Taneytown Lions Community Birthday Calendar to be Published Soon

"The big city does have some advantages, but there's nothing as friendly and comforting as living right where we are," W. Glenn Bollinger, Lions Club chairman of the Birthday Calendar Project said.

In a community the size of Taneytown, nobody outside the immediate circle of relatives and close friends would know about such important dates as birthdays or anniversaries in the lives of neighbors.

The Lions Club of Taneytown can be credited with helping their neighbors remember these important dates by having sponsored the publication of the Community Birthday Calendar for the past several years.

The calendar lists the birthdays and anniversaries of more than 2,000 individuals and couples living in our area. As part of celebrating a successful conclusion of each campaign, the club forms into four teams and the winning team has a free meal bought by the losers. This stimulates selling and at the same time brings the community closer to each other.

The Community Birthday Calendar certainly helps make our friendly community even more friendly. A number of merchants from Taneytown and surrounding communities have an advertisement on the calendar with their phone numbers so they may establish a closer relationship with their customers.

The calendars are sold at cost and the proceeds from the advertising and sale of listings go to the clubs' many charitable outlets and results in civic betterment all over. In this manner, a major portion of all monies taken in is sooner or later channeled back into our community to make this a more comfortable place in which to live.

The Taneytown Lions Club spent over \$5,000 last year to help those less fortunate than themselves. This was all spent within five miles of the town square or in that immediate area. Welfare and Sight Conservation were top expenditures.

Competitive teams for contacting people in town for dates are headed by the following captains: Harry Dougherty, Jr., Glenn Reever, Alfred Heltbride, and Donald Baker. The starting date is August 9. The Lions will meet at Taney Inn, eat their regular meal, and then start out in the respective areas assigned to them. After one week, it's every man for himself—no boundaries, and it is each one's achievement to sell more than he did last year.

If you are not contacted and wish to have your birthday and anniversary listed on the Taneytown Birthday Community Calendar, please call either Lion President Delmont Koons at 756-6006 during the day or in the evening at his home, 756-6732. Chairman Glenn Bollinger may be reached at his home in the evening at 756-6143, or Secretary James Trenary at 756-6644 during the day or in the evening at his home, 756-6311. They will get someone to contact you the same day you call. Make no calls, please, until after August 16. By this time, each team should have contacted everyone.

TANEY SUPPLY COMPANY EMPLOYEES' PICNIC

Taney Supply and Lumber Corporation, a local pre-fab wood stair builder, held its third annual picnic on Sunday, August 7. The day of games and relaxation was held at the home of Taney's President Eric E. Glass of Tom's Creek Church Road near Emmitsburg. The picnic, attended by 75 employees and their families, was catered a meal of fried chicken, ham, shrimp, and trimmings by Benny's of Westminster.

A long, hot, softball game was the highlight of the afternoon with the "Caseys" beating the "Neils" by a score of 36 to 12!

The meal was followed by a clay pigeon shoot with over 25 contestants. The top prize of \$50.00 was won by Robert Glass with Lawrence Kehne runner-up. Rudy Chatlos won the prize of "lowest score."

The shop on Monday morning was the scene of many sore arms and legs, but by now everything seems to be back in order.

1966 FEED GRAIN PROGRAM PAYMENTS TO BE MADE

Growers who have participated in the 1966 Feed Grain Program will begin getting final payments after August 10, 1966, manager Stuart C. Peterson, Agricultural Stabilization and Conservation County Office, has announced. The payments will cover both diversion and price-support payments.

Growers had the opportunity to request that half the estimated diversion payment be made in advance at signup time in the spring, and where this was done the payment now available represents the balance of the diversion payment due and all of the price-support payment earned under the program.

In total, these payments are estimated at about \$154,000 for the expected 227 county participants in the 1966 program. The payments will raise returns from the 1966 feed grain crops substantially. Farmers participating by diverting acreage under the program are also eligible for loans on their entire 1966 crops of corn, barley and grain sorghum.

The diversion payment for shifting part of the farm's feed grain base to a conserving use does not apply to the first 20 per cent diversion except on farms with small bases. The price-support payments are earned on the projected production from the acreage scheduled for planting up to 50 per cent of the farm's total feed grain base for the farm; one or more of the feed grains—corn, grain sorghum or barley—could be planted on the acreage, or soybeans could be planted in lieu of a feed grain. These price-support payments are assured no matter what disposition is made of the crop.

Peterson said there will be no delay in payment where program provisions have been met and the application form is completed and signed.

Farmers are reminded although program payments are being made, the approved conserving practices are expected to be carried out on designated acreage throughout the remainder of the year.

