 1966, changed stations to the 17th Artillery Group; both units in Fort George G. Meade, Maryland.

George E. Thomas, New Superintendent of Schools

The Board of Education of Carroll County in session February 7, 1966, passed a unanimous motion to endorse Mr. George E. Thomas to succeed Samuel M. Jenness to the position of Superintendent of Schools for Carroll County for a four year term beginning August 1, 1966. By this action the Board announced its unanimous decision to elect Mr. Thomas to the position at the regular May meeting as provided in the Maryland School Law. The action was taken following earlier information from Mr. Jenness that he would relinquish his duties and take advantage of retirement.

Decision of the Board is based on consideration of a large number of eligible persons, both within and without the county. Interviews have been held with several persons over a period of several months. Consultations have also been held with the State Superintendent of Schools regarding his approval.

It is expected by this motion to indicate to the public and the press the decision of the Board, and to facilitate transfers of responsibility and structural planning of the school system for 1966-67. Mr. Thomas will be expected to have a major role in organizing staff and personnel structure during the spring months.

The Board took action further to indicate its agreement to designate Mr. Thomas as Acting Superintendent of Schools during the month of July, releasing Mr. Jenness on leave of absence for this period.

Mr. George E. Thomas was born May 31, 1914, in Frostburg, Md. He is a graduate of the public schools of Allegany county, Beall Elementary and High School in Frostburg. He attended Frostburg State Teachers College and received his diploma in 1934; his BS degree from the University of Maryland in 1946 and his Master's degree in education from the University of Maryland in 1948. Mr. Thomas is presently engaged in completing the requirements for the doctoral degree at the University of Maryland.

Mr. Thomas' entire teaching career has been in Carroll County except for the period October 1, 1941, to October 1, 1945, when he was on leave of absence for military service. He began to teach in Carroll County in 1934 at the Pleasant Valley School, taught for three years in the Taneytown School, two years in the New Windsor School, four years in the Union Bridge School, two years at the Westminster High School, four years as vice principal and principal of the Charles Carroll School, two years as principal of the Manchester Elementary-Jr. High School, and seven years as principal of the Westminster Jr. High School. He became Assistant in Administration in July, 1965, and was assigned general administrative duties, including the overview of federal programs.

Mr. Thomas is married and lives on Bond Street, Westminster. His wife is the former Charlotte Fogle, Linwood. They have two children.

Mr. Thomas is a member of the following professional organizations: NEA, CTA, MSTA, CCSSA, MSS PA, and AASA.

Children Needed!

It is hoped many children of the area will plan to attend the World Day of Prayer Service for children to be held in the Trinity Lutheran Church on Friday, February 25 at 3:45 P.M. Join boys and girls around the world who will be meeting to worship and pray.

Transportation will be provided from the Elementary School to the Lutheran Church.

More details next week.

CUB PACK No. 718 NEWS

Due to the blizzard last week the Cubs did not have their regular monthly meeting. The next Pack event will be the "Blue and Gold" banquet to be held February 22 in St. Joseph's Hall. An interesting evening is being planned.

This being Scout Week the Cubs have displays of their projects in the windows of the Taneytown Pharmacy and the Glamourette Beauty Salon.

The United Nations has not been able to keep the peace of the world, but, then, it did not start any wars.

MEETING OF BOARD OF EDUCATION

The regular February meeting of the Board of Education of Carroll County was held in the offices of the Board on Feb. 7 at 9:30 A.M. with all members present, except Mr. Weinstein who was in Florida and participated in the meeting through correspondence.

The Board took action to approve the minutes of the January meeting directing that they be made a part of the permanent record. Due to bad weather and interruptions it was not possible to take action on the current bills and financial statement. Decision was made to defer action on these matters until the March meeting.

Superintendent Samuel M. Jenness submitted to the Board a letter giving official notice to the Board of his intention to retire from service at the close of his current term which is August 1, 1966. Mr. Jenness advised the Board, in his letter of resignation, that he had served in the Maryland schools since 1922 and in the Carroll County school system since 1926, and that he planned to take advantage of retirement. He expressed himself as having had great personal pleasure and satisfaction from his years of service with Carroll County children and parents, that he would leave his work with regret and with a feeling of respect and admiration for Carroll County, its citizens, its parents and the boys and girls who make up the school population now approaching 16,000. He further expressed his appreciation to the Board of Education for the opportunity and in other capacities for having participated in the activities of the public schools and noted many changes in structure and complexity of the school system during his career. He recognized officially the loyal, conscientious and sincere efforts of the persons with whom he had been associated, including Board members, staff members, and associated school personnel.

The Board accepted the resignation effective August 1, 1966, with the understanding that Mr. Jenness would relinquish the duties of school superintendent during the month of July and that an Acting Superintendent would be designated for this period.

Resignations of the following personnel were accepted and the Board accepted notice of retirement from Mrs. Maitland Lippy, North Carroll High School, effective July 1, 1966; Mrs. Alice R. Burge, Mt. Airy, 1-29-66; C. Thomas Stoner, North Carroll, 2-11-66; Robert V. Walters, Taneytown High, 3-1-66, and Mrs. Brenda L. Shipley, Central Office, 3-1-66. The Board approved the separation from service of Mr. George Brumfield, North Carroll High School, effective January 24, 1966.

Contracts were approved for the following personnel: for 1966-67 — Babette J. Lutz, Marie Ann Fillion, Mrs. Jane I. Weyrauch; Mrs. Joan H. Myers, New Windsor, 1-28-66; Jonathan T. Holthaus, Westminster High, 1-24-66; Mrs. Lois A. Sebastian, Uniontown, 2-1-66; Mrs. June McCreery, Mt. Airy, 1-24-66, and Randolph L. Davis, North Carroll, 2-2-66.

Action was taken with respect to replies to several pieces of correspondence throughout the County.

A report on progress at the school building locations, Mechanicsville, Winfield and South Carroll, was given by Assistant Superintendent Dr. Charles I. Ecker.

The Board heard a report from Mr. George E. Thomas, Administrative Assistant, regarding progress with the implementation of federal assistance programs.

The Board noted its earlier action in designating members of the Board to be in attendance at the NSBA Convention in April.

Action was taken approving the budget prepared for 1966-67 and directing that this budget be submitted to the County Commissioners as requested. Approval of the budget included establishment of a salary schedule based on an index system with a beginning salary of \$5200 and a maximum of \$8320 for Bachelor's degree, qualified personnel. Decision with respect to the budget followed preliminary study and action which had been taken in the January meeting. The school administration was directed to prepare the budget in whatever form was necessary for submission to the County Commissioners.

The Board adopted a school calendar for 1966-67 and copies of the calendar were made available to the press. A recommendation made by the Superintendent in connection with days lost and the indicated adjustments in the 1965-66 calendar was approved. This action extended the school year 1965-66 to a closing date of June 17 and also informed the Board regarding other adjustments that might be necessary, should loss of days occur between this date and the close of the school year.

Action of the Board was taken to endorse Mr. George E. Thomas to succeed to the position of Superintendent of Schools at the close of the incumbent's term. The Board indicated in this action its unanimous decision to elect Mr. Thomas officially to the position at the regular May meeting. The decision of the Board was made after lengthy consideration during the past several months of eligible persons, both within and without the county. Interviews have been held by the Board with a number of such persons and decision was reached after lengthy consideration.

