Most Anything At A Glance

BY ABIGAIL

Interest in Emmitsburg's newest housing development appears stirred by the recent inquiries being made as to the availability of these lots to the public. Reports indicate quite a number of citizens are interested in the new "Brookside" and "East View" developments and are "talking it over". Plans for the new development are on hand at the Town Office. The development consists of two divisions, complete and separate, divided by the new Route 15 bypass east of town. The site was cleared from the old Nester Farm and consists of 217 lots to be improved by streets, sewerage, water and a park area for each.

The new development provides Emmitsburgians, or anyone else for that matter, with an opportunity to obtain a nice building lot, fully equipped and in a splendid neighborhood. Now that the exact location of the new bypass has been ascertained it is expected that the sale of lots will be expedited. Our only other development, Emmitt Gardens, was stymied by the State Roads Commission nearly 10 years ago when it was decided to run the bypass through that section. Additional lots here will also provide building space now that work on the new road is about to begin.

Local Man Narrowly Escapes Monoxide Poisoning

Charles R. Andrews is home recuperating after a narrow escape with death last Thursday. Andrews, 63, was discovered unconscious in his truck in a wooded mountain area off Harbaugh Valley Road last Thursday morning. State Police said the man's truck motor was running and doctors said they believe it possible that he suffered a heart attack. He was found by Lewis Harbaugh, who said the motor was running and he believed that Andrews had suffered another heart attack. He summoned Maryland State Police and the victim was removed in the VFW ambulance to the Warner Hospital, Gettysburg.

Firemen Hold Regular Meeting

The regular monthly meeting of the Vigilant Hose Company was held Tuesday evening in the Fire Hall, President John S. Hollinger presiding.

The building committee reported it was in the process of having the vacant lot adjacent the hall surveyed. Thomas C. Shorb and Clyde J. Eyer were proposed for active membership. Delegates to the State Firemen's Convention to be held June 17-19 were named as follows: Sterling H. White, Robert Wagaman, John J. Hollinger, Charles F. Stouter and Daniel J. Kaas. Alternates are William Boyd, Roger Adams, Laurence Orendorff, John S. Hollinger and Robert Rigby. It was announced that an exhaust fan had been donated to the company by Charles Hartdagen.

Chief Sterling H. White reported that six fires had been extinguished since the last regular meeting.

All-County Band

Two members of the Emmitsburg High School Band have been selected to play in the All-County Band this year. They are Susan Martin, Clarinet, and Ralph Ohler, French horn. Selected to the All-County Junior Band was Carl Cregger, bass.

Youth Program Plan Advances

The plan for the establishment of an Emmitsburg Youth Recreation Program made considerable headway at a meeting of local parishes held in St. Euphemia's Hall last Sunday afternoon.

Conducting the meeting were: Fr. Louis Storms, St. Joseph's Church; Rev. Ronald Fearer, Lutheran Church; Rev. John Chatlos, United Church of Christ and Fr. James M. Delaney, Mt. St. Mary's College. Father Storms acted as chairman of the group and approximately 125 parents and interested individuals were in attendance.

Present also was the youth executive group consisting of three youths from each parish in town. Represented at the meeting were these churches: Catholic, Lutheran, Reformed, Methodist and Presbyterian. The group went on record as unanimously favoring the formation of the Youth Program and it is planned to establish an advisory board of laymen to work in conjunction with the clergyman and youth executive committee.

Another meeting of the groups will be held in the near future and it is hoped to begin operations possibly the first of next month. Father James Delaney will act as leader and coordinator of the program. It is the plan of all the local churches to make certain contributions to provide recreational equipment to get the program under way at the hall and it is planned to raise additional funds from vending machines and sandwiches to maintain the program once it has been started. Organizational and progress reports will be published at future dates to keep the parents and the public well informed on the program.

Rocky Ridge Man Wins Suit

A jury deliberated about two hours last Thursday before awarding a Rocky Ridge man \$13,326 for damages caused in a truck collision last August.

The jury, with Judge Walter H. Moorman presiding in Circuit Court, returned the verdict for Roy M. Willard, Rocky Ridge. Defendants in the suit were Donald R. Blacksten and the K and L Motor Lines of Thurmont. In returning their verdict, the jury denied the counter claim of the company for damages to its vehicle.

The case began Thursday morning and was not concluded until shortly before 7 p.m. Witnesses for Willard included Dr. Robert Pilgrim and Dr. Thomas Michael who testified to the extent of the personal injuries suffered by Willard.

Willard and Blacksten were involved in a collision on a bridge over Owen's Creek on the Long's Mill road last August 21.

Edwin F. Nikirk was attorney for Willard. Robert E. Clapp Jr. and William W. Wenner were attorneys for the defendants.

Mission Bazaar Thursday

The Bishop Walsh Mission Unit of Mount Saint Mary's Seminary will hold its annual bazaar for the benefit of the Missions on Thursday, April 23, 1964, from 3 p.m. to 10 p.m.

It will be held in Memorial Gymnasium on the College campus. There will be food and a variety of games and prizes. There will be fun for the whole family.

Observe Wedding Anniversary
Mr. and Mrs. Roland L. Frock were guests of honor at a celebration held March 28, given by their daughters, Linda and Lona, of their 25th wedding anniversary. The couple was married March 25, 1939.

Honored At Tea
Mrs. William McP. McGill, Maryland's Mother of the Year, was guest of honor Tuesday at a tea given by Mrs. Clarence G. Frailey, wife of the former burgess of Emmitsburg.

The tea, for women of this community was held at Mrs. Frailey's home. The affair began at 2 p.m. and continued until 4 p.m.

Mrs. McGill, who resides in Thurmont, was chosen Mother of the Year from Maryland March 28. She will receive a citation from Governor Tawes April 20 at the state house in Annapolis and will represent Maryland in the national competition for Mother of the Year in New York May 3-8.

William Kelz New Lions Club President

The annual election of officers of the Emmitsburg Lions Club was held Monday evening at the regular monthly meeting of the club held in Mt. Manor Restaurant, President Arthur Elder presiding with 18 members in attendance.

The election showed the following results: President, William Kelz; first vice president, Clarence G. Frailey; second vice president, Norman Shriver; third vice president, Ralph Tabler; Liontamer, C. Arthur Elder; secretary, Eugene Sappington; treasurer, John H. Walter; directors: Ralph D. Lindsey, Joseph Cy Haley and Charles F. Stouter.