VIEW FROM MY KITCHEN WINDOW

Whenever I feel sick and horrified over the daily news of mass murders and the war in Vietnam, I turn to that venerable physician, Dame Nature, who never fails to dispense her soothing medicine to one who earnestly desires it. I cannot go far afield on this particular morning, so I seek the magic dosage via my kitchen window. First of all, I catch a glimpse of the wee, beautifully marked chipmunk, who lives under a pile of brush beneath the shell-bark tree. His cousin, gray squirrel, frisks across the lane to the pile of nuts put out for him. Two pert brown wrens fly about the bluebird house, their place of residence, and a barn-swallow dips gracefully over the field in an endless quest for insects. Suddenly nine or ten young pheasants, accompanied by their anxious mother, scuttle into the corn field. I hear the clear call of a bob white and the fluid notes of the mockingbird. A cardinal whistles from the South Carolina poplar and then flashes off in a scarlet streak to the woods, while several sunbeam bright goldfinches feed upon the purple flowers of the thistle.

Such is the beauty and charm of Mother Nature. To know her is to love her and be healed by her.

THE FAMILY LAWYER

TARDY TAX RETURNS

Early one April, leaving home on an extended business trip, a man handed his wife their income tax returns.

"Remember to mail these before the 15th," he said.

She did remember — two months later. When the government added a penalty for tardiness, the man protested that it had been "just an innocent mistake." But in a court test, the penalty was upheld. The court said tax returns are too important a duty to be so lightly overlooked.

There is good reason for the annual scramble by taxpayers to get their returns in before the deadline. The penalty can be stiff—5 percent per month, up to 25 percent of the total tax.

To be sure, some excuses are good enough to ward off a penalty. You will be forgiven if your tardiness was due to what the law calls "reasonable cause."

In one case, the tax collector had no record of having received a man's return at all. Yet, evidence proved that it had been deposited in the post office on time, in a properly stamped, properly addressed envelope. A court held that no penalty for tardiness could be imposed.

"This would not be the first time," observed the judge, "that a collector had lost a return."

In another case, both the taxpayer and his attorney — the only other party familiar with the situation — were totally incapacitated by illness at tax time. Again: no penalty.

But lesser excuses won't do. For example, prior illness, not incapacitating as of tax time, does not justify a late return.

Nor does the mere fact that you don't happen to like the way the government is spending your money. Thus, penalties for tardiness were imposed on a businessman who resented Uncle Sam's "wasteful" habits, and on a minister who didn't want his money spent for war.

Why is the government so strict? That question was raised by a man who blamed his tardiness on the fact that other expenses had left him short of money. The court gave him this reply:

"True, such situations may require sacrifice, but the government exists only by the sacrifice of its citizens. Taxes may seem oppressive, but taxes must be paid if governments are to endure."

"SPICE 'N' EVERYTHING NICE" (Your Chatty Column)

The Wedding of LUCI BAINES JOHNSON

It is August 6, 1966—the wedding day of that sweet young daughter of the President of these United States and just about all over is interested in the big affair.

I am sitting before the TV as I write this Column, and although we will not see the actual ceremony performed in the church, we will see all else.

The crowd is pouring in at the church and the reporters are announcing the names of many of the most important people. Just gave a close up of Pat Nugent who is a very quiet individual, while Luci Baines Johnson is just the opposite, which is most characteristic of the "Crab Sign" in which they both are born. The bride's Maids are now being led into the limousines and there are a dozen of them, all attired in pink, Luci's favorite color. Now, comes the mother of the bride, leaving the White House, dressed in canary yellow and now — here comes the bride on her father's arm! Luci is carrying the lilies of the valley that grew right on the grounds of the White House. Luci's gown is most stylish and the train just announced is three yards long. Her face is the most serious I have ever seen! The camera flashes now and then back to the church and the crowds keep pouring in—although there are supposed to be 700 guests.

The National Shrine of the Immaculate Conception is most beautiful and Luci is the very first bride to be married right there. The Maid of Honor appears more beautiful than ever—the sister of the bride, Lynda! Anyone can realize that she is very much in love and George Hamilton will positively marry her, which I stated right from the beginning! The curbs are lined with people as Luci is a much loved little girl! I have always admired her because she is such a sensible child.

The beautiful chimes are ringing the loudest! The Presidential motorcade is in the lead with the bride and her father and the secret service men have jumped off the car. Now, Luci has walked up the steps and there are many close ups and she finally gives a beautiful smile to the TV camera and she stands there posing with her parents at the entrance of the church.

The long walk down to the altar will take four minutes, as it is over 300 ft. long. As to Pat's wedding ring from Luci—of course there was the date and their initials, plus, "Together Through Christ!" That was a secret until just now when it was announced as the wedding ceremony is taking place. The ceremony continues without the cameras as Luci's wish was carried out that she desired it to be sacred! The 7-tier wedding cake has just been shown and as to the honeymoon's location; it is a most secretive affair.

