Vol. 7., No. 19.

TANEYTOWN, MARYLAND, SATURDAY, NOVEMBER 10, 1900.

THE C. E. CONVENTION. Annual C. E. State Convention to be held in

Baltimore, next Week.

The annual convention of the Christian Endeavor societies of the State will be held in Brantly Baptist church Baltimore, next Tuesday, Wednesday Baltimore, next Tuesday, Wednesday

and Thursday.

Tuesday morning will be given over to the registration of delegates. The addresses of welcome and the response will be delivered at the aftersponse will be delivered at the afterspo

ium on Endeavor work. An address will also be delivered by Rev. Dr. William Patterson on "The Sin of Compromise." "Essentials to Chrisday and abroad that he is able intelligent and abroad that he is able intelligent and abroad 5 fusion. compromise. Essentials to Christian Discipleship" and matters connected with the management of Junior work, will be discussed at the afternoon session. At the close of the Junior Workers' conference Rev.

Junior Workers' conference Rev.

Charles M. Shaldon of Toneka Kan.

The House will likely stand, 203 republicans, 148 democrats and 5 fusion-lists, though these figures are susceptible to slight changes on account of several districts still in doubt.

One of the features of the result square to the right of the name of square to the r Junior Workers' conference Rev. Charles M. Sheldon, of Topeka, Kan., author of "In His Steps," will conduct

speakers at the session Wednesday no admission will be charged. The night. Mr. Sheldo i's subject will be proceeds will be devoted to the use of "Opportunities for Service in the Twentieth Century." Mr. Woolley will speak on "The Power of Testimony." To accommodate the large audiences which are expected at this session, two services will be held—the one at Brantly and the other at the First English Lutheran church. Both ddresses will be delivered at each of the two churches.

On Thurs lay morning there will be an open parliament on "Missions" and a committee conference. Rev. Maurice Penneld Fikes, pastor of Brantly church, will deliver an address at the afternoon session.

Mrs. Martina Landers, of Chester's town, Kent county, formerly of Middleburg district, died suddenly, on Saturday evening lact, probably from heart disease. Mrs. Landers was living with her son, U.S. Landers, and legally. In Buckeystown district this practice prevailed until 40 ballots had not been ill; her death, therefore, was a great shock even to those of her immediate household. Her body was brought to this county, on Tuesday, and interment took place at Middleburg on Wednesday. dleburg on Wednesday.

Mrs. Martha A, Landers died verv sudden- ing trains.

Calendar Advertising Again.

We again call attention to the subject of calendars for advertising purposes, and invite business men to call ment. Now is the time to place orders for future delivery. When you will read and an animaling occurrent in the third precinct of Frederick of Tuesday. A republican worker me

they are ornamental as well as useful but he was not allowed to yote. "He's but he was not allowed to yote. "He's been dead a year, according to the books," said one official, and it was 11,000 in excess of that cast at the true. canyas this and adjoining towns; but true. as we have not the time, the trade must come to us if it wants to be supplied. Which flowed like the rushing of a mountain torrent, and I have never seen a finer example of frenzied electricitions with which he is surround ed.

The effect of his oration was re

of this character will bear its appropriate fruit, in abundance, is not only a sure thing for the future, but is even now in evidence in the discount with which many such statements are regarded, even by the average reader. What a shame that the wonderful advance in the arts of gathering, publishing, illustrating and disseminating news, should be prostituted to the level of the lying and disreputable methods of so called modern journalism. "Yellow," is a most charitable descriptive expression—it now belongs to ancient history—as it applies to the average newspaper which has become too strongly partisan to lay any claims to a reputation for honesty.

We do not expect the same grade of the local periods of the same argualtion of speeches and the aggregate of big. The same atthority credits Bryan with one sety.

We do not expect the same grade of the local periods of the same argualtion of speeches and the aggregate of big. The same atthority or considerable sentiment in favor of the independence of the island. This should be prostituted to the average newspaper which has become too strongly partisan to lay any claims to a reputation for honesty.

We do not expect the same grade of the local periods of the same argualty of the same

We do not expect the same grade of truthfulness from platform speakers, as from newspapers. The heat of auditors. But both exhibitions of virility and untiring preseverance deserve to be considered remarkable. The heat of would be disastrous to its business interest, at least, it is felt, and would that somebody else pays \$1.50 for.

All the new things in Men's Hats truthfulness from platform speakers, as from newspapers. The heat of partisan contests, the excitement of large audiences, the many "spur of the moment" occasions which arise, together with personal ambition to win at all hazards, may easily lead truthfulness from platform speakers, rility and untiring preseverance deserve to be considered remarkable. Whatever individuals may think of the political principles upheld by Governor Roosevelt or Mr. Bryan their admiration must go out to these two candidates as typical specimens of robust American manhood and native strength.—Herald. them to rash expressions. With newspapers, the manufacture of "malice aforethought" and deliberately conceived untruthful editorials, are acts deserving no palliation whatever, es- Feyer and Ague, and Typhoid disease entire sincerity in their opposition,

The Talent Penny.

