KIWANIS CLUB NEWS

The Taneytown Kiwanis Club held its regular meeting on Wednesday evening, July 12, at the Hoffman Orphanage, near Littlestown, President Clyde L. Hesson, presiding. There were present fifty-three members and guests, the occasion being a "ladies night".

The dinner was served in the large dining hall of the institution and was shared with the Superintendent and his family, and the boys and girls of the Orphanage. The members and guests availed themselves generally of the cordial invitation of the Superintendent to visit the various building of the Orphanage, especially the beautiful chapel, erected a few years ago. Rev. Arthur L. Leeming is the efficient Superintendent of the institution.

Group singing led by Harry M. Mohney, with Mrs. Wallace Yingling at the piano, featured the program. Mrs. Yingling also led the children in singing as a separate group, as well as with the whole group. Miss Dorothy Kephart gave a reading, which was a humorous picture of scenes and experiences in school.

As the final feature, Superintendent Leeming showed three reels of sound pictures, the first being a fire-side sing-fest, the second a highly amusing comic, and the third a children's picture, the bathing beauties.

THE COUNTRY IS SAFE

Effective July 1, the OPA announced a ceiling price on cucumbers. The price is \$2.00 per bushel—minimum weight 43 pounds. All farmers are covered. We would like to give the price per serving of dill pickles at that rate, but it is entirely beyond our mathematical ability. Perhaps some of our housewives or expert guessers can tell us how many tiny cucumbers there would be in a bushel.

BOARD OF EDUCATION MET WEDNESDAY

Teachers Resign. Bids Were Opened and Contracts Awarded

The Board of Education of Carroll County met in regular session on July 7 with all members present. The minutes of the last meeting were read and approved and all bills submitted ordered paid.

The Board accepted with regret the resignations of the following: Ruby R. Spencer, Claude Yowell, Earl Palmer, Helen Stakem, Kathleen Barnard, Dorothy LeFevre, Harold Eaton, Mabel Taylor.

Mary W. Crabbs was appointed to succeed Mrs. Spencer, clerk, and G. Watson Algire was appointed to succeed Mr. Yowell who had been principal of the Hampstead High School for sixteen years. Mr. Algire has been acting as vice-principal in that school during the past year.

The resignation of Robert D. Powell, janitor of the Westminster Elementary school, was also accepted. The appointment of Elizabeth Wodilla and Catherine Myers was approved. The Board approved the recommendation of Truman B. Cash, insurance supervisor, on increasing the coverage on various school buildings of the county. This increased coverage was deemed necessary because of the increased cost of replacement.

Bids on stokers for several schools in the county were opened and the awarding of the contracts was left in the hands of a committee appointed by the president.

The Board of Education was notified by the Register of Wills of the bequest in the will of the late H. Peyton Gorsuch. The superintendent was instructed to confer with the auditors and attorney in this matter.

The contract for the repair to roofs of various schools in the county was awarded to the Westminster Hardware Company for the sum of \$1598.20.

The following district scholarships to Western Maryland College were awarded: Middleburg District, Ruth Magin (1 year); Uniontown District Rayona Hurly.

The superintendent reported a total of \$52,219.35, representing the purchase of stamps and bonds by the school children during the school year 1943-44.

JACKSON WILL BOLT

Former Mayor of Baltimore will Vote American

President Roosevelt's announcement on Tuesday that he will accept the Democratic nomination for the fourth term in the presidency, was greeted all over the country with smiles. Wendell Wilkie asked, "Is this news?" Just what was the purpose in "announcing" what everybody knew, has not been stated.

Maryland reaction to the announcement was very marked, though not all of it was outspoken. Former Mayor Howard W. Jackson, of Baltimore, came out openly with the statement that he will not support Roosevelt. Instead of saying he will vote for Dewey and Bricker, he simply stated that he will vote "American" this time.

Governor O'Connor and Senator Tydings were both approached for comment, but neither of them was ready to announce a position.

