The threatened racial riot scheduled last week for Cambridge was quickly thwarted by State Police. Plans for any violent demonstration were nipped in the bud before they even got started and this is the sort of action that I condone. Equal rights is certainly to be desired by all and I would willingly concede that we are all entitled to them. However, in the past year or so radicals advocating violence have come to the forefront and burning and killing have been the result. This we cannot condone. The presence of 250 State Troopers undoubtedly changed the mind of the rabble-rousers in Cambridge and if this sort of action worked there it should work in other areas of the country. The thing to do is when you know that such violent action is about to mature is to break it up before it starts. We are not opposed to peaceful demonstrations if they are in capable hands but there are too many Browns and Carmichaels on the loose these days. We congratulate the State Police on the efficient manner in which they handled the Cambridge situation last week. . . . No one was injured.

The new phone books are out and they are a considerable improvement over previous issues. Designed more like city directories, the books afford easy reading, better dialing instructions, area codes, etc. However, many citizens are at a loss to know why the Telephone Company had to go out of Frederick County to obtain its front cover picture? The cover depicts a section of the Western Maryland College campus in Carroll County. It so happens that we have a Community College, Baptist College under construction, St. Joseph College and Mt. St. Mary's College, right here in our fair Frederick County. Any one of these colleges would or could have graced the cover of our new phone directory. Last year's cover showed a beautiful lake and a sailboat. Subscribers remarked last year that sailing in Frederick County was impossible and there were no lakes large enough to accommodate such boats. This year's cover has them wondering once more.

Dr. James Sensenbaugh is about again advocating a seven-man hand-picked School Board for the counties throughout the state. He made a speech in Gaithersburg this week relevant to the subject. It really is plain to see that the present method of selecting School Board members is outmoded and outdated. Why it would be possible for all board members to come from one section of the County. It is easy to see that a new system would distribute the representation on the Board geographically better if each Election District would be eligible to place a representative on the Board. This would naturally expand the Board considerably but since there is no pay connected with the job and the expenses would be about status quo, there is no reason or justification for not changing the law to require the appointment or election of a representative from each election district in Frederick County.

EHS Linettes Upset In Hockey

The Emmitsburg High School Linettes field hockey team was defeated by Linganore 5-1 this week. Although Linganore controlled the ball in the first half to chalk up five points, the Linettes never lost their team spirit and kept trying for their first goal of the day.

In the beginning of the second half, Emmitsburg's Judy Smith answered her team's wishes by scoring—giving the Linettes their first and only goal. Emmitsburg controlled the ball in the second half and although the score was 5-1, this was no indication of the kind of game the Linettes played. The Linettes will host Walkersville Oct. 10. Game time, 1:15.

Cadet Troop To Meet

Cadet Troop 1316 will meet Monday, October 9, in St. Euphemia's Hall at 3:30 p. m.

Miss Moret Becomes Bride Of Eugene Miller

Miss Josette Moret, daughter of Mrs. Odette Moret and the late Robert Moret of Garches, France, became the bride of R. Eugene Miller, son of Mr. and Mrs. Regis J. Miller, R3, Emmitsburg, on Sept. 2 at 11 a. m. in St. Joseph's Church, Emmitsburg. The Nuptial Mass and double-ring ceremony was performed by Rev. Sylvester A. Taggart.

The bride was given in marriage by Joseph W. Gelwicks, uncle of the groom. She was attired in a full length white peau d'ange lace gown designed with short sleeves, bell-shaped skirt and detachable taffeta train. Her bouffant veil of sheer illusion fell from a tiara enhanced with pearls and iridescents. She carried three long-stemmed white roses and ivy. Miss Frances Hardman, Emmitsburg, was maid of honor and the bridesmaids were Miss Diann Evans, Emmitsburg, and Mrs. Pamela Knox, Ft. Bragg, N. C. The maid of honor wore a floor length gown of pale yellow chiffon accented with deeper yellow velvet bow and back train. Her headpiece was a crown of matching color. The bridesmaids' gowns were styled similar to that of the maid of honor in aqua and pink. Their headpieces were crowns of matching colors. The attendants

all carried long-stemmed white roses and ivy.

