Why Deer!

There'll be lots of venison (deer meat to you) eaten by local residents during the next few weeks. . . Several of our local sportsmen bagged themselves a deer in Pennsylvania, W. Virginia and Frederick County. When I asked them if they were going to rest on their already gained laurels, every one of them stated without hesitation, "Heck, no! I aim to get another one." (The pun was purely accidental). What pun? AIM, get it? Yuh know, there must be a gigantic thrill in pulling down one of those sons a bucks. I've done a bit of DEAR hunting in my time—Trouble is, these were the two-footed kind. I never did land one. Me thinks they're harder to land than the equestrian variety. Must be, else why is my name prefixed by Miss, 'stead of a Mrs. Drat it all! I "missed" all right!

Anyway to get back to our subject — (we did have one, didn't we?) My congrats to several local hunters on their nabbing a deer apiece. . . George Ashbaugh, Gene Rodgers, Harold Hoke, Charles Gilman and Pete Aldrich were the guys. I imagine that there are even more local sportsmen now who have bagged a deer since our own season opened Monday of this week. Egad, I'd sure as heck would hate to have these fellows on my trail. Truly, they seem to be a crew of "Dead-Eye Dicks" if ever I saw any.

More Trouble On The Hill

I realize it's practically a regular occurrence. . . these accidents on Toll Gate Hill. But so help me, I'm determined to keep pounding away at the State Roads Commission till they're so tired of hearing me they'll do something to remedy the situation if only to shut me up. Yes, there was another accident there this week. I won't go into the details as to who was hurt, what damage was done, etc. . . What's the use? Suffice it to say that it's deplorable the number of cars that catapult over into the adjoining fields, or swerve across the road on that horrible curve and collide with other cars, causing irreparable damage and injuries to both cars and riders. Good grief, has the State Roads Commission got rocks in their heads to continually ignore the tremendous number of accidents on this hazardous Toll Gate Hill. Perhaps these aforementioned rocks might be put to better use in building a better road around the Toll Gate curve.

A Tip For You

For those of you who haven't completed your Christmas shopping, may I remind you that you've only 14 shopping days left to finish same? And another thing, why be foolish and take a long jaunt to Baltimore or other far distant places and get caught in that awful turmoil? All you need to do is glance through the columns of your own Emmitsburg Chronicle, and brother if you can't find what you want in our advertisers' stores, then it just ain't to be had! Commercial plug? Perhaps, but also it's a good steer for you, too. You'll save money in the long run, and get just as nice a selection as you could get in the large cities. You'll save money because merchants in the smaller towns don't have the high rental, and high costs of living that business establishments in the city have. It makes sense, doesn't it, Yes, and CENTS, too!

Encore Requested

Speaking of Christmas reminds me to remind you to decorate your homes and business establishments if you haven't done so as yet. Last year Emmitsburg was one of the loveliest places in the

(Continued on Page 2)

GARBAGE SYSTEM TO BE STARTED IN NEAR FUTURE

Contract For Street Lights Is Signed; Projects Studied

Chief topic of discussion at the regular meeting of the Mayor and Commissioners Tuesday night in the Firemen's Hall, Emmitsburg, was the plans for a general garbage collection.

The officials are in receipt of a bid from a local party and are taking the bid under advisement. No date was set for the commencing of the collection of trash, but when it does begin, ashes as well as garbage, will be taken away.

It is the intention of the Town Fathers that the system be put into operation as soon as possible after the first of the year.

Treasurer Louise Sebald reported a bank balance of \$10,698.29 and also read the town tax report.

A communication was read from Ralph S. Sperry, chairman of the Lions Club Committee for Civic Improvement. In his letter, Mr. Sperry advocated the construction of a sidewalk from the Square to the Emmitsburg High School, there being at the present, sections that are unpaved and almost impassable. The communication was taken under advisement.

Chairman of the Board James T. Hays announced that the contract for the installation of a new street lighting system had been signed and that work would be started immediately. The poles arrived in Taneytown this week.

Also under discussion was the repaving of DePaul St. and the erection of curbing fronting those homes on N. Seton Ave.

Mayor Thornton W. Rodgers was authorized by the board to try and purchase a plot of land for the installation of a septic tank at the lower end of N. Seton Ave. The land at present is owned by Mr. and Mrs. E. J. Fitzgerald. The flooding and the sewerage problem of the homes of those residents on N. Seton Ave. has been in the public eye for a good many years. An engineer will be consulted in the near future and plans laid for the eradication of these conditions.

The board voted a \$50 donation to the Lions Club to help defray the expenses of decorating the town for Christmas.

The insanitary condition of the small stream at the extremity of S. Seton Ave., running parallel to the Kessler property, was called to the attention of the board and immediate action is expected to be forthcoming.

It is believed that sewage from the Kessler property and Emmitsburg High School is seeping into the stream and the fact that many small children play in the "run" calls for an early correction of that situation.

Chief of Police H. C. Woodring's monthly report to the officials showed a record number of traffic violations. Thirty-seven arrests were filed in the police department's records.

Also brought before the board was the parking condition in front of the Russell Vance property. Many times in the past and including Tuesday night, motorists have been using Mr. Vance's driveway for a parking lot. Mr. Vance stated that several times he has had to borrow other cars because his had been blocked in. Immediate action on the matter was pledged by the Solons.

College Students To Present Programs

This year, St. Joseph's College, Emmitsburg, has combined three traditional seasonal activities into one Christmas program to be presented Dec. 11 in De Paul Auditorium.

The Dramatic Club will highlight the program with the Nativity play, "A Child Is Born."

Under the direction of Miss Anna Marie Budde, the Glee Club will present four Fred Waring arrangements. The program will conclude with the more familiar and beloved carols sung by the senior class.

LUTHERANS HOLDING BAZAAR SATURDAY

Turkey-Oyster Supper To Be Feature Of Affair

Rev. Philip H. Bower, pastor of the Elias Lutheran Church, Emmitsburg, announced this week that plans were complete for the staging of the church's annual bazaar, tomorrow night.

A feature of the affair will be the roast turkey and oyster dinner to be served in the Parish House.

Entertainment and fun are in store for all those who attend the annual event.

Rev. Bower announced the following committees in charge of the festival:

General committee: Mrs. Roy Maxell, chairman; Mrs. Roy Bollinger, co-chairman; Mrs. Charles Harner, Mrs. Carrie Hartzell, Mrs. Robert Gillelan, Mrs. Lewis Stoner, Mrs. Harry T. McNair, Harry Troxell, Harry Hahn, and Andrew Eyster.

Fancy Work committee: Mrs. D. L. Beegle, Mrs. R. M. Zacharias, Mrs. William Rowe, Mrs. Ernest Shriver, Mrs. Mary F. Shuff, Mrs. John White, and Miss Mary Jo Zimmerman.

Other committees are: Cake and candy committee: Mrs. Robert Daugherty, Mrs. Harry T. McNair, Mrs. Paul Late, Mrs. Richard Harner, Mrs. James Allison, Mrs. Andrew Eyster, Mrs. Henry Charlton, Mrs. Weldon Shank, Mrs. Harry Troxell, Mrs. C. Brown, Mrs. C. Englar, Mrs. Harry Hahn, Mrs. John Eyer, and Mrs. Clarence Hahn. Ticket committee: Miss Ruth Shuff, Mrs. Charles Harner, Miss Grace Rowe.

Diningroom committee hostesses: Mrs. George Eyster, Mrs. Robert Gillelan, Mrs. Lewis Stoner, Mrs. John Tate, Mrs. J. Herring, Mrs. John Bollinger, Mrs. Sarah Lings, Mrs. James Hays, Lucy Bollinger, and Mrs. Lloyd Fitez.