The club voted \$25 to the Alaska Relief Fund which Lions International is sponsoring. Clarence E. Hahn was named delegate to the International Convention to be held in Canada this summer. The new officers will be installed at the first June meeting.

Appreciates Town's Support On Issue

Citizens of Emmitsburg: I would like at this time to take the opportunity to express the heart-felt thanks of the Greater Emmitsburg Junior Chamber of Commerce and the Emmitsburg Town officials for their untiring efforts and support to maintain our Emmitsburg High School.

Your contribution made it possible for Emmitsburg to stand firm in this matter. At this writing the matter lies in the hands of the Frederick County School Board.

Whether the school remains in Emmitsburg or re-located in Thurmont, we, the citizens, can be proud of standing up and being heard on a matter of such great importance to our community.

I am appealing to you to support your local government as you have done in the past, and with the potential we have, there is no reason why we cannot reach our main objective.

Respectfully,
Herbert Gingell
President, Greater Emmitsburg Junior Chamber of Commerce

Fire Destroys Large Barn Here

The 45x80-foot bank barn on the farm of Marshall Sharrer, at Motters Station, was destroyed by fire last Thursday evening at 6:30 o'clock.

Emmitsburg, Thurmont, Rocky Ridge and Taneytown fire companies were summoned to the blaze. Water was pumped from the farm pond and firemen remained on the scene until 10:30 o'clock that night to prevent the blaze from spreading.

Mr. Sharrer and his sons were milking in the barn when the fire started in fodder outside the building. The Sharrers fought the fire in the fodder, but wind spread the flames to the barn.

The large herd of cattle was removed from the barn by Mr. Sharrer and his sons.

The fire destroyed with the barn a combine, corn planter, wagon, elevator, 300 bales of hay and all milking pipeline equipment.

The loss was partly covered by insurance.

The firemen were called Saturday morning at 11:30 o'clock to a chimney blaze that was in progress at the George L. Wilhide Farm on the Tract Road. No damage was reported.

Candidates Will Answer Questions

The Democratic Inter-Club Council will sponsor a Candidates' Night next Tuesday evening at the North Frederick Elementary School, starting at 7:30 p.m.

Practically all candidates for office from the Sixth Congressional District will be present at the affair and will answer questions directed to them by those in attendance. The New Frontier Democratic Women's Club of Emmitsburg is a member of the Council and a number of members is planning to be present.

Illustrated Lecture
An illustrated lecture by Paul N. Perrot, director of the Corning Museum of Glass, will be sponsored by the American Association of University Women in the Frederick High School auditorium on Saturday evening, April 18, starting at 8:15 p.m. Tickets to the lecture sell at \$1 per person and the public is cordially invited.

Future Teachers Collect Clothes

The Future Teachers Club of Emmitsburg High School recently completed its annual clothing drive with a collection of eight hundred pounds (forty bags) of clean, usable clothing for men, women and children. Many articles of clothing were distributed to needy families of the area. The remainder will be shipped to the Save the Children Federation Center in Knoxville, Tennessee where it will be processed and distributed to underprivileged families in the southern Appalachian mountain areas of our country.

The clothing drive at Emmits-

burg High School was spearheaded by the following tenth grade members of the Future Teachers Club: Rudy Chatlos, Noah Bankard, Ralph Ohler, and Joseph Baldachino. These boys advertised the drive, distributed materials, gathered up bundles, sorted and folded clothing, shined shoes, labeled and tied the bags and prepared them for shipment. Through their untiring efforts the response this year was greater than it ever was before.

The Future Teachers Club would like to thank everyone who participated in the clothing collection.

Phone Co. Seeks Rate Increase; Would Give Customers Advantage

Emmitsburg telephone patrons will have the privilege of free calling to Taneytown and Frederick if a proposed increase in rates is granted to the Chesapeake & Potomac Telephone Co. of Maryland by the Maryland Public Service Commission, Manager Carl Weakley announced this week.

Several years ago toll-less calling to Thurmont was given local patrons and it is hoped that this free-calling distance can be expanded, company spokesmen say. Under the proposed new rate schedule Emmitsburg subscribers would pay something like this rate scale:

	Business	Residence
Individual	12.80	6.60
2-Party	11.05	5.55
4-Party		4.90
Rural	8.55	5.15
Extension	1.60	1.25

The proposed adjustments, both upward and downward, would increase C. & P.'s net income by about \$3,000,000 a year. The company estimates, however, that \$6,000,000 in gross revenues, or an increase of about three per cent, will be needed to net \$3,000,000 after Federal taxes.

The C. & P.'s proposal would, for example, increase monthly rates throughout the State, including Baltimore, by 40 cents for individual line residence service; by 25 cents for residence party line service and by 10 cents for extension telephones.

L. Mercer Smith, C. & P. vice president, explained that the company has had no real rate increases since 1958 and is now "reluctantly taking this action because adequate earnings are necessary to provide Maryland with the kind of communications services customers expect and should have." Mr. Smith went on to say, "The company's rate of earnings is far from adequate—it declined from 5.83 per cent on plant investment in 1962 to 5.50 per cent in 1963 and this downtrend will continue this year."

He pointed out that industrial

activity and economic growth in Maryland is ahead of that for most other states and "this has resulted in continuing and increasing demands for more telephone service facilities." The C. & P. will spend over \$80,000,000 annually for new construction in both 1964 and 1965, he said, adding, "Our present rates cannot support such huge expenditures amounting to an average of \$1,500,000 per week, for new construction."

Mr. Smith emphasized that over the past six years the company has continued to improve service and make rate adjustments benefiting many customers. Among these, he said, have been the elimination of many toll charges by extending local calling areas; the extension of direct distance dialing to further speed up long distance service; the "after 9 p.m." reduced toll rates; and the establishment of lower rates for better grades of service in rural areas.

All of this was accomplished, Mr. Smith said, while the C. & P. of Maryland was doing an "outstanding job in holding down its operating expenses which continue to compare most favorably with other Bell System telephone companies."

The new schedule of rates will also include adjustments which will result in reductions of some monthly charges. Included is the introduction of a new type of Metropolitan Foreign Exchange Service for twenty-two exchanges adjacent to the Baltimore and Washington Metropolitan areas.

Provisions are also included in the new schedule that will eliminate toll charges over 80 routes in 71 localities serving about 400,000 customers throughout the State. This change will eliminate a million and a half toll charges each year.