What I have always loved about Luci is that she is truly all feminine from top to toe!

Ah! Here comes the bride and the groom leaving the church to enter the limousine and the chimes lend just that wedding touch as they walk down the church steps. What radiant smiles from both before entering the limousine! Luci is still carrying those lovely lilies of the valley and Pat leaned over and kissed his bride quickly. Such a radiant bride! The first bride in the White House since Alice Roosevelt Longworth married! Now, the couple is ready to enter the White House for the reception and the loving kiss is given to each other.

The father of the bride, our own President of these United States seems to be most delighted having a brand new son! Pat's mother is a most attractive woman.

And so may the young couple have a beautiful life together!

Another bride in the White House in the year of 1830 was petite, shy Maria Monroe, just 17, was really the first White House bride who married Samuel Lawrence Gouverneur, just 21, her first cousin who was private secretary to her father, President James Monroe. She also chose the same pattern as to the silverware, "Old Maryland Engraved" made by Samuel Kirk in Baltimore.

And that reminds me that I read somewhere or other if you are romantic about a corsage and desire to keep it as to sentimental values, apply spray wax generously and then place it in a cardboard box for storing!

Have a grand week-end, Folks. Until next week, D. V.

Until next week, D. V.

I am,
Faithfully yours,
Irene deLeon Love.

FACTS AND OPINIONS

Reid Derrick, president of Laclede Gas Company, reports that: "For over a century the (gas) industry's growth was steady but relatively unspectacular. Then, in the nineteen twenties, came the development of pipeline which could withstand the high pressure needed for long-distance transmission of gas. This made it possible for the first time to bring natural gas, generally found in remote regions, to the populous market areas of the country. Today, a vast network of transmission pipelines—enough to circle the earth more than eight times at the equator—crisscrosses the nation and supplies one-third of all America's energy needs. And the gas industry has grown to become the sixth largest in the country."

Right to Work states are those in which state laws provide that unless they wish to do so, individuals need not join a union as a condition of employment. These states lead the nation in the creation of new jobs in business and industry, in wage improvement in industrial jobs and in producing new wealth and personal income. Among the top 15 states in actual wages paid industrial workers, six were Right to Work states. The top three states in the nation in rate of new jobs created by industry are Nevada, Arizona and Florida—all Right to Work states. Unemployment in Right to Work states is substantially below non-Right to Work states.

Nation's Agriculture says: "The worst fed American is the teen-age girl who skips or skimps on breakfast, consumes one-fourth of her total calorie intake in poorly chosen snacks and doesn't drink enough milk or eat enough fruits and vegetables."

According to J. Edgar Hoover, director of the Federal Bureau of Investigation, "Red China and other Marxist nations (have saved) incalculable time and resources in their race to overcome the camp of freedom. Since 1949, when communists forces overran the Chinese mainland, Red China has poured tens of thousands of dollars into the American economy through purchases of non-classified publications of myriad types and descriptions. During a recent 12-month period, one United States publisher alone shipped \$4,556 worth of technical books to a firm in Peking. To procure an American engineering index, the Chinese communists eagerly paid more than \$2,600; and a group of government research documents cost them \$464. Many other purchases of American publications, ranging from a few dollars into the thousands, have been traced to the Red Chinese..."

"In 1963," says the Petroleum Bulletin, "the petroleum industry spent some \$315 million on research. By 1970, according to current projections, the figure will soar to \$600 million. . . . Some of the research projects border on the fantastic—but we live in a fantastic age. For instance, among them are such things as homes built of fireproof plastics which would also be termite-resistant; clothes made from petrochemical fibers which would not wear out; petroleum-based growth inhibitors which, when applied to lawns, would make mowing only a once a year chore."

The Portland, Oregon, Traffic Safety Commission notes: "Vacationers tend to go too far and too fast for their own good. Quite often they keep going until they're tired and consequently not very alert . . . you can deal with such situations defensively in your driving. Watch out for out-of-state licenses . . . cars towing boats or trailers and confused drivers slowing down, possibly look-

ing for landmarks. You might be able to help them . . . and by defensive driving, you can definitely help yourself avoid an accident."

The U.S. Department of Agriculture, in its June, 1966, report to consumers declares: "You can put extra pennies—even dollars—in your pocket if you read the grocery ads and take advantage of the specials. Home economists at the Department recently went shopping to test this theory. They were able to save 25 per cent by shopping the ads of the stores in a single neighborhood."

CURRENT EVENTS
FIFTY YEARS AGO

Rev. A. D. Bateman of Mill Hall, Pa., is here on a visit. He left here thirteen years ago, at which time he was pastor of the Reformed Church, but for some years he has been in the Presbyterian ministry.

