The ceremony was held in St. Anne's R. Catholic Church, in Wilmington, and a reception was held at the Du Paul Country Club immediately following the wedding.

The annual Sunday School picnic of Trinity Evangelical Lutheran Church will be held Thursday evening, September 1st, at 6 P. M., at Big Pipe Creek Park. It is hoped that everyone, young and old, will come out and enjoy an evening together in the great out-of-doors. Those who cannot come that early to see the game of ball, come when you can, for it is an evening outing. Some may want to bring their supper and that would be nice. After the day's labor an evening together would be helpful to all. Those who haven't transportation ask someone who has a car to bring you. That person would be glad to share his or her car.

LARGE BARN BURNED

Building and Contents Destroyed by Fire

Fire of undetermined origin destroyed the large barn and its contents on the farm owned by Ernest Hyser, of Taneytown, and tenanted by his brother, Alvie Hyser and wife. The farm is located at Greenville, about 3 miles north of Taneytown.

The blaze was first noticed shortly after 2 P. M., on Thursday and Mr. Jas. Lord, Jr., a neighbor was the first man to appear on the scene, Mr. Hyser being away at work in Littlestown. The blaze, when first discovered, had gained so much headway that it was impossible to save two horses, one young heifer, sixty bushels seed wheat, about thirty tons of hay, one binder, corn planter and other small farm machinery that was destroyed by the flames.

The Taneytown Fire Company was summoned but the blaze had progressed too far for the firemen to save the building but a building nearby was saved, although considerably charred.

A dairy house, near the barn, that was partly constructed was also damaged by the fire.

The building and contents were partly covered by insurance.

TRIP THROUGH THE NEW ENGLAND STATES

Mr. and Mrs. Harry Mohney and Mr. and Mrs. Charles L. Stonesifer, left Taneytown Saturday evening for a trip through the New England States. They spent Saturday night in the Pocono Mountains in Pennsylvania.

On Sunday they drove through New York, Massachusetts, Connecticut, Vermont, New Hampshire and arrived in Maine where they stayed Sunday and Monday nights.

On Monday they fished in Long Lake, (incidentally catching the limit of perch and bass) and on Tuesday morning they left for home stopping at several points of interest which included Plymouth, Mass., where they saw the historical rock on which the Pilgrims landed and at Boston where they visited the Old North Church famous for the history of Paul Revere's ride.

After driving over the sparsely-marked highways of Rhode Island they arrived again in Connecticut where they spent Tuesday night. Leaving this State early Wednesday morning the two couples drove thru a part of New Jersey, and arrived in Taneytown in the evening of the same day about 4:15.

KIWANIS NEWS

The Taneytown Kiwanis Club met Wednesday evening at Taney Inn with Vice-President Lewis Crumpacker, presiding. The group singing was led by Kiwanian Raymond Wright with Mrs. Wallace Yingling as piano accompanist. Kiwanian Howell Royer offered the prayer.

LIONS CLUB NEWS

Another regular session of the Taneytown Lions Club meeting was held last Tuesday evening at the Taney Inn and got under way promptly at 6:29 when 1st Vice-President Robert Feeser made contact with the gong and gavel. The presiding officer was President Robert Thomas. Invocation was offered by Rev. Edmund P. Welker. Group singing was in charge of Lion Singleton Remsburg, Lion Harry Reindollar as pianist and Tail Twister, Jas. Fiscus exercised his full liberty by sneaking through the crowd trying to spy any who may not be singing on which he would demand a fine of ten cents. The Tail Twister's joy seems to be centered mostly in collecting as many dimes as possible. Sometimes we all believe he must possess quite a large dime bank.