The Board took action to approve the purchase of science laboratory equipment for the South Carroll High School. This action was taken on the recommendation of Dr. Ecker and the purchasing department after bids had been received and analyzed.

Meeting of Taneytown Lions Club

The Taneytown Lions Club held their regular meeting at Taney Inn on February 8. Lion President Donald Lawyer presided over this International Councilors Night and Ladies Night. Program chairman, Lion Homer Myers, introduced the guests of the evening which were the following International Councilors: Alvin Renn—'47-'48; Massey Roe '49-'50; John Morgan and wife '55-'56; Carl Thomas '57-'58; Russell Morsh '58-'59; Harry Dougherty, Sr. and wife '60-'61; Arthur Moats '61-'62; Charles Joy and wife '63-'64; Harry Filler '64-'65. Other guests were Deputy District Governor, William V. Lauterbach, Jr. and his wife; past Cabinet Secretary Tom Yingling and Miss Ruth Noel.

Speaker for the evening was International Councilor, Lion Herbert Gaston. Lion Gaston is the past President of the Downtown-Host Lions Club of Baltimore. Lion Gaston has been the Purchasing Agent for the City of Baltimore for 31 years. Lion Gaston's talk on ethics was titled "With Liberty and Justice for All", taken from our Pledge of Allegiance to the flag. Lion Gaston spoke on the different codes of ethics and creeds from our many surrounding civic clubs—codes and creeds of which we are all living under. By combining all the different codes and creeds from all clubs we come up with the one basic code "do unto others as you would have them do unto you."

This was a very inspiring message, in which each member and guest present was rewarded well.

Lion President Donald Lawyer reminded the members of the annual oyster and shrimp feed to be held March 8, 1966, at St. Joseph's Hall in Taneytown. Lion Glenn Reever is General Chairman for this project.

The next meeting on February 22 will be the annual Farmers' Dinner. Lion Donald Gent will be in charge of this program.

VIEW FROM MY KITCHEN WINDOW

One of the most welcome sights I have ever seen is Mr. Ralph Stoner's bright yellow snow equipment, spouting a mountain of snow in front of it. Ever since the classical "Blizzard of 1966," our lane has been drifted shut, particularly on the hill, but even this huge mound did not phase the skillful driver, who, when he could not tangle with it head on, simply veered around and attacked it coming down hill. I have great admiration for the brave men who so ably handle this type of work. There's a dangerous task and they have certainly done remarkably well, under the most trying circumstances. And now we can breathe a sigh of relief, for the milk, instead of being hauled across a make-shift road in the fields, can be picked up in a sane and sensible manner, the cow feed can be delivered, and affairs can settle down to near normal again. Even my jolly friend, Gray Squirrel, seems happy about it, for no sooner had the snowplow left than he was scampering across the now-cleared lane, picking up nuts in his energetic way.

As I reflect on the incredible fierceness of the blizzard—the raging wind, the snow whipped and driven in every conceivable direction, the overwhelming drifts, the bitter cold, I realize how puny and helpless we humans are, in the final analysis. We live in such a strictly motorized age that when our cars, trucks and tractors cannot operate, we are, for the most part, lost. We can go nowhere, and everything comes to a virtual standstill. In short, we are at the mercy of the elements, for as the psalmist so aptly expresses it in Psalm 147: "He gives like snow like wool; He scatters hoarfrost like ashes. He casts forth his ice like morsels; who can stand before His cold?" And after the "Blizzard of 1966," I don't believe a single one of us would question the absolute truth of these words.

CRAPSTER, DEAN OF GETTYSBURG COLLEGE

The President and the Board of Trustees of Gettysburg College have announced the appointment of Dr. Basil L. Crapster as Dean of the College, effective January 31, 1966. Dr. Crapster, a native of Taneytown, is a son of Mr. and Mrs. B. Walter Crapster of town.

Dr. Crapster is a graduate of Princeton University, and received his A.M. and Ph.D. degree from Harvard University. He joined the Gettysburg faculty in 1949 as instructor in history, and was named full professor in 1963. Dr. Crapster has published in the Journal of Modern History, Michigan History, Historical Abstracts, and Business History. His current research centers on history of the British Conservative Party and British journalism in the 19th century.

45th WEDDING ANNIVERSARY

A surprise 45th Wedding Anniversary was held Sunday in honor of Mr. and Mrs. William Sentz, Sr., Taneytown, Md., by their children at the home of Mr. and Mrs. William G. Sentz, Jr., Barlow, Penna.

Those present besides the honored guests were: Mr. and Mrs. David Sentz and son, Mr. and Mrs. Wayne Sentz, Mr. and Mrs. William Sentz and daughter, Mr. and Mrs. Barry Bixler, Mr. and Mrs. Ralph Sentz and daughters, Mr. and Mrs. Richard Sentz and family, Mr. and Mrs. Maurice Parrish and family, Mr. Robert Sentz and Mr. and Mrs. Euerlia Combs and family. They received beautiful gifts. Refreshments were a large 3-tier wedding cake and other goodies.

"SPICE 'N' EVERYTHING NICE" (Your Chatty Column)

With all my heart, I wish you every morning a smile that shall last until the next day's dawning. I wish you health—life's greatest wealth; I wish you always near so that I may help to cheer. Each future day and in some way—help to bring you happiness!

The Christmas sleds are surely being used right now and all the children are delighted as I watch them across the street from the big picture window (ceiling to floor across the entire room) so I do get a beautiful view. And to think the day after the snow storm the Belt Way was as clear! And, though it did not snow at all! And, then the real BLIZZARD UGH!

However, don't be discouraged but we will have a real bad weather during the two months ahead of February and March. We should not complain for we have had two previous months of mild weather.

And here is something to think about. A friend purchased a house down in Florida and became frightfully ill due to the dampness and cold and back she came to Baltimore, a very ill person, with the Dr. in attendance! Phoning to me today this is exactly what she said, "Oh I drove home with my one hand on the Bible all the way!" Now, folks there is something to think over. Eh? I never advise anyone to go to Florida to live until they have resided there for one year straight through!

Now as to the month of February in the Almanac here is the following: Groundhog's shadows cover icy meadows. Skiers ahoy! you'll enjoy! Now plan a sunbat. Be not discontent, winter's running out fast. Not clear, not cloudy, not calm, not rowdy. The rest of the year courses a fair future! Little puffs of the white stuff! Cute! That will make all those who headed South jealous!

Now, the big question—How about those New Year Resolutions? The one Your Observer made for just one month without eating any sweets and when "you do have yen turn to fruits" and that I did and now I have no desire whatsoever for sweets. One day in the Lexington Market after parking the car, I passed the grand SIL-BER's bakery and there they were in the case—those large 12¢ individual peach affairs. I stood at that counter and this is what happened—

"Oh—how weak you are! I am ashamed of yourself!" and I hurriedly walked away! So now the month is up and I am still baking apples twice weekly and eat one daily with milk and she nuff, Ladies two inches off my waist line!

So many these days have colds and be sure you continue to wipe the entire phone with Listerine or a similar brand to kill any germs and that daily! Only takes a second!

