"We hold these truths to be selfevident:---that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are Life, Liberty and the Pursuit of Happiness."

From the Declaration of Independence, July 4, 1776.

THE right of Personal Freedom is the foundation of our system of government. Surrender one iota of your Liberty and it will be attacked with impunity.

Once permit the conscience of another to be imposed upon you as to what you drink---the next step it will be imposed upon you with respect to what you eat---what you smoke---what you wear---what you read---what your amusement shall be---what Church you attend---what God you worship.

America was settled by men who sought its shores in order to escape just such tyrannies. They believed—and American people believe today—that no man is either wise enough or good enough to impose his conscience upon another.

Prohibition is the attempt of one citizen to impose his moral judgment upon his neighbor. It is a direct attack upon your Liberty—the Personal Liberty that is guaranteed to you by the traditions of our Country.

What is really at the very bottom of the so-called Mexican trouble about which Mr. Hughes prates so much in shadowy generalities? Is it not rich returns to be extracted from that weak, undeveloped country by private yet powerful interests? Either Mr. Hughes does not know or, knowing, evades. In the one case or the other he is scarcely the one to be entrusted with the affairs of the nation.

Mr. Hughes does know that within his party and equally large foreign interests control the most on Nov. 8, 1904: valuable concessions in Mexico and that these interests, out of touch with the average element of the country, have by their methods engendered in the minds of the volatile Mexican people a thing American. PROHIBITION AND HIGH TAXES

The Present Tax Rate in Frederick, State, County and Municipal is \$2.47 1-3 Cents. Do You Want It To Be Higher?

READ THE FOLLOWING.

In "anonymous" communications, published by authority of R. R. Lewis, Treas., etc., and which were not ignored "with the scorn which every true man feels for an anonymous communication," very incorrect and misleading statements have been made as to the effect of Prohibition on the tax rate. Thus it has been stated that Frederick County going dry will not in any way affect the "county tax rate." To say that the elimination or destruction of a large source of revenue together with the depreciation in the value of properties that will become idle and useless as a result of Prohibition will not increase the tax rate, is about as preposterous a declaration as to announce that a merchant could conduct his store and meet his expenses without revenue. "The proof of the pudding is the eating thereof." Mark well these figures as to the effect of Prohibition on the county tax rate in Carroll County:-

1914 assessed value of property, real and personal, \$26,715,063. County tax rate.........60c 1915 assessed value of property, real and personal, \$24,779,593. County tax rate......80c 1916 assessed value of property, real and per-

sonal, \$24,462,230. County tax rate......88c In 1914, the revenue received from liquor licenses in Carroll County was \$10,750.00 In 1915 and 1916 no revenues were derived from this source, the County being dry. Here is the concrete example of the effect of Prohibition on the County tax rate in Carroll County. You don't have to go to West Virginia or Kansas when the proof is so readily available so close to home. Again Mr. Lewis did not consider the rental or market value of properties now used by those who are engaged in the liquor traffic. Hundreds of thousands of dollars are invested, thousands of dollars are realized as rent from the same. When this is all considered, not only will the County tax rate be increased, but the City tax rate will advance instead of 6 cents as admitted by Mr. Lewis, almost 12 cents. Frederick received nearly \$5,000.00, Emmitsburg nearly \$500.00 and the total amount received at the Clerk's Office up to May 1st, 1916, was \$13,336.00 from liquor licenses.

Moreover, the people in Frederick pay over 1-5 of the taxes in the County, and for Mr. Lewis to declare that those in the rural sections pay the cost of maintaining the Jails and Almshouses, disregarding, entirely the amount contributed by taxpayers of Frederick, is likewise absurd.

Finally, the State tax rate will be increased very materially because the revenue which the State otherwise receives will be cut off through Prohibition.

DON'T FORGET THE EXPERIENCE OF THE PEOPLE IN CARROLL COUNTY, WHO HAVING SUFFERED THE BURDENS OF INCREASED TAXATION THROUGH PRO-HIBITION, PETITIONED THE LEGISLATURE FOR AND HAVE BEEN GIVEN THE RIGHT TO VOTE AGAIN ON LOCAL OPTION SO THAT THEY MIGHT MAKE THEIR COUNTY WET AND THEREBY BE RELIEVED OF THE HARDSHIPS AND FINANCIAL LOSSES WHICH A DRY COUNTY WILL INVARIABLY AND INEVITABLY SUSTAIN.

DD OF FREDERICK GOUNT

TO SUPPORT A GREAT MORAL ISSUE

We, the undersigned, MINISTERS OF THE GOSPEL IN FREDERICK COUNTY, earnestly urge the men of our several parishes, and all others of the electorate with whom our word may have influence. to support the propostion, now before us, to prohibit the traffic in liquor in Frederick County.

Others have presented to you, and with convincing argument will continue to present, the ECO-NOMIC PHASE of the issue, showing that it is for the financial interest of Frederick County that the traffic in liquor be prohibited. Physicians of the county have presented, and will continue to present, the MEDICAL AND PHYSICAL PHASE, showing, out of their own experience as practitioners in this community, that it is for the physical well-being of our people that the traffic be suppressed. We, the spiritual leaders of the people committed to our care, desire to emphasize the MORAL PHASE of the issue.

With the possible exception of our physicians, there is no body of men who know more intimately the lives of the people of this county, their sorrows and their joys, than do the Ministers of the Gospel. It is largely because we have seen, in the homes of our people, the poverty, the suffering and the crime wrought by liquor that WE HAVE COME TO HATE IT WITH A BURNING HATRED. The homes that have been broken; the women's hearts that have been crushed; the husbands and wives who have been separated; the lives which have been burdened by a bitter poverty and by a bitterer shame; the boys who have been shorn of their manhood and the girls who have been robbed of their virtue; the children who have been denied the birthright of a happy home and children who are worse orphans than if their fathers were in their graves,---ALL THIS, THE LEGITIMATE FRUIT OF LIQUOR, HAS MADE US THE UNCOMPROMISING FOES OF THE INIQUITOUS TRAFFIC. For the conservation of the manhood and womanhood and childhood of Frederick County; in behalf of tempted men and suffering women and children; for the sake of the homes of this community; in the name of Him Who began His ministry with the declaration that He had come "to heal the broken-hearted, to preach deliverance to the captives, to set at liberty them that are bruised," we appeal to the men of Frederick County to prohibit the traffic in liquor within the borders of this county.

We have PREACHED earnestly against the saloon; we have PRAYED fervently for its destruction; we have SUFFERED with our people in the devastation which it has wrought in their lives and in their homes; but all our sermons and prayers and compassion will not avail for the overthrow of the saloon unless you, the men of the county, will BY YOUR BALLOTS MAKE IT POSSIBLE FOR THE IRON HAND OF PROHIBITIVE LAW TO DESTROY THE EVIL INSTITUTION. This we appeal to you to do on the seventh day of November, in the year of our Lord nineteen hundred and sixteen. In the great battle which is now waging, may no professed follower of our common Lord and Master be an indifferent on-looker upon the struggle but every one a soldier in the ranks.

In the name of Him Whose cause, we are sincerely convinced, this is; in behalf of your suffering fellowmen, WE AP-PEAL TO YOU, THE MEN OF FREDERICK COUNTY, TO CAST YOUR VOTE FOR THE PROHIBITION OF THE LIQUOR TRAFFIC.