Mrs. Wm. J. Gallery and Josephine, Eugene and Robert Gallery of Washington, D.C., are visiting her sister, Miss Agnes Arnold.

Misses Helen and Rita Shaum attended the picnic at Emmitsburg Wednesday. They were accompanied home by Miss Hazel Elder, who will remain to attend the fair next week.

Three patients from this vicinity were taken to the Frederick Hospital within the past 10 days. On Tuesday, Harry Cutsail was operated on for appendicitis and is now getting along as well as can be expected. Mrs. John H. Hiltelbrick was taken there for an operation, but after a thorough examination the physicians in charge decided not to operate. Leroy F. Smith is recovering rapidly from a minor operation.

Harney . . . Rev. L. A. Bush and family, who were spending some time at Jacob Newcomers, was summoned home last week to conduct a funeral service. . . . Dr. Elliot is having a new coal and wood house erected on his property. . . . Chas. Shildt, who has been at Millersville school, returned home last Friday and has nothing but praise for the school. . . . John V. Eyler has been confined to his bed during the past week with muscular rheumatism. . . . M. R. Snyder is rapidly closing out his stock at cost and less. We are informed that he will make his home at the S. C. Shoemaker property after Nov. 1, when Mr. E. K. Leatherman takes possession of the store.

Are there really
any sound reasons for buying
a Chevrolet in August?

During August, it's as easy to own a Bel Air 4-Door Sedan as getting in the car.

Wait till you see how sporty you look sitting in your Impala Super Sport.

In a word: Six

1. Have you ever known the instant delight of selecting a new Impala Super Sport in the color you want, slipping into its Strato-bucket seats, and driving it home from the showroom the same day? Now's your chance. Your Chevrolet dealer has a big choice of models on hand with small August price tags.

2. More than likely, your present car will never be worth as much in trade as it is right now. Money—another good reason to buy a Chevrolet this month.

3. Read those articles about when to buy a new car and they'll tell you that August is one of the best months. And your Chevrolet dealer is ready to show you why . . . with buys that are better than ever.

4. If you think winter's tough on an old car, believe us, so is summer. There's added strain on the engine because of vacation driving. Greater tire wear. The cooling system has to work extra hard. A new Chevrolet can save you a lot of trouble.

5. You do a lot of driving for pleasure so why not ride on Chevrolet's Full Coil suspension. Let your feet feel that deep-twist Chevrolet carpeting. August is to enjoy.

6. Make your summer driving safer driving by taking advantage of the eight standard safety features built into every new Chevrolet. If your present car doesn't have seat belts, back-up lights, outside rearview mirror, padded instrument panel, look into a new Chevrolet.

KNOX — WILLET

Miss Norma Elizabeth Willet, daughter of Mr. and Mrs. Norman Willet, Route 7, Westminster, became the bride of Mr. John B. Knox, son of Mr. and Mrs. Fred Knox, Little Genesee, New York, on Saturday, August 6, at 3:00 P. M., in the First Church of God, Westminster, Maryland.

KEYSVILLE DETOUR

Greetings to you:

It was necessary to change the date of the Beaver Girls' 4-H Club picnic to Thursday, August 11. Hope all the members were able to make it.

Scoutmaster and members of Boy Scout Troop 330 of Union Bridge are enjoying this week at Broad Creek Scout Camp near Bel Air, Md. Next week, August 15-19, will be the Junior 4-H Camp in Garrett County.

Read in The Pilot where the Church of the Brethren in Union Bridge is organizing a kindergarten. Sounds as though it will be similar to the one in Taneytown. Sure it will be a very good thing, for so many children can benefit from this type of experience.

Richard and Danny Wilhide, Paul and Timmy Seibert, John Rinehart and Terry Coshun were among those who attended the ball game between the Baltimore Orioles and Washington Senators on Friday evening. Their support didn't help, however, for the "Birds" lost.

Sunday evening visitors with Mr. and Mrs. Lloyd Wilhide of Keysville were Mr. and Mrs. Richard Wilhide, Susan and Christine near Detour.

Callers at the home of Mr. and Mrs. Charles Cluts of River Dale Farm near Keysville last week were Mr. and Mrs. Roy Baumgardner of Keysville, William DeBerry of Taneytown and Miss Geraldine Boller of Thurmont. Mr. and Mrs. Cluts visited awhile at the Festival of the United Church of Christ in Keysville on Saturday evening and enjoyed greeting many of their friends. On Sunday Mr. and Mrs. Cluts and Miss Geraldine Boller spent the day with their daughter and family, Mr. and Mrs. Hugh Heaps, Patsy and Galen near Silver Spring.