The flower girl was Miss Kathy Ann Miller, sister of the groom. She wore a rose pink organza dress, a bandeau of baby pink rosebuds and carried a basket of pink rosebuds and white daisies.

Ronald Little, Emmitsburg, was best man and the ushers were James Cole, Gettysburg, and 1st Lt. Fred Knox, Ft. Bragg, N. C., brother-in-law of the groom.

Mrs. Louis Rosensteel, church organist, played traditional wedding music and accompanied the soloist Eugene Rosensteel.

A reception was held at the VFW Annex immediately following the ceremony. Miss Sue Knox presided at the guest book.

Following a wedding trip to New York City, the couple is now residing on Route 3, Emmitsburg.

The bride graduated from St. Cloud High School, St. Cloud, France, and attended Jean Moulin College, Chaville, France. The groom is a graduate of St. Joseph's High School, Emmitsburg, and is now attending Mt. St. Mary's College, Emmitsburg.

Guests attended the ceremony from Baltimore, New Jersey, New York, Washington, D. C., Delaware, Connecticut and North Carolina.

Town Council Meets With Recreational Group Of Chamber Of Commerce

Use of Town equipment on private jobs was discussed at the regular monthly meeting of the Burgess and Commissioners held Monday night in the Town Office. Chairman of the Board Quinn F. Topper presiding. It was decided, after a lengthy discussion, that henceforth the Town equipment would be used for emergency sewerage and water department work for individuals at a going rate of \$10 per hour.

Mayor Guy A. Baker, Jr., announced that the annual Trick or Treat Night would be held one night only and set the date for Tuesday, October 31. A request for barricades to be used at the Mother Seton School was granted by the Council. Beginning Jan. 1, the Council will institute a new payroll system with special checks, recapitulation sheets and binder forms for permanent records.

Sponsorship of the Municipal Band was discussed, a \$100 donation authorized for the Band, but the sponsorship required more investigation by the Town's attorney. Work on the new water line on Route 3 was discussed and a permit obtained from the State Roads Commission, authorizing the work. Payment of \$3,000 to Weller Bros. for a used air compressor to be used by Town working crews, was authorized at the meeting. The H. H. Jeter Co. bill

for \$6,000 for blacktopping portions of Federal Ave. and DePaul Street was ordered paid but \$344 was withheld pending final repairs to manholes and water cut-off valves which must be raised because of the thickness of the blacktop.

On September 26 all members of the Council attended a meeting with representatives of the Chamber of Commerce to discuss a recreation grant, facilities and location of a park, swimming pool, tennis courts, etc. The meeting was held in the Board Room of St. Joseph's Provincial House. Representing the Chamber of Commerce were J. Norman Flax, William Ledbetter, Norman Shriver, Floyd L. Lewis, Sister Margaret Hickey, Rev. Louis Storms, Mrs. Jane Bollinger and Harold F. Birely. The Council made no commitment at this meeting, deciding to discuss it privately at a future date.

Police Chief W. E. Law's monthly report showed one criminal arrest, 20 motor vehicle arrests and 11 warnings issued. Trips were made to Frederick twice and to Gettysburg once. Six day complaints were answered and five investigated. One accident in town was investigated and the Department assisted State Police with three wrecks outside the corporate limits.

Liners Win 4-0

Emmitsburg ripped Linganore 4-0, last Wednesday night in the county soccer league opener for both clubs.

Dennis Valentine's two goals, one in the first and one in the second quarter, were all that the Liners needed, but Richard Masser and Dave Wantz also connected for Emmitsburg.

Valentine opened the scoring with a goal in the first period on an assist from Masser. In the second, he connected on an unassisted shot from 12 yards out.

Masser connected on an unassisted shot in the second period, and Wantz connected on a corner kick in the fourth period.

The Liners had 23 shots at the goal and the Lancers only two.

