Bold Bad Men.

About 9 o'clock on Saturday night last three unknown men having the appearance of tramps called at the home of Mr. Ezra L. Cramer, who resides near Montevue, a short distance west of Frederick, and made an effort to gain admittance to the house. Their presence was soon discovered by a member of the family and as no one was home at the time except Mr. Cramer and the ladies of the household, Mr. Cramer hoisted the window and asked the intruders what they wanted. The men insisted on seeing Mr. Cramer, but as the latter surmised their motive of robbery, he did not go out. In the meantime one of the ladies rang the farm dinner bell for assistance, which together with several shots fired by Mr. Cramer, had the effect of frightening away the unwelcome visitors. There is no clue as to who the men are, but it is supposed that they were tramps and their object was robbery.

Gettysburg Trolley Road Sold.

The Gettysburg Electric Railway has been sold by the projector, E. M. Hoffer, to J. Luttrell Murphy, of Chicago, and Walter B. Kendall and John S. Connelly, of Philadelphia. The contract of sale was recorded in court at Gettysburg, Wednesday. Hoffer is to deliver \$175,000 in bonds and all the outstanding stock and interest in subscriptions of the railway, all the stock of the heat, light and power company, aggregating \$25,000, and the power-house, machinery, line, franchises and all its belongings. For this he gets \$200,000 in cash and \$50,000 of bonds. Hoffer agrees to pay off all the indebtedness of the two companies, except the mortgages of \$250,000 to rebuild the power-house, and pay for all legal services engaged in the present litigation. The purchasers agree to build, equip and operate the projected line of four miles around the first day's field, and a line of twelve miles from Gettysburg to the Maryland-Pennsylvania line.

This is a section of the projected line from Baltimore to Gettysburg. The purchasers are to have the privilege of issuing stock and bonds at a rate not exceeding twenty thousand a mile. Possession is to be given by the first of March.

It is not known what steps the battle-field commissioners will take to prevent the road from getting over the first day's field, the line of which has not been secured.—American.

SUICIDE AT MONTEVUE HOSPITAL.

FREDERICK, Jan. 16.—Mrs. Jennie Sigler, who has been quite sick for the past two weeks, we are happy to report, is able to be about again.

Our townsman, Mr. Wm. Heird, has been quite successful in the chicken business, and it is a pretty sight to behold the peeps in the brooder, so busy and so lively. Notwithstanding the severe cold weather, out of 160 eggs there were over a hundred hatched, yet Mr. H. says with more carefulness on his part there would have been very few lost. Yet this yield was very encouraging for the first attempt.

Although very cold weather Sunday night, our village church was well filled and a very appreciative audience in attendance at the Mite meeting of the Lutheran congregation. An instructive literary and musical programme was rendered. All returned home, well repaid for any effort made in facing the cold weather.

There will be communion services by Rev. J. H. Barb, January 27th, 10 a. m. Preparatory service on Saturday previous at 2 p. m. And if the weather is favorable, the week previous, there will be delivered a series of illustrated sermons, commencing on Monday evening, January 21st.

The ice harvest has been stored away. Our farmers availed themselves of the opportunity and never secured a more abundant supply.

Last Wednesday, Mr. George Miller, of Rocky Ridge, walked east to the Monocacy river for the purpose of seeing the ice moving on the water. In passing through the farm of Mrs. Valentine he observed peculiar tracks and followed them to a den extending into the ground, and supposing he had a coon stored, returned home for steel traps, &c. After returning and getting a trap into the den—digging out several feet of earth, &c.—he discovered that there were two animals to be contended with, and being alone he could not bag them alive. He returned to town not knowing what they were. He was soon informed that they were wild hogs, and as fine a pair as were ever seen here, weighing 20 pounds apiece after being dressed. To secure them alive would have been an easy task if Mr. M. had not been alone.

Died at his home in Lewistown, Wednesday, Jan. 9, Mr. James J. Powell, aged 63 years, 10 months and 12 days. Interment at Utica, Friday, at 10 a. m. Revs. Asper, Todd and Reville, were the ministers in attendance. He leaves a widow and six children to lament his loss. Mr. Powell followed luckstering for the past forty years, and death was due to the general wearing out of the system. Mr. Powell was an uncle of our fellow citizen, Mr. John Late.

Another Letter From Rocky Ridge.

Now that the holiday season is over, affairs in general have resumed the usual quiet, consequent upon the dull times. We have had splendid sleighing, which was greatly enjoyed by many. Teams single, teams tandem, and the four-in-hand with its merry party of "young people."

The missionary society of Mt. Tabor Reformed Church will give an entertainment Saturday next at 7 p. m., having been postponed from a previous date on account of inclement weather.

The King's Daughters Society, lately organized within the above congregation, is doing good work. We wish them success.

Rev. Geo. A. Whitmore enters upon the seventh year of his pastorate here. We appreciate his untiring efforts and earnest work as a pastor.

Your correspondent and many others of this place, was astounded on reading last week's edition of the *Catoctin Clarion*, to see that exceptions had been taken to a true and bona fide statement by "D. M. B." descriptive of the rendering of a programme of Christmas service in the Mt. Tabor Union Sabbath school. The advice to place a large interrogation point in parenthesis about the middle of it is simply the perfection of meanness, by one who airs through the local press all the doings of the high (7) musical talent of the element he upholds, as the standard of excellence. The writer of this has none but kindly feelings for all concerned and only upholds and reasserts the statement of "D. M. B." for the reason that he did nothing to merit the meanness thrust at him by an over eager and envious person. Another item in the same paper several weeks ago predicted utter failure for this certain programme. We suppose by the same correspondent. According to "D. M. B." this prediction was not verified except in its unqualified meanness. We suppose, in fact we know, that this party desires to stand well in the community. We would kindly advise that he reflect upon the teachings of the golden rule as to duty; to not give advice in matters he should not mix in, cease to blink, pull no wires, in spiritual affairs at least, and last but not least, quit his meanness.