Mr. and Mrs. Laverne Keilholtz and family near Keysville, Sue and Sara Buntz of Las Vegas, Nevada (who are visiting with the Keilholtz family), and Ralph Green of Taneytown enjoyed last week in Atlantic City. They report having a "wonderful time."

Mrs. William Weishaar and Randy near Detour were Thursday overnights with her daughter and family, Mr. and Mrs. Paul Wildisan, Kevin and Kim in Westminster.

The members of the Keysville-Detour Homemakers Club will serve at the food stand at the Blanchfield public sale on Saturday, August 13. Help will be needed, ladies, and don't forget to bring your donations in to the stand; for example, hot beef, chicken salad, pies, cupcakes, money. Any questions, contact Mrs. Edward Coshun.

Recent visitors at the home of Mr. and Mrs. Raymond Albaugh near Detour have been Mr. and Mrs. Clarence Albaugh and grandson Kevin Speak near Taneytown, Mr. and Mrs. Raymond Martz and Mr. and Mrs. John Boone, Janet and Donna of Westminster, Mrs. Lester Dutrow and grandson Crist Stauffer near Detour, Mrs. Karl Smith, Sr., Karl, Jr., Ronnie, Larry, Jerry, Jimmy, Ricky, Randy, Jeffery and Joann Denise of Rocky Ridge, Mrs. Caroline Leatherman and Mrs. Shirley A. Saw an ad for the new country-store-type antique shop recently opened by Mr. and Mrs. Donald Stenley in their home in Keysville and liked their name selection: "The Hodge Podge." Have you been in yet?

Glad to hear that Captain John Hood is home on leave. Know his mother, wife and family must be overjoyed to have him home again safe-and-sound!

White asbestos put on the front of The Village Store in Detour really "dresses it up."

Mr. and Mrs. Richard Wilhide, Susan and Christine and Timmy Seibert and John Rinehart enjoyed a picnic supper on Wednesday evening at the home of Mr. and Mrs. Thomas Dolly and David of Fairfield, Pa.

On Wednesday (10th) Mrs. William Fleharty, Ellen, Bruce and Diane near Detour were luncheon guests of her niece and family, Mrs. Robert Brudin, Michael and Steven of Silver Spring. They brought Mrs. Ralph Fleharty home with them after her visit with the Brudins.

Mr. and Mrs. Larry Weishaar and Loretta of Taneytown were Sunday visitors with Mrs. William Weishaar and Randy of Forest and Stream Club Road.

Congratulations again to Terry Coshun, son of Mr. and Mrs. Edward Coshun near Detour. Terry, a member of the Limestone 4-H Club, received a first place award for both of his Brown Swiss heifers, Pleasant

Fields Lotte and Pleasant Fields Kitty, at the 4-H and FFA Fair at the "Ag" Center. He also was awarded Grand Champion for Kitty, a trophy. Well done!

Mr. and Mrs. Richard Stoniesifer of Rockville were week-end visitors with their parents, Mr. and Mrs. Russell Stoniesifer in Keysville.

Happy Birthday wishes to Mrs. Laverne Keilholtz on the 12th, Mrs. Roy Baumgardner on the 13th, Terry Coshun on the 15th, Mrs. Harry (Bessie) Dougherty on the 17th. Happy Anniversary wishes to Mr. and Mrs. Harold Thomas and Mr. and Mrs. George E. Gartrell on the 15th.

Guest speaker at Keysville Lutheran Church on Sunday was Robert Suder, a student at the Seminary in Gettysburg. Mr. Suder, a native of Somerset County, Pa., talked about the Kingdom of God. Jesus, he said, did not have one sermon on the Kingdom, rather He talked about it through all of His teachings. One definition of heaven is the salvation of man and union with God. Heaven is not "up," as so many of us learned as we were growing up, for science is proving that. The altar flowers were given by Mrs. Minnie Hatch of Bluff, Illinois, a cousin of Charles Cluts, who is well-known in this area. They were lovely purple and white asters.

On Sunday afternoon Mr. and Mrs. Richard Wilhide, Susan and Christine near Detour called on Mr. and Mrs. Sterling Leister of Hampstead. They also visited at the Herbert Wessell farm near Hampstead which was open for Farm-City Visitation Day. It was the only farm open in Carroll County and about thirty families visited there.

Visitors on Sunday with Mr. and Mrs. John Boone, Janet and Donna of Westminster were her parents, Mr. and Mrs. Raymond Albaugh near Detour, and her sister and family, Mr. and Mrs. Karl J. Smith, Sr., Karl, Jr., Ronnie, Larry, Jerry, Jimmy, Ricky, Randy, Jeffery and Joann Denise of Rocky Ridge and Barbara Beard of New Midway.

