

EMMITSBURG CHRONICLE

VOL. LXXII, NO. 8

EMMITSBURG, MARYLAND, FRIDAY, NOV. 9, 1951

SUBSCRIPTION: \$2.00 PER YEAR

Most Anything At A Glance

BY ABIGAIL

Well, Halloween has gone the way of all good holidays. The occasion was celebrated rather quietly here when it was learned that extra police had been engaged for the evening and that notice of stiff penalties would be imposed on any violators caught. Aided by a rather heavy downpour, the constabulary had rather an easy time of it. Quiet was the word if you compare it to standards of other years. Several local youths were rather chagrined when caught in the act of depredations. They were promptly made to make restitution of the property they carried off. Chief Koontz had the somewhat dubious pleasure of nabbing one of the young vandals in the act of making way with a large gate. After chasing the chap across a muddy field in the rain he finally succeeded in nabbing him and promptly marched him back to the scene of the depredation. After working for about an hour in the heavy downpour the lad succeeded in making the proper restoration. You can bet your last dollar that he won't bother any more gates. Not so lucky were the four teenagers who thought it "fun" to see how many state road signs they could knock down from Toll Gate Hill to town. They were promptly apprehended, presented with a bill of \$40 some odd dollars and paid \$15 in fines to boot. Their fun cost them about 25 smackerels each. Not so humorous now boys, eh?

Anyway, it was a grand little parade, with 251 taking part. This little affair has also done much to quell the little bit of devilment in most of us.

That nemesis of all motorists, Route 15 really had a spree on last Friday. Trooper First Class Kenneth Bond had his hands full when five wrecks occurred within a space of four hours. All occurred on Route 15 between here and Lewistown. No sooner than the trooper had one mess straightened out when he was radioed to another. Damage to vehicles amounted to several thousand of dollars and two were injured rather painfully, but thank the Lord, not seriously. That's some sort of a record, believe me, and the work that is supposed to be done next spring can't come too soon for most of us. I see where that "temporary" bridge at Tuscarora Creek is about to become permanent after about 10 years' duration. It is expected that the new stretch of road is to be opened to traffic any day now. This will be one major step in improving "snakish" Route 15 which has claimed several lives and untold damage to hundreds of cars.

Well, that first snow has arrived, and sooner than we had expected. While not much of it fell locally, several inches were recorded in the mountainous regions and other outlying nearby sections. Garages reported a run on anti-freeze and one estimated it had sold over 200 gallons of the stuff in the first three days of the cold siege. From available records this is one of the earliest winters in the past 20 years and from all indications promises to be a "real one." Records of low temperatures have already been set in nearby communities. Just as I am building up a blizzard, now watch that sun come out and we'll probably have a little more Indian Summer. Something like this always happens to me.

One of the finest little plans conceived to combat juvenile delinquency here in Emmitsburg was begun recently by Chief Robert Koontz. The plan, a Junior Police Club. Already Chief Koontz has an enrollment of over 30 and he states that the membership is still open to anyone of the young boys desirous of joining. The club meets bi-weekly and it is planned to purchase athletic equipment and form teams for various contests. You don't have to be a criminal to join. No siree, some of the scions of the finest families in town are members of this outfit. It has its own set of elected officials and all infractions are handled by an appointed jury. A majority vote can oust any undesirable member. We urge parents to look into the advantages of this fine organization.

Fire Insurance Rates May Be Lowered Here

If present plans of the Vigilant Hose Co. mature, as expected, property holders in Emmitsburg District will soon get relief from high fire insurance premiums.

President Herbert Roger of the fire company, announced this week that plans are under way to train a body of local firemen in the latest fire fighting techniques. The plan calls for 20 weeks' school under the supervision of Mr. Corbin of the University of Maryland Fire Extension School. Twenty members of the local hose company are expected to enroll in the training program which will be held in the Fire Hall every Thursday evening, Thanksgiving excepted.

Fire Chief John J. Hollinger requested this week that some of the older members of the company enroll in the school as there is danger of losing some of the younger ones to armed forces and a minimum of 10 must complete the course.

Chief Hollinger also stated the word has been received from the Fire Underwriters Board that the new engine had met all specifications of the underwriters and that Emmitsburg now has one of the best-equipped fire fighting units in the state for towns of comparable size. Both engines are of the modern front-pumping type and are practically new.

Quoting Chief Hollinger concerning the prospective decrease in insurance premiums: "If and when this school is completed it is my understanding that Emmitsburg District and a radius of four miles will be entitled to a substantial decrease in the price of fire insurance. With our present underwriters-tested equipment and a trained force to manipulate it, the saving in insurance rates should range between five to 10 per cent. Exploratory figuring shows that about \$25,000 should be saved by policyholders in the near future."

Alumni Dance Thursday Night

A large crowd is expected to attend the "Come-As-You-Are" dance in the Fire Hall Thursday evening, Nov. 15.

Roscoe Six and his orchestra will furnish the music for the occasion, which is sponsored by the alumni of St. Joseph's High School.

The committees are working feverishly to get the last minute details in order for the gala affair. Mrs. Robert Koontz is chairman of the dance committee.

Admission to the dance, which starts at eight o'clock, is 50 cents.

Mrs. Louis Rosensteel Contest Winner

Mrs. Allen Bouey and Mrs. Claudia Rosensteel carried the pigskin to victory last week in the Chronicle's Football Contest. Each had seven wins.

Mrs. Rosensteel, however, came within one point of correctly naming the Maryland-Missouri contest, 34-0. Mrs. Bouey selected a 30-6 win. Maryland won the game 35-0.

This week's popular contest, steadily growing in popularity, is to be found on Page Seven.

Game Law Change Is Revealed

An important change in the wild turkey hunting law was announced this week by the Maryland Game and Inland Fish Commission which met Oct. 13.

In conformance with Section 5, Chapter 200, Acts of 1949, the commission, through its discretionary powers as provided by said act declares: "It shall be unlawful to hunt, trap, shoot, capture or kill, or attempt to hunt, trap, shoot, capture or kill wild turkeys in the state of Maryland except from Nov. 15 to Nov. 30, both dates inclusive. Closed season in all counties except Allegany and Washington Counties. The bag limit on wild turkey shall be one per season."

All regulations and parts of regulations inconsistent with the provisions of this regulation are repealed to the extent of such inconsistency.

INDUCTED

John Fuss, son of Mr. and Mrs. John M. Fuss, Emmitsburg R. D., left last night for Ft. George G. Meade, where he will report for induction into the armed services.

Route 15 Scene Of Five Wrecks

Wet and slippery highways were contributing factors in five motor vehicle accidents in this section of Frederick County Friday afternoon. All occurred in a space of four hours and were investigated by State Trooper 1/c Kenneth Bond.

Only two personal injuries resulted from the mishaps. Mrs. Jennie Hartman, 69, of Jamestown, N. Y., suffered a fractured arm and leg and her sister, Mrs. Victoria Schmock, 61, of Erie, Pa., a broken nose and left arm. Both were admitted to Frederick Hospital for treatment.

The two women were en route to Florida in a car driven by Mrs. Schmock's husband, John F., 65, when they became involved in a three-car collision on U. S. Route 15 near Catoctin Furnace at 12:30 p. m. The Schmock vehicle was going south when it was struck by a car driven by Emily Jean Parkinson, 19, of East Orange, N. J. Miss Parkinson was traveling north when the car in front of her, operated by Miss Julia T. O'Hea, 27, of Brooklyn, suddenly pulled into a roadside stand. Miss Parkinson applied the brakes and skidded across the highway, striking the Schmock car and rebounding into the O'Hea automobile. Trooper Bond charged Miss Parkinson with speed too great for existing conditions and Miss O'Hea with failure to give a hand signal.

The limits of Catoctin Furnace were the scene of a second accident at 3:05 p. m. when a car driven by Neil R. Cline, 22, a student at Gettysburg Seminary, skidded on the wet highway while traveling south on Route 15 and struck a Potomac Edison freight trolley as it crossed the road. The trolley was being operated by H. C. Culler, 63, of Middletown. Trooper Bond said he has preferred no charged pending investigation.

The third mishap on Route 15 occurred at Catoctin Furnace at about 3:30 p. m., involved a school bus operated by Albert J. Riffle, 51, of Thurmont. As the bus was slowly traveling south, discharging children, it was struck, in the rear, by a car driven by Harold Palmer, of Cedar Falls, Ia. Damage to the bus amounted to about \$150, the state trooper estimated and to the Palmer vehicle, \$175. Palmer was charged with speed too great for existing conditions and was fined \$5 and costs before Magistrate Palmer at Thurmont. About a minute after the bus was rammed from behind, it was struck in the left front by a car operated by Bernice M. Patton, of Springdale, Conn. The Patton vehicle, the trooper reported, passed the bus and struck the left front with its right rear. The woman paid a fine of \$15 and costs to Judge Palmer on a reckless driving charge.