Remember seeing the Hollywood Palace the Saturday night that the little nine-year-old girl took part? I was so curious about that child and I knew my Readers would be interested, too that I sent away to California for that information and here it is. She was born in Philadelphia in 1956 and shortly thereafter the family moved to Hawaii. She used to sing on the "Hawaii Calls" Radio Show and was discovered by a member of the committee of the World's Fair in Seattle. She entertained in the Hawaii Pavilion in the Seattle World's Fair at the age of six, singing and dancing and playing the ukulele. She has appeared in the Jerry Lewis picture, "Family Jewels" and the Elvis Presley picture "Paradise, Hawaii Style" and that from Joe Maggio Manager of Press Information!

Now, here's a sweet and true story which I heard recently. An elderly man of 90 became very ill and was taken to a Convalescent Home where he has been bedridden ever since and his wife remained at home alone. He worried a great deal about her. Her age was 70. A few weeks ago she was ill and they brought her to this home, too and she begged the authorities not to tell her husband she was there. So each day at the same time, she was assisted in dressing—hat, bag and gloves and would walk in and visit with the husband for 20 minutes! He never knew this story that she was not well! Recently she passed away!

Now, I am wondering what they have told that gentleman as the visits ended! Be kind to one another, folks and be sure that you realize that the greatest thing in life is free! LOVE!

So long until next week D. V. I am, Faithfully, YOUR OBSERVER

A P.S.—Never will I forget how wonderful everyone seemed as to the heavy snow aiding one another stopping by to offer a helping hand and that in anyway which goes to prove that people are not just people but when it comes to a crisis their hearts open wide and I mean wide!

HARNEY 4-H CLUB MEETS

The Harney 4-H Club recently held its first meeting of the new year at the Taneytown Grain and Supply Co. The officers, 19 members and the leaders were present for a good turnout.

A complete report on the dance held in November was given and the profits were given to the Carroll County 4-H Foundation. It was also decided that the club would have a team entered in the County 4-H Basketball Tournament; Mervin Staub was chosen as the captain. Mervin was also selected to be the candidate for Mr. Cupid in the Valentine Dance on February 12.

The next meeting will be held at the home of Merle Weant on Feb. 22 at the regular time.

BOY SCOUT WEEK

During the week of February 7-13, the 56th anniversary of the Boy Scouts of America will be observed by more than 5,665,000 boys and adult leaders in 143,300 Scout units throughout the United States. Scouting is a tremendous force for good in the lives of millions of boys, broadening horizons and creating an inbuilt sense of responsibility and duty that can never be forgotten in later life.

Today, over 93,000 organizations use Cub Scouting, Boy Scouting and Exploring as a part of their own youth program for boys 8 through 17. The national organization charters Scout units annually, and they are sponsored by religious groups, schools and PTA's, service clubs, fraternal orders, veterans, governmental groups, business and industry, labor unions and other civic and community organizations. In line with their Promise, "To help other people at all times," Scouts and leaders will undertake service projects for their sponsoring institutions during their anniversary week.

Every Scout takes the following Oath: "On my honor I will do my best—To do my duty to God and my country and to obey the Scout Law; To help other people at all times; To keep myself physically strong, mentally awake, and morally straight." Any boy who makes this Oath an important part of his life in his formative years will grow to be a man of which his family, his community and his nation may justly be proud. The Boy Scouts of America deserve the recognition, support and thanks of all of us during their anniversary week.

"GRASSROOTS OPINIONS"

MORRISON, ILL., NEWS: "Peace on Earth—Good Will to Men—the angels sang at the birth of Christ. How disappointed our Master must be with we humans. The worlds, so full of greed, crime, hate, cheating, killing. The ten commandments 'Gone down the drain.' How far we have strayed from His plan. We cannot lay the blame at any one person's door. It is universal. Christmas has become Xmas. The meaning lost to many in this troubled old world. If we all could live the meaning of Christmas all year round the Master would be pleased with His plan on sending His only Son into the world to bring Peace on Earth—Good Will Toward Men."

PARSHALL, N.D., RECORD: "In the old days when someone was in need... no one would think of going over and saying, 'Here I want to give you this,' instead they would say, 'I don't need this right now, bring it back when you get through.'... If this same idea was used today in giving millions to other countries, I am sure the image of the 'Great America' would be uplifted greatly in our foreign country transactions. . . . The art of giving is the ability to help a man and not hurt his pride, not just giving to give because we have so much."

HARMONY, MINN., NEWS: "I think LBJ drove a poor bargain with Castro. In other words he goofed. I don't know just how many refugees we are supposed to absorb but I think we should have insisted on reciprocity. If we were allowed to export to Cuba one home grown communist for every refugee coming over here it would have helped a lot."

HEFLIN, ALA., NEWS: "... studies of the largest corporations, and labor specialists, prove that the worker who takes two vacations a year is more efficient in his work than those who get a break only once a year. The vacation in the winter need not

be an expensive one. The idea is to get a break, or a rest. Reading this, you are probably agreeing with the conclusion. But will you do anything about it? Make your plans now, if possible, to enjoy a break from the grind this winter."

CORVALLIS, ORE., GAZETTE-TIMES: "Somewhere along the line we have trouble distinguishing between the inherent American right to protest the action of our government and outright treason."

THOMPSONVILLE, CONN., PRESS: "If you're wondering what to send your lad in Viet Nam, remember Airman Perko says razor blades, soap, shaving cream and underclothes are in short supply. It's great cur men want razor blades. When a man wants to stay clean shaven, his morale must be pretty high. If you send underwear, don't send thermal stuff. It's hot in South Viet Nam."

GILBERTSVILLE, N. Y., BEE-JOURNAL-CHRONICLE: "... doctors today are so loaded with cases that they are forced to limit their response to calls. If anybody has an idea that the situation is bad today, wait until medicare gets under way. . . . Every hypochondriac in the country (eligible for assistance under the new medicare legislation) will be insisting that he's sick, must have attention and that the government says he is entitled to it, must get it and the government will pay for it."

CLEVELAND, MISS., BOLIVAR COMMERCIAL: "The commonly-held idea that the subject of birth control is loaded with controversy in the United States may be a myth. At least that's the opinion of Representative James Scheuer, a New York Democrat, who contends that there is very little opposition in this country to the distribution of birth control information."

SHELBYVILLE, KY., SENTINEL: "The concepts and ideas of this nation are the noblest yet conceived by man. Some may be showing signs of wear, but only because they have been tried and found true so often. We would suggest that the youth of today (and here the adult will have to lead him if he can find the time), before striking out to find something new or more novel or more exciting, examine and re-examine those concepts and morals which have stood the rigors of time and the stresses of life."

HISTORY OF ST. VALENTINE'S DAY

THE IDEA OF GIVING CANDY TO THE GIRLS AND CIGARS TO THE MEN TRACES BACK 2,000 YEARS.

If the ancient Roman "Feast of Lupercalia" hadn't undergone a radical change through the years, we'd now be readying a February 14th celebration that the young men of this nation might welcome.

On Lupercalia Day every unmarried woman put her name in a container and, at the height of the celebration, the young Roman men drew the girls' names. The one selected by each man became his sweetheart for the next year and gifts and tender messages were exchanged.