Waitresses: Shirley Troxell, Doris Wastler, Diann Shuff, Helen Bushman, Nancy Beegle, Mabelle Carson, Ruth Neighbors, Peninah McNair, Betty Ann Hollinger, Sue Stinson, Mary Ridenour, Betty Smith, Ruth Smith, Beatrice Umbel, Anna May Linn, Carrie Hahn, Sue Hays, Carolyn McDonnell, Doris Olinger, Mary Hahn and Barbara Hays.

Kitchen committee: Mrs. Roy Maxell, Mrs. Roy Bollinger, Mrs. Carrie Hartzell, Mrs. Morris Zentz, Mrs. Irwin Brown, Mrs. Earl Sheely, Mrs. A. W. McCleaf, Mrs. Charles Sharrer, Mrs. Charles Linn, Mrs. Aaron Adams, Mrs. John Michaels, Mrs. Harry McNair, Mrs. Harry McDonnell, Mrs. Roscoe Shindedecker, Mrs. Allen Bollinger, Mrs. Carroll Frock, Mrs. Edward Smith, Mrs. Grace Saylor, Miss Charlotte Miller, Mrs. Allen Plank, Mrs. Charles Olinger, Miss Helen Fuss, Mrs. Lloyd Dern, and Mrs. C. Ripka.

Sandwich committee: Mrs. J. Zacharias, Mrs. George Naylor, and Mrs. Edna Tressler.

Decorating committee and ice cream: Andrew Eyster, Harry Troxell, Harry Hahn, Robert Daugherty, Weldon Shank, John Eyer, Harry T. McNair, C. Mauser, Dr. James Allison, Luther Zimmerman, C. Brown, Paul Dern, and Henry Charlton.

Advertising committee: Nancy Beegle, Miss Grace Rowe, Mrs. Robert Gillelan, and Mrs. Henry Charlton.

Entertainment committee: Clarence Hahn, Ralph McDonnell, and Mrs. Robert Daugherty.

Contractors Meet

The Potomac-Edison Co. was host at the dinner meeting at Taney Inn, Taneytown, of the electrical contractors of the area.

The contractors present were: George E. Hoover and C. E. Buckingham of New Windsor. L. E. Crumpacker and Preston Myers of Union Bridge, Luther Rodkey and Paul Rodkey of Taneytown, John Franklin of Emmitsburg, Irvin Flickinger of Union Mills, Harry L. Sharrer of Thurmont, and William Strevg of Westminster. S. E. Breth, district manager presided. Meter and service problems were discussed by Charles F. Troxell and John H. Hottinger.

What's Your Name?

By JULES CHRISTIAN

NO. 43

This column on the Pastors of the community, ought to increase our appreciation of these spiritual leaders in our midst. How often the laity take this useful array of men for granted, or make them convenient objects of criticism. Yet, if we should be deprived of the essential services they render, we would lament the loss. We would compass the earth to have the empty void filled. We would consider it the highest joy to have back again what we took for granted before.

The name of the Pastor drawn today, serves a splendid church nearest the one featured last week. That is the Pastor of the Evangelical Reformed Church.

EDMUND P. WELKER

This winsome and youthful looking minister, is privileged to follow in the steps of the late and cherished Lewis Higbee, one of the brightest stars in the religious firmament of Emmitsburg.

Mr. Welker is blessed with a lovely family. There is Edmund and Ethel, presiding over Sandra, Ronnie and Judy. What greater blessing could anyone wish for on earth? Pastor Welker is a graduate of Ursinus College at Collegeville, Pa. He is also a graduate of the well-known Reformed Theological Seminary located at Lancaster, Pa., where he received extensive professional training for his chosen calling.

Small in stature, he has a heart as big as the world. He boasts not of his excellent gifts but chooses to underestimate rather than overrate his accomplishments. He is too considerate to be rude, too humble to be arrogant, too merciful to be unjust, too modest to be unkind, too tolerant to be controversial, too honest to be untrue, too reasonable to be fanatic, too chivalrous to be ungracious, too candid to be unfair, too generous to be selfish, too reverent to be abusive and too wise to be dogmatic.

Likewise, he is a good Pastor with other rare gifts in many areas of his calling. He is a good counselor for the troubled. He is sympathetic toward the distressed and compassionate toward the sick. He is a faithful administrator of

the ancient and holy rites of the church. He administers the Sacraments, intercedes for the people, baptizes the babies, catechizes the children, confirms the youth, burys the dead, and marries the lovers. From his venerable pulpit he proclaims the eternal truth upon which life must stand.

He no doubt, like some of the other pastors of the community, has had bigger offers elsewhere, but prefers to remain at Emmitsburg for less than to go somewhere else for more. Here is a man who occupies a big place in the hearts of the people of this community.

AN ILLUSTRIOUS NAME

The name is probably of Northern European origin. Perhaps it came from Dutch or German ancestry. In all likelihood, it came from the Northern Legend of the Valkers. The Valkers, spelled in many different ways, where the celestial messengers sent from Heaven to carry the heroes slain in battle to their blissful reward in Heaven. As these messengers came to earth their shining armor, glistening in the sun, sent shafts of light across the sky in the form of the Aurora Borealis, or the Northern Lights seen at night.

Thus our forefathers attached spiritual meaning to this amazing phenomenon of the sky, the fireworks of Heaven, putting on a celestial show of dazzling splendor. Still thrilling to look upon, our forefathers linked up the phenomenon with the almost universal belief that the heroes, slain in battle, would enjoy heavenly compensation for their earthly sacrifice. Amidst the splendor of heavenly display they were elevated into a blissful reward by the messengers of God called the Valkers.

It is natural therefore that people, coming from the land of this legend or proximity thereof should name themselves or homes or town after these messengers of Heaven.

So Edmund P. Welker, Pastor of the local Evangelical Reformed Church, brings into fulfillment the original meaning of his name. That is, a messenger of God sent from Heaven. Blessings be upon his ministry and the church he serves.

Travelogue Describes South's Paper-Making Industry

By REV. CHARLES S. OWEN

VI
Someone inquired recently: "How do you remember all those things described in your travelogue?" That's easy. I took my wife along with me.

FROM POVERTY TO WEALTH

In the olden days the Southern Highlands was rated as the most poverty stricken area of America. Statesmen, churchmen and social leaders, searched for some remedy. The general conclusion was that a large portion of the population would have to be moved to more productive areas. Then unexpected forces began to come along and bring an automatic solution of the problem.

Two of these factors have already been mentioned. One was the influx of tourists who discovered the cool, summer climate and scenic grandeur therein. The other was the action of the Federal government in opening up the area to the American public by means of National Parks and improved highways. A third redeeming factor has been in the form of new industries coming in from the outside bringing new wealth and new prosperity.

HOW PAPER IS MADE

In one mountain community we visited is located a big paper mill that manufacturers most of the paper used in America and much of the rest of the world. It was called the Champion Fiber Company. It makes paper of every kind and for every use. Its average output is from 12,000 to 13,000

tons per week. It is made from wood derived from the vast timber reserves. The plant came into the area to exploit cheap labor. Originally it paid one of the lowest wage scales in our country. Now it pays one of the highest. That is the usual pattern generally followed. Industry comes into a community to exploit cheap wages. Then social factors begin to work to push up the wage scale to the average level.

The strategy of keeping the union out was very interesting. At first the company fought the union like a wild beast. Now it fights the union by paying a higher wage than organized labor can achieve. When the union elsewhere achieves a raise in wages this company will raise wages above that level.

