## C. OF C. BANQUET Audience Captivated by Artists of Radio Fame

The Taneytown Chamber of Commerce held the annual banquet Thursday night, Nov. 17. About 300 were in attendance. A delightful feast was served by the ladies of the Baust Reformed Church under the leadership of Mrs. Lillian Maus. Mrs. Maus is Chair Lady of the Women's Organization in the church consisting of about 60 ladies. This group of women already well known for the excellency of their service at banquets, provided an abundance of well prepared food with additional platters of roast turkey, dried oysters, and numerous other delicacies, left on the table after all were completely satisfied.

The unique feature of the banquet this year was the entertainment provided in the form of a stage show. This type of program was adopted in response to a survey of the membership last spring to ascertain what the people preferred. The response indicated that the vast majority wanted a stage show this year in preference to the accustomed speaker.

For this reason members of the Executive Committee went to Baltimore early this fall to book up the best talent available for this purpose. The outcome was the program enjoyed last night.

Heading the Troupe last night was Ad Lieder a gifted entertainer and comedian. He acted as master of ceremonies for the occasion. Mr. Lieder is one of Baltimore's outstanding band leaders. He has specialized in the hobby of professional entertainment. Since 1933 he has operated his own musical organization and played on the National Network of M.B.S. from Coast to Coast. On numerous occasions he has played on the best programs at banquets and dances in both Maryland, Virginia and Pennsylvania. Mr. Lieder led the audience in group singing of popular songs, and presented the various artists on the program which consisted of four acts.

The first act was presented by the noted Ellert Sisters. They gave an amazing feat of hand balancing acts. Pat and Jerry, as they are called, have been featured in Ripley's Believe It or Not on a number of occasions. They are well known on both the Radio and Television programs. It is said that their hand balancing acts began when they were 4 and 6 years of age. Now they are 15 and 16 years old. They pleased the audience with many accomplished acts in the art of hand-balancing, head-balancing, and other acrobatic accomplishments.

Mr. Lieder next presented John Evans, noted baritone of radio fame. Mr. Evans is on the CBS Chain with the well-known Sherwood Brothers. Twice per week, Wednesday from 7:45 to 8, and Sundays from 5 to 5:30 P. M., he broadcasts. He is also on Even Song, sponsored by the Council of Churches each Saturday night from 6:30 to 6:45. Likewise he is a member of the noted B. and O. Glee Club, and the soloist in the choir of the First Methodist Church of Baltimore.

As a gifted artist of national radio fame, John so captivated the audience with his selections that he had a hard time breaking away from his performance. With Mr. Evans also appeared Miss Ella Stevens who sang some special selections. Miss Stevens was an extra number on the program. She is on WBAL of the NBC affiliate. Frequently she occurs in Television. She is a soloist in the B and O Glee Club of both men and women. For four years she was with the Peabody Opera Company, and has been in concert work in New York. Miss Stevens and Mr. Evans, concluded their act with a love-making-duet that brought down the house with popular acclaim.

The next act presented by Mr. Lieder was the famous Magician, A. P. L. G. I. N. I., the Hindu Mystic. He performed numerous acts of magic that bewildered the audience. The magician is a native of Bombay, India. Coming to America at the age of 8, he is an American citizen and graduate of Oxford. He has performed in almost every part of the world and in nearly every city of any size in America.

This mystic with his mystical appearance and acts, completely mystified the audience with an extended performance both on the stage and down among the people. Blindfolded he could see better than the most alert eyes. His hands were smarter than the most alert brain and his fingers quicker than the most alert eye. One of the most amazing tricks was extracting a borrowed \$5 bill from an uncut lemon which has been passed to the audience for inspection. He concluded his act by fashioning a beautiful silk U. S. Flag out of the ashes of burnt tissue paper. He certainly lived up to his reputation as a Prestidigitator which means one clever with his fingers.

The final number on the stage show was given by Miss Beverly Anne Welch, talented marimba player and soloist of radio fame. She has been on the Paul Whiteman program over all three Radio Chains and on the Hobby Lobby, Rude Valle, Arthur Godfrey, Martin Gould, and "We the People" programs. At the age of 6 she starred in the moving picture at Hollywood entitled "The Merry-Go-Around of 1938." A well known figure in Television, she comes from a musical ancestry. Miss Welch, audience with her youthful charm and winsome personality. The excellency of her performance on the marimba together with her solos, made her

## BASEBALL STAR VISITS TANEYTOWN

### Charlie Keller of N. Y. Yankees Speaks to Service Clubs

The Kiwanis Club of Taneytown served as host to its sister club, The Lions, on Wednesday, Nov. 16, at Taney Inn and from reports received it proved a "roaring" success.

The evening's program was spotlighted on "Charlie" Keller, slugging outfielder of the "Bronx Bombers," who gave an interesting talk on some of lesser known facts of professional baseball. Mr. Keller gave a brief picture of the organizational phases of the game and it is his primary duty to see that each ball player is treated fairly. Working under the Commissioner is the President of each league whose responsibility it is to conduct the business of each league on a high plane.

He voiced the fact that approximately 60% of big league ball players are former college stars. The old "Blood and Guts" style and type of player is now entirely extinct. This does not mean that the players of today are less physically equipped, but rather the reverse, for a player playing today's style of ball must be in top notch physical condition.

