The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional dis-ease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting na-ture in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials. obligation is quite as definite as the

From Sire to Son.

At last they met the afterdamp. The out, that he wanted to rush through and make his way to the shaft. If he had gone on, he certainly would have dropped, but the man would not let him. He stopped him by force, and though the lad bit and fought like a little demon he stuck to him and held him near to the ground, so that they could breathe. How do you think he calmed the boy at last? Sang comig songs to him. Well, they had to keep where they were for about five hours, and then, when the air had got better, the man started off and brought the youngster out safely, though once he was nearly suffocated by the afterdamp. Now, there's a case that nobody would have heard of probably if the lad hadn't happened to have told me about it."

As an instance of heroism in this direction that is known, however, I recall a story I heard near the bank of the Hyde pit after the explosion in 1889. APPLES! thus manifested has cost many a brave