On Monday evening Mrs. William Weishaar and Randy near Detour visited with Mr. and Mrs. Elwood Hobbs of Keysville. On Tuesday afternoon they and Mrs. Edward Matthews, also near Detour, visited with Mrs. Karl Smith and family of Rocky Ridge.

Here's the new address of Beverly (Young) and Bob Hast, Mr. and Mrs. Robert Hast, 610 Annaquatucket Rd., Apt. 4, Wickford, Rhode Island. Understand Beverly is now working in the Navy Exchange.

Did you see the TV coverage of the Luci and Pat wedding on Saturday? Sure Luci is used to all the fuss and ado but couldn't help noticing how calmly Pat took everything. He surely must be a mature young man to take on such responsibility as marrying the daughter of the President. For what it is worth, we wish them well, also.

Welcome Home to the travelers, Mr. and Mrs. Carroll Wilhide, Jane and Beth near Detour, who returned home last Thursday evening after a two-and-a-half weeks trip that took them to Florida. They spent from Monday evening to Thursday morning the first week with Mr. and Mrs. Dan Brunk and family in Denbigh, Va. They also called on Mr. and Mrs. Alton Conely and David of Newport News and Mr. and Mrs. Haves Barnhart, Mr. and Mrs. Ernest Miller and Mrs. James Bauman of Denbigh.

C. Farmer of Albany, Georgia, and on Monday they were luncheon guests of Mr. and Mrs. Sylvester Dille and John Dille at Laurel Hill, Florida. (John was a neighbor of the Wilhides 1943 to 1951.) The Wilhides also called on Mr. and Mrs. Alvin Coster at Lusby.

The Wilhides were supper guests of his sister, Mr. and Mrs. Francis Fry and children on August 4. (Lois returned to Detour with them for a visit.) They also called on Mr. and Mrs. Charles Navarro at their apartment, also in Baltimore. Some of the other points of interest visited were Williamsburg, Va., some traveling on the Blue Ridge Parkway, saw the play "Unto These Hills" at Cherokee, S.C.; enjoyed Silver Springs, Fla.; went in the ocean at Daytona Beach, took a boat trip into the Everglades at Fort Lauderdale, saw the water ski show at Cypress Gardens, viewed many citrus groves and 25 lakes from the tower at Lake Placid. All-in-all, a fine trip!

On August 6, Mr. and Mrs. Wilhide attended the annual Inspiration Meeting at Long Green. They also called on the Morris and Lewis Yoders at Long Green and the Gill and Yoder families at White Hall.

MARRIED

KEYSER — DINTERMAN

Trinity Lutheran Church, Taneytown, was the setting for the marriage of Miss Diana Alma Dinterman, daughter of Mr. and Mrs. Ralph A. Dinterman, Taneytown Rt. 1, Md., and Charles Brian Keyser, son of Mr. and Mrs. Charles Keyser, Boonsboro, Md., Sunday, August 7th at 3:00 P. M.

The double ring ceremony was performed by Rev. Howard Miller. Miss Hess presided at the organ and the soloist was Mrs. Betty Weber. Altar flowers were white gladioli and carnations with chancel ferns.

Given in marriage by her father, the bride wore a floor-length white linen A-line gown with a round neckline and elbow sleeves. The empire waistline was banded in re-embroidered lace with a flowing back applique trimmed in matching lace over a detachable chapel train. Her elbow

length silk veil fell from a crown of matching re-embroidered lace with sequins. The bride carried her mother's white Bible with an arrangement of stephanotis and a detachable orchid corsage.

Miss Joan Dinterman, sister of the bride, was the maid of honor. She wore a floor-length pink gown of organza styled in a low scooped neckline, sleeveless bodice trimmed in re-embroidered lace featuring a large satin bow at the waistline back which swept into an applicant. Her headpiece was topped with a flower and a face length veil. She carried a bouquet of white roses. The bridesmaids, Miss Belva Dinterman, Thurmont, and Mrs. Carol Ann Hoffman, Taneytown, wore orchid pink chiffon over organza floor-length gowns accented with a satin bow at the waist with elbow sleeves and round neckline. Their veils and bouquet of flowers were like those of the honor attendant.

Mr. Paul Corderman, Hagerstown, was the best man. The ushers were Mr. Henry Rutledge and Mr. William Horst, Jr., both of Hagerstown.

The bride's mother wore a powder blue dachon voile dress with white lace and embroidery trim and wore an orchid corsage. The groom's mother wore a two-piece navy blue knit dress with white trim and she also wore an orchid corsage.

Following a reception in the church school auditorium, the couple left for a wedding trip to Niagara Falls. The bride wore a pink woven suit with white accessories and the corsage lifted from the Bible.