A question and answer period followed in which those in attendance freely participated, bringing such facts as "Ted" Williams is greatest hitter in game today while Joe DiMaggio is best all around player. The meeting was convened by Pres. John Skiles of the Kiwanis Club who did a fine job in introducing the following guests who were present in addition to the local Lions Club: Mrs. Charles Keller, wife of the "Yank Star"; Mrs. Harley Holter, "Charlie's" sister; Mrs. John Skiles; Mrs. Albert Baldwin; Mrs. William Peltz, wife of the guest bass soloist; William Flohr and George Brown of the Westminster Kiwanis Club; Officer Gamber, Wayne Baumgardner, Kenneth Nussbaum, C. B. Galbraith, works manager of Cambridge Rubber Company.

After partaking of a delicious fried chicken dinner the group singing was under the direction of Raymond Wright and accompanied by Mrs. Wallace Yingling.

Kiwanian "Al" Baldwin had charge of the meeting, the topic being Good Sportsmanship. Mr. William F. Peltz opened the program by singing "The Professional" by Lindsay and "The Hills of Home" by Fox, accompanied by Mrs. G. Albert Baldwin and concluded festivities with a rendition of the song "Without A Song" by Youmans. The speaker was secured through the efforts of Lion Harley Holter.

## CARROLL COUNTY PAST GRAND ASSOCIATION MET IN TANEYTOWN

Taney Lodge No. 28, I. O. O. F., was host Thursday evening, Nov. 10, to the Carroll County Past Grand Association, for the meeting held there. Birnie M. Staley, Taneytown is President of the Association; Wm. M. King, Westminster, Secretary; Walter W. Hiltz, Taneytown, Treasurer. The Secretary of Taney Lodge, Norman S. Devilliss, extended the welcome greeting, and Ernest R. Sentz, of Littlestown gave the response.

The regular order of business was transacted, followed by the entertainment, features, of the evening, which were arranged by M. C. Fuss, Harry Dougherty and David Smith, committee.

There were a number of very fine selections by the Male Chorus of Trinity Lutheran Church, with Henry Reindollar as Director, and H. I. Reindollar at the piano.

A reading was given by Mrs. Carrie Weishaar, of Taney Rebekah Lodge.

Inspiring addresses of timely significance were given by Grand Secretary, Thomas M. Jefferson, Past Grand Master George I. Seiders and Grand Warden Parke H. Heller, all of the Grand Lodge of Maryland.

The meeting closed with the singing of the verse of "God be with you" and the benediction by Rev. Heller. Tasty refreshments were served by a committee of Hubert Null, Walter Hiltz, Percy Bollinger, and David Miller.

one to be long remembered in Taneytown.

Mr. Fuss, President of the Chamber of Commerce, conveyed to the Troupe the hearty appreciation of the audience for their performance. He presented to the audience his staff of executive officers together with their wives and the other guests at the speakers table. He presented his greeting to all present and expressed his hopes for the future of Taneytown. He announced that there were 175 members this year with 17 new members. They were Rev. Morgan Andreas, L. C. Baulitz, U. H. Bowers, Boyd Brown, Dr. W. P. Bradley, Jr., Rollinger and Kake, a Baltimore firm, Chester Cartzenadner, Arch Carpenter, Claude Derr, Clarence Fishbaugh, D. Frank Harman, Joseph Maulhouse, John E. Stambaugh, Ralph Stonesifer, Wagner and Sharret, and George W. Krietz. Mr. Fuss likewise presented Frank Conway, President of the Mt. Airy Chamber of Commerce, and its attorney the Hon. S. Pearce Bowles.

## OUR PARK PROJECT Plans and Progress Outlined by the Officers

It has been quite some time since there was a report on the progress made at the Recreation Park. The baseball area has been graded and seeded. This area is approximately 415' square and designed so that the baseball field will be laid off to regulation dimensions. The infield is built up 12 inches at the pitchers box and tapers off in all directions. Foul territory, along 1st and 3rd base lines will be 50 feet deep, and directly back of home plate the foul territory will be 60' deep. Stands have been designed, to be constructed of concrete and wood, the portion to be completed at the present time will accommodate approximately 600 persons. The first section to be completed will be erected directly back of home plate and will extend 16' along the 1st base foul line and 16' along 3rd base foul line.

In keeping with the policy, agreed upon by the directors of the Recreation Association, of not going in debt to make improvement, work on any portion of the project will only proceed as long as money is available to cover the expense.

The Recreation Association, thru various activities, has supplemented the outright donations of the community by a considerable sum. Plans are being made now to have one of those all you can eat family style turkey dinners, at the Municipal Building on December 3rd and at various times during the winter the association will hold card parties to raise funds with which to improve this 15 acre property and build it into a complete recreation park.

Work on the playground and picnic areas of the project can not be started until definite recommendations are made by the Landscape Engineer. This landscape engineering service is being rendered free of charge by the University of Maryland, through the cooperation of Mr. Leonard C. Burns, County Agent.

These recommendations will be forthcoming in the near future and plans are being made to present them before the annual meeting of all the members which will be held early in January of 1950. The purpose of this annual meeting is first—to elect 4 directors to the board, who will replace 4 of the present directors whose term of office expires with the annual meeting and second—help formulate the policies under which the Association will be operated for another year.

