GETTYSBURG, Pa., Oct. 28, 1886.—I earnestly recommend the "Black Pill." Have often suffered from indigestion but found a speedy relief by their use. They produce no pain, leave no bad results and thus take away the horror I used to have for pills in general. Rev. Jos. A. Boll, Pastor St. Xavier's Catholic Church.

A BABY show will be one of the many interesting features of the Morgan's Grove Exhibition to be held near Shepherdstown, W. Va., September 13, 14 and 15.—Transcript.

### Dyspepsia.

Makes the lives of many people miserable, and often leads to self-destruction. We know of no remedy for dyspepsia more successful than Hood's Sarsaparilla. It acts gently, yet surely and efficiently, tones the stomach and other organs, removes the faint feeling, creates a good appetite, cures headache, and refreshes the burdened mind. Give Hood's Sarsaparilla a fair trial. It will do you good.

### From the Herald and Torch Light.

While digging for the foundation of a new dwelling near Chevsille, the workmen unearthed thirty-six twelve-pound cannon balls several feet below the surface of the ground and surrounded by a stone wall. It is supposed that they are relics of the Revolutionary struggle.

Jacob Johns, a workman at the Cave-town lime-kilns, jumped from a car on a siding to the main track as a passenger train was passing. The cow-catcher struck him, threw him from the track and, although badly bruised and cut, he escaped without serious injuries.

Sparks from a passing Western Maryland railroad engine a few days ago destroyed one hundred and fifty dollars worth of hay and fencing for Jacob Eckstine, who lives along the railroad about midway between Hagerstown and Williamsport.

### Items from Frederick City.

FREDERICK, Md., Aug. 16, 1887.—I seek to avail myself of the opportunity to inform the many readers of the CHRONICLE what is going on down here in old Frederick. Very little at this time is at a stand still, our city to be done except the everyday routine duty of those that are fortunate enough to have employment.

Why, large factories or even small ones could not do as good business here as elsewhere is something that cannot be explained satisfactorily. Frederick is very pleasantly situated with the beautiful Catoctin mountains on the west and the high towering hills of the Blue Ridge on the east, and always the pure mountain air sweeping over the beautiful little city.

Our city at this time has its full quota of summer visitors, among which are many pretty girls. Five members of the Frederick Rifle-then since their return from the Hagerstown encampment of the State Militia have been requested by Capt. Decker to join in their uniforms as they have not proven themselves worthy of them.

The new Frederick City Young Men's Christian Association rooms, were formally opened with a reception of welcome on Thursday evening of last week. They are in the Etchison building on Market street, below Patrick, occupying the second, third and fourth floors. An extensive programme was arranged comprising singing, speaking, recitations, &c. Wm. H. Brady, of Baltimore city has been selected as General Secretary. The rooms are open for the public from 9 a. m., until 10 p. m.

The emancipation celebration by the colored citizens of this city and county, was held here last Thursday. There was not such a demonstration as was customary in former years, which evidently goes to prove that they are losing interest in the event.

Mr. Perry B. McCleery, a highly respected citizen, residing on North Market street, died on Thursday evening last, in the 65th year of his age. At the time of his death, Mr. McCleery was Cashier of the Frederick County National Bank.

The colored State Militia is now encamping on the Fair grounds, near this city. The number of men in each company is as follows: Alleghany County Guards, Capt. Fred. Burge, 48 men; Baltimore Rifles, Capt. Matthews, 26 men; Monumental Guards, Capt. Spencer, 42 men; total 126 men. There are about 60 tents pitched to accommodate them. Camp will break up this coming Wednesday.

Reynold's Post, G. A. R., will hold their annual camp fire at Pen-Mar, on Tuesday the 23d inst. The sons of Veterans of Antietam Post will participate with them. Abner Campbell a well-known gentleman of this city, who for some time has acted rather strangely, was on Saturday last adjudged insane by a jury, and was taken to the Maryland Hospital at Catonsville, Baltimore county, Md., where he will be treated.

On Sunday morning last, Mrs. Elizabeth Young, residing on East Patrick street, this city, while walking along the B. & O. Railroad, a few miles south of town, was struck by a west-bound mail train, which came near costing her the loss of her life. She was immediately taken to her relatives home, where she was visiting and surgical aid summoned. On Monday she was brought to this city and taken to her home. Her injuries consist of a bruised face and a cut upon her right arm. COL. BLAW.

Give them a Chance. That is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air-passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well. Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.

THE Festival held by the Mt. St. Mary's Benevolent Association in Mrs. Cretin's Grove, near Mt. St. Mary's College was continued on Monday and Tuesday evenings of last week, and was very successful, the gross receipts being \$322.12, and the expenses \$156.69, leaving the snug little sum of \$165.43 clear for the Association.