The bride is a 1963 graduate of Taneytown H.S. and a 1966 graduate of Washington County Hospital School of Nursing, Hagerstown. Mrs. Keyser will join the nursing staff of Washington County Hospital the last week of August. The bridegroom is a 1962 graduate of North Hagerstown H.S. and is employed by Corderman's Hardware, Hagerstown. The couple will reside at 333 North Main St., Boonsboro, Maryland.

TIGERS BOW TO METS, 9-6

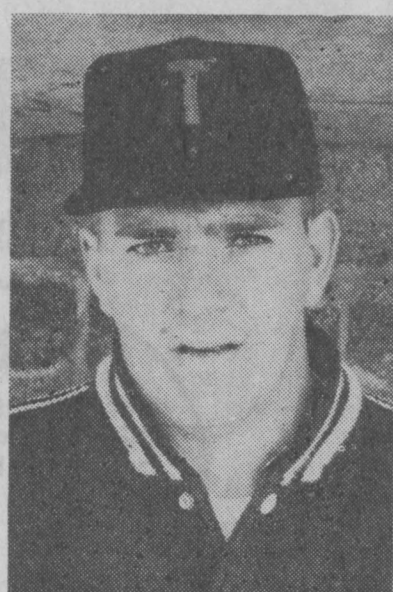

Taneytown Out-hits Mummaburg; Fogle Plays Second

The Taneytown Tigers out-hit the Mummaburg Mets but the host nine got all the runs they needed for a 9-6 victory Sunday at Mummaburg Athletic Field.

Stars of the Game

Neal Hoffman

Arvin Bollinger

Tiger starter Art Caple was lifted in the third when his arm stiffened and Brett Flegle made the eventual losing hurler. Art left with a 4-0 deficit, but the Tigers rallied for six runs and Brett took his fourth loss against a single victory.

Trailing 7-0 in the fifth, Jimmy Myers, who was safe on a fielder's choice, advanced to third and scampered home on Neal Hoffman's safety for the first Tiger tally.

The local nine added two more in the sixth on an RBI single by Art Caple and a bases loaded walk to Jimmy Myers.

In the eighth, Art Caple and Bob Fogle scored on an error and a sacrifice fly by Jimmy Myers. The Tigers wrapped up their scoring in the last frame when Skinny Bollinger scampered home on a fielder's choice.

Manager Bob Fogle was pressed into service at second base when the Tigers had insufficient men show up for the game. The only extra base hit belonged to Arvin Bollinger, who banded out a two-bagger.

LITTLE LEAGUE NEWS

Senators Beat Mets

Tom Morrisons Senators were a very happy group of young baseball players on Monday evening; they had just beat the Mets for the Little League championship.

The pitching by Tommy Morrison and the defensive play by his team mates won them the championship by the score of 8 to 2.

Bud Wetzel's Mets played a fine game but were not able to cause any great threat after the first inning. It was the type of game you would expect to see in a championship. The first inning, both teams scored. But until the fifth it was anyone's ball game. There were no more runs scored until that inning. Tom's Senators scored two in the fifth and three in the sixth.

Each of the Senators will receive a trophy.

The Lions Club, sponsors of the Little League, is very proud of the League. The Lions Club this year will have the teams picture on the club's annual Birthday Calendar.

Subtle Killers

Lesson For August 14, 1966

Background Scripture: Exodus 20:13, Leviticus 19:17, 18; Proverbs 25:21, 22; Matthew 5:21-24, 43, 44; 1 John 3:15-18; 4:20-21.
Devotional Reading: 1 John 4:19-21.

Two friends of Pogo, the comic-strip swamp possum, gleefully announced one day: "We're filled with loathing!" "How come you look so happy then?" Pogo wanted to know. "We're always happy when we're filled with loathing!" they chirped.

Most of us know a few people who seem to be happiest when they are filled with loathing, resentment, or plain ill humor. This, it seems, is the way they like

Rev. Althouse it. Unpleasantness has become for them a way of life.

Sometime ago, while making calls in a local hospital, I saw a middle-aged woman emerge from the "Intensive Care" unit and overheard her announce to a group of waiting relatives: "Dad's feeling better — he's started to complain!"

Could that be said of you? Are you among those whose pleasant moments are so few that they can individually be remembered by those around you? Are you a walking catalogue of complaints, grudges, and discontentments? Are you sure?

The Sin Within

In the sixth commandment God has declared: "You shall not kill." This commandment often has a comforting effect because most of us know full well we have not broken it nor are we likely to. Jesus, however, did not intend to let us off that easily. According to his understanding of God's purpose, it is not only the murderous act that kills, but also the hateful thought or the vindictive attitude, the deep "inside" currents of feeling and emotion. "But I say to

you that every one who is angry with his brother shall be liable to judgment" (Matthew 5:22 RSV).

