NO. 21.

REPUTATION.

Some people on their families pride, Frome love their rank and station, But best of all is he who loves A splendid reputation.

Oh, blushing maid, oh, bashful youth, If you would have salvation, Remember that the road to is Is through your reputation

You may be rich, you may be great, You may have education, But what are these if you have not With them a reputation?

One may lose his dearest friend And have no food or ration, But, then, this loss is trifling to The loss of reputation

Three things to me are very dear-Wealth, title and vocation, But these are little moles beside My mountain reputation.

I like the earth, the sea, the sky, All things of God's treation, But give, oh, give me first of all
A spotless reputation.

—James H. Harrison in St. Louis Republic.

100 REWARD \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrb. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testi-

Cost of Frederick's Schools.

The annual report of the Frederick on as an extra horror, you cannot say hey presto! and thus insure the departure of those aboutinable twins. The "proper caper" when thus troubled, is to seek the aid of Hosetter's Stemach Bitters. Thereafter you will speedily digest with case and teat with appetite, and your liver will reassert its right to regularity. Not only this, you can retire without a horrible dread that the Washington monument will—in dreams—impose itself upon the pit of your stomach. If you feel premoutory symptoms of chills and fever, kidney trouble, or reaumstism, summon the Bitters to the rescue without delay, "lost a worse thing befall yon." A feeble condition of system is more speedily changed to a viscous one by this fine toric than by any other medical spent in existence. A wineglassful three times a day.

In this connection I may remark on the curious signs in English (?) composed in cheerful independence of outside help. I have seen the equivalent of the English "mangling done here" rendered "the matrousers" and "Washman, ladies only," "Clothing of woman tailor, ladies furnished in upper story," "Instracted by the French horse leech," (this adorned the door of a veterinary surgeon and referred to the tuition under which the gentleman was trained). - From the following is a translation: "Here low who courts her has his arms full Alps," by Rev. Walter Weston.

CASTORIA.

SUPERSTITIONS.

The Momentous Part They Sometimes Play

The London Truth gives the following inside view of a great historical event said to have been hitherto unpublished:

When Sir Charles Napier had conquered Mehemet Ali, he found it impossible to force or coax the wily Egyptian into signing the treaty which only would make his victory effective. He had 19 interviews with Mehemet, in force him to believe that Barnum said which the Englishman by turns argued, it all when he declared that "the Ameriflattered and threatened his antagonist, can people like to be humbugged."

England, said casually that it "was —to go off the scene without so much governed by a lucky woman." A strange as "a hand." flash passed over the pasha's counteas Napier was gone, Mehemet sent for a couple of actors, and here is the story, ideals.

An American woman would grow lish queen was crowned. Were the "You were in London when the Engomens bad or good?"

"All good." "You think that good luck is written

"I did not think upon the matter beposes is drawn from the public fountains fore, but now that you ask me I beand sold from door to door by leather lieve that it is. When she asked Allah aproned venders, who carry it in picto help her in her work, her eyes ran lill steal the girl." They had played in who saw the whole situation and kept it. Aren't you afraid you'll be late at

Early the next morning he sent for cutting only the neck and legs and Sir Charles and signed the treaty. Engfurned inside out, all the openings but | lish power and English cannon he could one being tied up securely. The natives brave, but not "the luck" written uphimself.

General Gordon's remarkable influ-The washerwomen have no faith in modern methods. They get 25 cents a degree due, it is stated, to their belief day and are satisfied. This sounds in The scene at the public washhouses is ic talisman which brought him victory.

These superstitions seem absurd to The average Mexican cook is as primilus, but they at least show that the ignow many times the use of a modern an invisible power who can give good cook stove were explained to her, it is or ill fortune at his will. The gallery used to go wild and the wrought. Should we seek to name the boys in the office would guy the life out whole house resonned with the apmost human man among those who led of me, and people would think I didn't plause, but this did not suit the villain, who believed in realism. It was his belief that a real fight would make a hit. I believe I mentioned the fact that they were friends. That was true. They were up to the moment where one, in a moup to the moment where one, in a moment of indiscretion, attempted to criticise the other. Of course everybody knows that when that occurs all friendship ceases—between actors. Of course there were coarse remarks passed, and the one who believed in realism and being an actor off and on finally folded his arms and said, "When and where?"

"Right here, if you like. It's a short job anywhere.

"You think so, eh? Well, it shall cocur in our fight scene tonight. For once

Now, by all the laws of melodrama better of the bero in a personal encounter. The gallery knew that and roundly hissed the hero for so far forgetting himself. The stage manager knew it back at the villain for keeps.

When "The Philadelphia R cord" nineteen years ago to demon grate that of morning newspapers could be made a for one cent publishers were generally great journals. Hence the compliment of ation which is now paid to it to every city of from the Atlantic coast to the Mississippi cy. Every city worth mentioning now has or more good one-cent morning dollies, gh so recently as only 19 years ago Phila-lia and 'The Record" stood alone is this cet.

News Concisely Published without the omission of any essential feature is still the BEST NEWS, notwithstanding the once prevalent tendency to pad it and stretch it out.

The Busy Man's Paper therefore, still originates, still leads, and publishes MOKE NEWS to the column than its neighbors of larger dimensions. THE DAILY AND SUNDAY

THE DAILY EDITION "The Philadelphia Record" is sent by mail for year, or 25 cents per month. The price of EVERY DAY IN THE YEAR Holidays and all, is \$4 per year, or \$5 cents per month. Address the Record Publishing Company, Record Building, Philadelphia, Pa.