The messages -- our Valentine cards -- are all that's left of Lupercalia Day for the man. Valentine's Day has become a one-sided occasion with the gals cleaning up on heart-shaped boxes of candy, flowers and--more often than not--much costlier items. The men have all but been forgotten!

Today's Valentine's observation began when the Roman became Christianized. Lupercalia was "a little too wild for them", so when the two St. Valentines were martyred on February 14th, the February 15th celebration of Lupercalia was moved up a day, and has come down to us in that form.

Somewhere along the line the woman took over Valentine's Day. It would be nice to get this lovely holiday back on the track with a return gift of something masculine and fashionable like a box of cigars, a necktie or even a monogrammed shoehorn.

CURRENT EVENTS
FIFTY YEARS AGO

W. Wallace Reindollar has been attending the big convention of hardware dealers in Pittsburgh this week. An examination and recital was given at the home of Miss Anna Galt, Saturday, Feb. 5. Those of her pupils who played were Bessie and Elenora Kiser, Carrie Winter, Onaida Dern, Katharine Downie, Elva Martin, Marian Miller, Helen Arnold, Helen Ohler, Edith Smith, Clara Hockensmith, Carmen Shoemaker and Olivia Wolff. Rev. Thurlok W. Null and family left this week for their new home and field of labor, Kearsarge, Mich. This is in the northern section of the state, in the copper mining region—in the portion of the state for which a movement is being made to create a separate state, to be known as "Superior."

Postmaster Wm. E. Burke went to Baltimore on Tuesday to attend the funeral of his nephew, Charles E. Reilly, a fireman on the P.R.R., who was instantly killed on Saturday morning by leaning too far out of the cab of his engine. He was a son of Mr. Burke's sister.

Edward Franquist and wife (nee Miss Margaret Elliot) visited relatives in Harney and Taneytown on Monday and Tuesday. They left for New York Tuesday and expect to sail for their new home in Baracoa, Cuba, on Saturday. Mr. Franquist is developing a coffee plantation in Eastern Cuba, near Baracoa.

Mrs. Luther H. Eyer, living on the Brining farm, near town, was badly scalded last Saturday by the accidental overturning of a kettle of boiling water on a stove by one of her children. She was badly burned on face and arms and was taken to Frederick Hospital for treatment.

Arnold — William L. Arnold, 49, died in McSherrystown last Saturday morning. He was a son of the late Mr. and Mrs. Jesse Arnold of this county. He had followed huckstering for a number of years when he removed to Taneytown, and later engaged in business as proprietor of the Central Hotel, and a year ago removed to McSherrystown, Pa., where he purchased the Columbus Hotel. His wife, who was Miss Lillie I. Slonaker of Uniontown, survives him, with the following children: Mrs. John L. Leister and Mrs. Peter Graham of Taneytown; Mrs. Scott White and Theresa and Russell at home. Funeral services were held at Uniontown on Wednesday in the Church of God by Rev. L. F. Murray.

Selby — On Feb. 6, 1916, at Copperville, Mildred V., 11 year old daughter of Mr. and Mrs. Noah P. Selby, died. She is survived by her parents and the following brothers and sisters: Mrs. Mollie Bentzel, Gettysburg; William Selby, Hagerstown; Chester, near Taneytown; Charles Fielder, Murray and Raymond, Union Bridge; Norman, Flora and Nellie Selby, at home. Funeral services were held on Tuesday afternoon at the Church of God in Uniontown.

THE CARROLL RECORD THURSDAY, FEBRUARY 10, 1966 CORRESPONDENCE Latest Items of Local News Furnished By Our Regular Staff of Writers

We desire correspondence to reach our office on Wednesday, if at all possible. It will be necessary, therefore, for most letters to be mailed on Tuesday morning. Letters mailed on Wednesday may not reach us in time.

KEYSVILLE-DETOUR

Greetings to you: Glad to report that this week—many thanks to the hard-working road crews—most roads in Carroll County can be traveled. Many are still one-way some places but at least folks who have to go can manage to get where they need to. School reopened in the County on Monday after a full week of being closed and church services were held on Sunday after two Friday cancellations. Read in The Frederick Post that this was the worst storm in 50 years and it is easy to believe! There were many farmers and their neighbors who also worked at road-clearing. The Detour to New Midway road was opened by such a group and I understand another group worked from Keymar to Middleburg before the road was able to get to them. We had quite a time right here on the Keysville Road for there is a deep "cut" below the Myron Wilhide and Edward Coshun homes that was completely drifted over. It wasn't opened until Saturday and then by a big road grader—after two bulldozers had worked on it (at different times). At places like that (where it is still one-way), one almost feels like going through a tunnel for the sides are so high. Guess we shall all be talking about the "storm of January 1966" for many a year to come.

Since congratulations to Robert Dinterman, formerly of Keysville and now with the U.S. Marine Corp stationed in Okinawa, who was recently promoted to Cpl. E-4. He also is qualified with the rifle as Expert by shooting 227 out of 250. In a letter home, Bob states the weather over there is lots of rain and high winds and that their 50 degrees is equal to our 20 and 30. Sometimes they have to burn their oil stoves.

And congratulations (for another reason altogether) to Mr. and Mrs. William Gross (4227 Eldon Road, Baltimore, Md. 21229) upon the birth of Daniel Melvin Gross on Monday evening, Feb. 7, Daniel, who weighed in at 7 pounds 9 ounces, has a brother Jerry. Mother is the former Miss Betty Schnappinger, daughter of Mr. and Mrs. Melvin Schnappinger of Haleshorpe, Baltimore (and cousins of Mrs. Carroll Wilhide).

Sunday evening visitors with Mrs. William Weishaar and Randy of Forest and Stream Club Road were Mr. and Mrs. James Weishaar, Bobby and Billy of Detour, Mr. and Mrs. Paul Wildman, Kevin and Kim of Westminster, Mr. and Mrs. Jerry Clingan of Thurmont and Mr. and Mrs. Elwood Hobbs of Keysville.

Sunday evening callers at the Carroll Wilhide home near Detour were Mr. and Mrs. Melvin Durrow and Kathy of Gettysburg and Mr. and Mrs. Richard Wilhide, Susan and Christine near Detour.

Mr. and Mrs. Charles Cluts of River Dale Farm near Keysville had for Sunday afternoon visitors Miss Geraldine Boller of Thurmont and Mr. and Mrs. Carroll Dougherty of Detour.

I had four responses to my question about groups that might use old sheets and I do appreciate the contacts. Two of them I'm going to pass on to you for some of you readers might have sheets that you also would like to pass on for a good purpose. The other two I want to mention—came from Virginia and Pennsylvania. That is truly interesting and I thank both those ladies again. Nearby, please call Mrs. John Roop on 775-4703 whose group at the Church of the Brethren robes bandages, or Mrs. Logan on 775-4682 whose group at the First Brethren Church, also in Linwood, use old sheets as well as pillow cases and white shirts for bandages. Both groups are in need of material and would appreciate donations. How about helping this worthy cause?

Mr. and Mrs. Barry Willard of Highfield, Md., announce the birth of a son on Jan. 27 at the Waynesboro Hospital. Steven Barry's mother is the former Miss Doris Davis who used to live on the Keysville Road near Keysville. Congratulations to them.