## CARROLL COUNTY P. T. A.

The Carroll County Teachers' Association announces the second appearance in Carroll County of the U. S. Army Ground Forces Symphonic Band in the auditorium of the Westminster High School, Tuesday, Nov. 22, in matinee and evening performances, beginning at 2:10 and 7:30 respectively.

The afternoon performance is being arranged as a student matinee and the audience will include, besides the Westminster Junior-Senior high school students, representatives from each of the schools in which instrumental music is taught. The evening performance is being arranged for the public but because of the popularity of the program and the limited seating capacity of the school auditorium, admission will be by ticket only, the distribution being made through the schools of the county.

The Army Ground Forces Band, under the direction of Captain Chester E. Whiting, is a 100-piece military musical organization and acts as the official representative of the Department of the Army. In its more than 3 years of existence, the Band has traveled 200,000 miles and has presented concerts and parades for well over 6,000,000 people in over 250 cities. The musical theme and nickname of the Band is "Kings of the Highway."

Captain Whiting, a student of the New England Conservatory of Music, has a long and impressive record of accomplishment in the field of music in both civilian and military concert orchestra and bands and is the composer of six marches.

The Army Ground Forces Band includes a 40-piece soldiers' chorus under the direction of Sgt. Arthur V. Donofrio who is also a graduate of the New England Conservatory and has had considerable experience in the field of choral direction. Sgt. Donofrio's chorus appears in each concert and rounds out the program with such vocal arrangements as "The Lord Is My Shepherd", semi-classical melodies, and familiar college and folk songs.

The Band repertoire is a large and varied one and its program will open with "Signature of the Army Ground Forces Band" and will include such popular numbers as "The National Anthem", "Dance of the Comedians", "The Ruins of Rome", "1812 Overture", "Tico Tico", finale from "The New World Symphony", closing with "Stars and Stripes Forever."

Audiences who heard the two performances of the Army Band in Carroll County last February enthusiastically anticipate this return engagement, and the Teachers' Association feels most fortunate in being able again to act as hosts to "The Kings of the Highway."

The Reisterstown Evergreen Church of the Brethren will have an all-day service, on our National Thanksgiving Day, with a sermon for the occasion at 2 P. M. At noon lunch will be served on the grounds.

An apple a day will not only keep the doctor away but will also help to use up the bumper apple crop which is on the market this year.

## SOUTHERN STATES AS SEEN BY REV. OWEN

### An Account of Recent Trip Made by Minister and Family

VI  
FROM POVERTY TO WEALTH  
In the olden days the Southern Highlands was rated as the most poverty stricken area of America. Statesmen, Churchmen and Social leaders, searched for some remedy. The general conclusion was that a large portion of the population would have to be moved to more productive areas. Then unexpected forces began to come along and bring an automatic solution of the problem.

Two of these factors have already been mentioned. One was the influx of tourists who discovered the cool summer climate and scenic grandeur therein. The other was the action of the Federal Government in opening up the area to the American public by means of National Parks and improved highways. A third redeeming factor has been in the form of new industries coming in from the outside bringing new wealth and new prosperity.

In one mountain community we visited is located a big paper mill that manufactures most of the paper used in America and much of the rest of the world. It was called the Champion Fiber Company. It makes paper of every kind and for every use. Its average output is from 12000 to 13000 tons per week. It is made from wood derived from the vast timber reserves. The plant came into the area to exploit cheap labor. Originally it paid one of the lowest wage scales in our country. Now it pays one of the highest. That is the usual pattern generally followed. Industry comes into a community to exploit cheap wages. Then social factors begin to work to push up the wage scale to the average level.

The strategy of keeping the union out was very interesting. At first the company fought the union like a wild beast. Now it fights the union by paying a higher wage that organized labor can achieve. When the union elsewhere achieves a raise in wages this company will raise above that level.

We were told that girls received \$65.00 per week, and men from \$65 to \$100.00 per week. The company has a unique plan whereby each worker tries to see how much he can do per week instead of how little. It is called the Bonus plan.

The company, which has a lease on the forest reserves in the Appalachian area, likewise has a plan of conservation and reforestation whereby the timber reserves are permanently maintained by growing trees as fast as they are used.

## THANKSGIVING SERVICE

The annual Thanksgiving Day Service of the Taneytown community will be held Thursday, Thanksgiving Day, at 7:30 P. M. in the Evangelical United Brethren Church. There is being planned a special program of special music and other Thanksgiving thoughts. The message of the evening will be delivered by the Rev. Morgan Andreas, pastor of Grace Reformed Church.

During this past year our land certainly has been blessed by the mercy of God as we viewed the fields of grain and corn, fruits and garden vegetables in comparison with some of the conditions in other parts of our country. Rain was withheld many weeks and crops showed the blunt of the lack of moisture, but not so around Taneytown. So may we gather together as a community showing our colors for God and praise Him for the blessings which we cannot number.

## ALL DAY MEETING AT PINEY CREEK PRESBYTERIAN CHURCH

Twenty-six women of the Emmitsburg, Taneytown and Piney Creek Missionary Societies gathered around the hearth fire in the Piney Creek Social Hall on Wednesday to review the mission study, "Japan Begins Again."

Those taking part were Miss Rhoda Gillilan, Mrs. Dave Martin, Mrs. Lewis Bell, Mrs. Chas. Owen, Mrs. Robert Ingram, Mrs. Curtis Bowers, Mrs. Robert McVaugh, Miss Amelia Annan, Mrs. T. W. Null, Mrs. Chas. Stambaugh, Miss Catherine Hess, and Miss Anna Galt.