St. Joseph College Valley Weekend Friday-Saturday

St. Joseph College will hold its annual Valley Home Weekend for the parents of seniors and freshmen on the campus, October 6-8. The weekend program, which will include a president's reception and father-daughter dance on Saturday, opens Friday evening with the academic investiture of the Class of 1971.

Culmination of the program is the traditional Sunday brunch. The Sunday event brings Rev. Fr. John F. King, C.M. to the college to deliver the main address. Immediately before Father King's address the senior students will pay tribute to their parents. Jocelyn Fritz, senior nursing major, will deliver the speech in the name of the class. Her father, Leo G. Fritz, Maplewood, N. J., will make the formal response for the parents.

Father King, whose ministry spans 25 years, has spent nine years in Panama. He also served for seven years in Alabama where he was the only Catholic priest in two counties.

The grand knight announced an Open House for potential new members would be held in the Council on October 11 and urged all members to be present. A communication from the State Council was read informing the membership that all members were eligible to participate in the blood program.

Donations were authorized for the following: Senior Citizens, \$25; Dominican Sisters, Baltimore, \$10; Warner Hospital Auxiliary, \$20.

Dr. D. L. Beegle Dies Suddenly In Car Accident

Funeral services for Dr. David Luther Beegle, 59, were held Monday afternoon at 2 o'clock from the Bender Funeral Home, Gettysburg, with his former pastor, Rev. Philip Bower, officiating, assisted by Rev. Alan Keith, pastor of the Church of the Nazarene, Gettysburg. Masonic services were conducted Sunday evening by the Good Samaritan Lodge, Gettysburg.

Dr. Beegle was a prominent chiropractor in Emmitsburg and Gettysburg. He was killed in an automobile accident Saturday morning at 2:40 a. m. when his car crashed into a bridge abutment near Bonneville, Pa. His 1966 Cadillac sedan was demolished and he died instantly. Adams County coroner Dr. C. G. Crist, said he died of a fractured skull and internal injuries.

Dr. Beegle apparently had been enroute to Gettysburg when the accident occurred, police surmised. His vehicle crossed the highway and struck the south side of the bridge head on, smashing the car in such fashion as to pin the man inside. Damage to the car was estimated at \$6,000.

Reports were that a passing motorist saw the accident and summoned Bonneville Police Chief Bernard V. Lemmon who called the Bonneville ambulance and firemen to assist. When they could not remove Dr. Beegle from the badly damaged auto, Bonneville firemen called the Gettysburg firemen's rescue squad. They had considerable difficulty removing the body from the wreckage.

A native of Bedford County, Dr. Beegle was a son of the late Walter and Grace (Diehl) Beegle. He graduated from the Palmer Chiropractic College, Davenport, Iowa. He began practice in Gettysburg and moved his office to Emmitsburg 32 years ago. About four years ago, he and his son, Dr. John D. L. Beegle, opened offices on Baltimore St., Gettysburg.

He was an Honorary Fellow of the International College of Chiropractors; was a member of the Maryland Chiropractic Association and had served as president of that group and as its secretary-treasurer. He was also a member of the Pennsylvania Chiropractic Association and of the American Chiropractic Association. He was a past president of the Emmitsburg Lions Club and currently was a member of the Gettysburg Lions Club.

He was a member of Elias Ev. Lutheran Church, Emmitsburg; of Good Samaritan Lodge No. 336 F and AM of Gettysburg, Gettysburg Commandery No. 79, Royal Arch Chapter 226, Adams County Shrine and Zemo Temple. He was also a member of the Gettysburg Moose, Elks and Country Club. Interested in sports, he had been president of the Penn-Maryland Baseball League a number of years ago.

Surviving are his widow, the former Miss Treva Bream, to whom he had been wed for 37 years; his son, Dr. John D. L. Beegle, Gettysburg, with whom he was associated in the practice of chiropractics, a daughter, Mrs. Nancy Gillespie, Veror Beach, Fla.; 10 grandchildren; a sister, Mrs. Emma Sells, Bedford, and a number of nieces and nephews.