Sunday dinner guests with Mr. and Mrs. Charles Stonesifer, Kathy and Kevin of Keysville were Mr. and Mrs. Ernest Stonesifer, Wayne and Raymond of Emmitsburg.

A birthday party was held Saturday evening, Jan. 29, at the home of Mr. and Mrs. Vernon Schaffer on the Keysville Road in honor of their daughter Linda's 16th birthday. Those present were Darlene Bowers, Shirley Keilholz, Donna Simpson, Anne King, Beverly Fair, Cathy Parrish, George Warner, Jr., Ralph Green, Jimmy Coshun, Joe Morningstar, Fred Halter, Steve Hohman, David, Glenn and Craig Schaffer and Mrs. LaRue Schaffer. Linda received many useful gifts. After an enjoyable evening of dancing and playing games, refreshments were served and all departed wishing Linda many more happy birthdays.

Melvin ("Petie") Bostian leaves Thursday for service with the U. S. Army.

Mr. and Mrs. Carroll Wilhide near Detour visited on Tuesday with his mother, Mrs. Maurice Wilhide, and sister and family, Mr. and Mrs. Francis Fry and children of Baltimore.

Reminder to all members of Boy Scout Troop 330 and Cub Pack 459 in Union Bridge: both groups will attend church on Sunday, Feb. 13, at the Church of the Brethren in Union Bridge. Meet at the church in UNIFORM from 10:30 A. M. Service.

Larry Smith of Rocky Ridge spent three days with his grandparents, Mr. and Mrs. Raymond Albaugh near Detour, helping with the work while the snow was so deep. Recent visitors

with the Albaughs have been Mr. and Mrs. Charlie Renner, Dennis, Steve and Fred of Rocky Ridge, Mr. and Mrs. Johnny Boone, Donna and Janet of Westminster, and Mrs. Karl Smith, Sr., with Karl, Jr., Ronnie, Larry, Jerry, Jimmie, Ricky, Randy, Jeffery and Joann Denise of Rocky Ridge spent the week-end. Sorry to learn Mrs. Albaugh had to spend three days in bed again last week—for a pinched leg nerve. Do hope she is getting around better now.

Charles and Clarence Stonesifer of Keysville were Monday evening skiers at Charnita. (This has gotten to be quite a popular place these days.) Try to visit the Boy Scout exhibit at the former Otis Devilbiss store-room in Union Bridge while it is open Friday evening 7 to 9 P. M. and Saturday from 1 to 9 P. M. You will learn some of the things that are being done now or planned for the near future. This display is for Boy Scout Week, of course.

Mrs. James Motter and daughter Kimberly Lynn have joined her husband PFC James H. Motter of the U.S.M.C. and are now living at Camp Lejeune, North Carolina. Mrs. Motter is the former Shirley Dinterman and both she and Jimmy are from near Keysville.

Keysville Lutheran Church news: Lenten services for the parish will begin on Ash Wednesday with the observance of Holy Communion at St. James at 7:45 P. M. Communion will be celebrated here, weather permitting, next Sunday (13th) at 10:45 A. M. If there are any questions about the individual yearly statements, please contact the treasurer, A. Sunday Church School officers and teachers meeting will be held at the church on Monday evening, 14th, at 7:30 P. M. A profit of \$416.32 for the Building Fund was realized from the sale of Wolfgang's Candy; 1,151 boxes or 1,293 pounds were sold. Good! Don't forget to contact Mrs. Fleharty to make your dollar donation towards the Scholarship Fund of the Seminary Auxiliary in Gettysburg. This is well worth while. Lutheran Church Women's meeting on Monday was cancelled due to snow conditions.

Dates Eager Beaver Girls' 4-H Club meeting Friday evening, 11th, 7:15 P. M. at the home of Jeanie Myers near Mt. Union.

Elmer A. Wolfe general P-TA meeting at the school Monday, 14th, 8 P. M., with program about the Community Action Committee being formed in Carroll County.

Keysville-Detour Homemakers Club meeting Wednesday, 16th, 7:30 P. M., at the home of Mrs. David Watkins near Keymar.

Cub Pack 459 will hold their Blue and Gold Banquet at the Church of the Brethren in Union Bridge on Friday, 18th, at 6:30 P. M., with all Cub Scouts and their families invited. Tom Dimeler of the Baltimore Area Council will be guest speaker.

—Dharys Fleharty

Boy Scout Exhibit Do you ever wonder "what do the Boy Scouts do, anyway?" or "do the Boy Scouts really learn anything practical?" or "what good could they do my boy?" Then plan to visit the exhibit on display in the former Otis Devilbiss store-room near the square in Union Bridge. It will be open to the public Friday evening, 11th, from 7 to 9 P. M. and on Saturday, 12th, from 1 to 9 P. M. Courtesy of Troop 330 for Boy Scout Week, 1966. Leaders are William Fleharty and Burnell Broadwater.

You will find—among other things—a camping scene, a "monkey" bridge (used to cross small streams and ravines) that small boys can climb on, and demonstrations on basketry and rope-making. Jump ropes made by the boys will be available for sale.

Scouting really began when an Englishman, General Robert Baden-Powell, was stationed in South Africa in the early 1900's and started training young men in outdoor skills. It was brought to America in 1909 and formally incorporated as the Boy Scouts of America on February 8 of that year. Scouting is a world-wide movement in almost every country from Canada to the Argentine, from Iceland to Australia, from China to South Africa. Every four years Scouts of the world have one tremendous camp: the World Jamboree, where all Scouts are brothers. The next one will be held in 1967. Their uniform stands for "spirit of service." The Cub Scouts were started in 1930.

Elmer A. Wolfe P-TA Executive Committee Meeting Planning for the supper and bake sale to be held April 23 in connection with the Science Fair at Elmer A. Wolfe School in Union Bridge was started by the P-TA Executive Committee at their meeting at the school on Monday, Feb. 7, with 13 members present.

FAIRVIEW

There were quite a few predictions made in the earlier part of the Winter that we were not going to have any Winter, in the way of snow and so-forth, has anyone changed their minds? Well believe me, I sure have—when we were stranded here for four days before we could drive out. Some walked but declared it to be tiresome. As the song goes, "Sometimes I'm up and some times I'm Down." I venture to say there were drifts on this road from 7 to 10 ft. high—it is like driving through a tunnel; but, oh how much we need this snow. All we need is a little patience and Spring will be here before we know it.

In listening to the radio on Sunday morning, January 30th, some one had called in to WTRR for the announcer to play something cheerful—so he did and advised us to think of this Winter when the Summer months become so hot. Perhaps a few pictures of this snow will help us a little at that time.

Mr. and Mrs. Levi Frock spent Saturday in York, Penna., with the former's brother and wife, Mr. and Mrs. Russell Frock. In the evening they all visited in the home of Mr. and Mrs. Charles Wallick and family, all of York and helped celebrate their son, Gregg's 12th birthday. We had a most enjoyable evening together.

Recent visitors in the home of Mr. and Mrs. Grant Baker were: Mr. and Mrs. Claude Baker and family of E. Berlin, Penna.; Mr. and Mrs. Thomas Baker, Mr. and Mrs. Claude Selby of Taneytown; Mrs. Mable Smith of Keysville and Franklin Baker, near Westminster.

