A well known Philadelphian is noted for his inability to remember faces. He has passed by his best friends on the street as though he never before had seen them. A woman of his acquaintance is equally famous for nev- this road will run as follows: er forgetting a face. She prides herself on this "gift," and she declares that the faces of every man, woman and child whom she has ever met is photographed on her memory. The absentminded man had passed her by several times, looking blankly at her.

"I wager a box of the best cigars The countenance of the second Englishman was like a blank wall, self to your recollection the next time I

The man in return wagered a box of gloves. One day the woman, going along Walnut street, felt sure she saw A party of Englishmen staying in the man. He was abreast of her and France went for a drive which extend- showed no sign of recognition. The ed beyond the Italian frontier, where woman had an umbrella with her. She

"Madam," he began in confusion. lishmen at once told the driver to stand "I beg your pardon," blushed the wo-

His Second Leg Pension. The British admiral Sir James Gordon was a humorist in his way, and it tary greatcoat, underneath which is a light, simply constructed gates that had said, "the prettier a really beautithey used to amuse themselves in leifarment called the mucetu, they travel for miles at a jog trot at four miles an inght all gates are closed, and if any might all gates are closed, and if any loss than the full woman appears."

They all nodded, and presently one ing quite evenly matched, Sir James having a cork leg and Pell one of large thing leaned over to another dear

Lottery Methods.

An English writer declares that financial "morality, imperfect as it is in our day, is superior to that of the epoch that came to an end in 1826 with the abolition of lotteries. Take a single The story is told of a French savant instance. Lord North in 1779, while returned from Egypt bringing a royal the American war of independence mummy with him, and the case was was in progress, issued 60,000 lottery opened at Marseilles. Being told that tickets, 20,000 of which were given as