We were told that girls received \$65 per week and men from \$65 to \$100 per week. The company has a unique plan whereby each worker tries to see how much he can do per week instead of how little. It is called the bonus plan.

This big paper company presents an interesting observation to the visitor. It covers an enormous area in one of the mountain towns and requires several hours for the guide to take you through the plant. You see nearly everything about the process of paper-making from the time the timber enters the mill until it comes out into the finished product. Here you see how the

(Continued on Page 7)

RECORD DEER KILL BELIEVED IN OFFING

Local Hunters Prove Unlucky So Far This Year

Frederick County's deer season opened Monday of this week and to date an almost record kill has been made. Up until Thursday, 67 deer were garnered by the county nimrods.

Samuel L. Routzahn, Myersville bagged the largest deer, an 8-pointer, 159 pounds on Wednesday. Second largest deer was killed by Jack Portner, Lantz. The animal also was an 8-pointer, and weighed 109 pounds.

The large number killed, according to game authorities, indicates that a new record will be set before sundown Saturday, when the season ends.

Another illegally slain doe was reported found Wednesday, bringing the total of slain spike bucks and does to six. They include 4 does and 2 spike bucks.

Regional Game Warden Benjamin Phoebus said most of the deer were shot in the Frederick watershed area, where most of the hunters concentrated.

Edgar R. Eyer, Route 1, was arrested for using an illegal rifle.

John Trent was believed to be the only Emmitsburgian to shoot a deer in this section.

Something New! Welfare Board Seeks Monetary Reduction

The Frederick County Welfare Board last week became the only county agency to ask the County Commissioners for a sizable decrease in funds in 1950 as compared to the allotment in 1949.

This welcome news to the commissioners was made even more cheering by word from Welfare Board officials that they would not spend in the neighborhood of \$5,000 of the county allotment for 1949.

The county is asked to provide \$54,734.09 in 1950 for the Welfare Board as compared to \$58,860.52 in the current year. The decrease is \$4,076.43.

The total estimated cost of welfare in 1950 is \$343,819.50, with the Federal and state governments making up the difference between the amount sought from the county and the total cost.

Legion Appealing For Blood Donors

An appeal is still being made for blood donors in the Emmitsburg District to file their names in the "Walking Blood Bank," a project sponsored by the Francis X. Elder Post, American Legion, it was said this week.

It is hoped that at least 300 names can be secured to complete the files, Chairman Robert Wormley reported. To date, however, an estimated 200 persons have placed their names on the records.

Mr. Wormley, in reminding the donors of the wonderful opportunity they have to avail themselves of this needed "bank," stated that you need not know your blood type to place your name on file. If your blood type is unknown, such as the case of more than 100 on file now at the Legion Home, report Tuesday evening at seven o'clock to the Home. At that time, two technicians from the Annie Warner Hospital, Gettysburg, Pa., will complete the desired information by typing the blood of an estimated 100 persons.

PARTY CANCELLED

The regular card party and "corn game" held by the VFW Auxiliary Wednesday in the Post Home, Center Square, has been postponed, it was announced this week.

SALE SUCCESSFUL

More than \$80 was realized from the rummage sale held last Saturday by the alumni of St. Joseph's High School in the Firemen's Hall, it was reported.

Mr. and Mrs. Walter Topper visited Sunday with Mr. and Mrs. Glenn Tressler.

THREE INJURED IN 2-CAR COLLISION

Accident Occurs West of Town; \$800 Damages

Two Gettysburg youths, en route to Westminster where one was to be married, were among three persons injured in a collision on the Emmitsburg-Waynesboro highway, about one mile west of Emmitsburg Saturday afternoon at 1:30 p. m.

The victims included Jack Moser, 20, 57 E. Stevens St., Gettysburg, who was treated at the Annie M. Warner Hospital, Gettysburg, for lacerations of the body and a bruised chest; Reginald J. Dunkinson, 19, 229 W. Middle St., Gettysburg, who received lacerations of the face, and Allen M. Morgan, 77, Emmitsburg R. D. 2, who is a patient in the Warner Hospital, suffering from contusions of the chest and abrasions of the left arm and hand.

Moser on Saturday evening took as his bride, Miss Anna Wagaman, daughter of Mr. and Mrs. George Wagaman, Emmitsburg. John Redding, Gettysburg, served as best man in place of Dunkinson, while Joanne Detheridge, of this place, attended the bride. The scene of the wedding was changed from Westminster to Taneytown, where a Lutheran minister officiated.

Maryland police, who investigated the accident, said that Dunkinson, accompanied by Moser, was driving east in a car owned by Clarence M. Swartz, Carlisle, R. D. 5, Edward J. Smith, 59, this place, Route 3, drove from a private drive onto the highway in the path of the Swartz machine, police said.

Dunkinson drove off the right side of the highway to avoid a collision, the police reported. The car struck a ditch then went to the left side of the road, where it was in collision with an automobile driven west by Earl M. Glass, 22, Emmitsburg R. D. 2, who is in the U. S. Navy. The car driven by Dunkinson, came to rest in a field.

Moser and Morgan, the latter an occupant of the Glass car, were taken to the Gettysburg Hospital in the VFW ambulance. Damage to each car was estimated at \$400.

Police laid information before Magistrate Jacob E. Baker, Emmitsburg, charging Smith with failing to yield the right-of-way and Dunkinson with driving without a license and reckless driving. They are to be given a hearing on Saturday night.

Community Fund Meeting Monday

A general meeting of the public will be held Monday evening in the Firemen's Hall for the election of officers for the newly-formed Community Fund, which is to be established on a permanent basis from that night on.

The meeting starts at 8:00 p. m. Many civic organizations have announced their intention of having delegates present at the session and a large gathering is expected.

Temporary Chairman Floyd C. Miller stated this week that contributions are still coming in at a satisfactory rate and stated all money over and above the \$400 allotted for a television set, donated to Young Frank Stinson, who underwent the amputation of his left leg recently, will be put into a general fund, to go to the needy of the community.

Young Stinson was a guest at a benefit basketball game Tuesday night between the Emmitsburg High School and St. Joseph's High School. The game is believed to have netted more than \$100 for the fund.

WED 56 YEARS

Mr. and Mrs. Beecher Ohler of E Main St., quietly celebrated their fifty-sixth wedding anniversary at their home on Monday.

Mr. Ohler is 84 and gets around very well. Mrs. Ohler, 79, is active around the house.

Mrs. Ray Topper visited Sunday, with her sister, Miss Ida Wolfe, Fairfield.

ABIGAIL

(Continued from Page 1)

State during the holiday season . . . Certainly, the holiday spirit was manifest 100 per cent by all our local citizens. Let's do it again this year, whatta ya say?

My Prediction

Psst! Don't look now, but I'll betcha you'll be seein' the hill-billy tune, "Slippin' Round," go to the top of the Hit Parade mighty soon. Margaret Whiting's version of it is tops in my estimation and if you haven't heard it yet, do so pronto. 'Samazing how music has taken such a trend toward hill-billy tunes these days . . . The funny part of it is it's really good!!

Attend Auxiliary Meeting

The Emmitsburg women who attended the district meeting of the Ladies' Auxiliary of the American Legion in Frederick at the Francis Scott Key home were: Miss Ruth Gillelan, Mrs. Anna Topper, Mrs. Laura Rosensteel, Mrs. Irwin Brown and daughter, Lillian, Mrs. Helen McNair and Mrs. Raymond Baumgardner.

Alumni Dance Set For Dec. 26

Announcement has been made that the traditional Christmas dance held by the Emmitsburg High School Alumni Assn. will be held Monday evening, Dec. 26, in the high school auditorium from nine till!