### Death of Mr. Isaac Hyder.

In the death of Mr. Isaac Hyder, this community has met with a loss which can only be realized when we fully awake to the consciousness that one of our best citizens, one whose influence has always been used to promote the welfare of the town, has been removed forever from our midst. An honest man, a good citizen, an earnest christian, modest and retiring, but always ready to act on the side of right and duty, can ill be spared from any community, and the citizens of Emmitsburg will miss him in all their efforts for the advancement of the town.

Mr. Hyder was a native of Johnsville, this county, took up his residence in Emmitsburg about 25 years ago, engaging in mercantile business, which he conducted up to the time of his death.

Trust worthy and reliable in his dealings, conscientious in the discharge of his christian duties, quiet and retiring in his habits, a good neighbor, a devoted husband and father, he obtained the respect and regard of all who knew him.

He leaves a widow and four children, three of whom are married, and all have been living in distant places for some years. The sympathies of many friends are particularly called forth toward the bereaved widow, who for years has occupied the home-stand whence her children had gone forth into the world, with no other companion than her devoted husband. To her home will indeed be desolate, but the memory of him who shared her joys and sorrows for so many years will always be bright around her, and the heavenly world seem nearer to her now that he has gone before her to its peaceful rest.

The funeral services were held in the Lutheran Church of Emmitsburg, of which the deceased was a prominent member, and for some years served as deacon, and were conducted by the pastor Rev. E. S. Johnston, assisted by Rev. Dr. Kuhns, of Westminster.

The organization of Red Men to which Mr. Hyder belonged attended the funeral in the regalia of the order. Messrs. Jno. F. Adelsberger, Geo. T. Gelwick, R. E. Hockensmith, E. C. Wenschhoff, G. G. Byers, J. H. T. Webb, G. L. Gilman, C. S. Zeck, acting as pall-bearers, and after the religious services at the grave, the members of the order paid the tributes of respect which is usual at the burial of a comrade, with E. C. Pearson, as Marshal; Jacob S. Gelwick, Chaplain; and W. L. Morrison, Sachem.

The funeral was very largely attended, a great number of friends and relatives of the family from neighboring towns being present, and the large church was completely filled.

### Resolutions of Respect.

At a meeting of Massesot Tribe No. 41, Imp'd O. R. M., the following resolutions were adopted on the death of Bro. Isaac Hyder:

Resolved, That in the death of our beloved brother we but feebly express the cordial sympathy and sorrow which pervades the entire order in this bereavement, and whilst we bow in humble submission to the will of the Great Spirit above, who doeth all things well, yet as a band of brothers, bound together by the strongest ties of filial affection and tenderness, we feel an aching void at his departure, which time alone can but faintly fill. Side by side with our late brother we have journeyed together in the same paths of freedom, friendship and charity. For many Great Suns we have gathered around the same Council fire as brothers, who, however, may be separated by the pursuits of the world, hope to meet at last at the same shrine, where we can again clasp hands and offer up the incense we have below. Where our hopes, our pleasures, and even our sorrows have been the same. In ordinary life the trials and struggles ceaselessly going on around us, naturally supply the places which the spoiler has made vacant, and new companions constantly arise to engage our thoughts and attention, and enlist our sympathies with well, it is otherwise. We the children of the Forest endeavor at all times to make the paths of our brothers and those depending upon them pleasant, and are ever ready to assist the fallen in our midst.

Resolved, That we herewith tender to his bereaved widow and orphan children our warmest sympathy in the hour of their great affliction, and commend to them the promise of Holy Writ, that God will be a husband to the widow and a father to the fatherless.

Resolved, That as a further evidence of our respect that our charter be draped in mourning for thirty days and that these resolutions be published in the Emmitsburg Chronicle, and a copy of the same sent to the family of the deceased brother.

R. E. HOCKENSMITH, JOHN F. ADELSBERGER, GEORGE T. GELWICK, Committee on Resolutions.

On Tuesday afternoon a large portion of the north wall of L. H. Rohrer's steam flouring mills, at Cumberland, gave way and fell outwardly with a crash that startled every one. The employees of the mill dashed out of the door thinking the whole fabric was coming down about their ears. No one was hurt.—Cumberland Times.

### List of Letters.

The following letters remain in the Post Office, Emmitsburg, Md., Aug. 15, 1887. Persons calling will please say advertised, otherwise they may not receive them:

Joseph Elime, W. Etlesberger, Julia McPherson, Miss Julia McPherson, Mrs. M. K. Lueneys.