We extend our many, many thanks to Mr. Forney and Mr. Irvin of Trevanion, who plowed us out of the snow, thus helping the county workers to plow open a little wider for traffic to go through, also our many thanks to our neighbors, Mr. Lentzner, who worked day and night on the road leading from the crossroad here toward Uniontown; all deserves a lot of credit.

I believe the children were rather glad to go back to school this morning in the hopes they will not have to make up so much time when school closing time comes around.

Mr. and Mrs. Charles Frock and children, Steven and Debra, spent Saturday evening in the home of Mr. and Mrs. Rauland Hancock and sons, near Littlestown.

Mr. and Mrs. Donald Carl and children, David, Danry, and Deborah, spent Sunday afternoon with the latter's parents, Mr. and Mrs. Levi Frock. Mr. and Mrs. Richard Adkins and son, Kevin, spent Monday in the same home.

The Stray Sheep

'Twas a sheep, not a lamb, that went astray In the Parable that Jesus taught; 'Twas a grown-up sheep that wandered away from the ninety and nine in the fold, And out in the hill tops and out in the cold

'Twas a sheep the good shepherd sought; And back to the flock, and back to the fold, 'Twas a sheep the good shepherd brought.

Now, why should the sheep be so carefully fed, And cared for still today? Because there is danger if they go wrong.

They will lead the lambs astray, For the lambs will follow the sheep, wherever they wander, wherever they go.

If the sheep go wrong it will not be long 'Till the lambs are as wrong as they are. So still with the sheep we must earnestly plead,

For the sake of the lambs today, If the lambs are lost, what a terrible cost some sheep will have to pay.

The sheep are as foolish as they can be, But the lambs, they do not know Thus while seeking the sheep, you see;

We must plan for the lambs also; For all are dear to the shepherds heart Of the flock that he died to save, And the fold is bare unless all are there

Of the hundred His father gave. —Author unknown.

ROCKY RIDGE

Mr. and Mrs. Samuel Wood of Taneytown, spent Tuesday afternoon with Mr. and Mrs. Horace A. Smith.

We had 8 inches of snowfall here on Wednesday January 26 and 12 in. of snow fell on January 29. The snow drifts were 10 to 15 ft. on the road from Rocky Ridge to Motter's.

We are sorry to hear of the death of Graydon F. Clem. The family have our sympathy. Mr. Clem was a charter member of the Rocky Ridge Fire Company.

Master Jerry D. Smith, son of Mr. and Mrs. Karl J. Smith, of Rocky Ridge, celebrated his 13th birthday on Wednesday, February 2, 1966.

We are sorry to hear of the sudden death of Mrs. Grace E. Smith. We lost a loving mother, a good neighbor and a friend. She will be missed

WITH THE ARMED FORCES

by everybody. We give our sympathy to the family. Mr. and Mrs. Roland D. Wilson and family of Taneytown spent Friday afternoon with her parents, Mr. and Mrs. Harvey M. Pittenger, Sr., and Mr. and Mrs. Charles H. Scovel and family and Miss Judy Ann Pittenger of Boyds; Mr. and Mrs. Roland D. Wilson and family of Taneytown, spent Sunday with their parents, Mr. and Mrs. Harvey M. Pittenger, Sr., also their sister, Mrs. Cora M. Setherley and family.

RALPH SHIPLEY AND FAMILY

DIED

MRS. HORACE A. SMITH Mrs. Emma Grace Smith, 74, wife of Horace A. Smith, Rocky Ridge, died unexpectedly Friday, Feb. 4, at her home.

Born in Frederick County, Mrs. Smith was a daughter of the late William and Lizzy Wambler Moser. She was a member of the Mt. Tabor Lutheran Church, Rocky Ridge.

Surviving, besides her husband, are a son, Samuel Wood, Taneytown; three daughters, Mrs. Raymond Wacker, Taneytown; Mrs. Donald Mackley and Mrs. Bruce Gorman, both of Rocky Ridge; six grandchildren; a sister, Mrs. Florence Foreman, Taneytown; two brothers, Elmer Moser, New Midway, and George Moser, Woodsboro, and a number of nieces and nephews.

The funeral service was held Tuesday at 2 P. M. at Mt. Tabor Church. The Rev. William Mackley, her pastor, officiated. Burial was in the church cemetery.

IN MEMORIAM

In loving memory of my dear husband and our father, Walter Smith, who passed away February 11th, 1965.

I cannot say—and will not say That he is dead... he is just away With a cheery smile and a wave of the hand He has wandered into an unknown land

And left us dreaming how very fair His needs must be, since he lingers there

A helping hand to all he knew He was kind and generous too Time takes away the edge of grief But memory turns back every leaf

Often brings a silent tear In our hearts your memory lingers Always tender, fond and true There's not a day dear father We do not think of you

Think of him still as the same, I say He is not dead, he is just away.

MRS. WALTER S. SMITH AND CHILDREN.

RESOLUTION

WHEREAS, in the infinite wisdom of Divine Providence, a beloved friend and associate, Earl H. Hoffman, was removed from our midst on January 22, 1966. He will long be remembered for his prominence and leadership in the community, his loyalty and integrity, his sympathetic understanding and his willingness to give wise counsel and advice.

WHEREAS, Earl H. Hoffman was held in great esteem for his devotion to Church and family, for his tremendous contribution to the growth and progress of The Detour Bank, which he served as Director from April 5, 1951, until his death.

NOW, THEREFORE, BE IT RESOLVED that those of us who served with him on the Board of Directors of The Detour Bank have suffered an irreparable loss, are profoundly conscious of an enduring sorrow, and in mourning his death, we extend

Meeting of Southern States Members

Approximately 69 members of Southern States Cooperative's local board and committee members, agricultural workers and retail Agency managers from this area, will attend a regional board meeting in Westminster on February 15. The session will be held at the Frook's Sunnybrook Farm and will begin at 10 A. M.

Also attending the meeting will be a number of guest young farmers from the area.

A total of 44 of these regional meetings—featuring some of the new services which the cooperative is making available to its members—will be held by Southern States over a five-state area. The cooperative serves over 231,000 farmer-members who live in Virginia, West Virginia, Maryland, Delaware and Kentucky.

Stanley P. Stabler of Brookeville, a member of the Southern States 15-man board of directors will preside at the meeting. Mr. Stabler represents the cooperative's members in Maryland as Public Director and has been a member of the board since 1963.

Board members attending the session will hear a report on the cooperative's operations during the first six months of the 1965-66 fiscal year presented by R. G. Roop, Director of Petroleum Services of the organization.

One of the highlights of the morning session will be a movie entitled "The Road to the Camerons," which stresses the importance of agriculture to the entire economy, the efficiency of this agriculture and the big role that cooperatives have had in developing it and making it efficient. The film was produced by the National Council of Farmer Cooperatives.

Following lunch, Mr. Roop and R. W. Bryan of the cooperative's regional office in Baltimore, will present a color slide report entitled "Face Setting in Cooperative Merchandising."