Music for the occasion will be furnished by Pat Patterson's Orchestra of Hanover, Pa.

A classroom has been provided for those who wish to play "500" or bridge. Prizes will be awarded, including a door prize.

Mr. John Franklin is general chairman of the affair; Mrs. R. S. Sperry and Mrs. George Eyster will have charge of the tickets. On the other committees are John Franklin, Richard Harner, Vernon Keiholtz, Lumen Norris, John Garner, John Hollinger Jr., Sterling White, Guy Baker Jr., Jack Rosenwald, Robert Gillelan Jr., Robert Fitez Jr., Jack McCleaf, Wayne McCleaf and Greta Keiholtz, decoration; Mrs. Pauline Seabrook and Mrs. Charles Fuss, refreshments, and Newton Sharrer and Charles Fuss, cloak room checkers.

The Chronicle—a fine gift!

Legion Planning Christmas Party January 12

Arrangements are under way for the Christmas party Thursday evening, Jan. 12, by the Francis X. Elder Post, American Legion, it was announced at the monthly meeting of the Legionnaires in the Post Home Tuesday evening.

Richard Yoemans was named chairman of the affair to be held at the White House Inn. Turkey will be the main dish offered in buffet style.

At Tuesday night's meeting, Edwin Chrimser volunteered to give one pint of blood at the University Hospital, Baltimore. Some time ago three pints were used from the blood bank in an emergency case, and only two pints had been replaced.

The Post unanimously decided to donate \$50 to the Community Fund which was recently started.

Legionnaires belonging to the local Post are reminded that those members who are entitled to a Pennsylvania bonus are urged to contact the service officer at one of the veteran posts in Gettysburg, Pa., for information and forms in securing their bonus.

After the business meeting, hot turkey sandwiches were served by the ladies of the auxiliary.

Mrs. George Baumgardner, of Baltimore, spent three days last week visiting with Mr. and Mrs. Raymond Baumgardner, Emmitsburg, R. D.

Mr. and Mrs. Jack Wood and daughter, Mary Lou, Reisters-town, spent Friday of last week at the home of Mr. and Mrs. Robert Gillelan of W. Main St.

Poultry Pointers

By FREDERICK BLOCK

The National Poultry Improvement Plan, which beside other goals eliminates pullorum disease has done an excellent job. Pullorum disease (about which a special pointer will appear in January) has been the night mare and the daily worrying of all poultry raisers before the National Poultry Improvement Plan began to work. This plan is under rigid state inspection which guarantees you chicks without pullorum, therefore make sure to order chicks from a hatchery below this plan. If you have pullets now which you bought from a hatchery which qualified as mentioned, you may now consider whether you want to continue selling eggs for eating purpose, or start selling them for breeding. Hatcheries usually pay 20 cents per dozen above the egg price, and they like to contract all hatchable eggs produced during the season. In this case you will be required to have your flock tested for pullorum disease. The hatchery will usually take care of the necessary arrangements.

Change your feed to breeder mash at least 3 weeks before mating, secure cockerels at least 4 weeks ahead of the breeding season, and make sure (if you did not raise your own cockerels) that they may be vaccinated as your pullets have been. If your pullets have not been vaccinated for Newcastle, and the cockerels received a shot of this vaccine, there may be the danger of an outbreak among your pullets. Keep the cockerels quarantined for two weeks, and check them carefully for parasites. Do not add the cockerels to your pullets before you make certain that they are free from lice and mites. Cockerels should not be bred before their average egg weight reaches 24 ounces per dozen. There should be about 7 males for each 100 females.

There is no age limit on the necessity to drink milk. Older people need a pint of milk each day—a cup is not sufficient.

ANCILLARY ADMINISTRATRIX'S NOTICE

This is to give notice that the subscriber has obtained from the Orphans' Court of Frederick County, in Maryland, letters of Ancillary Administration on the estate of

PAUL J. CORRY late of Lackawanna County Pennsylvania, deceased. All persons having claims against the deceased are warned to exhibit the same, with the vouchers thereof, legally authenticated, to the subscriber, on or before the 12th day of June, 1950 next; they may otherwise by law be excluded from all benefit of said estate. Those indebted to the deceased are desired to make immediate payment.

Given under my hand this 9th day of November, 1949.

Seal Goal Still 80 Pct. Short

Latest returns for the 1949 Christmas Seal Sale of the Maryland Tuberculosis Assn. show that over \$70,000 has been raised throughout the state, according to the statement made this week by William B. Matthews, Jr., seal sale director.

"These returns represent slightly more than 20% of our state-wide goal," said Mr. Matthews. "However, this is not the complete picture, as three counties have not yet reported to the state office."

Reports from the counties indicate an increase over last year's returns for the corresponding period of time.

Mr. Matthews urged that all persons who have received their Christmas Seal letters respond by purchasing the Christmas Seals sent them so that the tuberculosis work of the association can continue.

Maryland still has one of the highest death rates in the country from this disease and every effort must be made to bring tuberculosis under control and then eradicate it.

The Maryland Tuberculosis Assn., supported by Christmas Seal funds, conducts a year-round program against tuberculosis, co-operating with the health departments in an all-out

effort to rid Maryland from the ravaging results of the disease.

Pointing out the need of continued co-operation from the residents of Maryland, Mr. Matthews said:

"The great task of ridding our communities of tuberculosis is the responsibility of every citizen in our state. Everyone must co-operate if we are to defeat this health menace. Each year at Christmas, we all have an opportunity to help overcome tuberculosis by purchasing Christmas Seals."

"Our goal of \$323,900 must be reached if an adequate program is to be provided in Maryland to combat tuberculosis. That goal can and will be reached if every Marylander will make this problem a personal one and do his part by buying Christmas Seals."

RE-ENLISTS IN ARMY

S/1c Robert Poulson returned to his base at Fort Dix, N. J., this morning. Sergeant Poulson has just re-enlisted for another indefinite period in the army and expects to go abroad soon.

Mr. and Mrs. Jack Wood and daughter, Mary Lou, spent Friday of last week at the home of Mrs. Woods' parents, Mr. and Mrs. Robert Gillelan of W. Main St.

LUDELLA H. PRIBBLE

Taken to Annie Warner Hospital, Gettysburg, Pa., last Thursday morning for treatment of shock following a fall which broke her hip, Mrs. Ludella H. Pribble, 78, Detour, died within a few hours after being hospitalized.

A native of Ohio and widow of William Pribble, she had been residing with her two daughters, Mrs. Ruby Dilly and Mrs. Margaret Waite, both of Detour, for more than a year prior to her death.

Mrs. Pribble was a daughter of the late John and Rhodana Herrman. Besides her two daughters, she is survived by five grandchildren and eight great-grandchildren.

Funeral services were conducted Sunday afternoon at 1:30 o'clock at the Keysville Lutheran Church. Rev. Reese Poffenberger officiated. Interment in Keysville.

Non-Payment Of Fine Brings Jail

Charles Ernest Barnhart, 19, rear Taneytown and formerly of near Emmitsburg, was in the Carroll County jail Sunday in default of payment of \$150 in fines imposed Saturday in Westminster by Magistrate Vincent Tubman.

Barnhart pleaded guilty to charges of reckless driving and

failing to stop after an accident, preferred November 26 by State Trooper 1/c Glen C. Markle after his car struck another and then turned over while being chased. Barnhart was charged with fleeing the scene. Preston S. Flickinger, Route 5, Westminster, owner of the other car involved, said he chased Barnhart for a mile before the latter's car turned over on a curve. Barnhart was injured in the accident.