### Physicians Have Found Out

That a contaminating and foreign element in the blood, developed by indigestion, is the cause of rheumatism. This settles upon the sensitive subcutaneous covering of the muscles and ligaments of the joints, causing constant and shifting pain, and aggregating as a calcareous, chalky deposit which produces stiffness and distortion of the joints. No fact which experience has demonstrated in regard to Hostetter's Stomach Bitters has stronger evidence to support than this, namely, that this medicine of comprehensive use checks the formidable and atrocious disease, nor is it less positively established that it is preferable to the poisons often used to arrest it, since the medicine contains only salutary ingredients. It is also a signal remedy for malarial fevers, constipation, dyspepsia, kidney and bladder ailments, debility and other disorders. See that you get the genuine.

### BLACK PILLS dispel melancholy.

The Hanover Spectator says, the "Hollies" or "Bohemian oaks" that was sown in that neighborhood last spring and cut week before last, proves to be as big a humbug, as far as the value of the oaks is concerned, as the agent's contract will be—plenty of straw and chaff, but very few grains, and those of inferior quality.

### Primary Meeting.

The Republicans of this district held a primary meeting at the Western Maryland Hotel, on last Saturday afternoon. Mr. A. H. Maxell being called to the chair, and Mr. A. A. Annan having been elected Secretary, the following gentlemen were elected delegates to attend the County Convention to be held in Frederick on Saturday, August 20, 1887. Mr. O. A. Horner, Wm. Fuss, W. S. Guthrie, A. A. Annan, H. F. Maxell, Geo. L. Gilman, Singleton Dorsey, E. R. Zimmerman, Geo. P. Beam and E. C. Wenschhoff.

### Death of Mr. Jacob Hoke.

Mr. Jacob Hoke died at his residence near this place on Saturday evening, August 13th, 1887, aged 79 years, 4 months and 7 days. Mr. Hoke was born in York County, Pa., and was a son of the late Jacob Hoke of that county, being the only one remaining of a family of eleven children. He entered the United States service at the age of 23 and served through the Seminole war, and was mustered out at the close of that war in 1842, with the title of Colonel. More than 40 years ago he removed to this district where he was well and favorably known. He introduced improved methods of road-making many years ago, was a good citizen, and an humble, earnest faithful christian. He leaves a widow and five children. His funeral took place on Monday afternoon at 2 o'clock from the Reformed Church, of which he was an earnest, consistent member, the pastor, Rev. U. H. Heilmann officiating, the interment being in Mountain View Cemetery.

BLACK PILLS remove costiveness.

HON. JOSIAH H. GORDON of Cumberland died suddenly in that city on Saturday evening, Aug. 13, of apoplexy. He was one of Cumberland's most honored and prominent citizens, and his loss is one that will be long felt, in public as well as in the social circle.

### List of Patents.

The following patents were granted to citizens of Maryland, bearing date Aug. 9, '87 reported expressly for this paper by Louis Bagger & Co., Mechanical Experts and Solicitors of Patents, Washington, D. C. Advice Free.

W. O. Crain, Baltimore, button-attaching machine.

R. M. Reilly, Baltimore, pipe-joint.

C. W. Rogers, Baltimore, harness-saddle pad.

If it would not seem impertinent on our part, we should like to call the attention of our town authorities to the importance of a timely investigation into the sanitary condition of the town. At this season, when vegetation is beginning to decay, and the system already relaxed by the long period of extreme heat, is so liable to be injuriously affected by the sudden changes, the cool damp nights and sultry days, neglect or carelessness on the part of even a few of our citizens to keep their premises and surroundings free from refuse or garbage of any kind, likely to give rise to unhealthy odors, or to keep their waste drains clean and unobstructed; fever, malaria, dysentery or the like, might readily become epidemic; for such diseases, once started in a community are not easily checked unless the strictest sanitary regulations are enforced. The old adage, that "an ounce of prevention is worth a pound of cure," is particularly applicable in a time like this.

### From the Hanover Citizen.

The Hanover and Littlestown Turnpike Co., have received their charter. Capital stock, \$30,000.

A man named Charles Nold was run over and killed by the cars at York one day last week while drunk. His head was completely severed from his body.

John Witmer, a resident of Red Lion, this county, and a brakeman on the Peach-bottom railway, was killed at Muddy Creek Forks, Wednesday morning about 11 o'clock. While in the act of applying the brakes when nearing the above station the chain broke and he was thrown upon the track, the car passing over his body, which was horribly mangled.

While Daniel Stine, butcher, of this place, was peddling meat Friday morning he attempted to drive across the track of the B. and O. R. R., about a mile below town, and his wagon was struck by the early train to Baltimore and completely demolished. The horse escaped uninjured, but Mr. Stine was thrown some distance against a fence by which his nose was completely split lengthwise, his head severely cut in several places, and his left side more or less injured.

### From the Frederick Union.

Mr. John H. Cutshall, for the past seven years clerk in the tax collectors office, under Collectors Rutzahn and Padgett, has accepted a clerical position in the store of Mr. J. M. Newman, at Woodsboro'. Mr. Cutshall is an affable gentleman, and during his residence in Frederick made many warm friends who much regret his return to his old home.

