with a definite noun. Her heart beat even as a mother would fold its wings for your kindness to her father."

Castoria is Dr. Samuel Pitcher's prescription for Infants and Children. It contains neither Opium, Morphine nor other Narcotic substance. It is a harmless substitute for Paregoric, Drops, Soothing Syrups, and Castor Oil. It is Pleasant. Its guarantee is thirty years' use by Millions of Mothers. Castoria destroys Worms and allays feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhœa and Wind Colic. Castoria relieves teething troubles, cures constipation and flatulency. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep. Castoria is the Children's Panacea-the Mother's Friend.

Castoria.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD, Lowell, Mass.

" Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves.'

DR. J. F. KINCHELOE, Conway, Ark. | ALLEN C. SMITH, Pres.,

Is the place to go and get your FALL AND WINTER GOODS cheap, and have the largest assortment to select from in town.

THE SECRET OF THE EBONY BOX.

"TN MY time," said Colonel Le- many queer questions. His country a mule, combined with the strength blond, "the superiors of St.

Cyr were very strict in regard to leave of absence; so much so, that a general at St. Cyr sent word for me to come to his office, and told me that I was allowed a week to visit my family I was certain that some great sorrow was before me. My family consisted Fred was not there to hear; but of my mother and some cousins of grandpa would say: "Wait and see." remote degree; for I had, alas! lost in a short interva! lost my father and a lovely little sister only twelve years old. Overcoming the bashfulness which the cold and brusque manner ows and woods to search for it. None of the general invariably produced, I asked :"

"General, is my mother dangerously ill?-perhaps she is dead ?"

"No," said the commanding officer, taking both my hands within his own and pressing them warmly, (for his heart was kind)-"no, it is not so bad | Jean with gentian flowers, the twins as that; at least, I hope not. Your with an armful of snake grass; but fac ion, rises at once without perceivmother is ill and asks for you. See, she has written with her own hand." and he passed the letter, in which I recognized my mother's writing, alhave been traced with a nervous feeble the minute I saw it." hand.

"General," she wrote, "I am very ill and desire to see my son; refuse me not this consolation, I entreat you."

"Two days later I was in Marseilles, and at my mother's bedside. She had just received the last Sacraments, and all the circumstances indicated that she had not more than a few hours to live, After having embraced me long and fondly, she told me, in a weak voice, that I must be resigned to God's holy will; that my father and a moment that end of the shed chamsister, with her, would always love me and pray for me in Heaven, and she added : 'My dear George, I think that you are resolved to be a good man and a faithful Christian all through life; is it not so?' "

" Of course I do,' I answered, while I sobbed aloud; 'I promise you I will.' Then I went to take a little repose, leaving a Sister of Bon Secours by the was all out when the boys came puffbedside; but the latter soon recalled ing upstairs with pales of water. me, for my mother was dying. Her eyes were misty, her breathing short; she made a sign to the good religous, who went to the mantle-piece and brought her a little abony box, incrusted with silver. 'George,' said water.'' my mother, 'take this coffret, and premise me solemnly not to open it until you are thirty years old.'

" 'I promise it religiously, my darrevered hand, which traced a cross with everything that would easi y to the nations of the East, who can march to play. on my brow. She yielded her last catch fire. Water would have spread use no other beast of burden. He is on my brow. She yielded her last sigh in perfect serenity, while kissing the crucifix that the Sister and I held the flames and burned the house." "City boys do know a whole lot," Jack whispered to Jean, sliding down

Fred is a city boy. He never was in the country until last year. He spent

the summer vacation at his Grandpa Stone's farm-home. The great out-of-doors was all new and very strange to him. He asked

consins thought many of them were of an elephant. A camel is one of foolish questions.

He asked if the birch trees by the student could not obtain a permission spring shed their skins every year; if for even one day without the most a muskrat could climb as high as a serious reasons. Hence when the squirrel; and he really did believe some cows gave skim milk, and that beans grew underground.

'A city boy does not know much,' his cousins said to one another when Grandma wanted some skullcap herb one day. Skullcap tea she must have for a very sick neighbor.

She sent the children into the meadof them knew the herb, or how or where it grew. "A littled blue flower with a peaked green leaf," was all that grandma could tell them of the herb.

Jack came home with a big bunch of lobelia, Lucy with water weeds Fred came with his hands full of ing that the parcels meanwhile have skullcap herb.

"I found it down in the south swamp, grandma," he said. "I had though the characters appeared to the minute L amplit "

'He does know something," the cousins whispered; and grandpa said: "I told you to wait and see."

One evening grandma took a lighted lamp and went into the shed chamber for another cheese hoop.

Jack and Jean and Fred went with her.

She stepped on a loose board; it tipped, and the lamp flew from grand ma's hand. The oil spilt and caught fire, and in

ber was all ablaze.

Grandma screamed for water, and grandpa and the boys ran for it to dash on the flames; but Fred shouted: 'Don't! don't! don't!"

He caught a shovel from the floor, scooped it into a barrel of meal, and dislike individuals of their own spethrew shovelful af er shovelful of the cies; they dislike both men and wodamp stuff onto the flames. The fire men; they dislike all other animals,

"Don't! don't throw water on oil flames, for it spreads the fire," Fred said. "Our teacher told us about it. where they are surrounded by those Dash on flour, meal, salt, earth, dress-

CONCERNING CAMELS. Camels are not like horses. If a horse does not want to do anything

we make him. If a camel does not want to do anything he leaves it undone. No amount of coaxing, no amount of cruelty will make him budge. He has the determination of

those aggravating brutes which will drive a hot-tempered man to distraction. Nothing will persuade him to listen to reason. He will oppose your will with a passive resistance that is absolutely unconquerable. The only way to treat a camel is to humor if you cannot humbug him. They will often lie down, if you load them with the proverbial last straw, and you might beat them to death or offer up all the pleasures of Paradise before eye at all, if they were in a hurry. I they would get up. They are pig-

headed beasts. Sometimes when they when I wanted to mend my ball. I'm have quite a light load they will turn nasty and throw themselves to the your next one, then." ground. But although they are obstinate they are not particularly cute, and an Arab' by presending to submit can generally get the better of the up, remembering that some one else stubborn beasts. The drivers will ostentatiously remove three or four packages from the load, and the ani-

mal, with an inward chuckle of satisbeen returned to their former place. As he flatters himself he has shirked some of his duty he swings away with ure, like a spoilt child at having his

own way. The camel is an unsociable beast. He is also habitually dull, ex. cept when he is sniffing the salt air of the desert. When he is treading the sands with the burning sun on his back and the boundless waste before him, he feels himself at home. The immense heat makes him bubble over with pleasure, and thrills bis frame

with sublime intoxication. It has been stated on the best authority that he can gonine days without water. And if you had ever seen a camel drink when he does get a chance of quench

ing his thirst, you would not be surprised at this. They have been known to put away seven gallors and a half at a time. This would allow three quarts a cay for ten days. Camels

nature, they will shirk a forest as long as they can. They like best to be alone on a vast, unimpeded plain,

beauties of nature which they most They have been well celled "ships of "Frel saved our house this time, the desert," because if they get

How It Felt.

Willie-Oh, Uncle Abner, I just ate a green persimmon.

Uncle Abner-And how does your mouth feel?

Willie-It feels all rippled up, just ike the map of the moon looks.