Keeping pace with expanding communities in Maryland, the C. & P. proposal also provides for the inclusion of new developments by expanding 19 basic rate areas in various parts of the State.

BUILDING PERMITS ISSUED

Building permits were issued in Frederick this week for the following local construction:

A \$15,000 brick veneer farm home with seven rooms and two and one-half baths will replace a torn down farmhouse on the southeast side of the Friend's Creek Road southwest of the Horner's Nest Road for Robert O'Neal of R1, Emmitsburg.

A \$1,800 cement stove silo will be constructed on the farm of Murray R. Roop, R2, Emmitsburg, on the north side of the Grimes Road, southwest of the Keysville Road.

Dillon To Speak

Dr. John J. Dillon, professor of English and head of the English Department at Mount St. Mary's College, will address men of the Conewago Deanery Union of Holy Name Societies at their annual banquet Thursday, April 23, at the Sacred Heart Basilica Parish Hall, Conewago.

Ross V. Smith Re-appointed To School Board

Despite the wishes of the citizens of Emmitsburg and the recommendation of the Emmitsburg Democratic Central Committee, the Frederick County Democratic Central Committee nominated Ross V. Smith for another term on the Frederick County School Board. The term is for six years. Guy A. Baker, Jr., local central committee chairman, had previously placed the name of Dr. John J. Dillon Jr. in nomination for the appointment.

The appointment by Governor J. Millard Tawes within the next few weeks is expected to be a mere formality. Nomination by the State Central Committee of the party in power in the state is customarily tantamount to appointment.

Recommendation of Mr. Smith by the Democratic leaders follows several weeks similar recommendations by the Frederick County Republican State Central Committee and the County Council of P.T.A.s.

The recommendation of Mr. Smith, the lone Republican on the Board of Education, was approved by a majority vote of the Democrats. One of the seven-member committee, Edward D. Storm, was not present at the meeting held in the County Commissioners office in the Court House.

Attending the meeting were: Austin C. Powell, chairman, Mrs. James Hahn, George Abrecht, Alton Y. Bennett, G. Raymond Shipley and Earl W. Bartgis.

Mr. Smith is currently completing his second consecutive term on the School Board. During a number of his years on the board he served as president.

New Frontier Club Hears Candidates' Representatives

The New Frontier Democratic Women's Club of Emmitsburg met at the VFW Home in Emmitsburg, Monday evening. The president, Mrs. Jane Bollinger, opened the meeting and presided over the business session.

Two very interesting speakers were introduced. Mrs. Millard E. Tydings and Mrs. Joseph D. Tydings. Mr. Tydings is a candidate for the United States Senate. Mrs. Millard E. Tydings spoke of her trip around the world and especially of her stop in the Phillipine Islands. She told of entertaining the late President John F. Kennedy at a farewell party for her son, Joseph, before he took his trip abroad as a Special Envoy for the government and Department of Justice. Her son is a chip off the old block. He has a character like that of his father, Millard E. Tydings, who is well known to most of us.

Mrs. Joseph Tydings spoke briefly of her husband and told of some of his accomplishments. This included two terms in the Maryland House of Delegates and serving as United States Attorney for the District of Maryland.

All members of the club are invited to attend Candidates Night, April 23, 7:30, at the North Frederick Elementary School.

Miss Ada McKissick and Mrs. Catherine Kugler were hostesses of the evening.

The next meeting will be on May 11, 8 p.m., in the VFW. Mrs. Hazel Goldstein will be the guest speaker.

Swomley Host To 4-H Club

The April meeting of the Emmitsburg Boys 4-H Club was held Monday night at the home of Ken Swomley. President Bill Wivell opened the meeting by leading the group in the 4-H Pledge. The reports of the secretary and treasurer were read and approved.

The club decided to get a series of movies to show at future 4-H meetings. The club will observe National 4-H Sunday on May 3 by attending the Elias Lutheran Church in a body.

On May 2 members of the club will attend the McDonough School Fair. It should prove to be an interesting experience for those never attending the fair before.

The club decided to have a scrap drive on May 16. Anyone wishing to donate paper, rags, or metal to the drive can contact any of the members of the club.

Following the meeting the members were given a quiz on the parts of a cow, which they have been studying since the last meeting. Joe Topper was awarded the prize for having named the highest number of parts correctly, and Dave Swomley had the second best score. The members then judged a class of cows. The evening then drew to a close with refreshments being served.

515 Voters Registered For Town Election

Emmitsburg's eligible voters will vote for a Mayor and one Town Commissioner at the annual Town Election to be held in the Town Office on Tuesday, April 28.

Town Clerk Yvonne Baker reported this week that the number of eligible voters registered on the Town's books is 515. The term for Mayor has been extended this year and the new Mayor will be installed for a two-year tenure.

It is understood that a large number of friends have been busy this week trying to induce incumbent Mayor Ralph F. Irelan to run again for the office. They pointed out the number of major projects now under way in the Town and felt it was best that an experienced Mayor see them through to completion.

For several weeks now there have been no candidates for the office and a check with the Town Clerk Wednesday indicated that the situation had not changed. Candidates interested in filing for either of the two offices open must do so before the deadline, midnight Saturday, April 18. In an interview with Mayor Irelan late this week a Chronicle reporter elicited the following statement from him: "A large number of friends and interested citizens have consulted with me during the past weeks and as a result I have given the matter of running for office serious consideration. Due to the important work of installing new water lines, gas lines, Route 15 bypass and the 200-house development soon to be under way I feel that it is my moral obligation to again seek office and see these projects through. Once again I will be a candidate for Mayor for a two-year term."

In an interview with Commissioner John S. Hollinger regarding the coming election, Mr. Hollinger stated emphatically that he was not a candidate for re-election and that his name would not appear on the ballot. The Commissioner said he liked the work and liked helping the community but felt that due to pressing business commitments he had better not seek the office again. So at this writing the Town has one candidate for Mayor and none for Commissioner.

Should there be no candidate on the ballot for Commissioner at the time of the election, the individual receiving the highest number of write-ins would automatically be the new Commissioner. Polls will be open from 12 Noon to 7 p.m. on the evening of the election, Tuesday, April 28.