Broadway Goes On Television

During the new CBS-TV variety-panel show, "This Is Show Business," Cartoonist Wachsteter went

cracks—in about equal proportions. The show, conducted by host Clifton Fadiman, is a sort of clinic for career *contratemps*, to which young performers bring their problems. As they all give a sample of their show business specialties, before asking the advice of regulars Kaufman, Burrows and Fadiman, and guest panel members, viewers cap

George S. Kaufman

to work on the distinguished countenances of playwright-producer George S. Kaufman and song parodist Abe Burrows, with the accompanying hilarious results. Advisors extraordinary to those of their contemporaries who appear on the show, the irrepressible pair have been keeping the TV channels lively each Sunday evening as they dispense words of wisdom—and wise-

Abe Burrows

expect almost anything in the way of an entertainment surprise on "This Is Show Business."

RETURNS FROM TRIP

Mrs. Joshua Winger, Center Square, returned home recently

from South America, where she spent a month visiting with her daughter.

Farmers! Save TIME and MONEY build with READY-MIXED CONCRETE

Farming is your job. Making good concrete and delivering it to you—ready to pour—is ours. You'll save time by using our Ready-Mixed Concrete because you'll do no buying, handling or mixing of materials. You'll save

delays, because we deliver when forms are ready. You'll save money, because your time is money—and because our Ready-Mixed Concrete hardens into long-wearing, strong material, requiring little or no maintenance. Let us deliver that kind of concrete for your next farm building job.

Community Chorus To Sing Handel's 'Messiah' Dec. 21

The Community Chorus, which has been organized in Thurmont, consisting of members from Thurmont, Emmitsburg, Rocky Ridge, Sabillasville and other nearby communities, will present a Christmas portion from the famous Ontario, Handel's 'Messiah' on December 21 at 8:30 p. m. The program will be given in the newly-erected auditorium of the Thurmont High School. The Chorus consists of over 100 members who have been working hard since early November to present this sacred program of music for the entertainment of nearby communities.

A silver offering will be taken on the night of the performance to finance the buying of the music for this organization. The chorus hopes that the project will be well supported by the communities.

The Chorus will be directed by Miss Mildred Trevett, instructor of music at Thurmont High School and the accompanist will be Miss June Long, Thurmont. Miss Trevett formerly taught music at the local high school.

SURPRISE SHOWER HELD

A surprise shower was held Thursday evening of last week by Miss Ruth Freeman at the home of her parents, Dr. and Mrs. H. P. Freeman of E. Main St., for Miss Helen Fraley.

The following guests were present: Mrs. Thomas Fraley, Mrs. Francis Matthews, Miss Pauline Baker, Miss Ann Codori, Mrs. Ward Kerrigan, Miss Ruth Gillelan, Miss Doris Pepler, Mrs. Lumen Norris, Mrs. Earl Rice, Mrs. Howard Gillelan, Mrs. J. W. Houser, Miss Edith Nune-maker, Mrs. Richard Eberhart, Mrs. Andrew Eyster, Mrs. Clarence G. Fraley, Miss Helen Fraley, Mrs. William Fraley, and Miss Ruth Freeman.

Refreshments were served.

MARYLAND FEED & GRAIN MARKETS

Maryland Grain Markets

Baltimore grain markets strengthened during the week ended Dec. 2. Wheat advanced about two cents per bushel on the Baltimore market, five cents per bushel in Central Maryland and seven cents per bushel in Western Maryland. Corn markets strengthened throughout the state. Barley weakened on the Baltimore and Western Maryland markets. Western oats gained about two cents per bushel on the Baltimore market. Soybeans made further advances during the week ended Dec. 2 with No. 2 yellow soybeans averaging six cents per bushel higher than on Nov. 28 and No. 2 black soybeans four cents higher.

National Grain Market

Grain markets continued to strengthen during the week ended Dec. 1, and December future prices at Chicago reached a new high for the season. Light offerings and a more active domestic and export demand were principally responsible for the market firmness. Cash prices generally followed the trend of futures, and with the exception of corn and grain sorghums, were at or near the support level.

Maryland Feed Market

The Baltimore feed market, following the national trend, made slight gains during the week ended Dec. 2. The wheat millfeeds advanced over 3% on the Baltimore market; Standard bran, \$1.96 per ton higher, and standard middlings, \$1.95 per ton higher. 17% dehydrated alfalfa meal dropped sharply over 4%—\$3.81 per ton less.

The broiler-feed ratio was again less favorable for Maryland producers for the week ended Dec. 1. Broiler prices averaged 26.2 cents per pound while 20% broiler mash on lower Eastern Shore averaged \$90.47 per ton. On this basis one pound live weight of broilers would buy 5.8 pounds of feed—5.9 pounds last week.

National Feed Market

Feedstuff markets made slight gains during the week ended Nov. 29, according to reports to the Dept. of Agriculture. Advance in feed grain prices and a fairly active demand from distributors and feeders were strengthening influences. The principal price gains were in gluten feed, hominy feed, oilseed meals, and dehydrated alfalfa meal. Wheat millfeed prices held about unchanged from a week ago. Distillers' and brewers' dried grains averaged about 50¢ per ton higher. The index number of wholesale feedstuff prices advanced about two points, to 213.7. The feed grains index was up nearly five points, to 184.5. A year ago the feedstuff index was 238.8 and feed grain index 203.5. The egg-feed ratio in November was 10 per cent less favor-

able than in October as egg prices declined nearly seven cents per dozen and feed costs remained unchanged. The egg-feed ratio is 15 per cent below a year ago and nearly 20 per cent below average. Egg prices averaged 56.6¢ per dozen Nov. 15, a drop of 6.6¢ from October and 17.3¢ from November, 1948. At

these prices a dozen eggs would buy 18 pounds of feed ingredients in November compared with 20.1 in October and 21.2 pounds a year ago.

HOMEMAKERS' CORNER

Cauliflower is one of the week's best buys. Like other members of the cabbage family, it's a good source of vitamin C. And, though while, the cauliflower is not a starchy vegetable. When you shop for one, look for a curd that's white or creamy-white, clean, heavy, firm and compact, with fresh green outer leaves.

You'll want to cook this vegetable in boiling water. If the flower clusters are separated, 10 to 15 minutes should be long enough. But allow from 25 to 30 minutes if the head is left whole.

A sharp, smooth cheese sauce makes cauliflower something special or for a sophisticated salad, add dainty uncooked white flowerets to your favorite chef's salad combination, and toss with a tangy dressing.

If you haven't already pruned your evergreens, hold off a while longer. Wait until you are ready to use the prunings for Christmas decorations. Short clippings, two to six inches long, work well in the making of wreaths and garland and give a full, rounded appearance when carefully grouped in decorations. And by using the prunings instead of cutting off additional boughs later, you can save the natural beauty of your trees.

Now that both apples and cranberries are in such good supply, Margaret McPheeters, extension nutrition specialist, suggests combining them in a lively, colorful and inexpensive pie. In a 9-inch tart pan, 1 1/2 cups cranberries, pastry for a 2-crust pie, 1/4 cup sugar, 1/4 cup cinnamon, 1/4 teaspoon salt, 2 tablespoons butter.

Pare, core, and slice apples thin. Wash and cut cranberries in halves. Line a 9-inch pie pan with pastry, place a layer of apples on the bottom, add the cranberries, and then the remaining apples. Sprinkle with the sugar, cinnamon, and salt mixture, and dot with butter. Cover with pastry, cut decorative slits to let the steam escape, and seal edges. Bake in a 400-degree oven about 45 minutes, or until apples are tender and crust is a golden brown.

Are you getting your money's worth from your lamps? Home Furnishings specialist Florence Mason suggests a white paper lining or a coat of white paint or even white shoe polish inside dark lampshades to double or even treble the light given off.