Those expected to attend the meeting from the Taneytown area are: Leroy Crowder, manager of S. S. Taneytown Cooperative, and local board members: Murray Roop, Claude DeBerry, Emmitsburg; Martin Zimmerman, Paul Brower, Clyde Wildie, Percy J. Bollinger, all of Taneytown, and Bernard Hess of Littlestown, Pa.

WITH THE ARMED FORCES

U. S. ARMY, EUROPE (AHTNC) — Army Specialist Four Gilbert D. Clegg, 19, son of Mr. and Mrs. Robert M. Clegg, 309 Gorsuch Rd., Westminster, Md., took part in Exercise MARINE MAULER, an 11-day field training exercise in Germany which ended February 7.

Specialist Clegg's unit, Troop G of the 2d Armored Cavalry Regiment's 2d Reconnaissance Squadron, was with the 3d Infantry Division during the exercise, held to provide intensive training against an aggressor force, and to train the division to support itself logistically.

American, German and French air and ground forces took part as friendly and aggressor forces.

MARINE MAULER was part of a year-round program to maintain combat proficiency.

Specialist Clegg, a scout observer with the unit, entered the Army in July 1964 and completed basic training at Fort Jackson, S. C. He arrived overseas in December 1964. Clegg attended Westminster H. S.

No issue is ever settled correctly upon the basis of force, regardless of what measure of compulsion is used.

THE WAY I SEE IT . . .

Observations on the World of Sports —John Breth

If professional baseball was like pro football, ANDY ETCHEBARRREN of the Baltimore Orioles would be a cinch for a leading role on the defensive platoon.

Andy is good catch, no hit. If he learns to hit he may be one of the catching stars of the big leagues in a few years.

The 22-year-old bonus player will get every chance this spring to establish himself as the number one backup of Baltimore. But he'll have to hit more than the size of his shirt.

Manager Hank Bauer says: "Andy, in time, should be one of the best defensive catchers in the league. The big question is whether he can hit. I intend to give him every chance to make it."

Etchebarrren played for Rochester last year and hit only .247 which, anemic as it was, still represented his highest mark in four minor league seasons. Improvement is always welcome.

In addition to Etchebarrren, the Baltimore rookies with the best credentials this spring will include DAVE JOHNSON and MARK BELANGER, both infielders, and pitchers FRANK BERTAINA, EDDIE WATT and ED BARNOWSKI.

Johnson, a young second baseman, hit .301 for Rochester last year but missed half the season with a broken bone in his right hand. He also got into 20 games for Baltimore and hit only .170.

Belanger is a dandy fielder at shortstop but swings a light bat. He hit only .229 for Elmira last year but still was named the All-Star shortstop for the Eastern League.

Bertaina is a 21-year-old southpaw and is given an excellent chance to win a spot on the Baltimore staff. He was 13 and 9 at Rochester in 1965 and then joined the Orioles for the last part of the season. He was impressive in his lone victory, a one-hitter against Kansas City.

Watt and Barnowski are called the "no-hit twins" by the Baltimore publicity department for the logical reason that each sponsored a no-hitter in minor league baseball last year. Watt, in fact, pitched two for Elmira and got them in his first three starts of the season. Watt was 7 and 2 for Elmira and then was promoted to Rochester where he was 6 and 4.

Barnowski also hurled a no-hitter for Elmira and almost got a second one later on in the season, losing it in the ninth inning.

Both Watt and Barnowski are right-handers. Another right-hander with a fine record at Elmira, Dave Leonhard, also is a candidate for a starting job with Baltimore.

The new manager of the Chicago Cubs, Leo Durocher, likes the idea that his pitchers, BOB BUHL, is supposed to be hard to handle.

After all, so was Leo as a player . . . and a manager.

Durocher is counting on Buhl as his number five pitcher and that could make Bob hard to handle right off the bat. He might want to be the number four pitcher or, come to think of it, the number one pitcher.

Durocher had this to say about it: "I know Buhl is 37 years old and could use a little extra rest. Therefore, he'll be my number five pitcher and he'll get plenty of work. Every time there's a double-header you need a fifth starting pitcher."

Continuing on the subject of Buhl, Durocher said: "I like Buhl. He's my kind of guy. He's a real competitor. He'll come out there to beat you. And I know all about his disposition. He's mad all the time. But I like that kind of disposition because he's a non-sense guy when he's on the mound."

Leo compared Buhl with Sal Maglie who pitched for him when he managed the Giants to National League pennants in 1951 and 1954.

Durocher said: "When I would go to take Maglie out of a game he'd be so angry that he'd be on the verge of taking a swing at me. But that's how I wanted him to feel. He was almost invincible when aroused."

Leo admits that you can't use the needling technique on all players. He says it wouldn't work on Willie Mays, for one.

Durocher put it this way: "Mays is the sort you have to pat on the back and encourage. If you holler at Willie he'll quit on you. And there are pitchers who have to be handed the same way."

So, the chances are that Durocher will have some jaw to jaw discussions with Buhl this season. But the situation would be brighter if only Leo would make Bob his number four pitcher instead of his number five. Or is that the first needer?

Today's Sport Laugh — Hofstra basketball coach Paul Lynner had a rough afternoon last Saturday. His team was involved in a sizzling contest against Seton Hall when a seam in his trousers split. Lynner had to wear an overcoat for the rest of the game.

YOUTH BASKETBALL

The Tigers and Globetrotters remained tied for top spot as the league leaders won closely contested ball games.

Paul Reindollar's 6 points and Paul Sell's 4 points led the way for the Globetrotters to score a 14 to 12 victory over the Bullets. The Bullets receiving good rebounding from George Greenya and top playmaking from George Motter couldn't hit the hoop often enough to avoid defeat at the hands of the trotters.

Charlie Barnhart and Doug Brown came up with important steals in the closing minute of the Tiger—76ers contest to place the game out of the reach of the 76ers. Mike Shaum again turned in a stellar performance for the Tigers as he rebounded, blocked shots and scored 8 points. Jerry Waddell also scored 8 points for the Tigers. John Zent was top gun for the 76ers scoring 6 points as the 76ers went down to defeat by a score of 20 to 15.

Del. Dulany Defends Cooper-Hughes Tax Bill

The Hughes Committee study and recommendations based on the Cooper Commission analysis of Maryland's Tax Structure has become very controversial, partly because of unavoidable delay in preparation of the final report and drafting of the legislation, and gross misunderstandings as to the net results. As a member of the Committee, I have participated in almost all the deliberations and will attempt to explain the effects of the recommendations on Carroll County.

The study is to remove many inequities in the existing tax structure, to relieve the burden of taxes on property, to relieve the regressive nature of Maryland's taxes (that is, to relieve the heavier burden of the small taxpayer), to aid those areas in the State that are required to carry the higher burden of government with the lesser ability to pay, and to have the State collect taxes to be paid over to the Counties and Baltimore City for operation of their governments.

Of a total additional State aid to be distributed, amounting to \$110,155,000, Carroll County will receive \$124,400.

Since Carroll County now pays about 1.27 per cent of the total State income tax, and if it is assumed that it will pay approximately the same percentage of additional business taxes, it is estimated that Carroll County citizens will contribute about \$1,399,000 of the total of \$110,155,000 to be distributed in additional State aid throughout the State. However, Carroll County citizens will be relieved of business personal property taxes amounting to \$575,000, including all taxes on farm machinery.