The fifth collision on Route 15 occurred at the intersection of U. S. Route 15 and State Route 76 at St. Anthony's about four o'clock. The trooper's report said that a car, driven by Eugene Lee Long, 24, of Route 2, Thurmont, struck the rear of a one-ton panel truck, when the latter was stopped on Route 15 preparatory to making a left turn onto the state road. The truck belonged to the Vogel Ritt Exterminating Co. of Hagerstown. The Long car was damaged to the extent of about \$400, Trooper Bond said and the truck about \$150. Long was also charged with speed too great for existing conditions and the hearing has been set for Nov. 17 before Judge Palmer, Thurmont.

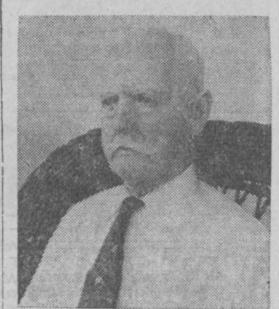

Sells Race Horse

Mrs. Joseph H. Eyster, Thurmont, announced the sale this week of Electric Hal, fast pacing horse, at the Harrisburg horse sale. The race horse was sold to B. Louin of Sherbrooke, Canada, for a reported sum of \$1700.

Financial Drive

The annual Every Member Financial Canvass for Elias Ev. Lutheran Church will be conducted Sunday, Nov. 18, with the canvass being made at the 10:30 o'clock service of the church. This Sunday will be designated LOYALTY SUNDAY and every member will be requested by the pastor and church council to be present at the 10:30 service when new envelopes will be given to them and their subscriptions for another year will be received. A new church year begins with the first Sunday in December.

Banker Celebrates 92nd Birthday

Millard F. Shuff, president of the Farmers State Bank, celebrated his 92nd birthday at his home on W. Main St., last Friday evening with a dinner given by his children. Special guests at the occasion were employees of the bank.

Mr. Shuff said "I feel today that I am indeed blessed by having good sight, hearing and able to be about every day."

Mr. Shuff visited the bank last Friday as he frequently does.

Victim of Korean Fighting Is Interred Here

Funeral services for Sgt. First Class Virgil L. Stambaugh, 25, Emmitsburg, who was killed in action last June 3 in Korea, were held with a requiem mass Monday morning at nine o'clock in St. Joseph's Catholic Church, by Rev. Fr. John D. Sullivan.

Sgt. Stambaugh's body was returned to the Allison Funeral Home, Fairfield, last week.

The young soldier was born at Loys Station, a son of Samuel and Pauline (Long) Stambaugh. Prior to entering the service he was a truck driver for Devilbiss and Six at Emmitsburg. He was a member of St. Joseph's Church. He served as a member of Co. A, 19th Infantry Regiment.

Interment was made in the church cemetery.

A buddy of Sgt. Stambaugh's, Master Sgt. Roland Glenn, who was with him at the time he was killed, recently wrote a letter to Mrs. Stambaugh in which he said: "We were 24 yards from the top of the hill when one of 'Stam's' men, a lad named Sunday, got hit. Stam jumped up and shouted at Sunday and turned to help him. As he did so, a bullet struck 'Stam' and he fell alongside Sunday." The action took place in the hills of Sangchu-Dong in North Korea.

In addition to his parents, Sgt. Stambaugh is survived by his widow, the former Ann C. Wivell; nine brothers and sisters, Sterling, Taneytown; Mrs. Violet Smith, Emmitsburg; Mrs. Carlean Buffington and Mrs. Betty Garner, Union Bridge; Samuel Jr., Harold, Joyce, Larry, and Rodney, all at home.

Mrs. Stambaugh has received the Purple Heart and Bronze Star medal from the Defense Dept.

Church To Show Film

Sunday night at 7:30 p. m. in the Presbyterian Church there will be shown the new religious moving picture entitled "A Wonderful Life." This picture has been produced as a feature film by three religious bodies cooperating together—Presbyterian, Evangelical and Reformed and Christian-Congregational. It was produced in Hollywood by the Protestant Film Commission, and presents a true story of a Christian family in a small town.

The picture is being shown in the Presbyterian Churches of the Baltimore Presbytery this fall, and in all the Presbyterian churches of America. The whole family will enjoy it and everyone in the community is invited to view it.

Mrs. Harry Baker and daughter, Mrs. Pauline Seabrooks visited Tuesday with Mr. and Mrs. Marker Lavell, New Windsor.

Mrs. J. W. Houser, Mrs. William Frailey, and Miss Rhoda Gillelan attended the meeting of the State Federation of Republican Women held in Baltimore Monday and Tuesday.

Mr. Frank Bouey of Altoona, Pa., spent the week in Emmitsburg visiting his brother and sister-in-law, Mr. and Mrs. James Bouey.

NURSING CAREERS OPEN

Miss Frances V. Brink, director of nursing at the Franklin Square Hospital, Baltimore, has announced that there will be a February class for young women interested in nursing careers.

Grange To Sponsor Scrap Drive For Memorial Hall

The Emmitsburg Grange met in the agriculture room of the Emmitsburg High School Wednesday night at 7:30 p. m., with approximately 40 members present and Master Norman Shriver, presiding. Minutes of the last meeting were read by the secretary, Mrs. Clara Harner, and were approved.

A report of the Community Show was read by the committee in charge and accepted. The master made an appeal to those present to go to Frederick tonight to receive the sixth degree, which will be given at the Park Way School. Thirteen declared intentions of taking the degree.

Prof. William Baker thanked the Grange for its part in helping send one of the FFA boys to the national meeting of the FFA and promised a report including slides and pictures taken by the boys to the Grange at a later date.

Help in Blood Drive

Edgar G. Emrich, a member of the Red Cross Blood Donor Committee reported that 30 members of the local Grange had promised to give a pint of blood when the Blood Mobile visits Emmitsburg on Nov. 19. This is 80% of the total donors from the Emmitsburg District signed up to date.

Plan Scrap Drive

The Grange went on record as sponsoring a scrap drive during the next several weeks and Edgar G. Emrich, Charles R. Fuss and Morris A. Zentz were appointed on a committee to conduct the drive. All receipts derived from the drive will be donated to the Emmitsburg Memorial Hall Fund.

Announcement was made that the book, "The Granger," which has been in the process of publication for several years, has been finished and a copy received by the secretary.

Mrs. Edgar Emrich, to prepare a report on the book to be given at a later meeting. It was announced the dates of the State Grange meeting was set for Dec. 3-7. The master stated the receipt of a certificate of award as a result of the 20 new members received during the Groff memorial membership contest. Two new applications for membership were received.

Mrs. Edgar Emrich read an article from the Maryland Farm Bureau News entitled, "A Definition of a Farmer."

Work Unit Co-nervationist Rhea Kincaid, of the Soil Conservation Program talked on the purpose and functions of the Production Marketing Assn., and a film entitled, "Realm of the Wild," was shown. Following adjournment refreshments were served.

Junior Police Elect Officers

The Emmitsburg Junior Police Club held its election meeting Tuesday night at the Fire Hall.

John Beegle was elected president of the newly-formed club; P. Mick, vice president; Fred Bower, secretary, Bill Umble, treasurer; Thomas Hays, equipment manager; Ted Topper, sergeant-at-arms, and P. D. McNair, judge.

It was decided to try members for rule infractions before the judge and jury. The jurors chosen Tuesday night were Art Damuth, Don Herring, Dick Kemper, Kenny Van Brankle, Ronald Kelly, and Jerry Joy.

Money received from dues and donations will be deposited in the bank in a savings account.

It was decided to hold games at the fire hall Saturday, Nov. 17. Meetings will be held at the hall each Tuesday evening at seven o'clock.

Plan Youth-Adult Party Nov. 23

A combined young adult and youth party will be held in Elias Lutheran Parish House Friday evening, Nov. 23, 7:30 to 10 o'clock. All the young people and young adults are cordially invited. The program will include games, square dancing, and refreshments.

PACKING APPLE CROP

The Blue Mountain Orchard, owned and operated by Quinn Topper, finished picking this year's apple crop recently. Packing of the 10,000 bushels will continue for several days.

Mr. Topper said the yield was below normal, but the quality of the fruit was almost perfect.

The largest apple crop grown by Mr. Topper was in excess of 40,000 bushels in 1942.

Three Local Youths Injured In Crash

Three Emmitsburg residents were injured at 10:45 o'clock last Friday night on Route 15, about one mile north of the State line when their car crashed into two standing automobiles.

John Edward Topper, 18, of E. Main St., driver of the car, suffered a laceration over the left eye which required six stitches, an injured left hand and contusion of the nose.