Charles Town Jockey Club Raises Purses Money

Charles Town Jockey Club opens its 15 days of racing Monday with its minimum claiming price raised to \$1,500.

The three-quarter-mile track is operating under a 79-day racing program this year. The schedule was broken several times so as not to conflict with the operating schedule of half-mile tracks in nearby Maryland.

There will be two \$1,200 purses daily. The meet closes Dec. 21.

Serve coffee as soon as possible after brewing; it loses its flavor on standing.

Race Betting Drops Mountaineers Lose At Maryland Tracks Opener, 41-36

Pari-mutuel betting on horse races in Maryland this year dropped \$8,711,217 below last year.

The conclusion of the year's sport at Bowie last Saturday upped the total wagered to \$86,474,462. Last year it was \$95,185,679 and that was about \$15,000,000 less than in 1947.

Marlboro, one of the five half-milers, was the only one of nine State tracks to show an increase, when its handle this year was \$3,373,287, compared to \$2,673,842 in 1948.

Hardest hit of all the racing plants was Laurel, which fell to \$15,440,474, where as in 1948 the betting was \$20,678,833.

Jack McCleaf, U. S. Navy, who is stationed in Norfolk, Va., spent the week-end at the home of his parents, Mr. and Mrs. A. W. McCleaf, West Main street.

Coming from behind in the closing minutes of play, Hampden-Sydney's Tigers gained a 41-36 victory over a scrappy Mt. St. Mary's College basketball team as the season opened for both schools.

The Tigers held a 20-15 advantage at the half in the low scoring contest, but the Mountaineers quickly closed the gap after intermission going ahead with five minutes left on Guard Jim Montgomery's shot from under the basket.

Mrs. Jerry Hoskins and daughter, Sherwin, of Baltimore, returned to their home after spending a week at the home of Mr. and Mrs. Raymond Baumgardner, Emmitsburg R. D.

Junior Miskell, of near Emmitsburg, spent four days recently visiting with Mr. and Mrs. Joseph Martin and family of Baltimore.

Fire Chief John Hollinger Suggests Ways of Preventing Winter Fires

The next three months are the most dangerous of the year for home fires, Fire Chief John Hollinger warns.

According to figures of the National Board of Fire Underwriters, more fires occur in December, January and February than at any other season, chiefly because of heating hazards. During these cold months furnaces, heaters and stoves are likely to be overworked and may not be adequately cleaned and repaired.

Now is the time to protect your home against winter fires, Chief Hollinger pointed out, before any real trouble has a chance to start. Inspect your chimneys and flues where many of the home fire break out. They should be cleaned and all cracks and holes where heat or sparks may escape repaired.

Don't "Force" Furnaces The chief said he especially wanted to warn householders never to "force" furnaces and heaters if they aren't giving enough heat. There may be something mechanically wrong with the heating, equipment, he said, or it may need cleaning, but forcing or overloading a furnace may cause a fire.

Be sure combustible rubbish, newspapers and old magazines aren't allowed to collect around the furnace, or any other heating device. One-third of all home fires start in the cellar, so keep in as clean from combustible material as possible. Use a metal container with a cover on it for

hot ashes. Rules For Safety A few other rules for winter fire safety at home are:

- 1-Place portable heaters where they won't be knocked over easily. See that they aren't placed against woodwork, curtains, beds, or chairs. 2-If you're having difficulty starting a fire in a stove or furnace, use several sheets of newspapers twisted together. But never throw a kerosene or gasoline into a stove to "quicken" a fire. Kerosene, when heated, can explode almost as violently as gasoline, setting fire to the house. 3-Don't overload electric circuits by plugging in too many heaters or other electric appliances on one circuit. Inspect your electric cords. If any are frayed, have them replaced. 4-Keep a metal screen in front of the fireplace so that sparks won't pop onto clothes, furniture, or rugs.

Bobby Gillelan, U. S. Navy, who is now stationed at Philadelphia, spent the week-end at the home of his parents, Mr. and Mrs. Robert Gillelan, West Main street.

Charles Wivell, of Hagerstown spent the week-end at the home of his parents, Mr. and Mrs. Roy Wivell and family, near Emmitsburg.

The Chronicle makes a surprise Christmas gift!

Married

SPONSELLER-COOL

A quiet and pretty wedding was solemnized on Thursday at 10:30 a. m. in St. Joseph's Catholic Church, Emmitsburg, when Miss Mildred Cool, daughter of Mr. and Mrs. George Coll, near Emmitsburg, became the bride of Mr. and Mrs. Arthur Sponseller, Rt. 5, Gettysburg, Pa. The ceremony was performed by Rev. Francis Stauble pastor of the bride. The bride wore a winter white dress with aqua hat, white gloves and black shoes and a corsage of pink rosebuds. She chose for her maid of honor her cousin, Miss Doris Muench, who wore a green street length dress, winter white hat, white gloves and black shoes, and a corsage of pink camellias. The best man was Bernard Cool, brother of the bride. A dinner for the wedding party was served at the home of the bride's parents. A 3-tier cake formed the centerpiece of the table. The groom is employed at the Cannon Shoe Company, New Oxford, Pa. The couple will reside for the present at the home of the groom's parents.

P-TA COMPLETES WORK

The Emmitsburg Public School P-TA held a very successful workshop meeting last Wednesday evening.

Quantities of toys and clothing were rejuvenated which will be distributed to needy families in Emmitsburg at Christmas.

The association extends its hearty thanks to all patrons who generously gave their leisure time that others may have a happier holiday season.

Personals

Ann Eden Gillelan of Baltimore, was a guest of her great-aunts, the Misses Rhoda and Ruth Gillelan of W. Main St.

Mrs. Earl Rice has returned to Ft. Loudon, Pa., after spending several days with her parents, Mr. and Mrs. F. S. K. Matthews of W. Main Street

Mrs. John Hottinger of Gettysburg, Pa., spent Thursday at the home of her parents, Mr. and Mrs. J. Scott Randolph, Center Square.

Amazing New Discovery for RHEUMATISM ARTHRITIS

NO FASTER PAIN RELIEF KNOWN

SAFE - CLINICALLY TESTED

Sensational New Research Discovery Stops Swelling of Painful Joints

DEVELOPED AFTER YEARS OF EXTENSIVE CLINICAL TESTS. IMDRIN has been a closely guarded experimental secret. Now proved conclusively to work internally toward amazing reduction of pain, heat, redness and swelling. For victims of rheumatism, arthritis, neuritis, sciatica, neuralgia, Get IMDRIN today.

RELIEVES PAIN AND SUFFERING AFTER YEARS OF TORTURE

"About 25 years ago, arthritis forced me to quit my job, and walk with crutches. Finally, I tried IMDRIN. Today, nearly all soreness is gone, and my agony is over." - J. H. Bayard, New Mexico

"After five years of suffering, I discovered IMDRIN. The first day, pain was relieved. Now I walk without a cane, and use bed for sleeping instead of slouching. I feel better at 56 than years ago." - Mrs. M. H. Clarkman, W. Va.

"IMDRIN is worth hundreds of dollars to me. When I used to move my arm, it stabbed me like a knife. I tried many remedies, but only IMDRIN has brought wonderful relief." - A. C. S. Whiston, Ill.

Name, address on request. *Based on model

MARYLAND HOME FRONT

Reports that Maryland grown lespedeza seed is bringing as low as four cents a pound on the market, have brought a reminder that the production and marketing administration can support the price of this crop under a purchase agreement program. Joseph H. Blandford, chairman of the Maryland PMA State Committee, said this week that the support price for Kobe lespedeza seed has been set at 12 cents per pound while Sericea brings 15 cents.