Obituaries

MRS. ISAAC DOWNEY
Mrs. Gertrude Downey, 91, W. Main St., Emmitsburg, widow of Isaac Downey, died Saturday at 9:30 a.m. at the Little Sisters of the Poor Home, Baltimore.

A native of Adams County, she was a daughter of the late Henry and Anna Richardson Brown, and was a member of St. Joseph's Catholic Church, here, and of the Sodality of the Blessed Virgin Mary. Her husband died a number of years ago.

Funeral services were held on Tuesday morning with a requiem Mass at 10 o'clock in St. Joseph's Catholic Church with the Rev. Fr. Louis Storms officiating. Interment was in the church cemetery. Wilson Funeral Home, Emmitsburg, was in charge of arrangements. Pallbearers were John S. Chase, Ronald Van Brakle, Patrick Williams, Ronald Doaks, Thomas Van Brakle and Kenneth Van Brakle.

MRS. W. ELLIS MARTIN
Mrs. Catherine Helen Martin, 53, Frederick, died on Saturday at her home.

She was the wife of W. Ellis Martin and daughter of the late Albert R. and Bessie Roop Six. Besides her husband, she is survived by one daughter, Mrs. Richard Vencile of Frederick and the following brothers and sisters: Mrs. Harry Clabaugh, Taneytown; Charles Six, Emmitsburg; Marlin Six, Taneytown; Carroll Six of Rocky Ridge; Mrs. Frances Long, Thurmont, and Mrs. Samuel Webb of Taneytown.

Funeral services were held on Tuesday at 2 p.m. at the C. O. Fuss and Son Funeral Home, Taneytown; interment was in Keysville Union Cemetery.

Granted Divorce
An absolute divorce was granted in Circuit Court in Frederick, by Judge Patrick M. Schnauffer, on April 9 to Walter Lee Stonesifer, from the defendant, Catherine E. Stonesifer. The father was granted custody of the minor child.

LEGAL

BEVERLY S. COSGRAY
1201 E. Patrick Street

Frederick, Maryland
vs.
JOHN R. COSGRAY
c/o Mrs. Gayle Cosgray

Glover's Gap, West Virginia
NO. 20,621 EQUITY
In the Circuit Court For Frederick
County, Maryland
ORDER OF PUBLICATION
The Bill of Complaint is a suit
to procure a divorce A VINCULO
MATRIMONII from the Defend-
ant, John R. Cosgray.

MATRIMONII from the Defend-
ant, Albert.
The Bill recites that the Com-
plainant is a resident of Freder-
ick County, State of Maryland,
where she has resided for more
than one year last past; that the
Defendant is a non-resident of the
State of Maryland, whose last
known address was Post Office
Box 145, Glendale 5, California;
that the parties to this cause were
married on the 16th day of De-
cember, 1945, at Frederick, Mary-
land, by Rev. Garrett, a regularly
ordained minister of the Gospel;
that as a result of the said mar-
riage two children were born,
namely, Marian A. Monk, who is
at the present time 16 years of
age, and Deborah J. Monk, who
is at the present time 13 years of
age; that the parties to this cause
have voluntarily lived separate
and apart without any cohabita-
tion for more than eighteen months
prior to the filing of this Bill of
Complaint, and that the separa-
tion between the parties is be-
yond any reasonable hope or ex-
pectation of reconciliation.

Vice President, was received and
read by the president. The draw
prize was won by Anna Bushman
and Mrs. Genevieve Elder's name
was called for the door prize, but
she was not present. Refresh-
ment committee for May meeting
is Loretta Hardman and Virginia
Sanders. Following the business
meeting, the ladies joined the men
of the Post for refreshments.

26, both day and night. All ride
tickets will be 5 cents, and 22 tick-
ets for \$1. A Brunswick Bowling
alley has been installed in the
skee-ball building, with the first
automatic pinsetters. This alley
is over 50 years old, with the
original pinsetters.
The school days will be: Han-
over School Day, Sat., May 2;
Adams County Day, Sat., May 9;
York County Day, Sat., May 16;
Maryland School Day, Sat., May
23, and Everybody's School Day,
Sat., June 6. The tickets will be
printed in this paper, good for
free rides, skating, contest, and a
free plastic tool set to each pupil.
Parents are invited.
There will be a free show, both
afternoon and night, on opening
day, Sunday, April 26, by The
Town and Country Boys.

Mounts Drop
Ball Game

Two Mt. St. Mary's College
teams lost decisions to Rider Col-
lege in contests held Saturday at
the local school.

The Mountaineer baseball team
bowed 11-2 while the tennis team
lost an 8-1 verdict in opening its
campaign.

Friday afternoon the Mountaineer
baseball team lost their opening
game to Towson State 5-4 in a
contest played at Towson. Tow-
son's winning runs were scored in
the last of the ninth inning.

Mounties Sweep
Track Meet

Mt. St. Mary's took 10 first
places and breezed to an 81-37
victory over the Towson College
trackmen last Thursday at Tow-
son. It was the second victory in
as many starts for the Mountaineers
and was the second loss in
two outings for the losers.

Jack Campbell of the Mount
was the lone double winner, taking
the shot-put and discus.

Ken Swomley, Mount Sophomore,
won the 100 yard dash,
placed second in the broad jump,
and was a member of the winning
440 relay squad.

Forest Park
Opens April 26

Forest Park, Hanover, Pa., will
open for the season, Sunday, April

ON MANEUVERS

Army Pfc. Edward F. Althoff,
whose wife, Virginia, lives at St.
Anthony's, and other members of
the 25th Infantry Division, are
participating in Exercise HIGH
TOP IV, an Army-Navy-Air Force
field training maneuver on the
Island of Hawaii.

The exercise, scheduled to end
May 4, began when the soldiers
were transported by air and sea
from the Island of Oahu to the
Island of Hawaii where they are
engaging in live fire simulated
combat maneuvers.

Althoff, a missile launcher crew-
man in Battery A, 2d Battalion
in the division's 21st Artillery,
regularly stationed at Schofield
Barracks, Hawaii, entered the
Army in April 1963. He com-
pleted basic training at Fort
Knox, Ky., and arrived in Haw-
waii in June 1963.

The 24-year-old soldier, son of
Mr. and Mrs. Frank J. Althoff,
R1, Emmitsburg, attended Emmits-
burg High School.

Mrs. William Topper visited on
Sunday with her father, Upton
Austin, who underwent surgery
last week at the University of
Maryland Hospital.