George H. McDonnell, 17, of W. Main St., suffered a cut over the right eye, bruises, and injured left arm.

William Umbel, 16, of N. Seton Ave., received numerous severe lacerations and contusions.

State Police of the Gettysburg substation investigated. The injured, all passengers in the Topper car, were treated by Dr. James Allison, local physician, where they were taken in the Emmitsburg VFW ambulance.

Police said an automobile driven by Howard P. Iverster, 24, of Baldwin, Ga., and owned by Fred Cochran, Cornelia, Ga., was traveling south towing another car, also owned by Cochran, purchased in the north and being taken south for re-sale. They said the car stalled on a grade and Iverster and a companion flagged traffic after attempting to start the stalled vehicle.

Topper was traveling north, according to police, applied his brakes when he saw the stalled car, and skidded, striking the other cars. Both of Iverster's vehicles were turned around on the highway and forced off on the opposite side. Damage to one of them was estimated at \$75 and to the other at \$200. Damage to Topper's car was put at \$175.

Another car, a Henry J, appeared on the scene shortly after the accidents, skidded into a ditch. It didn't strike any of the other cars or was the driver injured.

FREEMAN-SMITH

A beautiful wedding was solemnized at Pentworth Methodist Church, Grant Circle at New Hampshire Ave., N. W. Wash., D. C., on Friday evening, Nov. 2 at 7:30 o'clock, when Miss Cathryn Ann Smith, daughter of Dr. and Mrs. Ralph Dela Smith, 1370 Locust Rd., N. W. Wash., D. C., became the bride of Mr. Horatio Putnam Freeman Jr., son of Dr. and Mrs. Horatio Putnam Freeman, of Emmitsburg, Md. The ceremony was performed by the father of the bride, who is pastor of the Pentworth Methodist Church.

The bride, escorted to the altar by her brother, Ralph D. Smith, Jr., wore a gown of white satin with a finger-tip veil. She carried a bouquet of white chrysanthemums.

Mrs. Ralph Dela Smith, Jr., sister-in-law of the bride, was matron of honor. Miss Ruth Freeman of Emmitsburg and Baltimore, sister of the bridegroom, Miss Elaine Spencer and Miss Eleanor Parker of Washington, D. C., were bridesmaids. Mary Anne Kemp, niece of the bride, was flower girl. Carson Gray Frailey, cousin of the bridegroom, acted as best man. The ushers included Wm. Garner of Emmitsburg and Washington, William F. Smith, brother of the bride, and Robert D. Kemp, brother-in-law of the bride.

After the ceremony wedding guests were greeted at a reception in the church parlor.

The bride attended the University of Maryland and is employed as secretary in the Dept. of Agriculture, Wash., D. C. The bridegroom is a graduate of Dickinson College, Carlisle, Pa., a member of Phi Kappa Psi Fraternity, a veteran of World War II and holds a commission as first lieutenant, Air Corps Reserve. He is employed at the U. S. Bureau of standards as chemist.

After a wedding trip through the New England States, Mr. and Mrs. Freeman will make their home at 5603 Chillum Heights Drive, Hyattsville, Md.

The bride is a niece of Mrs. Thomas J. Frailey, of Emmitsburg.

ATTEND WEDDING

Col. and Mrs. Thomas J. Frailey, Miss Grace Rowe, Dr. and Mrs. H. P. Freeman and daughter, Ruth, Mrs. Clarence Frailey, Mrs. Carrie Long, Mr. and Mrs. William A. Frailey, and Mr. and Mrs. J. Ward Kerrigan, all of Emmitsburg, attended the wedding of Miss Cathryn Ann Smith, daughter of Dr. and Mrs. Ralph D. Smith, to H. P. Freeman, son of Dr. and Mrs. H. P. Freeman of the Petworth Methodist Church, Washington, D. C.

Town Tax Rate Remains Unchanged

Emmitsburg taxpayers received good news this week when the Mayor and Commissioners of the Corporation of Emmitsburg announced there will be no increase in property holders' taxes for 1952. This action was taken at the regular meeting of the Town Council at the Fire Hall Monday night. The full board was in attendance and Chairman of the Board Col. Thomas J. Frailey presided.

The solons announced the town could operate "comfortably" on the present tax rate of 50 cents on the \$100 for the next year and still make a generous contribution to the Vigilant Hose Co. No increase in the sewer tax was indicated. Town Treasurer Louise Sebold's financial report was approved as presented. Miss Sebold, in her report, notified the council that the parking meters, installed two years ago, were now fully paid for, and it was decided to keep the present meter fund, subject to transferral to the general fund at any time, to pay administrative expenses of the Police Dept.

The meters were installed at an original cost of \$4000 and are now the property of the Corporation. All revenue henceforth will go to the town treasury.

Mayor Rodgers, the only remaining official who was responsible for the installation of the meters, was highly commended by members of the present board for his foresightedness and accomplishments. Revenue from the meters for October totaled \$319.66.

Unpaid taxes for 1950 were reported as \$173.45. An increase in tax revenue is expected this year by the increased assessment levied by the county.

In response to a plea by the Chamber of Commerce for a stop sign at the intersection of Bolinger's Alley and the road leading to the Community Field, the Council ordered the sign installed as soon as possible. Increased traffic, due to the shoe factory and vehicles using the town parking lot, was the main reason for the Chamber asking for the stop sign. Several small collisions have resulted at this intersection in the past few months.

Council is at present studying a plan to insure the town against damage suits resulting from bad sidewalks, personal injury to any of its hired force, etc. It is believed that a satisfactory insurance plan will be set up shortly.

Chief Robert Koontz and his deputies were commended by the Council for keeping Halloween depredations to a minimum.

Local Ambulance Transferring Ritchie Patients

The VFW ambulance was used this week in the transfer of patients at the Camp Ritchie State Hospital to Salisbury Hospital. On Monday Police Chief Robert Koontz drove the vehicle to the Southern Maryland town and on Wednesday Eugene T. Rodgers assisted in the transferral of the patients. Three convalescent cases were taken on each trip.

In all, it is believed that more than 100 patients will be moved from Camp Ritchie to Salisbury. The Federal Government recently bought Camp Ritchie from the State of Maryland. The remaining patients will be removed by some 40 other ambulances.

SOLDIER RETURNING

Sgt. Marshall Sanders, co-proprietor of Sanders Bros. Garage, N. Seton Ave., is reported on his way home from Korea. Sgt. Sanders, a World War II veteran, has been in Korea on the front lines for over a year.

Mr. Roger Zurgable, local businessman, was confined to his home this week due to illness.

Pvt. John S. Hollinger, son of Mr. and Mrs. John J. Hollinger, S. Seton Ave., has been transferred from Ft. George G. Meade to Indiantown Gap, Pa., where he will receive his basic training in the artillery. Pvt. Charles Knott, Emmitsburg, is also stationed at the 'Gap.'

ENGAGED

Mr. and Mrs. Charles E. Lingg, Emmitsburg, announce the engagement of their daughter, Dorothy Susanna, to John Francis Riley, son of Mr. and Mrs. James Riley, Gettysburg R. D. 2. No date has been set for the wedding.

LOOKING AT RELIGION

CHAPLAIN (CAPT.) JAMES P. SPENCER, OF PROVIDENCE, R. I., A CATHOLIC PRIEST SERVING AMERICAN SOLDIERS IN KOREA, HAS BEEN AWARDED A SILVER STAR. HIS CALM WORDS OF ENCOURAGEMENT, WHILE OUR FORCES WERE REELING BACK, HELPED STEM A FIERCE RED ATTACK.

Shriners Planning Circus For Benefit Of Crippled Children, Other Charities

Illustrious Potentate William F. Hilgenberg, of Boumi Temple, announces the annual Shrine Circus, to be produced and presented under the direction of Polack Bros., producers of the world's finest indoor spectacles, at the Fifth Regiment Armory for eight days—starting Saturday, Nov. 10 and continuing for two performances daily at 2:15 and 8:15. This means eight big days for the Shriners of Boumi Temple to entertain the youngsters and oldsters of Baltimore and vicinity. Boumi Temple depends upon the revenue from the circus to meet the many demands that are made upon it for charitable purposes. Last year the Temple was able to contribute \$20,000 to various charities throughout the state and to entertain 8,000 underprivileged children.

Cpl. Wantz Returning From Duty In Korea

Cpl. David B. Wantz is returning to the U. S. after serving with the First Cavalry Division in Korea since January.

Cpl. Wantz will be released from active duty on arrival in the U. S., according to a report received from the Army Home Town News Center.

The 21-year-old corporal served as radio operator in heavy mortar company, Fifth Cavalry Regiment. He was promoted to corporal in August.

Cpl. Wantz served 18 months in Japan and was released from active duty Mar. 31, 1950. He was recalled on Sept. 15, 1950.