One doesn't have to cut his neighbor's throat to violate God's purpose for interpersonal relationships. There are many ways of injuring our neighbors, ways that fall short of murder but still bring us into God's judgment. They work slowly but surely to destroy us from within. They are the subtle killers.

When a person indulges himself in hating his neighbor, he hurts himself as well as the person he hates. His resentment becomes an insurmountable barrier between himself and God. Thus, a man coming to worship may find that he cannot truly do so until he has first been reconciled with his neighbor.

Poisonous Grudge

Many medical doctors today believe that bitterness and anger affect the body like destructive poisons. Many sicknesses and afflictions are closely related to unresolved anger and resentment. A woman was diagnosed as having an "incurable" disease. Fervently she prayed to God, asking him to heal her, but her condition got steadily worse.

One day in speaking to a friend it became evident that she was nursing a deep grudge against another person who had wronged her. Encouraged to let God's love heal this bitterness, she let go of the grudge with a deep feeling of relief. As she did an amazing thing happened: her body began getting stronger. In time she was completely healed of her "incurable" disease. Her resentment had contributed the major share of her illness and had shut her off from God's healing power.

"You shall not kill," says the sixth commandment, "Do not hate," says Jesus, further developing the meaning of this commandment. Yet there is more to it than what a person is not supposed to do. There is also something that a person is supposed to do: "Love your enemies, and pray for those who persecute you." There must be something positive to fill the void left by the subtle killers.

And how far does he expect us to go with this forgiving love for enemies? No less far than he went: to the cross, if need be.

FAIRVIEW

7:10 Tuesday morning and how much it looks like it will rain, and oh, how much we need it. We were so thankful for the showers received last week. Last Thursday we had quite an experience as how dry it really is—when a tractor pulling two loads of straw caught fire, presumably a spark from the tractor. The young man, a Mr. Shipley was driving the tractor and in looking back before making the turn at the crossroads of Trevanion and Clear View, discovered his wagons on fire. His main thought was getting the wagons away from the buildings at the crossroads. The little son of Mr. and Mrs. Arnold Weeks, who was with Mr. Shipley, informed Mrs. Levi Frock of the fire and to call the fire company which was done at once. The Taneytown Fire Co. responded quickly and that of Union Bridge; also, I believe New Windsor. No one was hurt. No damage to the tractor, but considerable damage was done to the wagons and the complete loss of all the straw. It had gained considerable headway in burning the field of Mr. Elwood Myers before the fire companies arrived—over an acre of ground had been burned. With the fire burning so rapidly it made us think of God's word in Luke 12:49, "I am come to send fire on the earth; and what will I, if it be already started;" also, in Isa. 66:15-16 says, "the Lord will come with fire; also, He will plead with all flesh with fire." These fires that have been happening while so dry, with water so scarce, could very well be a warning. Let us take heed before it's too late. Our vote of thanks to Mr. Shipley and the little Weeks' boy—they both deserve a lot of credit.

Mr. and Mrs. Claude Selby of Taneytown entertained in their home over the week-end, Darrell and Donald David.

FROCK REUNION

The 4th annual reunion of the descendants of Samuel, John Albert and Reuben Frock, met at the Taneytown Memorial Park on Sunday, August 7th, with 80 some present. A basket lunch was served at one o'clock. After lunch Mr. and Mrs. Harry Glatfella of York, Pa. had charge of the entertainment. The children played games and the winners received prizes; they also had quite a few interesting items for the adults—to test their thinking ability. The winners of these also received gifts. Prizes were awarded to those coming the longest distance, most recently married, largest family, youngest child, longest married, and the oldest person present.

A meeting was held for selecting new officers for the coming year—president, Vernon Frock; vice president, Levi Frock; secretary, Mrs. Jill Frock Eyler; treas., Mrs. Mary Frock Carl; other officers were retained for another year.

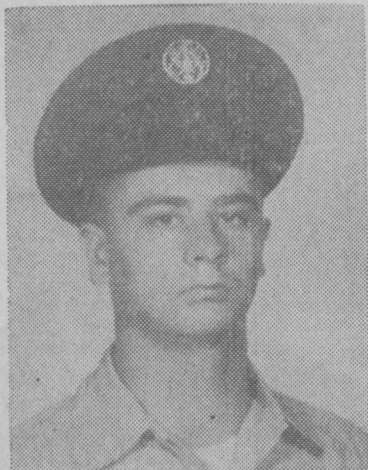

After the meeting we were entertained with accordion music by Scott and Brian Glatfella, which was enjoyed by all. Around five o'clock ice cream and cake was served to all present, and two birthday cakes were presented to Richard Givens and Charles Frock, whose birthdays were August 7, and both the same age. At a late hour in the evening all departed hoping to see every one next year at the same place and time which had previously been voted on.