This meeting was in charge of the clubs Health and Welfare Committee and was splendidly presented by its Chairman, Lion Kermit Reid who was instrumental in securing for this meeting our guest speaker whom he introduced as Miss Catherine Gaule, of Baltimore who represents the National Foundation for Infantile Paralysis. Miss Gaule's address took the attention of everyone present and was presented in a very understanding and able manner. Her main topic of discussion was centered on the dread disease of Poliomyelitis or polio or better known as infantile paralysis. During the year 1948 this Foundation spent a total of \$17,000,000 for research work alone in addition to thousands of dollars for hospitalization and after-care of those stricken with polio. During the past eight years the Foundation turned over to Johns Hopkins Hospital, for research work in Polio, a total of one half million dollars. Miss Gaule explained that the average family is unable financially to fully care for a case of polio. It is not only the long hospitalization term required in most cases, but also the years of careful supervision and treatments usually necessary afterwards in getting the afflicted person adjusted to normal, or near normal, life as possible. When it is learned that the family can no longer continue the required treatment or hospitalization due to financial circumstances, the National Foundation of Infantile Paralysis steps in and continues on with the necessary expenses or, if circumstances requires, the Foundation will carry all the expense from the beginning. In some cases this involves the expenditure of thousands of dollars for a single case. This can be readily understood when you take into consideration the fact that hospital treatment is \$14.00 per day and certain cases requiring treatment as long as two to three years and more. The National Foundation is able to carry on this worthy and necessary work as a result of the funds received through the March of Dimes and special campaigns and personal donations. Miss Gaule ended her address in the form of a question and answer program on this subject.

Sec'y-Treas. Chester Cartzenadner made some remarks concerning the status of the treasury and President Thomas reminded the club that our next meeting, September 13, is our 2nd annual Charter night celebration and all members are urged to be present.

LEGION LIGHTS

Stanley King Elected to State Executive Committee

The installation of the newly elected Legion officials will take place on Thursday, September 15, at 8 o'clock in the Legion Home. Guests from throughout the state will attend this installation. Among those expected are Kenneth R. Hammer, Department Commander; Joseph J. Dougherty, Department Adjutant; members of the Maryland Veterans Commission, Past Department Commander, John Carmen and many other state officials.

The Post was represented at the recent convention by Francis E. Lookingbill, Neal W. Powell, Edmund J. Morrison, James Fiscus and Stanley W. King. The convention was held at the Lord Baltimore Hotel, Aug. 17, until August 20th.

The convention opened in joint session at which Mayor D'Alesandro was presented a plaque for his outstanding work for the Veterans.

Thursday and Friday were spent in accepting reports and adopting resolutions. A resolution to present another Bonus Bill to the Legislature was passed by the convention. This bill is almost the same as the one presented last year but it contains an amendment as to the source of taxation.

Saturday was election day and the Post was fortunate in having Stanley King elected to the State executive committee. He was also elected to serve as delegate to the National Convention in Philadelphia. Others elected were as follows: Commander Kenneth R. Hammer; Judge Advocate Leslie J. Clark; Treasurer, William H. Myer; Historian, Lawrence Mummert; Sgt.-at-Arms, Anthony P. Valente; Chaplain, Rev. Kenneth Baker.

HESS-BUSHEY CLAN REUNION

The Hess-Bushey clan, on Sunday, August 14, held their 21st annual reunion at Big Pipe Creek Park, Taneytown, Md.

Families of the clan gathered in from many interesting points in Maryland, as well as New York, Pennsylvania and Hagerstown.

Song service led by Dorothy Alexander and accompanied by Mrs. Leonard Reifsnider, called everyone to worship. Prayer was offered by Mr. J. Morris Hess. A solo, "The Lord is My Light" by Mr. Henry Reindollar, Jr. Our worship service was conducted by Rev. Herbert Shimer, D. D. of Canajoharie, N. Y. Dr. Shimer gave us a most impressive sermon on the "Parable of Talents," taken from Matt. 25:14-15. While we do not all have ten talents, all of us do have one talent, "The Joy of serving our Lord" and how glad we should be to serve, when we stop and think of the many blessings God gives us to be thankful for.

Following the sermon a short memorial was given and a duet, "Will the Circle be Unbroken" was sung by Mrs. J. M. Clark and Mrs. Allen Hill. Our service closed with singing "How Firm a Foundation" followed by Prayer and Benediction by Dr. Shimer.

Everyone gathered around their lunch baskets and we soon found our tables filled with goodies. A prayer of thanksgiving was offered by Mr. Carroll Hess. Our roll-call showed 182 members present.

At 2:15 our President Franklin Fair called a short business session and a literary program. Our reunion will be held the second Sunday in August in the same building at Big Pipe Creek Park in 1950. We in the past year have had 14 births, 4 graduations, 1 marriage and 2 deaths.