He referred farmers to the local offices of the production and marketing administration, but explained that Maryland farmers can get a purchase agreement under which the government will take the seed on April 30, 1950, at the support price, if a better offer has not been made ahead of that date. In the meantime, farmers in need of money on their crop can arrange loans through commercial sources on the basis of the purchase agreement.

"Seed shortages in many of the principal grass and legume crops indicate that there are real seed growing opportunities for Maryland farmers," Mr. Blandford declared. "We are glad that the price support program has been made available to insure fair prices to producers and we hope it will encourage more growers to undertake seed production."

Food Exports High
Price support programs, working in combination with conservation practices encouraged through incentive payments, have done much to maintain or increase food production in this country, according to Mr. Blandford.

He pointed out this week that, for the fourth consecutive time, total food exports during the last fiscal year exceeded all previous records. At more than 22 million tons, food exports were about 15 per cent larger on a tonnage basis than during the preceding fiscal year. Exports of wheat and wheat products amounted to more than 501 million bushels—the largest on record and almost ten times the average annual exports for 1935-39. From 55 to 60 per cent of the shipments from the United States were financed by gifts and loans—under the European Recovery Program and for government and relief in occupied areas.

Total civilian per capita consumption of food in this country was about 10 per cent above the pre-war, 1935-39 level, although lower than in the three preceding fiscal years. U. S. civilians took 82.3 per cent of

the total amount of food distributed during the year. Exports, including military shipments of food to occupied areas, accounted for 16.2 per cent, U. S. military services took 1.1 per cent for troops stationed at home and abroad, and U. S. territories received .4 per cent.

By commodities, U. S. civilians consumed 97 per cent of the nation's meats during 1948-49 more than 85 per cent of the edible fats and oils distributed, almost 98 per cent of both vegetables and eggs, more than 90 per cent of the fruits, more than 85 per cent of the cheese, and about 85 per cent of the condensed and evaporated milk

New Hours For Postoffice Named

The Emmitsburg post office announces the hours of window service during the Christmas rush period.

Beginning Dec. 15 and continuing until Dec. 24, including Saturdays, Dec. 10 and 17, the service windows will be open from 8 a. m. until 6 p. m., and also each evening from 7 p. m. to 7:45 p. m.

Money orders are issued and paid from 8 a. m. to 6 p. m. daily. The post office will be closed on Sundays.

On Monday, Dec. 26, the general delivery window will be open from 8 a. m. to 10 a. m. There will be no rural delivery on Monday, Dec. 26. Special delivery mail will be delivered within the radius of one mile.

Postmaster Lewis H. Stoner request patrons to "mail early for assured delivery before Christmas," as mail for the coming holiday is expected to exceed last year when more than 100,000 letters and cards were handled, in addition, to thousands of pieces of other classes, including registers, insured, special delivery and special handling mail.

You Can Buy Fine China On A Budget

Starter set plans now put fine china with its greater strength, exquisite eggshell translucence and decoration within the reach of every homemaker. To assist in assembling a dinner service, fine chinas such as Lenox are available in five-piece starter sets of dinner plate, salad plate, butter plate, teacup and saucer, or a piece at a time. In fine china you'll find a wide choice of traditional and contemporary designs. Shown here is a table setting of Lenox china in Fairfield pattern which features 24-carat gold lilies on the new coupe shape plate.

ROCKY RIDGE NEWS

By MRS. JOHN KAAS
(Rocky Ridge Correspondent)

Mr. and Mrs. Albert Stambaugh attended a dinner and meeting held by the Maryland and Virginia Milk Producers' Association at the Francis Scott Key Hotel in Frederick Friday.

A motion picture entitled, 'Like a Mighty Army' was shown at Mt. Tabor Lutheran Church on Sunday.

Mr. and Mrs. Martin Rodkey and nephew, Ferne Rodkey of Taneytown, were guests on Sunday of Mr. and Mrs. Monroe Wantz.

Mr. and Mrs. Guy Boller made a business trip to Boonsboro on Thursday.

Mr. Robert Valentine of Keyville spent last week with his sister, Miss Cotta Valentine.

Society Meeting

The regular monthly meeting of the Willing Workers' Society of Mt. Tabor Lutheran Church was held Tuesday at the church. An election of officers was held with the following being elected: President, Mrs. Nova Sharrer;

vice president, Mrs. Helen Ogle; secretary, Miss Isabel Troxell; treasurer, Mrs. Emily Sixx; pianist, Mrs. Charlotte Thompson.

Christmas Party

A Christmas party was held in the Community Hall by the Mothers' Class of Mt. Tabor Sunday School last Friday. The following program was rendered: Song, "Joy to the World"; welcome, Mrs. Lillian Clem; prayer, Rev. R. S. Poffenberger; reading, Pauline Troxell; vocal solo,

"White Christmas," Roger Clem; reading, Shirley Sprague; song, "Silent Night"; Scripture reading, Rev. Edouard Taylor; reading, Mabel Sharrer; song, "It Came Upon the Midnight Clear"; play, "The Christmas Stockings"; Christmas songs by Miss Erma Rice and Mrs. Richard Dubel; benediction, Rev. Poffenberger.

The names of the secret sisters were revealed and new ones drawn. Gifts were exchanged and refreshments were served.

Home-made food — a jar of mince meat, a box of cookies or a small fruit cake—are among the nicest Christmas gifts. They often express friendship more than costly gifts from a store.

Down The Field

By JACK LORING

Two games of real "up" football helped close the regular season, but the endings were somewhat different.

The Mustangs of SMU gave the Irish an afternoon of anxious moments in a rough, tough go, but finally fell before Notre Dame's accustomed stability in winning, 27-20.

Leahy used the crying towel most of the afternoon, but this time he was facetiously. Gloomy Gil Dobbie, the old Cornell mentor, never bawled in it more profusely.

The Plainsmen of Auburn, on the other hand, succeeded in up-ending Alabama by a 14-13 count. It was sweet revenge for Auburn, who waited a twelfth to turn back 'Bama's Tide for that 55-0 walloping administered the Plainsmen one year ago.

Out in Ohio's Glass Bowl, Cincinnati thumped Toledo, 33-13. This game, incidentally, was picked for the record, Cincy getting the nod. Due to lack of columnar space this last pick in the bunch was omitted in last week's issue. The item is mentioned here solely because we need this win digit for the table.

General Leaders
Last week we closed out the conference standings, and present herewith the best records, in terms of games won and lost, as the book closes on the schedule.

The Unbeaten Untied: Notre Dame, Oklahoma, California and College of Pacific, 10 wins each with 9 wins.

The Beaten Untied: Rice and Wyoming with 9 wins each; Villanova, Cornell, Maryland, Brown, and Xavier (O.) with 8 wins each.

Ohio State won 6, lost 1 but tied twice.

Best Small Teams Nearby: Emory & Henry, 11 wins; St. Vincent's with 9 wins; Trinity with 8 wins; Gannon, 7 wins; Delaware had 8 wins and 1 loss; Western Maryland, 7 wins and 1 loss; Gettysburg with 7 wins, 1 loss and 1 tie.

Column's Choices
This column likes the following as the best teams in the country: East—Army and Villanova tossup for first, Cornell runner-up; South—LSU first, Maryland and Kentucky tossup for runner-up; Midwest—Notre Dame first, Minnesota runner-up; Southwest—Oklahoma and Rice tossup; Coast—California and College of Pacific tossup for first, Santa Clara runner-up.

All-Americas
Grantland Rice logically assumed the toga of the late Walter Camp; but in the past two decades countless numbers have picked so-called All-Americas, apparently stripping Granny of his prerogatives. Maybe this is good, maybe it's bad. Who knows?