Interment was made in Evergreen Cemetery, Gettysburg.

Writer Plans Emmitsburg History

According to a call placed to the Emmitsburg Library last week, a new copy of the History of Emmitsburg is in the making. Mrs. A. D. Malloy, Chatterdon Drive, Cincinnati, Ohio 45231, tells us here at the library that she is currently working on a new History. She would be interested in receiving any information that should be included in the new history. She asked for a picture of the Square as it stands now. She would like a picture of the home of Sterling Adams. Originally this was the home of Samuel Emmitt. Mrs. Malloy tells us that she is a descendant of Samuel Emmitt. Mrs. Malloy is currently working on the Methodist Church History and is in possession of a deed dated 1757. Any information or pictures may be sent direct to her at the above address.

MRS. CHARLES HARMAN

Mrs. Carrie Mae Harman, 93, Westminster, died Sunday at 4:20 a.m. after an extended illness at the home of her daughter, Mrs. Robert Baumgardner, Westminster R3.

She was the daughter of the late John Wilhide and Lydia Miller Wilhide. Her husband, the late Charles Henry Harman, died in 1945.

She is survived by these sons and daughters: Mrs. Anna Mae Baumgardner, Westminster R3; Miss Mary Agnes Harman, Westminster; John H. Harman, Westminster; Mrs. Ruth J. Troxell, Emmitsburg, and Charles M. Harman, Washington, D. C.; 10 grandchildren and 22 great-grandchildren. She was a lifelong resident of Carroll County and was a member of the Westminster Methodist Church.

Funeral services were held at the Saffell Funeral Home, Westminster, on Wednesday with Rev. John P. Buchheister, her pastor, officiating. Interment was in the Westminster Cemetery.

Artist's Final Appearance At St. Joseph's

Simple organic forms are the highlights of the ceramic exhibit of the ceramic and sculpture of Thomas P. Rooney.

The free exhibit, which opened last Sunday evening, will be opened for the last two times this weekend, Saturday 1 to 5 and Sunday 2 to 6 p. m. in Dubois lounge on the campus.

The ceramic includes stoneware bottles decorated with colored slips and glazes. The over-all coloration of glazes in handsome and subtle, with warm neutrals and earth colors predominating. One group of large, slender slab vases displayed unusual relief patterns and exciting textures. The artist revealed the vases were created by rolling the slabs on the wide-boarded floor of his barn-studio, the knot-holes, hrarks and nails making the unique impressions and shadings.

Three terra cotta heads also are featured in the exhibit. Like the pots, these heads retain their abstract, organic quality. The tensions are created by emphasizing the elongated and bulging form of the heads. Mr. Rooney commented that the viewer should sense the shape first, then see the human features.

One small head which sits quietly among fall leaves, bittersweet and red-toned pebbles, was the prime attraction last Sunday evening. Re-emphasizing his attitude about form, Rooney said, "I feel it's a success when a visitor pats this little fellow on the head."

Security

People who rely solely on information from friends and neighbors about social security are being short-changed because they are paying for more reliable information. W. S. King, district manager of social security at Hagerstown noted.

The doors of the social security office are open and the people in the office are ready to assist all who walk in, King said. He added that no one should hesitate to ask for information about his rights and responsibilities, and pointed out that many people understand one part of the law but do not understand some other part which may be just as important for them.

For example, most people come to the social security office to complete their application for benefits when they are about to retire, but many are not aware that a telephone call ahead of time asking what they should bring with them may save an extra trip. Most people know that if they are permanently and totally disabled they may qualify for disability benefits, but many do not know that a disabled person may now qualify for disability benefits, but many do not know that a disabled person may now

qualify for disability benefits if his disability is expected to last 12 months. Those who know that widows and minor children receive monthly benefits if the "breadwinner" dies, may not know that dependent parents can also receive monthly benefits.

