

A Paying Industry.
 Australian rabbit freezing works have reduced the hunters' pay to 8 cents for large rabbits and 2 cents for "kittens." Rabbits are very plentiful, and even at the lower prices trappers are said to be making high profits.
 Exports reach nearly \$2,000,000 annually.

North Dakota says the Christian Science Monitor, is going about the work of improving its public schools by the practical course of improving its public school teachers. To this end it is establishing county training schools for the purpose of teaching the teachers the things that it is necessary they shall know.

Well Done O'Shaughnessy.
 With his safe arrival within the American lines at Vera Cruz Nelson O'Shaughnessy concludes a mission that has been efficient and honorable in the highest degree says the New York World. As secretary of embassy in the City of Mexico, he became charge d'affaires upon the recall of Ambassador Henry Lane Wilson last July. In this capacity he has worthily represented the United States in a situation which has involved prodigious labor and considerable danger. A citizen of New York and son of a gallant officer of the army, Mr. O'Shaughnessy has earned an enthusiastic welcome in this city, and if he wishes to pursue a diplomatic career, an honorable promotion in the service.

Mineral waste in the United States is estimated by the Bureau of Mines at \$1,000,000 a day.

Egg shipments from Japanese ports to Hawaii are now arriving by every steamer, according to a Honolulu paper.

LAWS GOVERNING SUBSCRIPTIONS

Most readers of newspapers and many publishers are not familiar with the laws governing subscriptions. Here are the decisions of the United States court on the subject. They will be interesting to publishers and many will undoubtedly be glad of the opportunity to print them for the benefit of delinquent subscribers:

"Subscribers who do not give express notice to the contrary are considered as wishing to renew their subscriptions.

"If subscribers order a discontinuance of their publication the publisher may continue to send them until all dues are paid.

"If the subscriber refuses to take the periodical from the postoffice to which they are directed, he is responsible until he has settled his bill and ordered the paper discontinued.

"If subscribers move to other places without informing the publisher, and the papers are sent to the former address, the subscriber is held responsible.

"The courts have held that refusing to take periodicals from the postoffice, or removing and leaving them uncollected for is prima facie evidence of intention to defraud.

"If subscribers pay in advance they are bound to give notice at the end of the time if they do not wish to continue taking it, otherwise the subscriber is responsible until express notice with payment of all arrearage is sent to the publisher.

Rebels Protect Stars and Stripes.
 American Consul Hostetter has telegraphed to the state department that Generals Obregon and Alvarado, of the Mexican Constitutionalists, had notified their forces in the state of Sonora that any demonstrations against Americans and seditious speeches would be punished by hanging.

Firebug Confesses.
 W. H. Foglesong, a discharged member of the fire department in Peoria, Ill., has confessed to firing the ca's sheds of the Morris Cattle company last Monday, which caused a loss of \$200,000 and resulted in 1000 cattle being burned to death.
 Foglesong was discharged from the fire department two weeks ago, when it was charged he had a mania for turning in false alarms.

Published Unusual Paper.
 Carl Wedekind, publisher of one of the unusual newspapers in the world died Friday at Berlin, Germany, leaving a comfortable fortune earned by the Wedekind Korrespondenz. This newspaper appeared daily, and contained an index of all the news and special articles in the German press, each being briefly digested. Herr Wedekind conceived this idea while working on the Illinois Staats Zeitung in Chicago in the later seventies. His new paper was frequently called the Fursten Korrespondenz or Princes Correspondence because the first item invariably told of the movements of the kaiser during the previous twelve hours.

Heading Wedekind's small subscription list was Emperor William, followed by Czar Nicholas. The paper was also subscribed for by the Government and all diplomatic representatives, as giving the clearest and quickest summary of the activities of the German press. It is one of the few newspapers read regularly by the kaiser. Its price is \$60 a year.

Total Eclipse of the Sun.

The total eclipse of the sun, which is to take place on the twenty-first of August of this year, promises to be of special importance for science, and mainly for the reason that the zone affected by this phenomenon will spread over the greater part of Europe and Asia, and consequently will afford our scientists an opportunity of studying the eclipse in districts that are comparatively easy to reach and where scientific investigations can be pursued with every possible convenience. Coming from the North Atlantic Ocean, the zone of totality will reach the Norwegian coast at about one o'clock in the day; it will then pass to Sweden by way of the town of Hernösand, and then on to Russia, directly affecting Kiew and Feodisia, from where it reaches Trebizond at about four o'clock in the afternoon, and then finally terminates in Persia.