On The Lawn

With Larry Lawrence

Was life so much easier in the
old days? Maybe yes. Maybe no.
It all depends on what you have in
mind. If you're thinking about
your income tax return, yes. If
you're thinking about fixing up
the lawn, no.

I remember, and it wasn't so
long ago at that, when there were
three things we had to do every
Spring no matter what. First we
had to fill the big heavy roller
with water and trundle it over
every inch of lawn. Then we had
to spread lime, a nasty, messy
job if ever there was one. And
then we had to get down on hands
and knees and grub out old crab-
grass plants. How we kids hated
that.

Well, today, you don't do a
single one of those chores. Rol-
ling went out of fashion when we
realized that it simply compacted
the soil and did more harm than
good. We quit liming when we
discovered that it didn't really
neutralize an acid soil. And we
no longer pull out crabgrass. We
know that new plants can come
only from seed in the soil. And
we can prevent them sprouting
with a pre-emergence control such
as Halts.

Today, even Junior can feed an
average lawn with Turf Builder
in a half hour. The same length
of time to put down Halts. Both
jobs in one hour. And not even
get his hands and knees dirty!

The Bill then prays that the
Complainant, Beverly S. Cosgray,
be divorced A VINCULO MATRI-
MONII from the Defendant, John
R. Cosgray; that she be awarded
the care and custody of the in-
fant child in these proceedings
mentioned; and for such other
and further relief as the nature
of her case may require.

COURT ORDER
It is thereupon this 14th day
of April, 1964, by the Circuit
Court for Frederick County, Mary-
land, sitting as a Court of Equity,
ORDERED that the Complainant
give notice to the Defendant of
the object and substance of this
Bill, by causing a copy of this
Order to be inserted in some news-
paper published in the County of
Frederick, once each week for four
successive weeks before the 16th
day of May, 1964, commanding
him to be and appear in this
Court, in person, or by solicitor,

Frederick, Maryland
vs.
ALBERT MONK
Post Office Box 145
Glendale 5, California
NO. 20,620 EQUITY

In the Circuit Court for Frederick
County, Maryland
ORDER OF PUBLICATION
The Bill of Complaint is a suit
to procure a divorce A VINCULO

The Bill then prays that the
Complainant, Marian A. Monk, be
divorced A VINCULO MATRI-
MONII from the Defendant, Al-
bert Monk; that she be awarded
the care and custody of the in-
fant children in these proceedings
mentioned; that she be awarded
a sum or sums of money for the
support and maintenance of said
infant children, and for such other
and further relief as the nature
of her case may require.

COURT ORDER
It is thereupon this 14th day
of April, 1964, by the Circuit
Court for Frederick County, Mary-
land, sitting as a Court of Equity,
ORDERED that the Complainant
give notice to the Defendant of
the object and substance of this
Bill, by causing a copy of this
Order to be inserted in some
newspaper published in the Coun-
ty of Frederick, once each week
for four successive weeks before
the 16th day of May, 1964, com-
manding him to be and appear
in this Court, in person, or by so-
licitor, on or before the 16th day
of June, 1964, and show cause, if
any he has, why a Decree should
not be passed as prayed.

100 YEARS AGO

FORREST WINS BATTLE; CAROLINA TOWN FALLS

By Lon K. Savage

The hard-pressed Confederacy welcomed two victories 100 years ago this week.

Neither war crucial, but both were decisive and added to the morale of Confederate troops and citizens. The first was won by Bedford Forrest, the fighting cavalry leader in Tennessee. The other occurred in North Carolina where a makeshift Confederate ironclad and a division of troops recaptured Plymouth, N. C. from the Federals.

Forrest's victory came first, on April 12, following a series of spectacular exploits. In March, Forrest had raided up through western Tennessee, capturing a garrison at Union City, then attacked Paducah, Ky., on the banks of the Ohio, occupying that city. Then, as Federal troops tried to catch him, he circled back and on April 12, fell on Fort Pillow on the Mississippi River about 40 miles north of Memphis.

Bloody Battle

Seldom has such a short battle been so bloody. Although controversy still exists about what happened, these basic facts are agreed upon:

Forrest appeared before the fort with about 1,500 men, drove the Union troops from their rifle pits into the fort and demanded surrender. Maj. Lionel Both, commanding the fort and about 557 troops—about half of the Negroes, refused. Whereupon, a bugle sounded, and Forrest's men charged, yelling loudly.

It was a near massacre. The Federals were cut down by the score. Booth, himself, was killed. Some began retreating toward the river, hoping for help from a Federal boat nearby. Forrest's men caught them in an enfilade, killing still more. Other Union troops fell into the river

and drowned.

Within 20 minutes it was over. Forrest, in a report on the battle, described the scene: "The river was dyed with blood of the slaughtered for 200 yards." Of the 557 Union troops, more than 400 were casualties, and a high proportion were killed.

At Plymouth

The victory at Plymouth came six days later and followed a spectacular river fight.

On April 17, a Confederate division surrounded the river-front town and fort from its land side and opened infantry and artillery fire on 3,000 Union troops holding the city.

Next day, the "Albemarle," an iron-clad that had just been built from scrap metal in a cornfield up the Roanoke River, descended the river to Plymouth and attacked Federal ships. She first dashed into the Federal gunboat, "Southfield," smashing her bow 10 feet into the gunboat's side and sending her with some of her crew to the bottom.

The Federal gunboat "Miami" then fired a heavy shell at the ironclad. The shell hit the ironclad, bounced back and killed the "Miami's" skipper. The "Miami" then retreated.

Next morning, the "Albemarle" opened fire on the town and its fort, while Confederate troops attacked. Within hours, the Union troops surrendered.

Next week: Preparations for Spring.

social security district manager. Mr. King's report listed the number of Frederick County beneficiaries as 6,315 at the end of 1963, an increase of 217 over the corresponding figure at the beginning of 1963. The dollar benefit amounts total more than 4½ million yearly. Retired workers are the largest single group of social security beneficiaries in the county. There are 3,351 in this group and their old-age insurance benefits total \$234,879 monthly. The following

table shows the number and the amount of the other monthly benefits paid in Frederick County, as of December 31, 1963.

