Vol. 5., No. 43.

TANEYTOWN, MARYLAND, SATURDAY, APRIL 22, 1899.

ettetetetete Local and Personal. 

This is meant to be a purely LOCAL NEWS column, to which the RECORD invites contributions. Events of local Importance—whether current or in the near future, accidents, cases of extreme illness, society and church happenings, marriages, deaths, etc., should be reported to the Editor in writing; otherwise they may not appear.

J. Wesley Creeger has been burgess of Thurmont. His sor, J. Henry Cover, filled to tion for 13 consecutive years.

Judge Clabaugh Commended.

A Washington newspaper had the following to say of Judge Clabaugh's first charge to the Grand Jury;

"In the Criminal Court on last Wednesday, his honor, Judge Cla-baugh, made his first charge to the Grand Jury. It was one of the fairest and indeed, one of the most logical charges that has ever been made by any judge since the history of legal jurisprudence in this city. He was calm, deliberate, and eloquent. His charge was full of solemnity and good common sense that no one could mis- penses are lessened. If a farmer can

The Editor is not responsible for the opinlons expressed by contributors, nor does the publication of them make him their endorser. The public is entitled to the free use of this department, as long as it is not used as a medium for the ventilation of personalities, or for the publication of articles of no general interest or beneft. All communications must be signed by the writer, or authorship acknowledged in a separate note.

We do not disclose the identity of any writer in this department, in order to gratify curiosity, therefore the mode plume" may be used with a feeling of security; at the same time it must not be used as cloak behind which to deal out "personal cuts." Write only on one side of the paper, as plainly, and as nearly correct in punctuation, as possible. Communications should be limited to 500 or 600 words at most.

They measured the windows, panes and sash; took an order of all that was needed, and one went to town, sent out a carpenter, and soon everything was adjusted. In the meantime, the teacher sent a report of the affair, and who the man was that did the act, to our school commissioner. He arrived the next day, and he told the teacher that he had come by way of the suspect's house on purpose. He was sawing wood, and Mr. Z noticed his hand and several fingers bandaged in white muslin cloths, and bandaged in white muslin cloths, and his face looked as if he was just getting over a drunken spree. HOW TO TEST COFFEE.

Instructions For Detecting the Pure From Cheap Imitations.

Among the chief adulterations of coffee is that with chicory, which can be detected by throwing the ground coffee into cold water, when the chicory will sink rapidly and color the water. The abundant in pure coffee, and the ether extract, which is 14 per cent in pure coffee, were less than 1 per cent, says to cover the berries with a deceptive was due to the second roasting. Roasted imitation coffee may usually be very easily detected. As a rule genuine roastartificial article will sink.

oses little in weight by roasting. The Brazil coffee is larger, less solid and greenish or white, while the Java coffee smaller, slightly elongated, pale in color, deficient in aroma and essential oil and light. Ceylon produces coffee of is even colored, slightly canoe shaped, siderable gravity. Mocha is small and coffees are sometimes shipped to Arabia and exported from that country as genuine Mocha coffee. The Rio coffee forms a very large proportion of the coffee consumed in the United States. Its bean is smaller than the Java and nearly the size of the Mocha.

treat inferior or damaged coffee by some ject to this treatment, or rather other coffees are colored in imitation of Java. prevent evaporating.

How to Cure Toothache. M. Dunogier in the Independence

the solution and carry it to the bottom if possible of the cavity and press it in. convey a minute drop of the liquid thither, using a hypodermic syringe for the purpose.

How to Cure Corns. If you are troubled with soft corns do not fail to try the following treatment: Soak the feet well at night in hot water in which has been dissolved a few crystals of permanganate of potash; then dry carefully, especially between the toes, and dust the skin in these parts freely with a mixture of tannic acid and boracic acid. Next morning wash carefully with pure soft of collodion.

How to Make Sweet Potato Puff. Put two cups of mashed sweet pota toes over the fire, with a tablespoon of butter, the beaten yolks of two eggs, a of salt. Stir well, remove from the fire and add the stiffly beaten whites. Shape into a conical loaf on a buttered pan and brown in a hot oven.

How to Make Hair Tonie. Take a small quantity of rosemary, strip the leaves from the stalks and place them in a jar with nearly half a pint of cold water. Place the jar near the fire and let the contents simmer gently for an hour or two without set tling or brining. When the water i somewhat reduced, the infusion will be as those of plain ribbon, which merely sufficiently strong. Add half a pint of front, where they are held with small When cold, strain the liquid from the rum and simmer for awhile longer lace pins. Leather belts are seen more leaves and keep it in a bottle ready for use. Apply to the roots of the hair with

Return of the Volunteers to Begin Soon.

NOTHING POSSIBLE BUT GUERRILLA FIGHTING.

17th., inst., bringing captured vessels. Insurgents much scattered; retreat before our forces; await opportunity to attack detachments. Better class of people tired of war; desire peace. Enemy build hope on return of our volunteers to United States. Its army much demoralized, and loss by desertion and death large. Will probably prosecute guerrilla warfare, looting and burning country which it occupied. Health and spirits of troops good. Volunteers' return will commence about May 5th. Will render willing service until return transports Insurgents much scattered; retreat willing service until return transports available. Embarkation will continue through June and July. Reports from Visayan Islands continue very encouraging. Inter-island commerce beauty and the service with the difference between our methods and intentions and those of the Spanish soldiers, whose yoke has been encouraging. Inter-Island heavy; customs receipts increasing.
OTIS.

London, April 19.—John Barrett, former United States Minister to Siam, who has just arrived from Manila, emphatically declares that the gloomy for ebodings expressed in some quarters relative to the Philippines are not justified by the facts.

the United States at the present that the natives will readily acquithat the natives will readily acquisacture would enable them to bring matters in the Philippines to a quick and lasting settlement, honorable to the mother land. Should the Filipinos, however, who are kept well informed, acquire the idea that a prolongation of hostilities would affect politics in the United States advantageously to them the war would be tageously to them, the war would be

With regard to the statements that the Minnesota Volunteers and others United States so soon as their places could be effectually filled by regulars, there was no such feeling as one of insubordination, despondency or discontent. On the contrary, all were actuated, he asserted, by intense patriotism, and not a man wished to leave the Philippines until he had seen the country and participated.

Principal, W. K. Burgee, derivered an able but brief address on the history of Arbor Day. This was tollowed by singing a few stanzas of the "Star Spangled Banner." Then came the speeches of the little ones, in which many participated.

Principal, W. K. Burgee, derivered an able the leading towns are furnished high school advantages. We are ready to offer any aid in our power to bring about this needed advance.

Gomez Soliloquizes. If I had served myself As I have served these tatterdemalions As I have served these tatterdemands I would not now be turned adrift
As this sour scarecrow gang hath turned me.
When they needed the sword of Gomez,
They came to me with pleadings.
Now that they need me not,
Like some old horse that hath well served his

They turn me loose to forage and to die. Such is the substance of human gratitude— Today at the head of my dauntless band; Tomorrow a swordless wanderer.
But, never mind! There is one reckoning yet. That little scheme that Porter and I With cunning deftness swift arranged Still holds. I'll have the handling of Three million Yankee plunks!
And when they say, these ragged makers of

the law.

Where is our share, I'll hold 'em up to scorn.
I'll say, "Go to!" They'll get the frosted hand, But never a solitary coin!
This, then, is Gomez's vengeance!
—Cleveland Plain Dealer.

Heady in the ideas. But you do not know that all the time I was engaged I never could think one of them. Congratulate me; they have all come back."
—New York Press.