A Building for Tramps Wanted.

A report was circulated in Frederick by a trio of tramps that a party of five of their comrades had been refused admittance to Montevue Hospital on Saturday night and sent out to the barn to sleep, where the cold water coming on their hands and feet were frozen. An investigation of the report proved that the men could not be taken into the hospital because it was already overcrowded, and that, while they had suffered some from the cold, they had not been frozen. Dr. Franklin B. Smith, the hospital physician, appeared before the board of county commissioners Monday and petitioned them to erect a building at the hospital for tramps exclusively, as it is improper to have them in the same building with the insane and other inmates. His petition will probably be granted.—American.

Communion services will be held in the Lutheran Church, on Sunday morning next, at 10 o'clock. Preparatory service on Saturday afternoon previous at 2 o'clock.

Dr. SIMONSON will preach in the Lutheran Church, Sunday evening, at 7 o'clock.

FAIRFIELD ITEMS.

FAIRFIELD, Jan. 15.—Mrs. Molly Groft, of Detroit, Mich., and Mrs. Mummaw, of Thurmont, and Mrs. John Butt, of Glenwood Mills, are the guests of Mr. and Mrs. F. Shulley, of this place.

Miss Gertie Kugler, of near Emmitsburg, is a visitor at this place.

Mr. Zac. Myers, of this place, is very ill at this time.

Mr. Charles Keohler, a brakeman on a freight train on the W. M. R. R., was killed on last Friday at Orrtanna. When the train left Fairfield station at 11:30, the boys were all lively, not thinking that at the next station one would be killed. It appears that he slipped and fell between the cars and was cut in two. He lived in Hanover.

There was a very pleasant gathering at the home of Mrs. John Manherz, of Fairfield, in honor of her sixty-third birthday. Her children were all present except two. Those present were Messrs. George and Jesse Manherz with their wives, from Waynesboro; Mr. and Mrs. Martin Baker, of near this place; Mr. and Mrs. Geo. Diehl, of York. They spent a very pleasant day. Mrs. Manherz was certainly agreeably surprised. The guests took with them many good things in the eating line, and the dinner was a fine affair.

Mr. M. Hartzell, of near Gettysburg, is a visitor at this place.

Miss Ida Krug, who was spending some time at her home in Hanover has returned to this place.

At one o'clock last Saturday morning Constable James P. Carter, of Freedom district, Carroll county, returned to the Carroll county jail at Westminster, Joseph Cost, who in company with Charles Wells, escaped from that institution on Sunday morning, December 16th. Constable Carter captured Cost at his home, near Oakland Mills, last Friday. Cost returned to his home Friday morning and officer Carter took three other men with him and surrounded the house. Cost had had his mustache shaved off, and it so changed in appearance that a casual acquaintance would not recognize him. He is very reticent about the movements of himself and Wells for sometime after their escape, but says that when they finally left the neighborhood of his home and started towards Pennsylvania, they took route through Pleasant Church and buggy from Mt. Pleasant Church and drove to the W. M. Railroad, near Westminster. They then abandoned the horse and vehicle, and took to the track, following it west until they reached Edgemont. Then they took the Baltimore and Cumberland Valley track and followed it to Chambersburg, and from there went to Carlisle. They separated December 31st, and Cost made his way back to his home.

Cost has been arrested three times by Constable Carter—once on a charge of stealing \$10 from P. P. Walker, once for the theft of a ten-dollar gold piece from a colored woman named Annie Johnson, and on this last occasion. He was in jail awaiting trial for stealing the gold piece when he and Wells escaped. He is supposed to be one of the men who shot Policeman Doyle at Catonsville.

A Great Battle

It is continually going on in the human system. The demon of impure blood strives to gain victory over the constitution, to ruin health, to drag victims to the grave. Hood's Sarsaparilla is the weapon with which to defend one's self, drive the desperate enemy from the field, and restore bodily health for many years.

Hood's Pills cure nausea, sickness, indigestion and biliousness. 25c.

Claim for Services.

In the removal cases from Montgomery county to Frederick county court of Leonard and Emily Hebron against the estate of Thomas H. H. H., a verdict was rendered in favor of the defendant in the case tried, and in the other a settlement was made by the payment of \$175.

The case attracted considerable attention. Leonard and Emily Hebron are colored people and worked for twenty-seven years on the farm of Thomas H. H. in Montgomery county. The suit was to recover \$100 for twenty-seven years, making \$2,700 in all, for services of the wife of Leonard Hebron, claimed to be due her by H. H. H. The court took the view that Emily Hebron had no contract with Mr. H. H. H., and that her husband received compensation for himself and wife.

Old Coupons Presented for Payment.

A discovery was made Tuesday in the office of the county commissioners at Hagerstown, which has caused a considerable sensation. Coupons of fifty cents each, for the amount of about one hundred dollars were presented for payment. The registry book showed that these coupons had all been taken up and canceled long ago, and there is much anxiety to know how they got into circulation a second time.

SEVERAL days ago policeman Ed. Freed, of Frederick, accidentally cut himself in a very painful manner, in the double edge razor. He was cutting his hair and the razor caught in his hair, which somewhat broke the force of the blow. A piece of brass on the helmet was driven into the scalp.