It is common knowledge that people over 65 are eligible for medicare, but many people do not know that they need to sign up in the three-month period before they are 65 to become eligible for the supplemental medical insurance as early as possible. 91 per cent of those over 65 have signed up for the doctor bill insurance but do the other 9 per cent know that they will have another opportunity to sign up in October, November, and December of this year?

King said whether you come in with doctor bills for assistance in completing a claim for reimbursement, or inquiring about a lost social security card, you will receive helpful service from the employees of the social security office. The office is located at 59 North Cannon Avenue and is open from 8:45 to 5:00 with Monday hours to 8:00 p.m.

A \$24 Billion Budget Reduction!

At our Freedom Forum last April, a group of young and middle-aged conferees worked over the Johnson Administration's 1967-68 Federal Budget and decided in serious deliberation to advocate cuts totalling \$24.3 billion. Another group of conferees, after digging into the awesome Budget documents, advocated cuts totalling less than \$20 billion; and a third group wanted reductions of approximately \$30 billion. All three groups felt that a curtailment of Federal domestic spending, under present circumstances, would be better for the country than a tax increase as proposed by the President.

Without endorsing the specific cuts or the total recommended, we want to give our readers a breakdown of the recommended cuts totalling \$24.3 billion. It should be noted that the Department of Defense Budget of \$75.5 billion was cut only \$2.6 billion (none of it affecting the Vietnam war expenses); no cut was recommended in the Trust Funds Budget of \$44.5 billion.

THE CAST MAKES THE DIFFERENCE

You don't have to be able to hit a dime at forty paces in order to catch fish consistently, but it helps.

Accurate casting probably accounts for as many full stringers as any other single factor. During the summer months, especially, fish are fat and particular, and aren't inclined to grab just any morsel that happens their way.

Fish become lazy — even spoiled, say the fishing experts at Mercury outdoors. To interrupt this lethargy, it's necessary to serve up a lure on a silver platter. In other words, you must literally wave it under his nose to make him strike.

Obtaining sufficient casting ability to entice a lunker out of his cozy lair is simply a matter of observing the following basic rules, and then applying them with much practice: Aim, back cast, forward cast, stop.

These four steps, correctly performed, are the secret to casting. First, aim your rod like you would a rifle and concentrate on the target. Using your elbow as a pivot, bring the rod back smoothly, and halt it when almost vertical. Then snap it forward with a firm down stroke, applying extra wrist power.

When the rod reaches a point halfway between the vertical and horizontal position, ease off with your thumb or finger to permit the line to pay off. When the lure approaches its target, feather it to a stop.

The important thing about casting is to get in plenty of practice. If you can knock out that proverbial gnat's eye in the backyard, you'll score consistently on the lakes and rivers. Good casting means good fishing.

Thus \$21.7 billion in reductions were suggested for the \$59.5 billion non-military expenditures budgeted.

Higher Than 1964

A \$21.7 billion cut in domestic spending may seem extremely drastic. Yet when subtracted from the \$59.5 requested by the President, the remainder (\$37.8 billion) still is higher than the 1964 Budget and about the same as the 1965 Budget. A good perspective on the 1967-68 Budget and such recommended cuts, may be had by studying the following table of budgeted expenditures:

National Defense			
1961	1962	1963	1964
\$47.6	\$51.4	\$53.4	\$54.5
1965	1966	1967	1968
\$50.7	\$58.4	\$71.3	\$75.5
Trust Funds			
1961	1962	1963	1964
\$22.7	\$25.1	\$26.5	\$28.8
1965	1966	1967	1968
\$29.6	\$34.8	\$40.8	\$44.5
General Government			
1961	1962	1963	1964
\$29.2	\$31.1	\$33.8	\$37.0
1965	1966	1967	1968
\$39.0	\$43.8	\$48.7	\$59.5

(An inter-agency transaction item of \$7.1 billion should be subtracted from the 1968 \$179.5 billion total.)