The New Deal supporters and the CIO, of course, assumed a different attitude. Having been engaged for months in preparing the set-up of the convention which will be held next week, they were outspoken in praise of the "great leader" and "great statesman," and quickly pledged themselves to do everything for his re-election.

OUR NEW TELEPHONE DIRECTORY

Telephone subscribers in Taneytown have just received copies of their new directory, according to a statement made by William B. Hopkins, manager of the Chesapeake and Potomac Telephone Company of Baltimore City here. He reports that more than 400 copies of the new directory have been delivered.

The directory is an essential tool for making today's telephone service work both smoothly and efficiently. Users of the telephone will find a great variety of information in the directory—how to make emergency calls, how to get repair service, space for important telephone numbers, helpful guides in the proper use of the telephone and information on out-of-town calls.

Efforts are being made to reduce the number of telephone directories delivered this season. Mr. Hopkins said, in order to conserve paper. Persons having two or more telephones have been asked to limit as far as possible their requests for additional directories, due to the government's conservation program. Telephone customers are also urged to take good care of their directories and when moving from one location to another to take their directories with them.

As many telephone numbers have been changed since the last directory was issued, telephone users are asked to consult the new directory before making calls. Personal telephone number lists should also be checked with the new directory and corrections made where numbers have been changed.

Use of party-line service by telephone subscribers is definitely aiding the war effort, since the scarcity of critical materials prevents the telephone system from being enlarged. It is more important than ever that neighbors sharing the same line be considerate of one another. Good telephone neighbors make calls as brief as possible, do not call several numbers in succession, avoid interrupting conversations, answer their telephone promptly and hang up the receiver carefully. If everyone on the same line cooperates, then all will receive good party-line service.

POLES REPLACED BY POTOMAC EDISON CO.

Within the past six months The Potomac Edison Co. has completed a big program of power line pole replacement within the local Taneytown Union Bridge area. The improvement program, costing an estimated \$5,700, according to S. E. Breth, the company's District Manager here, involved nearly 250 poles.

PE's regular inspections of poles supporting electric lines in this vicinity revealed that many of the 250 poles, although not in a hazardous condition, needed replacement in the interest of best service.

The power line poles replaced were for the most part chestnut poles with a few cedars being found. The new ones used in the replacement, which required several months' work, are of creosoted pine. In the course of the job many lines were revamped and are now in practically new condition.

DEMOCRATS TO MEET NEXT WEDNESDAY

Will "Probably" Nominate F. D. R. And "Someone" for Vice-Pres.

The convention will open in Chicago next Wednesday. It is called the Democratic convention and there will be many Democrats there, "hot under the collar." There will be many others there, as for instance New Dealers and CIO representatives. It is a "foregone conclusion," they say, that President Roosevelt will be nominated, and we know now, or did we know before? that he will accept.

As for the Vice-Presidency we are more in the dark for the Big Boss has not issued orders as yet. It is a "foregone conclusion" that he can force the nomination of his own choice, as he did four years ago, when the convention swallowed Wallace, though it was under violent protest.

The situation is mixed. Wallace, of course, wants another chance, and the President is said to favor him, but some of the rabid New Dealers are up in arms against what they call a conspiracy to "sacrifice" Wallace, and on the other hand parts of the South are outspoken in their opposition to Wallace. Before the balloting starts for second place it is expected that a telephone message will go from Washington to Chicago, and that the matter will be then settled.

We do not know how long the convention will last. It is supposed that it takes time for a lot of deliberation when it comes to selecting candidates for the presidency and vice-presidency and for the framing of a platform to which the nominees are to be required to subscribe.

SERVICE MEN LETTERS

Dear Sir: I am dropping you a few lines telling you that I have arrived safely overseas. I am somewhere in England. I miss your paper very much, as it always has the happenings in and around town. I do hope that I can get it over here, so I can keep up in town news. When we all get town papers it makes us feel close to home. It gives us all more of a life in spirit. We had a swell trip over here, but it will be much better when we all can go back to our homes to stay. At this point I like to say hello to all my friends around town, and keep up the good work as we soldiers are doing our part every day over here. I also want to thank your Co. for the good work they are doing with the Record. Will have to close as it is meal time. Good luck to you all. Pfc. JOHN O. GARNER.