A hot lunch was served by a committee of ladies of the Piney Creek Church.

## P. T. A. MEETING TONIGHT

Tonight at 8 P. M. the Parent-Teacher Association will hold its third regular monthly meeting in the High School auditorium.

The program committee has arranged for the teachers of the 7th, 8th and 9th grades and the Librarian to explain the purposes of books and visual and auditory aids in high school teaching. This is an opportunity for parents to see and understand more fully some of the methods of present-day teaching. Will YOU, as a PARENT, be interested enough to come out, observe, and discuss this work with the teachers who give so willingly of their time and efforts?

Parents of Miss Jordan's room of fourth grade will serve refreshments.

Bugs are likely to cause serious losses in stored grain unless control measures are taken.

## AROUND THE TOWN

With all my heart, I wish you every morning  
A smile that shall last until the next day's dawning.  
I wish you health—life's greatest wealth!  
I wish you always near so that I may help to cheer  
Each future day and in some way—help to bring you happiness!

Two very charming girls visited "Loves' Retreat" one evening, several weeks ago with that honest lady in Keyman. The one young girl resides in "The Windy City" (Chicago) where she went from "Around The Town" a few years ago. What a grand secretary she must be and a little 'Auntie' of that precious red head baby 'around the town'. Hope she returns Eastward every year. She surely is an enthusiast about this column which she reads weekly stating that she would not miss! How nice! Many thanks!

A lovely letter arrived from a Senator who recently became a Grandfather for the first time. Now, this will bring a laugh from Daniel Webster! That nice Senator asked me for suggestions that would aid him in being a good Grandfather! My reply to that was—"I have never been a Grandfather so I could not give you the answer to that one!" That reminds me. Did you ever see a Grandfather gaze upon a tiny Cherub for the first time, that of his very first grand child? I did just recently and my heart stood still as I looked into the fact of my minister as he stood beside me gazing down into the Bassinet at a "Love Bundle of Life" weighing just five pounds—his first grandchild!

Now, this is to the State Roads! That awful arched small bridge over the 71 Highway is positively going to cause a very serious accident some day and should be remedied before it takes a life or a serious injury caused by perhaps a stranger.

Your Observer blows the horn always many times and "Lincoln" creeps over this dangerous affair. Met the nice little lady driving the U. S. mail from Keyman upon my return and she was just as cautious as I—awaiting until Lincoln went over "the top." I have mentioned this bridge a few times now and the number of accidents right there yet nothing is done about it. Carroll County has an excellent reputation and should get to work on this immediately.

A little Cherub (another boy) arrived at "The Taney Inn" a month or two ago, so now there will be two brothers again as partners in that famous business! Best wishes to the little fellow and the nice parents!

If you are thinking of purchasing a T V—just go ahead. You will never regret the money spent. In a recent "Research Book" you do not have to invest heavily. The cheap set does as well as the expensive ones. The only difference is the fancy cabinets. It is the arial that is most important and the man who installs it must be in "The Know How!" It is a pleasure, educational and programmes for the entire family.

Two years ago, as I stood beside the Monument Marking the Landing Place of my Ancestor—Juan Ponce de Leon who discovered Florida on April 2, 1513, felt it is rather a pity that the schools stress upon the fact about the Fountain of Youth instead of bringing out the actual facts. Among the many Spanish men who heard the legend of the Fountain of Youth was Juan Ponce de Leon. Born in the Villa Juan Ponce de Leon (about 35 of San Tervas de Campos) and of noble parentage for he was a direct descendant of Don Pedro Ponce de Minerva who had married a daughter of King Alfonso IX of Leon, having served through the ten years continuous war against the Moors, known as the Wars of Granada, Juan Ponce came to America on the second voyage of Christopher Columbus. Arriving at the Island of Hayti in 1493, he served as a soldier without promotion until Columbus was removed from control of the Indies. Made Captain of the Company of Sato Domingo by Bobadilla, he was appointed Governor of the Province of Higüey by Ovando and in 1508 explored the Island of Puerto Rico founding the first settlement of Europeans there at Caparra. He acquired quite a considerable fortune when he was Governor through his discovery of gold mines on the latter Island which he developed. King Ferdinand offered Juan Ponce de Leon a reward for his services in the manner of a license to discover and colonize any unexplored lands he might select. So the general impression is that Juan Ponce de Leon set out suddenly on a romantic expedition because he was growing old and wished to be made young again. This, however is far from the truth. Juan Ponce de Leon set sail from Puerto Rico on March 3, 1513 with three ships taking an indirect course. He sailed in a North westerly direction and through a storm, the course changed to west—Northwest and on Saturday morning, April 2, 1513 the mainland coast was sighted and this he called La Florida, the exact place—just a little North of St. Augustine. There is much more to the additional discoveries on this voyage which are often ignored due to the association with the romantic legend of the Fountain of Youth.

Oliver Wendell Holmes wrote six charming verses about Juan Ponce de Leon. So long, folks. Have a grand week-end. Be good and be careful! Until next week.

Faithfully,  
YOUR OBSERVER.

Rev. William E. Roop has recently been elected Elder Emeritus, for life, of the Reisterstown Evergreen Church of the Brethren.

