Vol. 4., No. 8.

TANEYTOWN, MARYLAND, SATURDAY, AUGUST 21, 1897.

Local and Personal.

This is meant to be a purely Local News columa, to which the Record invites contributions. Events of local importance—whether current or in the near future, accidents, cases of extreme illness, society and church happenings, marriages, deaths, etc., should be reported to the Editor in writing; otherwise, they may not appear.

THE Carroll Record.

VOL. IV.

The New Volume will aim to be an improvement over its predecessors, as it is not the policy of the RECORD lence and then stand still. From time to time, special articles will appear on subjects not usually touched by county papers, and at all times our columns will be open for the discussion of leading public topics.

As in the past, partisan politics will be given no room. We believe that the mission of a local paper is first to ventilate local questions for the benefit of the homes of the community, and to cover well the legitimate field of its circulation, without attempting too much.

As a News-gatherer

from points in Carroll county north of, and bordering on, the Western Maryland Railroad, the RECORD stands without a rival. Its corps of contributors is composed of writers for above the corp. posed of writers far above the average county correspondent, and and we are proud of the fact that the truthfulness of their reports are seldom questioned.

Once a Subscriber—

Always a Subscriber is the rule with patrons of the Record. Few indeed, have discontinued the paper, and the tew have been those who had no grieyance against, or fault to find with, the RECORD. Our subscribers, in fact, have assisted materially, by their personal influence and solicitation, in swelling our list until now our circulation is over

Is a leading item of the business of the Carroll Record Co. Our equipment for Job Work of all kinds is second to no office outside of the

large cities, and we prove this by the

JOB PRINTING

excellence of our work, and by the amount of it turned out. **ADVERTISING** Pays best in a paper which is read, and which makes a point of being first a news paper rather than an advertising medium. Sheets which cater to all classes of advertisers, by cutting up their columns to grant special positions, and intermingle

ally succeed in pleasing neither the reader or advertiser. The RECORD belongs to the former class. Many of our subscribers pronounce the CARROLL RECORD the best newspaper in Carroll

County, and show the courage of their convictions by telling others so—the paper speaks for itself.

The Man and the Tub.

One of the most ridiculous situations which at the time bring the coldest sweat out on a man's brow, have Indigestion, Constipation, Head and ever after remain with him as a ache, Rheumatism, etc., this grand as his flat is minus one of the chief and 50c. requisites for the job-a bathtub-he extemporized one out of a small washtub and enjoyed a cooling ablution.

rom the tub for a towel, when suddenly the top hoop of the tub burst which he took home with him, and with a sharp report, and the man after putting a tag on it marked \$14, made a present of it to a certain tents of the tub would soon be flooding the floor. At the same moment he thought of the store beneath and the amount of damage the water would do as it ran down through the ceiling. He is a man of quick thought, and in a moment he did the only thing possible, threw himself down have no objections, I would like to beside the tub and, clasping his arms return it and take \$14 worth of groaround it, held the already fast swelling staves together. He was such swelling staves together. He was successful in keeping the water in, but what a situation! He dared not yell, Little Early Risers, the famous little for he was hardly in a condition to receive callers, especially as he knew all stomach and liver troubles. They that all in the block at the time were of the gentler sex, and he realized at Taneytown, Md. of the gentler sex, and he realized at once that the only thing left for him was to stay in that position until the Hazel Salve. Piles and rectal diseases.

shopping expedition. Like the boy who saved Holland, he manfully remained in his most uncomfortable position until relief in the shape of his wife appeared. Then to get a rope or any old thing to tie know the authority on which the asabout the tubs, she, after a long fit sertion is based, that our senses fall of uncontrollable laughter, asked him asleep in a definite order. First the steeping have small stones heating in why he didn't carry the tub and its eyelids close, and the sense of sight is the fire. Place the patient in a chair, contents out to the sinkroom and lost, then the sense of taste follows, throwing a heavy shawl or blanket over pour out the water. With a look and after that smell, hearing and the head and letting it fall around the that froze the smile on her face, he did and letting it fall around the person. Let him hold the basin of hot did as she said, and without a word is said to be the lightest sleeper of all, donned his clothing and wandered and the first to be aroused. The out into the cold, unfeeling world, a crushed and humiliated man,

A Remarkable Cure of Chronic Diarrhea.

> language of the animals and fowls in his barnyard probably had its origin in primitive times men and beasts were able to converse together. In truth, as everybody knows, there are certain the sounds uttered by domestic animals have a meaning which man can understand. Of course all this is quite a different thing from language, and yet it has a certain scientific interest. Recently Dr. H. C. Bolton has discussed "the language used in talking to domestic sciously attempt to lower our language by abbreviations, etc., to the compre hension of brutes, very much as when we talk to young children. A curious fact is that the peculiar "click" and movements of horses are employed in very widely separated parts of the world, but sometimes in a reversed sense. In India, for instance, those sounds are used to stop instead of to start horses. - Youth's Companion.

To the Man In the Moon, I wonder what you do in the night When every one's gone to bed? It must be very lonesome indeed To stay there alone o'erhead.

Don't you ever wish you could come down

here
With us little girls and boys?
It must be so still up there in the sky,
With no one to make a noise. Perhaps you sometimes talk with the owl.

They say he's about at night.

I know I'd be frightened if I were you
To stay out alone all night. You must be so tired when daylight comes

But where do you go for rest? Perhaps you lie on a soft, white cloud. 'Twould make such a cozy nest! Sometimes you are gone for many a night.

I miss you; indeed I do,
But of course the Chinese children want
To see your jolly face too.

—L. F. Armitage in Primary Education,