Dear Editor: A line to let you know of my change in address, so that I can keep on receiving the paper. We had quite a trip down here. It was dirty but it was soon over. This is one of prettiest naval bases in the United States and upon entering it one can easily see why. It lies along the Gulf of Mexico and there are bays around us where we can go swimming in our free time. I will have to close as it is almost time for "lights out" thanking you for the paper. My new address is: FRANCIS E. LOOKINGBILL S 2/c C and B School U. S. N. A. S. Pensacola, Florida.

(We regret that we are unable to send The Record free to men and women in the Army that are serving overseas. A P. O. Depruling prohibits us from sending our paper to these men and women, unless the paper is subscribed for.—Ed.)

THE WAR MEMORIAL

A Hospital is Being Considered for Carroll County

A strong sentiment towards a hospital for Carroll County as a Memorial was evidenced at an important meeting of the Carroll County War Memorial Fund Committee that was held in the Times Building on Monday night at the call of the county chairman, Claude T. Kimmey.

Those present were: Judge H. H. Hackney, E. J. Bartol, Dr. M. C. Porterfield, Ralph Bonsack, Raymond S. Hyson, Denton Martin, Willard Hawkins, Ralph G. Hoffman, Paul Lawyer, C. Ray Barnes, Scott S. Bair, Edward Arrington, Erman A. Shoemaker, Mrs. Randall Spoerlein, and Mrs. Gladys M. Wimert.

Combined with a growing interest in a hospital for Carroll County and the knowledge that \$20,000 would be available for a "home" hospital, according to the terms of the will of the late H. Peyton Gorsuch, who had supported such a project, since World War I, members of the general committee present, expressed their belief that this type of memorial would find great favor with the people of the county.

Dr. M. C. Porterfield, president of the Carroll County Medical Association, and chairman of a special committee from the Memorial Fund to make a survey and study of the proposed "Medical Center," gave a report from that association. He stated that at a meeting last month, the association went on record as recommending a maternity hospital with facilities for accident and emergency cases if feasible, and a suggestion as to a 15 bed maternity ward. He outlined the operations of several small hospitals throughout the state, and was favorable to a project similar to the hospital in LaPlata, a 25 bed hospital, that was built, furnished and equipped in 1939 at a cost of about \$50,000.

Mr. Hyson, chairman of the advisory committee, gave his report on the library, that was originally planned in the combination of the War Memorial-medical center-library, supplementing the major feature of the building, the memorial hall. He also set out specifications for the proposed library and adequate expansions if needed.

Legislative relations were given by Ralph Hoffman, who was assisted by Judge Hackney and Theodore Brown. This committee was definite in their belief that the board of county commissioners should hold title to the building (as they do now to the entire funds solicited and converted into War Bonds) and that proper legislation can be passed to effect a Board of Directors or Trustees that will be in sole charge of the operations of the hospital.

On motion made by Mr. Bair it was ordered that the district chairman contact their respective contributors and ascertain from them, if there would be objections to the elimination of the library from the proposed plan for the Memorial and have in its stead, a small hospital as suggested above. Their findings would be given at the next meeting, which has been called for July 31, at 8 p. m., at the Times Building.

Following affirmative assurance on the part of those present, that the trend of the people towards a memorial, was in line definitely with a hospital, Mr. Lawyer moved that the advisory committee employ an architect to draw up tentative plans for a 25 bed hospital, and submit these plans at the next meeting. Mr. Arrington seconded the motion and it was carried unanimously.

Treasurer Ralph Bonsack reported \$33,395.99 on hand now from the campaign for \$50,000 for the proposed Memorial, and it was the unanimous opinion of all present that a second campaign for funds to reach the goal of \$50,000 be put on concurrent with the Sixth War Loan Drive, probably in September.