### STILL AT IT

I have just finished reading a splendid book by Rev. Dr. Day, Chancellor of Syracuse University wherein he shows that communism Bolshevism is no new thing but was rampant in all cities of ten thousand or more inhabitants a quarter century ago. Dr. Day gave one of his noble lectures at Pennington Seminary (now Pennington School for Boys) while I was a student there sixty years ago. Later Dr. Day in recognition of that fact gave me his great book with brief personal acknowledgment.

Dr. Day understood Bolshevism as then elaborated by Lenin and Trotsky and continued today by Stalin. Dr. Day rightly calls American born citizens of that class traitors, and suggests that they be imprisoned at hard labor until they see the error of their way and repent to which I say Amen!

Dr. Day further suggests that Alien Agitators who are here be deported which we think a wise suggestion.

I do not fear any communistic or Bolsheviki success in our great America. Too many of us own our homes or farms to be willing to abandon them for any silly communistic Utopia. It is always the "have nots" who want to "share" not those who have. But in no other country is there found such sharing by the wealthy.

John D. Rockefeller who started as a poor boy working for a dollar a week gave untold millions to charity and his noble son, John D. Jr., is carrying on the great work. Andrew Carnegie, another poor boy accumulated millions which he distributed widely. His fear in later life was that he might die rich which he dreaded. These great men deserve all the praises that can be bestowed upon them.

There is another class. The Hughey Long class that are not so honorable. Hughey Long was a great man but obsessed of a wrong idea. His ideas were later adopted by one who as president strove to better them and as result the hundreds of billion dollar debt which he saddled upon us will require untold generations to pay. He built himself a splendid mausoleum at his Hyde Park home. While his debt remains unpaid he will be remembered.

### TAX ON ADMISSIONS EXPLAINED

Regulations dealing with the Maryland Admissions Tax have been published by Secretary of State Bertram L. Boone, II.

The regulations prepared by Comptroller James J. Lacy, and approved by Attorney General Hall Hammond, clear up the question of who must pay the tax on gross receipts from admissions.

They were issued according to a new law of the 1949 Legislature dealing with the admissions tax.

Of general interest to non-commercial organizations is Regulation No. 11. This declares that gross receipts from admissions are not taxable when they are devoted exclusively to charitable, religious or educational purposes or are for the exclusive benefit of volunteer fire companies.

If such groups as charities, churches, schools or fire companies guarantee a definite share of their profits to promoters or professional assistants, the tax must be paid.

Commercial operators of amusements who want to be sure that they are operating within the law may obtain copies of the regulations from the Secretary of State's office or receive further information at the office of the Comptroller James J. Lacy, 34 Hopkins Place, Baltimore.

Recently the newspapers and Magazines have been full of new relief organization known by the letters CROP. What is CROP? The letters stand for Christian Rural Overseas Program and is a means thru which commodities are solicited from farm people on a community-wide basis and turned over to established church relief agencies of the individual donor's choice and distributed overseas to orphanages, institutions for the aged and ill, refugees and the hungry, irrespective of race or creed in Europe and Asia. Over 2,392 carloads of food were collected last year. Especially needed are grains, soybeans, livestock, dairy products, dried fruits, nuts, raw cotton and wool. Most other relief agencies have concentrated their efforts in cities, obtaining cash. The success of CROP from its beginning shows that the American farmer welcomes the opportunity to give gifts in kind from his fields, orchards and livestock pens. If you wish to give contact your County Agents office.

The hunting season opened Tuesday but it seemed very quiet. Only one shot was heard on our farm all day, due no doubt to the fact that there are signs up saying "No hunting allowed." For self protection the farmers have been forced to ban hunting. One year it was so bad that it wasn't safe to go around the barn to do the work for some hunters from Baltimore came up on the lawn to shoot rabbits and couldn't recognize a rabbit from a house cat. They were so excited they shot in every direction, some of the shot going through a building. That was the end of hunting on our farm.

A great many people like myself must have been shocked to learn of the sudden death of Mr. Harry Dinterman of Keysville who died Sunday at his home of a heart attack. He was widely known in the community. We will always remember him for his kindness and cheerfulness in helping out a neighbor or friend in time of need. To his family we extend our sincere sympathy.

A farmer who called his newly employed hired man out of bed at 4 a. m. was surprised a few minutes later to see the man walking off down the road. "Hey!" shouted the farmer, "Come back and eat breakfast before you go to work." "I ain't going to work," the man called back. "I'm going to hunt some place to stay all night."

## BRIDAL SHOWER HELD

A surprise bridal shower was given Miss Louise Smith by Mrs. Chester Cartzenadner at the home of Mrs. Charles Eckard, on last Friday evening.

The rooms were attractively decorated with Autumn leaves and flowers. The table which held the presents had a large blue and white bow over it and had streamers to the floor.

After opening of the gifts, refreshments consisting of the decorated cake with its miniature umbrella, symbolic of a shower, ice cream, cup cakes, nuts, mints, pickles, potato chips, coffee were served buffet style to about 35 guests including teachers from the elementary school where Miss Smith teaches the second grade. Guests from Ellicott City, Baltimore, Mt. Airy, Harney and friends from town.

Mrs. Elmer Ziegler, New Windsor, formerly near Taneytown, was operated on Monday at West Baltimore Hospital. She is getting along as well as can be expected.