The officers for 1950 are Pres. James Bushey, Vice-Pres., Henry Alexander, Treasurer, Wilbert Hess; Statistician, Catherine Hess, assisted by Ruth Byers; Secretary, Ella Mae Slagle.

The following program was presented by some of the younger members of our clan. A song by the four Angell sisters, Sarah Mae, Anna Mary, Elizabeth and Margaret; a solo, "Desert Song" and "With a Song in My Heart," Dorothy Alexander; a trumbone solo, "The Old home on the farm with variations," by David Reifsnider; a number sung by the Fred Crum family "I've been Working on the Railroad." In closing we repeated the 23rd Psalm, and Dr. Shimer gave us a few words and the Benediction.

HARNER-TROSTLE REUNION

The 4th Harner-Trostle reunion was held the second Sunday in August at the Firemen's Hall, Barlow, Pa. The meeting was in charge of the President, Eugene Trostle, of Gettysburg, Pa. The Scripture was read by Ray Harner, of Taneytown, Md., and then the minutes of the previous reunion were read and approved, followed by the following program:

Group singing, "America"; Piano solos, Blanche Stull, Duet, Hazel Snogress and Ruth Witherow; Reading, Mrs. Myrtle Menchey; Group Singing, "Onward Christian Soldiers"; Recitation, Elaine Harner; Recitation, Mrs. Snogress; Solo, Mrs. Witherow.

The following were elected as officers for the year 1950: President, Eugene Trostle, Gettysburg, Pa.; Vice-President, Ray Harner, Taneytown, Md.; Secretary, Blanche Stull, Taneytown, Md.; Treasurer, John S. Harner, Sr., Taneytown, Md.; Historians, Mrs. Ivan Riley, John Harner, Charles Harner, and George Trostle.

In charge of entertainment for the coming year is Mrs. Stella Harner. The meeting adjourned after which there were games played outside.

TANEYTOWN TEAM IN

B. B. PLAYOFF

Three Clubs End Season in Tie for Second Place

Final Standing of Penn-Md. League

Team	W.	L.	Pct.
Hanover	16	2	.889
Taneytown	13	5	.722
McSherrystown	13	5	.722
Littlestown	13	5	.722
Blue Ridge Summit	11	7	.611
Thurmont	10	8	.556
Middleburg	8	10	.444
Harney	3	15	.167
Wakefield	3	15	.167
Emmitsburg	0	18	.000

Junior Unger pitched his second straight shutout victory Sunday when Taneytown whipped Blue Ridge Summit 8-0 to keep the home team in the playoffs and move into a three-way tie for second place in the final standings.

Because of the very close battle for second, third and fourth spots, a win meant the playoffs to about 5 teams over the past week-end, Littlestown kept in by defeating Hanover 4-3 in 10 innings to give Hanover their second defeat of the year Saturday night. Sunday McSherrystown kept in place when they defeated Littlestown 8-0. In other games Hanover beat Thurmont 6-3; Middleburg spanked Emmitsburg 15-2, and Wakefield nosed out Harney 13-11. Other important news that effected the standings was made at a special meeting of the league in Middleburg Saturday morning.

At that meeting, the case of Bob Weaver, Littlestown pitcher, was given rehearing. At a recent meeting Ralph Coe, president of the league, had held that Weaver was not eligible to pitch since it was claimed that his home was in Hagerstown. Then at Sunday's meeting Littlestown presented affidavits proving that Weaver resided in Littlestown while playing with the team and the 5 games declared forfeited were returned.

A drawing was conducted to determine the standing without playing any games to break the ties for second place. The results of this drawing matches Taneytown with McSherrystown and Hanover with Littlestown in the best-in-three semifinal sloughnessy playoffs.

Taneytown will play McSherrystown at McSherrystown on Sunday afternoon. This series proves to be a very close battle since it is noted that in the past three years these two teams have played a 16 inning, a 12 inning, and a 10 inning game. This year Taneytown won both regular season contests 3-1 in 10 innings and 3-2 on the home field. In the other semi-final game, Littlestown will play Hanover on the Hanover Moose diamond. Hanover was only beaten twice in the regular season, once by Taneytown and once by Littlestown.

PLAN NEW BASEBALL LEAGUE

It may interest the many baseball fans in this area that preliminary steps have been taken toward the organization of a new baseball league which might include Taneytown.

