We are sowing, ever sowing, Something good or something ill In the lives of those around us-We are planting what we will.

Not a word we say falls fruitless, Not a deed we do decays; Every thought and word and action Will be found in future days.

When perhaps the hand that sowed them

Shall itself have ceased to be, Will live on eternally.

Grant then Lord of all the harvest, That the seeds we daily sow May refresh the hearts of others, Spreading blessings as they grow.

May each thought and word and action Be the growth of Christian love, To be found in coming ages In the garner-house above!
