Christmas and Gifts.

P. B. ENGLAR, Editor and Manager. been partners for so many ages and tect game (partridges) and at the same putedly, the place of the world's for the sportsmen when the birds be-Dr. G. T. MOTTER, Pres. G. A. ARNOLD greatest holiday. The day is as nagreatest holiday.

ticipation. Of course, the ingenuity keep an eye open for schemes, and ENTERED AT TANEYTOWN POSTOFFICE AS SECOND of trades-people is largely responsible this makes what Mr. Penniman has to for this, as the reportoire of gifts has say, of importance. His remarks were been extended indefinitely, which, called forth because of a proposition together with modern open-handed-to prohibit the hunting of birds for a ness on the part of people in general, year or two, or "closed seasons." We Turning on the Light.

The following letter, from a gentleman who has always manifested a Santa Clars. So true is this that Santa Claus. So true is this, that to see where they come in at. deep interest in public education, is but a specimen of the commendation which has been expressed to us so many times within the past month. It many pathetic stories might be told each year in every community, the full depth of which, in most cases, is never revealed.

The true Christmas comes only to those who feel pleasure unalloyed—to those who feel pleasure unalloyed—to those who feel pleasure unalloyed—to the birds of cover and protections. have not appreciated the extent to have not appreciated the extent to which the appropriations to private schools has reached. It is time for the light to be turned on. The present effort of the RECORD may not amount to much, in the way of practical results, but the time will come when the people will demand that this system of high-toned squarder. this system of high-toned squandering of public money must cease.

"You have enlightened me, and the public generally who have read your articles. I was not aware that such large sums were appropriated for the

articles. I was not aware that such large sums were appropriated for the use of the different colleges. I agree with you that it is diverting the funds of the people in wrong channels.

principals.

Following custom is too often increased and in the fair by the use of a mower, and in this way a great deal of cover which would protect the birds from hawks and in cold weather afford them a good, safe feedof the people in wrong channels.

Laws should aim at the greatest good to the greatest number. The long. Add to this the natural proposition to the greatest number. The long. Add to this the natural proposition to the greatest number. The long and to the greatest number of the long and the lead of the long of the long of the lead of the long of the long of the lead of the long of the long of the lead of the long of the lead of the long of the long of the lead of the long of the long of the lead of the long of the long of the long of the lead of the long of the lon expression of gladness that Christmas from hawks and snows. I think in neighborhoods where the birds are Box Paper.

which it has so fearlessly and ably advocated."

The following, from a gentleman on the eastern shore, is decidedly pointed. We reproduce his exact words, omitting the name of the college referred to:

"Your editorials on the subject of appropriating money to collegiate in-"Your editorials on the subject of appropriating money to collegiate institutions which should be self-supporting, is certainly a happy hit. I believe that the public schools throughout our whole state could after the subject of the legislation asked for, from which we clip the following paragraphs as fairly covering the whole state could after the subject of the subject of the subject of the subject of the legislation asked for, from which we clip the following paragraphs as fairly covering the whole state could after the subject of the subject of the subject of the subject of the legislation asked for, from which we clip the following paragraphs as fairly covering the whole state could after the subject of the subj

ford to have a higher curriculum, more highly qualified instructors and consequently better prepared men and women, were it not for the enormous amounts expended in supporting institutions fully able to maintain themselves.

In the college whica I attended, the state pays \$300., for each scholarship for the eastern shore, two being given to each county. Now, those pupils having scholarships take the same board and room (\$2.00 per week) as dormitory students have to buy for themselves, is but \$150. Here is a dormitory students have to buy for themselves, is but \$150. Here is a pure gift to the gentlemen who conduct the aforesaid institution of overable scholarship students have to buy for themselves, is but \$150. Here is a pure gift to the gentlemen who conduct the aforesaid institution of overable shahad money legislated to it which goes into the gain account of the Board without any requisite returns to the state. It's a shame and disgrace to the state and country that many self-sacrificing people who contribute most to the moral and intelectual advancement of our country, are compelled to beg, as it were, at the door steps of those whose success depended greatly on the mental training which they received."

According to this letter, it appears that the College in question receives the condition of national affairs and trade in those parts of the globe is shipping. In order that our only means of communication and intercourse with more than one much the many self-sacrificing people who contribute more probable to main the many self-sacrificing people who contribute more the probable probable probable probable probable probable probabl

According to this letter, it appears there is a constant, powerful and suc that the College in question receives cessful influence exerted in favor of

mation along this line; what the regular tuition is to ordinary students in ular tuition is to ordinary students in the subsidized colleges, and what maintains at every cost necessary to amount they actually receive persuccess their shipping intercourse and the facilities and aids that necessarily western Maryland College receives \$14,000 per annum. Suppose this apwestern Maryland College receives a corresponding policy, and by the most liberal inducements rehabilitate

Prevented a Tragedy.

Watch the Game Law.

President George D. Penniman, of the Maryland Game Protective Association, has given expression to his views for the protection of game, and incidentally advises farmers how to Christmas and gift giving have so conduct their operations as to proin all countries, that it holds, undistime, we presume, furnish amusement law of gravitation to falling bodies. 1780. LOST ENERGY

The most widely circulated "weekly" newspaper in America is the Thrice-a-Week edition of The New York World, and with the Presidential campaign now at hand you cannot do without it. Here are some of the easons why it is easily the leader in dollar a car fournalism year journalism.

It is issued every other day, and is to all purposes a daily.

Every week each subscriber receives 18 pages and often during the "busy" season 24 pages each week.

The price is only \$1.00 per year.

It is virtually a daily at the price of a week-ly. RESTORED BY

Mayor Hayes has instructed City Solicitor Bernard Carter to begin proceedings as early as possible in January in a Court of Equity of the city for a foreclosure of the mortgage held by the city against the Western Maryland Railroad and its sale at public auction

"I am determined," the Mayor said money we can for the property, at the same time relieving the taxpayers of sale and admired for her without trouble. Man would not place the intoxicating cun to his without trouble. Man would not place the intoxicating cun to his without trouble. Man would not place the intoxicating cun to his without trouble. Man would not place the intoxicating cun to his brothers lips. Politics would be purisfied. It would be unnecessary to pass stringent laws to obtain honest elections; men would live in peace and harmony with each other. He spoke about an hour to a very attentive audience. (Received too late for last issue.—Ed.)