Karl Wuerstlin, near town, brought to our office this week two kinds of second-crop apples. The warm Fall weather is probably responsible for this unusual act of nature.

Francis Shaum and James Baumgardner, town, and Mr. Eckenrode, Westminster, returned from North Beach, Md., on Wednesday evening laden down with a big catch of one hundred and sixty-six fine rock fish.

Mrs. Walter King, Fairview Ave., had the misfortune of turning her ankle and falling, breaking a small bone in her right foot. Her foot was put in a plaster-paris cast and with the aid of crutches she gets around nicely. Fortunately for her the cast will not have to be on longer than two weeks.

Mrs. Evelyn Evans MacIntyre and Mrs. Virginia Pilgrim, Washington, D. C.; Mrs. Mildred Evans and daughter Patty, Baltimore, and Mr. and Mrs. T. C. Fair, Dillsburg, Pa., attended the sale of household goods of the late Mrs. James F. Fringer, Saturday, and visited with Mrs. Frank Brown. Mrs. Brown returned to her home in New Carlisle Ohio, Thursday.

Would all Legionnaires turn out to help Comrade Barnsley husk his corn and help get it in. He has been under the doctor's care and has been ordered by the doctor not to do this work. The time is 8 A. M. or 1 P. M., Saturday, November 19 to meet at the Legion Home. Don't forget everyone that can come out and help.

Mr. and Mrs. Norman Baumgardner and Mr. and Mrs. William Nail left Monday morning on a trip to Virginia. They called on Miss Lotie Hoke a sister of Mrs. Nail at Winchester, and Mr. and Mrs. Chas. Baumgardner, Front Royal. They stayed over night at Williamsburg and returned home over the Skyline Drive, a distance of 500 miles.

On the 4th page of Nov. 11th Carroll Record at the bottom of the page just below the article regarding "National Kids Day," note: "A suggestion. It seems a most pertinent thought calling attention to the fact that hundreds of dollars are about to be spent for 'treats' for overindulged children while many, some even in our own land, are in need of food. If it would be put up to the children themselves—don't you believe they would vote to 'share.' Can't we do something about it?"

S. S. BAZAAR

On Saturday, November 26, there will be a bazaar social and food sale sponsored by the teachers and officers of Grace Evangelical and Reformed Church School beginning at 10 A. M. at the community Fire Hall. The proceeds will go toward the building of a greatly needed parish hall.

Hesson; Fancy work and Miscellaneous items, Miss Margaret Shreeve, Miss Ruth Stambaugh, Mrs. Carel Frock, Miss Ruth Perry.

Everyone of the congregation is asked to support this project with their help and donations. It is hoped that there will be sufficient contributions to continue the affair through the evening.

THE REGULAR MONTHLY MEETING OF THE ALUMNI ASSOCIATION WILL BE HELD IN THE TANEYTOWN HIGH SCHOOL, ON Monday evening, Nov. 21, at 7:30 P. M. This is a very important meeting and a good attendance is desired. Refreshments will be served after the meeting.

ROAD BUILDERS IN ACTION—Highway construction methods have come a long way since the pick-and-shovel days when the first road was built from Baltimore to Frederick. Here is some of the equipment in use on the five-mile extension of the new Baltimore-Frederick Expressway from Pine Orchard to West Friendship, in Howard County. This project was among several inspected recently by newspaper editors and radiomen during a one day tour, sponsored by the State Roads Commission of Baltimore, Carroll, Harford and Howard Counties.

## Down the Line with Johnny Bell

It's on the wire before it's "on the air"

Most national radio programs travel much farther over special Long Distance telephone lines than they do through the air from the local broadcasting station to your radio. The Bell System operates about 135,000 miles of program transmission circuits which link radio stations in all parts of the country. Telephone men are on the job night and day to maintain high-quality transmission over these lines and to make split-second switches in the networks as programs change.

When they're needed, seconds count!

When someone's ill, when fire breaks out or thieves break in, co-operation on the telephone party line is more important than ever. If you ever need to make an emergency call when others are talking on the line, let them know. They'll be glad to hang up, just as you would under the same circumstances.

Visit them often — by Long Distance

A Long Distance telephone call is the next best thing to seeing your family and friends in person. The same warmth and excitement of familiar voices are yours to enjoy.

Long Distance service is fast, friendly and courteous. It's economical, too. For some typical low Long Distance rates, see the inside front cover of your telephone directory. The Chesapeake & Potomac Telephone Company of Baltimore City.

Eleven choices of colors combined with new interior styling are featured in the 1950 Ford Custom Deluxe Club Coupe and other models just introduced by Ford dealers throughout the nation. Ford Division has accomplished greater comfort, safety and economy as well as improved beauty of styling in its 1950 models.

### Paint Deadens Sound

A new paint industry product now on the market is used for coating the under side of automobile bodies. It serves not only to protect the metal parts against rust and corrosion, but also deadens the sound of the car's operation and makes for quieter riding.

### Destroy Aphids

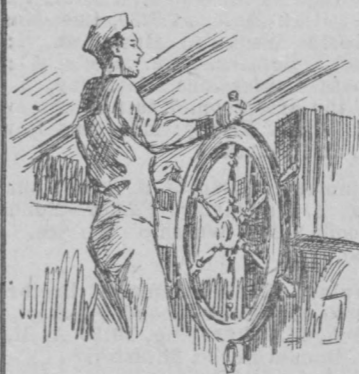

Dinitro used as a dormant spray on fruit trees or ornamentals (not evergreens) infested with eggs of aphids or plant lice will destroy these pests before they have a chance to hatch, informs J. O. Pepper, Penn. State extension entomologist.