The question of increasing the water supply of Frederick has been considered for some time by the city aldermen, and on last Wednesday morning, at their request, Mr. Robert K. Martin, chief engineer of the Baltimore water department, visited Frederick, and made an examination, to ascertain the best way by which to increase our supply of water. Mr. Martin, in company with Mayor Bartsig, Aldermen McSherry, Eisenhauer, Phoebus and Fleming, Superintendent Chas. N. Hahn and other gentlemen, visited the receiver in the mountain and made an inspection. Engineer Martin thought there was great need for additional water and stated that the water of Fishing creek was as pure as could be obtained. His report will be laid before the board at their next meeting. It is thought the cost of securing the additional supply will be about \$35,000.

### From the Gettysburg Compiler.

Mr. F. S. Ramer has sold the "Globe Inn," on York street, to Messrs. Reed & Cobert, of Renova, at \$12,000, to have possession Nov. 15, 1887.

The new furnace at Pine Grove is to be of 400 tons weekly capacity. It is to be erected by the South Mountain Iron Company, who are the owners of the present furnace.

Rev. Hector and family, formerly of York, transferred to California Conference, are reported to have been blown up on a western steamer and all killed.

On Friday morning, as Mrs. Sarah, widow of the late Henry Mickle, of Seven Stars, was coming to town in a buggy, with Misses Lizzie and Maggie Wertz, driving a horse of well known quiet disposition, the animal suddenly took fright at a hay stack along the Springs avenue, and started to run, colliding with a buggy in front of them. Both vehicles were upset and all the occupants thrown out. Mrs. Mickle received severe bruises about the head and face and was considerably shocked.

On Wednesday afternoon Mrs. Mary Storick, wife of Mr. W. Storick, and daughter of Mr. Isaac F. Brinkerhoff, of Straban township, on the way to visit her parents with her two children in a spring wagon, met with a very serious accident. On the road one of the front wheels of the wagon came off, which started the horse to running. Mrs. S. was thrown out, one end of the iron axle striking her left ankle, fracturing both bones and dislocating the joint. Both children were thrown out from their heads, the little girl, aged about 5 years being somewhat bruised about the head and face and the little boy escaping without any hurt.

DANIEL SHIVER who lives with Mr. John S. Agnew near Bridgeport is a large eater, but on Monday last he beat his former record by eating for his dinner 32 ears of corn, the longest one being 11 inches and the shortest, 5 inches in length, the whole of them measuring 192 inches. Besides this he ate 11 big "Johnny Cakes," and drank 2 cups of coffee and 3 glasses of water. He ate a hearty supper in the evening. He says he wasn't very hungry that day, but if any body can beat that he will try again when he is hungry.

### From the Star and Sentinel.

On Monday of last week a six year old daughter of O. S. Chronister, of Hampton, fell from a bench and broke her arm.

Daniel Clever, of Southampton township, Franklin county has made an assignment. Part of his property is located in this county.

On Friday week the new dwelling house of O. S. Chronister in Hampton was entirely destroyed by fire. It is supposed to have caught from the pipe while baking.

### Home raised Bananas.

Mr. G. R. Bowman has on exhibition at his store a bunch of bananas grown by him in his hot house. Forty of the bananas on the bunch matured, the balance, several hundred, failing to reach that point. The tree was five years old, and according to its nature bears but once. The fruit, while not as fine as that grown in the tropical regions was perfect and of fine flavor. The experiment shows conclusively that bananas can be grown in Hagerstown, but it is not likely that this will become one of our pursuits.—Globe.

Mr. Chas. E. Nikirk had one of the bananas from the above named tree on exhibition Tuesday.—Boonsboro Times.

Why don't some of our enterprising citizens take steps towards forming a company to manufacture ice? The dependence upon creeks and ponds, is a precarious one at best as the supply cannot be controlled, and as the water is often quite low when the freezing time comes, or if there has been much rain and snow it is very muddy, and at the best it cannot be pure as our mountain water is, and therefore, when mixed with it for summer use, must contaminate it more or less, and thus prevent our enjoying the full benefit of the absolutely pure water supplied from our mountain reservoir. The ice manufactory at Frederick is doing a flourishing business, not only in the town itself, but supplying many places at a distance, and there is no reason why an establishment of the kind here should not be profitable to say nothing of the luxury of having our ice absolutely pure. The first cost of machinery, &c., is considerable, but not so much so, that a limited company, formed for the purpose could not readily secure the needed amount and when once in operation the cost of producing, is so small that the ice could be sold with profit at 4 or 5 cts. per pound.

BLACK PILLS relieve palpitation.