Methodist Camp Ground Fire Swept.

Thirty-eight frame cottages at Allegany Grove, a summer colony of the annual camping of the Frederick district, Baltimore Conference Methodist Episcopal Church, were burned Tuesday afternoon. The loss is \$15,000, partly covered by insurance.

A call was made on Cumberland for help and Fire Commissioner T. A. K. Hummelshime, Fire Chief Hanson Wilison and Mayor Thomas W. Koon went to the scene with several city firemen. The fire had made such headway that use of chemicals was of no avail. Bucket brigades were formed, but it was only after employing dynamite that the fire was checked.

Causes for High Cost of Living.

"We are spending more than \$25,000,000 a year for chewing gum alone. Our national tobacco habit burned approximately \$350,000,000 last year." These remarkable figures are a few of the reasons given by Representative Moore for the high cost of living, a condition which he deprecates as being unnecessary were the people to pay some attention to the ordinary demands for economy and reasonable habits of life.

Raymond Hitchcock Has Written this Ad for Us
 When I ordered my first Royal Tailored suit, I ordered it on a dare.

The suggestion that you could make a perfect fitting suit, to measure, without a try-on, amused me. It's hard enough, goodness knows, to get right-fitting clothes with a dozen try-ons. But to get a fit with no try-on at all—why, the idea seemed as visionary as a broken soap bubble!

And since you guaranteed to "make good"—or take back the suit—I just took you up in the spirit of sheer gamble.

Well—when the suit came, I found it a darling. It fitted me as though I were born in it. And more than that, it had that exclusive something, called style and individuality, that every tailor strives for—and so few achieve.

And this without a single "try-on," without any of the usual re-chalking and re-hacking. You can surely put me down as a Royal Tailored enthusiast.

Yours very truly,
 RAYMOND HITCHCOCK.

Get that "Million Dollar Look"—its the Royal Tailored Look!

And what The Royal Tailors did for Mr. Hitchcock, the world-famous comedian (who, by the way, is considered one of the best dressers in the theatrical profession) they can and WILL do for you. A Royal Tailored suit means the best in custom-work, the best in pure wool fabric, and the best style and fit at any price.

No fussy formalities—no tedious try-ons when you order a Royal Tailored suit. We take your measures, and the suit comes to you—right, the first crack out of the box.

Prices: As amazing as \$16, \$17, \$20, \$25, \$30 & \$35

ACROSS THE LINE

The commencement of the Gettysburg High School will be held on May 29th in Walter's Theatre. The baccalaureate sermon will be preached to the Senior Class in College Church, by the pastor, Rev. A. E. Wagner, on May 24th.

G. W. Weaver, of the Dry Goods firm of G. W. Weaver & Son, received the congratulations of his many friends upon the celebration of his eighty-second birthday on April 19.

The Commonwealth of Massachusetts declined to make an appropriation of \$50,000, as requested by the Massachusetts Soldier Committee, to erect a Memorial to the soldiers upon the battlefield of Gettysburg.

Easter Monday morning Postmaster L. M. Alleman gave his annual Easter treat to the children of Littlestown, which has been his custom for many years. Long before the time appointed the little folks came from all parts of the town and formed in line in front of Mr. Alleman's residence, anxiously awaiting the distribution of the gift bags, which always are generously filled with chocolate eggs, rabbits, etc. It is a happy event for the children and none the less enjoyed by Mr. Alleman.

An improvement that will add considerably to the appearance of that end of town is being made to the George Schaeffer property on North Washington Street. The property was recently purchased by the Gettysburg Ice and Storage Company, which has had the fences removed, the vacant lot graded and on this have planted shrubbery. A fine driveway now leads to the plant by way of this piece of ground and the Company in this acquisition has made a needed and advantageous addition to its plant.

David Kane, the young son of Mr. and Mrs. Herman Kane, of Gettysburg, has been brought home from the Baltimore hospital, where his sight was restored by the grafting of the corner of a pig's eye on his own eye. The operation is apparently a success and the child is getting along nicely.

In order to bring to terms the students of Gettysburg College who may participate in hazing expeditions the upper classmen have decided to take disciplinary measures into their own hands and hope by this means to prevent further trouble. Following the recent Freshman banquet several of the class were subjected to indignities by persons who have not yet been brought to justice.