He was employed by the Hanover Shoe Factory before his recall.

While serving in Korea, Cpl. Wantz was awarded the Combat Infantryman Badge, Purple Heart, medal for wounds received in action, and the Korean Service Ribbon with three campaign stars.

HOLDING REHEARSALS

Rehearsals are in full swing for Emmitsburg's High All-School play, "Mumbo Jumbo," which will be presented Friday night, Nov. 16, at eight o'clock in the school auditorium. The play is directed by Mrs. Alma Jones.

welcomed into the K. of C. by Gerard L. Green, Grand Knight of Mt. St. Mary's Council.

Among other distinguished guests present were the following: Austin Thomas, district deputy; W. Jerome Offutt, past district deputy; John Janyka, grand knight; John Dunnigan, grand knight, Maryland Council, and James Curran, deputy grand knight, Maryland Council.

Activities of St. Joseph's Church

The Bazaar of the last weekend was a fine success. A great deal of credit for the splendid showing is due the ladies and girls of the parish who gave such devoted service to the various activities. The ladies who prepared the supper are deserving special commendation. The quality and quantity of the food served won the unstinted praise of all who came to the Bazaar and enjoyed the supper. To all who made the Bazaar a success, the thanks of the parish is extended, especially to Mrs. Guy A. Baker, Sr., who this year assumed the responsibilities for the many activities. Mrs. Baker is the president of the Sodality.

Though some of the games and features of the bazaars of other years were not a part of this year's affair, the financial returns were practically the same as for previous bazaars. This result was due principally, to the generous donations given by some of the members of the parish for the purchasing of the turkeys and the purchasing price that was offered by Mr. George A. Miller, who operates a very successful turkey farm near Marsh Creek.

The following report on the Bazaar was submitted to Father Sullivan on Wednesday. Only one or two outstanding bills are yet to be submitted. These bills are not believed to be for any great amount.

Receipts

Donations for turkeys.....	\$131.00
Suppers	428.65
Bingo (Gross)	148.39
Chil. of Mary Table.....	129.19
Candy Table	121.77
Sandwich Table	50.00
Novelties	37.44
Glass Game	32.55
Balloon Game	26.15
Total	\$1185.69

Expenditures

Turkeys Purchased	\$109.49
Printing & Advertising.....	19.91
Candy Purchased	7.46
Total	\$136.86
Net Receipts	\$1048.83

Rosary Crusade Terminates

The Family Rosary Crusade was brought to a successful conclusion, when the chairmen of the crusade presented their final report to Father Sullivan. Over 800 signatures were handed in at the final meeting of the chairmen. These signatures represent the pledges of the members of the parish and some who are not members. The drive was not only successful locally but throughout the archdiocese its success far exceeded the sanguine hopes of the organizers, the workers, the priests, pastors and even the Archbishop himself. The enthusiastic reaction of the Archbishop was fervently expressed in his letter read at all the Masses celebrated Sunday throughout the archdiocese.

During the week Pastor Sullivan contracted for a set of desks for the fourth and fifth grades of the parochial school. Due to the increased number of children, it was necessary to obtain a complete set of equipment for these two grades. The desks purchased will be the latest in scientific design and will cost about \$500.

The regular Monday evening instructions at the Miraculous Medal Novena were resumed Monday by Father Sullivan, who spoke on "Our Blessed Mother and the Souls in Purgatory." A list of subjects for the coming months is being prepared and will be announced in a few weeks.

K. of C. Initiate New Members

On Sunday afternoon, Nov. 4, a group of 22 candidates assembled in the Council Chambers of Mt. St. Mary's Council No. 1965, Knights of Columbus, to be initiated into the first and second degrees of the Order.

The first degree was given by the degree team from St. John's Council, No. 1622, of Frederick, and the second by a degree team from Baltimore, composed of members of Patapsco Council, No. 1960, and Maryland Council No. 370.

At the conclusion of the degrees, the new members were

J. LEWIS OVERHOLTZER

J. Lewis Overholtzer, 73, son of the late John D. Overholtzer and Elizabeth Welty Overholtzer, died Thursday morning at four o'clock at the home of his son, J. Lewis Overholtzer Jr., near Taneytown, where Mr. and Mrs. Overholtzer were making their home.

Death came after a lingering illness of some time.

Funeral services will be conducted at the C. M. Waltz Funeral Home, Winfield on Sunday at 1 p. m., the Rev. C. H. Shaw officiating. Burial will be in the Emmitsburg Lutheran Cemetery with the Rev. Philip Bower taking part in the service at the grave.

Mr. Overholtzer was born in Freedom Twp., Adams County, Pa., and resided in that area as a farmer until about 20 years ago. He is survived by his widow, Eliza Ann Knox Overholtzer and eight children, Mrs. Clarence Sanders, Gettysburg, Pa.; Mrs. John Goulden, Kingsdale, Pa.; Mrs. Nellie Stahley, Westminster; J. Lewis Jr., Westminster R. D. 6; Mrs. George Wenschoff, Fairfield R. D. 2; Morris E. Mayberry, Md.; Mrs. Harry Forney, Taneytown, and Mrs. John Dull, near Westminster. A number of grand and great-grandchildren also survive.

BABSON

Writes . . .

By ROGER BABSON

BABSON PARK, Mass., Nov. 8—I hear young people today say that opportunities aren't

Roger W. Babson

what they once were. To a certain extent this is true. When the government takes so much of everyone's earnings, some people lose their incentive to work hard. But there are lots of opportunities still with us provided we are willing to take the risk.

Risk and Character

As I look back over my 50 years of business experience, I find there is a basic difference in the character of men 50 years ago and now. Our forefathers before us had an abundance of moral and spiritual gumption. These character qualities enabled them to make every risk a calculated risk with a fighting chance of paying off.

Some young chaps today inherit their father's businesses. The fathers obviously had what it takes. They took the chance and earned their successes without the advantage of education. But the sons won't do it, for all their book learning. Why? Too many youths today seem to be interested only in a "sure thing." They are afraid to take a risk. They prefer the sure bet of sixty dollars a week salary rather than a chance to earn one hundred dollars a week commission.

Risk and Moral Values

One reason is that our youths are being trained by schools and colleges to depend too heavily upon science and technology. Technical and scientific advance alone cannot bring us courage. This kind of materialism could lick America just as it will ultimately lick Russia. Young people, wholly dependent upon technology, find that when the going gets tough there is nothing there to lean on. I wonder if during my lifetime we haven't gained in the material things of life only to lose ground in the realm of the moral and spiritual.

Thousands of inventors have died poverty stricken, although their ideas may have been excellent. Before an inventor's idea can take shape and come rolling off the assembly line in the form of some sort of product, someone must be found who has faith enough in the idea, faith enough in the inventor and in the future prosperity of his country, to be willing to risk financing the invention. The willingness to take a calculated risk and make it pay off springs from a spiritual fountain of courage within the individual. Courage is one thing of which our fathers had an abundance and which I find lacking today in most young men.

Risk and the Future of America

About 2400 years ago a Greek statesman, Pericles, said, "The secret of liberty is courage." He didn't mention bank accounts or social security. What he was telling his countrymen was that if they wanted to assure Greece of an everlasting future they needed to develop some good old-fashioned moral and spiritual fortitude. I have faith enough in the future of America to believe that we are on the threshold of a new prosperity, plus longer periods of peace.

The age of materialism in which we live has given the world better food, better clothing, better shelter, better transportation, and better communication. I hope that with these material comforts more individuals now have a greater amount of time to give to the spiritual side of life. Only by now bringing into balance, at this crucial time in world history, things of the spirit and things material, can we develop in the coming generations the kind of intelligence and courage which is willing to take a calculated risk.

What About Joe Stalin?

The armies of Joe Stalin aren't half as dangerous as a siege of frustration, materialism, and cynicism. But greater spiritual development can offset these grave dangers—although it will take all the skill we as parents, and educators, and community leaders have to move in that direction.

IN KOREA

John Miller, USN, son of Mr. and Mrs. Floyd Miller, Center Square, is in the Korean area, according to word received by the family.

Gov. McKeldin Proclaims 'Education Week'

November 11-17 has been designated as American Education Week in Maryland by a proclamation by Gov. T. R. McKeldin. "Unite for Freedom" is the national theme for the week-long observance.

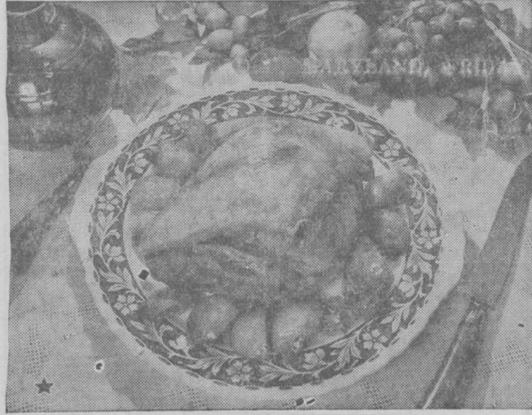

In his proclamation, the Governor states: "Education is one of the most important means of strengthening the foundations of freedom and of developing citizens for life in a democratic state and nation."