Trimming Federal Spending

The seminar group recommended appropriation increases of \$10 million for the Senate, \$8 million for the House and \$1.4 million for joint legislative activities, but cut government printing costs, the Library of Congress and other activities within the legislative branch for a net reduction of \$12.3 million; and cut the Judiciary branch \$10.1 million. The heavy cutting was in the Executive Branch. The so-called "War on Poverty" was shelved, its \$2 billion request denied. The "Peace Corps" was cut \$100 million; foreign economic aid was reduced \$2 billion (to \$500 million); foreign military assistance was cut \$500 million. The total cut in spending appropriated "to the President" was \$4.6 billion.

The Department of Agriculture (Budget \$6.4 billion; 103-

000 employees) was cut \$2.9 billion, largely in "foreign assistance" expenditures. The Department of Commerce was cut \$480 million (Budget \$1.1 billion), mostly in the Appalachia Ozarka "economic development assistance" programs. The cut in Defense Department spending was in construction (buildings), and a few other non-military items.

In Every Department

Health, Education and Welfare's \$13 billion request was cut by \$4.6 billion—including \$1 billion in educational funds, \$1.8 billion in public health expenditures, and \$1.2 billion in welfare grants. The Department of Housing and Urban Development was cut \$2.4 billion with "Demonstration Cities" and "Metro Development" activities abolished. Department of the Interior's \$1.8 billion budget was sliced down to \$1 billion. The Department of Labor got a \$543 million reduction; and the seminar group recommended that the Post Office Department with a \$1.3 billion deficit, be reconstructed into a profit-making

private-government operation similar to COMSAT.

The Department of State's \$414 million request was cut by \$170 million; the Department of Transportation trimmed by \$74 million; the Treasury Department's \$15 billion budget was cut \$1.1 billion. Budgets of so-called "independent" agencies were reduced by a total of several billion.

The seminar group contended that altogether these cuts (\$24.3 billion total) would constitute

a big step toward getting the Federal Government and the nation back on "a sensible and safe course." Can it be done? It could be—by an aroused public.

"I'll put
Flameless
Electric Heat in
your present home
for just a
few dollars down!"

**It costs so little for heavenly
electric warmth in every room.**

complete safety

No other heating system can offer the safety features of flameless electricity. Since electric heat requires no combustion, there is no danger from leaking fuel systems, fumes, explosions or combustible fuel storage. When you're away from home you'll never need worry about the safety of your property.

luxurious comfort

Only flameless electric heating offers you controlled, even warmth in each room of your home. A proper balance between heat and relative humidity assures you of superb comfort no matter how severe the weather outside may be. Flameless electric heating... truly the most comfortable heating system ever developed.

long-term economy

While other costs increase, the price trend of electricity and electric heating has been consistently decreasing. With electricity, you'll also save on maintenance, cleaning and depreciation. An electric heating system will last the life of your home.

individual room thermostats

With flameless electric heating you can choose just the temperature you want for each room in your home. No more hard to heat areas or hot spots to make you uncomfortable. Just set the thermostats and enjoy controlled comfort in each and every room.

carefree convenience

With electricity heating your home you'll be free of maintenance problems. No fuel delivery worries, no furnace or flues to clean, no ashes to carry out. Setting your thermostats is about all the work you'll ever have with an electric heating system.

extra living space

Since electric heat requires no furnace or fuel storage area, and no pipes or ducts, this means that your home will have more usable living space. You can actually add a room to your home in the space normally occupied by a flame-type heating system.

LOW COST TO OPERATE!

If you've always thought electric heat was too expensive, then think again. Today an average five-room home can be heated electrically for less than \$125 a year. An average six-room home can be heated electrically for less than \$150 a year. But even that's not the full story because there's a

special low electric heating rate that also lowers the cost of all electricity used in your home. And there's no yearly service contract cost and no cost for filters. Electric heat... truly the best friend your budget ever had.