Beneficiary Group	No. of Beneficiaries	Monthly Payments
Retired Worker	3,351	\$234,879
Wife or Husband	913	34,200
Widow or Widower	744	46,908
Mothers & Child'n	1,077	51,052
Disabled Workers	213	17,709
Parents	17	1,083

In releasing the figures, Mr. King pointed out that the social security benefits are important to the community as well as to the people who receive them. "It is a fact," he said, "that almost every dollar of social security benefits coming into the county is spent each month in local businesses for food, clothing, shelter, and other essentials. In this way, the benefits have a stabilizing effect on the local economy."

He forecast that the number of social security beneficiaries will

continue to increase in the future, but at a much slower rate than in the past 10 years. He said that, nationally, the social security benefit rolls increased from about 5 million people in 1954 to more than 19 million at the end of 1963. This rapid growth in the beneficiary population resulted from major amendments to the Social Security Act from 1950 through 1961. He cited several amendments which extended social security coverage to self-employed business and professional men, farmers and agricultural workers, and other groups. As a result, several million people whose work was brought under social security are now receiving benefits. Others qualified through amendments which reduced the amount of work needed to get benefits. One change—lowering the age at which older people can get benefits from 65 to 62—accounts for 1.8 million out of the 19 million people now

entitled to benefits. The amendments also introduced a new protection under social security—disability benefits—and 1.5 million disabled workers and their dependents now receive benefits under the disability provisions of the law.

If ye be willing and obedient, ye shall eat the good of the land.—(Isa. 1:19).

Whenever faced with difficult circumstances we must remember that Christ is with us in all adversity; that He cannot fail to bless our life.

120 KILLED ON MARYLAND HIGHWAYS THIS YEAR

Three persons were killed on Maryland highways last week according to the weekly survey published by the Maryland State Police.

All three of those killed were drivers.

Alcohol was a contributing factor in two of the deaths; speed in one; and "driver error" was present in all of the fatalities.

In commenting on the highway death toll, Colonel Carey Jarman, Superintendent of the Maryland State Police, said: "Last week was a good week, numerically speaking. There were only three deaths. But all of them were due to 'driver error'. Two of the three drivers killed were under the influence of alcohol. The other crossed the center line and struck an oncoming vehicle head-on. Just three more unnecessary deaths."

The total number of persons killed on Maryland highways up to midnight of April 12 of this year is 120, as against 149 for the same period last year.

McAFEE, late of Frederick Coun-
ty, Maryland, deceased.
DEFENDANTS

ORDER OF PUBLICATION

The subject of this suit is to
condemn, under the provisions of
Article 33A and Article 66C of
the Public General Laws of Mary-
land, certain property belonging
to Rosa P. McAfee, widow, R.
Hunter McAfee and Nora McAfee,
his wife, Charles C. McAfee and
Hattie McAfee, his wife, the Un-
known Heirs and the Spouses of
the Unknown Heirs of Reuben
McAfee, for the use of the Cun-
ningham Falls State Park.

The Petition recites that the
Plaintiffs constitutes the Depart-
ment of Forest and Parks; that
as such, they are charged, among
other things, with the construc-
tion and maintenance of forests
and parks of the State of Mary-
land; that they have determined
there is a public necessity, and
there is, in fact, a public neces-
sity to acquire for the purpose
of advancing the aims of forestry,
parks and recreation, all that cer-
tain property, situate, lying and
being about three three-fourths
(3 3/4) miles west of Thurmont,
along Maryland Route No. 77, in
Frederick County, Maryland, for
the purposes of the Cunningham
Falls State Park, containing 280.91
acres, more or less, said property
being more particularly described
in said Petition belonging to the
said Rosa P. McAfee, widow, R.
Hunter McAfee and Nora McAfee,
his wife, Charles C. McAfee and

Hattie McAfee, his wife, the Un-
known Heirs and the Spouses of
the Unknown Heirs of Reuben
McAfee, late of Frederick County,
Maryland, deceased; together, with
the buildings and improvements
thereon and the rights, alleys,
ways, waters, roads, privileges, ap-
purtenances and advantages to
the same belonging or in anywise
appertaining; and that the Plain-
tiffs were unable to reach an agree-
ment with the said Rosa P. Mc-
Afee, widow, R. Hunter McAfee
and Nora McAfee, his wife,
Charles C. McAfee and Hattie Mc-
Afee, his wife, and the Unknown
Heirs and the Spouses of the Un-
known Heirs of Reuben McAfee,
deceased, to purchase the above
property and that it is therefore
necessary that said property be
condemned; that under the pro-
vision of Section 372 of Article 66C
of the Public General Laws of
Maryland, the Plaintiffs are em-
powered to condemn land in the
name of the State for the purpose
of advancing the aims of forestry,
parks and recreation.

It is thereupon this 23rd day
of March, 1964, by the Circuit
Court for Frederick County, Mary-
land, ORDERED, that the Plain-
tiffs, by having a copy of this
Order to be inserted in some news-
paper published in Frederick Coun-
ty, Maryland, once a week for
four (4) successive weeks before
the 25th day of April, 1964, giv-
ing notice to the said absent De-
fendants, the Unknown Heirs and
the Spouses of the Unknown Heirs
of Reuben McAfee, of the object
and substance of said Petition,
warning them to be and appear
in this Court either in person or
by Solicitor, on or before the 26th
day of May, 1964, to show cause,
if any they have, why a Decree
should not be passed as prayed.

up pictures, so much the better.
A tripod also comes in handy to
eliminate camera movement and
free your hands for other things.
If you "shoot" without a tripod,
be sure to brace your elbows when
you "snap" to keep blurs from your
finished photos.
Your picture taking area should
be about three feet from a plain
background. A solid colored blan-
ket, spread on a low table or bas-
inet, if baby's very small, will
suffice. Since you won't want to
unnecessarily involve your child in
preliminaries, use a doll as a
"stand-in" for all arrangements.
It's best to place your camera
about four feet from your young-
ster. With blanket and camera
set, replace the "stand-in" with
your loved one and let him begin
to play.

Of course, with uncontrolled ac-
tivity, your youngster is apt to
crawl toward you and the camera,
so you'll have to arrange some-
thing to keep his interest. For
example, you might want to try
hand puppets, or his favorite toy
placed "on location." Baby also
might react well to playing with
some colorful small objects, such
as a ribbon or a balloon.

There are a few "discovery"
games which bring delightful ex-
pressions to baby's eyes. When
your child is old enough to handle
a book, you might try placing a
few brightly colored pieces of rib-
bon between different pages. As
baby comes to a page where a
piece of ribbon was hidden, viola!
You'll have just the right expres-
sion.