The purpose of American Education Week is to better acquaint all citizens with the public schools. Throughout the state, classes are preparing activities to celebrate the occasion. Gov. McKeldin urges each community, "to study thoroughly its schools and their problems by visiting the classrooms and observing the work therein."

Sponsors of American Education Week in Maryland include the Maryland State Teachers' Association, National Educational Association, Maryland Congress of Parents and Teachers, U. S. Office of Education and the American Legion.

When thinking about Christmas shopping, remember, the Chronicle makes a year 'round gift and only costs \$2.00!

Novel Thanksgiving Feast

Here's a different choice for your Thanksgiving table—a cushion-style pork shoulder. This boneless cut is ready-made for stuffing with celery or fruit mixture. It's colorfully garnished with candied apple wedges.

Dr. and Mrs. Robert Hampson and children, and Mr. and Mrs. William Hoffman, of Baltimore, spent the weekend at the Hampson farm, near here.

Mr. Joshua Gillelan, Baltimore, spent the weekend at the home of his sisters, the Misses Rhoda and Ruth Gillelan, W. Main St.

GOVERNOR'S BALL

The Maryland State Society will hold its 50th annual Governor's Ball at the Shoreham Hotel, Wash., D. C., on Sat., Nov. 24 with Dave McWilliams Orch. The dancing will be from 10 to 1 a. m. Ex-Gov. Lane and Sen. O'Connor will attend the affair.

Church Dedicates New Building

Tom's Creek Methodist Church dedicated its new educational and social building at special services conducted in the church and the new building Sunday evening.

The pastor, Rev. Adam Grim, conducted the dedication and the sermon was delivered by Rev. W. F. Wright, a former district superintendent. Refreshments were served in the new building from 6:30 to 7:30 and the dedication exercises were conducted beginning at 7:30 p. m. The pastor announced that the building was free of debt except for approximately \$900 due on the heating plant. An offering was received towards this expense.

The building was presented to the congregation for dedication by the chairman of the building committee, Lloyd G. Ohler. Other members of the building committee were Jones Baker and Morris Hahn. The building was erected at a cost of approximately \$7,000. Almost all of the labor and some materials were contributed by members.

Sen. O'Connor Still "Stumping"

Senator Herbert R. O'Connor's "Report to the People" on the accomplishments of Congress and efforts to solve the many perplexing problems facing the country, results in whirlwind visits within the past week to Western Maryland, Central Maryland and the Eastern Shore, during which he made scheduled addresses to church groups, civic bodies, high

school students, representatives of women's groups and individuals in many fields of endeavor.

While espousing all honorable efforts to bring about peace and to restrain Russian aggression, Sen. O'Connor urged the necessity of "utmost caution in order that the United States might not repeat the mistakes which have plagued her as a result of previous concessions made to our enemies which did not bring the anticipated returns."

In a two-day trip to Western Maryland the latter part of last week, Senator O'Connor made addresses to the Frederick Rotary Club and to 600 high school students in Frederick.

Mr. and Mrs. Floyd Miller, Center Square, have returned from a trip to the Great Smoky Mountains and a visit to their son-in-law and daughter, Mr. and Mrs. Joseph Kerrigan, Chamblee, Ga., where Mr. Kerrigan is a student at Georgia Tech.

Harold Hoke and Charles D. Gillelan returned late Thursday night of last week from Lancaster, Pa., where they hunted pheasants. They bagged two of the birds as the opening of Pennsylvania small game season got under way.

Postoffice Changes For Holiday

There will be no rural delivery on Monday, Nov. 12. The Postoffice lobby will be open from 8:30 a. m. to 9:30 a. m., at which time it closes for the day, as no dispatches are made after that time, and no incoming mail received after 9:30 a. m. One outgoing mail is dispatched at 7:30 a. m. No business is transacted and there will be no window service at the local postoffice on that day. County banks also will remain closed for the day.

Mr. and Mrs. Harry Bowers of Hagerstown, Pa., spent the weekend at his parents' home near St. Anthony.

Outlaw The Communists?

Louis Budenz, the internationally-known former editor of the Communist DAILY WORKER, advocates outlawing Communism in America. He says this drastic action is necessary to cope with the growing power of the Red Fifth Column in our country. His opinions in this field merit the fullest consideration, for he knows Communism and its strategy probably better than any other non-Communist in America. Since breaking with the Red conspiracy he has been the most powerful witness for our government in jailing certain known Communist leaders.

In a speech to our recent Harding College Freedom Forum, Mr. Budenz, now a professor at Fordham University, said that this jailing of these few leaders has actually hurt the Communist Fifth Column very little. The real power of the conspiracy, he said, lies in two groups—the alien Communists who still are flowing into this nation at the reported rate of 3000 a year and who are coming direct from the high councils of the conspiracy in Europe and Asia; and the concealed American Communists who have wormed their way into places of great influence and are enjoying the utmost respect from fellow Americans.

Like A Tree

"The Fifth Column is powerful," he said, "not because of the picket line Communist who is traditional in American thinking; they are powerful because they are likewise composed of well-manicured gentlemen such as Alger Hiss and others who will come forward before the American people as time goes on. The Soviet Fifth Column in the U. S., established for the purpose of destroying the American government in order to bring about a World Soviet dictatorship, is organized like a tree.

"The roots of the tree are the illegal aliens sent here from Moscow in order to rule the conspiracy. They are the men and women like Gerhardt Eisler and J. Peters who were in charge of the espionage apparatus and directed the work of such agents as Whittaker Chambers.

Concealed Ones Dangerous

"Out of these roots springs the open part, or the trunk of the tree, representing only five per cent of the conspiracy. It is composed of people like Foster (longtime head of the American Communist Party), Browder, and myself when I was a member of the National Committee. Out of the trunk of the tree come the branches, the men and women who constitute the great problem and menace to America. They are concealed members, who have worked themselves into the press, science, government, and who are as devoted to Stalin as any open Communist could be.

These concealed Communists have 500,000 fellow travelers ready to do their bidding. "The sap of instructions for the whole apparatus comes from the aliens underground, is passed up through the open party with its telephones and its newspapers, to give directives to the men and women in the branches. Over and over you can find the directives that have been given by the Kremlin agents underground being carried out by professors, scientists and others rallying to some new Soviet peace crusade which in reality is a move for the advancement of aggression by Stalin."

"Cut the Trunk"
Much of the money to finance the above-grouped operations of the Communist conspiracy has come, said Professor Budenz, from Hollywood—from the directors, writers, and actors who were of the Red persuasion. But do not misunderstand me: This does not indicate that the majority of Hollywood people (or of the scientists and educators, etc.) are in any way connected with Communism. Indeed it is a very small minority that is. But it is a militant minority, an aggressive minority, an organized minority, and it gets its way too much for the comfort and security of the American nation.

"If we cut the trunk, by outlawing the Communist Party, we cut off the communications between the underground alien apparatus, and the men and women in the branches who are occupying these strategic positions in the motion picture world, radio, education, the press, science, and the like. That is the first essential. The next step, then should be the birth of a great new citizenship among all Americans—a citizenship that will learn the true facts and will then ham-

Rocky Ridge News Items

Mr. Roger Heimer, Philadelphia, visited last Wednesday in the home of Mr. and Mrs. Harvey Stambaugh.

Mr. and Mrs. Edgar Welty and family, Brunswick; Miss Rosie Andrews, Thurmont, visited on Sunday with Mr. and Mrs. John Hahn.

Miss Cotta Valentine visited relatives in Hagerstown last week and attended the Mummies' Parade on Wednesday night.

Mr. and Mrs. Guy Boller spent Sunday with Mr. and Mrs. Wilbur Boller, Gaither.

Evangelistic services were conducted last week at the Church of the Brethren by Rev. Beckley Bowman, Union Bridge. Holy Communion and love feast were observed on Sunday.

The Women's Guild of Mt. Tabor Church sponsored a Halloween party in the Fire Hall last Wednesday evening. Prizes were given for the following: Adult group, ugliest costume, Mrs. Ray Long; children's group, Joyce Meadows; prettiest costume in adult group, Jean Ogle; children's group, Susan Prior; most original costume, adult group, Mrs. Pauline Dubel; children's group, Billy Dinterman.