We have seen six more or less substantial All-America teams for this year, and pass on to you their consensus. The six picking agencies are AP, UP, Rice, Collier's, Chicago-Tribune (picked by college players), and an unidentified source, probably NEA. The consensus—

First Team—Hart (Notre Dame) and Williams (Rice), ends; Walker (Oklahoma) and Nomellini (Minnesota), tackles; Franz (California) and West (Oklahoma), guards; Tonne-maker (Minnesota), center; Galiffa (Army), Justice (No. Carolina), Walker (SMU), and Sitko (Notre Dame) backs.

Second Team—Foldberg (Army) and Weiner (North Carolina), ends; Martin (Notre Dame) and Gain (Kentucky), tackles; Barkouski (Pitt) and Bagdon (Michigan State), guards; Watson (Rice) center; Williams (Notre Dame), Ortman (Michigan), LeBaron (College of Pacific), and Chandross (Michigan State) backs.

On the consensus first team only Hart, Sitko and Tonne-maker were unanimous, common to all six originals.

Bowl Games
At this writing the bowl pairings remain as given last week except in the following instances.

The Raisin Bowl in Fresno, Dec. 31, will have San Jose against Texas Tech instead of Wyoming. Tech is the Border Conference champ. And College of Pacific and Baylor (runner-up to Rice in the SW Conference) have virtually agreed

to meet. Only the location and date are in abeyance. Under consideration are Kezar Stadium, San Francisco, for Dec. 31, and the Harbor Bowl, San Diego, for January 2.

The best combined record going into any bowl is that presented by Emory & Henry and St. Vincent's in the Tangerine Bowl (Orlando). Both undefeated, E & H with 11 wins and St. Vincent's with 9. A perfect mark: 1:000.

The Sugar Bowl and the one into which College of Pacific-Baylor go are tied for second place with the next best combined average. The Sugar with LSU (8-2) and Oklahoma (10-0) averages .800; while College of Pacific (10-0) and Baylor (8-2) present the same mark.

The Rose Bowl with California (10-0) and Ohio State (6-1-2) comes next, averaging .868; the Salad with Tempe (7-2) and Xavier (9-1) averages .842; Cotton Bowl next with Rice (9-1) and No. Carolina (7-3) giving .800; Gator next with Maryland (8-1) and Missouri (7-3) giving .789, and Orange Bowl next with Kentucky (9-2) and Santa Clara (7-2-1) showing .786.

The Oleander shows .778, Sun Bowl .658, Raisin Bowl .652. The Pineapple and Cigar Bowls are indeterminate in this respect, due to obscurities in the records of Hawaii and Florida State.

The Score Sheet

This column's picking percentage, as of the regular season's close, is as follows: 402 games, 307 right, 81 wrong, 14 tied, giving .781. By the money method, which disregards ties, this average is upped exactly one per cent, or .791.

Next week is closing out time, so watch for bowl selections. Be seeing you.

TRAVELOGUE

(Continued from Page 1)

paper you use is made, and how the paper used in America is made.

In former days the lumber companies usually destroyed the mountain forests in removing the timber they wanted. This is no longer the case. Under the leadership of this progressive paper mill, which has a lease on much of the Appalachian Forests Reserves, a new plan of conservation has been adopted so that only the ready timber is removed without destroying the younger growth. By a plan of reforestation the great timber reserves are now being permanently maintained by growing trees as fast as they are used.

This experiment shows that private capital has within itself the resources to correct and cure many of the abuses with which it has been charged in the past; that it is strong on production and weak on distribution, while Communism is strong on distribution and weak on production. Here was an example of an industry strong on both production and distribution and making huge profits in the plan. Here in a small way is one of the answers of private capital to Communism.

Mr. Robert H. Gillelan of W. Main St., who was confined to his home several days this week, is able to be up and around again.

Birthday Party

A birthday party was held Thursday evening at the home of Mr. and Mrs. Raymond Baumgardner, of near town, in honor of Robert Baumgardner, Junior

Miskell and Virginia Baumgardner. Those attending were: Rev. and Mrs. Adam Grim and daughter, Evangeline, Mr. and Mrs. George Amos, Mrs. Wayne Creager, Mr. and Mrs. John Baumgardner, Fred

Bentz, Rhudy Creager, Betty Ann Glass, Arnold Creager, Marthea Baumgardner, Gwenda Creager and Calvin Amos.

Mrs. William Osborne and two children are spending a week with her father and brother, Mr. James O'Rourke of S. Seton Ave.

Mrs. Alice Bollinger was admitted as a patient at the Gettysburg Hospital this week.

Mary Lou Miller, who is a student at the Johns Hopkins hospital, at Baltimore, spent the week-end with her parents, Mr. and Mrs. Floyd Miller, Center square.

The Luther League of the Elias Lutheran Church met recently in the Parish House with Maebelle Carson and Johnny Beegle as the leaders. Immediately following the service they had play practice for Christmas.

Census Takers Begin Operating In April

The Census Bureau will hire more than 2,215 persons to count Maryland's population next April, it was announced.

In all, six district offices will be opened to conduct the campaign.

In addition to 116 persons employed in the district offices, there will be some 1,988 Maryland counters directed by 111 crew leaders.

Starting April 1, the census takers will compose facts on population, homes, and farms.

The work of gathering next year's census is expected to require about two weeks in the urban areas and about a month in the rural sections.

The nearest district office to Emmitsburg will be located at Hagerstown.

The 1940 census showed Maryland had a population of 1,821,244, an increase of 11.6 per cent over the 1930 figure of 1,631,526.

It was said the results of the 17th decennial census in Maryland in 1950 will not be known for some time, but it is now planned to submit the official population figures for each of the states to the President Dec. 1, 1950.

Gets Jail Term For Non-Payment

Joseph F. Topper, 103 E. Main St., was given sentences totaling 15 days in the county jail this week when he pleaded guilty to exceeding 50 miles per hour and operating a motor vehicle on an expired permit. The defendant was unable to pay the fines and costs.

Topper was arrested by State Trooper William A. Mutchner on Alternate Route 40, about five miles west of Frederick. The hearing was held before Magistrate Alton Y. Bennett. On the first charge he was unable to pay \$15.75 along with \$10.75 on the second.

MITE SOCIETY MEETS

The regular monthly meeting of the Mite Society of Trinity Methodist Church was held at the home of Mr. and Mrs. William A. Frailey of W. Main St., Friday evening, Dec. 2.

Following the business session, the members and guests enjoyed a program of entertainment.

Delicious refreshments were served. The next meeting of the society will be held at the home of Mr. and Mrs. Francis Matthews Friday evening, January 6.

Mrs. Ruth Hottinger, Littlestown, visited relatives in town this week.

Gridders Quit

The star backfield the past two seasons on Mt. St. Mary's College football team, Walt Belardinelli has quit college, Coach John Law announced.

Belardinelli came to the Mount last football season after leaving Notre Dame. He led individual scorers in Maryland last year with 10 touchdowns.

Belardinelli becomes the fourth grider to quit at Mt. St. Mary's this year.

Mr. and Mrs. Ralph S. Sperry of S. Seton Ave., left Thursday morning for Florida where Mr. Sperry will spend his winter vacation at Bradenton Beach. Mrs. Sperry will return home after spending sometime there.

Mr. and Mrs. William A. Frailey of W. Main St., are spending the week-end at their apartment in Washington, D. C.

Mr. and Mrs. Matt Paidakovich and family of Washington, D. C., spent the week-end with Mrs. John D. Elder of S. Seton Ave.