Therefore, the net increase in taxes in Carroll County amounts to only \$823,800 but the County will receive \$1,244,400 in increased State aid.

The County will have an actual net gain in revenue of \$547,700 for the relief of property taxes, in addition to the business personal property tax relief of \$575,700.

Taxes on farm personal property, manufacturing inventories, manufacturing machinery and equipment will be completely eliminated and taxes on commercial inventories will be very materially reduced. Such taxes are generally regarded to be most unfair and to hinder development of business in the County.

Banks and other financial institutions in the County have been taxed more heavily than other businesses. They will now be treated the same as other businesses.

Aid to education will be increased, particularly for new school construction. This is very important to our County where heavy school enrollment increases may be expected and where a heavy increase in school construction costs may therefore be anticipated.

The net effects of the total program should be the shifting of \$1,124,400 from property taxes in Carroll County to income taxes, and as indicated above, in the shift, the net off-setting increase in County taxes will be roughly \$823,800.

The new tax revenue will be raised primarily to a graduated individual income tax as follows: the first \$1,000 of taxable income taxed at 3 per cent; the second \$1,000 of taxable income taxed at 4 per cent; the third \$1,000 of taxable income taxed at 5 per cent; and all taxable income above \$5,000 to be taxed at 6 per cent. Capital gains will be included. Corporate net income above \$25,000 will be taxed at a rate increased by 2 per cent. The old 5 per cent investment rate will be eliminated.

Finally as proposed by the Commission, State taxation would be eliminated commencing in the year 1987-88. This amounts to 18 cents on the tax dollar at the present time.

The Bill is being introduced this week and is gaining increased support.

William B. Dulany Member, House of Delegates

EVENING PRAYER

I thank Thee, Lord, for all these evening things— For crackling fire, and kitten's gentle purr, For flaming sunset in the western sky, For the tea-kettle, as it loudly sings.

I thank Thee for the shining evening star, For full-blown glory of the harvest moon, For smells of supper cooking on the stove, For sound of the approaching family car.

I thank Thee for my daily work, now through, For comfort of this quiet humble home, Yes, on this chilly autumn evening, Lord, I offer warmest thanks and praises, too.

—Zola Cantwell

Traffic is everyone's problem. Today — motor vehicles are so much a part of our very economic existence, so closely tied to our national strength that our traffic troubles weaken our power to grow and to continue to be strong.

Traffic is everybody's problem. But sometimes everyone's problem becomes no one's problem. That is the challenge to your citizen leader. You, and you alone, can do something. You can change things, arouse public concern and build understanding and support. It is a challenge which leaders are accepting. They recognize that many of the basic needs for sound traffic programs are basic community needs, good government, respect for the law, adequate education, improvement of our communities generally. Almost 40,000 people lose their lives on streets and highways annually and many more thousands are injured. These deaths, these injuries and the enormous economic loss, can be controlled by means already known and tested and in use today. Outstanding progress in controlling traffic problems has already been made in some states and communities. Further progress awaits the leadership of public officials and civic minded individuals or groups. It is the number one life saving challenge in America today.

A BEDSPRING, a hard-boiled egg and an acre of sunshine are wonderful things in their way, but you could not possibly explain this subject (The "Image of God") to them no matter how hard you tried. This may sound like nonsense, but it is not. The bed-spring is wonderful because it was a thought in someone's mind before it was a real spring. The whole idea of a spring — watch

Dr. Foreman spring or spring-board at the pool, or bed-spring in a mattress — is a remarkable thing indeed. The egg is still more remarkable, for no human being can create one. The acre of sunshine has enormous power and unmatched beauty; but it is not living — a source of life yet not a living thing itself.

What is most like God?

It would be wrong, ridiculous and perhaps blasphemous, to take any one of these three and say "God is like that." God is wonderful and most things in his world are wonderful, when you stop to think about it. But there is one object in the universe and only one of which the Bible says it is like God or can be like God. That is man himself. By creation, that is to say by the original intention of God, man and only man was "made in the image and likeness of God." And yet this raises serious puzzles. Do you know any man or any race or sort of men, religious or not, whom you would be willing to accept as your God? No, if you know what you are doing. When Christians say we are made in God's image they mean that by God's will and purpose we are like him just by being human. Yet it is plain that (as a Texas theologian once put it) we are in God's image, but not his "spittin' image". This "Image of God" has been defined in various ways. One of the best perhaps is that the expression refers to all the qualities of man which he does not share with any of the rest of the things (living or not) that make up the vast universe.

What man is Godlike?

The reader may be left to think about this. Or he can read any of the countless books that have been written on the subject. Or he can finish this column and get started perhaps on a long line of thoughts and problems. What is there in man which is or can become most like God? His mind and powers of controlling the universe? His ability to send out a Mariner to distant planets? His ability to make choices? His capacity for joy and grief? His ability to love and be loved? His sense of the beautiful? His conscience, his capacity of distinguishing choices as between right and wrong, and not only between pleasant and unpleasant? His memory, his hope, and the way he can blend these together? Something can be said for all of these, but the one we can best understand, perhaps, is man as a person.

Personal God, personal man

It is because we can and must deal with God on a personal level that man has a dignity and a value unique in the universe. That man can explore space is astonishing, even awe-inspiring. But not so wonderful as that he can pray. Next time you are in a bank, or a museum, or a magnificent church or public building, look around you. What is the most valuable thing there? The answer is, Persons. Look out at the stars some bright night. What is the most astonishing thing out there? Persons, A person THE Person, God. You do not need a space ship to find him; he is as near as your next prayer. Man with a God he can only talk about, not talk to or with, is "solitary, poor, nasty, and brutish." Man with a God who is kin to him, man who is a person made after the pattern of God, is the most valuable object in all creation.

New Delicate Dessert

Generations of fine cooks have been proud of their light hand with custard desserts. Now the lengthy oven baking has been taken out of baked custard desserts with Jell-O Golden Egg Custard Mix. Desserts made with the new mix are tender and tasty as the classical version, but made in as little as six minutes on top of the range. Serve the golden egg custard plain or in an adaptation such as the Meringue-Capped Custard here. Grated orange rind emphasizes the delicate flavor; lightly-browned caps of meringue add eye appeal.

Meringue-Capped Custard

- 1 egg white 1 tablespoon sugar
2 tablespoons sugar 2 cups milk
1 package (2 3/4 oz.) egg custard mix 1 egg yolk
1 teaspoon grated orange rind

Beat egg white until foamy throughout. Gradually add 2 tablespoons sugar, beating thoroughly after each addition. Continue beating until meringue will form soft rounded peaks. Set aside. Combine custard mix, 1 tablespoon sugar, the milk, and egg yolk in saucepan. Bring quickly to a boil, stirring constantly. (Mixture will be thin.) Remove from heat. Stir in orange rind. Pour into 5 custard cups or a 1-quart baking dish. Spoon 1 dollop of meringue over each individual custard or spoon 5 dollops of meringue over large custard. Lightly brown meringue in 425° oven for 5 minutes. Cool 2 hours, or until set. Makes about 2 1/4 cups or 5 servings.
