need of anything in my line.

B. O. SLONAKER.

Senator Quay is quoted as having made the following announcement; "All of my friends have been aware of my personal antipathy to another term in the Senate, but those prominent in the late crusade against the Republican State and legislative candidates chose to force the issue. They have made it imperative that I shall be a candidate for re-election."

If the RECORD could vote the Pennsylvania legislature, Mr. Quay would not be re-elected; if for no other reason, because a man with a "personal antipathy" for the Senatorship

regarded as a mere bauble to quarrel ed for no better reason that it would feet that such a revision is contemrepresent a trophy in a battle between plated. factions.

THRICE-A-WEEK EDITION. The Best Paper at the Lowest Price.

156 Papers a year FOR ONE DOLLAR.

As good as a Daily at the Price of a Weekly.

During the Spanish-American war THE THRICE-A-WEEK WORLD proved its great value by the promptness, thoroughness and accuracy of its reports from all the scenes of important events. It was as useful as a daily to the reader, and it will be of equal

value in reporting the great and com-plicated questions which are now before the American people.

It prints the news of all the world, having special correspondence from all important news points on the globe. It has brilliant illustrations, stories by great authors, a capital humor page, complete markets, de-partments for the household and women's work and other special departments of unusual interest. We offer this uneqalled newspaper

WASHINGTON RELICS. Articles of Priceless Worth Kept In

One of the most interesting relics in ten during the past few years, her Saturday morning, Nov. 5, 1898, I started on my mission to Phoenix, Baltimore county, a village on Northern Central R. R., 20 miles north of Baltimore, where the German Baptist Brethren have established a mission.

Holding three services returned by Wicker chest for cooking of the present wicker chest for cooking of the present. the National museum at Washington is the camp chest used by Washington had been subject to attacks from which her recovery was always despaired of. pact affair about the size of a tourist's The last of these before her final taking wicker chest for cooking of the present off occurred in Copenhagen ten months day, 2½ feet long, 2 feet wide, 1 foot ago. It was sudden and violent. The high, and it contains an outfit consistren in North West Baltimore, where they have a very interesting congresion.

The Spanish Commissioners presented a long decrease in the spanish control of the story as boxes, bottles, knives, forks, griding it is now told, at first declared that he gation. and plates. Every bit of the outfit save could do nothing. one bottle, which is broken at the

shoulder, looks strong enough to stand another campaign. Near by are the tents used by Washington—three in number. One is a open on the sides. That the tenting material of Revolutionary days was good stuff is proved by the excellent condi-