SMITH—EYLER

Miss Doris L. Eyer, daughter of Mr. and Mrs. Bruce P. Eyer, of Rocky Ridge and William D. Smith, Woodsboro, were married at the Evangelical and Reformed Church parsonage at Thurmont on Wednesday, Oct. 31. The ceremony was performed by the pastor of the bride, Rev. Edouard H. Taylor, who used the double ring ceremony. The couple were attended by the bride's parents.

The bride was attired in a navy blue street-length dress, with matching accessories. The bridegroom is employed at the Cambridge Rubber Co., of Taneytown. The couple will reside at the home of the bride's parents.

STAMBAUGH—ANDREWS

Miss Betty Jane Andrews, the daughter of Mr. and Mrs. Clarence Andrews, of Thurmont, Route 2, and William M. Stambaugh, son of Mr. Harry Stambaugh of Thurmont, Route 2, were married Saturday evening at 7:30 at Thurmont. The ceremony took place at the Evangelical United Brethren parsonage in Thurmont and was solemnized by Rev. Ivan G. Naugle, pastor of the church.

Attendants were Miss Betty Hahn of Rocky Ridge, as bride's maid; Edward Andrews of Thurmont, R. D. 2, a brother of the bride, as best man.

The bride was attired in a grey dress with black accessories and wore a corsage of red rosebuds and white pompons. The bridesmaid wore a purple dress and matching corsage. The bride has resided at home with her parents and Mr. Stambaugh has been employed as a farmer near Thurmont. After a wedding trip the couple will reside at the home of the bride temporarily and later move on a farm.

Miss Betty Smith and Mrs. Herbert Rohrbaugh were delegates from Elias Ev. Lutheran Sunday School to the Maryland Synod Sunday School Assn. conference held at the Waynesboro Lutheran Church Saturday.

Pvt. Wilbur L. Wanzel, son of Mr. and Mrs. J. Russell Wanzel, Emmitsburg, is stationed at Fort Riley, Kans.

mer at the doors of Congress, of the State Department and whenever it can be heard in democratic fashion demanding action against Soviet aggression and the Soviet's Fifth Column operations in America."

SCIENCE and HEALTH

SINCE THE DAWN OF HISTORY CHILD BEARING HAS MEANT SUFFERING...

IN CAESAR'S TIME WINE WAS THE ONLY ANESTHETIC USED DURING LABOR

AMONG SOME EARLY AMERICAN INDIANS, THE WOMAN WENT OFF ALONE TO BEAR HER CHILD

ETHER WAS THE FIRST MODERN ANESTHETIC USED IN CHILDBIRTH. THE LATEST AND MOST EFFECTIVE PAIN-KILLER IS MAN-MADE NISENTIL

Easier Childbirth

For all their advances medicine and chemistry have not been able to abolish the pain of childbirth. Since 1847, when ether was first used as an anesthetic during labor, physicians have been searching for better pain-killers for use in obstetrics. Notable advance was made in 1902 with the introduction of morphine and scopolamine. In succeeding years there were many other drugs, but none of them were ideal. Now, Dr. Henry G. La Forge of the University of Buffalo Medical School reports that a new laboratory-made drug, Nisentil, is the most successful pain-killer yet found and "an improvement over any analgesic drug heretofore available."

Dr. La Forge reported that 1,000 women were given hypodermic injections of Nisentil. Results showed that "the drug definitely relieves pain and anxiety of labor," shortens its duration, acts rapidly and has little or no undesirable effects on either mother or child.

MARYLAND FARM FRONT

The Maryland Production and Marketing Administration, USDA, has purchased 13 carloads of Grimes Golden apples in the apple purchase program that was announced a few weeks ago. All have been high quality eating apples.

According to Joseph H. Blandford, chairman of the Production and Marketing Administration state committee, 10 carloads of these apples have gone into the school lunch program and three carloads have been sent to state institutions such as penal farms, houses of correction, mental institutions, etc. The PMA has orders for three more cars which it has not received yet. These apples were purchased at an average of \$1.70 per bushel.

Mr. Blandford says that the PMA was authorized to purchase 35 carloads of apples, but since the harvest season is about over for Grimes Golden, they probably will not purchase many more than the 16 carloads already ordered. There may be some purchase of surplus York apples later in the season, however.

Expenditures of Johns Hopkins University exceeded income by \$626,023 during the fiscal year 1950-51. Dr. Detlev W. Bronk, University president, has revealed sides in another section of that town.

HOMEMAKERS' CORNER

Here's the Maryland way to fix apples. It's called Maryland Apple Dumpling, and it's a delicious way to serve plentiful apples. To make this Free State dessert, first take four medium-size firm apples. Next you wash core and pare the apples, but don't quarter them.

Now make a rich baking powder biscuit dough and pat out to 1/4-inch thickness. Cut squares of dough large enough to enclose one apple. Now place the apple into the center of the square of dough. Fill the cavity of the apple with one tablespoon of sugar, one tablespoon of butter, and 1/4 teaspoon of cinnamon.

Bring the edges of the dough together on top of the apple, and when all the apples are ready, place them in a pan or into attractive individual casseroles.

As the final step, boil one cup of sugar and one cup of water for five minutes and pour it over the dumplings. Bake at 450 degrees F. for 20 minutes, then at 350 degrees for 30 minutes. This dessert is most tempting when served warm with plain cream.

Need A Rug Shampoo?

A shampoo should be a yearly event for the average rugs or carpets, says Helen Irene Smith, home management specialist. You can give them a very successful shampoo if you make sure the pile is not affected by water, some types of twists lose their curl when wet; make sure the colors are fast, and make sure the drying conditions are good after the shampoo—otherwise, the lingering moisture may encourage rotting of the base of the rug or ruin the floor.

Once you've checked and approved these factors you are ready to begin shampooing. Dissolve about two cups of a built detergent into a gallon of warm water and whip it into heavy suds. Now apply dry suds to as large an area as you can reach. Wipe them off immediately with a damp cloth or cellulose sponge. Do not rinse. Grease spots on rugs and carpets should be treated with a dry cleaning solvent or with rug powder. Remember to be "Johnny on the Spot" with such soiled places, because the longer they stay the harder they are to remove.

Miss Audrey Baumgardner of Reisterstown, spent the weekend at the home of her parents, Mr. and Mrs. Carl Baumgardner.

Oyster Rehabilitation Program Underway

The man with the hose isn't trying to put out a fire. He's assisting the Tidewater Fisheries Commission with their huge Chesapeake Bay oyster rehabilitation program.

Shells being washed overboard are covered with thousands of tiny seed oysters that will be ready for market in about three years. You guessed it—the oyster planter is the Honorable Theodore R. McKeldin, Governor of Maryland.

Two Colleges Cooperate in Portraying FBI Story for Nationwide Broadcast

In support of the FBI program to stem the current tide of evil among women, St. Joseph College will portray the Christian home as America's stronghold against crime in their November broadcast.

The program, recorded on campus, will be heard over Station WFMD at 10:30 p. m., Tuesday, Nov. 20.

Scenes from the life of Maria Goretti, the first canonized saint of the Holy Year will emphasize the value of a good home and the importance of well instilled virtues.

The script was written by the members of the Radio Club of Saint Joseph College, under the direction of Adolph M. Wasilifsky, Ph.D., moderator. Students of Saint Joseph and Mt. Saint Mary's Colleges will make up the cast.

Famous Figure To Play At Saint Joseph College

Jacques Cartier, acclaimed by the New York Times as "America's Greatest One-Man Theater," will present his theater-piece, "Figures of Fire," at Saint Joseph College on November 15.

"Figures of Fire," as Cartier explains it, is a series of portraits of great personalities who have burned their lasting impressions on the consciousness of the world.

This internationally-known actor-dancer portrays outstanding personalities including Spain's worshipped bullfighter, Joselito; that fearless challenger of Communism, Josef Cardinal Mindszenty; the beloved continental clown, Groek; Lazarus, he whom Jesus raised from the dead; that legendary world conqueror, Genghis Kahn; the one and only Charlie Chaplin; and the great Apache Indian chieftain, Cochise.

Miss Sue Stinson, daughter of Dr. and Mrs. O. H. Stinson and a student at Towson Junior College, Towson, was home over the weekend.

AIR RAID INSTRUCTIONS

"SMALL BUSINESS"

By C. WILSON HARDER

It is often asked, "Is there one party more favorable to protection of free enterprise in this nation than the other?"

Around elections every candidate is usually for everything. But as former Justice Dept. official, Wendell Berge once said "For thirty years everybody in government has paid lip service to anti-trust law enforcement."

But the record shows that background, not party affiliation, determines the stand Congressmen take on these vital issues.

For example, Sen. Kenneth Wherry, (R. Neb.) and a businessman, is an aggressive small business champion. So is John Sparkman (D. Ala.). Right down the Congressional roster there can be found champions on both sides. But outside of Congress the picture is confused.

On the record, government at present has not only been lax in combating monopoly, but has followed practices that build monopoly.