WOMEN'S HEALTH

Flu Outbreak Forecast; Preventive Shots Urged

ATLANTA, Ga. — "A substantial number of cases of influenza can be expected to occur during the 1967-1968 season." With this warning, the U. S. Public Health Service urged recently that persons likely to be susceptible to the disease be immunized. Among those for whom shots are particularly important, according to the government health agency, are:

People with rheumatic heart disease;

Patients with cardiovascular disorders (heart and circulatory problems) such as hardening of the arteries and high blood pressure;

People with diabetes mellitus and Addison's disease;

Those with chronic ailments such as asthma, bronchitis, emphysema, tuberculosis.

Men and women over 45, and particularly those over 65, are also in the high-risk group, especially if they have any chronic illnesses.

In addition, people living in nursing homes, chronic disease hospitals and crowded environments are at risk since the disease spreads quickly once it breaks out.

"Routine influenza immunization during pregnancy," the agency notes, "is not recommended unless the individual also falls into one of the other 'high risk' categories."

Maternal, Child Health Linked To Planning

GENEVA, Switzerland — At a recent meeting of the World Health Organization here, representatives of countries as different from each other as Iran and Chile, Ghana and Ceylon, India and Israel agreed on the importance of integrating family planning into maternal and child health services as a prerequisite to improving general health.

Said Dr. M. Shahgholi, Iran's Minister of Health, "We recognize family planning as one of the essential elements of public health and as being of immense importance to the well being of future generations."

Israel's Director - General of Health Services pointed out that

the absence of family planning could lead to marital problems and that advice in this area was exceedingly important.

Several representatives from underdeveloped countries urged the W.H.O. to take a more active role in helping nations set up family planning services. The U. N. agency has largely limited its activity to training persons to work in family planning and studying population problems.

Women's Chronic Backache Caused By Exercise Lack

TOPEKA, Kan.—Why should a young woman between the ages of 18 and 23 who has had one, or at most two children, suffer the discomfort of chronic backache? Especially since extensive tests show that she has no specific ill that could cause it?

The answer, sad to say, is chronic inactivity. According to a recent study reported in the Journal of the American Medical Association by Evalyn S. Gendel, M.D., of the Kansas State Department of Health, young women with this complaint shared a common history: "They did not recall indulging in physical exercise since attending junior high school." Not for them the pleasures of bowling, skating, dancing, golfing, or walking, the physician found.

Such inactivity, in addition to causing backache, interfered with their functioning as mothers (bathing the baby became an unpleasant chore) and as wives (they found sexual activity was difficult because of back pain). Doctors throughout the state confirmed Dr. Gendel's dismal findings.

Taneytown Lions Hold Meeting

The Taneytown Lions Club held its Ladies Night meeting on September 26 at the Taney Inn. Presiding at the meeting was Lions Club President, Irwin Meyer. There was a few moments of silent prayer for Lion Harry Rein-doll who passed away on Satur-

day. Group singing was led by Lion Frank Dunham with Lion Delmar Riffle as pianist. Invocation was asked by Lion Rev. Welker. The Lions and their ladies were served a delicious turkey dinner with all the trimmings.

President Meyer introduced Mrs. Allers of Baltimore and her daughter, Norma Lee Allers, an exchange student who was the speaker for the evening. Miss Allers told of the time she spent in Denmark in the homes of Danish Lions and also had slides showing the beautiful flower gardens of Copenhagen and the old and new architecture. Other cities she visited were Roskilde, Hjarng, Frederikshavn, Odense, and Aarhus. She was the guest of leading citizens in each city who were all Lions members, including District Governors. Besides Denmark, she also visited the Alps in Switzerland, Italy, Germany, France and England. There were slides of the Lions having tea and pastry in mid-afternoon which is a different procedure from ours of having dinner and a meeting in the evening.

After Miss Allers' interesting talk and slides, President Meyer explained how the exchange policy of the Lions International worked and suggested the Taneytown Lions think about participating in this program.

A Board meeting was held following the regular meeting. Lion Carroll Wantz, Chairman for the Christmas Fruit Cake committee, announced he is ordering 600 fruit cakes. These will be available to the public from any Lions member in the very near future.