### Newcastle Disease

Out of every 10 chicks and young chickens infected with Newcastle disease, at least three will die, a survey by federal veterinarians indicates. Adult birds, which get the disease are less likely to die, the death rate in this age group being about 1 out of 10.

### God's Open House

Lesson for November 20, 1949

IT IS A WARM chapter, this 55th of Isaiah. Some false ideas about God melt away fast when they are brought close to it. Let us take a look at some of these notions and see how they wilt in the light of God's word. Sometimes these notions are held sincerely, sometimes they are mere excuses to keep from facing God. One of these mistaken notions is the idea that God has two lists; one is a list of people on whom he intends to have mercy, and will save; the other list being a private one, of those on whom he intends to have no mercy and will not save. If your name is on the first list, fine; but if it is on the second list, you are in a hopeless fix; for if God is not going to help you, who can?

This is a terribly wrong notion. It confuses the true God with some sort of sultan in the sky who has a "social register" of persons he will admit to his palace. "Use this invitation as your card of admittance." No, it is not at all like that.

If you really think that admission to heaven is by card only, then cut out Isaiah 55 and present it at the gate. Cut out any verse in the Bible that says "Whosoever,"—John 3:16 for example—and present that. God keeps open house, he does not employ butlers or strong-arm men to keep out the crowds, he wants all to come who will. Do you want God? Then come. Are you thirsty for the living water? Then drink. It is as simple as that.

### No Waiting

THERE IS ANOTHER notion that keeps people away from God. It is a kind of shyness. It is the feeling that maybe it isn't any use hunting for God. It is the feeling a boy has when he is lost in the woods and has about made up his mind that there is no use in walking any more, he will just sit down and wait till somebody finds him.

It is the feeling that God may be sensitive and doesn't want people coming bothering him. It is the notion that if God wants me, he will knock me down and drag me where he wants me to be. A man with a notion like that, of course, isn't likely to meet with God.

He spends his life paying God no attention whatever, not even thinking about him, perhaps. He may even go as far as he can from the Father's house, believing that God's long arm, like the long arm of the F.B.I. or the Mounties, will reach after him and get him in case God ever wants him.

Now this is a ridiculous idea and a bad one too. Isaiah would not think it true for a minute. "Seek ye the Lord," he says. "Call on God . . . return to the Lord." "Incline your ear and come!" This means you—if you will. But if you won't, God will not force you. He forces no man. He wants willing obedience, loving service, not slavery. God will have no chain on you but the chain of love. God keeps an open house, not a prison farm.

### No House Of Horrors

ANOTHER WRONG NOTION, for which, alas, many a church member is partly responsible, is the notion that the nearer we get to God, the gloomier we shall be.

All the talk about sacrifice and suffering for others, such as we were thinking of last week, all the emphasis in the church on the death of Christ, all the solemnity of most church services, make people think: "God may be all right for solemn people, but not for me; I like life with a smile."

Now that is just another mistaken notion. The very persons who know the deeper meanings of sacrifice are just the persons who don't like to use that word about themselves.

In fact, it could be said that in general it is only Christians who have a right to be gay. Jesus himself, on the same night in which he was betrayed, spoke to his friends about sharing his joy to the full.

Isaiah 55 is certainly no invitation to gloom. Joy, peace, the clapping of hands are there. But how do we know Isaiah was right? There is only one way, and that is not to sit arguing about it. You never know what a party is like by staying at home.

Do you really want to find out what goes on there? Don't be content to hear others say, "It's wonderful!" God's door stands open.

### Thanksgiving Facts

The first Thanksgiving day was celebrated by the New England colonists after their first harvest in 1621.

In Biblical times, the Canaanites held a harvest festival, and later the Hebrews observed the harvest form of worship to Jehovah.

"It's a good thing to give thanks unto the Lord."—92nd Psalm.

Thanksgiving day was originally a fast day for the Popham colonists who landed at Mohegan Point near Kennebec, Me., August 9, 1607. The day was set aside to give thanks for a safe arrival.

The first Thanksgiving in America lasted three days and there were more Indians at the celebration than white men.

"Give thanks unto the Lord; call upon his name; make known his deeds among the people."—Psalms 105:1.

Though native to America, the turkey reached the poultry yards of this country as an immigrant from Europe.

Montana produces yearly more than 500,000 turkeys for eastern markets.

The Aztecs of ancient Mexico domesticated the turkey.

The foods used in a typical Thanksgiving feast are practically all native to this country.

Cranberries were served at the first Thanksgiving dinner in 1621.

## LETTER FROM HUNGARY

Oct. 1st, 1949.

Dear Unknown Madam, (or Sir):

No doubt you will be surprised to get a letter from a complete stranger from Hungary but my family is having such a difficult time, so that I am forced to turn to you for help hoping that you can do something for us to relieve our poverty and suffering.

Before going any further with this letter I must tell you who I am.