But many possible GOP presidential candidates mentioned are found to hail from states where monopoly has been steadily gaining the upper hand against free enterprise. A case in point is California, traditionally governed by a GOP administration.

Over the past the California administration has made an effort to woo the masses with a public demand for state socialized medicine. It is believed that California is the only state where

such a proposal has ever been advanced, and this unprecedented maneuver has been considered in Washington as an attempt to win the title of liberal.

But in California, through the years the successive GOP administrations have been quite careful to avoid impeding the growth of monopoly. In fact, laws have been passed which aid monopoly development.

Californians with children still wait for some action on legalized milk monopoly practice which has almost doubled milk prices in the past ten years.

Chairman of the board of Golden State, Ltd., is Ralph K. Davies. For years Davies was an executive of Standard Oil, of Anglo-Iran Oil, and of various Standard Oil subsidiaries.

Milk prices have steadily climbed. The big dairy operation in California is the huge Golden State, Ltd., which at one time had tough financial sailing.

Chairman of the board of Golden State, Ltd., is Ralph K. Davies. For years Davies was an executive of Standard Oil, of Anglo-Iran Oil, and of various Standard Oil subsidiaries.

This is typical of the reasons why today small businessmen are jumping on any partisan bandwagon.

They are demanding action now, and words later on, and in the meantime they are studying the political action taken as never before in history.

Your Personal Health

Not everyone who is scrupulously clean is necessarily attractive or good-looking. But it is impossible to be attractive without keeping ourselves clean. At the same time, personal cleanliness is one of the basic rules of sound health.

Keeping the skin clean with baths and showers makes a person look and feel fresher than if he neglected washing. Using soap and water regularly means that oils secreted by the skin and dried perspiration on its surface are removed before the mixture becomes rancid and gives off an unpleasant odor. In addition, while soap and water are no guarantees against skin infection, externally caused blemishes are less likely to develop on a skin that is kept clean.

Dirty hands and fingernails, besides being unsightly, can be breeders of harmful germs which carry disease. Many of us have habits or mannerisms whereby we put hands or fingertips on or into the mouth, directly introducing germs which may be harmful into the body. Without overdoing it, it is wise to wash one's hands and fingernails frequently during the day, particularly before eating or handling food and after using the toilet.

While good styling is also necessary for attractive hair, here again cleanliness is important to one's "crowning glory." Dust, grime, smoke, and odors have a tendency to cling to hair. Regular shampooing will keep the hair fragrant, shiny, and generally in good condition. Daily brushing of the hair between shampoos will remove surface dirt and help prevent dandruff.

Stained or uncared-for teeth can ruin the appearance of an otherwise attractive person. The teeth can be kept clean if they are properly brushed at least twice a day, particularly after eating. Seeing the dentist as often as he thinks advisable is as important as cleanliness to sound,

Students Lose Bonfire Scuffle

Gettysburg firemen said early this week that one college youth (Gettysburg College), was carried from the field on a stretcher during the bonfire blaze on the Gettysburg College campus late Sunday night. The fracas started when firemen arrived at the bonfire, unlimbered the booster lines and directed water on the blazing pile. Firemen said college students crowded in close and jeered the firemen's efforts. Fire Chief Donald G. Jacobs ordered the students back and when they surged forward, instead of re-

Beauty in Wood Design

Proportioned for a small apartment, but suitable as well for the more spacious home, is this modern dining room suite in exquisitely figured hardwood veneers. Featuring natural teakwood combined with myrtle burl, this furniture designed by Michael Hallward is characterized by its simplicity and clear cut lines. Inlay myrtle burl border of the table top and other design features illustrate unusual grain effects which can be achieved only in matching hardwood face veneers.

Star Recipes

As Told to Betsy Blake

BING CROSBY, soon to be seen in Paramount's "Here Comes the Groom," can never get enough of his favorite dessert, Coconut Chiffon Pie, according to his lovely wife, Dixie. "Bing is simply crazy about it," said Dixie, who gladly let me in on the recipe, "and so are the boys. It takes at least two whole pies to satisfy their growing appetites."

COCONUT LIME CHIFFON PIE

2 teaspoons gelatin	1 teaspoon grated lime rind
2 tablespoons cold water	Few drops green coloring
3 egg yolks	1 baked 8-inch pie shell or graham cracker crust, chilled
1/2 cup lime juice	1/2 cup cream, whipped and sweetened
1/4 teaspoon salt	1/4 cup shredded coconut, plain or toasted
1/2 cup sugar	
3 egg whites	
1/4 cup sugar	

Combine gelatin and cold water in mixing bowl; mix well. Beat egg yolks until light. Add lime juice, salt, and 1/2 cup sugar. Cook in double boiler over hot, not boiling water, until thickened. Pour over gelatin and stir until gelatin is dissolved. Chill until slightly thickened.

Beat egg whites until foamy, add 1/4 cup sugar gradually, and continue beating until stiff. Fold into gelatin mixture. Add lime rind and green coloring. Pile lightly in pie shell. Chill until firm. Just before serving, spread with whipped cream and sprinkle with coconut

Asphalt Roof Gives Key to Color Styling

Don't overlook the opportunities for using color in home remodeling. This is one of the most effective and economical ways to give new life and beauty to an old home, according to Barbara Bernie, New York color stylist, who says: "Good color styling can improve the looks of a home by emphasizing its more attractive features and minimizing its defects."

If the house is tall and gaunt, like many older homes, Miss Bernie suggests it can be made to look more compact and lower to the ground by using color to bring out the horizontal rather than the vertical lines. This can be accomplished, for example, by selecting asphalt shingles in a dark shade for the roof, and painting the vertical trim the same color as the main body of the house. Another step suggested by Miss Bernie is to paint the shutters on the second floor win-

dows in the same color as the asphalt roof. This also will give added width to the house and reduce its height.

Just as a roof in a dark or subdued color will make a tall house look shorter, a brightly colored asphalt shingle roof will create exactly the opposite effect and give height to a low, short, squat-looking house. Miss Bernie says painting the vertical trim in a color that is in contrast with the side walls and in harmony with the roof color helps to make a house look even taller.

Although the primary function of a roof is to provide protection from the weather, Miss Bernie points out that the roof shares major responsibility for the appearance of the home. Possibilities for effective color styling starting with the roof are almost unlimited because of the wide range of solid colors and blends available in asphalt shingles.

AMERICANS TURN AGAINST SOCIALIZED ELECTRICITY

A RECENT NATIONWIDE POLL BY OPINION RESEARCH CORPORATION SHOWS THAT MOST AMERICANS TODAY WANT THEIR ELECTRIC LIGHT AND POWER TO COME FROM LOCAL BUSINESS-MANAGED COMPANIES - NOT FROM THE FEDERAL GOVERNMENT. HERE ARE SOME REASONS WHY AMERICANS FEEL THAT WAY.

DEFENSE NEEDS FIRST! PEOPLE WANT UNNECESSARY GOVERNMENT SPENDING STOPPED TO SAVE THEIR TAX DOLLARS FOR AMERICA'S DEFENSES.

GREAT WASTE

THE FEDERAL POWER PROGRAM INCLUDES BUILDING COSTLY TRANSMISSION LINES THAT WOULD DUPLICATE THE LINES OF BUSINESS-MANAGED COMPANIES. AMERICANS SAY, "LET'S NOT WASTE MANPOWER, MONEY AND MATERIAL ON SOCIALISTIC POWER PROJECTS."

"IT'S SOCIALISM!" THAT'S WHAT PEOPLE SAY ABOUT THE FEDERAL GOVERNMENT OWNING AND OPERATING THE ELECTRIC LIGHT AND POWER BUSINESS.

DOUBLED IN 10 YEARS!

IN PEACE AND WAR, AMERICA'S VAST ELECTRIC POWER NEEDS HAVE BEEN WELL FILLED BY THE NATION'S BUSINESS-MANAGED COMPANIES. THEY'VE MORE THAN DOUBLED THE SUPPLY SINCE 1941 AND THEY'RE BUILDING A LOT MORE THAT ONLY A SHORTAGE OF MATERIALS CAN HOLD UP.

Heads 'Shore Raceway.

EARL E. CONLEY

Earl E. Conley, prominent Eastern Shore sportsman and businessman of Berlin, has been elected president of Ocean Downs Raceway, the modern harness track overlooking the Atlantic Ocean at Ocean City, Md.

The 54-year-old Conley, one of the pioneers of the picturesque plant, has served as vice president since its erection in 1949, and succeeds James E. Douglas, whose resignation as a member of the board of directors was accepted last week.

Conley's election is reported to have ushered in a new deal for the popular track, which produced a total mutual handle of \$2.5 million during its 20-night meet this year, an increase of 28 per cent over 1950, and the largest percentage gain of any Maryland trotting track in 1951.