A toy, a rattle or a block also
can be hidden in the blanket fold
or in a rolled sock, for the same
effect. In any case, such discovery
will reward your patience and re-
sult in a fine new contribution
for the pages of your family al-
bum. And those resultant oohs
and ahs you'll hear from admiring
friends and neighbors will be ge-
nuine appreciation for adorable ba-
by pictures.

BABSON

Writes . . .

BY ROGER W. BABSON

Babson Discusses What He Would Do About A Young Man's Education Today

BABSON PARK, Mass., April 16—At this time of year many parents are thinking about what they could do to help their boys get on in the remarkable era which we are facing scientifically, socially, financially, and educationally. Tremendous changes are going on and young people should be prepared to take advantage of them.

Do Well In High School

It is well to be interested in athletics and other extracurricular high school affairs, but these do not count much in getting a foundation. So many employers want a list of the 10% or 20% of the students with highest grades who are about to graduate from high school. The large companies are not content with knowing how these young people are getting along in college, but are going back to their high school records.

Therefore, it is very important that a graduate from college should have a good record in high school.

Liberal Education Vs. Business Education

It is reasonable for one with the time and whose dad has plenty of money to get a "liberal" education. This is especially true when the young man knows where he is going to work. But if he has not the time to give three or four years to a "liberal" education, he should seek a business education which will include some of the most important of the liberal education subjects.

I have in mind, for instance, the Babson Institute at Wellesley, Mass., where over 800 young men are now studying the fundamentals of business. It does not necessarily mean that they are going into business, but they must have these fundamentals now if they hope to administer a large position later. Parents little realize the change that is taking place in the demand for young men.

Importance Of Chemistry

After graduating from a college of business administration, I would advise a post-graduate course in chemistry. This might be done in one year or it might take two years, but tremendous developments are taking place in chemistry. I especially have in mind the manufacture of synthetics. There will be great changes in the manufacture of what people call "artificial" foods (though they are not really artificial). They have the same vitamins and other nu-

trients as the food which we raise in the corn fields or in the orange groves. A young man or woman could well become an expert on rockets or nuclear power.

The synthetics are also being extended to commodities other than foods. Therefore, I should suggest getting a position with a concern such as du Pont of Wilmington, which developed nylon and some of the other most valuable products of today. The best "rubber" tires contain practically no rubber at all. The du Pont Co. is now putting on the market a "leather" (Cor-fem) which may be superior to any leather now used. The company is experimenting on a substitute for woolsens, in which I am sure they will succeed. Just as du Pont has eliminated need for the silk worm, so it may eliminate the need for the cotton fields and many other present industries.

Construction Greatly Changed

Now, the principal building product is wood; and this may continue to be true with the use of plywood. The carpenter's job, however, is nearly over; the lumber will come all cut, ready for quick erection in the house. This situation applies also to buildings, which will be made largely of aluminum and glass. I would not think of buying an old office building today in view of the new buildings being erected.

The time is coming when the chair in which I sit will be stamped out of plastic; and this will apply to the desk and all other furniture in the house. I have a good many pieces of antique furniture in my home, and experts are now calling on me to take photographs and measurements of these antiques in order to make "duplicates" which are indistinguishable from

the originals. The main point is that these reproductions are more useful and stronger than the originals.

I merely give these facts as illustrations of the importance of synthetics to chemistry and design. "Chemistry" includes plastics, which are the basis of many of the clothes we wear. The time is coming when clothes will not be manufactured as they are now and weaving as we know it will be eliminated.

Veterans Receiving Medical Cards

The Veterans Administration has started issuing the American Medical Association emergency medical identification card to selected veterans at its Outpatient Clinic in the Baltimore Regional Office, according to F. E. Quinn, Manager.

Mr. Quinn said all patients whose medical conditions carry special hazard, should they be

rendered unconscious by accident or sudden illness, will receive the card.

Among these may be epileptics, diabetics, those allergic to certain drugs or food, contact lens wearers, and veterans taking certain medicines.

For such patients the information on the card can be life-saving, should they be unable to tell of their medical conditions. It will warn the doctor that these conditions exist and could, for example, prevent him from administering a drug to a patient highly allergic to it.

Mr. Quinn said the decision on whether to issue the card will be made in each individual case by the VA physician treating the patient.

The card has space for name, address, and telephone number of the carrier, his religion, those to notify in emergency, the name and address of the carrier's own physician, present medical problems, dangerous allergies, and any other important information.

Ford Mustang Hardtop

New Ford Mustang—\$2368* f.o.b. Detroit
(and we're not fooling!)

This is the car you never expected from Detroit. Mustang is so distinctively beautiful, it has received the Tiffany Award for Excellence in American Design, the first automobile ever to be so honored by Tiffany & Co. Mustang brings you the look, the fire and the flavor of the great European road cars. Yet Mustang is as American as its name—as practical as its price. And just look at all the wonderful features the price includes:

\$2368* f.o.b. Detroit is the suggested retail price for a completely equipped standard Mustang Hardtop (above). This price includes luxury features either not available or available only at extra cost in most other makes of cars:

- Deep foam bucket seats
- Padded instrument panel
- Full wheel covers
- Color-keyed all-vinyl interior
- Color-keyed wall-to-wall carpeting

\$2368* f.o.b. Detroit also includes these features often costing extra in other cars:

- Sports steering wheel
- Cigarette lighter
- Glove box light

- 2 automatic courtesy lights
- Floor-mounted 3-speed shift

\$2368* f.o.b. Detroit also includes these features as standard equipment:

- Twice-a-year (or 6000-mile) service schedule
- Wrap-around front bumper with bumper guards front and back
- Curved side glass
- Front arm rests
- Heater (unless ordered without)
- Parallel-Action windshield wipers
- Safety-Yoke door latches
- Front seat belts (unless ordered without)
- Self-adjusting brakes
- 170-cu. in. 6-cylinder engine

*Suggested retail price. Destination charges from Detroit, options, state and local taxes, and fees, if any, are extra. White sidewalls \$33.90 extra.

FOR AN AUTHENTIC SCALE MODEL of the new Ford Mustang, send \$1.00 to Mustang Offer, Dept. N-1, P.O. Box 35, Troy, Mich. (Offer ends July 31, 1964)

TRY TOTAL PERFORMANCE FOR A CHANGE!