Representatives of seven communities, many of which have teams in the present Penn-Maryland League, talked over the proposition of a new league at a meeting held recently in Westminster.

Those attending the first meeting included Taneytown, Littlestown, McSherrystown, Frederick, Reisterstown, Westminster and Emmitsburg, Hanover, Thurmont and Blue Ridge Summit have been invited to attend the next meeting, Aug. 29, at 8:15 o'clock in the Westminster Legion Home.

The circuit would be known as the Mason-Dixon League. Under proposed rules, there would be no limit on the area from which a team might obtain material except that a team may not go to another town in the league for players.

LADIES' AUXILIARY MEETS

A special meeting of the Auxiliary of the Hesson-Snyder Post No. 120 was held on Tuesday evening to make final arrangements in decorating the reception room of the Legion Home which is to be completed before the Dedication. Further plans have been made to hold refreshment stand at the antique sale of Mr. Harry T. Smith, of Stumptown, on Sept. 3, Saturday noon.

A festival also was planned for the 9 and 10 of September on the lawn of the Legion Home. There will be special entertainment and music. The public is cordially invited. Refreshments and other items will be sold.

CHANGE IN AGE LAW FOR SCHOOL LAWS

Special announcement is made by the Board of Education following its meeting of August 16, 1949. This announcement relates to the age of entry for children to public school. The program in force for 1949-50 and thereafter will be as follows: All children who reach the age of six years on or before December 31, will be eligible for entrance to school. For example, all children born on December 31, 1943 will be eligible for entry to school in September 1949 and all children born on January 1, 1944 would not be eligible for entry to school.

AROUND THE TOWN

With all my heart, I wish you every morning
A smile that shall last until the next day's dawning.
I wish you health—life's greatest wealth!
I wish you always near so that I may help to cheer
Each future day and in some way—help to bring you happiness!

Wondering how many of my readers have ever visited "The Convict Ship" called "Success." It is the oldest ship afloat and was launched in Moulemin, British East India in 1790. (Count the few years previous to that of our freedom) It has made me think about it very often. I visited this ship many years ago and up to that time there had been 21 million people who did likewise as it was on tour to the principal ports of the world as an educational object lesson. The figures of wax in each horrible cell as the ship was called "Ocean Hell" held some of its most notorious prisoners and was the time of the darkest days of England's overseas transportation prison system. As I was a growing girl at the time, it did not have the effect of anything educational for me but deep in my heart made me (for the time being) hold a hatred for England in her treatment of the Irish, having so many prisoners that were tortured to death who were Irish. There were English men who manned the ship yet it had an American captain with whom I shook hands by the name of Captain J. D. H. Smith. The ship as was shown then was in its original state, all the airless dungeons and condemned cells, the whipping posts (where men were beaten for the slightest offence) the manacles, the branding irons, the punishment balls which weighed up to 70 pounds, the leaden-tipped cat-o-ninetails, the coffin bath which was of salt water and other fiendish inventions of man's brutality to his fellow man. This is the oldest ship in the world and the only Convict Ship afloat out of that dreadful Fleet of Ocean Hells which sailed the Seven Seas in 1790 A. D. She was unchanged up to that time, (Continued on Fifth Page)

4-H PROGRAM AT TIMONIUM

Final plans are being made for the 4-H program at the Timonium State Fair, September 4-10, 1949. According to J. R. Schabinger, Assistant County Agent, thirty-seven dairy animals, twenty-five steers, and twenty hogs will be exhibited by the 4-H Club Members in Carroll County. A new feature has been added to the 4-H Club exhibits. A contest is being sponsored for the appearance of county groups. Plans are being made by the club members for an outstanding county display.

In addition to livestock exhibits, several of the local 4-H clubs are busy preparing floats to enter in competition in the 4-H Club parade on Sunday, September 4th. The theme of these floats shows the activities of the clubs.

Five winning demonstrations from the County 4-H Fair will be entered in state competition at Timonium. These demonstrations to be given are: "Methods of Feeding Dairy Calves," Joseph Haines, Jr., Stewart Young; "Care of Air Cleaner," Eugene Houck, Elwood Bill; "Making an Automatic Light Switch," Samuel Feeser; "Making a Rope," Eugene Black, Geo. Rappoldt; "Making a Self-Hog Feeder," Billy Gray Garland.