Mr. Conley stated that he and other members of the board are determined to put the track over the \$3 million mark next year.

No one knows what the most distant star is. With the new telescope at Mt. Palomar Observatory, clusters can be seen that are a billion light years away.

Bells Will Toll Armistice Day

The regular meeting of the local American Legion Post was held Tuesday night. Cmdr. Eugene T. Rodgers presided.

Harold Hoke expressed thanks and appreciation to all those who helped to make the Halloween parade a success. He reported there were 251 entries in the parade. It was decided to make this an annual event.

The membership committee, Andrew T. Shorb, Louis F. Rosensteel, and Francis E. Sanders announced that the membership to-date totals 165. A goal of 200 has been set by Nov. 11.

Cigarettes were sent to Everett Chrimer and Luther Kelly, patients at the Newton D. Baker Hospital, Martinsburg, W. Va.

It was announced that letters were being sent to the Emmitsburg churches requesting the church bells be tolled for two minutes at 11 o'clock on Sunday, Nov. 11, Armistice Day, and that prayers be said for peace in the world.

Six new members, Donald B. Snively, Joseph K. Eyler, Howard Carty, John Warthen, Thomas Norris, and Walter Drombroski, were received into the Post.

Work Curtailed

It was reported this week that some construction work at the "second Pentagon" at Camp Ritchie was curtailed because of economy reasons.

An announcement read that "in compliance with the expressed desires of Congress" the department decided to suspend certain work.

RUPTURE

SHIELD EXPERT HERE

H. M. SHEVNAN, widely known expert of Chicago, will personally be at the Washington Hotel, Chambersburg, Sat., only Nov. 17 from 9 a. m. to 2 p. m.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in 10 days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge. 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

CHRONICLE FOOTBALL CONTEST FOR NOV. 10

Tennessee	()	Wash. & Lee	()
Wisconsin	()	Pennsylvania	()

Make your selection from these 10 teams.

Probable Score

Illinois	()	Iowa	()
----------	-----	------	-----

CONTEST RULES:

Contestants will select the winner in each of the 10 college football games. In the 11th contest, which this week is Illinois vs. Iowa, you will name the probable score, which only will be used in case some of the entrants tie for the same number of wins.

The person submitting the correct number of wins will be declared the winner. All entries are to be addressed to the Football Contest Editor, Emmitsburg Chronicle. Kindly mark entries legibly.

Entries must be postmarked before 7:30 a. m. Saturday, or may be brought to the Chronicle Office before 12 noon.

Anyone is eligible to enter the contest excepting members of the Chronicle Staff and their immediate families.

The winner of the contest will receive a \$7 cash award. The decision of the judge is final.

Plan Installation Service For Newly-Elected Church Officers

A special service observing Armistice Day, and during the service the pastor will conduct the installation of the newly-elected councilmen, Clarence Hahn, Morris Zentz, and Carroll E. Frock Jr., and all other officers of the organizations connected with the church.

Auxiliary Plans Rummage Sale

The Francis X. Elder Unit 121, American Legion Auxiliary met Tuesday evening with 37 members present at the Post Home. Mrs. Martha Rosensteel, president, presided. The unit voted to donate \$15 for Christmas gifts to hospitalized veterans. Beginning on Dec. 8, there will be a bingo game in the Legion basement the second Saturday of each month.

A rummage sale will be held in the Fire Hall on Saturday, Dec. 1, beginning at 10 a. m. Chairmen of the following committees for the year were appointed: Child welfare, Mrs. Harry McNair; rehabilitation, Mrs. Raymond Baumgardner; community service, Mrs. Charles McNair; civil defense, Mrs. Roy Bollinger; membership, Miss Ruth Gillelan; Americanism, Mrs. Eugene Rodgers; Gold Star Mothers, Mrs. Ada Myers. Mrs. Eugene Rodgers read an interesting paper on Americanism. Margaret

Eckenrode's name was called for the door prize but was not present, therefore the drawing at the next meeting will be for \$6.00.

Following adjournment the club repaired to the Post Room where refreshments were served. The December meeting will be held on Dec. 4.

Production Cost Of Eggs High

A study of 135 Maryland poultry farms showed that the average price received for a dozen eggs was only two cents higher than the cost of producing them, according to a recent University of Maryland Agricultural Extension Service publication.

With production costs increasing since the study was made last year, the authors point out that it is important to hold down costs in order to maintain or increase profits.

According to the study, feed made up 60 per cent of the total costs, labor 21 per cent, flock depreciation 13 per cent, housing and miscellaneous costs six per cent. The cost items varied between counties and farms because of differences in size of flock, rate of lay, mortality, feed and labor efficiency.

The authors list the factors in reducing costs and point how the most efficient producers increased their profits.

St. Joseph's High School News

Anticipation is daily increasing among the third year students as the day draws near for class ring measurements. A standard ring has been adopted, which consists of a tourmaline faceted stone, around which will be inscribed: "St. Joseph's High School, Emmitsburg, Md." On one shank will be a likeness of Mother Seton, foundress of the school, 1809, the date of founding, and a Maryland flag. An image of St. Joseph, patron saint of the school, a lily, symbolizing purity and the Maryland state flower, a black-eyed Susan, comprise the opposite shank. Also on the shanks is the school motto: "To know, love, serve God is wisdom."

A movie entitled: "Walter Reed and the Conquest of Yellow Fever," was shown to the biology classes last week. The highlights of the movie included the early life of Reed, his career as an army officer and finally his discovery of the cause of yellow fever. In 1945 Walter Reed was elected to the Hall of Fame, for his outstanding contribution to medicine.

Can they cook?—Certainly! If you wish to make certain, just ask any guest at the 2 p. m. breakfast served in the home economics laboratory last Monday. The week preceding, 20 first year boys served 18 girl classmates a tasty morning meal. This week the girls reciprocated with poached eggs on toast with hot chocolate. The boys, while eating the breakfast, expressed the hope to surpass the girls' culinary art by making excellent French toast next week. One boy confessed: "I was mighty provoked when home economics appeared on the boys' schedule of courses, but I'm glad now. I've learned a lot about cooking and I really like it!"

The regular PTA meeting will be held Tuesday in the school.

Plan Vespers

Beginning next Sunday, Nov. 18, vespers will be held each Sunday evening at Elias Ev. Lutheran Church at seven o'clock. This service will be in addition to the regular Sunday services of Sunday School at 9:30 a. m. and the Service at 10:30 a. m., and the Luther League at 6:30 p. m. Co-operating in a special way with these Vespers will be the LOYAL group and the Luther League. A fellowship time in the social room of the Parish House will be held after some of the Vesper services.

Jasper Wantz will serve as special organist for the Vespers and they will be preceded by 15 minutes of organ music and the services will include special vocal selections.

Grad School Gets Athletic Goods

Monday and Tuesday of last week the children of St. Euphemia's School made their Jubilee visits to St. Joseph's Church in order to gain the Holy Year indulgences. Twice each day — at the close of the morning and afternoon sessions—they marched in a body to the church and recited the required prayers for the intention of the Holy Father.

Wednesday they received the Sacrament of Penance and on Thursday and Friday the Jubilee was culminated in the reception of Holy Communion.

The children of the upper grades are now the proud possessors of a new basketball, a football, a volleyball and baseballs, while those of the lower grades claim some newly-purchased smaller balls for playground use. These balls are the gifts of the pastor, Rev. John D. Sullivan. The pupils wish to express to him their gratitude for his kindness and continued interest in their welfare.

REHEARSAL ON WEDNESDAY

The Emmitt Band will rehearse Wednesday of next week instead of Monday night, the regular rehearsal night, it was announced by Director Walter Simpson.

T.B. Seal Drive To Begin Soon

County tuberculosis associations throughout the State are making final preparations for the opening the 1951 Christmas Seal Sale which begins on Nov. 19 and continues until Christmas Day.

The opening day of the campaign, which is conducted annually throughout the nation to raise funds for tuberculosis work, will climax many months of detailed preparation by associations and the many civic and community-minded persons whose assistance is necessary to conduct the campaign.

The association is committed to a year-round tuberculosis program. Assistance is given state health officials in conducting chest clinics and mass chest X-ray surveys in the counties. This program affords every citizen of Maryland an opportunity to get a chest X-ray every year. Programs of health education are conducted in each county to familiarize the public with facts about TB, how it can be prevented, discovered and treated. Programs of rehabilitation and occupational therapy are conducted in the state hospitals for the benefit of tuberculosis patients.

Christmas Seal Sale funds also support a nation-wide program of medical research which is aimed at solving the many unanswered questions about the treatment and cure of TB.

From where I sit... by Joe Marsh

"TALKS TURKEY" —Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the cus-

tomers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You — or Sonny — may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinion.

Joe Marsh