FORD

Mustang • Falcon • Fairlane • Ford • Thunderbird

Mustang was designed to be designed by you!

You can make the trip to school or the supermarket a lot more fun when you add convenience options like these to your standard Mustang:

- 260-cu. in. V-8
- 3-speed Cruise-O-Matic transmission
- Power steering
- Power brakes
- White sidewall tires
- Push-button radio
- Backup lights
- Deluxe seat belts front and rear
- Outside rearview mirror
- 2-speed electric wipers and washers
- Tinted windshield

You can make your new Ford Mustang an all-out luxury car to suit your special taste for elegance, with these luxury options:

- Full-length console between front seats
- Padded sun visors
- Rocker panel molding
- Deluxe wheel covers with simulated knock-off hubs
- Air conditioner
- Tinted glass
- Vinyl-covered hardtop roof
- Accent paint stripe
- Convertible with power-operated top and vinyl tonneau cover

You can have the ultimate in action by designing your own hot-blooded sports touring machine with these exciting Mustang performance options:

- 289-cu. in. V-8
- 4-speed manual transmission
- Rally Pac (tachometer and clock)
- 14-inch wheels and tires
- Heavy-duty battery

Miss Fogle's Students Give Music Recital

On Saturday afternoon, April 11, piano students of Miss Margaret M. Fogle assembled in groups, for their Spring Recital, at her home-studio, 15 Walnut St., Thurmont.

The Group I Program began at 1:30, with piano selections appropriate to the theme, "Nature." As the students announced their numbers, short explanations of the various outdoor sounds, which the audience would hear in the music, were given. Selections were played by: Phyllis Heims, Robin Lookingbill, Lucy Johns,

Now Thru Sat. April 18 ACADEMY AWARD WINNER SIDNEY POITIER In THE LILLIES Of The FIELD At Regular Prices

Linda Lookingbill, Linda Johns, Donald Elower, Peggy Seiss, Elizabeth Norris, Linda Clem, Elmer Lee Lambert, and Sharon Lewis.

A variety of dances, which represented several countries, were played by Group II at 2:30 o'clock. When announcing these selections, each student described the dance, and gave a few interesting facts, to show the differences in tempo and steps. Participating were: Stephen Thomas, Pamela Weddle, Paul Fontaine, Julie Howe, David Thomas, Carolyn Gift, Peggy Mathias, Suzanne Purcell, Alban Little and Connie Calimer.

Composers of the Classical, Romantic and Modern Periods in

music were featured in the last program at 3:30. Interesting highlights on the lives of the composers, or short sketches on a few operas included in the group, were given by these participating students: Cindy Biser, Pamela Wildasin, Paulette Alexander, Noel Sklarevski, Jr., Norma Harne, Priscilla Bowman, Sarah Metcalfe, Stephen Wildasin and Ethel May Alexander.

Mr. and Mrs. Clarence Wachter spent the weekend with Mr. and Mrs. Denis Mitchell and family, Toms River, N. J. They were accompanied by Mrs. Mitchell and children, who spent the past week at the Wachter residence.

OPEN FRIDAY-SATURDAY EVENINGS 'TIL 9

Rehearsals For Play Continue

Rehearsals are progressing very smoothly for "Pillow Talk," the senior play at Emmitsburg High School. The play is scheduled to be presented on May 8 at 8 p.m. in the high school auditorium.

The plot of "Pillow Talk" revolves around Jan Morrow, a progressive young interior decorator, played by Carolyn Umbel; and her problems with Brad Allen (Craig Stoops), a very handsome young song writer and ladies' man, who shares and monopolizes her party

line. After several bitter arguments Brad feels he owes Miss Morrow a lesson, and plans to play a very mean joke on her. Unable to meet her face-to-face because of their encounters over the telephone, he impersonates a very manly Texan, Rex Stetson, with whom Jan finds herself falling in love. Not realizing that he is her telephone rival, she accepts him fully, but as always the truth is brought out by a mutual friend. In the final act of the play, we find Brad, who never really cared for any woman before, madly in love and battling his heart out to win back his beloved Jan.

Playing Jonathan Forbes, Jan's carefree millionaire suitor, is Bob Zimmerman, who, in his relentless pursuit of her, adds a genuine touch of humor to the play. Sue Martin, as Alma, Jan's very inquisitive and truly funny maid, heads the fine supporting cast in the role originally created by Thelma Ritter for the movie. Pierot, Jan's nervous young assistant, is portrayed by Harry Harner, while the remainder of the cast of 21 is made up of Brad's many female acquaintances, Jan's clients and assistants, telephone company employees, and various other characters.

The entire cast has high hopes that the play will be a great success, and as it stands now, with a good story and very willing cast and crew, it will be. The community of Emmitsburg, it is hoped, will support the dramatic effort of their young citizens by attending the play on May 8.

Final Shipment Of Cancer Kits

The Maryland Division of the American Cancer Society through its Frederick County office has announced that the final initial shipment of cancer detection kits has been received by Frederick County women participating in a new life-saving program. Frederick County was selected as the third county in the United States to test this new method of "do-it-yourself" screening for early de-

tection of cancer of the cervix, a highly curable cancer when detected early.

Supported by the Maryland Division of the American Cancer Society, in cooperation with the Kent County Medical Society, the project provides women in the 30-45 age bracket with an opportunity to obtain specimens for the Papanicolaou Cancer Test in the privacy of their homes by using the kit, or pipette, mailed to them by the Cytologic Laboratory of Johns Hopkins School of Medicine.

Doctors report that several cases of early cancer of the cervix, or neck of the womb, have been located to date in Frederick County. Any suspicious findings are immediately reported to the women's private physicians who arrange for further treatment if necessary.

Women in Frederick County between 30 and 45 who do not receive a cancer detection kit within the next two weeks are urged to send their name and address, plus date of birth, to the American Cancer Society office at 22 S. Market St., in Frederick.

Finds Mushrooms In Home Cellar

"Gab" Springer, local mountain resident, reported finding a large mushroom in his cellar this week. Excitedly calling members of his family they quickly rounded up 11 of the mushrooms about the size of a large lemon. Gab reports that mushrooms do not or-

dinarily grow in dark cellars but in fields and woods where sunlight and moisture stimulate their growth. He noted too that the size determined that the mushrooms must have had an exceptionally early start because the vegetable is just now maturing in the fields and woods.