I am a 17 year old Hungarian girl. My name is Magda Domonkos. I have a 56 year old mother and a 25 year old brother both of whom are suffering from serious diseases. Mother is having stomach trouble, while my brother is ill with lung disease having spit much blood from his lungs last year and before that soon after the end of the war. Father died 2 yrs ago. Mother can barely work because of her weakness and my brother isn't allowed to do any kind of work either as it would make his condition much worse. Therefore I had to do hard manual work for the various farmers here in order to provide the sick ones with food which I got quite enough for my work, so thank goodness we don't have any trouble regarding food. It is only clothing that we need so badly. Please imagine we couldn't afford to buy any kind of clothes since the end of the war (almost 5 years) and we could only make ends meet somehow through the help of those kind people who are regularly receiving used clothes from their American relatives. They could give very little as they are poor, too, and they need all they get as gifts from America and the other day it came into my head that it would be good to appeal to someone in the U. S. A. for help as we have no relatives over there. It is surprising how many people (nearly every fourth family) are receiving gift packages from the U. S. A. It is said that generally all people are fairly well off over there in this respect, so I ask you to help us with some used clothes if it is possible for you please. We could use any kind of clothes and any size you came to send. People like us who have no source of income don't have to pay customs duties on used clothes, only on articles of food, tea, coffee and soap. Those who have property of their own such as house and land have to pay duties on all kinds of gifts coming from abroad.

Perhaps you will be interested to know where I found your address. I came across them in a "Ferguson" paper in which this company printed that you, too, had bought a tractor to cultivate your land with. I also wrote to Mrs. George F. Miller, Creve Coeur Missouri, and Mrs. Homer B. Howell, Route 6, Bedford, Indiana, whose names were in the same paper. I should like you to write them too. I wrote them in case some of you couldn't afford to send help.

I hope you understand my English. I know some. I went to a Secondary School during the war and learned English there. Since leaving the school I kept up studying it.

Please pardon me if I troubled you with this letter but for the sake of my loved ones I took the risk and courage to write to you for help although I don't like to ask for any good thing I can't return. I trust however that you will understand our hopeless situation.

Thanking you in advance for a reply and may God reward you for the help and sending my best wishes to you and yours, I am,

Sincerely yours,

Magda.

## FATHER AND SON BANQUET

The annual Father and Son Banquet was celebrated in the Piney Creek Social Hall last Monday night with 52 Fathers and Sons present. David Hess, president of the Men's Brotherhood, acted as toastmaster. The ladies of the Church served a delightful banquet consisting of roast turkey, fried oysters, mashed potatoes, sweet potatoes, peas, gravy, sauerkraut, rolls, bread, butter, pickles, relish, celery, coffee, cake and ice cream.

The toastmaster sprung a surprise on the Pastor and his wife. Calling Mrs. Owen from the kitchen, he announced that they were celebrating that day their 27th wedding anniversary. They were accorded cheering and congratulations and felicitations for the next 27 years.

The toastmaster likewise presented the charter members of the Brotherhood who were present. The organization was founded in 1926. It was reported to be the first Men's Brotherhood to be organized in this area. There were nine charter members present, namely, Norville Shoemaker, Norman Hess, Truman Bowers, Charles Stambaugh, Lake Weant, Paul Weant, Clarence Baumgardner, Claude Conover and Floyd Strickhouser. Many of these men brought greetings and reminiscences. Charles Schiltz, representing the Harney Brotherhood, was present and brought greetings.

For the entertainment of the evening, Clare Perdue presented John Basore of Littletown. After a few words of greeting Mr. Basore favored the audience with a moving picture show.

The banquet was closed with the singing of "Blessed Be The Tie That Binds." Everyone felt that the banquet was a signal success.

## PLANS COMPLETED FOR LIONS CLUB 2nd ANNUAL AMATEUR SHOW

Don R. Webb, chairman in charge of the affairs for the 2nd annual amateur show sponsored by the Taneytown Lions Club, recently announced everything under control and plans completed for this year's show. The show this year is scheduled to supply a full evening of real enjoyment to everyone. The place of assembly will be the same as last year—the local high school auditorium and the time is 7:59 P. M. Thursday, December 1st.

This Amateur Show will be enjoyed by old and young alike and will long be remembered. Everyone is welcome to attend. The admission fee is surprisingly low at only fifty cents a ticket available now or as you enter the auditorium the night of the show. Everyone will enjoy watching the Amateurs perform as well as witnessing the awarding of prizes which goes to the winners. By attending, you will display, in a personal way, your interest in your community, as proceeds will be used for worthwhile work wherever needed for community betterment.

## BIRTHDAY CELEBRATED

Mr. George M. Harman of Bankard's Terrace was greatly surprised Sunday night, Nov. 13, when Mr. and Mrs. Leon Myers, of Westminster, and Mr. and Mrs. Harry Mohney helped to celebrate his birthday. A beautiful cake with lighted candles adorned the center of the table and Mrs. Harman and daughter, "Marty", served delicious refreshments. Mr. Harman was the recipient of lovely and useful gifts. After a delightful evening of laughter and mirth, the guests departed wishing George a nicer birthday each year.

YOU HAVE MUCH TO BE

Thankful for

America takes inventory of her blessings and is thankful. No other nation can show so long a list, headed by such items as "Peace," "Security," "Abundance," "Personal Liberty."

In fact, elsewhere in the world there are many who wonder whether to be thankful even for life itself, surrounded as it is by misery, death, and destruction.

Rich or poor, in America we have much to be thankful for.