FREQUENTLY is heard inquiry,-What can we do to make some money for the church? or in the interest of a new library? or hospital? or any of the various organizations for charity It may be interesting to know one

Just before Thanksgiving Day, Church Union adopted the Penny Talent plan, and the results were turned in on February 22nd, (this being a day easy to remember), and amount ed to more than two hundred and fif ty dollars and none felt burdened. I promoted sociability, and brought out many latent energies, in housekeep ing, sewing, and otherwise improving the many opportunities that were presented to each individual, some of which, by the way of encouragement, we will enumerate About one hundred and fifty bright

new pennies were distributed in en velopes as herewith described. On an envelope, about three by five inches, was printed the following:

Shall I BUY it?
Shall I WASTE it?
Shall I WASTE it?
Shall I LOSE it?
or Shall I USE it?
Feb. 22d, 1899. (In this corner the obj. which it is to be colling to the content of the obj.) A folded circular was placed insidthe envelope, on the outside of which were the words: Investment

ONE PENNY

On the first inside page: NO KEY CAN OPEN ALL LOCKS,

1. Asked God's blessing on the talent-and worked
2. Had small socials, and charged for admis

ing results.
WHAT WILL YOU DO?

On the last page: RETURN YOUR TALENT and join us in a service on WASHINGTON'S BIRTHDAY LADIES' UNION.

On a smaller envelope which contained the penny were the following

give a few of the methods used.

penny for a dollar, which increased it at once a hundred fold,—some for five The less a sprained limb is used, the dol'ars. The gentlemen found this the easier way to encrease theirs. It was certainly very practical and profitable, and we commend it to all of them, since they do not usually sew or bake. Some bought—or had their friends buy-their penny for much enough to buy a bag of flour; his aunt baked it up (not all at once), he delivered the bread and biscuit to his customers and had the profits, about

A young lady made bread and rolls, and her friends, instead of going to the baker, bought of her: she turned in fifteen dollars. Others made cakes of various kinds,—sponge, pound, dutch cake, crullers; one baked beans, one bought a barrel of sweet potatoes and retailed them; one made an excel lent wash for chapped hands which she sold at ten cents per bottle; one sold toothpicks; a small boy sold newspapers, his grandfather drumming up the customers; a number made candy, which always sells. Salted peanuts found ready sale, Some made aprons; some knitted blankets, caps, made Honito collars and handkerchiefs; ture horseshoe in his pocket will alone of the elderly ladies knitted wash rags and lace, and turned in seven dollars, towels, too; one had a card marked in spaces of five cents each, and as friends would give her it was marked off; three joined together and had a "Mystery Tea," and sold fancy goods, candy, and aprons; a number joined forces and had a Valentine social, selling Aunt Jemima baking powder, pickles, and pepper-pot. All

contributed toward the grand success.

Our Home Circle. Gentlemen, besides giving their own money, bought of others, and gave their presence to the social occasions. Feathers may be cleaned and the condition of the -for work it was. "We know we must toil if ever we win."-The Priscilla.

and is already expensive to keep in proper repair. Its floor beams are not strong enough to endure office use. Great difficulty has a significant to the strong and the strong to the strong enough to endure office use. Great difficulty has a significant to the strong the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them to wash the whole the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them to wash the whole the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them to wash the whole the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them to wash the whole the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them to wash the whole the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them to wash the whole the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them the strong take any interest in their sons' interests and pleasures except to discourage them and how very few ever take the time to teach them the strong take any interest in t onstantly exercised. Several times ney. the floors have threatened to break through. The stairs have already broken down, one flight being now supported by a chain. Still, to remodel for office use only, the whole inches, was printed the following:
This envelope contains ONE TALENT to be used. What shall I do with it?
Shall I BUY it?

Shall I BUY it?

Shall I BUY it?

Shall I BUY it?

Shall I BUY it?

Shall I BUY it?

Shall I BUY it? meet the requirements of the case, and also, it is believed, the approval of the country at large.

Six Frightful Failures. Six terrible failures of six different doctors nearly sent Wm. H. Mullen of Lockland, O., to an early grave. All said he had a fatal lung trouble and that he must soon die. But he was the fastest ever urged to try Dr. King's New Discov-stake, Lexington. So no one person possesses all talents.

We believe that our church home has been a biessing to us, and that its influence can be still farther extended. Every one of us can do something to accomplish that result. As a beginning will you not take this penny as an investment of one talent?

Read Matthew xxv: 14-29.

America's Greatest Weekly.

paper of America. The only Weekly edited expressly for every state and territory. The News of the World so arranged that busy people can more easily comprehend, than by reading cumbersome columns of dailies. All current topics made plain in each issue by special editorial matter, written from inception down to date. The only paper published especially for people who do or do not read daily newspapers, and yet thirst for plain facts. That this kind of a newspaper s popular, is proven by the fact the Weekly Blade now has over 178,000 yearly subscribers, and is circulated in all parts of the U.S. In addition to the news, The Blade publishes short and serial stories, and many depart-