The next regular meeting will be October 10, 1967.

Girl Scout Leaders To Take Training

Thirty leaders from Frederick County Girl Scouts will take part in a leader learning pilot program to be held October 25 and November 1, at the New Market Fire Hall. This is the second lo-

cation in the state chosen to experiment with leader training. The trainers are Fran Randall, Braddock Heights, and Sarah Drenning, Baltimore, formerly of Frederick.

The thirty leaders had to qualify for the Leader Learning Project if they were new to scouting, by attending leader orientation at Good Shepherd Church on Sept. 20 and 27. The trainer, Eva Woolridge, introduced the Girl Scout program to 26 new leaders.

The Leader Learning Project group will be further controlled by making the Troop Service Directors who will evaluate the group of leaders, take Troop Service Director preparation training on October 17 and 24 at New Market. The trainers for the two sessions will be Ruth Dowling and Bert Schuckel. Amy Wilson, Annapolis, held orientation class on Sept. 26 at Good Shepherd for new Troop Service Directors.

All Frederick County leaders may attend a skills workshop October 10 sponsored by the Washington Dairy Council. Speakers for the one-day session will be Miss Stephanie Abramson, Mrs. Katharine Jenkins, and Mrs. Sally O. Miller, Extension Agents; Mrs. Hilja Burlingham, Washington Dairy Council, and Mrs. Mary

Love Nast, Baltimore Dairy Council.

Lutheran Woman To Meet

The Lutheran Church Women of Frederick District will hold their Fall Assembly at Mar-Lu-Ridge, Jefferson, on Thursday, October 12. Registration will begin at 9:15 a.m. at the chapel. The hostesses for the Assembly will be the three organizations from the Manor Parish.

The theme—"Quo Vadis—Whither Goest Thou." The speaker

will be the Reverend Francis Reinberger, pastor of Evangelical Lutheran Church, Frederick. He will speak on "The Role of the Church in the World Today."

Reverend Henry Schaeffer, pastor of the Manor Parish, will lead the devotions starting at 10 a.m.

Lunch at 12 noon, will be served by the staff at Mar-Lu-Ridge.

In the afternoon several Creative Art demonstrations will be given for the benefit of those who were not able to attend the convention at Gettysburg.

The Assembly will close with short devotions.

The object of this Bill is to procure a divorce A VINCULO MATRIMONII by the Complainant, Shirley D. Anthony, from the Defendant, Stephen R. Anthony.

The Bill states in substance, that the Complainant is a resident of Frederick County, State of Maryland, where she has resided for more than one year last past; that the Defendant is a non-resident of the State of Maryland, whose last known address is 425 Pine Street, Hanover, Pennsylvania; that the parties to this cause were married on the 5th day of December, 1964, at Hanover, Pennsylvania, by Rev. McCarney, a regularly ordained minister of the gospel; that as a result of the said marriage one child was born, namely, Jo Ann Anthony, who is at the present time two years of age, is in the care and custody of your Complainant, and whose care and custody your Complainant seeks; that the parties to this cause have voluntarily lived separate and apart without any cohabitation for more than eighteen months prior to the filing of this Bill of Complaint, and that the separation between the parties to this cause is beyond any reasonable hope or expectation of reconciliation. The Bill prays that the Complainant may be divorced A VINCULO MATRIMONII from the Defendant; that she may be awarded the care and custody of the infant child in these proceedings mentioned; and that she may have such other and further relief as the nature of her case may require.

ORDER OF COURT
It is thereupon this 25th day of September, 1967, by the Circuit Court for Frederick County, Maryland, sitting as a Court of Equity, ORDERED that the Complainant give notice to the non-resident Defendant of the object and substance of this Bill of Complaint by causing a copy of the same to be published in some newspaper published in Frederick County, Maryland, once each week for four successive weeks prior to the 28th day of October, 1967, commanding him to be and appear in this Court, in person or by Solicitor, on or before the 28th day of November, 1967, to show cause, if any he has, why the relief sought should not be passed as prayed.
